PURPOSE AND SUMMARY

H.R. 6461 codifies and authorizes the National Deployment Force (NDF) within the Transportation Security Administration (TSA). The bill establishes the National Deployment Office and tasks it with managing the NDF, recruiting Transportation Security Officers (TSOs) to participate, and training the TSOs who join the NDF. Finally, H.R. 6461 requires TSA to provide Congress with an annual report on the NDF, including its activities, collaboration with other Department of Homeland Security components, staffing, and recruitment and training activities.

BACKGROUND AND NEED FOR LEGISLATION

TSA's National Deployment Force (NDF) is a rapid response force of Transportation Security Officers (TSOs) and other TSA employees, based at airports around the country, who can be deployed around the country in support of homeland security operations. TSOs on the NDF typically serve one-year terms. Examples of situations where the NDF has been or could be deployed include National Special Security Events and the aftermath of natural disasters or terrorist attacks. The NDF has also been used to support airports across that country that have experienced hiring shortfalls or require additional personnel due to seasonal demands. H.R. 6461 codifies the NDF to ensure TSA maintains its important rapid response and security capabilities.

HEARINGS

The Committee did not hold a legislative hearing on H.R. 6461. However, the Committee held a hearing with Department officials on November 8, 2017, to discuss TSA's role in keeping our transportation systems secure. The Subcommittee on Transportation and Protective Security also held a hearing on April 12, 2018 entitled "Examining the President's FY 2019 Budget Request for the Transportation Security Administration". Testimony was heard from David P. Pekoske, Administrator, Transportation Security Administration, Department of Homeland Security; and public witnesses.

COMMITTEE CONSIDERATION

The Committee met on July 24, 2018, to consider H.R. 6461, and ordered the measure to be reported to the House with a favorable recommendation, without amendment, by unanimous consent.

COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto.

No recorded votes were requested during consideration of H.R. 6461.

COMMITTEE OVERSIGHT FINDINGS

Pursuant to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee has held oversight hearings and made findings that are reflected in this report.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX
EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee finds that H.R. 6461, the TSA National Deployment Force Act, would result in no new or increased budget authority, entitlement authority, or tax expenditures or revenues.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

The Committee adopts as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, August 31, 2018.

Hon. MICHAEL MCCAUL,
*Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 6459, the TSA Opportunities to Pursue Expanded Networks for Business Act, and H.R. 6461, the TSA National Deployment Force Act.

If you wish further details on these estimates, we will be pleased to provide them. The CBO staff contact is Megan Carroll.

Sincerely,

KEITH HALL,
Director.

Enclosure.

Transportation Security Administration Legislation

On July 24, the House Committee on Homeland Security ordered two bills to be reported related to activities of the Transportation Security Administration (TSA):

- H.R. 6459, the TSA Opportunities to Pursue Expanded Networks for Business Act, would require the agency to develop a strategy for diversifying and encouraging participation of small businesses in the marketplace through which TSA acquires security-related technologies; and
- H.R. 6461, the TSA National Deployment Force Act, would establish an office responsible for deploying TSA personnel to provide additional security at airports and other locations and to respond to manmade disasters and other situations.

Using information from the TSA regarding the costs of similar activities, CBO estimates that neither of those bills would lead to additional federal spending of more than \$500,000 annually. (Such spending would be subject to appropriation.)

Neither H.R. 6459 nor H.R. 6461 would affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply for either bill.

Neither bill would increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029, CBO estimates.

H.R. 6459 and H.R. 6461 contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Megan Carroll. The estimate was reviewed by Leo Lex, Deputy Assistant Director for Budget Analysis.

STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, H.R. 6461 contains the following general performance goals and objectives, including outcome related goals and objectives authorized.

This legislation establishes a National Deployment Office within the Transportation Security Administration to create and maintain a National Deployment Force, comprised of TSA employees, to be utilized in times of emergency or excessive demand. This bill's goals will be assessed by directing the Administrator of the TSA to submit a report regarding the activities of the National Deployment Office to the Committee on Homeland Security of the House of Representatives and Committee on Commerce, Science, and Transportation of the Senate, not later than one year after the date of the enactment of this legislation and annually thereafter for five years.

DUPLICATIVE FEDERAL PROGRAMS

Pursuant to clause 3(c) of rule XIII, the Committee finds that H.R. 6461 does not contain any provision that establishes or reauthorizes a program known to be duplicative of another Federal program.

CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

In compliance with rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of the rule XXI.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

PREEMPTION CLARIFICATION

In compliance with section 423 of the Congressional Budget Act of 1974, requiring the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt State, local, or Tribal law, the Committee finds that H.R. 6461 does not preempt any State, local, or Tribal law.

DISCLOSURE OF DIRECTED RULE MAKINGS

The Committee estimates that H.R. 6461 would require no directed rule makings.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

In addition to maintaining the NDF, the head of the NDO is also responsible for educating transportation security officers on ways to participate in the National Deployment Force, recruiting officers to serve on the NDF in accordance with the staffing model developed by the TSA, and selecting and training the officers that serve on the NDF.

The report will include: when, where, why, how many, and for how long the National Deployment Force was deployed over

the past year; the costs associated with the deployments; a description of collaboration between the National Deployment Office and other components of the Department of Homeland Security, other Federal agencies, and State and local transportation security stakeholders; the size of the National Deployment Force; and information on recruitment, appointment, and training activities of the National Deployment Force.
