SEC. 2. SMALL BUSINESS LOWER-TIER SUBCONTRACTING.

Section 8(d) of the Small Business Act (15 U.S.C. 637(d)) is amended—

(1) by amending paragraph (16) to read as follows:

"(16) CREDIT FOR CERTAIN SMALL BUSINESS CONCERN SUBCONTRACTORS.—

(A) IN GENERAL.—For purposes of determining whether or not a prime contractor has attained the percentage goals specified in paragraph (6)—

(i) if the subcontracting goals pertain only to a single contract with the Federal agency, the prime contractor may elect to receive credit for small business concerns performing as first tier subcontractors or subcontractors at any tier pursuant to the subcontracting plans required under paragraph (6)(D) in an amount equal to the dollar value of work awarded to such small business concerns; and

(ii) if the subcontracting goals pertain to more than one contract with one or more Federal agencies, or to one contract with more than one Federal agency, the prime contractor may only count first tier subcontractors that are small business concerns.

(B) COLLECTION AND REVIEW OF DATA ON SUBCONTRACTING PLANS.—The head of each contracting agency shall ensure that—

(i) the agency collects and reports data on the extent to which contractors of the agency meet the goals and objectives set forth in subcontracting plans submitted pursuant to this subsection; and

(ii) the agency periodically reviews data collected and reported pursuant to subparagraph (A) for the purpose of ensuring that such contractors comply in good faith with the requirements of this subsection and subcontracting plans submitted by the contractors pursuant to this subsection.

(C) RULE OF CONSTRUCTION.—Nothing in this paragraph shall permit lower-tier subcontracting goaling requirements of prime contractors that are eligible to receive lower-tier subcontracting credit under this paragraph.; and

(2) by adding at the end the following:

"(18) DISPUTE PROCESS FOR NON-PAYMENT TO SUBCONTRACTORS.—

(A) NOTICE TO AGENCY.—With respect to a contract with a Federal agency, a subcontractor of a prime contractor on such contract may, if the subcontractor has not received payment for work performed within 90 days of the completion of such work, notify the Office of Small and Disadvantaged Business Utilization ("OSDBU") of the Federal agency and the prime contractor of such lack of payment, if such notice is provided to the agency within the 15-day period following the end of such 90 days.

(B) AGENCY DETERMINATION.—

(i) IN GENERAL.—Upon receipt of a notice described under subparagraph (A), the OSDBU shall verify whether such lack of payment has occurred and determine whether such lack of payment is due to an undue restriction placed on the prime contractor by an action of the Federal agency.

(ii) RESPONSE DURING DETERMINATION.—During the period in which the OSDBU is making the determination under clause (i), the prime contractor may respond to both the subcontractor and the OSDBU with relevant verifying documentation to either prove payment or allowable status of nonpayment.

(C) CURE PERIOD.—If the OSDBU verifies the lack of payment under subparagraph (B) and determines that such lack of payment is not due to an action of the Federal agency, the OSDBU shall notify the prime contractor and provide the prime contractor with a 15-day period in which the prime contractor may make the payment owed to the subcontractor.

(D) RESULT OF NONPAYMENT.—If, after notifying the prime contractor under subparagraph (C), the OSDBU determines that the prime contractor has not fully paid the amount owed within the 15-day cure period described under subparagraph (C), the OSDBU shall ensure that such failure to pay is reflected in the Contractor Performance Assessment Reporting system.

SEC. 3. MAINTENANCE OF RECORDS WITH RESPECT TO CREDIT UNDER A SUBCONTRACTING PLAN.

Section 8(d)(6) of the Small Business Act (15 U.S.C. 637(d)(6)) is amended—

(1) by redesignating subparagraphs (G) and (H) as subparagraphs (H) and (I), respectively; and

(2) by inserting after subparagraph (F) the following:

"(G) a recitation of the types of records the successful offeror or bidder will maintain to demonstrate that procedures have been adopted to substantiate the
I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 6367, the “Incentivizing Fairness in Subcontracting Act,” is to ensure greater accountability for prime contractors electing to receive subcontracting credit for subcontracting with small businesses at lower tiers, and to provide small businesses with an alternative avenue for nonpayment issues with the prime contractor.

H.R. 6367 clarifies that large prime contractors have the ability to receive subcontracting credit for small businesses at lower tiers; strengthens the agency’s ability to collect and review data regarding prime contractors achievement of their subcontracting plans; requires the prime contractor to keep and maintain records to demonstrate subcontracting credit claimed; and implements a new dispute process allowing small subcontractors to bring nonpayment issues to the agency small business advocate.

II. BACKGROUND AND NEED FOR LEGISLATION

H.R. 6367 was introduced by Rep. Al Lawson, Jr. (D–FL) and Rep. Trent Kelly (R–MS) on July 13, 2018. Background on each of the bill’s provisions is provided below, along with an explanation of the need for legislation.

A. SUBCONTRACTING: REQUIREMENTS OF THE SMALL BUSINESS ACT

The Small Business Act requires that any other-than-small business receiving a prime contract worth more than $700,000 (or $1.5 million in the case of contracts for construction) must negotiate a subcontracting plan with the contracting agency as a material condition of the contract. If the prime contractor is an other-than-small business that in turn subcontracts to an other-than-small business for an amount above the aforementioned dollar thresholds, the subcontractor must also negotiate a subcontracting plan with the prime contractor. These subcontracting plans delineate subcontracting opportunities for each of the five categories of small businesses, usually as a percentage of work that will be subcontracted. Some plans state the goals as a percentage of contract value. Failure to meet the subcontracting goals is reflected in past performance ratings on prime contractors, and if the failure is due to a lack of good faith, it can be treated as a material breach of the contract. If the prime contractor is found not to have made a good faith effort to comply with the subcontracting plan, the contracting agency may pursue liquidated damages equivalent to the

2 See, e.g., FirstLine Transp. Sec., Inc. v. United States, 12–601C, 2012 WL 5939228 (Fed. Cl. Nov. 19, 2012) (Court of Federal Claims denied a pre-award protest challenging a solicitation’s small business subcontracting goal of 40% of the total contract value, holding that this goal was within the high level of discretion afforded to the agency).

amount by which the contractor failed to achieve its subcontracting goals.5

B. RESPONSIBILITY TO MONITOR PRIME CONTRACTOR COMPLIANCE WITH SUBCONTRACTING PLANS

Firms with subcontracting plans are required to submit semiannual individual contract reports and summary subcontracting reports annually or semiannually, depending on the federal agency’s specific requirements, to the Electronic Subcontracting Reporting System (ESRS). The SBA Procurement Center Representative (PCR),6 when available, provides an opinion to the contracting officer on the appropriate subcontracting goals, and then the Commercial Market Representative (CMR)7 and contracting officer assume responsibility for post-award compliance. Agencies and prime contractors are required to report on subcontract performance, and compliance with the subcontracting goal is reflected in past performance reports on prime contractors.8 However, given the sheer volume of other-than-small prime contractors compared to the number of full and part time CMRs,9 contracting officers are the primary officials responsible for ensuring compliance with subcontracting plans.

Specifically, the contracting officer is responsible for certain responsibilities regarding subcontracting plans. This includes “determining whether the contract requires a subcontracting plan, reviewing the subcontracting plan for adequacy, acknowledging receipt of subcontracting reports in the Electronic Subcontracting Reporting System (eSRS), and determining whether the contractor made a good faith effort to meet its subcontracting goals.”10 Additionally, section 1821 of Public Law 114–328, the National Defense Authorization Act of 2017 imposed a statutory requirement that the Offices of Small and Disadvantaged Business Utilization (OSDBUs) “shall review all subcontracting plans . . . to ensure the plan provides maximum practicable opportunity for small business concerns to participate in the performance of the contract to which the plan applies.”11

C. LIQUIDATED DAMAGES FOR FAILURE TO MEET SUBCONTRACTING PLANS

Since the liquidated damages penalty is triggered by the failure to make a good faith effort to comply with a subcontracting plan rather than the failure to achieve the goals in the plan, the important issue becomes how the SBA defines a good faith effort. A

6 According to the SBA, PCRs “increase the small business share of Federal procurement awards by initiating small business set-asides, reserving procurements for competition among small business firms; providing small business sources to Federal buying activities; and counseling small firms. In addition, PCRs, advocate for the breakout of items for full and open competition to affect savings to the Federal Government.” SBA, GOVERNMENT CONTRACTING FIELD STAFF DIRECTORY (2011) available at http://www.sba.gov/content/government-contracting-field-staff-directory.

prime contractor can demonstrate that it has made a good faith effort in one of three ways: (1) by meeting its goals; (2) by overachieving in some categories to make up for an underachievement in other categories; or (3) by performing one of a laundry list of actions.\textsuperscript{12} This list of actions is so broad that it is almost impossible for a contracting officer to issue a notice that a large prime contractor has failed to make a good faith effort to comply with its subcontracting plan. However, if such notice is issued, the contracting officer is then responsible for “[i]nitiating action to assess liquidated damages.”\textsuperscript{13}

The threat of liquidated damages is an empty one for many prime contractors. Given the sheer volume of work contracting officers undertake, along with pressure by federal agencies to do more with less, many contracting officers disregard post-award compliance as a priority as opposed to acquiring the goods and services the agency needs to function on a daily basis. As a result, the liquidated damages clause is not often invoked, minimizing its deterrent effect. Thus, small businesses continue to struggle to receive subcontracting opportunities.

D. EXAMPLE: DEPARTMENT OF DEFENSE INSPECTOR GENERAL (DODIG) AUDIT FOUND SIGNIFICANT ISSUES WITH SUBCONTRACTING PLAN ADMINISTRATION AT ARMY

In 2018, the DODIG examined two Army Contracting Commands (ACC), Redstone and Warren, assessing their administration of subcontracting plans. Of the 50 contracts reviewed (valued at $1.6 billion), the DODIG found that for 23 contracts—nearly half—ACC failed to ensure prime contractors provided small businesses with adequate subcontracting opportunities.\textsuperscript{14} This totaled to a value of $914.8 million in subcontracting opportunities that small business may have been denied, and that prime contractors were required to make a good-faith effort to provide.\textsuperscript{15}

In addition, the DODIG found that ACC contracting officials “did not obtain subcontracting reports, did not follow up on reports that showed contractors were not meeting their small business goals, and did not determine whether prime contractors made good faith efforts to comply with negotiated subcontracting goals . . . Therefore, ACC-Redstone and ACC-Warren . . . may have missed opportunities to recoup liquidated damages of up to $82.3 million.”\textsuperscript{16}

During the audit, the DODIG notified ACC of these findings who took action, determining that good-faith efforts were met by 9 out of the 17 contracts brought to their attention.\textsuperscript{17}

The DODIG found a number of reasons why ACC failed to meet its subcontracting plan requirements. First, the DODIG found that ACC “did not provide adequate training or standard operating procedures on the administration of subcontracting plans.”\textsuperscript{18} ACC placed an emphasis on pre-contract award evaluations of subcon-

tracting plans, with little guidance on post-award responsibilities.\textsuperscript{19} Notably, the DODIG found that the Army Federal Acquisition Regulation Supplement (AFARS) did not include any guidance on responsibilities of contracting officials in administering subcontracting plans.\textsuperscript{20} Additionally, the DODIG also found that the high turnover rate at ACC\textsuperscript{21} and lack of guidance regarding transferring subcontracting administration duties compounded the problem.\textsuperscript{22} This rendered the ACC unable to make the necessary assessments of prime contractors' compliance with their subcontracting responsibilities.\textsuperscript{23}

A key finding by the DODIG found that ACC contracting officials “stated that administering subcontracting plans was not a high priority,” explaining that they were busy fulfilling customer requirements.\textsuperscript{24} During a hearing conducted by the Committee on May 17, 2018 examining the results of this DODIG audit, the witness representing the Association of Procurement Technical Assistance Centers testified that this finding was widespread across the federal government, and not specific to only the ACC or military.

### III. Hearings

In the 115th Congress, the Committee held a hearing examining the issues covered in H.R. 6367. On May 17, 2018, the Committee on Small Business Subcommittee on Contracting and Workforce met for a hearing titled “Hotline Truths II: Audit Reveals Inconsistencies in Defense Subcontracting.” This hearing continued the Committee’s longstanding and ongoing efforts to identify waste, fraud, and abuse in the federal contracting system and to ensure small contractors have an opportunity to compete at the prime and subcontracting levels. As a result of hotline complaints, the DODIG reviewed contracting activities at Army Contracting Commands Redstone and Warren for compliance with the Small Business Act. Witnesses included the Assistant Inspector General for Readiness and Global Operations for the Department of Defense Inspector General, the Director of the Army Office of Small Business Programs, and the President of the Association of Procurement Technical Assistance Centers.

### IV. Committee Consideration

The Committee on Small Business met in open session, with a quorum being present, on July 18, 2018 and ordered H.R. 6367 favorably reported to the House. During the markup, one amendment was offered.

Amendment Number One was offered by Rep. Trent Kelly of Mississippi. This amendment requires that prime contractors electing to receive subcontracting credit at lower tiers be able to justify their credit through accurate recordkeeping. The amendment also requires that subcontractors using the new dispute process created by the bill must also notify the prime contractor. The amendment passed by voice vote at 11:50 a.m.

VI. SECTION-BY-SECTION ANALYSIS OF H.R. 6367

Section 1. Short title

This section designates the short title as the “Incentivizing Fairness in Subcontracting Act.”

Section 2. Small Business lower-tier subcontracting

This section amends Section 8(d) of the Small Business Act pertaining to credit received by prime contractors for small business subcontracting by amending the statutory language that a prime contractor “shall” receive credit for small business concerns performing as subcontractors at any tier to a more flexible standard that the prime contractor “may elect to receive credit.” This section also changes the word “executive” agency to “Federal” agency.

This section also creates a new subsection in the Small Business Act clarifying that the head of the contracting agency has the ability to collect information, report on, and review data on subcontracting plans to ensure that prime contractors are meeting their subcontracting plans in good faith. This section further clarifies that there is only one subcontracting goal, and that this goal will not be broken down into lower-tier sub-goals.

In addition, this section also creates a new dispute process for subcontractors facing nonpayment issues by prime contractors by allowing a subcontractor to notify the agency Office of Small and Disadvantaged Business Utilization (OSDBU) of the lack of payment if the subcontractor had not received payment for work completed within 90 days of completion of such work by the prime contractor. The OSDBU may also verify whether such payment had occurred and if the nonpayment is justified by the prime contractor. During this time, the prime contractor is permitted to respond to this dispute by submitting evidence to support evidence of payment or allowable nonpayment. If the OSDBU determines such lack of payment to be unsupported, the OSDBU is required to notify the prime contractor, who will have a 15-day period to make the payment owed to the small business subcontractor. If the prime contractor fails to meet the 15-day deadline, this nonpayment will be reflected on the prime contractor’s performance assessment rating which is undertaken by the contracting officer.

Section 3. Maintenance of records with respect to credit under a subcontracting plan

This section amends Section 8(d)(6) of the Small Business Act by requiring that prime contractors engage in accurate recordkeeping if electing to receive subcontracting credit at lower tiers; these records may be used to substantiate the prime contractors claims to receive small business subcontracting credit at lower tiers.

VII. CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

At the time H.R. 6367 was reported to the House, the Congressional Budget Office had not provided a cost estimate.

VIII. UNFUNDED MANDATES

H.R. 6367 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act, Public
Law No. 104–4, and would impose no costs on state, local, or tribal governments.

IX. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. While the Committee has not received an estimate of new budget authority contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to §402 of the Congressional Budget Act of 1974, the Committee does not believe that there will be any additional costs attributable to this legislation. H.R. 6367 does not direct new spending, but instead reallocates funding independently authorized and appropriated.

X. OVERSIGHT FINDINGS

In accordance with clause 2(b)(1) of rule X of the Rules of the House, the oversight findings and recommendations of the Committee on Small Business with respect to the subject matter contained in H.R. 6367 are incorporated into the descriptive portions of this report.

XI. STATEMENT OF CONSTITUTIONAL AUTHORITY

Pursuant to clause 7 of rule XII of the Rules of the House, the Committee finds that the authority for this legislation in Art. I, § 8, cl.1.

XII. CONGRESSIONAL ACCOUNTABILITY ACT

H.R. 6367 does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of §102(b)(3) of Public Law No. 104–1.

XIII. FEDERAL ADVISORY COMMITTEE ACT STATEMENT

H.R. 6367 does not establish or authorize the establishment of any new advisory committees as that term is defined in the Federal Advisory Committee Act, 5 U.S.C. App.2.

XIV. STATEMENT OF NO EARMARKS

Pursuant to clause 9 of rule XXI, H.R. 6367 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in subsections (d), (e), or (f) of clause 9 of rule XXI of the Rules of the House.

XV. STATEMENT OF DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3 of rule XIII of the Rules of the House, no provision of H.R. 6367 establishes or reauthorizes a program of the federal government known to be duplicative of another federal program, a program that was included in any report from the United States Government Accountability Office pursuant to §21 of Pub.
L. No. 111–139, or a program related to a program identified in the most recent catalog of federal domestic assistance.

XVI. DISCLOSURE OF DIRECTED RULEMAKINGS

Pursuant to clause 3 of the rule XIII of the Rules of the House, H.R. 6367 does not direct any rulemaking.

XVII. PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House, the Committee establishes the following performance-related goals and objectives for this legislation:

H.R. 6367 allows prime contractors to receive subcontracting credit for small business subcontracting at lower tiers, but requires prime contractors electing to receive such credit keep accurate records substantiating the credit claimed. The bill also creates an alternative dispute processes for small subcontractors that do not receive payment for work completed within 90 days of the completed work. The objectives are to strengthen accountability for prime contractors electing to receive credit for subcontracting to small businesses, and to allow small businesses another avenue for redress, if payment is being withheld unfairly by the large prime contractor.

XVIII. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause (E) of rule XIII of the Rules of the House, changes in existing law made by the bill, as reported, are shown as follows: existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, and existing law in which no change is proposed is shown in roman:

SMALL BUSINESS ACT

* * * * * * * *

SEC. 8. (a)(1) It shall be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary or appropriate—

(A) to enter into contracts with the United States Government and any department, agency, or officer thereof having procurement powers obligating the Administration to furnish articles, equipment, supplies, services, or materials to the Government or to perform construction work for the Government. In any case in which the Administration certifies to any officer of the Government having procurement powers that the Administration is competent and responsible to perform any specific Government procurement contract to be let by any such officer, such officer shall be authorized in his discretion to let
such procurement contract to the Administration upon such terms and conditions as may be agreed upon between the Administration and the procurement officer. Whenever the Administration and such procurement officer fail to agree, the matter shall be submitted for determination to the Secretary or the head of the appropriate department or agency by the Administrator. Not later than 5 days from the date the Administration is notified of a procurement officer’s adverse decision, the Administration may notify the contracting officer of the intent to appeal such adverse decision, and within 15 days of such date the Administrator shall file a written request for a reconsideration of the adverse decision with the Secretary of the department or agency head. For the purposes of this subparagraph, a procurement officer’s adverse decision includes a decision not to make available for award pursuant to this subsection a particular procurement requirement or the failure to agree on the terms and conditions of a contract to be awarded noncompetitively under the authority of this subsection. Upon receipt of the notice of intent to appeal, the Secretary of the department or the agency head shall suspend further action regarding the procurement until a written decision on the Administrator’s request for reconsideration has been issued by such Secretary or agency head, unless such officer makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a reconsideration of the adverse decision. If the Administrator’s request for reconsideration is denied, the Secretary of the department or agency head shall specify the reasons why the selected firm was determined to be incapable to perform the procurement requirement, and the findings supporting such determination, which shall be made a part of the contract file for the requirement. A contract may not be awarded under this subsection if the award of the contract would result in a cost to the awarding agency which exceeds a fair market price;

(B) to arrange for the performance of such procurement contracts by negotiating or otherwise letting subcontracts to socially and economically disadvantaged small business concerns for construction work, services, or the manufacture, supply, assembly of such articles, equipment, supplies, materials, or parts thereof, or servicing or processing in connection therewith, or such management services as may be necessary to enable the Administration to perform such contracts;

(C) to make an award to a small business concern owned and controlled by socially and economically disadvantaged individuals which has completed its period of Program Participation as prescribed by section 7(j)(15), if—

(i) the contract will be awarded as a result of an offer (including price) submitted in response to a published solicitation relating to a competition conducted pursuant to subparagraph (D); and

(ii) the prospective contract awardee was a Program Participant eligible for award of the contract on the date specified for receipt of offers contained in the contract solicitation; and
(D)(i) A contract opportunity offered for award pursuant to this subsection shall be awarded on the basis of competition restricted to eligible Program Participants if—

(I) there is a reasonable expectation that at least two eligible Program Participants will submit offers and that award can be made at a fair market price, and

(II) the anticipated award price of the contract (including options) will exceed $5,000,000 in the case of a contract opportunity assigned a standard industrial classification code for manufacturing and $3,000,000 (including options) in the case of all other contract opportunities.

(ii) The Associate Administrator for Minority Small Business and Capital Ownership Development, on a nondelegable basis, is authorized to approve a request from an agency to award a contract opportunity under this subsection on the basis of a competition restricted to eligible Program Participants even if the anticipated award price is not expected to exceed the dollar amounts specified in clause (i)(II). Such approvals shall be granted only on a limited basis.

(2) Notwithstanding subsections (a) and (c) of the first section of the Act entitled “An Act requiring contracts for the construction, alteration, and repair of any public building or public work of the United States to be accompanied by a performance bond protecting the United States and by additional bond for the protection of persons furnishing material and labor for the construction, alteration, or repair of said public buildings or public work,” approved August 24, 1935 (49 Stat. 793), no small business concern shall be required to provide any amount of any bond as a condition or receiving any subcontract under this subsection if the Administrator determines that such amount is inappropriate for such concern in performing such contract: Provided, That the Administrator shall exercise the authority granted by the paragraph only if—

(A) the Administration takes such measures as it deems appropriate for the protection of persons furnishing materials and labor to a small business receiving any benefit pursuant to this paragraph;

(B) the Administration assists, insofar as practicable, a small business receiving the benefits of this paragraph to develop, within a reasonable period of time, such financial and other capability as may be needed to obtain such bonds as the Administration may subsequently require for the successful completion of any program conducted under the authority of this subsection;

(C) the Administration finds that such small business is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue such bond or bonds subject to the guarantee provisions of Title IV of the Small Business Investment Act of 1958; and

(D) that small business is determined to be a start-up concern and such concern has not been participating in any program conducted under the authority of this subsection for a period exceeding one year.

The authority to waive bonds provided in this paragraph (2) may not be exercised after September 30, 1988.
(3)(A) Any Program Participant selected by the Administration to perform a contract to be let noncompetitively pursuant to this subsection shall, when practicable, participate in any negotiation of the terms and conditions of such contract.

(B)(i) For purposes of paragraph (1) a “fair market price” shall be determined by the agency offering the procurement requirement to the Administration, in accordance with clauses (ii) and (iii).

(ii) The estimate of a current fair market price for a new procurement requirement, or a requirement that does not have a satisfactory procurement history, shall be derived from a price or cost analysis. Such analysis may take into account prevailing market conditions, commercial prices for similar products or services, or data obtained from any other agency. Such analysis shall consider such cost or pricing data as may be timely submitted by the Administration.

(iii) The estimate of a current fair market price for a procurement requirement that has a satisfactory procurement history shall be based on recent award prices adjusted to insure comparability. Such adjustments shall take into account differences in quantities, performance times, plans, specifications, transportation costs, packaging and packing costs, labor and materials costs, overhead costs, and any other additional costs which may be deemed appropriate.

(C) An agency offering a procurement requirement for potential award pursuant to this subsection shall, upon the request of the Administration, promptly submit to the Administration a written statement detailing the method used by the agency to estimate the current fair market price for such contract, identifying the information, studies, analyses, and other data used by such agency. The agency’s estimate of the current fair market price (and any supporting data furnished to the Administration) shall not be disclosed to any potential offeror (other than the Administration).

(D) A small business concern selected by the Administration to perform or negotiate a contract to be let pursuant to this subsection may request the Administration to protest the agency’s estimate of the fair market price for such contract pursuant to paragraph (1)(A).

(4)(A) For purposes of this section, the term “socially and economically disadvantaged small business concern” means any small business concern which meets the requirements of subparagraph (B) and—

(i) which is at least 51 per centum unconditionally owned by—

(I) one or more socially and economically disadvantaged individuals,

(II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or

(III) an economically disadvantaged Native Hawaiian organization, or

(ii) in the case of any publicly owned business, at least 51 per centum of the stock of which is unconditionally owned by—

(I) one or more socially and economically disadvantaged individuals,

(II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or
(III) an economically disadvantaged Native Hawaiian organization.

(B) A small business concern meets the requirements of this subparagraph if the management and daily business operations of such small business concern are controlled by one or more—

(i) socially and economically disadvantaged individuals described in subparagraph (A)(i)(I) or subparagraph (A)(ii)(I),

(ii) members of an economically disadvantaged Indian tribe described in subparagraph (A)(i)(II) or subparagraph (A)(ii)(II), or

(iii) Native Hawaiian organizations described in subparagraph (A)(i)(III) or subparagraph (A)(ii)(III).

(C) Each Program Participant shall certify, on an annual basis, that it meets the requirements of this paragraph regarding ownership and control.

(5) Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identity as a member of a group without regard to their individual qualities.

(6)(A) Economically disadvantaged individuals are those socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same business area who are not socially disadvantaged. In determining the degree of diminished credit and capital opportunities the Administration shall consider, but not be limited to, the assets and net worth of such socially disadvantaged individual. In determining the economic disadvantage of an Indian tribe, the Administration shall consider, where available, information such as the following: the per capita income of members of the tribe excluding judgment awards, the percentage of the local Indian population below the poverty level, and the tribe's access to capital markets.

(B) Each Program Participant shall annually submit to the Administration—

(i) a personal financial statement for each disadvantaged owner;

(ii) a record of all payments made by the Program Participant to each of its disadvantaged owners or to any person or entity affiliated with such owners; and

(iii) such other information as the Administration may deem necessary to make the determinations required by this paragraph.

(C)(i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the standards to establish economic disadvantage pursuant to subparagraph (A) have not been met, the Administration shall conduct a review to determine whether such Program Participant and its disadvantaged owners continue to be impaired in their ability to compete in the free enterprise system due to diminished capital and credit opportunities when compared to other concerns in the same business area, which are not socially disadvantaged.

(ii) If the Administration determines, pursuant to such review, that a Program Participant and its disadvantaged owners are no longer economically disadvantaged for the purpose of receiving as-
sistance under this subsection, the Program Participant shall be graduated pursuant to section 7(j)(10)(G) subject to the right to a hearing as provided for under paragraph (9).

(D)(i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the amount of funds or other assets withdrawn from a Program Participant for the personal benefit of its disadvantaged owners or any person or entity affiliated with such owners may have been unduly excessive, the Administration shall conduct a review to determine whether such withdrawal of funds or other assets was detrimental to the achievement of the targets, objectives, and goals contained in such Program Participant’s business plan.

(ii) If the Administration determines, pursuant to such review, that funds or other assets have been withdrawn to the detriment of the Program Participant’s business, the Administration shall—

(I) initiate a proceeding to terminate the Program Participant pursuant to section 7(j)(10)(F), subject to the right to a hearing under paragraph (9); or

(II) require an appropriate reinvestment of funds or other assets and such other steps as the Administration may deem necessary to ensure the protection of the concern.

(E) Whenever the Administration computes personal net worth for any purpose under this paragraph, it shall exclude from such computation—

(i) the value of investments that disadvantaged owners have in their concerns, except that such value shall be taken into account under this paragraph when comparing such concerns to other concerns in the same business area that are owned by other than socially disadvantaged persons;

(ii) the equity that disadvantaged owners have in their primary personal residences, except that any portion of such equity that is attributable to unduly excessive withdrawals from a Program Participant or a concern applying for program participation shall be taken into account.

(7)(A) No small business concern shall be deemed eligible for any assistance pursuant to this subsection unless the Administration determines that with contract, financial, technical, and management support the small business concern will be able to perform contracts which may be awarded to such concern under paragraph (1)(C) and has reasonable prospects for success in competing in the private sector.

(B) Limitations established by the Administration in its regulations and procedures restricting the award of contracts pursuant to this subsection to a limited number of standard industrial classification codes in an approved business plan shall not be applied in a manner that inhibits the logical business progression by a participating small business concern into areas of industrial endeavor where such concern has the potential for success.

(8) All determinations made pursuant to paragraph (5) with respect to whether a group has been subjected to prejudice or bias shall be made by the Administrator after consultation with the Associate Administrator for Minority Small Business and Capital Ownership Development. All other determinations made pursuant to paragraphs (4), (5), (6), and (7) shall be made by the Associate
Administrator for Minority Small Business and Capital Ownership Development under the supervision of, and responsible to, the Administrator.

(9)(A) Subject to the provisions of subparagraph (E), the Administration, prior to taking any action described in subparagraph (B), shall provide the small business concern that is the subject of such action, an opportunity for a hearing on the record, in accordance with chapter 5 of title 5, United States Code.

(B) The actions referred to in subparagraph (A) are—

(i) denial of program admission based upon a negative determination pursuant to paragraph (4), (5), or (6);
(ii) a termination pursuant to section 7(j)(10)(F);
(iii) a graduation pursuant to section 7(j)(10)(G); and
(iv) the denial of a request to issue a waiver pursuant to paragraph (21)(B).

(C) The Administration’s proposed action, in any proceeding conducted under the authority of this paragraph, shall be sustained unless it is found to be arbitrary, capricious, or contrary to law.

(D) A decision rendered pursuant to this paragraph shall be the final decision of the Administration and shall be binding upon the Administration and those within its employ.

(E) The adjudicator selected to preside over a proceeding conducted under the authority of this paragraph shall decline to accept jurisdiction over any matter that—

(i) does not, on its face, allege facts that, if proven to be true, would warrant reversal or modification of the Administration’s position;
(ii) is untimely filed;
(iii) is not filed in accordance with the rules of procedure governing such proceedings; or
(iv) has been decided by or is the subject of an adjudication before a court of competent jurisdiction over such matters.

(F) Proceedings conducted pursuant to the authority of this paragraph shall be completed and a decision rendered, insofar as practicable, within ninety days after a petition for a hearing is filed with the adjudicating office.

(10) The Administration shall develop and implement an outreach program to inform and recruit small business concerns to apply for eligibility for assistance under this subsection. Such program shall make a sustained and substantial effort to solicit applications for certification from small business concerns located in areas of concentrated unemployment or underemployment or within labor surplus areas and within States having relatively few Program Participants and from small disadvantaged business concerns in industry categories that have not substantially participated in the award of contracts let under the authority of this subsection.

(11) To the maximum extent practicable, construction subcontracts awarded by the Administration pursuant to this subsection shall be awarded within the county or State where the work is to be performed.

(12)(A) The Administration shall require each concern eligible to receive subcontracts pursuant to this subsection to annually prepare and submit to the Administration a capability statement. Such statement shall briefly describe such concern’s various contract performance capabilities and shall contain the name and tel-
phone number of the Business Opportunity Specialist assigned such concern. The Administration shall separate such statements by those primarily dependent upon local contract support and those primarily requiring a national marketing effort. Statements primarily dependent upon local contract support shall be disseminated to appropriate buying activities in the marketing area of the concern. The remaining statements shall be disseminated to the Directors of Small and Disadvantaged Business Utilization for the appropriate agencies who shall further distribute such statements to buying activities with such agencies that may purchase the types of items or services described on the capability statements.

(B) Contracting activities receiving capability statements shall, within 60 days after receipt, contact the relevant Business Opportunity Specialist to indicate the number, type, and approximate dollar value of contract opportunities that such activities may be awarding over the succeeding 12-month period and which may be appropriate to consider for award to those concerns for which it has received capability statements.

(C) Each executive agency reporting to the Federal Procurement Data System contract actions with an aggregate value in excess of $50,000,000 in fiscal year 1988, or in any succeeding fiscal year, shall prepare a forecast of expected contract opportunities or classes of contract opportunities for the next and succeeding fiscal years that small business concerns, including those owned and controlled by socially and economically disadvantaged individuals, are capable of performing. Such forecast shall be periodically revised during such year. To the extent such information is available, the agency forecasts shall specify:

(i) The approximate number of individual contract opportunities (and the number of opportunities within a class).

(ii) The approximate dollar value, or range of dollar values, for each contract opportunity or class of contract opportunities.

(iii) The anticipated time (by fiscal year quarter) for the issuance of a procurement request.

(iv) The activity responsible for the award and administration of the contract.

(D) The head of each executive agency subject to the provisions of subparagraph (C) shall within 10 days of completion furnish such forecasts to—

(i) the Director of the Office of Small and Disadvantaged Business Utilization established pursuant to section 15(k) for such agency; and

(ii) the Administrator.

(E) The information reported pursuant to subparagraph (D) may be limited to classes of items and services for which there are substantial annual purchases.

(F) Such forecasts shall be available to small business concerns.

(13) For purposes of this subsection, the term “Indian tribe” means any Indian tribe, band, nation, or other organized group or community of Indians, including any Alaska Native village or regional or village corporation (within the meaning of the Alaska Native Claims Settlement Act) which—

(A) is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, or
(B) is recognized as such by the State in which such tribe, band, nation, group, or community resides.

(14) LIMITATIONS ON SUBCONTRACTING.—A concern may not be awarded a contract under this subsection as a small business concern unless the concern agrees to satisfy the requirements of section 46.

(15) For purposes of this subsection, the term “Native Hawaiian Organization” means any community service organization serving Native Hawaiians in the State of Hawaii which—

(A) is a nonprofit corporation that has filed articles of incorporation with the director (or the designee thereof) of the Hawaii Department of Commerce and Consumer Affairs, or any successor agency,

(B) is controlled by Native Hawaiians, and

(C) whose business activities will principally benefit such Native Hawaiians.

(16)(A) The Administration shall award sole source contracts under this section to any small business concern recommended by the procuring agency offering the contract opportunity if—

(i) the Program Participant is determined to be a responsible contractor with respect to performance of such contract opportunity;

(ii) the award of such contract would be consistent with the Program Participant’s business plan; and

(iii) the award of the contract would not result in the Program Participant exceeding the requirements established by section 7(j)(10)(I).

(B) To the maximum extent practicable, the Administration shall promote the equitable geographic distribution of sole source contracts awarded pursuant to this subsection.

(17)(A) An otherwise responsible business concern that is in compliance with the requirements of subparagraph (B) shall not be denied the opportunity to submit and have considered its offer for any procurement contract, which contract has as its principal purpose the supply of a product to be let pursuant to this subsection, subsection (m), section 15(a), section 31, or section 36, solely because such concern is other than the actual manufacturer or processor of the product to be supplied under the contract.

(B) To be in compliance with the requirements referred to in subparagraph (A), such a business concern shall—

(i) be primarily engaged in the wholesale or retail trade;

(ii) be a small business concern under the numerical size standard for the Standard Industrial Classification Code assigned to the contract solicitation on which the offer is being made;

(iii) be a regular dealer, as defined pursuant to section 35(a) of title 41, United States Code (popularly referred to as the Walsh-Healey Public Contracts Act), in the product to be offered the Government or be specifically exempted from such section by section 7(j)(13)(C); and

(iv) represent that it will supply the product of a domestic small business manufacturer or processor, unless a waiver of such requirement is granted—

(I) by the Administrator, after reviewing a determination by the contracting officer that no small business manufac-
turer or processor can reasonably be expected to offer a product meeting the specifications (including period for performance) required of an offeror by the solicitation; or

(II) by the Administrator for a product (or class of products), after determining that no small business manufacturer or processor is available to participate in the Federal procurement market.

(C) LIMITATION.—This paragraph shall not apply to a contract that has as its principal purpose the acquisition of services or construction.

(18)(A) No person within the employ of the Administration shall, during the term of such employment and for a period of two years after such employment has been terminated, engage in any activity or transaction specified in subparagraph (B) with respect to any Program Participant during such person's term of employment, if such person participated personally (either directly or indirectly) in decision-making responsibilities relating to such Program Participant or with respect to the administration of any assistance provided to Program Participants generally under this subsection, section 7(j)(10), or section 7(a)(20).

(B) The activities and transactions prohibited by subparagraph (A) include—

(i) the buying, selling, or receiving (except by inheritance) of any legal or beneficial ownership of stock or any other ownership interest or the right to acquire any such interest;

(ii) the entering into or execution of any written or oral agreement (whether or not legally enforceable) to purchase or otherwise obtain any right or interest described in clause (i); or

(iii) the receipt of any other benefit or right that may be an incident of ownership.

(C)(i) The employees designated in clause (ii) shall annually submit a written certification to the Administration regarding compliance with the requirements of this paragraph.

(ii) The employees referred to in clause (i) are—

(I) regional administrators;

(II) district directors;

(III) the Associate Administrator for Minority Small Business and Capital Ownership Development;

(IV) employees whose principal duties relate to the award of contracts or the provision of other assistance pursuant to this subsection or section 7(j)(10); and

(V) such other employees as the Administrator may deem appropriate.

(iii) Any present or former employee of the Administration who violates this paragraph shall be subject to a civil penalty, assessed by the Attorney General, that shall not exceed 300 per centum of the maximum amount of gain such employee realized or could have realized as a result of engaging in those activities and transactions prescribed by subparagraph (B).

(iv) In addition to any other remedy or sanction provided for under law or regulation, any person who falsely certifies pursuant to clause (i) shall be subject to a civil penalty under the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801–3812).
(19)(A) Any employee of the Administration who has authority to take, direct others to take, recommend, or approve any action with respect to any program or activity conducted pursuant to this subsection or section 7(j), shall not, with respect to any such action, exercise or threaten to exercise such authority on the basis of the political activity or affiliation of any party. Employees of the Administration shall expeditiously report to the Inspector General of the Administration any such action for which such employee's participation has been solicited or directed.

(B) Any employee who willfully and knowingly violates subparagraph (A) shall be subject to disciplinary action, which may consist of separation from service, reduction in grade, suspension, or reprimand.

(C) Subparagraph (A) shall not apply to any action taken as a penalty or other enforcement of a violation of any law, rule, or regulation prohibiting or restricting political activity.

(D) The prohibitions of subparagraph (A), and remedial measures provided for under subparagraphs (B) and (C) with regard to such prohibitions, shall be in addition to, and not in lieu of, any other prohibitions, measures or liabilities that may arise under any other provision of law.

(20)(A) Small business concerns participating in the Program under section 7(j)(10) and eligible to receive contracts pursuant to this section shall semiannually report to their assigned Business Opportunity Specialist the following:

(i) A listing of any agents, representatives, attorneys, accountants, consultants, and other parties (other than employees) receiving compensation to assist in obtaining a Federal contract for such Program Participant.

(ii) The amount of compensation received by any person listed under clause (i) during the relevant reporting period and a description of the activities performed in return for such compensation.

(B) The Business Opportunity Specialist shall promptly review and forward such report to the Associate Administrator for Minority Small Business and Capital Ownership Development. Any report that raises a suspicion of improper activity shall be reported immediately to the Inspector General of the Administration.

(C) The failure to submit a report pursuant to the requirements of this subsection and applicable regulations shall be considered “good cause” for the initiation of a termination proceeding pursuant to section 7(j)(10)(F).

(21)(A) Subject to the provisions of subparagraph (B), a contract (including options) awarded pursuant to this subsection shall be performed by the concern that initially received such contract. Notwithstanding the provisions of the preceding sentence, if the owner or owners upon whom eligibility was based relinquish ownership or control of such concern, or enter into any agreement to relinquish such ownership or control, such contract or option shall be terminated for the convenience of the Government, except that no repurchase costs or other damages may be assessed against such concerns due solely to the provisions of this subparagraph.

(B) The Administrator may, on a nondelegable basis, waive the requirements of subparagraph (A) only if one of the following conditions exist:
(i) When it is necessary for the owners of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing.

(ii) The head of the contracting agency for which the contract is being performed certifies that termination of the contract would severely impair attainment of the agency’s program objectives or missions;

(iii) Ownership and control of the concern that is performing the contract will pass to another small business concern that is a program participant, but only if the acquiring firm would otherwise be eligible to receive the award directly pursuant to subsection (a);

(iv) The individuals upon whom eligibility was based are no longer able to exercise control of the concern due to incapacity or death; or

(v) When, in order to raise equity capital, it is necessary for the disadvantaged owners of the concern to relinquish ownership of a majority of the voting stock of such concern, but only if—

(I) such concern has exited the Capital Ownership Development Program;

(II) the disadvantaged owners will maintain ownership of the largest single outstanding block of voting stock (including stock held by affiliated parties); and

(III) the disadvantaged owners will maintain control of daily business operations.

(C) The Administrator may waive the requirements of subparagraph (A) if—

(i) in the case of subparagraph (B) (i), (ii) and (iv), he is requested to do so prior to the actual relinquishment of ownership or control; and

(ii) in the case of subparagraph (B)(iii), he is requested to do so as soon as possible after the incapacity or death occurs.

(D) Concerns performing contracts awarded pursuant to this subsection shall be required to notify the Administration immediately upon entering an agreement (either oral or in writing) to transfer all or part of its stock or other ownership interest to any other party.

(E) Notwithstanding any other provision of law, for the purposes of determining ownership and control of a concern under this section, any potential ownership interests held by investment companies licensed under the Small Business Investment Act of 1958 shall be treated in the same manner as interests held by the individuals upon whom eligibility is based.

(b) It shall also be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary—

(1)(A) to provide—

(i) technical, managerial, and informational aids to small business concerns—

(I) by advising and counseling on matters in connection with Government procurement and policies, principles, and practices of good management;

(II) by cooperating and advising with—
(aa) voluntary business, professional, educational, and other nonprofit organizations, associations, and institutions (except that the Administration shall take such actions as it determines necessary to ensure that such cooperation does not constitute or imply an endorsement by the Administration of the organization or its products or services, and shall ensure that it receives appropriate recognition in all printed materials); and
(b) other Federal and State agencies;
(III) by maintaining a clearinghouse for information on managing, financing, and operating small business enterprises; and
(IV) by disseminating such information, including through recognition events, and by other activities that the Administration determines to be appropriate; and
(ii) through cooperation with a profit-making concern (referred to in this paragraph as a “cosponsor”), training, information, and education to small business concerns, except that the Administration shall—
(I) take such actions as it determines to be appropriate to ensure that—
(aa) the Administration receives appropriate recognition and publicity;
(bb) the cooperation does not constitute or imply an endorsement by the Administration of any product or service of the cosponsor;
(cc) unnecessary promotion of the products or services of the cosponsor is avoided; and
(dd) utilization of any one cosponsor in a marketing area is minimized; and
(II) develop an agreement, executed on behalf of the Administration by an employee of the Administration in Washington, the District of Columbia, that provides, at a minimum, that—
(aa) any printed material to announce the cosponsorship or to be distributed at the cosponsored activity, shall be approved in advance by the Administration;
(bb) the terms and conditions of the cooperation shall be specified;
(cc) only minimal charges may be imposed on any small business concern to cover the direct costs of providing the assistance;
(dd) the Administration may provide to the cosponsorship mailing labels, but not lists of names and addresses of small business concerns compiled by the Administration;
(ee) all printed materials containing the names of both the Administration and the cosponsor shall include a prominent disclaimer that the cooperation does not constitute or imply an endorsement by the Administration of any product or service of the cosponsor; and
(ff) the Administration shall ensure that it receives appropriate recognition in all cosponsorship printed materials.

(B) To establish, conduct, and publicize, and to recruit, select, and train volunteers for (and to enter into contracts, grants, or cooperative agreements therefor), volunteer programs, including a Service Corps of Retired Executives (SCORE) and an Active Corps of Executive (ACE) for the purposes of section 8(b)(1)(A) of this Act. To facilitate the implementation of such volunteer programs the Administration shall maintain at its headquarters and pay the salaries, benefits, and expenses of a volunteer and professional staff to manage and oversee the program. Any such payments made pursuant to this subparagraph shall be effective only to such extent or in such amounts as are provided in advance in appropriation Acts. Notwithstanding any other provision of law, SCORE may solicit cash and in-kind contributions from the private sector to be used to carry out its functions under this Act, and may use payments made by the Administration pursuant to this subparagraph for such solicitation and the management of the contributions received.

(C) To allow any individual or group of persons participating with it in furtherance of the purposes of subparagraphs (A) and (B) to use the Administration’s office facilities and related material and services as the Administration deems appropriate, including clerical and stenographic service:

(i) such volunteers, while carrying out activities under section 8(b)(1) of this Act shall be deemed Federal employees for the purposes of the Federal tort claims provisions in title 28, United States Code; and for the purposes of subchapter I of chapter 81 of title 5, United States Code (relative to compensation to Federal employees for work injuries) shall be deemed civil employees of the United States within the meaning of the term “employee” as defined in section 8101 of title 5, United States Code, and the provisions of that subchapter shall apply except that in computing compensation benefits for disability or death, the monthly pay of a volunteer shall be deemed that received under the entrance salary for a grade GS–11 employee;

(ii) the Administrator is authorized to reimburse such volunteers for all necessary out-of-pocket expenses incident to their provision of services under this Act, or in connection with attendance at meetings sponsored by the Administration, or for the cost of malpractice insurance, as the Administrator shall determine, in accordance with regulations which he or she shall prescribe, and, while they are carrying out such activities away from their homes or regular places of business, for travel expenses (including per diem in lieu of subsistence) as authorized by section 5703 of title 5, United States Code, for individuals serving without pay; and

(iii) such volunteers shall in no way provide services to a client of such Administration with a delinquent loan out-
standing, except upon a specific request signed by such client for assistance in connection with such matter.

(D) Notwithstanding any other provision of law, no payment for supportive services or reimbursement of out-of-pocket expenses made to persons serving pursuant to section 8(b)(1) of this Act shall be subject to any tax or charge or be treated as wages or compensation for the purposes of unemployment, disability, retirement, public assistance, or similar benefit payments, or minimum wage laws.

(E) In carrying out its functions under subparagraph (A), to make grants (including contracts and cooperative agreements) to any public or private institution of higher education for the establishment and operation of a small business institute, which shall be used to provide business counseling and assistance to small business concerns through the activities of students enrolled at the institution, which students shall be entitled to receive educational credits for their activities.

(F) Notwithstanding any other provision of law and pursuant to regulations which the Administrator shall provide, counsel may be employed and counsel fees, court costs, bail, and other expenses incidental to the defense of volunteers may be paid in judicial or Administrative proceedings arising directly out of the performance of activities pursuant to section 8(b)(1) of this Act, as amended (15 U.S.C. 637(b)(1)) to which volunteers have been made parties.

(G) In carrying out its functions under this Act and to carry out the activities authorized by title IV of the Women's Business Ownership Act of 1988, the Administration is authorized to accept, in the name of the Administration, and employ or dispose of in furtherance of the purposes of this Act, any money or property, real, personal, or mixed, tangible, or intangible, received by gift, devise, bequest, or otherwise; and, further, to accept gratuitous services and facilities.

(2) to make a complete inventory of all productive facilities of small-business concerns or to arrange for such inventory to be made by any other governmental agency which has the facilities. In making any such inventory, the appropriate agencies in the several States may be requested to furnish an inventory of the productive facilities of small-business concerns in each respective State if such an inventory is available or in prospect;

(3) to coordinate and to ascertain the means by which the productive capacity of small-business concerns can be most effectively utilized;

(4) to consult and cooperative with officers of the Government having procurement or property disposal powers, in order to utilize the potential productive capacity of plants operated by small-business concerns;

(5) to obtain information as to methods and practices which Government prime contractors utilize in letting subcontracts and to take action to encourage the letting of subcontracts by prime contractors to small-business concerns at prices and on conditions and terms which are fair and equitable;

(6) to determine within any industry the concerns, firms, persons, corporations, partnerships, cooperatives, or other busi-
ness enterprises which are to be designated “small-business concerns” for the purpose of effectuating the provisions of this Act. To carry out this purpose the Administrator, when requested to do so, shall issue in response to each such request an appropriate certificate certifying an individual concern as a “small-business concern” in accordance with the criteria expressed in this Act. Any such certificate shall be subject to revocation when the concern covered thereby ceases to be a “small-business concern.” Offices of the Government having procurement or lending powers, or engaging in the disposal of Federal property or allocating materials or supplies, or promulgating regulations affecting the distribution of materials or supplies, shall accept as conclusive the Administration’s determination as to which enterprises are to be designated “small-business concerns”, as authorized and directed under this paragraph:

(7)(A) to certify to Government procurement officers, and officers engaged in the sale and disposal of Federal property, with respect to all elements of responsibility, including, but not limited to, capability, competency, capacity, credit, integrity, perseverance, and tenacity, of any small business concern or group of such concerns to receive and perform a specific Government contract. A Government procurement officer or an officer engaged in the sale and disposal of Federal property may not, for any reason specified in the preceding sentence, preclude any small business concern or group of such concerns from being awarded such contract without referring the matter for a final disposition to the Administration.

(B) if a Government procurement officer finds that an otherwise qualified small business concern may be ineligible due to the provisions of section 35(a) of title 41, United States Code (the Walsh-Healey Public Contracts Act), he shall notify the Administration in writing of such finding. The Administration shall review such finding and shall either dismiss it and certify the small business concern to be an eligible Government contractor for a specific Government contract or if it concurs in the finding, forward the matter to the Secretary of Labor for final disposition, in which case the Administration may certify the small business concern only if the Secretary of Labor finds the small business concern not to be in violation.

(C) in any case in which a small business concern or group of such concerns has been certified by the Administration pursuant to (A) or (B) to be a responsible or eligible Government contractor as to a specific Government contract, the officers of the Government having procurement or property disposal powers are directed to accept such certification as conclusive, and shall let such Government contract to such concern or group of concerns without requiring it to meet any other requirement of responsibility or eligibility. Notwithstanding the first sentence of this subparagraph, the Administration may not establish an exemption from referral or notification or refuse to accept a referral or notification from a Government procurement officer made pursuant to subparagraph (A) or (B) of this paragraph, but nothing in this paragraph shall require the processing of an application for certification if the small business concern to
which the referral pertains declines to have the application processed.

(8) to obtain from any Federal department, establishment, or agency engaged in procurement or in the financing of procurement or production such reports concerning the letting of contracts and subcontracts and the making of loans to business concerns as it may deem pertinent in carrying out its functions under this Act;

(9) to obtain from any Federal department, establishment, or agency engaged in the disposal of Federal property such reports concerning the solicitation of bids, time of sale, or otherwise as it may deem pertinent in carrying out its functions under this Act;

(10) to obtain from suppliers of materials information pertaining to the method of filling orders and the bases for allocating their supply, whenever it appears that any small business is unable to obtain materials from its normal sources;

(11) to make studies and recommendations to the appropriate Federal agencies to insure that a fair proportion of the Government be placed with small-business enterprises, to insure that a fair proportion of Government contacts for research and development be placed with small-business concerns, to insure that a fair proportion of the total sales of Government property be made to small-business concerns, and to insure a fair and equitable share of materials, supplies, and equipment to small-business concerns;

(12) to consult and cooperate with all Government agencies for the purpose of insuring that small-business concerns shall receive fair and reasonable treatment from such agencies;

(13) to establish such advisory boards and committees as may be necessary to achieve the purposes of this Act and of the Small Business Investment Act of 1958; to call meetings of such boards and committees from time to time; to pay the transportation expenses and a per diem allowance in accordance with section 5703 of title 5, United States Code, to the members of such boards and committees for travel and subsistence expenses incurred at the request of the Administration in connection with travel to points more than fifty miles distant from the homes of such members in attending the meetings of such boards and committees; and to rent temporarily, within the District of Columbia or elsewhere, such hotel or other accommodations as are needed to facilitate the conduct of such meetings;

(14) to provide at the earliest practicable time such information and assistance as may be appropriate, including information concerning eligibility for loans under section 7(b)(3), to local public agencies (as defined in section 110(h) of the Housing Act of 1949) and to small-business concerns to be displaced by federally aided urban renewal projects in order to assist such small-business concerns in reestablishing their operations;

(15) to disseminate, without regard to the provisions of section 3204 of title 39, United States Code, data and information,
