EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 6756 includes a waiver of the following:

- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee; and
• Section 311 of the Congressional Budget Act, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution waives all points of order against provisions in H.R. 6756, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 6757 includes a waiver of the following:

• Clause 10 of rule XXI, which prohibits the consideration of a bill if it has the net effect of increasing mandatory spending over the five-year or ten-year period;
• Section 302(f) of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a 302(a) allocation of such authority;
• Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee; and
• Section 311 of the Congressional Budget Act, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution waives all points of order against provisions in H.R. 6757, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 6760 includes a waiver of the following:

• Clause 10 of rule XXI, which prohibits the consideration of a bill if it has the net effect of increasing mandatory spending over the five-year or ten-year period;
• Section 302(f) of the Congressional Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a 302(a) allocation of such authority;
• Section 303 of the Congressional Budget Act, which prohibits consideration of legislation, providing a change in revenues for a fiscal year until the budget resolution for that year has been agreed to;
• Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee;
• Section 311 of the Congressional Budget Act, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided;
• Section 5101 of H. Con. Res. 71, which prohibits consideration of legislation that has the net effect of increasing direct spending in excess of $2.5 billion for any of the four consecutive ten fiscal year periods beginning with the first fiscal year that is 10 fiscal years after the current fiscal year; and
• Section 3(h) of H. Res. 5, which prohibits consideration of a bill that would cause a net increase in direct spending in excess of $5 billion in any of the 4 consecutive 10-fiscal year periods beginning with the first fiscal year that is 10 fiscal years after the current fiscal year.

Although the resolution waives all points of order against provisions in H.R. 6760, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution provides that clause 5b of rule XXI does not apply to this bill, the rule isolates only specified provisions and does not look at the essential interactions of all the tax provisions. While the bill as a whole provides broad tax relief, the provision is necessary because of the narrow focus of the rule.

SEC. 203. FIDUCIARY SAFE HARBOR FOR SELECTION OF LIFETIME INCOME PROVIDER.

Section 404 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1104) is amended by adding at the end the following:

“(e) SAFE HARBOR FOR ANNUITY SELECTION.—

“(1) IN GENERAL.—With respect to the selection of an insurer for a guaranteed retirement income contract, the requirements of subsection (a)(1)(B) will be deemed to be satisfied if a fiduciary—

“(A) engages in an objective, thorough, and analytical search for the purpose of identifying insurers from which to purchase such contracts;

“(B) with respect to each insurer identified under subparagraph (A)—

“(i) considers the financial capability of such insurer to satisfy its obligations under the guaranteed retirement income contract; and

“(ii) considers the cost (including fees and commissions) of the guaranteed retirement income contract offered by the insurer in relation to the benefits and product features of the contract and administrative services to be provided under such contract; and

“(C) on the basis of such consideration, concludes that—

“(i) at the time of the selection, the insurer is financially capable of satisfying its obligations under the guaranteed retirement income contract; and

“(ii) the relative cost of the selected guaranteed retirement income contract as described in subparagraph (B)(ii) is reasonable.

“(2) FINANCIAL CAPABILITY OF THE INSURER.—A fiduciary will be deemed to satisfy the requirements of paragraphs (1)(B)(i) and (1)(C)(i) if—

“(3) NO REQUIREMENT TO SELECT LOWEST COST.—Nothing in this subsection shall be construed to require a fiduciary to select the lowest cost contract.
