The resolution provides for consideration of H.R. 3055, the Commerce, Justice, Science, Agriculture, Rural Development, Food and Drug Administration, Interior, Environment, Military Construction, Veterans Affairs, Transportation, and Housing and Urban Development Appropriations Act, 2020, under a structured rule. The resolution provides that clause 2(e) of rule XXI shall not apply during consideration of the bill. The resolution makes in order only those further amendments printed in Part B of this report not considered as part of

The resolution provides that at the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill, as amended, to the House with such further amendments as may have been adopted. In the case of sundry further amendments reported from the Committee, the question of their adoption shall be put to the House en gros and without division of the question. The resolution provides one motion to recommit with or without instructions. The resolution provides that during consideration of H.R. 3055, it shall not be in order to consider an amendment proposing both a decrease in an appropriation designated pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985 and an increase in an appropriation not so designated, or vice versa, but does not apply to an amendment between the Houses. The resolution provides that during the further consideration of H.R. 2740 the amendment printed in part C of the Rules Committee report shall be considered as adopted in the House and in the Committee of the Whole. The question of the adoption of further sundry amendments to H.R. 2740 reported from the Committee of the Whole shall be put to the House en gros and without division of the question. The Chair may not entertain a motion to strike out the enacting words of the bill, as described in clause 9 of rule XVIII. The resolution provides that on any legislative day during the period from June 28, 2019, through July 8, 2019: the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the

adjournment. The resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 9 of the resolution as though under clause 8(a) of rule I. The resolution provides that each day during the period addressed by section 3 of this resolution shall not constitute a legislative day for the purposes of clause 7 of rule XV (Consensus Calendar). The resolution provides for consideration of concurrent resolutions providing for adjournment during the month of July, 2019. The resolution provides that it shall be in order at any time on the legislative day of June 27, 2019, for the Speaker to entertain motions that the House suspend the rules as though under clause 1 of rule XV, and that the Speaker or her designee shall consult with the Minority Leader or his designee on the designation of any matter for consideration pursuant to this section.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waivers of the following:

- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.
- Clause 12(a)(1) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the bill proposes to change current law.
- Clause 12(b) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the text of the bill as proposed to be considered differs from the text of the bill as reported.
- 302(f) of the Budget Act, which prohibits consideration of legislation providing new budget authority in excess of a 302(a) or 302(b) allocation of such authority.
- Section 314(f) of the Congressional Budget Act, which prohibits the consideration of legislation that provides budget authority for a fiscal year that exceeds either of the discretionary statutory spending limits.
- Clause 10 of rule XXI, which prohibits consideration of a measure that has a net effect of increasing the deficit or reducing the surplus over the five- or 10-year period.

The waiver of points of order against provisions in H.R. 3055, as amended, for failure to comply with clause 2 of rule XXI includes a waiver of the following:

- Clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill.

The waiver of all points of order against amendments to H.R. 3055 includes a waiver of the following:

- Clause 2(c) of rule XXI, which requires that limitation amendments be offered at the end of the bill. The waiver is necessary because the limitation amendments printed in this report will be offered at the end of each division. It should be noted that sponsors of such amendments complied with Rules Committee guidance when drafting amendments to the end of divisions rather than the end of the bill.

Section 12 of the resolution includes a waiver of all points of order against consideration of a July 4th adjournment resolution.

While adjournment resolutions are ordinarily privileged, a point of order could be raised against the July 4th district work period adjournment resolution for failure to comply with section 309 of the Congressional Budget Act. Section 309 prohibits the House from adjourning for more than three days in July unless the House has completed action on all appropriations bills. Since the House has not yet completed all action on appropriations bills, this provision is necessary.
