EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 2203 includes waivers of the following:

Sec. 103(i) of H. Res. 6, which prohibits consideration of a reported bill unless the committee report designates a hearing used to develop or consider the bill. This waiver is technical in nature—while the report of the Committee on Homeland Security lists four related hearings, it does not specifically designate any as a hearing used to develop or consider the bill.
Clause 12(a)(1) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the bill proposes to change current law.

Clause 12(b) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the text of the bill as proposed to be considered differs from the text of the bill as reported.

Although the rule waives all points of order against provisions in H.R. 2203, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 3525 includes waivers of the following:

Clause 3(c)(5) of rule XIII, which requires committee reports on bills that establish or reauthorize Federal programs to indicate whether any such program is known to be duplicative of another such program.

Clause 3(d) of rule XIII, which requires the inclusion of a committee cost estimate in the committee report.

Although the resolution waives all points of order against provisions in H.R. 3525, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against consideration of H. Res. 576, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
