I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 3661, the “Patriotic Employer Protection Act of 2019,” is to broaden the pool of servicemembers and reservists

eligible for the SBA’s Military Reservist Economic Injury Disaster Loan (MREIDL) and Repayment Deferral programs to include servicemembers and reservists who have been ordered to perform active service for a period of more than 30 consecutive days, regardless of whether such service was during a period of military conflict.

II. BACKGROUND AND NEED FOR LEGISLATION

H.R. 3661 was introduced by Rep. Andy Kim (D–NJ) and Rep. Tim Burchett (R–TN) on July 10, 2019. The bill aligns the MREIDL and Repayment Deferral programs with current deployment practices.

The Small Business Administration (SBA) currently offers two programs authorized by Congress to assist small businesses when an essential employee is called up as part of National Guard or Reservist duties. The Military Reservist Economic Injury Disaster Loan (MREIDL) is a direct loan program that provides emergency working capital to small businesses to meet their obligations until operations return to normal after the essential employee is released from active duty military. The Repayment Deferral for Active Duty Reservists (Repayment Deferral) authorizes the SBA to work with private lenders to defer interest or loan repayment for small businesses facing similar situations. Regrettably, utilization of these programs remains low due to eligibility restrictions and lack of awareness. A survey conducted by the National Guard Bureau (NGB) found that seventy percent of State and Territorial commands were unaware of the programs.

H.R. 3661 would improve the MREIDL and Repayment Deferral programs by making them more accessible to service members. The bill would restructure the programs so that they are not limited to periods of conflict, reflecting the shift reserve forces have experienced over the past decade from a strategic reserve to an operational reserve.

Specifically, the bill removes statutory restrictions that limit use of the programs to active duty “during a period of military conflict” and replaces this language with “being ordered to perform active service for a period of more than 30 consecutive days.”

III. HEARINGS

In the 116th Congress, the Committee on Small Business held a hearing on July 10, 2019 titled “Continuing to Serve: From Military to Entrepreneur.”¹ The witnesses for the hearing were: Mr. Davy Leghorn, Assistant Director, The American Legion, Washington, DC; Mr. Scott M. Davidson CPT. USA, Retired, Managing Partner and CEO, The GCO Consulting Group, McLean, VA; Ms. Torrance Hart, Founder, Teak and Twine, LLC, Springfield, VA and; Ms. Laurie Sayles, President and CEO, Civility Management Solutions, Greenbelt, MD.

This hearing continued the Committee’s longstanding effort to promote veteran entrepreneurship and maximize opportunities for veterans to start and grow a small business. Specifically, the Committee heard testimony stating that the MREIDL and Repayment

Deferral programs are currently being underutilized because their eligibility restrictions do not reflect current deployment practices. According to the testimony, both the Guard and Reserve have transitioned from a strategic reserve into an operational force to meet the exigencies of an all-volunteer force in an era of persistent conflict in which all soldiers, active-duty and reserve-component alike, are expected to regularly deploy. The change proposed by the legislation would better align the two programs with current deployment practices.

IV. COMMITTEE CONSIDERATION

The Committee on Small Business met in open session, with a quorum being present, on July 17, 2019, and ordered H.R. 3661 favorably reported to the House of Representatives. During the markup, no amendments were offered.

VI. SECTION-BY-SECTION OF H.R. 3661

Section 1. Short title

This section designates the bill as the “Patriotic Employer Protection Act of 2019.”

Section 2. Extension of loan assistance and deferral eligibility to reservists beyond periods of military conflict

This section removes statutory restrictions that limit use of the programs to active duty “during a period of military conflict” and replaces this language with “being ordered to perform active service for a period of more than 30 consecutive days.” This broadens the pool of service members and reservists eligible for the MREIDL and Repayment Deferral programs. This section also requires the President to submit to Congress a report on the number of loans made under the MREIDL program and the dollar volume of those loans.

VII. CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

The Congressional Budget Office pursuant to 402 of the Congressional Budget Act of 1974, submitted a cost estimate for H.R. 3661 that stated enacting the legislation would not significantly increase net direct spending or budget deficits in any of the four consecutive 10-year periods beginning in 2030.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, August 9, 2019.

Hon. NYDIA M. VELÁZQUEZ,
*Chairwoman, Committee on Small Business,
House of Representatives, Washington, DC.*

DEAR MADAM CHAIRWOMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3661, the Patriotic Employer Protection Act of 2019.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Jon Sperl.

Sincerely,

PHILLIP L. SWAGEL,
Director.

Under its disaster loan program, the Small Business Administration (SBA) provides direct loans to people and small businesses, including those that suffered substantial economic injury because essential employees were ordered to active duty during a military conflict. S. 3661 would expand the definition of active military service used to determine loan eligibility to mean any period of service for at least 30 consecutive days including periods of full-time training, attendance at military schools, and National Guard duty. Expanding the definition of active military service also would increase eligibility for a program that allows loan recipients to defer the repayment of principal and interest on disaster loans.

Using information from the SBA about the disaster loan program, CBO estimates that implementing the bill would slightly increase the total amount of loans administered by the SBA. That increase would increase the estimated subsidy cost of disaster loans by an insignificant amount.¹ The total subsidy cost of the disaster loan program was \$548 million in 2018. Historically, less than 2 percent of disaster loans are made each year to small businesses who suffer economic injury because of employees being called into military service.

The bill also would expand the pool of people and businesses who are eligible to defer the payment of principal and interest for disaster loans in certain circumstances. Because that provision could affect the timing of expected payments for loans currently outstanding, the budgetary effects of those changes would be treated as direct spending and recorded in the year of enactment. Using information from the SBA, CBO estimates that the net increase in direct spending from that provision would be insignificant over the 2020–2029 period.

¹ The subsidy cost is the estimated long-term cost to the government, calculated on a net-present-value basis. Present value is a single number that expresses a flow of current and future income (or payments) in terms of an equivalent lump sum received (or paid) at a specific time. That value depends on the rate of interest (called the discount rate) used to translate future cash flows into current dollars.

The CBO staff contact for this estimate is Jon Sperl. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

VIII. UNFUNDED MANDATES

H.R. 3661 contains no intergovernmental or private sector mandates as defined in the Unfunded Mandates Reform Act, Public Law No. 104-4, and would impose no costs on state, local, or tribal governments.

IX. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. The Committee adopts as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to § 402 of the Congressional Budget Act of 1974, which found that H.R. 3661 could affect direct spending due to the timing of expected payments of loans currently outstanding, but any net increase on those expected payments would be negligible so that enacting H.R. 3661 would not affect revenues.

X. OVERSIGHT FINDINGS

In accordance with clause 2(b)(1) of rule X of the Rules of the House, the oversight findings and recommendations of the Committee on Small Business with respect to the subject matter contained in H.R. 3661 are incorporated into the descriptive portions of this report.

XI. STATEMENT OF CONSTITUTIONAL AUTHORITY

Pursuant to clause 7 of rule XII of the Rules of the House of Representatives, the Committee finds the authority for this legislation in Art. I, § 8 of the Constitution of the United States.

XII. CONGRESSIONAL ACCOUNTABILITY ACT

H.R. 3661 does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of § 102(b)(3) of Public Law No. 104-1.

XIII. FEDERAL ADVISORY COMMITTEE ACT STATEMENT

H.R. 3661 does not establish or authorize the establishment of any new advisory committees as that term is defined in the Federal Advisory Committee Act, 5 U.S.C. App. 2.

XIV. STATEMENT OF NO EARMARKS

Pursuant to clause 9 of rule XXI, H.R. 3661 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in subsections (d), (e), or (f) of clause 9 of rule XXI of the Rules of the House.

XV. STATEMENT OF DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3 of rule XIII of the Rules of the House, no provision of H.R. 3661 establishes or reauthorizes a program of the federal government known to be duplicative of another federal program, a program that was included in any report from the United States Government Accountability Office pursuant to § 21 of Pub. L. No. 111–139, or a program related to a program identified in the most recent catalog of federal domestic assistance.

XVI. DISCLOSURE OF DIRECTED RULEMAKINGS

Pursuant to clause 3 of rule XIII of the Rules of the House, H.R. 3661 does not direct any rulemaking.

XVII. PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XII of the Rules of the House, the Committee establishes the following performance-related goals and objectives for this legislation:

H.R. 3661 aligns current deployment practices with policies to increase access to capital for small businesses with an essential employee who was deployed as part of the National Guard or Reserve.

XVIII. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause (E) of rule XIII of the Rules of the House, changes in existing law made by the bill, as reported, as shown as follows: existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, and existing law in which no change is proposed is shown in roman:

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

SMALL BUSINESS ACT

* * * * *

SEC. 7. (a) LOANS TO SMALL BUSINESS CONCERNS; ALLOWABLE PURPOSES; QUALIFIED BUSINESS; RESTRICTIONS AND LIMITATIONS.—The Administration is empowered to the extent and in such amounts as provided in advance in appropriation Acts to make loans for plant acquisition, construction, conversion, or expansion, including the acquisition of land, material, supplies, equipment, and working capital, and to make loans to any qualified small business concern, including those owned by qualified Indian tribes, for purposes of this Act. Such financings may be made either directly or in cooperation with banks or other financial institutions through agreements to participate on an immediate or deferred (guaranteed) basis. These powers shall be subject, however, to the following restrictions, limitations, and provisions:

(1) IN GENERAL.—

(A) CREDIT ELSEWHERE.—

(i) IN GENERAL.—The Administrator has the authority to direct, and conduct oversight for, the methods by which lenders determine whether a borrower is able to obtain credit elsewhere. No financial assistance shall be extended pursuant to this subsection if the applicant can obtain credit elsewhere. No immediate participation may be purchased unless it is shown that a deferred participation is not available; and no direct financing may be made unless it is shown that a participation is not available.

(ii) LIQUIDITY.—On and after October 1, 2015, the Administrator may not guarantee a loan under this subsection if the lender determines that the borrower is unable to obtain credit elsewhere solely because the liquidity of the lender depends upon the guaranteed portion of the loan being sold on the secondary market.

(B) BACKGROUND CHECKS.—Prior to the approval of any loan made pursuant to this subsection, or section 503 of the Small Business Investment Act of 1958, the Administrator may verify the applicant's criminal background, or lack thereof, through the best available means, including, if possible, use of the National Crime Information Center computer system at the Federal Bureau of Investigation.

(C) LENDING LIMITS OF LENDERS.—On and after October 1, 2015, the Administrator may not guarantee a loan under this subsection if the sole purpose for requesting the guarantee is to allow the lender to exceed the legal lending limit of the lender.

(2) LEVEL OF PARTICIPATION IN GUARANTEED LOANS.—

(A) IN GENERAL.—Except as provided in subparagraphs (B), (D), and (E), in an agreement to participate in a loan on a deferred basis under this subsection (including a loan made under the Preferred Lenders Program), such participation by the Administration shall be equal to—

(i) 75 percent of the balance of the financing outstanding at the time of disbursement of the loan, if such balance exceeds \$150,000; or

(ii) 85 percent of the balance of the financing outstanding at the time of disbursement of the loan, if such balance is less than or equal to \$150,000.

(B) REDUCED PARTICIPATION UPON REQUEST.—

(i) IN GENERAL.—The guarantee percentage specified by subparagraph (A) for any loan under this subsection may be reduced upon the request of the participating lender.

(ii) PROHIBITION.—The Administration shall not use the guarantee percentage requested by a participating lender under clause (i) as a criterion for establishing priorities in approving loan guarantee requests under this subsection.

(C) INTEREST RATE UNDER PREFERRED LENDERS PROGRAM.—

(i) IN GENERAL.—The maximum interest rate for a loan guaranteed under the Preferred Lenders Program shall not exceed the maximum interest rate, as determined by the Administration, applicable to other loans guaranteed under this subsection.

(ii) EXPORT-IMPORT BANK LENDERS.—Any lender that is participating in the Delegated Authority Lender Program of the Export-Import Bank of the United States (or any successor to the Program) shall be eligible to participate in the Preferred Lenders Program.

(iii) PREFERRED LENDERS PROGRAM DEFINED.—For purposes of this subparagraph, the term “Preferred Lenders Program” means any program established by the Administrator, as authorized under the proviso in section 5(b)(7), under which a written agreement between the lender and the Administration delegates to the lender—

(I) complete authority to make and close loans with a guarantee from the Administration without obtaining the prior specific approval of the Administration; and

(II) complete authority to service and liquidate such loans without obtaining the prior specific approval of the Administration for routine servicing and liquidation activities, but shall not take any actions creating an actual or apparent conflict of interest.

(D) PARTICIPATION UNDER EXPORT WORKING CAPITAL PROGRAM.—In an agreement to participate in a loan on a deferred basis under the Export Working Capital Program established pursuant to paragraph (14)(A), such participation by the Administration shall be 90 percent.

(E) PARTICIPATION IN INTERNATIONAL TRADE LOAN.—In an agreement to participate in a loan on a deferred basis under paragraph (16), the participation by the Administration may not exceed 90 percent.

(3) No loan shall be made under this subsection—

(A) if the total amount outstanding and committed (by participation or otherwise) to the borrower from the business loan and investment fund established by this Act would exceed \$3,750,000 (or if the gross loan amount would exceed \$5,000,000), except as provided in subparagraph (B);

(B) if the total amount outstanding and committed (on a deferred basis) solely for the purposes provided in paragraph (16) to the borrower from the business loan and investment fund established by this Act would exceed \$4,500,000 (or if the gross loan amount would exceed \$5,000,000), of which not more than \$4,000,000 may be used for working capital, supplies, or financings under section 7(a)(14) for export purposes; and

(C) if effected either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate basis if the amount would exceed \$350,000.

(4) INTEREST RATES AND PREPAYMENT CHARGES.—

(A) INTEREST RATES.—Notwithstanding the provisions of the constitution of any State or the laws of any State limiting the rate or amount of interest which may be charged, taken, received, or reserved, the maximum legal rate of interest on any financing made on a deferred basis pursuant to this subsection shall not exceed a rate prescribed by the Administration, and the rate of interest for the Administration's share of any direct or immediate participation loan shall not exceed the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans and adjusted to the nearest one-eighth of 1 per centum, and an additional amount as determined by the Administration, but not to exceed 1 per centum per annum: *Provided*, That for those loans to assist any public or private organization for the handicapped or to assist any handicapped individual as provided in paragraph (10) of this subsection, the interest rate shall be 3 per centum per annum.

(B) PAYMENT OF ACCRUED INTEREST.—

(i) IN GENERAL.—Any bank or other lending institution making a claim for payment on the guaranteed portion of a loan made under this subsection shall be paid the accrued interest due on the loan from the earliest date of default to the date of payment of the claim at a rate not to exceed the rate of interest on the loan on the date of default, minus one percent.

(ii) LOANS SOLD ON SECONDARY MARKET.—If a loan described in clause (i) is sold on the secondary market, the amount of interest paid to a bank or other lending institution described in that clause from the earliest date of default to the date of payment of the claim shall be no more than the agreed upon rate, minus one percent.

(iii) APPLICABILITY.—Clauses (i) and (ii) shall not apply to loans made on or after October 1, 2000.

(C) PREPAYMENT CHARGES.—

(i) IN GENERAL.—A borrower who prepays any loan guaranteed under this subsection shall remit to the Administration a subsidy recoupment fee calculated in accordance with clause (ii) if—

(I) the loan is for a term of not less than 15 years;

(II) the prepayment is voluntary;

(III) the amount of prepayment in any calendar year is more than 25 percent of the outstanding balance of the loan; and

(IV) the prepayment is made within the first 3 years after disbursement of the loan proceeds.

(ii) SUBSIDY RECOUPMENT FEE.—The subsidy recoupment fee charged under clause (i) shall be—

(I) 5 percent of the amount of prepayment, if the borrower prepays during the first year after disbursement;

(II) 3 percent of the amount of prepayment, if the borrower prepays during the second year after disbursement; and

(III) 1 percent of the amount of prepayment, if the borrower prepays during the third year after disbursement.

(5) No such loans including renewals and extensions thereof may be made for a period or periods exceeding twenty-five years, except that such portion of a loan made for the purpose of acquiring real property or constructing, converting, or expanding facilities may have a maturity of twenty-five years plus such additional period as is estimated may be required to complete such construction, conversion, or expansion.

(6) All loans made under this subsection shall be of such sound value or so secured as reasonably to assure repayment: *Provided, however, That—*

(A) for loans to assist any public or private organization or to assist any handicapped individual as provided in paragraph (10) of this subsection any reasonable doubt shall be resolved in favor of the applicant;

(B) recognizing that greater risk may be associated with loans for energy measures as provided in paragraph (12) of this subsection, factors in determining “sound value” shall include, but not be limited to, quality of the product or service; technical qualifications of the applicant or his employees; sales projections; and the financial status of the business concern: *Provided further, That* such status need not be as sound as that required for general loans under this subsection; and

On that portion of the loan used to refinance existing indebtedness held by a bank or other lending institution, the Administration shall limit the amount of deferred participation to 80 per centum of the amount of the loan at the time of disbursement: *Provided further, That* any authority conferred by this subparagraph on the Administration shall be exercised solely by the Administration and shall not be delegated to other than Administration personnel.

(7) The Administration may defer payments on the principal of such loans for a grace period and use such other methods as it deems necessary and appropriate to assure the successful establishment and operation of such concern.

(8) The Administration may make loans under this subsection to small business concerns owned and controlled by disabled veterans (as defined in section 4211(3) of title 38, United States Code).

(9) The Administration may provide loans under this subsection to finance residential or commercial construction or rehabilitation for sale: *Provided, however, That* such loans shall not be used primarily for the acquisition of land.

(10) The Administration may provide guaranteed loans under this subsection to assist any public or private organization for the handicapped or to assist any handicapped individual, including service-disabled veterans, in establishing, acquiring, or operating a small business concern.

(11) The Administration may provide loans under this subsection to any small business concern, or to any qualified person seeking to establish such a concern when it determines that such loan will further the policies established in section 2(c) of this Act, with particular emphasis on the preservation or establishment of small business concerns located in urban or rural areas with high proportions of unemployed or low-income individuals or owned by low-income individuals.

(12)(A) The Administration may provide loans under this subsection to assist any small business concern, including start up, to enable such concern to design architecturally or engineer, manufacture, distribute, market, install, or service energy measures: *Provided, however,* That such loan proceeds shall not be used primarily for research and development.

(b) The Administration may provide deferred participation loans under this subsection to finance the planning, design, or installation of pollution control facilities for the purposes set forth in section 404 of the Small Business Investment Act of 1958. Notwithstanding the limitation expressed in paragraph (3) of this subsection, a loan made under this paragraph may not result in a total amount outstanding and committed to a borrower from the business loan and investment fund of more than \$1,000,000.

(13) The Administration may provide financing under this subsection to State and local development companies for the purposes of, and subject to the restrictions in, title V of the Small Business Investment Act of 1958.

(14) EXPORT WORKING CAPITAL PROGRAM.—

(A) IN GENERAL.—The Administrator may provide extensions of credit, standby letters of credit, revolving lines of credit for export purposes, and other financing to enable small business concerns, including small business export trading companies and small business export management companies, to develop foreign markets. A bank or participating lending institution may establish the rate of interest on such financings as may be legal and reasonable.

(B) TERMS.—

(i) LOAN AMOUNT.—The Administrator may not guarantee a loan under this paragraph of more than \$5,000,000.

(ii) FEES.—

(I) IN GENERAL.—For a loan under this paragraph, the Administrator shall collect the fee assessed under paragraph (23) not more frequently than once each year.

(II) UNTAPPED CREDIT.—The Administrator may not assess a fee on capital that is not accessed by the small business concern.

(C) CONSIDERATIONS.—When considering loan or guarantee applications, the Administration shall give weight to export-related benefits, including opening new markets for United States goods and services abroad and encouraging the involvement of small businesses, including agricultural concerns, in the export market.

(D) MARKETING.—The Administrator shall aggressively market its export financing program to small businesses.

(15)(A) The Administration may guarantee loans under this subsection—

(i) to qualified employee trusts with respect to a small business concern for the purpose of purchasing, and for any transaction costs associated with purchasing, stock of the concern under a plan approved by the Administrator which, when carried out, results in the qualified employee trust owning at least 51 per centum of the stock of the concern; and

(ii) to a small business concern under a plan approved by the Administrator, if the proceeds from the loan are only used to make a loan to a qualified employee trust, and for any transaction costs associated with making that loan, that results in the qualified employee trust owning at least 51 percent of the small business concern.

(B) The plan requiring the Administrator's approval under subparagraph (A) shall be submitted to the Administration by the trustee of such trust or by the small business concern with its application for the guarantee. Such plan shall include an agreement with the Administrator which is binding on such trust and on the small business concern and which provides that—

(i) not later than the date the loan guaranteed under subparagraph (A) is repaid (or as soon thereafter as is consistent with the requirements of section 401(a) of the Internal Revenue Code of 1954), at least 51 per centum of the total stock of such concern shall be allocated to the accounts of at least 51 per centum of the employees of such concern who are entitled to share in such allocation,

(ii) there will be periodic reviews of the role in the management of such concern of employees to whose accounts stock is allocated,

(iii) there will be adequate management to assure management expertise and continuity, and

(iv) with respect to a loan made to a trust, or to a cooperative in accordance with paragraph (35)—

(I) a seller of the small business concern may remain involved as an officer, director, or key employee of the small business concern when a qualified employee trust or cooperative has acquired 100 percent of ownership of the small business concern; and

(II) any seller of the small business concern who remains as an owner of the small business concern, regardless of the percentage of ownership interest, shall be required to provide a personal guarantee by the Administration.

(C) In determining whether to guarantee any loan under this paragraph, the individual business experience or personal assets of employee-owners shall not be used as criteria, except inasmuch as certain employee-owners may assume managerial responsibilities, in which case business experience may be considered.

(D) For purposes of this paragraph, a corporation which is controlled by any other person shall be treated as a small business concern if such corporation would, after the plan de-

scribed in subparagraph (B) is carried out, be treated as a small business concern.

(E) The Administration shall compile a separate list of applications for assistance under this paragraph, indicating which applications were accepted and which were denied, and shall report periodically to the Congress on the status of employee-owned firms assisted by the Administration, which shall include—

(i) the total number of loans made to employee-owned business concerns that were guaranteed by the Administrator under section 7(a) of the Small Business Act (15 U.S.C. 636(a)) or section 502 of the Small Business Investment Act of 1958 (15 U.S.C. 696), including the number of loans made—

(I) to small business concerns owned and controlled by socially and economically disadvantaged individuals; and

(II) to cooperatives;

(ii) the total number of financings made to employee-owned business concerns by companies licensed under section 301(c) of the Small Business Investment Act of 1958 (15 U.S.C. 696(c)), including the number of financings made—

(I) to small business concerns owned and controlled by socially and economically disadvantaged individuals; and

(II) to cooperatives; and

(iii) any outreach and educational activities conducted by the Administration with respect to employee-owned business concerns.

(F) A small business concern that makes a loan to a qualified employee trust under subparagraph (A)(ii) is not required to contain the same terms and conditions as the loan made to the small business concern that is guaranteed by the Administration under such subparagraph.

(G) With respect to a loan made to a qualified employee trust under this paragraph, or to a cooperative in accordance with paragraph (35), the Administrator may, as deemed appropriate, elect to not require any mandatory equity to be provided by the qualified employee trust or cooperative to make the loan.

(16) INTERNATIONAL TRADE.—

(A) IN GENERAL.—If the Administrator determines that a loan guaranteed under this subsection will allow an eligible small business concern that is engaged in or adversely affected by international trade to improve its competitive position, the Administrator may make such loan to assist such concern—

(i) in the financing of the acquisition, construction, renovation, modernization, improvement, or expansion of productive facilities or equipment to be used in the United States in the production of goods and services involved in international trade;

(ii) in the refinancing of existing indebtedness that is not structured with reasonable terms and condi-

tions, including any debt that qualifies for refinancing under any other provision of this subsection; or
 (iii) by providing working capital.

(B) SECURITY.—

(i) IN GENERAL.—Except as provided in clause (ii), each loan made under this paragraph shall be secured by a first lien position or first mortgage on the property or equipment financed by the loan or on other assets of the small business concern.

(ii) EXCEPTION.—A loan under this paragraph may be secured by a second lien position on the property or equipment financed by the loan or on other assets of the small business concern, if the Administrator determines the lien provides adequate assurance of the payment of the loan.

(C) ENGAGED IN INTERNATIONAL TRADE.—For purposes of this paragraph, a small business concern is engaged in international trade if, as determined by the Administrator, the small business concern is in a position to expand existing export markets or develop new export markets.

(D) ADVERSELY AFFECTED BY INTERNATIONAL TRADE.—For purposes of this paragraph, a small business concern is adversely affected by international trade if, as determined by the Administrator, the small business concern—

(i) is confronting increased competition with foreign firms in the relevant market; and

The designation of a lender as a certified lender shall be suspended or revoked at any time that the Administration determines that the lender is not adhering to its rules and regulations or that the loss experience of the lender is excessive as compared to other lenders, but such suspension or revocation shall not affect any outstanding guarantee.

(B) In order to encourage all lending institutions and other entities making loans authorized under this subsection to provide loans of \$50,000 or less in guarantees to eligible small business loan applicants, the Administration shall develop and allow participating lenders to solely utilize a uniform and simplified loan form for such loans.

(C) Authority to liquidate loans.—

(i) IN GENERAL.—The Administrator may permit lenders participating in the Certified Lenders Program to liquidate loans made with a guarantee from the Administration pursuant to a liquidation plan approved by the Administrator.

(ii) with such assistance such concern has a reasonable prospect for operating soundly and profitably within a reasonable period of time;

(iii) the proceeds of such assistance will be used within a reasonable time for plant construction, conversion, or expansion, including the acquisition of equipment, facilities, machinery, supplies, or material or to supply such concern with working capital to be used in the manufacture of articles, equipment, supplies, or material for defense or civilian production or as may be necessary to insure a well-balanced national economy; and

(iv) such assistance is of such sound value as reasonably to assure that the terms under which it is provided will not be breached by the small business concern.

(B)(i) No loan shall be made under this paragraph if the total amount outstanding and committed (by participation or otherwise) to the borrower would exceed \$750,000.

(ii) Subject to the provisions of clause (i), in agreements to participate in loans on a deferred (guaranteed) basis, participation by the Administration shall be not less than 85 per centum of the balance of the financing outstanding at the time of disbursement.

(iii) The rate of interest on financings made on a deferred (guaranteed) basis shall be legal and reasonable.

(i) that is subordinated by its terms to all other borrowings of the issuer;

(ii) the rate of interest on which shall not exceed the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loan and adjusted to the nearest one-eighth of 1 per centum;

 - (ii) to a qualified individual or a veteran seeking to establish (or acquire) and operate a small business concern.
- (B) Recognizing that greater risk may be associated with a loan to a small business concern described in subparagraph (A)(i), any reasonable doubts concerning the firm's proposed business plan for transition to nondefense-related markets shall be resolved in favor of the loan applicant when making any determination regarding the sound value of the proposed loan in accordance with paragraph (6).

(9) DECLARATION OF ELIGIBILITY FOR ADDITIONAL DISASTER ASSISTANCE.—

(A) IN GENERAL.—If the President declares a major disaster, the Administrator may declare eligibility for additional disaster assistance in accordance with this paragraph.

(B) THRESHOLD.—A major disaster for which the Administrator declares eligibility for additional disaster assistance under this paragraph shall—

(ii) PROCESSING TIME.—

(I) IN GENERAL.—If the Administrator determines that the average processing time for applications for disaster loans under this subparagraph relating to a specific major disaster is more than 15 days, the Administrator shall give priority to the processing of such applications submitted by eligible small business concerns located inside the disaster area, until the Administrator determines that the average processing time for such applications is not more than 15 days.

(I) meet its obligations as it matures;

(II) meet its ordinary and necessary operating expenses; or

(III) market, produce, or provide a product or service ordinarily marketed, produced, or provided

(cc) that relies on a provider located in the disaster area for a service that is not readily available elsewhere.

(10) REDUCING CLOSING AND DISBURSEMENT DELAYS.—The Administrator shall provide a clear and concise notification on all application materials for loans made under this subsection and on relevant websites notifying an applicant that the applicant may submit all documentation necessary for the approval of the loan at the time of application and that failure to submit all documentation could delay the approval and disbursement of the loan.

(11) INCREASING TRANSPARENCY IN LOAN APPROVALS.—The Administrator shall establish and implement clear, written policies and procedures for analyzing the ability of a loan applicant to repay a loan made under this subsection.

(12) ADDITIONAL AWARDS TO SMALL BUSINESS DEVELOPMENT CENTERS, WOMEN’S BUSINESS CENTERS, AND SCORE FOR DISASTER RECOVERY.—

(ii) USE OF ESTIMATES.—The Administrator shall base the goals and metrics for performance established under clause (i), in part, on the estimates of disaster impact prepared by the Office of Disaster Assistance for purposes of estimating loan-making requirements.

(F) TERM.—

(i) IN GENERAL.—The term of any grant, contract, or cooperative agreement under this paragraph shall be for not more than 2 years.

(ii) EXTENSION.—The Administrator may make 1 extension of a grant, contract, or cooperative agreement under this paragraph for a period of not more than 1 year, upon a showing of good cause and need for the extension.

(H) COMPETITIVE BASIS.—The Administration shall award financial assistance under this paragraph on a competitive basis.

(13) SUPPLEMENTAL ASSISTANCE FOR CONTRACTOR MALFEASANCE.—

(A) IN GENERAL.—If a contractor or other person engages in malfeasance in connection with repairs to, rehabilitation of, or replacement of real or personal property relating to which a loan was made under this subsection and the malfeasance results in substantial economic damage to the recipient of the loan or substantial risks to health or safety, upon receiving documentation of the substantial economic damage or the substantial risk to health and safety from an independent loss verifier, and subject to subparagraph (B), the Administrator may increase the amount of the loan under this subsection, as necessary for the cost of repairs, rehabilitation, or replacement needed to address the cause of the economic damage or health or safety risk.

(B) REQUIREMENTS.—The Administrator may only increase the amount of a loan under subparagraph (A) upon receiving an appropriate certification from the borrower and person performing the mitigation attesting to the reasonableness of the mitigation costs and an assignment of any proceeds received from the person engaging in the malfeasance. The assignment of proceeds recovered from the person engaging in the malfeasance shall be equal to the amount of the loan under this section. Any mitigation activities shall be subject to audit and independent verification of completeness and cost reasonableness.

(14) BUSINESS RECOVERY CENTERS.—

(A) IN GENERAL.—The Administrator, acting through the district offices of the Administration, shall identify locations that may be used as recovery centers by the Adminis-

tration in the event of a disaster declared under this subsection or a major disaster.

(B) REQUIREMENTS FOR IDENTIFICATION.—Each district office of the Administration shall—

(i) identify a location described in subparagraph (A) in each county, parish, or similar unit of general local government in the area served by the district office; and

(ii) ensure that the locations identified under subparagraph (A) may be used as a recovery center without cost to the Government, to the extent practicable.

(15) INCREASED OVERSIGHT OF ECONOMIC INJURY DISASTER LOANS.—The Administrator shall increase oversight of entities receiving loans under paragraph (2), and may consider—

(A) scheduled site visits to ensure borrower eligibility and compliance with requirements established by the Administrator; and

(B) reviews of the use of the loan proceeds by an entity described in paragraph (2) to ensure compliance with requirements established by the Administrator.

No loan under this subsection, including renewals and extensions thereof, may be made for a period or periods exceeding thirty years: *Provided*, That the Administrator may consent to a suspension in the payment of principal and interest charges on, and to an extension in the maturity of, the Federal share of any loan under this subsection for a period not to exceed five years, if (A) the borrower under such loan is a homeowner or a small business concern, (B) the loan was made to enable (i) such homeowner to repair or replace his home, or (ii) such concern to repair or replace plant or equipment which was damaged or destroyed as the result of a disaster meeting the requirements of clause (A) or (B) of paragraph (2) of this subsection, and (C) the Administrator determines such action is necessary to avoid severe financial hardship: *Provided further*, That the provisions of paragraph (1) of subsection (d) of this section shall not be applicable to any such loan having a maturity in excess of twenty years. Notwithstanding any other provision of law, and except as provided in subsection (d), the interest rate on the Administration's share of any loan made under subsection (b), shall not exceed the average annual interest rate on all interest-bearing obligations of the United States then forming a part of the public debt as computed at the end of the fiscal year next preceding the date of the loan and adjusted to the nearest one-eighth of 1 per centum plus one-quarter of 1 per centum: *Provided, however*, That the interest rate for loans made under paragraphs (1) and (2) hereof shall not exceed the rate of interest which is in effect at the time of the occurrence of the disaster. In agreements to participate in loans on a deferred basis under this subsection, such participation by the Administration shall not be in excess of 90 per centum of the balance of the loan outstanding at the time of disbursement. Notwithstanding any other provision of law, the interest rate on the Administration's share of any loan made pursuant to paragraph (1) of this subsection to repair or replace a primary residence and/or replace or repair damaged or destroyed personal property, less the amount of compensation by insurance or otherwise, with respect to a disaster occurring on or after July 1, 1976, and prior

to October 1, 1978, shall be: 1 per centum on the amount of such loan not exceeding \$10,000, and 3 per centum on the amount of such loan over \$10,000 but not exceeding \$40,000. The interest rate on the Administration's share of the first \$250,000 of all other loans made pursuant to paragraph (1) of this subsection, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be 3 per centum. All repayments of principal on the Administration's share of any loan made under the above provisions shall first be applied to reduce the principal sum of such loan which bears interest at the lower rates provided in this paragraph. The principal amount of any loan made pursuant to paragraph (1) in connection with a disaster which occurs on or after April 1, 1977, but prior to January 1, 1978, may be increased by such amount, but not more than \$2,000, as the Administration determines to be reasonable in light of the amount and nature of loss, damage, or injury sustained in order to finance the installation of insulation in the property which was lost, damaged, or injured, if the uninsured, damaged portion of the property is 10 per centum or more of the market value of the property at the time of the disaster. No later than June 1, 1978, the Administration shall prepare and transmit to the Select Committee on Small Business of the Senate, the Committee on Small Business of the House of Representatives, and the Committee of the Senate and House of Representatives having jurisdiction over measures relating to energy conservation, a report on its activities under this paragraph, including therein an evaluation of the effect of such activities on encouraging the installation of insulation in property which is repaired or replaced after a disaster which is subject to this paragraph, and its recommendations with respect to the continuation, modification, or termination of such activities.

In the administration of the disaster loan program under paragraphs (1) and (2) of this subsection, in the case of property loss or damage or injury resulting from a major disaster as determined by the President or a disaster as determined by the Administrator which occurs on or after January 1, 1971, and prior to July 1, 1973, the Small Business Administration, to the extent such loss or damage or injury is not compensated for by insurance or otherwise—

(A) may make any loan for repair, rehabilitation, or replacement of property damaged or destroyed without regard to whether the required financial assistance is otherwise available from private sources;

(B) may, in the case of the total destruction or substantial property damage of a home or business concern, refinance any mortgage or other liens outstanding against the destroyed or damaged property if such project is to be repaired, rehabilitated, or replaced, except that (1) in the case of a business concern, the amount refinanced shall not exceed the amount of the physical loss sustained, and (2) in the case of a home, the amount of each monthly payment of principal and interest on the loan after refinancing under this clause shall be not less than the amount of each such payment made prior to such refinancing;

(C) may, in the case of a loan made under clause (A) or a mortgage or other lien refinanced under clause (B) in connection with the destruction of, or substantial damage to, property

owned and used as a residence by an individual who by reason of retirement, disability, or other similar circumstances relies for support on survivor, disability, or retirement benefits under a pension, insurance, or other program, consent to the suspension of the payments of the principal of that loan, mortgage, or lien during the lifetime of that individual and his spouse for so long as the Administration determines that making such payments would constitute a substantial hardship;

(D) shall, notwithstanding the provisions of any other law and upon presentation by the applicant of proof of loss or damage or injury and a bona fide estimate of cost of repair, rehabilitation, or replacement, cancel the principal of any loan made to cover a loss or damage or injury resulting from such disaster, except that—

(i) with respect to a loan made in connection with a disaster occurring on or after January 1, 1971 but prior to January 1, 1972, the total amount so canceled shall not exceed \$2,500, and the interest on the balance of the loan shall be at a rate of 3 per centum per annum; and

(ii) with respect to a loan made in connection with a disaster occurring on or after January 1, 1972 but prior to July 1, 1973, the total amount so canceled shall not exceed \$5,000, and the interest on the balance of the loan shall be at a rate of 1 per centum per annum.

With respect to any loan referred to in clause (D) which is outstanding on the date of enactment of this paragraph, the Administrator shall—

(i) make such change in the interest rate on the balance of such loan as is required under that clause effective as of such date of enactment; and

(ii) in applying the limitation set forth in that clause with respect to the total amount of such loan which may be canceled, consider as part of the amount so canceled any part of such loan which was previously canceled pursuant to section 231 of the Disaster Relief Act of 1970.

Whoever wrongfully misapplies the proceeds of a loan obtained under this subsection shall be civilly liable to the Administrator in an amount equal to one-and-one-half times the original principal amount of the loan.

(E) A State grant made on or prior to July 1, 1979, shall not be considered compensation for the purpose of applying the provisions of section 312(a) of the Disaster Relief and Emergency Assistance Act to a disaster loan under paragraph (1) (2) of this subsection.

(2) During any period in which principal and interest charges are suspended on the Federal share of any loan, as provided in subsection (b), the Administrator shall, upon the request of any person, firm, or corporation having a participation in such loan, purchase such participation, or assume the obligation of the borrower, for the balance of such period, to make principal and interest payments on the non-Federal share of such loan: *Provided*, That no such payments shall be made by the Administrator in behalf of any borrower unless (i) the Administrator determines that such action is necessary in order to avoid a default, and (ii) the borrower agrees to make payments to the Administration in an aggregate amount equal to the amount paid in its behalf by the Administrator, in such manner and at such time (during or after the term of the loan) as the Administrator shall determine having due regard to the purposes sought to be achieved by this paragraph.

(6) Notwithstanding the provisions of any other law, such loans, subject to the reductions required by subparagraphs (A) and (B) of paragraph 7(b)(1), shall be in amounts equal to 100 per centum of loss. The interest rate for loans made under paragraphs 7(b)(1) and (2), as determined pursuant to paragraph (5), shall be the rate of interest which is in effect on the date of the disaster commenced: *Provided*, That no loan under paragraphs 7(b) (1) and (2) shall be made, either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred (guaranteed) basis, if the total amount outstanding and committed to the borrower under subsection 7(b) would exceed \$500,000 for each disaster unless an applicant constitutes a major source of employment in an area suffering a disaster, in which case the Administration, in its discretion, may waive the \$500,000 limitation: *Provided further*, That the Administration, subject to the reductions required by subparagraphs (A) and (B) of paragraph 7(b)(1), shall not reduce the amount of eligibility for any homeowner on account of loss of real estate to less than \$100,000 for each disaster nor for any homeowner or lessee on account of loss of personal property to less than \$20,000 for each disaster, such sums being in addition to any eligible refinancing: *Provided further*, That the Administration shall not require collateral for loans of \$25,000 or less (or such higher amount as the Administrator determines appropriate in the event of a disaster) which are made under paragraph (1) of

subsection (b): *Provided further*, That the Administrator, in obtaining the best available collateral for a loan of not more than \$200,000 under paragraph (1) or (2) of subsection (b) relating to damage to or destruction of the property of, or economic injury to, a small business concern, shall not require the owner of the small business concern to use the primary residence of the owner as collateral if the Administrator determines that the owner has other assets of equal quality and with a value equal to or greater than the amount of the loan that could be used as collateral for the loan: *Provided further*, That nothing in the preceding proviso may be construed to reduce the amount of collateral required by the Administrator in connection with a loan described in the preceding proviso or to modify the standards used to evaluate the quality (rather than the type) of such collateral. Employees of concerns sharing a common business premises shall be aggregated in determining “major source of employment” status for nonprofit applicants owning such premises.

With respect to any loan which is outstanding on the date of enactment of this paragraph and which was made on account of a disaster commencing on or after October 1, 1982, the Administrator shall make such change in the interest rate on the balance of such loan as is required herein effective as of the date of enactment.

(7) The Administration shall not withhold disaster assistance pursuant to this paragraph to nurseries who are victims of drought disasters. (h)(1) The Administration also is empowered, where other financial assistance is not available on reasonable terms, to make such loans (either directly or in cooperation with Banks or other lending institutions through agreements to participate on an immediate or deferred basis) as the Administration may determine to be necessary or appropriate—

(A) to assist any public or private organization—

(i) which is organized under the laws of the United States or of any State, operated in the interest of handicapped individuals, the net income of which does not inure in whole or in part to the benefit of any shareholder or other individual;

(ii) which complies with any applicable occupational health and safety standard prescribed by the Secretary of Labor; and

(iii) which, in the production of commodities and in the provision of services during any fiscal year in which it receives financial assistance under this subsection, employs handicapped individuals for not less than 75 per centum of the man-hours required for the production or provision of the commodities or services; or

(B) to assist any handicapped individual in establishing, acquiring, or operating a small business concern.

(2) The Administration's share of any loan made under this subsection shall not exceed \$350,000, nor may any such loan be made if the total amount outstanding and committed (by participation or otherwise) to the borrower from the business loan and investment fund established by section 4(c)(1)(B) of this Act would exceed \$350,000. In agreements to participate in loans on a deferred basis under this subsection, the Administration's participation may total 100 per centum of the balance of the loan at the time of disbursement. (i)(1) The Administration also is empowered to make, participate (on an immediate basis) in, or guarantee loans, repayable in not more than fifteen years, to any small business concern, or to any qualified person seeking to establish such a concern, when it determines that such loans will further the policies established in section 2(b) of this Act, with particular emphasis on the preservation or establishment of small business concerns located in urban or rural areas with high proportions of unemployed or low-income individuals, or owned by low-income individuals: *Provided, however,* That no such loans shall be made, participated in, or guaranteed if the total of such Federal assistance to a single borrower outstanding at any one time would exceed \$100,000. The Administration may defer payments on the principal of such loans for a grace period and use such other methods as it deems necessary and appropriate to assure the successful establishment and operation of such concern. The Administration may, in its discretion, as a condition of such financial assistance, require that the borrower take steps to improve his management skills by participating in a management training program approved by the Administration: *Provided, however,* That any management training program so approved must be of sufficient scope and duration to provide reasonable opportunity for the individuals served to develop entrepreneurial and managerial self-sufficiency.

(2) The Administration shall encourage, as far as possible, the participation of the private business community in the program of assistance to such concerns, and shall seek to stimulate new private lending activities to such concerns through the use of the loan guarantees, participations in loans, and pooling arrangements authorized by this subsection.

(3) To insure an equitable distribution between urban and rural areas for loans between \$3,500 and \$100,000 made under this subsection, the Administration is authorized to use the agencies and agreements and delegations developed under title III of the Economic Opportunity Act of 1964, as amended, as it shall determine necessary.

(4) The Administration shall provide for the continuing evaluation of programs under this subsection, including full information on the location, income characteristics, and types of businesses and individuals assisted, and on new private lending activity stimulated, and the results of such evaluation together with recommendations shall be included in the report required by section 10(a) of this Act.

(5) Loans made pursuant to this subsection (including immediate participation in and guarantees of such loans) shall have such terms and conditions as the Administration shall determine, subject to the following limitations—

(D) the loan bears interest at a rate not less than (i) a rate determined by the Secretary of the Treasury, taking into consideration the average market yield on outstanding Treasury obligations of comparable maturity, plus (ii) such additional charge, if any, toward covering other costs of the program as the Administration may determine to be consistent with its purposes: *Provided, however,* That the rate of interest charged on loans made in redevelopment areas designated under the Public Works and Economic Development Act of 1965 (42 U.S.C. 3108 et seq.) shall not exceed the rate currently applicable to new loans made under section 201 of that Act (42 U.S.C. 3142); and

(E) fees not in excess of amounts necessary to cover administrative expenses and probable losses may be required on loan guarantees.

(6) The Administration shall take such steps as may be necessary to insure that, in any fiscal year, at least 50 per centum of the amounts loaned or guaranteed pursuant to this subsection are allotted to small business concerns located in urban areas identified by the Administration as having high concentrations of unemployed or low-income individuals or to small business concerns owned by low-income individuals. The Administration shall define the meaning of low income as it applies to owners of small business concerns eligible to be assisted under this subsection.

(7) No financial assistance shall be extended pursuant to this subsection when the Administration determines that the assistance will be used in relocating establishments from one area to another if such relocation would result in an increase in unemployment in the area of original location.

(j)(1) the Administration shall provide financial assistance to public or private organizations to pay all or part of the cost of projects designated to provide technical or management assistance to individuals or enterprises eligible for assistance under sections 7(i), 7(j)(10), and 8(a) of this Act, with special attention to small businesses located in areas of high concentration of unemployed or low-income individuals, to small businesses eligible to receive contracts pursuant to section 8(a) of this Act.

(3) The Administration shall encourage the placement of subcontracts by businesses with small business concerns located in area of high concentration of unemployed or low-income individuals, with small businesses owned by low-income individuals, and with small businesses eligible to receive contracts pursuant to section 8(a) of this Act. The Administration may provide incentives and assistance to such businesses that will aid in the training and upgrading of potential subcontractors or other small business concerns eligible for assistance under section 7(i), 7(j), and 8(a), of this Act.

(4) The Administration shall give preference to projects which promote the ownership, participation in ownership, or management of small businesses owned by low-income individuals and small businesses eligible to receive contracts pursuant to section 8(a) of this Act.

(5) The financial assistance authorized for projects under this subsection includes assistance advanced by grant, agreement, or contract.

(6) The Administration is authorized to make payments under grants and contracts entered into under this subsection in lump sum or installments, and in advance or by way of reimbursement, and in the case of grants, with necessary adjustments on account of overpayments or underpayments.

(7) To the extent feasible, services under this subsection shall be provided in a location which is easily accessible to the individuals and small business concerns served.

(9) The Administration shall take such steps as may be necessary and appropriate, in coordination and cooperation with the heads of other Federal departments and agencies, to insure that contracts, subcontracts, and deposits made by the Federal Government or with programs aided with Federal funds are placed in such way as to further the purposes of sections 7(i), 7(j), and 8(a) of this Act.

(10) There is established with the Administration a small business and capital ownership development program (hereinafter referred to as the "Program") which shall provide assistance exclusively for small business concerns eligible to receive contracts pursuant to section 8(a) of this Act. The program, and all other services and activities authorized under section 7(j) and 8(a) of this Act, shall be managed by the Associate Administrator for Minority Small Business and Capital Ownership Development under the supervision of, and responsible to, the Administrator.

(A) The Program shall—

(i) assist small business concerns participating in the Program (either through public or private organizations) to develop and maintain comprehensive business plans which set forth the Program Participant's specific business tar-

gets, objectives, and goals developed and maintained in conformity with subparagraph (D).

(ii) provide for such other nonfinancial services as deemed necessary for the establishment, preservation, and growth of small business concerns participating in the Program, including but not limited to (I) loan packaging, (II) financing counseling, (III) accounting and bookkeeping assistance, (IV) marketing assistance, and (V) management assistance;

(C)(i) A small business concern participating in any program or activity conducted under the authority of this paragraph or eligible for the award of contracts pursuant to section 8(a) on September 1, 1988, shall be permitted continued participation and eligibility in such program or activity for a period of time which is the greater of—

(I) 9 years less the number of years since the award of its first contract pursuant to section 8(a); or

(II) its original fixed program participation term (plus any extension thereof) assigned prior to the effective date of this paragraph plus eighteen months.

(ii) Nothing contained in this subparagraph shall be deemed to prevent the Administration from instituting a termination or graduation pursuant to subparagraph (F) or (H) for issues unrelated to the expiration of any time period limitation.

(D)(i) Promptly after certification under paragraph (11) a Program Participant shall submit a business plan (hereinafter referred to as the plan⁷) as described in clause (ii) of this subparagraph for review by the Business Opportunity Specialist assigned to assist such Program Participant. The plan may be a revision of a preliminary business plan submitted by the Program Participant or required by the Administration as a part of the application for certification under this section and shall be designed to result in the Program Participant eliminating

the conditions or circumstances upon which the Administration determined eligibility pursuant to section 8(a)(6). Such plan, and subsequent modifications submitted under clause (iii) of this subparagraph, shall be approved by the business opportunity specialist prior to the Program Participant being eligible for award of a contract pursuant to section 8(a).

(ii) The plans submitted under this subparagraph shall include the following:

(I) An analysis of market potential, competitive environment, and other business analyses estimating the Program Participant's prospects for profitable operations during the term of program participation and after graduation.

(II) An analysis of the Program Participant's strengths and weaknesses with particular attention to correcting any financial, managerial, technical, or personnel conditions which are likely to impede the small business concern from receiving contracts other than those awarded under section 8(a).

(III) Specific targets, objectives, and goals, for the business development of the Program Participant during the next and succeeding years utilizing the results of the analyses conducted pursuant to subclauses (I) and (II).

(IV) A transition management plan outlining specific steps to assure profitable business operations after graduation (to be incorporated into the Program Participant's plan during the first year of the transitional stage of Program participation).

(V) Estimates of contract awards pursuant to section 8(a) and from other sources, which the Program Participant will require to meet the specific targets, objectives, and goals for the years covered by its plan. The estimates established shall be consistent with the provisions of subparagraph (I) and section 8(a).

(iii) Each Program Participant shall annually review its currently approved plan with its Business Opportunity Specialist and modify such plan as may be appropriate. Any modified plan shall be submitted to the Administration for approval. The currently approved plan shall be considered valid until such time as a modified plan is approved by the Business Opportunity Specialist. Annual reviews pertaining to years in the transitional stage of program participation shall require, as appropriate, a written verification that such Program Participant has complied with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a).

(iv) Each Program Participant shall annually forecast its needs for contract awards under section 8(a) for the next program year and the succeeding program year during the review of its business plan, conducted pursuant to clause (iii). Such forecast shall be known as the section 8(a) contract support level and shall be included in the Program Participant's business plan. Such forecast shall include—

(I) the aggregate dollar value of contract support to be sought on a noncompetitive basis under section 8(a), reflecting compliance with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a),

(II) the types of contract opportunities being sought, identified by Standard Industrial Classification (SIC) Code or otherwise,

(III) an estimate of the dollar value of contract support to be sought on a competitive basis, and

(IV) such other information as may be requested by the Business Opportunity Specialist to provide effective business development assistance to the Program Participant.

(E) A small business concern participating in the program conducted under the authority of this paragraph and eligible for the award of contracts pursuant to section 8(a) shall be denied all such assistance if such concern—

(i) voluntarily elects not to continue participation;

(ii) completes the period of Program participation as prescribed by paragraph (15);

(iii) is terminated pursuant to a termination proceeding conducted in accordance with section 8(a)(9); or

(iv) is graduated pursuant to a graduation proceeding conducted in accordance with section 8(a)(9).

(F) For the purposes of section and 8(a), the terms “terminated” or “termination” means the total denial or suspension of assistance under this paragraph or under section 8(a) prior to the graduation of the participating small business concern or prior to the expiration of the maximum program participation in term. An action for termination shall be based upon good cause, including—

(i) the failure by such concern to maintain its eligibility for Program participation;

(ii) the failure of the concern to engage in business practices that will promote its competitiveness within a reasonable period of time as evidenced by, among other indicators, a pattern of unjustified delinquent performance or terminations for default with respect to contracts awarded under the authority of section 8(a);

(iii) a demonstrated pattern of failing to make required submissions or responses to the Administration in a timely manner;

(iv) the willful violation of any rule or regulation of the Administration pertaining to material issues;

(v) the debarment of the concern or its disadvantaged owners by any agency pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation); or

(vi) the conviction of the disadvantaged owner or an officer of the concern for any offense indicating a lack of business integrity including any conviction for embezzlement, theft, forgery, bribery, falsification or violation of section 16. For purposes of this clause, no termination action shall

be taken with respect to a disadvantaged owner solely because of the conviction of an officer of the concern (who is other than a disadvantaged owner) unless such owner conspired with, abetted, or otherwise knowingly acquiesced in the activity or omission that was the basis of such officer's conviction.

(G) The Director of the Division may initiate a termination proceeding by recommending such action to the Associate Administrator for Minority Small Business and Capital Ownership Development. Whenever the Associate Administrator, or a designee of such officer, determines such termination is appropriate, within 15 days after making such a determination the Program Participant shall be provided a written notice of intent to terminate, specifying the reasons for such action. No Program Participant shall be terminated from the Program pursuant to subparagraph (F) without first being afforded an opportunity for a hearing in accordance with section 8(a)(9).

(H) For the purposes of sections 7(j) and 8(a) the term "graduated" or "graduation" means that the Program Participant is recognized as successfully completing the program by substantially achieving the targets, objectives, and goals contained in the concern's business plan thereby demonstrating its ability to compete in the marketplace without assistance under this section or section 8(a).

(I)(i) During the developmental stage of its participation in the Program, a Program Participant shall take all reasonable efforts within its control to attain the targets contained in its business plan for contracts awarded other than pursuant to section 8(a) (hereinafter referred to as "business activity targets."). Such efforts shall be made a part of the business plan and shall be sufficient in scope and duration to satisfy the Administration that the Program Participant will engage a reasonable marketing strategy that will maximize its potential to achieve its business activity targets.

(ii) During the transitional stage of the Program a Program Participant shall be subject to regulations regarding business activity targets that are promulgated by the Administration pursuant to clause (iii);

(iii) The regulations referred to in clause (ii) shall:

(I) establish business activity targets applicable to Program Participants during the fifth year and each succeeding year of Program Participation; such targets, for such period of time, shall reflect a reasonably consistent increase in contracts awarded other than pursuant to section 8(a), expressed as a percentage of total sales; when promulgating business activity targets the Administration may establish modified targets for Program Participants that have participated in the Program for a period of longer than four years on the effective date of this subparagraph;

(II) require a Program Participant to attain its business activity targets;

(III) provide that, before the receipt of any contract to be awarded pursuant to section 8(a), the Program Participant (if it is in the transitional stage) must certify that it has

complied with the regulations promulgated pursuant to subclause (II), or that it is in compliance with such remedial measures as may have been ordered pursuant to regulations issued under subclause (V);

(IV) require the Administration to review each Program Participant's performance regarding attainment of business activity targets during periodic reviews of such Participant's business plan; and

(V) authorize the Administration to take appropriate remedial measures with respect to a Program Participant that has failed to attain a required business activity target for the purpose of reducing such Participant's dependence on contracts awarded pursuant to section 8(a); such remedial actions may include, but are not limited to assisting the Program Participant to expand the dollar volume of its competitive business activity or limiting the dollar volume of contracts awarded to the Program Participant pursuant to section 8(a); except for actions that would constitute a termination, remedial measures taken pursuant to this subclause shall not be reviewable pursuant to section 8(a)(9).

(J)(i) The Administration shall conduct an evaluation of a Program Participant's eligibility for continued participation in the Program whenever it receives specific and credible information alleging that such Program Participant no longer meets the requirements for Program eligibility. Upon making a finding that a Program Participant is no longer eligible, the Administration shall initiate a termination proceeding in accordance with subparagraph (F). A Program Participant's eligibility for award of any contract under the authority of section 8(a) may be suspended pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation).

(ii)(I) Except as authorized by subclauses (II) or (III), no award shall be made pursuant to section 8(a) to a concern other than a small business concern.

(II) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), each firm's size shall be independently determined without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise owned by the tribe, unless the Administrator determines that one or more such tribally owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(III) Any joint venture established under the authority of section 602(b) of Public Law 100-656, the "Business Opportunity Development Reform Act of 1988", shall be eligible for award of a contract pursuant to section 8(a).

(11)(A) The Associate Administrator for Minority Small Business and Capital Ownership Development shall be responsible for coordinating and formulating policies relating to Federal assistance to small business concerns eligible for assistance under section 7(i) of this Act and small business concerns eligible to receive contracts pursuant to section 8(a) of this Act.

(B)(i) Except as provided in clause (iii), no individual who was determined pursuant to section 8(a) to be socially and economically disadvantaged before the effective date of this subparagraph shall be permitted to assert such disadvantage with respect to any other concern making application for certification after such effective date.

(ii) Except as provided in clause (iii), any individual upon whom eligibility is based pursuant to section 8(a)(4) shall be permitted to assert such eligibility for only one small business concern.

(iii) A socially and economically disadvantaged Indian tribe may own more than one small business concern eligible for assistance pursuant to section 7(j)(10) and section 8(a) if—

(I) the Indian tribe does not own another firm in the same industry which has been determined to be eligible to receive contracts under this program, and

(II) the individuals responsible for the management and daily operations of the concern do not manage more than two Program Participants.

(C) No concern, previously eligible for the award of contracts pursuant to section 8(a), shall be subsequently recertified for program participation if its prior participation in the program was concluded for any of the reasons described in paragraph (10)(E).

(D) A concern eligible for the award of contracts pursuant to this subsection shall remain eligible for such contracts if there is a transfer of ownership and control (as defined pursuant to section 8(a)(4)) to individuals who are determined to be socially and economically disadvantaged pursuant to section 8(a). In the event of such a transfer, the concern, if not terminated or graduated, shall be eligible for a period of continued participation in the program not to exceed the time limitations prescribed in paragraph (15).

(E) There is established a Division of Program Certification and Eligibility (hereinafter referred to in this paragraph as the "Division") that shall be made part of the Office of Minority Small Business and Capital Ownership Development. The Division shall be headed by a Director who shall report directly to the Associate Administrator for Minority Small Business and Capital Ownership Development. The Division shall establish field offices within such regional offices of the Administration as may be necessary to perform efficiently its functions and responsibilities.

(F) Subject to the provisions of section 8(a)(9), the functions and responsibility of the Division are to—

(i) receive, review and evaluate applications for certification pursuant to paragraphs (4), (5), (6) and (7) of section 8(a);

(ii) advise each program applicant within 15 days after the receipt of an application as to whether such application is complete and suitable for evaluation and, if not, what matters must be rectified;

(iii) render recommendations on such applications to the Associate Administrator for Minority Small Business and Capital Ownership Development;

(iv) review and evaluate financial statements and other submissions from concerns participating in the program estab-

lished by paragraph (10) to ascertain continued eligibility to receive subcontracts pursuant to section 8(a);

(v) make a request for the initiation of termination or graduation proceedings, as appropriate, to the Associate Administrator for Minority Small Business and Capital Ownership Development;

(vi) make recommendations to the Associate Administrator for Minority Small Business and Capital Ownership Development concerning protests from applicants that have been denied program admission;

(vii) decide protests regarding the status of a concern as a disadvantaged concern for purposes of any program or activity conducted under the authority of subsection (d) of section 8, or any other provision of Federal law that references such subsection for a definition of program eligibility; and

(viii) implement such policy directives as may be issued by the Associate Administrator for Minority Small Business and Capital Ownership Development pursuant to subparagraph (I) regarding, among other things, the geographic distribution of concerns to be admitted to the program and the industrial make-up of such concerns.

(G) An applicant shall not be denied admission into the program established by paragraph (10) due solely to a determination by the Division that specific contract opportunities are unavailable to assist in the development of such concern unless—

(i) the Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or

(ii) the purchases of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Program Participants providing the same or similar items or services.

(H) Not later than 90 days after receipt of a completed application for Program certification, the Associate Administrator for Minority Small Business and Capital Ownership Development shall certify a small business concern as a Program Participant or shall deny such application.

(I) Thirty days before the conclusion of each fiscal year, the Director of the Division shall review all concerns that have been admitted into the Program during the preceding 12-month period. The review shall ascertain the number of entrants, their geographic distribution and industrial classification. The Director shall also estimate the expected growth of the Program during the next fiscal year and the number of additional Business Opportunity Specialists, if any, that will be needed to meet the anticipated demand for the Program. The findings and conclusions of the Director shall be reported to the Associate Administrator for Minority Small Business and Capital Ownership Development by September 30 of each year. Based on such report and such additional data as may be relevant, the Associate Administrator shall, by October 31 of each year, issue policy and program directives applicable to such fiscal year that—

(i) establish priorities for the solicitation of program applications from underrepresented regions and industry categories;

(ii) assign staffing levels and allocate other program resources as necessary to meet program needs; and

(iii) establish priorities in the processing and admission of new Program Participants as may be necessary to achieve an equitable geographic distribution of concerns and a distribution of concerns across all industry categories in proportions needed to increase significantly contract awards to small business concerns owned and controlled by socially and economically disadvantaged individuals. When considering such increase the Administration shall give due consideration to those industrial categories where Federal purchases have been substantial but where the participation rate of such concerns has been limited.

(12)(A) The Administration shall segment the Capital Ownership Development Program into two stages: a developmental stage; and a transitional stage.

(B) The developmental stage of program participation shall be designed to assist the concern in its effort to overcome its economic disadvantage by providing such assistance as may be necessary and appropriate to access its markets and to strengthen its financial and managerial skills.

(C) The transitional stage of program participation shall be designed to overcome, insofar as practicable, the remaining elements of economic disadvantage and to prepare such concern for graduation from the program.

(13) A Program Participant, if otherwise eligible, shall be qualified to receive the following assistance during the stages of program participation specified in paragraph 12:

(A) Contract support pursuant to section 8(a).

(B) Financial assistance pursuant to section 7(a)(20).

(C) A maximum of two exemptions from the requirements of section 1(a) of the Act entitled "An Act providing conditions for the purchase of supplies and the making of contracts by the United States, and for other purposes", approved June 30, 1936 (49 Stat. 2036), which exemptions shall apply only to contracts awarded pursuant to section (8)(a) and shall only be used to allow for contingent agreements by a small business concern to acquire the machinery, equipment, facilities, or labor needed to perform such contracts. No exemption shall be made pursuant to this subparagraph if the contract to which it pertains has an anticipated value in excess of \$10,000,000. This subparagraph shall cease to be effective on October 1, 1992.

SEC. 8. (a)(1) It shall be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary or appropriate—

(A) to enter into contracts with the United States Government and any department, agency, or officer thereof having procurement powers obligating the Administration to furnish articles, equipment, supplies, services, or materials to the Government or to perform construction work for the Government. In any case in which the Administration certifies to any officer of the Government having procurement powers that the Administration is competent and responsible to perform any specific Government procurement contract to be let by any such officer, such officer shall be authorized in his discretion to let such procurement contract to the Administration upon such terms and conditions as may be agreed upon between the Administration and the procurement officer. Whenever the Administration and such procurement officer fail to agree, the matter shall be submitted for determination to the Secretary or the head of the appropriate department or agency by the

Administrator. Not later than 5 days from the date the Administration is notified of a procurement officer's adverse decision, the Administration may notify the contracting officer of the intent to appeal such adverse decision, and within 15 days of such date the Administrator shall file a written request for a reconsideration of the adverse decision with the Secretary of the department or agency head. For the purposes of this subparagraph, a procurement officer's adverse decision includes a decision not to make available for award pursuant to this subsection a particular procurement requirement or the failure to agree on the terms and conditions of a contract to be awarded noncompetitively under the authority of this subsection. Upon receipt of the notice of intent to appeal, the Secretary of the department or the agency head shall suspend further action regarding the procurement until a written decision on the Administrator's request for reconsideration has been issued by such Secretary or agency head, unless such officer makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a reconsideration of the adverse decision. If the Administrator's request for reconsideration is denied, the Secretary of the department or agency head shall specify the reasons why the selected firm was determined to be incapable to perform the procurement requirement, and the findings supporting such determination, which shall be made a part of the contract file for the requirement. A contract may not be awarded under this subsection if the award of the contract would result in a cost to the awarding agency which exceeds a fair market price;

(B) to arrange for the performance of such procurement contracts by negotiating or otherwise letting subcontracts to socially and economically disadvantaged small business concerns for construction work, services, or the manufacture, supply, assembly of such articles, equipment, supplies, materials, or parts thereof, or servicing or processing in connection therewith, or such management services as may be necessary to enable the Administration to perform such contracts;

(C) to make an award to a small business concern owned and controlled by socially and economically disadvantaged individuals which has completed its period of Program Participation as prescribed by section 7(j)(15), if—

(i) the contract will be awarded as a result of an offer (including price) submitted in response to a published solicitation relating to a competition conducted pursuant to subparagraph (D); and

(ii) the prospective contract awardee was a Program Participant eligible for award of the contract on the date specified for receipt of offers contained in the contract solicitation; and

(D)(i) A contract opportunity offered for award pursuant to this subsection shall be awarded on the basis of competition restricted to eligible Program Participants if—

(I) there is a reasonable expectation that at least two eligible Program Participants will submit offers and that award can be made at a fair market price, and

(II) the anticipated award price of the contract (including options) will exceed \$5,000,000 in the case of a contract opportunity assigned a standard industrial classification code for manufacturing and \$3,000,000 (including options) in the case of all other contract opportunities.

(ii) The Associate Administrator for Minority Small Business and Capital Ownership Development, on a nondelegable basis, is authorized to approve a request from an agency to award a contract opportunity under this subsection on the basis of a competition restricted to eligible Program Participants even if the anticipated award price is not expected to exceed the dollar amounts specified in clause (i)(II). Such approvals shall be granted only on a limited basis.

(2) Notwithstanding subsections (a) and (c) of the first section of the Act entitled "An Act requiring contracts for the construction, alteration, and repair of any public building or public work of the United States to be accompanied by a performance bond protecting the United States and by additional bond for the protection of persons furnishing material and labor for the construction, alteration, or repair of said public buildings or public work," approved August 24, 1935 (49 Stat. 793), no small business concern shall be required to provide any amount of any bond as a condition or receiving any subcontract under this subsection if the Administrator determines that such amount is inappropriate for such concern in performing such contract: *Provided*, That the Administrator shall exercise the authority granted by the paragraph only if—

(A) the Administration takes such measures as it deems appropriate for the protection of persons furnishing materials and labor to a small business receiving any benefit pursuant to this paragraph;

(B) the Administration assists, insofar as practicable, a small business receiving the benefits of this paragraph to develop, within a reasonable period of time, such financial and other capability as may be needed to obtain such bonds as the Administration may subsequently require for the successful completion of any program conducted under the authority of this subsection;

(C) the Administration finds that such small business is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue such bond or bonds subject to the guarantee provisions of Title IV of the Small Business Investment Act of 1958; and

(D) that small business is determined to be a start-up concern and such concern has not been participating in any program conducted under the authority of this subsection for a period exceeding one year.

The authority to waive bonds provided in this paragraph (2) may not be exercised after September 30, 1988.

(3)(A) Any Program Participant selected by the Administration to perform a contract to be let noncompetitively pursuant to this subsection shall, when practicable, participate in any negotiation of the terms and conditions of such contract.

(B)(i) For purposes of paragraph (1) a "fair market price" shall be determined by the agency offering the procurement requirement to the Administration, in accordance with clauses (ii) and (iii).

(ii) The estimate of a current fair market price for a new procurement requirement, or a requirement that does not have a satisfactory procurement history, shall be derived from a price or cost analysis. Such analysis may take into account prevailing market conditions, commercial prices for similar products or services, or data obtained from any other agency. Such analysis shall consider such cost or pricing data as may be timely submitted by the Administration.

(iii) The estimate of a current fair market price for a procurement requirement that has a satisfactory procurement history shall be based on recent award prices adjusted to insure comparability. Such adjustments shall take into account differences in quantities, performance times, plans, specifications, transportation costs, packaging and packing costs, labor and materials costs, overhead costs, and any other additional costs which may be deemed appropriate.

(C) An agency offering a procurement requirement for potential award pursuant to this subsection shall, upon the request of the Administration, promptly submit to the Administration a written statement detailing the method used by the agency to estimate the current fair market price for such contract, identifying the information, studies, analyses, and other data used by such agency. The agency's estimate of the current fair market price (and any supporting data furnished to the Administration) shall not be disclosed to any potential offeror (other than the Administration).

(D) A small business concern selected by the Administration to perform or negotiate a contract to be let pursuant to this subsection may request the Administration to protest the agency's estimate of the fair market price for such contract pursuant to paragraph (1)(A).

(4)(A) For purposes of this section, the term "socially and economically disadvantaged small business concern" means any small business concern which meets the requirements of subparagraph (B) and—

(i) which is at least 51 per centum unconditionally owned by—

(I) one or more socially and economically disadvantaged individuals,

(II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or

(III) an economically disadvantaged Native Hawaiian organization, or

(ii) in the case of any publicly owned business, at least 51 per centum of the stock of which is unconditionally owned by—

(I) one or more socially and economically disadvantaged individuals,

(II) an economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), or

(III) an economically disadvantaged Native Hawaiian organization.

(B) A small business concern meets the requirements of this subparagraph if the management and daily business operations of such small business concern are controlled by one or more—

(i) socially and economically disadvantaged individuals described in subparagraph (A)(i)(I) or subparagraph (A)(ii)(I),

(ii) members of an economically disadvantaged Indian tribe described in subparagraph (A)(i)(II) or subparagraph (A)(ii)(II), or

(iii) Native Hawaiian organizations described in subparagraph (A)(i)(III) or subparagraph (A)(ii)(III).

(C) Each Program Participant shall certify, on an annual basis, that it meets the requirements of this paragraph regarding ownership and control.

(5) Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identity as a member of a group without regard to their individual qualities.

(6)(A) Economically disadvantaged individuals are those socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same business area who are not socially disadvantaged. In determining the degree of diminished credit and capital opportunities the Administration shall consider, but not be limited to, the assets and net worth of such socially disadvantaged individual. In determining the economic disadvantage of an Indian tribe, the Administration shall consider, where available, information such as the following: the per capita income of members of the tribe excluding judgment awards, the percentage of the local Indian population below the poverty level, and the tribe's access to capital markets.

(B) Each Program Participant shall annually submit to the Administration—

(i) a personal financial statement for each disadvantaged owner;

(ii) a record of all payments made by the Program Participant to each of its disadvantaged owners or to any person or entity affiliated with such owners; and

(iii) such other information as the Administration may deem necessary to make the determinations required by this paragraph.

(C)(i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the standards to establish economic disadvantage pursuant to subparagraph (A) have not been met, the Administration shall conduct a review to determine whether such Program Participant and its disadvantaged owners continue to be impaired in their ability to compete in the free enterprise system due to diminished capital and credit opportunities when compared to other concerns in the same business area, which are not socially disadvantaged.

(ii) If the Administration determines, pursuant to such review, that a Program Participant and its disadvantaged owners are no longer economically disadvantaged for the purpose of receiving assistance under this subsection, the Program Participant shall be graduated pursuant to section 7(j)(10)(G) subject to the right to a hearing as provided for under paragraph (9).

(D)(i) Whenever, on the basis of information provided by a Program Participant pursuant to subparagraph (B) or otherwise, the Administration has reason to believe that the amount of funds or other assets withdrawn from a Program Participant for the per-

sonal benefit of its disadvantaged owners or any person or entity affiliated with such owners may have been unduly excessive, the Administration shall conduct a review to determine whether such withdrawal of funds or other assets was detrimental to the achievement of the targets, objectives, and goals contained in such Program Participant's business plan.

(ii) If the Administration determines, pursuant to such review, that funds or other assets have been withdrawn to the detriment of the Program Participant's business, the Administration shall—

(I) initiate a proceeding to terminate the Program Participant pursuant to section 7(j)(10)(F), subject to the right to a hearing under paragraph (9); or

(II) require an appropriate reinvestment of funds or other assets and such other steps as the Administration may deem necessary to ensure the protection of the concern.

(E) Whenever the Administration computes personal net worth for any purpose under this paragraph, it shall exclude from such computation—

(i) the value of investments that disadvantaged owners have in their concerns, except that such value shall be taken into account under this paragraph when comparing such concerns to other concerns in the same business area that are owned by other than socially disadvantaged persons;

(ii) the equity that disadvantaged owners have in their primary personal residences, except that any portion of such equity that is attributable to unduly excessive withdrawals from a Program Participant or a concern applying for program participation shall be taken into account.

(7)(A) No small business concern shall be deemed eligible for any assistance pursuant to this subsection unless the Administration determines that with contract, financial, technical, and management support the small business concern will be able to perform contracts which may be awarded to such concern under paragraph (1)(C) and has reasonable prospects for success in competing in the private sector.

(B) Limitations established by the Administration in its regulations and procedures restricting the award of contracts pursuant to this subsection to a limited number of standard industrial classification codes in an approved business plan shall not be applied in a manner that inhibits the logical business progression by a participating small business concern into areas of industrial endeavor where such concern has the potential for success.

(8) All determinations made pursuant to paragraph (5) with respect to whether a group has been subjected to prejudice or bias shall be made by the Administrator after consultation with the Associate Administrator for Minority Small Business and Capital Ownership Development. All other determinations made pursuant to paragraphs (4), (5), (6), and (7) shall be made by the Associate Administrator for Minority Small Business and Capital Ownership Development under the supervision of, and responsible to, the Administrator.

(9)(A) Subject to the provisions of subparagraph (E), the Administration, prior to taking any action described in subparagraph (B), shall provide the small business concern that is the subject of such

action, an opportunity for a hearing on the record, in accordance with chapter 5 of title 5, United States Code.

(B) The actions referred to in subparagraph (A) are—

- (i) denial of program admission based upon a negative determination pursuant to paragraph (4), (5), or (6);
- (ii) a termination pursuant to section 7(j)(10)(F);
- (iii) a graduation pursuant to section 7(j)(10)(G); and
- (iv) the denial of a request to issue a waiver pursuant to paragraph (21)(B).

(C) The Administration's proposed action, in any proceeding conducted under the authority of this paragraph, shall be sustained unless it is found to be arbitrary, capricious, or contrary to law.

(D) A decision rendered pursuant to this paragraph shall be the final decision of the Administration and shall be binding upon the Administration and those within its employ.

(E) The adjudicator selected to preside over a proceeding conducted under the authority of this paragraph shall decline to accept jurisdiction over any matter that—

- (i) does not, on its face, allege facts that, if proven to be true, would warrant reversal or modification of the Administration's position;
- (ii) is untimely filed;
- (iii) is not filed in accordance with the rules of procedure governing such proceedings; or
- (iv) has been decided by or is the subject of an adjudication before a court of competent jurisdiction over such matters.

(F) Proceedings conducted pursuant to the authority of this paragraph shall be completed and a decision rendered, insofar as practicable, within ninety days after a petition for a hearing is filed with the adjudicating office.

(10) The Administration shall develop and implement an outreach program to inform and recruit small business concerns to apply for eligibility for assistance under this subsection. Such program shall make a sustained and substantial effort to solicit applications for certification from small business concerns located in areas of concentrated unemployment or underemployment or within labor surplus areas and within States having relatively few Program Participants and from small disadvantaged business concerns in industry categories that have not substantially participated in the award of contracts let under the authority of this subsection.

(11) To the maximum extent practicable, construction subcontracts awarded by the Administration pursuant to this subsection shall be awarded within the county or State where the work is to be performed.

(12)(A) The Administration shall require each concern eligible to receive subcontracts pursuant to this subsection to annually prepare and submit to the Administration a capability statement. Such statement shall briefly describe such concern's various contract performance capabilities and shall contain the name and telephone number of the Business Opportunity Specialist assigned such concern. The Administration shall separate such statements by those primarily dependent upon local contract support and those primarily requiring a national marketing effort. Statements primarily dependent upon local contract support shall be disseminated to appropriate buying activities in the marketing area of the con-

cern. The remaining statements shall be disseminated to the Directors of Small and Disadvantaged Business Utilization for the appropriate agencies who shall further distribute such statements to buying activities with such agencies that may purchase the types of items or services described on the capability statements.

(B) Contracting activities receiving capability statements shall, within 60 days after receipt, contact the relevant Business Opportunity Specialist to indicate the number, type, and approximate dollar value of contract opportunities that such activities may be awarding over the succeeding 12-month period and which may be appropriate to consider for award to those concerns for which it has received capability statements.

(C) Each executive agency reporting to the Federal Procurement Data System contract actions with an aggregate value in excess of \$50,000,000 in fiscal year 1988, or in any succeeding fiscal year, shall prepare a forecast of expected contract opportunities or classes of contract opportunities for the next and succeeding fiscal years that small business concerns, including those owned and controlled by socially and economically disadvantaged individuals, are capable of performing. Such forecast shall be periodically revised during such year. To the extent such information is available, the agency forecasts shall specify:

- (i) The approximate number of individual contract opportunities (and the number of opportunities within a class).
- (ii) The approximate dollar value, or range of dollar values, for each contract opportunity or class of contract opportunities.
- (iii) The anticipated time (by fiscal year quarter) for the issuance of a procurement request.
- (iv) The activity responsible for the award and administration of the contract.

(D) The head of each executive agency subject to the provisions of subparagraph (C) shall within 10 days of completion furnish such forecasts to—

- (i) the Director of the Office of Small and Disadvantaged Business Utilization established pursuant to section 15(k) for such agency; and
- (ii) the Administrator.

(E) The information reported pursuant to subparagraph (D) may be limited to classes of items and services for which there are substantial annual purchases.

- (A) is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, or
- (B) is recognized as such by the State in which such tribe, band, nation, group, or community resides.

(14) LIMITATIONS ON SUBCONTRACTING.—A concern may not be awarded a contract under this subsection as a small business concern unless the concern agrees to satisfy the requirements of section 46.

(B) is controlled by Native Hawaiians, and

(C) whose business activities will principally benefit such Native Hawaiians.

(16)(A) The Administration shall award sole source contracts under this section to any small business concern recommended by the procuring agency offering the contract opportunity if—

(i) the Program Participant is determined to be a responsible contractor with respect to performance of such contract opportunity;

(ii) the award of such contract would be consistent with the Program Participant’s business plan; and

(iii) the award of the contract would not result in the Program Participant exceeding the requirements established by section 7(j)(10)(I).

(B) To the maximum extent practicable, the Administration shall promote the equitable geographic distribution of sole source contracts awarded pursuant to this subsection.

(17)(A) An otherwise responsible business concern that is in compliance with the requirements of subparagraph (B) shall not be denied the opportunity to submit and have considered its offer for any procurement contract, which contract has as its principal purpose the supply of a product to be let pursuant to this subsection, subsection (m), section 15(a), section 31, or section 36, solely because such concern is other than the actual manufacturer or processor of the product to be supplied under the contract.

(B) To be in compliance with the requirements referred to in subparagraph (A), such a business concern shall—

(i) be primarily engaged in the wholesale or retail trade;

(ii) be a small business concern under the numerical size standard for the Standard Industrial Classification Code assigned to the contract solicitation on which the offer is being made;

(iv) represent that it will supply the product of a domestic small business manufacturer or processor, unless a waiver of such requirement is granted—

(II) by the Administrator for a product (or class of products), after determining that no small business manufac-

turer or processor is available to participate in the Federal procurement market.

(C) LIMITATION.—This paragraph shall not apply to a contract that has as its principal purpose the acquisition of services or construction.

(18)(A) No person within the employ of the Administration shall, during the term of such employment and for a period of two years after such employment has been terminated, engage in any activity or transaction specified in subparagraph (B) with respect to any Program Participant during such person's term of employment, if such person participated personally (either directly or indirectly) in decision-making responsibilities relating to such Program Participant or with respect to the administration of any assistance provided to Program Participants generally under this subsection, section 7(j)(10), or section 7(a)(20).

Employees of the Ad-

ministration shall expeditiously report to the Inspector General of the Administration any such action for which such employee's participation has been solicited or directed.

(B) Any employee who willfully and knowingly violates subparagraph (A) shall be subject to disciplinary action, which may consist of separation from service, reduction in grade, suspension, or reprimand.

(C) Subparagraph (A) shall not apply to any action taken as a penalty or other enforcement of a violation of any law, rule, or regulation prohibiting or restricting political activity.

(D) The prohibitions of subparagraph (A), and remedial measures provided for under subparagraphs (B) and (C) with regard to such prohibitions, shall be in addition to, and not in lieu of, any other prohibitions, measures or liabilities that may arise under any other provision of law.

(20)(A) Small business concerns participating in the Program under section 7(j)(10) and eligible to receive contracts pursuant to this section shall semiannually report to their assigned Business Opportunity Specialist the following:

(i) A listing of any agents, representatives, attorneys, accountants, consultants, and other parties (other than employees) receiving compensation to assist in obtaining a Federal contract for such Program Participant.

(ii) The amount of compensation received by any person listed under clause (i) during the relevant reporting period and a description of the activities performed in return for such compensation.

(B) The Business Opportunity Specialist shall promptly review and forward such report to the Associate Administrator for Minority Small Business and Capital Ownership Development. Any report that raises a suspicion of improper activity shall be reported immediately to the Inspector General of the Administration.

(C) The failure to submit a report pursuant to the requirements of this subsection and applicable regulations shall be considered "good cause" for the initiation of a termination proceeding pursuant to section 7(j)(10)(F).

(21)(A) Subject to the provisions of subparagraph (B), a contract (including options) awarded pursuant to this subsection shall be performed by the concern that initially received such contract. Notwithstanding the provisions of the preceding sentence, if the owner or owners upon whom eligibility was based relinquish ownership or control of such concern, or enter into any agreement to relinquish such ownership or control, such contract or option shall be terminated for the convenience of the Government, except that no repurchase costs or other damages may be assessed against such concerns due solely to the provisions of this subparagraph.

(B) The Administrator may, on a nondelegable basis, waive the requirements of subparagraph (A) only if one of the following conditions exist:

(i) When it is necessary for the owners of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing.

(ii) The head of the contracting agency for which the contract is being performed certifies that termination of the contract

would severely impair attainment of the agency's program objectives or missions;

(iii) Ownership and control of the concern that is performing the contract will pass to another small business concern that is a program participant, but only if the acquiring firm would otherwise be eligible to receive the award directly pursuant to subsection (a);

(iv) The individuals upon whom eligibility was based are no longer able to exercise control of the concern due to incapacity or death; or

(v) When, in order to raise equity capital, it is necessary for the disadvantaged owners of the concern to relinquish ownership of a majority of the voting stock of such concern, but only if—

(I) such concern has exited the Capital Ownership Development Program;

(II) the disadvantaged owners will maintain ownership of the largest single outstanding block of voting stock (including stock held by affiliated parties); and

(III) the disadvantaged owners will maintain control of daily business operations.

(C) The Administrator may waive the requirements of subparagraph (A) if—

(i) in the case of subparagraph (B) (i), (ii) and (iv), he is requested to do so prior to the actual relinquishment of ownership or control; and

(ii) in the case of subparagraph (B)(iii), he is requested to do so as soon as possible after the incapacity or death occurs.

(D) Concerns performing contracts awarded pursuant to this subsection shall be required to notify the Administration immediately upon entering an agreement (either oral or in writing) to transfer all or part of its stock or other ownership interest to any other party.

(E) Notwithstanding any other provision of law, for the purposes of determining ownership and control of a concern under this section, any potential ownership interests held by investment companies licensed under the Small Business Investment Act of 1958 shall be treated in the same manner as interests held by the individuals upon whom eligibility is based.

(b) It shall also be the duty of the Administration and it is hereby empowered, whenever it determines such action is necessary—

(1)(A) to provide—

(i) technical, managerial, and informational aids to small business concerns—

(I) by advising and counseling on matters in connection with Government procurement and policies, principles, and practices of good management;

(II) by cooperating and advising with—

(aa) voluntary business, professional, educational, and other nonprofit organizations, associations, and institutions (except that the Administration shall take such actions as it determines necessary to ensure that such cooperation does not constitute or imply an endorsement by the Admin-

istration of the organization or its products or services, and shall ensure that it receives appropriate recognition in all printed materials); and

(bb) other Federal and State agencies;

(III) by maintaining a clearinghouse for information on managing, financing, and operating small business enterprises; and

(IV) by disseminating such information, including through recognition events, and by other activities that the Administration determines to be appropriate; and

(ii) through cooperation with a profit-making concern (referred to in this paragraph as a "cosponsor"), training, information, and education to small business concerns, except that the Administration shall—

(I) take such actions as it determines to be appropriate to ensure that—

(aa) the Administration receives appropriate recognition and publicity;

(bb) the cooperation does not constitute or imply an endorsement by the Administration of any product or service of the cosponsor;

(cc) unnecessary promotion of the products or services of the cosponsor is avoided; and

(dd) utilization of any one cosponsor in a marketing area is minimized; and

(II) develop an agreement, executed on behalf of the Administration by an employee of the Administration in Washington, the District of Columbia, that provides, at a minimum, that—

(aa) any printed material to announce the cosponsorship or to be distributed at the cosponsored activity, shall be approved in advance by the Administration;

(bb) the terms and conditions of the cooperation shall be specified;

(cc) only minimal charges may be imposed on any small business concern to cover the direct costs of providing the assistance;

(dd) the Administration may provide to the cosponsorship mailing labels, but not lists of names and addresses of small business concerns compiled by the Administration;

(ee) all printed materials containing the names of both the Administration and the cosponsor shall include a prominent disclaimer that the cooperation does not constitute or imply an endorsement by the Administration of any product or service of the cosponsor; and

(ff) the Administration shall ensure that it receives appropriate recognition in all cosponsorship printed materials.

(B) To establish, conduct, and publicize, and to recruit, select, and train volunteers for (and to enter into contracts, grants, or cooperative agreements therefor), volunteer pro-

grams, including a Service Corps of Retired Executives (SCORE) and an Active Corps of Executive (ACE) for the purposes of section 8(b)(1)(A) of this Act. To facilitate the implementation of such volunteer programs the Administration shall maintain at its headquarters and pay the salaries, benefits, and expenses of a volunteer and professional staff to manage and oversee the program. Any such payments made pursuant to this subparagraph shall be effective only to such extent or in such amounts as are provided in advance in appropriation Acts. Notwithstanding any other provision of law, SCORE may solicit cash and in-kind contributions from the private sector to be used to carry out its functions under this Act, and may use payments made by the Administration pursuant to this subparagraph for such solicitation and the management of the contributions received.

(C) To allow any individual or group of persons participating with it in furtherance of the purposes of subparagraphs (A) and (B) to use the Administration's office facilities and related material and services as the Administration deems appropriate, including clerical and stenographic service:

(i) such volunteers, while carrying out activities under section 8(b)(1) of this Act shall be deemed Federal employees for the purposes of the Federal tort claims provisions in title 28, United States Code; and for the purposes of subchapter I of chapter 81 of title 5, United States Code (relative to compensation to Federal employees for work injuries) shall be deemed civil employees of the United States within the meaning of the term "employee" as defined in section 8101 of title 5, United States Code, and the provisions of that subchapter shall apply except that in computing compensation benefits for disability or death, the monthly pay of a volunteer shall be deemed that received under the entrance salary for a grade GS-11 employee:

(ii) the Administrator is authorized to reimburse such volunteers for all necessary out-of-pocket expenses incident to their provision of services under this Act, or in connection with attendance at meetings sponsored by the Administration, or for the cost of malpractice insurance, as the Administrator shall determine, in accordance with regulations which he or she shall prescribe, and, while they are carrying out such activities away from their homes or regular places of business, for travel expenses (including per diem in lieu of subsistence) as authorized by section 5703 of title 5, United States Code, for individuals serving without pay; and

(iii) such volunteers shall in no way provide services to a client of such Administration with a delinquent loan outstanding, except upon a specific request signed by such client for assistance in connection with such matter.

(D) Notwithstanding any other provision of law, no payment for supportive services or reimbursement of out-of-pocket expenses made to persons serving pursuant to section 8(b)(1) of this Act shall be subject to any tax or charge or be treated as wages or compensation for the purposes of unemployment, dis-

ability, retirement, public assistance, or similar benefit payments, or minimum wage laws.

(E) In carrying out its functions under subparagraph (A), to make grants (including contracts and cooperative agreements) to any public or private institution of higher education for the establishment and operation of a small business institute, which shall be used to provide business counseling and assistance to small business concerns through the activities of students enrolled at the institution, which students shall be entitled to receive educational credits for their activities.

(F) Notwithstanding any other provision of law and pursuant to regulations which the Administrator shall provide, counsel may be employed and counsel fees, court costs, bail, and other expenses incidental to the defense of volunteers may be paid in judicial or Administrative proceedings arising directly out of the performance of activities pursuant to section 8(b)(1) of this Act, as amended (15 U.S.C. 637(b)(1)) to which volunteers have been made parties.

(G) In carrying out its functions under this Act and to carry out the activities authorized by title IV of the Women's Business Ownership Act of 1988, the Administration is authorized to accept, in the name of the Administration, and employ or dispose of in furtherance of the purposes of this Act, any money or property, real, personal, or mixed, tangible, or intangible, received by gift, devise, bequest, or otherwise; and, further, to accept gratuitous services and facilities.

(2) to make a complete inventory of all productive facilities of small-business concerns or to arrange for such inventory to be made by any other governmental agency which has the facilities. In making any such inventory, the appropriate agencies in the several States may be requested to furnish an inventory of the productive facilities of small-business concerns in each respective State if such an inventory is available or in prospect;

To carry out this purpose the Administrator, when requested to do so, shall issue in response to each such request an appropriate certificate certifying an individual concern as a "small-business concern" in accordance with the criteria expressed in this Act. Any such certificate shall be subject to rev-

Offices of the Government having procurement or lending powers, or engaging in the disposal of Federal property or allocating materials or supplies, or promulgating regulations affecting the distribution of materials or supplies, shall accept as conclusive the Administration's determination as to which enterprises are to be designated "small-business concerns", as authorized and directed under this paragraph;

(7)(A) to certify to Government procurement officers, and officers engaged in the sale and disposal of Federal property, with respect to all elements of responsibility, including, but not limited to, capability, competency, capacity, credit, integrity, perseverance, and tenacity, of any small business concern or group of such concerns to receive and perform a specific Government contract. A Government procurement officer or an officer engaged in the sale and disposal of Federal property may not, for any reason specified in the preceding sentence, preclude any small business concern or group of such concerns from being awarded such contract without referring the matter for a final disposition to the Administration.

(B) if a Government procurement officer finds that an otherwise qualified small business concern may be ineligible due to the provisions of section 35(a) of title 41, United States Code (the Walsh-Healey Public Contracts Act), he shall notify the Administration in writing of such finding. The Administration shall review such finding and shall either dismiss it and certify the small business concern to be an eligible Government contractor for a specific Government contract or if it concurs in the finding, forward the matter to the Secretary of Labor for final disposition, in which case the Administration may certify the small business concern only if the Secretary of Labor finds the small business concern not to be in violation.

(C) in any case in which a small business concern or group of such concerns has been certified by the Administration pursuant to (A) or (B) to be a responsible or eligible Government contractor as to a specific Government contract, the officers of the Government having procurement or property disposal powers are directed to accept such certification as conclusive, and shall let such Government contract to such concern or group of concerns without requiring it to meet any other requirement of responsibility or eligibility. Notwithstanding the first sentence of this subparagraph, the Administration may not establish an exemption from referral or notification or refuse to accept a referral or notification from a Government procurement officer made pursuant to subparagraph (A) or (B) of this paragraph, but nothing in this paragraph shall require the processing of an application for certification if the small business concern to which the referral pertains declines to have the application processed.
