I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 4406, the “Small Business Development Centers Improvement Act of 2019” is to modernize and strengthen the Small Business Development Center (SBDC) network by au-
II. BACKGROUND AND NEED FOR LEGISLATION

H.R. 4406 was introduced by Representative Jared Golden (D–ME), and Representative Aumua Amata Coleman Radewagen (R–AS) on September 19, 2019.

America’s 30 million small businesses account for more than 56 million jobs and create two out of three private sector jobs in the United States. The Small Business Administration (SBA) offers a wide range of free or low-cost counseling and training services through its entrepreneurial ecosystem to help entrepreneurs launch and grow their small businesses. To deliver these resources, the SBA relies on its four primary resource partners: Small Business Development Centers (SBDCs), Women’s Business Centers (WBCs), SCORE, and Veterans Business Outreach Centers (VBOCs).

The largest of the resource partners within SBA’s entrepreneurial ecosystem is the SBDC network, which is comprised of 63 lead organizations and more than 900 SBDC centers. They are located in rural, urban, and suburban communities nationwide, and many are housed at universities or state agencies. The network delivers free face-to-face counseling and at-cost training in all aspects of small business management to new and existing small businesses. The services include, but are not limited to, assisting small businesses with developing a business plan, accessing capital, marketing, regulatory compliance, technology development, and international trade. According to the Small Business Administration’s FY2020 Congressional Budget Justification, in FY2018, SBDCs trained and advised more than 440,000 clients, and helped clients create more than 14,000 small businesses.

To modernize and strengthen the SBDC network, the bill would, among other provisions, authorize funding for the SBDC program for four years (FY2020–FY2023) at $175 million for each fiscal year, require an annual report to measure the effectiveness of the Small Business Development Center program, and increase the awareness of the SBDC program and services.

III. HEARINGS

In the 116th Congress, the Committee on Small Business held a hearing on February 27, 2019 titled “Supporting America’s Startups: Review of SBA Entrepreneurial Development Programs.” The witnesses for the hearing were stakeholders representing each of the SBA’s primary entrepreneurial development resource partners: Mr. Charles Rowe for America’s Small Business Development Centers; Ms. Corinne Hodges for the Association of Women’s Business Centers; Mr. Ken Yancey for the SCORE Association; and Ms. Cherlynn Sagerster representing a Veterans Business Outreach Center.

As part of this hearing, each of the entrepreneurial development programs was explored to analyze their success in assisting small

business owners start and grow their businesses. The hearing also highlighted SBA’s oversight of the programs and witnesses discussed the areas wherein the programs could be modernized and strengthened. Mr. Tee Rowe testified on the many benefits of the program and explained the need for working with the agency to design improved metrics with which to measure the program, especially considering the diverse economies, resources, and needs of centers located in different states and regions. The bill reauthorizes the program, clarifies the need for collaboration between the agency and the SBDC network, sets forth priorities to strengthen and modernize the program, clarifies marketing capabilities, and ensures accountability and oversight of the program.

IV. COMMITTEE CONSIDERATION

The Committee on Small Business met in open session, with a quorum being present, on September 25, 2019, and ordered H.R. 4406 favorably reported to the House of Representatives. During the markup, no amendments were offered.

V. COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto. The Committee voted by voice vote to favorably report H.R. 4406 to the House at 11:47 A.M.

VI. SECTION-BY-SECTION OF H.R. 4406

Section 1. Short title

This section provides that the bill may be cited as the “Small Business Development Centers Improvement Act of 2019”.

Section 2. Use of authorized Entrepreneurial Development programs

Subsection (a) prohibits the Administrator from utilizing unauthorized programs to deliver Entrepreneurial Development (ED) services and provides that Small Business Administration (SBA) initiatives must be delivered through those authorized programs specifically cross-referenced in this subsection. The only exception to this overall prohibition, in subsection (a)(2)(A), relates to assistance offered to small business concerns owned by an Indian tribe.

Subsection (b) requires the SBA to issue a report to Congress delineating all ED activities during the current fiscal year. This report will include: description and operating details for each program and activity; operating circulars, manuals, and standard operating procedures for each program and activity; a list of all awardees, contractors, and vendors (including organization name and location) and the amounts of awards for the current fiscal year for each program and activity; the amount of funding obligated for the current fiscal year for each program and activity; and the date, names, and titles for individuals responsible for each program and activity.

Section 3. Marketing of services

This section amends § 21 of the Act by adding a new subsection (o), which ensures SBDCs are able to market and advertise their products and services.

Section 4. Data collection by the Small Business Development Center association

This section amends the Small Business Act to direct the SBA to consult with SBDC associations to develop documents governing data collection activities related to grant recipients. Section 21 is further amended to require the Administrator to provide an annual report on data collection activities related to the SBDC program, and to establish a Data Collection Working Group, consisting of members from the SBA and representatives from each resource partner, to develop a plan for data collection. This plan should be submitted to the Senate Committee on Small Business and Entrepreneurship and the House Committee on Small Business within 180 days.

Section 5. Fees from private partnerships and co-sponsorships

This section permits SBDCs to collect participation fees or other income related to the operation of partnerships or sponsorships. This does not alter the requirements for SBDCs to provide no-cost counseling to individual small businesses.
Section 6. Equity for Small Business Development Centers

This section eliminates the award of $500,000 of SBDC grant monies to reimburse the SBA for program administration while raising the amount of funding to $600,000 to be provided to the ASBDC for accreditation.

Section 7. Confidentiality requirements

This section prohibits the SBA from distributing and sharing SBDC client information with other parties and reinforces the Committee's longstanding efforts to ensure the confidentiality of the information that small businesses provide to SBDCs.

Section 8. Limitation on award of grants to Small Business Development Centers

This section prohibits entities other than institutions of higher education from becoming grantees under section 21. An exception is provided for current SBDC grantees who are not institutions of higher education. These institutions can continue to renew their status as a grantee until they no longer wish or the SBA determines that these grandfathered grantees are incapable of providing these services. Furthermore, a rule of construction is added to make it clear that while Women's Business Centers may not lead a center under the SBDC program, they may receive funds from lead centers and act as subgrantees.

Section 9. Management of program activities

This section requires SBA to work in partnership with the SBDC program to determine program functions and services to ensure that the program best meets the needs of individual state networks and the national small business economy.

Section 10. Authorization of appropriations

This section authorizes appropriations in the amount of $175 million for each fiscal year through 2023.

VII. CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

At the time H.R. 4405 was reported to the House, the Congressional Budget Office had not provided a cost-estimate.

VIII. UNFUNDED MANDATES

H.R. 4406 contains no intergovernmental or private sector mandates as defined in the Unfunded Mandates Reform Act, Public Law No. 104–4, and would impose no costs on state, local, or tribal governments.

IX. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. While the Committee has not received an estimate of new budget authority contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant
to § 402 of the Congressional Budget Act of 1974, the Committee
does not believe that there will be any additional costs attributable
to this legislation because all authorizations would be subject to fu-
ture appropriation action.

X. OVERSIGHT FINDINGS

In accordance with clause 2(b)(1) of rule X of the Rules of the
House, the oversight findings and recommendations of the Com-
mittee on Small Business with respect to the subject matter con-
tained in H.R. 4406 are incorporated into the descriptive portions
of this report.

XI. STATEMENT OF CONSTITUTIONAL AUTHORITY

Pursuant to clause 7 of rule XII of the Rules of the House of Rep-
resentatives, the Committee finds the authority for this legislation

XII. CONGRESSIONAL ACCOUNTABILITY ACT

H.R. 4406 does not relate to the terms and conditions of employ-
ment or access to public services or accommodations within the
meaning of §102(b)(3) of Public Law No. 104–1.

XIII. FEDERAL ADVISORY COMMITTEE ACT STATEMENT

H.R. 4406 does not establish or authorize the establishment of
any new advisory committees as that term is defined in the Federal
Advisory Committee Act, 5 U.S.C. App.2.

XIV. STATEMENT OF NO EARMARKS

Pursuant to clause 9 of rule XXI, H.R. 4406 does not contain any
congressional earmarks, limited tax benefits, or limited tariff bene-
fits as defined in subsections (d), (e), or (f) of clause 9 of rule XXI

XV. STATEMENT OF DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3 of rule XIII of the Rules of the House, no
provision of H.R. 4406 establishes or reauthorizes a program of the
federal government known to be duplicative of another federal pro-
gram, a program that was included in any report from the United
States Government Accountability Office pursuant to § 21 of Pub.
L. No. 111–139, or a program related to a program identified in the
most recent catalog of federal domestic assistance.

XVI. DISCLOSURE OF DIRECTED RULEMAKINGS

Pursuant to clause 3 of rule XIII of the Rules of the House, H.R.
4406 does not direct any rulemaking.

XVII. PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XII of the Rules of the House,
the Committee establishes the following performance-related goals
and objectives for this legislation:

By authorizing funding for the SBDC program through FY2023
and adding an annual reporting requirement, H.R. 4406 modern-
izes and strengthens the SBDC network, and increases the general awareness of the SBDC program and services.

XVIII. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause (E) of rule XIII of the Rules of the House, changes in existing law made by the bill, as reported, as shown as follows: existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, and existing law in which no change is proposed is shown in roman:

The Administration shall require any applicant for a small business development center grant with performance commencing on or after January 1, 1992 to have its own budget and to primarily utilize institutions of higher education (and women’s business centers operating pursuant to section 29) to provide services to the small business community. The term of
such grants shall be made on a calendar year basis or to coincide with the Federal fiscal year.

(2) COOPERATION TO PROVIDE INTERNATIONAL TRADE SERVICES.—

(A) INFORMATION AND SERVICES.—The small business development centers shall work in close cooperation with the Administration’s regional and local offices, the Department of Commerce, appropriate Federal, State and local agencies (including State trade agencies), and the small business community to serve as an active information dissemination and service delivery mechanism for existing trade promotion, trade finance, trade adjustment, trade remedy and trade data collection programs of particular utility for small businesses.

(B) COOPERATION WITH STATE TRADE AGENCIES AND EXPORT ASSISTANCE CENTERS.—A small business development center that counsels a small business concern on issues relating to international trade shall—

(i) consult with State trade agencies and Export Assistance Centers to provide appropriate services to the small business concern; and

(ii) as necessary, refer the small business concern to a State trade agency or an Export Assistance Center for further counseling or assistance.

(C) DEFINITION.—In this paragraph, the term “Export Assistance Center” has the same meaning as in section 22.

(3) The Small Business Development Center Program shall be under the general management and oversight of the Administration for the delivery of programs and services to the small business community. Such programs and services shall be jointly developed, negotiated, and agreed upon with the full participation of all parties (including the association authorized in subparagraph (A)), and carried out pursuant to an executed cooperative agreement between the Small Business Development Center applicant and the Administration.

(A) Small business development centers are authorized to form an association to pursue matters of common concern. If more than a majority of the small business development centers which are operating pursuant to agreements with the Administration are members of such an association, the Administration is authorized and directed to recognize the existence and activities of such an association and to consult with it and negotiate the development of documents (i) announcing the annual scope of activities pursuant to this section, (ii) requesting proposals to deliver assistance as provided in this section, (iii) governing the general operations and administration of the Small Business Development Center Program, specifically including the development of regulations and a uniform negotiated cooperative agreement for use on an annual basis when entering into individual negotiated agreements with small business development centers, and (iv) governing data collection activities related to applicants receiving grants under this section.

(B) Provisions governing audits, cost principles and administrative requirements for Federal grants, contracts and cooperative agreements which are included in uniform requirements of Office
of Management and Budget (OMB) Circulars shall be incorporated by reference and shall not be set forth in summary or other form in regulations.

(C) [Whereas] On an annual basis, the Small Business Development Center Program shall review and coordinate public and private partnerships and cosponsorships with the Administration for the purpose of more efficiently leveraging available resources on a national and a State basis.

(D) FEES FROM PRIVATE PARTNERSHIPS AND COSPONSORSHIPS.—
A small business development center that participates in a private partnership or cosponsorship, in which the Administrator or designee of the Administrator also participates, may collect fees or other income related to the operation of such private partnership or cosponsorship.

(4) SMALL BUSINESS DEVELOPMENT CENTER PROGRAM LEVEL.—

(A) IN GENERAL.—The Administration shall require as a condition of any grant (or amendment or modification thereof) made to an applicant under this section, that a matching amount (excluding any fees collected from recipients of such assistance) equal to the amount of such grant be provided from sources other than the Federal Government, to be comprised of not less than 50 percent cash and not more than 50 percent of indirect costs and in-kind contributions.

(B) RESTRICTION.—The matching amount described in subparagraph (A) shall not include any indirect costs or in-kind contributions derived from any Federal program.

(C) FUNDING FORMULA.—

(i) IN GENERAL.—Subject to clause (iii), the amount of a formula grant received by a State under this subparagraph shall be equal to an amount determined in accordance with the following formula:

(I) The annual amount made available under section 20(a) for the Small Business Development Center Program, less any reductions made for expenses authorized by clause (v) of this subparagraph, shall be divided on a pro rata basis, based on the percentage of the population of each State, as compared to the population of the United States.

(II) If the pro rata amount calculated under subclause (I) for any State is less than the minimum funding level under clause (iii), the Administration shall determine the aggregate amount necessary to achieve that minimum funding level for each such State.

(III) The aggregate amount calculated under subclause (II) shall be deducted from the amount calculated under subclause (I) for States eligible to receive more than the minimum funding level. The deductions shall be made on a pro rata basis, based on the population of each such State, as compared to the total population of all such States.

(IV) The aggregate amount deducted under subclause (III) shall be added to the grants of those States that are not eligible to receive more than the minimum funding level in order to achieve the minimum
funding level for each such State, except that the eligible amount of a grant to any State shall not be reduced to an amount below the minimum funding level.

(ii) GRANT DETERMINATION.—The amount of a grant that a State is eligible to apply for under this subparagraph shall be the amount determined under clause (i), subject to any modifications required under clause (iii), and shall be based on the amount available for the fiscal year in which performance of the grant commences, but not including amounts distributed in accordance with clause (iv). The amount of a grant received by a State under any provision of this subparagraph shall not exceed the amount of matching funds from sources other than the Federal Government, as required under subparagraph (A).

(iii) MINIMUM FUNDING LEVEL.—The amount of the minimum funding level for each State shall be determined for each fiscal year based on the amount made available for that fiscal year to carry out this section, as follows:

(I) If the amount made available is not less than $81,500,000 and not more than $90,000,000, the minimum funding level shall be $500,000.

(II) If the amount made available is less than $81,500,000, the minimum funding level shall be the remainder of $500,000 minus a percentage of $500,000 equal to the percentage amount by which the amount made available is less than $81,500,000.

(III) If the amount made available is more than $90,000,000, the minimum funding level shall be the sum of $500,000 plus a percentage of $500,000 equal to the percentage amount by which the amount made available exceeds $90,000,000.

(iv) DISTRIBUTIONS.—Subject to clause (iii), if any State does not apply for, or use, its full funding eligibility for a fiscal year, the Administration shall distribute the remaining funds as follows:

(I) If the grant to any State is less than the amount received by that State in fiscal year 2000, the Administration shall distribute such remaining funds, on a pro rata basis, based on the percentage of shortage of each such State, as compared to the total amount of such remaining funds available, to the extent necessary in order to increase the amount of the grant to the amount received by that State in fiscal year 2000, or until such funds are exhausted, whichever first occurs.

(II) If any funds remain after the application of subclause (I), the remaining amount may be distributed as supplemental grants to any State, as the Administration determines, in its discretion, to be appropriate, after consultation with the association referred to in subsection (a)(3)(A).

(v) USE OF AMOUNTS.—

(I) IN GENERAL.—Of the amounts made available in any fiscal year to carry out this section—
[(aa) not more than $500,000 may be used by the Administration to pay expenses enumerated in subparagraphs (B) through (D) of section 20(a)(1); and

(bb) not more than $500,000 may be used by the Administration to pay the examination expenses enumerated in section 20(a)(1)(E).]

(I) IN GENERAL.—Of the amounts made available in any fiscal year to carry out this section, not more than $600,000 may be used by the Administration to pay expenses enumerated in subparagraphs (B) through (D) of section 20(a)(1).

(II) LIMITATION.—No funds described in subclause (I) may be used for examination expenses under section 20(a)(1)(E) if the usage would reduce the amount of grants made available under clause (ii)(I) of this subparagraph to less than $85,000,000 (after excluding any amounts provided in appropriations Acts, or accompanying report language, for specific institutions or for purposes other than the general small business development center program) or would further reduce the amount of such grants below such amount.

(vi) EXCLUSIONS.—Grants provided to a State by the Administration or another Federal agency to carry out subsection (a)(6) or (c)(3)(G), or for supplemental grants set forth in clause (iv)(II) of this subparagraph, shall not be included in the calculation of maximum funding for a State under clause (ii) of this subparagraph.

(vii) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this subparagraph—

(I) $175,000,000 for fiscal years 2020 through 2023

(II) $130,000,000 for fiscal year 2005; and

(III) $135,000,000 for fiscal year 2006.

(viii) LIMITATION.—From the funds appropriated pursuant to clause (vii), the Administration shall reserve not less than $1,000,000 in each fiscal year to develop portable assistance for startup and sustainability non-matching grant programs to be conducted by eligible small business development centers in communities that are economically challenged as a result of a business or government facility downsizing or closing, which has resulted in the loss of jobs or small business instability. A non-matching grant under this clause shall not exceed $100,000, and shall be used for small business development center personnel expenses and related small business programs and services.

(ix) STATE DEFINED.—In this subparagraph, the term “State” means each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa.

(5) FEDERAL CONTRACTS WITH SMALL BUSINESS DEVELOPMENT CENTERS.—

(A) IN GENERAL.—Subject to the conditions set forth in subparagraph (B), a small business development center may enter
into a contract with a Federal department or agency to provide specific assistance to small business concerns.

(B) CONTRACT PREREQUISITES.—Before bidding on a contract described in subparagraph (A), a small business development center shall receive approval from the Associate Administrator of the small business development center program of the subject and general scope of the contract. Each approval under subparagraph (A) shall be based upon a determination that the contract will provide assistance to small business concerns and that performance of the contract will not hinder the small business development center in carrying out the terms of the grant received by the small business development center from the Administration.

(C) EXEMPTION FROM MATCHING REQUIREMENT.—A contract under this paragraph shall not be subject to the matching funds or eligibility requirements of paragraph (4).

(D) ADDITIONAL PROVISION.—Notwithstanding any other provision of law, a contract for assistance under this paragraph shall not be applied to any Federal department or agency's small business, woman-owned business, or socially and economically disadvantaged business contracting goal under section 15(g).

(6) Any applicant which is funded by the Administration as a Small Business Development Center may apply for an additional grant to be used solely to assist—

(A) with the development and enhancement of exports by small business concerns;

(B) in technology transfer; and

(C) with outreach, development, and enhancement of minority-owned small business startups or expansions, HUBZone small business concerns, veteran-owned small business startups or expansions, and women-owned small business startups or expansions, in communities impacted by base closings or military or corporate downsizing, or in rural or underserved communities;

as provided under subparagraphs (B) through (G) of subsection (c)(3). Applicants for such additional grants shall comply with all of the provisions of this section, including providing matching funds, except that funding under this paragraph shall be effective for any fiscal year to the extent provided in advance in appropriations Acts and shall be in addition to the dollar program limitations specified in paragraphs (4) and (5). No recipient of funds under this paragraph shall receive a grant which would exceed its pro rata share of a $15,000,000 program based upon the populations to be served by the Small Business Development Center as compared to the total population of the United States. The minimum amount of eligibility for any State shall be $100,000.

(7) PRIVACY REQUIREMENTS.—

(A) IN GENERAL.—A small business development center, consortium of small business development centers, or contractor or agent of a small business development center may not disclose the name, address, telephone number, or email address of any individual or small business concern receiving assistance under this
section, or the nature or content of such assistance, to any State, local, or Federal agency, or to any third party without the consent of such individual or small business concern, unless—

(i) the Administrator is ordered to make such a disclosure by a court in any civil or criminal enforcement action initiated by a Federal or State agency; or

(ii) the Administrator considers such a disclosure to be necessary for the purpose of conducting a financial audit of a small business development center, but a disclosure under this clause shall be limited to the information necessary for such audit.

(B) ADMINISTRATOR USE OF INFORMATION.—This section shall not—

(i) restrict Administrator access to program activity data; or

(ii) prevent the Administrator from using client information to conduct client surveys.

(C) REGULATIONS.—

(i) IN GENERAL.—The Administrator shall issue regulations to establish standards—

(I) for disclosures with respect to financial audits under subparagraph (A)(ii); and

(II) for client surveys under subparagraph (B)(ii), including standards for oversight of such surveys and for dissemination and use of client information.

(ii) MAXIMUM PRIVACY PROTECTION.—Regulations under this subparagraph, shall, to the extent practicable, provide for the maximum amount of privacy protection.

(iii) INSPECTOR GENERAL.—Until the effective date of regulations under this subparagraph, any client survey and the use of such information shall be approved by the Inspector General who shall include such approval in his semi-annual report.

(8) CYBERSECURITY ASSISTANCE.—

(A) IN GENERAL.—The Department of Homeland Security, and any other Federal department or agency in coordination with the Department of Homeland Security, may leverage small business development centers to provide assistance to small business concerns by disseminating information relating to cybersecurity risks and other homeland security matters to help small business concerns in developing or enhancing cybersecurity infrastructure, awareness of cyber threat indicators, and cyber training programs for employees.

(B) DEFINITIONS.—In this paragraph, the terms “cybersecurity risk” and “cyber threat indicator” have the meanings given such terms, respectively, under section 2209(a) of the Homeland Security Act of 2002.

(b)(1) Financial assistance shall not be made available to any applicant if approving such assistance would be inconsistent with a plan for the area involved which has been adopted by an agency recognized by the State government as authorized to do so and ap-
proved by the Administration in accordance with the standards and
requirements established pursuant to this section.

(2) An applicant may apply to participate in the program by sub-
mitting to the Administration for approval a plan naming those au-
thorized in subsection (a) to participate in the program, the geo-
graphic area to be served, the services that it would provide, the
method for delivering services, a budget, and any other information
and assurances the Administration may require to insure that the
applicant will carry out the activities eligible for assistance. The
Administration is authorized to approve, conditionally approve or
reject a plan or combination of plans submitted. In all cases, the
Administration shall review plans for conformity with the plan sub-
mitted pursuant to paragraph (1) of this subsection, and with a
view toward providing small business with the most comprehensive
and coordinated assistance in the State or part thereof to be
served.

(3) ASSISTANCE TO OUT-OF-STATE SMALL BUSINESS CON-
