R E P O R T

[To accompany H.R. 1088]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 1088) to authorize the Society of the First Infantry Division to make modifications to the First Division Monument located on Federal land in Presidential Park in District of Columbia, and for other purposes, having considered the same, report favorably thereon with amendments and recommend that the bill as amended do pass.

The amendments are as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

SEC. 2. MODIFICATION TO FIRST DIVISION MONUMENT.

(a) **AUTHORIZATION.**—The Society of the First Infantry Division (an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from taxation under section 501(a) of that code), may make modifications (including construction of additional plaques and stone plinths on which to put the plaques) to the First Division Monument located on Federal land in President’s Park in the District of Columbia that was set aside for memorial purposes of the First Infantry Division, in order to honor the members of the First Infantry Division who paid the ultimate sacrifice during United States operations, including Operation Desert Storm, Operation Iraqi Freedom and New Dawn, and Operation Enduring Freedom. The First Infantry Division at the Department of the Army shall collaborate with the Department of Defense to provide to the Society of the First Infantry Division the list of names to be added.

(b) **NON-APPLICATION OF COMMEMORATIVE WORKS ACT.**—Subsection (b) of section 8903 of title 40, United States Code (commonly known as the “Commemorative Works Act”), shall not apply to actions taken under subsection (a) of this section.

(c) FUNDING.—Federal funds may not be used to pay any expense of the activities of the Society of the First Infantry Division which are authorized by this section.

Amend the title so as to read:

A bill to authorize the Society of the First Infantry Division to make modifications to the First Division Monument located on Federal Land in President’s Park in the District of Columbia, and for other purposes.

PURPOSE OF THE BILL

The purpose of H.R. 1088 is to authorize the Society of the First Infantry Division to make modifications to the First Division Monument located on federal land in President’s Park in the District of Columbia, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

Members of the First Division, also known as “The Big Red One” and “The Fighting First,”¹ were the first American troops to arrive in France, in June 1917,² and the last American combat troops to leave Europe, in August 1919.³ General John Pershing lauded the First Division by writing, “The Commander-in-Chief has noted in this Division a special pride of service and a high state of morale, never broken by hardship nor battle.”⁴

The First Division Monument was dedicated on October 4, 1924, in President’s Park, southwest of the White House, to honor the 5,516 soldiers of the First Division who lost their lives during World War I.⁵ On August 24, 1957, an addition to the monument was dedicated in honor of the 4,325 soldiers of the First Infantry Division who died in World War II.⁶ The monument also received additions for the First Infantry Division soldiers who died in the Vietnam War and in Operation Desert Storm.⁷

H.R. 1088 authorizes further additions to the monument to include the names of the more than 13,000 soldiers of the First Infantry Division who paid the ultimate sacrifice during U.S. military operations, including Operation Desert Storm, Operation Iraqi Freedom and New Dawn, and Operation Enduring Freedom. The legislation prohibits the use of federal funds to alter the monument

H.R. 1088 would authorize the Society of the First Infantry Division, a nonprofit organization, to modify the First Division Monument located on federal land in President's Park in Washington, D.C. Under the bill the Department of the Army would provide a list of names of the soldiers killed in recent military operations that the Society of the First Infantry Division would add to commemorative plaques and stone plinths at the monument.

CBO estimates that implementing H.R. 1088 would have an insignificant cost over the 2019–2024 period; any spending would be subject to the availability of appropriated funds. Costs would be incurred by the Department of the Army to gather and provide the list of soldiers' names to the Society of the First Infantry Division; under the bill, no federal funding would be provided to the society to carry out the modifications to the monument.

The CBO staff contact for this estimate is David Hughes. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goals and objectives of this bill are to authorize the Society of the First Infantry Division to make modifications to the First Division Monument located on federal land in President's Park in the District of Columbia.
