PURPOSE AND SUMMARY

H.R. 4727, the “Department of Homeland Security Mentor-Protégé Program Act of 2019,” encourages large business prime contractors to mentor small businesses to help position them to effectively compete for future federal government contracts.
This bill seeks to authorize the Department of Homeland Security’s (DHS) mentor protégé program in which large business prime contractors (mentor firms) provide assistance to small businesses (protégé firms). The mentor protégé program has been in existence at DHS since 2003 but has not been codified in law. Today, the mentor protégé program incentivizes large businesses to provide developmental assistance and subcontracting opportunities to small businesses. Mentor firms are encouraged to offer technical, managerial, and financial assistance to protégé firms through incentives, such as additional credit when being evaluated for future DHS contracts. The firms participating in the program commit to working in a mentor/protégé relationship for a period of no less than three years, fostering the establishment of long-term business relationships between large and small businesses. To ensure that Congress monitors the effectiveness of the program, the bill requires DHS to report annually to Congress on program participation, including the benefits provided to small business participants.

BACKGROUND AND NEED FOR LEGISLATION

The Federal trend towards favoring government-wide vehicles for procurements has implications on the availability of contracting opportunities for small businesses. While government-wide small business contracting goals as a percentage of overall procurements are generally met, the number of small businesses receiving prime contracts hit a 10 year low in 2018. Specifically, Federal agencies awarded contracts to 32 percent fewer small businesses in fiscal year 2018 than in fiscal year 2009. In contrast, the number of large vendors only fell by 4 percent. The mentor protégé program is necessary to increase the ability of small businesses to compete for prime contracts and foster innovation and job growth. Building the capacity of small businesses increases the pool of qualified vendors to fulfill the Department of Homeland Security’s contracting needs and enhance America’s security.

COMMITTEE CONSIDERATION

The Committee met on October 23, 2019, with a quorum being present, to consider H.R. 4727 and ordered the measure to be reported to the House with a favorable recommendation, without amendment, by unanimous consent.

COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto.

No recorded votes were requested during consideration of H.R. 4727.

COMMITTEE OVERSIGHT FINDINGS

In compliance with clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee advises that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated in the descriptive portions of this report.

CONGRESSIONAL BUDGET OFFICE ESTIMATE NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

With respect to the requirements of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974 and with respect to requirements of clause (3)(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has requested but not received a cost estimate for this bill from the Director of Congressional Budget Office.

FEDERAL MANDATES STATEMENT

An estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act was not made available to the Committee in time for the filing of this report. The Chairman of the Committee shall cause such estimate to be printed in the Congressional Record upon its receipt by the Committee.

DUPLICATIVE FEDERAL PROGRAMS

Pursuant to clause 3(c) of rule XIII, the Committee finds that H.R. 4727 does not contain any provision that establishes or reauthorizes a program known to be duplicative of another Federal program.

PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the objective of H.R. 4727 is to increase the
ability of small businesses to compete for federal government contracts and thereby expand the pool of qualified vendors to fulfill the Department of Homeland Security’s contracting needs.

**ADVISORY ON EARMARKS**

In compliance with rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(d), 9(e), or 9(f) of the rule XXI.

**SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION**

*Section 1. Short title*

This section provides that this bill may be cited as the “Department of Homeland Security Mentor-Protégé Program Act of 2019.”

*Sec. 2. Department of Homeland Security mentor-protégé program*

This section amends title VIII of the Homeland Security Act of 2002 to authorize a mentor protégé program within the Department of Homeland Security (DHS or Department) under which a mentor firm enters into an agreement with a protégé firm for the purpose of assisting the protégé firm to compete for prime contracts and subcontracts of the Department.

This section requires the Secretary of Homeland Security to:

1. establish eligibility criteria for mentor and protégé firms; and
2. establish a process for mentor and protégé firms to jointly submit applications to participate in the program that include—
   a. a description of the assistance to be provided by the mentor firm;
   b. a schedule with milestones to achieve the assistance to be provided;
   c. an estimate of the costs to be incurred by the mentor firm for providing assistance;
   d. a commitment to submit reports to the Secretary to assist in evaluating the protégé’s developmental progress; and
   e. a commitment to inform the Secretary of a change in participation eligibility or voluntary withdrawal.

This section also requires the head of DHS’s Office of Small and Disadvantaged Business Utilization to notify applicants of approval or disapproval, and in the case of disapproval, the process for re-submitting an application. The head of the Office of Small and Disadvantaged Business Utilization may rescind the approval of an application if in the best interest of the Department.

This section requires that mentor and protégé firms participate in the program for not less than 36 months. This section allows mentor firms to receive benefits including evaluation credit during the selection process when competing for DHS contracts. A protégé firm may receive technical, managerial, financial, or any other mutually agreed upon benefits from a mentor firm, including a subcontract award. Further, the Secretary may identify additional benefits to be provided.

Not later than one year after the date of the enactment of this Act, and annually thereafter, the head of the Office of Small and Disadvantaged Business Utilization shall submit to the Commit-
tees on Homeland Security and Small Business of the House of Representatives a report that:

(1) identifies each agreement between a mentor firm and a protégé firm, including the number of protégé firms that are small business concerns, small business concerns owned and controlled by veterans, small business concerns owned and controlled by service-disabled veterans, qualified HUBZone small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, women-owned small business concerns, historically Black colleges and universities, and minority institutions of higher education;

(2) describes the type of assistance provided by mentor firms;

(3) identifies contracts within the Department in which a mentor firm serving as the prime contractor provided subcontracts to a protégé firm under the mentor-protégé program; and

(4) assesses the degree to which there has been—

(a) an increase in the technical capabilities of protégé firms; and

(b) an increase in the quantity and estimated value of prime contract and subcontract awards to protégé firms for the period covered by the report.

The bill encourages the participation of Historically Black Colleges and Universities in the program, as is allowed in other mentor-protégé programs at other Federal agencies, such as the National Aeronautics and Space Administration. The Committee believes that this program, as strengthened under this Act, can help reverse the downward trend in the number of small businesses participating in federal contracting.6

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (new matter is printed in italic and existing law in which no change is proposed is shown in roman):
