EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes waivers of the following:

- Clause 12(b) of rule XXI, which prohibits consideration of a bill unless there is a searchable electronic comparative print that shows how the text of the bill as proposed to be considered differs from the text of the bill as reported.
- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.
- Clause 10 of rule XXI, which prohibits consideration of a measure that has a net effect of increasing the deficit or reducing the surplus over the five- or 10-year period.

The waiver of all points of order against provisions, as amended, in the bill includes waivers of the following:

- Clause 2(c) of rule XXI, which prohibits consideration of amendments to an appropriations bill if it changes existing law.
- Clause 2(e) of rule XXI, which permits only non-emergency appropriations and spending cuts in bills designated as emergency appropriations bills.

The waiver of all points of order against the amendments printed in part B of this report or against amendments en bloc described in section 3 of the resolution includes a waiver of clause 2(c) of rule XXI, which requires that limitation amendments be offered at the end of the bill. The waiver is necessary because the limitation amendments printed in this report will be offered at the end of each division.
