HEARINGS

For the purposes of section 103(i) of H. Res. 6 of the 116th Congress—the following hearing was used to develop or consider S. 212: oversight hearing entitled “Reviewing the Broken Promises Report: Examining the Chronic Federal Funding Shortfalls in Indian Country” by the Subcommittee for Indigenous Peoples of the United States held on November 19, 2019.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. *Cost of Legislation and the Congressional Budget Act.* With respect to the requirements of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974 and with respect to requirements of clause (3)(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has requested but not received a cost estimate for this bill from the Director of Congressional Budget Office. The Committee adopts as its own cost estimate the forthcoming cost estimate of the Director of the Congressional Budget Office, should

to slightly revise the scope of a study that the bill requires the Government Accountability Office to conduct.

²An identical House companion bill, H.R. 1937, was introduced on March 27, 2019, by Representative Norma Torres (D–CA).

³S. REP. NO. 116–28 (2019), <https://www.congress.gov/116/crpt/srpt28/CRPT-116srpt28.pdf>.

such cost estimate be made available before House passage of the bill.

The Committee has requested but not received from the Director of the Congressional Budget Office a statement as to whether this bill contains any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

CBO estimated that the bill, as reported by the Senate Committee on Indian Affairs, would not have any net deficit effect.⁴ The bill was subsequently amended by the full Senate only to slightly revise the scope of a Government Accountability Office study, so the House Committee on Natural Resources does not anticipate that an updated CBO estimate will find differently.

2. *General Performance Goals and Objectives.* As required by clause 3(c)(4) of rule XIII, the general performance goals and objectives of this bill are to amend the Native American Business Development, Trade Promotion, and Tourism Act of 2000, the Buy Indian Act, and the Native American Programs Act of 1974 to provide industry and economic development opportunities to Indian communities.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

UNFUNDED MANDATES REFORM ACT STATEMENT

An estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act (UMRA) was not made available to the Committee in time for the filing of this report. The Chair of the Committee shall cause such estimate to be printed in the Congressional Record upon its receipt by the Committee.

CBO estimated that the bill, as reported by the Senate Committee on Indian Affairs, did not contain any unfunded mandates as defined by UMRA.⁵ The bill was subsequently amended by the full Senate only to slightly revise the scope of a Government Accountability Office study, so the House Committee on Natural Resources does not anticipate that an updated CBO estimate will find differently.

EXISTING PROGRAMS

This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139. The bill would reauthorize the Department of Commerce Office of Native American Business Development (ONABD), which is empowered to award grants. However, funds have never been appropriated for the ONABD, so the Catalog of Federal Do-

mestic Assistance published pursuant to 31 U.S.C. § 6104 has not identified any programs as related. The Department of Health and Human Services Administration for Native Americans (ANA) Native American Programs (CFDA No. 93.612) reauthorized by this bill is related and complementary to, but not duplicative of, the following programs identified in the most recent Catalog of Federal Domestic Assistance published pursuant to 31 U.S.C. § 6104: Improving the Capability of Indian Tribal Governments to Regulate Environmental Quality (CFDA No. 93.581) and Promote the Survival and Continuing Vitality of Native American Languages (CFDA No. 93.587). The latter program, which is also reauthorized by this bill, is itself related and complementary to, but not duplicative of, the following programs identified in the most recent Catalog of Federal Domestic Assistance published pursuant to 31 U.S.C. § 6104: Improving the Capability of Indian Tribal Governments to Regulate Environmental Quality (CFDA No. 93.581) and Native American Programs (CFDA No. 93.612).

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

PREEMPTION OF STATE, LOCAL, OR TRIBAL LAW

Any preemptive effect of this bill over state, local, or tribal law is intended to be consistent with the bill's purposes and text and the Supremacy Clause of Article VI of the U.S. Constitution.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italics, and existing law in which no change is proposed is shown in roman):

NATIVE AMERICAN BUSINESS DEVELOPMENT, TRADE PROMOTION, AND TOURISM ACT OF 2000

SECTION 1. SHORT TITLE.

This Act may be cited as the “Native American Business Development, Trade Promotion, and Tourism Act of 2000”.

SEC. 2. FINDINGS; PURPOSES.

(a) FINDINGS.—Congress finds that—

(1) clause 3 of section 8 of article I of the United States Constitution recognizes the special relationship between the United States and Indian [tribes] *Tribes*;

(2) beginning in 1970, with the inauguration by the Nixon Administration of the Indian self-determination era, each President has reaffirmed the special government-to-government relationship between Indian [tribes] *Tribes* and the United States;

(3) in 1994, President Clinton issued an Executive memorandum to the heads of departments and agencies that obligated all Federal departments and agencies, particularly those that have an impact on economic development, to evaluate the potential impacts of their actions on Indian [tribes] *Tribes*;

(4) consistent with the principles of inherent [tribal] *Tribal* sovereignty and the special relationship between Indian [tribes] *Tribes* and the United States, Indian [tribes] *Tribes* retain the right to enter into contracts and agreements to trade freely, and seek enforcement of treaty and trade rights;

(5) Congress has carried out the responsibility of the United States for the protection and preservation of Indian [tribes] *Tribes* and the resources of Indian [tribes] *Tribes* through the endorsement of treaties, and the enactment of other laws, including laws that provide for the exercise of administrative authorities;

(6) the United States has an obligation to guard and preserve the sovereignty of Indian [tribes] *Tribes* in order to foster strong [tribal] *Tribal* governments, Indian self-determination, and economic self-sufficiency among Indian [tribes] *Tribes*;

(7) the capacity of Indian [tribes] *Tribes* to build strong [tribal] *Tribal* governments and vigorous economies is hindered by the inability of Indian [tribes] *Tribes* to engage communities that surround Indian lands and outside investors in economic activities on Indian lands;

(8) despite the availability of abundant natural resources on Indian lands and a rich cultural legacy that accords great value to self-determination, self-reliance, and independence, Native Americans suffer higher rates of unemployment, poverty, poor health, substandard housing, and associated social ills than those of any other group in the United States;

(9) the United States has an obligation to assist Indian [tribes] *Tribes* with the creation of appropriate economic and political conditions with respect to Indian lands to—

(A) encourage investment from outside sources that do not originate with the [tribes] *Tribes*; and

(B) facilitate economic ventures with outside entities that are not [tribal] *Tribal* entities;

(10) the economic success and material well-being of Native American communities depends on the combined efforts of the Federal Government, [tribal] *Tribal* governments, the private sector, and individuals;

(11) the lack of employment and entrepreneurial opportunities in the communities referred to in paragraph (7) has resulted in a multigenerational dependence on Federal assistance that is—

(A) insufficient to address the magnitude of needs; and

(B) unreliable in availability; and

(12) the twin goals of economic self-sufficiency and political self-determination for Native Americans can best be served by making available to address the challenges faced by those groups—

(A) the resources of the private market;

(B) adequate capital; and

(C) technical expertise.

(b) PURPOSES.—The purposes of this Act are as follows:

(1) To revitalize economically and physically distressed Native American economies by—

(A) encouraging the formation of new businesses by eligible entities, and the expansion of existing businesses; and

(B) facilitating the movement of goods to and from Indian lands and the provision of services by Indians.

(2) To promote private investment in the economies of Indian **tribes Tribes** and to encourage the sustainable development of resources of Indian **tribes Tribes** and Indian-owned businesses.

(3) To promote the long-range sustained growth of the economies of Indian **tribes Tribes**.

(4) To raise incomes of Indians in order to reduce the number of Indians at poverty levels and provide the means for achieving a higher standard of living on Indian reservations.

(5) To encourage intertribal, regional, and international trade and business development in order to assist in increasing productivity and the standard of living of members of Indian **tribes Tribes** and improving the economic self-sufficiency of the governing bodies of Indian **tribes Tribes**.

(6) To promote economic self-sufficiency and political self-determination for Indian **tribes Tribes** and members of Indian **tribes Tribes**.

(c) APPLICABILITY TO INDIAN-OWNED BUSINESSES.—*The findings and purposes in subsections (a) and (b) shall apply to any Indian-owned business governed—*

(1) by Tribal laws regulating trade or commerce on Indian lands; or

(2) pursuant to section 5 of the Act of August 15, 1876 (19 Stat. 200, chapter 289; 25 U.S.C. 261).

(10) insure that all attorneys, while engaged in legal assistance activities supported in whole or in part by the Corporation, refrain from the persistent incitement of litigation and any other activity prohibited by the Canons of Ethics and Code of Professional Responsibility of the American Bar Association, and insure that such attorneys refrain from personal representation for a private fee in any cases in which they were involved while engaged in such legal assistance activities; and

(11) ensure that an indigent individual whose primary residence is subject to civil forfeiture is represented by an attorney for the Corporation in such civil action.

(b) No funds made available by the Corporation under this title, either by grant or contract, may be used—

(2) to provide legal assistance with respect to any criminal proceeding, except to provide assistance to a person charged with an offense in an Indian **[tribal]** *Tribal* court;

(3) to provide legal assistance in civil actions to persons who have been convicted of a criminal charge where the civil action arises out of alleged acts or failures to act and the action is brought against an officer of the court or against a law enforcement official for the purpose of challenging the validity of the criminal conviction;

(4) for any of the political activities prohibited in paragraph (6) of subsection (a) of this section;

(5) to make grants to or enter into contracts with any private law firm which expends 50 percent or more of its resources and time litigating issues in the board interests of a majority of the public;

(6) to support or conduct training programs for the purpose of advocating particular public policies or encouraging political activities, labor or antilabor activities, boycotts, picketing, strikes, and demonstrations, as distinguished from the dissemination of information about such policies or activities, except that this provision shall not be construed to prohibit the train-

(9) to provide legal assistance with respect to any proceeding or litigation relating to the desegregation of any elementary or secondary school or school system, except that nothing in this paragraph shall prohibit the provision of legal advice to an eligible client with respect to such client's legal rights and responsibilities;

(10) to provide legal assistance with respect to any proceeding or litigation arising out of a violation of the Military Selective Service Act or of desertion from the Armed Forces of the United States, except that legal assistance may be provided to an eligible client in a civil action in which such client alleges that he was improperly classified prior to July 1, 1973, under the Military Selective Service Act or prior corresponding law; or

(11) to provide legal assistance in a manner inconsistent with the Assisted Suicide Funding Restriction Act of 1997.

(c) In making grants or entering into contracts for legal assistance, the Corporation shall insure that any recipient organized solely for the purpose of providing legal assistance to eligible clients is governed by a body at least 60 percent of which consists of attorneys who are members of the bar of a State in which the legal assistance is to be provided (except that the Corporation (1) shall, upon application, grant waivers to permit a legal services program, supported under section 222(a)(3) of the Economic Opportunity Act of 1964, which on the date of enactment of this title has a majority of persons who are not attorneys on its policy-making board to continue such a nonattorney majority under the provisions of this title, and (2) may grant, pursuant to regulations issued by the Corporation, such a waiver for recipients which, because of the nature of the population they serve, are unable to comply with such requirement) and at least one-third of which consists of persons who are, when selected, eligible clients who may also be representatives of associations or organizations of eligible clients. Any such attorney, while serving on such board, shall not receive compensation from a recipient.

(d) The Corporation shall monitor and evaluate and provide for independent evaluations of programs supported in whole or in part under this title to insure that the provisions of this title and the bylaws of the Corporation and applicable rules, regulations, and guidelines promulgated pursuant to this title are carried out.

(e) The president of the Corporation is authorized to make grants and enter into contracts under this title.

(f) At least thirty days prior to the approval of any grant application or prior to entering into a contract or prior to the initiation of any other project, the Corporation shall announce publicly, and shall notify the Governor, the State bar association of any State, and the principal local bar associations (if there be any) of any community, where legal assistance will thereby be initiated, of such grant, contract, or project. The Honorable Raúl M. Grijalva
Chairman
Committee on Natural Resources
U.S. House of Representatives
1324 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Grijalva:

I write concerning S. 212, the *Indian Community Economic Enhancement Act of 2019*. This bill was primarily referred to the Committee on Natural Resources, and additionally to the Committee on Education and Labor. As a result of Leadership and the Committee on Natural Resources having consulted with me concerning this bill generally, I agree to forgo formal consideration of the bill so the bill may proceed expeditiously to the House floor.

The Committee on Education and Labor takes this action with our mutual understanding that by forgoing formal consideration of S. 212, we do not waive any jurisdiction over the subject matter contained in this or similar legislation, and we will be appropriately consulted and involved as the bill or similar legislation moves forward so we may address any remaining issues within our Rule X jurisdiction. I also request that you support my request to name members of the Committee on Education and Labor to any conference committee to consider such provisions.

Finally, I would appreciate a response confirming this understanding and ask that a copy of our exchange of letters on this matter be included in the committee report for S. 212 and in the *Congressional Record* during floor consideration thereof.

Sincerely,

ROBERT C. "BOBBY" SCOTT
