PURPOSE AND SUMMARY

H.R. 5616, the “DHS Basic Training Accreditation Improvement
 Act of 2021,” requires the Secretary of Homeland Security to report

to Congress on the accreditation status of each of the Department of Homeland Security's (DHS) basic training programs until all such programs achieve accreditation. For those programs that are not accredited, the Secretary must provide the reasons for not obtaining or maintaining accreditation, the activities, if any, taken to achieve accreditation, and the anticipated timeline for accreditation of the program. In addition, the bill directs DHS to engage in research and development to help State, local, Tribal, and Territorial law enforcement officers better access Federal Law Enforcement Training Centers (FLETC) training opportunities.

BACKGROUND AND NEED FOR LEGISLATION

Every year, DHS onboards thousands of new law enforcement officers within components such as U.S. Customs and Border Protection (CBP), Immigration and Customs Enforcement (ICE), and the Transportation Security Administration. All new hires must successfully complete law enforcement basic training programs. Basic training programs include the ICE Enforcement and Removal Operations Academy in Glynco, Georgia; the Secret Service's Basic Training Academy at the James J. Rowley Training Center in Beltsville, Maryland; and the U.S. Border Patrol Academy in Artesia, New Mexico.

During a hearing held on May 16, 2019, the Subcommittee on Oversight, Management, and Accountability heard testimony about the importance of accrediting basic training programs. According to the FLETC Director, Thomas J. Walters, accreditation "assigns rigor to [] training processes" and "results in the best product." Unfortunately, several DHS law enforcement basic training programs are not accredited including the U.S. Border Patrol Academy, CBP's Field Operations Academy Officer Basic Training Program, and U.S. Citizenship and Immigration Services' Officer Basic Training Program. In some cases, programs have been unaccredited for several years. For example, the Border Patrol Academy submitted an initial application in 2006 but did not pursue accreditation further.

The individuals joining the ranks of DHS's frontline components should receive the highest caliber training before they begin their careers as law enforcement officers. Achieving and maintaining accredited programs is essential to ensuring that such training is provided.

HEARING

For the purposes of clause 3(c)(6) of rule XIII of the Rules of the House of Representatives, the following hearing was used to develop H.R. 5616:

- On May 16, 2019, the Subcommittee on Oversight, Management, and Accountability held a hearing entitled, "Federal Law Enforcement Training Centers: Preparing America's Law Enforcement to Protect the Homeland." The Subcommittee received testimony from Thomas J. Walters, Director, FLETC, DHS; John Kelly, Acting Inspector General, Office of Inspector General, DHS; and Greg Davis, Captain, DPS Academy Training Coordinator, Texas Department of Public Safety.

COMMITTEE CONSIDERATION

The Committee met on October 26, 2021, a quorum being present, to consider H.R. 5616 and ordered the measure to be favorably reported to the House, without amendment, by voice vote.

COMMITTEE VOTES

Clause 3(b) of rule XIII requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto.

No recorded votes were requested during consideration of H.R. 5616.

COMMITTEE OVERSIGHT FINDINGS

In compliance with clause 3(c)(1) of rule XIII, the Committee advises that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X, are incorporated in the descriptive portions of this report.

CONGRESSIONAL BUDGET OFFICE ESTIMATE, NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

With respect to the requirements of clause 3(c)(2) of rule XIII and section 308(a) of the Congressional Budget Act of 1974, and with respect to the requirements of clause 3(c)(3) of rule XIII and section 402 of the Congressional Budget Act of 1974, the Committee adopts as its own the estimate of any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures contained in the cost estimate prepared by the Director of the Congressional Budget Office.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, January 19, 2022.

Hon. BENNIE G. THOMPSON,
*Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 5616, the DHS Basic Training Accreditation Improvement Act of 2021.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Lindsay Wylie.

PHILLIP L. SWAGEL,

Enclosure.

H.R. 5616, DHS Basic Training Accreditation Improvement Act of 2021			
As ordered reported by the House Committee on Homeland Security on October 26, 2021

* = between zero and \$500,000.			

H.R. 5616 would require the Department of Homeland Security (DHS) to report annually to the Congress on the accreditation status of all basic law enforcement training programs within the department. The reporting requirement would end after all programs are accredited. The bill also would require DHS to inform the Congress when a program's accreditation lapses. Additionally, the bill would require the DHS Science and Technology Directorate to carry out research and development to enhance state, local, tribal, and territorial law enforcement access to training on homeland security threats.

According to information from DHS, the department is currently carrying out research and development activities similar to those required in the bill. Furthermore, based on the cost of similar activities, CBO estimates that meeting the reporting requirements of the bill would cost DHS less than \$500,000 over the 2022–2026. Any such spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Lindsay Wylie. The estimate was reviewed by Leo Lex, Deputy Director of Budget Analysis.
