I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 6441, the “Women’s Business Centers Im-
 provements Act of 2022”, is to strengthen the Women’s Business
 Centers (WBC) program to ensure that women entrepreneurs

across the country have access to the vital counseling and technical training services to take them from startup to success.

II. BACKGROUND AND NEED FOR LEGISLATION

H.R. 6441 was introduced by Representatives Sharice Davids (D-KS) and Claudia Tenney (R-NY) on January 20, 2022. The bill amends section 29 of the Small Business Act to make numerous improvements to the WBC program.

WBCs are a critical component of the U.S. Small Business Administration's (SBA) entrepreneurial ecosystem. WBCs were created to assist small businesses primarily owned by women, many of whom are socially and economically disadvantaged. The WBC program funds more than 130 non-profit organizations that provide quality advising and training services primarily to women entrepreneurs.¹ Many of the WBCs provide multilingual services, maintain evening and weekend hours to accommodate clients who work full-time, and allow children to attend training sessions with their mothers.² In 2020, the WBC program increased their reach by 22 percent and advised and trained more than 82,000 entrepreneurs, and helped start and sustain over 30,000 small businesses.³

The WBC program has grown tremendously since its creation in 1988, but resource allocation has not kept up. Additionally, the cap on grants to individuals WBCs has not moved since the program's inception and remains at \$150,000. Adjusted for inflation, this is equivalent to approximately \$356,000. In order to reach more women entrepreneurs, the WBC program needs more resources. H.R. 6441 would not only increase the resources, but also require annual performance reports and an established accreditation program modeled after that of the America's Small Business Development Centers (SBDC) to ensure program consistency.

III. HEARINGS

In the 117th Congress, the Committee on Small Business, Subcommittee on Innovation, Entrepreneurship, and Workforce Development held a hearing on May 19, 2021, titled, "The Small Business Administration's Entrepreneurial Ecosystem: An Update and Next Steps with SBA's Resource Partners". During the hearing, Committee Members heard from SBA Resource Partners and a SBDC client.

Ms. Hodges, the CEO of the Association of Women's Business Centers (AWBC) spoke about the importance of Women's Business Centers (WBCs), particularly through the pandemic. Women-owned small businesses were particularly hard-hit throughout the pandemic and WBCs received a historic influx of requests for their services. She also testified about the work they did throughout the expansion of the program with the additional funding provided by the CARES Act and the physical expansion of the program to include 20 new WBCs across the country. In addition, Ms. Hodges spoke about the importance of reauthorizing the WBC program to

modernize and strengthen the program to meet the needs of today’s women-owned small businesses and entrepreneurs.

On June 15, 2021, the Committee held a hearing entitled, “Reversing the Decline in Women’s Entrepreneurship: Opportunities for Rebuilding the Economy” to highlight the impact the pandemic had on women-owned small businesses and how Congress can better support them moving forward. Ms. Turner, the Executive Director of the Kansas City Women’s Business Center, testified in support of reauthorizing the WBC program, particularly in regard to the modernization and formal accreditation process.

In addition, on October 6, 2021, the Committee held a hearing entitled, “SBA’s Entrepreneurial Development Programs” where the Assistant Administrator for SBA’s Office of Entrepreneurial Development, Mark Madrid, testified on the importance of SBA’s entrepreneurial programs. Specifically, Mr. Madrid testified that WBCs are more important than ever as women business owners have been disproportionately impacted by the pandemic. Mr. Madrid stated that the Office of Entrepreneurial Development is urgently working to support the program and continue expanding it to more communities.

IV. COMMITTEE CONSIDERATION

The Committee on Small Business met in open session, with a quorum being present, on February 3, 2022, and ordered H.R. 6441 favorably reported to the House of Representatives. During the markup, no amendments were offered.

V. COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto. The Committee voted by voice vote to favorably report H.R. 6441 to the House at 10:29 A.M.

VI. SECTION-BY-SECTION FOR H.R. 6441

Section 1. Short title

This Act may be cited as the “Women’s Business Centers Improvement Act of 2022”.

Section 2. Amendments to Women’s Business Center Program

This section amends Section 29 of the Small Business Act (15 U.S.C. § 656).

Subsection (a)—Definitions.

This subsection defines key terms throughout the bill.

Subsection (b)—Authority.

This subsection gives the Administrator of the Small Business Administration (SBA) the authority to provide initial and continuation grants to eligible entities to operate Women’s Business Centers (WBCs) that will provide entrepreneurial counseling and training services for women, especially socially and economically disadvantaged women. The services provided must include securing capital, financial operations, management, and marketing assistance.

This subsection also increases the maximum grant amount for each center to \$300,000 per year, and indexes for inflation. This is the first time since the program's creation that the cap is being raised. If the original cap (\$150,000) was indexed for inflation the grant amount would be approximately \$325,000 today. This increase will allow established WBCs to expand their reach to more women entrepreneurs in need. The term of the initial and continuation grants will be five years and there is no limitation on the number of continuation grants entities can receive.

Subsection (c)—Application.

This subsection sets forth the requirements for grant applications for initial or continuation grants. To receive a grant, an entity must submit in their application to the Administrator: a certification of designation of an executive director or program manager; a certification that they meet the Office of Management and Budget accounting and reporting requirements; information demonstrating the experience and effectiveness in providing entrepreneurial counseling and training; and a five-year plan demonstrating the ability of the WBC to serve women who are business owners or entrepreneurs and who are socially and economically disadvantaged. The Administrator is required to maintain a record of each application for five years, while taking steps to reduce the paperwork burden on applicants.

Subsection (d)—Selection of Eligible Entities.

This subsection adds requirements for SBA's review of grant applications, which include: experience in providing entrepreneurial counseling and training; the time needed to commence operations; program sustainability after five years; location and proximity to other Resource Partners; population density; and the capacity to meet accreditation standards. Further, this subsection requires SBA to establish regulations in accordance with the criteria to ensure that all eligible entities understand what would be required of them to receive a grant.

Subsection (e)—Matching Requirements.

This subsection sets forth the requirements for grants, which include the amount and form of matching funds, the solicitation and disbursements of funds, the failure to obtain matching funds, the waivers for the non-federal share, excess non-federal dollars, and the carryover of funds. For initial grants, WBCs must provide one dollar in matching funds for every two dollars received from SBA for the first two years of the grant. For the remainder of the initial grant and the entire term of the continuation grants, WBCs must provide one dollar for every federal dollar awarded by SBA. At least 50 percent of the matching funds must be in cash. This subsection allows the Administrator to waive, in whole or in part, the requirement to obtain non-federal funds for entrepreneurial counseling and training activities of the recipient of financial assistance. The Administrator may not waive the requirement for a recipient organization to obtain non-federal funds for more than one fiscal year.

This subsection also requires the Administrator to consider when determining whether to waive the requirement to obtain non-federal funds: the economic conditions affecting the recipient; the demonstrated ability of the recipient to raise non-federal funds; and the performance of the recipient. Further, to safeguard both the tax-

payer and the other WBC grant recipients, it prohibits the Administrator from waiving the requirement to obtain non-federal funds if granting the waiver would undermine the credibility of the WBC program.

Additionally, this subsection exempts the amount of non-federal dollars obtained by the WBC grant recipient that is above the amount required to be obtained, and which is not used as matching funds for purposes of implementing the program, from the requirements of part 200 of title 2, Code of Federal Regulations, or any successor regulation. This corrects a longstanding compliance challenge by which WBCs would be reluctant to raise additional funds as SBA would force them to include it as part of their budget even though that money was not being used for purposes of the match.

This subsection also allows WBCs to carryover excess non-federal dollars for an additional term in order to meet the federal match. These funds would be subject to the requirements of part 200 of title 2, Code of Federal Regulations.

Subsection (f)—Other Requirements.

This subsection prohibits eligible entities from commingling grant funds, requires site visits before receiving initial grants, and requires annual programmatic and financial reviews by SBA to ensure compliance with the grant agreements. This subsection also provides timelines for WBCs to provide plans of action to remedy any problems found through programmatic and financial examinations and timelines for SBA's acceptance or rejection of those plans.

This subsection also requires the Assistant Administrator of the Office of Women's Business Ownership (Assistant Administrator) to consult with the Association of Women's Business Centers (Association) in the development of documents with respect to the scope of the WBCs activities, requesting proposals to deliver assistance, and governing the general operations and administration of WBCs. Finally, this subsection requires the Assistant Administrator to develop and enforce policies and procedures to minimize grant non-compliance.

Subsection (g)—Program Examination.

This subsection requires the Administration to conduct programmatic and financial exams of the entities annually, and to consider the results of the examinations in determining whether to continue the awards. This subsection requires the Assistant Administrator to work with the Association to develop, implement, and maintain the policies and procedures for required financial examinations.

Subsection (h)—Notice and Comment Required.

This subsection requires a notice and comment period prior to making changes to the standards under which a WBC obtains and maintains grants, the standards for accreditation, or any other requirements for the operation of a WBC.

Subsection (i)—Contract Authority.

This subsection sets forth requirements for contract authority.

Subsection (j)—Privacy Requirements.

This subsection prescribes privacy requirements that prohibit WBCs from disclosing personal information including the name, address, or telephone number of clients without their consent. This does not prohibit SBA from accessing WBC data or surveying WBC clients.

Subsection (k)—Office of Women’s Business Ownership.

This subsection improves the Office of Women’s Business Ownership (OWBO), which is responsible for overseeing the WBC program. OWBO is overseen by the Assistant Administrator, and this subsection provides a mission for OWBO to assist women entrepreneurs, while clarifying the responsibilities and duties of the individual serving as the Assistant Administrator to ensure that the office’s mission is met. Specifically, this subsection directs the OWBO to work with Administration officials and collaborate with entities other than the Administration to ensure that the work of the WBC program coordinates effectively with the efforts of other federal government and private sector programs.

This subsection also requires the Administrator to establish, through notice and comment rulemaking, an accreditation program for the WBC program and allows the Administrator to provide a contract or financial assistance to an association which represents a majority of WBCs. While OWBO provides grants to various institutions for the establishment of WBCs across the country, there is little consistency in standards aside from meeting the requirements of the grant.

This subsection ensures that no matter which WBC an entrepreneur goes to across the country, each WBC will meet certain accreditation standards. Additionally, this subsection provides transition time so that a current WBC grantee, who does not engage in criminal activity or fraud, has time to become accredited and comply with the standards. This subsection also requires each WBC to participate in annual professional development at an annual conference facilitated by the Association.

Subsection (l)—Notification Requirements Under the Women’s Business Center Program.

This subsection requires SBA to provide public announcements of the grant’s availability. Further, it allows anyone denied a grant to review the denial with the Assistant Administrator. It requires any eligible entity who receives a site visit or evaluation to receive a copy of that report within 30 days of completion.

Subsection (m)—Annual Management Report.

This subsection requires the SBA to submit an annual report to the Senate and House Committees on Small Business on the effectiveness of the WBCs.

Subsection (n)—Authorization of Appropriations.

This subsection provides for an authorization for four years, FY2022 through FY2025, in the amount of \$31.5 million for each fiscal year. Of the amount made available, at least \$500,000 will be made available to carry out the accreditation requirements and conference costs.

Section. 3. Effect on existing grants

This section amends Section 29(m) to provide protections for existing WBCs and ensure that existing WBCs have adequate time to meet the new requirements provided within this bill.

Section. 4. Regulations

This section requires the Administrator, within 270 days, to promulgate rules as necessary to carry out section 29 of the Small Business Act, as amended by this bill.

VII. CONGRESSIONAL BUDGET COST ESTIMATE

The Committee has requested but not received a cost estimate from the Director of the Congressional Budget Office.

VIII. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

Pursuant to clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. While the Committee has not received an estimate of new budget authority contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to Sec. 402 of the Congressional Budget Act of 1974, the Committee does not believe that there will be any additional costs attributable to this legislation because all authorizations would be subject to future appropriation action.

IX. COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

In accordance with clause 3(c)(1) of rule XIII and clause 2(b)(1) of rule X of the Rules of the House of Representatives, the oversight findings and recommendations of the Committee on Small Business with respect to the subject matter contained in the H.R. 6411 are incorporated into the descriptive portions of this report.

X. STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

With respect to the requirements of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goals and objectives of H.R. 6441 is to strengthen the Women's Business Centers program by authorizing funding for the program for four years at \$31.5 million for each fiscal year, by requiring an annual report to measure the effectiveness of the program, and establishing an accreditation program to increase accountability.

XI. DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, no provision of H.R. 6441 is known to be duplicative of another Federal program, including any program that was included in a report to Congress pursuant to section 21 of Public Law 111-139 or the most recent Catalog of Federal Domestic Assistance.

XII. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee finds that the bill does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of rule XXI of the Rules of the House of Representatives.

XIII. FEDERAL MANDATES STATEMENT

An estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act was not made available to the Committee in time for the filing of this report. The Chairwoman of the Committee shall cause such estimate to be printed in the Congressional Record upon its receipt by the Committee.

XIV. FEDERAL ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

XV. APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

XVI. CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to clause 7 of rule XII of the Rules of the House of Representatives, the Committee finds the authority for this legislation in Art. I, § 8, cl. 1 of the Constitution of the United States.

XVII. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, as shown as follows: existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, and existing law in which no change is proposed is shown in roman:
