PURPOSE OF LEGISLATION

The purpose of H.R. 5641 is to amend the *Robert T. Stafford Disaster Relief and Emergency Assistance Act* to increase the threshold for eligibility for assistance under sections 403, 406, 407, and 502.

BACKGROUND AND NEED FOR LEGISLATION

H.R. 5641 updates the threshold for what qualifies as a “small project” under the *Robert T. Stafford Disaster Relief and Emergency Assistance Act* (*Stafford Act*, P.L. 93–288, as amended). Small projects are eligible for an “simplified procedure” under authority provided to the Federal Emergency Management Agency (FEMA) in *Stafford* Sec. 422, enacted in 1988 as part of P.L. 100–707. In 1988, the statutorily-established threshold to qualify for the simplified procedure was \$35,000, capturing roughly 95 percent of the project worksheets (PWs) that state, territorial, and local governments submitted to FEMA for reimbursement of eligible response and recovery activities and representing 32 percent of overall disaster funding.¹

For fiscal year (FY) 2022, the small project threshold, updated to account for the Consumer Price Index (CPI), is \$139,800 dollars.² This threshold now only captures 75 percent of PWs, burdening communities with additional paperwork and delays in getting reimbursed.³ Compounding challenges to these disaster-impacted communities is a record backlog of more than 30,000 PWs in FEMA’s Public Assistance queue due to the surge of COVID–19-related PWs.⁴ Adjusting the threshold to \$1,000,000 will return the threshold amount to 95 percent of PWs being eligible for simplified procedures, while still only representing only 10 percent of overall disaster funding.⁵

COMMITTEE OVERSIGHT FINDINGS

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee’s oversight findings and recommendations are reflected in this report.

NEW BUDGET AUTHORITY AND TAX EXPENDITURES

With respect to the requirements of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974 and with respect to requirements of clause (3)(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has requested but not received a cost estimate for this bill from the Director of Congressional Budget Office. The Committee has requested but not received from the Director of the Congressional Budget Office a statement as to whether this bill contains any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. The Chairman of the Committee shall cause such estimate and statement to be printed in the *Congressional Record* upon its receipt by the Committee.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, a cost estimate provided by the Congressional Budget Office pursuant to section 402 of the

PERFORMANCE GOALS AND OBJECTIVES

With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goal and objective of this legislation is to expedite the approval process for FEMA's small projects within the Public Assistance program.

DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 5641 establishes or reauthorizes a program of the federal government known to be duplicative of another federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

In compliance with clause 9 of rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of the rule XXI.

FEDERAL MANDATES STATEMENT

An estimate of federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act was not made available to the Committee in time for the filing of this report. The Chairman of the Committee shall cause such estimate to be printed in the *Congressional Record* upon its receipt by the Committee.

PREEMPTION CLARIFICATION

Section 423 of the Congressional Budget Act of 1974 requires the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt state, local, or tribal law. The Committee finds that H.R. 5641 does not preempt any state, local, or tribal law.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act (Public Law 104-1).
