### PURPOSE AND SUMMARY

On June 8, 2022, Representative Dean introduced H.R. 7981, the “Public and Federally Assisted Housing Fire Safety Act of 2022”, which would require the installation of either tamper resistant or hardwired smoke alarms in federally assisted housing.

### BACKGROUND AND NEED FOR LEGISLATION

On January 4, 2022, a fire broke out in a public housing unit in Philadelphia, Pennsylvania that claimed the lives of 12 residents, 8 of whom were children. The property received a failing Real Estate Assessment Center (REAC) score in its last inspection in 2017. A subsequent investigation by the Philadelphia Fire Department, working in collaboration with other federal and local agencies, identified fire safety concerns including non-functioning smoke alarms in the unit where the fire occurred. Specifically, officials

found that the unit's smoke alarms had either been removed from the walls or had no batteries inside.

In 2015, HUD published the top 25 deficiencies in public housing, and missing or inoperable smoke alarms were among the deficiencies most often cited.<sup>65</sup> HUD reported 7,718 missing or inoperable smoke alarm deficiencies. The 2015 data for multifamily housing shows a similar set of defects. The ANS to H.R. 7981 seeks to address this issue by requiring either tamper resistant or hardwired smoke alarms to be installed in federally assisted housing. Specifically, for assisted units built prior to the enactment of H.R. 7981 that do not already have a hardwired smoke alarm, the bill would require the installation of tamper resistant battery-powered smoke alarms that: (1) are sealed; (2) include a silencing mechanism; and (3) are able to provide notification for persons with hearing loss. For new or substantially rehabilitated units, the bill would require the installation of hardwired smoke alarms. The ANS would also require HUD to run a national educational campaign about housing health and safety requirements, and how to properly use fire safety features including smoke alarms.

This bill is supported by the following organizations: International Code Council, National Association of State Fire Marshals, National Low Income Housing Coalition, National Fire Protection Association, Public Citizen.

#### SECTION-BY-SECTION ANALYSIS

##### *Section 1. Short title*

- This section establishes the short title of the bill as “Public and Federally Assisted Housing Fire Safety Act of 2022”.

##### *Section 2. Smoke alarms in federally assisted housing*

- This section requires the installation of tamper resistant or hardwired smoke alarms in federally assisted housing, including: public housing, tenant-based assistance units, project-based assistance units, supportive housing for the elderly, supportive housing for persons with disabilities, Housing Opportunities for Persons with AIDS (HOPWA)-funded units, rural housing, and Farm Labor Housing Direct Loans & Grants-funded units.
  - For units built prior to the enactment of the bill that do not already have a hardwired smoke alarm, this section would require the installation of tamper-resistant battery-powered smoke alarms that: (1) are sealed; (2) include a silencing mechanism; and (3) are able to provide notification for persons with hearing loss.
  - For new or substantially rehabilitated units, this section would require the installation of hardwired smoke alarms.

##### *Section 3. Fire safety educational program*

- This section requires HUD to run a national educational campaign about housing health and safety requirements, and how to properly use fire safety features including self-closing doors, smoke alarms, and carbon monoxide detectors. This section authorizes the expenditure of \$2M dollars for this program.

\* \* \* \* \*

RENTAL PAYMENTS; DEFINITIONS

SEC. 3. (a)(1) Dwelling units assisted under this Act shall be rented only to families who are low-income families at the time of their initial occupancy of such units. Reviews of family income shall be made pursuant to paragraph (6); except that, in the case of any family with a fixed income, as defined by the Secretary, after the initial review of the family's income, the public housing agency or owner shall not be required to conduct a review of the family's income for any year for which such family certifies, in accordance with such requirements as the Secretary shall establish, which shall include policies to adjust for inflation-based income changes, that 90 percent or more of the income of the family consists of fixed income, and that the sources of such income have not changed since the previous year, except that the public housing agency or owner shall conduct a review of each such family's income not less than once every 3 years. Except as provided in paragraph (2) and subject to the requirement under paragraph (3), a family shall pay as rent for a dwelling unit assisted under this Act (other than a family assisted under section 8(o) or (y) or paying rent under section 8(c)(3)(B)) the highest of the following amounts, rounded to the nearest dollar:

- (A) 30 per centum of the family's monthly adjusted income;
- (B) 10 per centum of the family's monthly income; or
- (C) if the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

(2) RENTAL PAYMENTS FOR PUBLIC HOUSING FAMILIES.—

(A) AUTHORITY FOR FAMILY TO SELECT.—

(i) IN GENERAL.—A family residing in a public housing dwelling shall pay as monthly rent for the unit the amount determined under clause (i) or (ii) of subparagraph (B), subject to the requirement under paragraph (3) (relating to minimum rents). Each public housing agency shall provide for each family residing in a public housing dwelling unit owned, assisted, or operated by the agency to elect annually whether the rent paid by such family shall be determined under clause (i) or (ii) of subparagraph (B). A public housing agency may not at any time fail to provide both such rent options for any public housing dwelling unit owned, assisted, or operated by the agency.

(ii) AUTHORITY TO RETAIN FLAT AND CEILING RENTS.—Notwithstanding clause (i) or any other provision of law, any public housing agency that is administering flat rents or ceiling rents pursuant to any authority referred to in section 519(d) of the Quality Housing and Work Responsi-

bility Act of 1998 before the effective day of such Act may continue to charge rent in accordance with such rent provisions after such effective date, except that the agency shall provide for families residing in public housing dwelling units owned or operated by the agency to elect annually whether to pay rent under such provisions or in accordance with one of the rent options referred to in subparagraph (A).

(B) ALLOWABLE RENT STRUCTURES.—

(i) FLAT RENTS.—Each public housing agency shall establish, for each dwelling unit in public housing owned or operated by the agency, a flat rental amount for the dwelling unit, which—

(I) shall not be lower than 80 percent of—

(aa) the applicable fair market rental established under section 8(c) of this Act; or

(bb) at the discretion of the Secretary, such other applicable fair market rental established by the Secretary that the Secretary determines more accurately reflects local market conditions and is based on an applicable market area that is geographically smaller than the applicable market area used for purposes of the applicable fair market rental under section 8(c);

except that a public housing agency may apply to the Secretary for exception allowing for a flat rental amount for a property that is lower than the amount otherwise determined pursuant to item (aa) or (bb) and the Secretary may grant such exception if the Secretary determines that the fair market rental for the applicable market area pursuant to item (aa) or (bb) does not reflect the market value of the property and the proposed lower flat rental amount is based on a market analysis of the applicable market and complies with subclause (II) and

(II) shall be designed in accordance with subparagraph (D) so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

If a new flat rental amount for a dwelling unit will increase a family's existing rental payment by more than 35 percent, the new flat rental amount shall be phased in as necessary to ensure that the family's existing rental payment does not increase by more than 35 percent annually. The preceding sentence shall not be construed to require establishment of rental amounts equal to 80 percent of the fair market rental in years when the fair market rental falls from the prior year.

(ii) INCOME-BASED RENTS.—

(I) IN GENERAL.—The monthly rental amount determined under this clause for a family shall be an

amount, determined by the public housing agency, that does not exceed the greatest of the amounts (rounded to the nearest dollar) determined under subparagraphs (A), (B), and (C) of paragraph (1). This clause may not be construed to require a public housing agency to charge a monthly rent in the maximum amount permitted under this clause.

(II) DISCRETION.—Subject to the limitation on monthly rental amount under subclause (I), a public housing agency may, in its discretion, implement a rent structure under this clause requiring that a portion of the rent be deposited to an escrow or savings account, imposing ceiling rents, or adopting income exclusions (such as those set forth in section 3(b)(5)(B)), or may establish another reasonable rent structure or amount.

(C) SWITCHING RENT DETERMINATION METHODS BECAUSE OF HARDSHIP CIRCUMSTANCES.—Notwithstanding subparagraph (A), in the case of a family that has elected to pay rent in the amount determined under subparagraph (B)(i), a public housing agency shall immediately provide for the family to pay rent in the amount determined under subparagraph (B)(ii) during the period for which such election was made upon a determination that the family is unable to pay the amount determined under subparagraph (B)(i) because of financial hardship, including—

(i) situations in which the income of the family has decreased because of changed circumstances, loss of reduction of employment, death in the family, and reduction in or loss of income or other assistance;

(ii) an increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

(iii) such other situations as may be determined by the agency.

(D) ENCOURAGEMENT OF SELF-SUFFICIENCY.—The rental policy developed by each public housing agency shall encourage and reward employment and economic self-sufficiency.

(E) INCOME REVIEWS.—Notwithstanding the second sentence of paragraph (1), in the case of families that are paying rent in the amount determined under subparagraph (B)(i), the agency shall review the income of such family not less than once every 3 years.

(3) MINIMUM RENTAL AMOUNT.—

(A) REQUIREMENT.—Notwithstanding paragraph (1) of this subsection, the method for rent determination elected pursuant to paragraph (2)(A) of this subsection by a family residing in public housing, section 8(o)(2) of this Act, or section 206(d) of the Housing and Urban-Rural Recovery Act of 1983 (including paragraph (5) of such section), the following entities shall require the following families to pay a minimum monthly rental amount (which amount shall include any amount allowed for utilities) of not more than \$50 per month, as follows:

(i) Each public housing agency shall require the payment of such minimum monthly rental amount, which amount shall be determined by the agency, by—

(I) each family residing in a dwelling unit in public housing by the agency;

(II) each family who is assisted under the certificate or moderate rehabilitation program under section 8; and

(III) each family who is assisted under the voucher program under section 8, and the agency shall reduce the monthly assistance payment on behalf of such family as may be necessary to ensure payment of such minimum monthly rental amount.

(ii) The Secretary shall require each family who is assisted under any other program for rental assistance under section 8 to pay such minimum monthly rental amount, which amount shall be determined by the Secretary.

(B) EXCEPTION FOR HARDSHIP CIRCUMSTANCES.—

(i) IN GENERAL.—Notwithstanding subparagraph (A), a public housing agency (or the Secretary, in the case of a family described in subparagraph (A)(ii)) shall immediately grant an exemption from application of the minimum monthly rental under such subparagraph to any family unable to pay such amount because of financial hardship, which shall include situations in which (I) the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996; (II) the family would be evicted as a result of the imposition of the minimum rent requirement under subparagraph (A); (III) the income of the family has decreased because of changed circumstance, including loss of employment; (IV) a death in the family has occurred; and (V) other situations as may be determined by the agency (or the Secretary, in the case of a family described in subparagraph (A)(ii)).

(ii) WAITING PERIOD.—If a resident requests a hardship exemption under this subparagraph and the public housing agency (or the Secretary, in the case of a family described in subparagraph (A)(ii)) reasonably determines the hardship to be of a temporary nature, an exemption shall not be granted during the 90-day period beginning upon the making of a request for the exemption. A resident may not be evicted during such 90-day period for nonpayment of rent. In such a case, if the resident thereafter demonstrates that the financial hardship is of a long-term basis, the agency (or the Secretary) shall retroactively exempt the resident from the applicability of the minimum rent requirement for such 90-day period.

(4) OCCUPANCY BY POLICE OFFICERS.—

(A) IN GENERAL.—Subject to subparagraph (B) and notwithstanding any other provision of law, a public housing agency may, in accordance with the public housing agency plan for the agency, allow a police officer who is not otherwise eligible for residence in public housing to reside in a public housing dwelling unit. The number and location of units occupied by police officers under this paragraph and the terms and conditions of their tenancies shall be determined by the public housing agency.

(C) DEFINITION.—In this paragraph, the term “police officer” means any person determined by a public housing agency to be, during the period of residence of that person in public housing, employed on a full-time basis as a duly licensed professional police officer by a Federal, State, or local government or by any agency thereof (including a public housing agency having an accredited police force).

(5) OCCUPANCY BY OVER-INCOME FAMILIES IN CERTAIN PUBLIC HOUSING.—

(A) AUTHORITY.—Notwithstanding any other provision of law, a public housing agency that owns or operates less than 250 units may, on a month-to-month basis, lease a dwelling unit in a public housing project to an over-income family in accordance with this paragraph, but only if there are no eligible families applying for housing assistance from the public housing agency for that month and the agency provides not less than 30-day public notice of the availability of such assistance.

(B) TERMS AND CONDITIONS.—The number and location of dwelling units of a public housing agency occupied under this paragraph by over-income families, and the terms and conditions of those tenancies, shall be determined by the public housing agency, except that—

(i) notwithstanding paragraph (2), rent for a unit shall be in an amount that is not less than the costs to operate the unit;

(ii) if an eligible family applies for residence after an over-income family moves in to the last available unit, the over-income family shall vacate the unit in accordance with notice of termination of tenancy provided by the agency, which shall be provided not less than 30 days before such termination; and

(iii) if a unit is vacant and there is no one on the waiting list, the public housing agency may allow an over-income family to gain immediate occupancy in the unit, while simultaneously providing reasonable public notice and outreach with regard to availability of the unit.

(C) DEFINITION.—For purposes of this paragraph, the term “over-income family” means an individual or family that is not a low-income family at the time of initial occupancy.

## (6) REVIEWS OF FAMILY INCOME.—

(ii) annually thereafter, except as provided in paragraph (1) with respect to fixed-income families;

(iii) upon the request of the family, at any time the income or deductions (under subsection (b)(5)) of the family change by an amount that is estimated to result in a decrease of 10 percent (or such lower amount as the Secretary may, by notice, establish, or permit the public housing agency or owner to establish) or more in annual adjusted income; and

(iv) at any time the income or deductions (under subsection (b)(5)) of the family change by an amount that is estimated to result in an increase of 10 percent or more in annual adjusted income, or such other amount as the Secretary may by notice establish, except that any increase in the earned income of a family shall not be considered for purposes of this clause (except that earned income may be considered if the increase corresponds to previous decreases under clause (iii)), except that a public housing agency or owner may elect not to conduct such review in the last three months of a certification period.

(B) IN GENERAL.—Reviews of family income for purposes of this section shall be subject to the provisions of section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988 (42 U.S.C. 3544).

(D) SAFE HARBOR.—A public housing agency or owner may, to the extent such information is available to the public housing agency or owner, determine the family's in-

come prior to the application of any deductions based on timely income determinations made for purposes of other means-tested Federal public assistance programs (including the program for block grants to States for temporary assistance for needy families under part A of title IV of the Social Security Act, a program for Medicaid assistance under a State plan approved under title XIX of the Social Security Act, and the supplemental nutrition assistance program (as such term is defined in section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. 2012))). The Secretary shall, in consultation with other appropriate Federal agencies, develop electronic procedures to enable public housing agencies and owners to have access to such benefit determinations made by other means-tested Federal programs that the Secretary determines to have comparable reliability. Exchanges of such information shall be subject to the same limitations and tenant protections provided under section 904 of the Stewart B. McKinney Homeless Assistance Act Amendments of 1988 (42 U.S.C. 3544) with respect to information obtained under the requirements of section 303(i) of the Social Security Act (42 U.S.C. 503(i)).

(E) PERMISSIVE DEDUCTIONS.—Such additional deductions as a public housing agency may, at its discretion, establish, except that the Secretary shall establish procedures to ensure that such deductions do not materially increase Federal expenditures.

The Secretary shall annually calculate the amounts of the deductions under subparagraphs (A) and (B), as such amounts may have been previously calculated, by applying an inflationary factor as the Secretary shall, by regulation, establish, except that the actual deduction determined for each year shall be established by rounding such amount to the next lowest multiple of \$25.

#### LOWER INCOME HOUSING ASSISTANCE

SEC. 8. (a) For the purpose of aiding lower-income families in obtaining a decent place to live and of promoting economically mixed housing, assistance payments may be made with respect to existing housing in accordance with the provisions of this section.

(b) OTHER EXISTING HOUSING PROGRAMS.—(1) IN GENERAL.—The Secretary is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners of existing dwelling units in accordance with this section. In areas where no public housing agency has been organized or where the Secretary determines that a public housing agency is unable to implement the provisions of this section, the Secretary is authorized to enter into such contracts and to perform the other functions assigned to a public housing agency by this section.

(2) The Secretary is authorized to enter into annual contributions contracts with public housing agencies for the purpose of replacing public housing transferred in accordance with title III of this Act. Each contract entered into under this subsection shall be for a term of not more than 60 months.

(c)(1)(A) An assistance contract entered into pursuant to this section shall establish the maximum monthly rent (including utilities and all maintenance and management charges) which the owner is entitled to receive for each dwelling unit with respect to which such assistance payments are to be made. The maximum monthly rent shall not exceed by more than 10 per centum the fair market rental established by the Secretary periodically but not less than annually for existing or newly constructed rental dwelling units of various sizes and types in the market area suitable for occupancy by persons assisted under this section, except that the maximum monthly rent may exceed the fair market rental (A) by more than 10 but not more than 20 per centum where the Secretary determines that special circumstances warrant such higher maximum rent or that such higher rent is necessary to the implementation of a housing strategy as defined in section 105 of the Cranston-Gonzalez National Affordable Housing Act, or (B) by such higher amount as may be requested by a tenant and approved by the public housing agency in accordance with paragraph (3)(B). In the case of newly constructed and substantially rehabilitated units, the exception in the preceding sentence shall not apply to more than 20 per centum of the total amount of authority to enter into annual contributions contracts for such units which is allocated to an area and obligated with respect to any fiscal year beginning on or after October 1, 1980. Each fair market rental in effect under this subsection shall be adjusted to be effective on October 1 of each year to reflect changes, based on the most recent available data trended so the rentals will be current for the year to which they apply, of rents for existing or newly constructed rental dwelling units, as the case may be, of various sizes and types in the market area suitable for occupancy by persons assisted under this section. Notwithstanding any other provision of this section, after the date of enactment of the Housing and Community Development Act of 1977, the Secretary shall prohibit high-rise elevator projects for families with children unless there is no practical alternative. If units assisted under this section are exempt from local rent control while they are so assisted or otherwise, the maximum monthly rent for such units shall be reasonable in comparison with other units in the market area that are exempt from local rent control.

(B) Fair market rentals for an area shall be published not less than annually by the Secretary on the site of the Department on the World Wide Web and in any other manner specified by the Secretary. Notice that such fair market rentals are being published shall be published in the Federal Register, and such fair market rentals shall become effective no earlier than 30 days after the date of such publication. The Secretary shall establish a procedure for public housing agencies and other interested parties to comment on such fair market rentals and to request, within a time specified by the Secretary, reevaluation of the fair market rentals in a jurisdiction before such rentals become effective. The Secretary shall cause to be published for comment in the Federal Register notices of proposed material changes in the methodology for estimating fair market rentals and notices specifying the final decisions regarding such proposed substantial methodological changes and responses to public comments.

(2)(A) The assistance contract shall provide for adjustment annually or more frequently in the maximum monthly rents for units covered by the contract to reflect changes in the fair market rentals established in the housing area for similar types and sizes of dwelling units or, if the Secretary determines, on the basis of a reasonable formula. However, where the maximum monthly rent, for a unit in a new construction, substantial rehabilitation, or moderate rehabilitation project, to be adjusted using an annual adjustment factor exceeds the fair market rental for an existing dwelling unit in the market area, the Secretary shall adjust the rent only to the extent that the owner demonstrates that the adjusted rent would not exceed the rent for an unassisted unit of similar quality, type, and age in the same market area, as determined by the Secretary. The immediately foregoing sentence shall be effective only during fiscal year 1995, fiscal year 1996 prior to April 26, 1996, and fiscal years 1997 and 1998, and during fiscal year 1999 and thereafter. Except for assistance under the certificate program, for any unit occupied by the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjustment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the factor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. In the case of assistance under the certificate program, 0.01 shall be subtracted from the amount of the annual adjustment factor (except that the factor shall not be reduced to less than 1.0), and the adjusted rent shall not exceed the rent for a comparable unassisted unit of similar quality, type, and age in the market area. The immediately foregoing two sentences shall be effective only during fiscal year 1995, fiscal year 1996 prior to April 26, 1996, and fiscal years 1997 and 1998, and during fiscal year 1999 and thereafter. In establishing annual adjustment factors for units in new construction and substantial rehabilitation projects, the Secretary shall take into account the fact that debt service is a fixed expense. The immediately foregoing sentence shall be effective only during fiscal year 1998.

(B) The contract shall further provide for the Secretary to make additional adjustments in the maximum monthly rent for units under contract to the extent he determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs which are not adequately compensated for by the adjustment in the maximum monthly rent authorized by subparagraph (A). The Secretary shall make additional adjustments in the maximum monthly rent for units under contract (subject to the availability of appropriations for contract amendments) to the extent the Secretary determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units that have resulted from the expiration of a real property tax exemption. Where the Secretary determines that a project assisted under this section is located in a community where drug-related criminal activity is generally prevalent and the project's operating, maintenance, and capital repair expenses have been substantially increased primarily as a result of the prevalence

of such drug-related activity, the Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments for this purpose), on a project by project basis, provide adjustments to the maximum monthly rents, to a level no greater than 120 percent of the project rents, to cover the costs of maintenance, security, capital repairs, and reserves required for the owner to carry out a strategy acceptable to the Secretary for addressing the problem of drug-related criminal activity. Any rent comparability standard required under this paragraph may be waived by the Secretary to so implement the preceding sentence. The Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments), on a project by project basis for projects receiving project-based assistance, provide adjustments to the maximum monthly rents to cover the costs of evaluating and reducing lead-based paint hazards, as defined in section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992.

(C) Adjustments in the maximum rents under subparagraphs (A) and (B) shall not result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, as determined by the Secretary. In implementing the limitation established under the preceding sentence, the Secretary shall establish regulations for conducting comparability studies for projects where the Secretary has reason to believe that the application of the formula adjustments under subparagraph (A) would result in such material differences. The Secretary shall conduct such studies upon the request of any owner of any project, or as the Secretary determines to be appropriate by establishing, to the extent practicable, a modified annual adjustment factor for such market area, as the Secretary shall designate, that is geographically smaller than the applicable housing area used for the establishment of the annual adjustment factor under subparagraph (A). The Secretary shall establish such modified annual adjustment factor on the basis of the results of a study conducted by the Secretary of the rents charged, and any change in such rents over the previous year, for assisted units and unassisted units of similar quality, type, and age in the smaller market area. Where the Secretary determines that such modified annual adjustment factor cannot be established or that such factor when applied to a particular project would result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, the Secretary may apply an alternative methodology for conducting comparability studies in order to establish rents that are not materially different from rents charged for comparable unassisted units. If the Secretary or appropriate State agency does not complete and submit to the project owner a comparability study not later than 60 days before the anniversary date of the assistance contract under this section, the automatic annual adjustment factor shall be applied. The Secretary may not reduce the contract rents in effect on or after April 15, 1987, for newly constructed, substantially rehabilitated, or moderately rehabilitated projects assisted under this section (including projects assisted under this section as in effect prior to November 30, 1983), unless the project has been refinanced in a manner that reduces the periodic payments of the owner. Any

maximum monthly rent that has been reduced by the Secretary after April 14, 1987, and prior to the enactment of this sentence shall be restored to the maximum monthly rent in effect on April 15, 1987. For any project which has had its maximum monthly rents reduced after April 14, 1987, the Secretary shall make assistance payments (from amounts reserved for the original contract) to the owner of such project in an amount equal to the difference between the maximum monthly rents in effect on April 15, 1987, and the reduced maximum monthly rents, multiplied by the number of months that the reduced maximum monthly rents were in effect.

(3) The amount of the monthly assistance payment with respect to any dwelling unit shall be the difference between the maximum monthly rent which the contract provides that the owner is to receive for the unit and the rent the family is required to pay under section 3(a) of this Act.

(4) The assistance contract shall provide that assistance payments may be made only with respect to a dwelling unit under lease for occupancy by a family determined to be a lower income family at the time it initially occupied such dwelling unit, except that such payments may be made with respect to unoccupied units for a period not exceeding sixty days (A) in the event that a family vacates a dwelling unit before the expiration date of the lease for occupancy or (B) where a good faith effort is being made to fill an unoccupied unit, and, subject to the provisions of the following sentence, such payments may be made, in the case of a newly constructed or substantially rehabilitated project, after such sixty-day period in an amount equal to the debt service attributable to such an unoccupied dwelling unit for a period not to exceed one year, if a good faith effort is being made to fill the unit and the unit provides decent, safe, and sanitary housing. No such payment may be made after such sixty-day period if the Secretary determines that the dwelling unit is in a project which provides the owner with revenues exceeding the costs incurred by such owner with respect to such project.

(5) The Secretary shall take such steps as may be necessary, including the making of contracts for assistance payments in amounts in excess of the amounts required at the time of the initial renting of dwelling units, the reservation of annual contributions authority for the purpose of amending housing assistance contracts, or the allocation of a portion of new authorizations for the purpose of amending housing assistance contracts, to assure that assistance payments are increased on a timely basis to cover increases in maximum monthly rents or decreases in family incomes.

(8)(A) Not less than one year before termination of any contract under which assistance payments are received under this section, other than a contract for tenant-based assistance under this section, an owner shall provide written notice to the Secretary and the tenants involved of the proposed termination. The notice shall also include a statement that, if the Congress makes funds available, the owner and the Secretary may agree to a renewal of the contract, thus avoiding termination, and that in the event of termination the Department of Housing and Urban Development will provide tenant-based rental assistance to all eligible residents, enabling them to choose the place they wish to rent, which is likely to include the dwelling unit in which they currently reside. Any

contract covered by this paragraph that is renewed may be renewed for a period of up to 1 year or any number or years, with payments subject to the availability of appropriations for any year.

(B) In the event the owner does not provide the notice required, the owner may not evict the tenants or increase the tenants' rent payment until such time as the owner has provided the notice and 1 year has elapsed. The Secretary may allow the owner to renew the terminating contract for a period of time sufficient to give tenants 1 year of advance notice under such terms and conditions as the Secretary may require.

(C) Any notice under this paragraph shall also comply with any additional requirements established by the Secretary.

(D) For purposes of this paragraph, the term "termination" means the expiration of the assistance contract or an owner's refusal to renew the assistance contract, and such term shall include termination of the contract for business reasons.

(d)(1) Contracts to make assistance payments entered into by a public housing agency with an owner of existing housing units shall provide (with respect to any unit) that—

(A) the selection of tenants shall be the function of the owner, subject to the annual contributions contract between the Secretary and the agency, except that with respect to the certificate and moderate rehabilitation programs only, for the purpose of selecting families to be assisted, the public housing agency may establish local preferences, consistent with the public housing agency plan submitted under section 5A (42 U.S.C. 1437c-1) by the public housing agency;

(B)(i) the lease between the tenant and the owner shall be for at least one year or the term of such contract, whichever is shorter, and shall contain other terms and conditions specified by the Secretary;

(ii) during the term of the lease, the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause;

(iii) during the term of the lease, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy;

(iv) any termination of tenancy shall be preceded by the owner's provision of written notice to the tenant specifying the grounds for such action; and

(v) it shall be cause for termination of the tenancy of a tenant if such tenant—

(I) is fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the

laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor under the laws of such State; or

(II) is violating a condition of probation or parole imposed under Federal or State law;

(C) maintenance and replacement (including redecoration) shall be in accordance with the standard practice for the building concerned as established by the owner and agreed to by the agency; and

(D) the agency and the owner shall carry out such other appropriate terms and conditions as may be mutually agreed to by them.

(2)(A) Each contract for an existing structure entered into under this section shall be for a term of not less than one month nor more than one hundred and eighty months. The Secretary shall permit public housing agencies to enter into contracts for assistance payments of less than 12 months duration in order to avoid disruption in assistance to eligible families if the annual contributions contract is within 1 year of its expiration date.

(B)(i) In determining the amount of assistance provided under an assistance contract for project-based assistance under this paragraph or a contract for assistance for housing constructed or substantially rehabilitated pursuant to assistance provided under section 8(b)(2) of this Act (as such section existed immediately before October 1, 1983), the Secretary may consider and annually adjust, with respect to such project, for the cost of employing or otherwise retaining the services of one or more service coordinators under section 661 of the Housing and Community Development Act of 1992 to coordinate the provision of any services within the project for residents of the project who are elderly or disabled families.

(ii) The budget authority available under section 5(c) for assistance under this section is authorized to be increased by \$15,000,000 on or after October 1, 1992, and by \$15,000,000 on or after October 1, 1993. Amounts made available under this subparagraph shall be used to provide additional amounts under annual contributions contracts for assistance under this section which shall be made available through assistance contracts only for the purpose of providing service coordinators under clause (i) for projects receiving project-based assistance under this paragraph and to provide additional amounts under contracts for assistance for projects constructed or substantially rehabilitated pursuant to assistance provided under section 8(b)(2) of this Act (as such section existed immediately before October 1, 1983) only for such purpose.

(C) An assistance contract for project-based assistance under this paragraph shall provide that the owner shall ensure and maintain compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 and any regulations issued under such subtitle.

(D) An owner of a covered section 8 housing project (as such term is defined in section 659 of the Housing and Community Development Act of 1992) may give preference for occupancy of dwelling units in the project, and reserve units for occupancy, in accordance with subtitle D of title VI of the Housing and Community Development Act of 1992.

(3) Notwithstanding any other provision of law, with the approval of the Secretary the public housing agency administering a contract under this section with respect to existing housing units may exercise all management and maintenance responsibilities with respect to those units pursuant to a contract between such agency and the owner of such units.

(4) A public housing agency that serves more than one unit of general local government may, at the discretion of the agency, in allocating assistance under this section, give priority to disabled families that are not elderly families.

(5) CALCULATION OF LIMIT.—Any contract entered into under section 514 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 shall be excluded in computing the limit on project-based assistance under this subsection.

(6) TREATMENT OF COMMON AREAS.—The Secretary may not provide any assistance amounts pursuant to an existing contract for project-based assistance under this section for a housing project and may not enter into a new or renewal contract for such assistance for a project unless the owner of the project provides consent, to such local law enforcement agencies as the Secretary determines appropriate, for law enforcement officers of such agencies to enter common areas of the project at any time and without advance notice upon a determination of probable cause by such officers that criminal activity is taking place in such areas.

(e)(1) Nothing in this Act shall be deemed to prohibit an owner from pledging, or offering as security for any loan or obligation, a contract for assistance payments entered into pursuant to this section: *Provided*, That such security is in connection with a project constructed or rehabilitated pursuant to authority granted in this section, and the terms of the financing or any refinancing have been approved by the Secretary.

(f) As used in this section—

(1) the term “owner” means any private person or entity, including a cooperative, an agency of the Federal Government, or a public housing agency, having the legal right to lease or sublease dwelling units;

(2) the terms “rent” or “rental” mean, with respect to members of a cooperative, the charges under the occupancy agreements between such members and the cooperative;

(3) the term “debt service” means the required payments for principal and interest made with respect to a mortgage secured by housing assisted under this Act;

(4) the term “participating jurisdiction” means a State or unit of general local government designated by the Secretary to be a participating jurisdiction under title II of the Cranston-Gonzalez National Affordable Housing Act;

(5) the term “drug-related criminal activity” means the illegal manufacture, sale, distribution, use, or possession with intent to manufacture, sell, distribute, or use, of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802));

(6) the term “project-based assistance” means rental assistance under subsection (b) that is attached to the structure pursuant to subsection (d)(2) or (o)(13); and

(7) the term “tenant-based assistance” means rental assistance under subsection (o) that is not project-based assistance and that provides for the eligible family to select suitable housing and to move to other suitable housing.

(g) Notwithstanding any other provision of this Act, assistance payments under this section may be provided, in accordance with regulations prescribed by the Secretary, with respect to some or all of the units in any project approved pursuant to section 202 of the Housing Act of 1959.

(h) Sections 5(e) and 6 and any other provisions of this Act which are inconsistent with the provisions of this section shall not apply to contracts for assistance entered into under this section.

(i) The Secretary may not consider the receipt by a public housing agency of assistance under section 811(b)(1) of the Cranston-Gonzalez National Affordable Housing Act, or the amount received, in approving assistance for the agency under this section or determining the amount of such assistance to be provided.

(k) The Secretary shall establish procedures which are appropriate and necessary to assure that income data provided to public housing agencies and owners by families applying for or receiving assistance under this section is complete and accurate. In establishing such procedures, the Secretary shall randomly, regularly, and periodically select a sample of families to authorize the Secretary to obtain information on these families for the purpose of income verification, or to allow those families to provide such information themselves. Such information may include, but is not limited to, data concerning unemployment compensation and Federal income taxation and data relating to benefits made available under the Social Security Act, the Food and Nutrition Act of 2008, or title 38, United States Code. Any such information received pursuant to this subsection shall remain confidential and shall be used only for the purpose of verifying incomes in order to determine eligibility of families for benefits (and the amount of such benefits, if any) under this section.

*(l) QUALIFYING SMOKE ALARMS.—*

*(1) IN GENERAL.—Each owner of a dwelling unit receiving project-based assistance under this section shall ensure that qualifying smoke alarms are installed in accordance with applicable codes and standards published by the International Code Council or the National Fire Protection Association and the requirements of the National Fire Protection Association Standard 72, or any successor standard, in each level and in or near each sleeping area in such dwelling unit, including in basements but excepting crawl spaces and unfinished attics, and in each common area in a project containing such a dwelling unit.*

*(2) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:*

*(A) SMOKE ALARM DEFINED.—The term “smoke alarm” has the meaning given the term “smoke detector” in section 29(d) of the Federal Fire Prevention and Control Act of 1974 (15 U.S.C. 2225(d)).*

*(B) QUALIFYING SMOKE ALARM DEFINED.—The term “qualifying smoke alarm” means a smoke alarm that—*

*(i) in the case of a dwelling unit built before the date of enactment of this paragraph and not substantially*

*rehabilitated after the date of enactment of this paragraph is—*

*(I) hardwired; or*

*(II) uses 10-year non rechargeable, nonreplaceable primary batteries and—*

*(aa) is sealed;*

*(bb) is tamper resistant;*

*(cc) contains silencing means; and*

*(dd) provides notification for persons with hearing loss as required by the National Fire Protection Association Standard 72, or any successor standard; or*

*(ii) in the case of a dwelling unit built or substantially rehabilitated after the date of enactment of this paragraph, is hardwired.*

(o) VOUCHER PROGRAM.—

(1) AUTHORITY.—

(A) IN GENERAL.—The Secretary may provide assistance to public housing agencies for tenant-based assistance using a payment standard established in accordance with subparagraph (B). The payment standard shall be used to determine the monthly assistance that may be paid for any family, as provided in paragraph (2).

(B) ESTABLISHMENT OF PAYMENT STANDARD.—Except as provided under subparagraph (D), the payment standard for each size of dwelling unit in a market area shall not exceed 110 percent of the fair market rental established under subsection (c) for the same size of dwelling unit in the same market area and shall be not less than 90 percent of that fair market rental, except that no public housing agency shall be required as a result of a reduction in the fair market rental to reduce the payment standard applied to a family continuing to reside in a unit for which the family was receiving assistance under this section at the time the fair market rental was reduced. The Secretary shall allow public housing agencies to request exception payment standards within fair market rental areas subject to criteria and procedures established by the Secretary.

(C) SET-ASIDE.—The Secretary may set aside not more than 5 percent of the budget authority made available for assistance under this subsection as an adjustment pool. The Secretary shall use amounts in the adjustment pool to make adjusted payments to public housing agencies under subparagraph (A), to ensure continued affordability, if the Secretary determines that additional assistance for such purpose is necessary, based on documentation submitted by a public housing agency.

(D) APPROVAL.—The Secretary may require a public housing agency to submit the payment standard of the public housing agency to the Secretary for approval, if the payment standard is less than 90 percent of the fair market rental or exceeds 110 percent of the fair market rental, except that a public housing agency may establish a payment standard of not more than 120 percent of the fair

market rent where necessary as a reasonable accommodation for a person with a disability, without approval of the Secretary. A public housing agency may use a payment standard that is greater than 120 percent of the fair market rent as a reasonable accommodation for a person with a disability, but only with the approval of the Secretary. In connection with the use of any increased payment standard established or approved pursuant to either of the preceding two sentences as a reasonable accommodation for a person with a disability, the Secretary may not establish additional requirements regarding the amount of adjusted income paid by such person for rent.

(E) REVIEW.—The Secretary—

(i) shall monitor rent burdens and review any payment standard that results in a significant percentage of the families occupying units of any size paying more than 30 percent of adjusted income for rent; and

(ii) may require a public housing agency to modify the payment standard of the public housing agency based on the results of that review.

(2) AMOUNT OF MONTHLY ASSISTANCE PAYMENT.—Subject to the requirement under section 3(a)(3) (relating to minimum rental amount), the monthly assistance payment for a family receiving assistance under this subsection shall be determined as follows:

(A) TENANT-BASED ASSISTANCE; RENT NOT EXCEEDING PAYMENT STANDARD.—For a family receiving tenant-based assistance, if the rent for the family (including the amount allowed for tenant-paid utilities) does not exceed the applicable payment standard established under paragraph (1), the monthly assistance payment for the family shall be equal to the amount by which the rent (including the amount allowed for tenant-paid utilities) exceeds the greatest of the following amounts, rounded to the nearest dollar:

(i) 30 percent of the monthly adjusted income of the family.

(ii) 10 percent of the monthly income of the family.

(iii) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the actual housing costs of the family, is specifically designated by that agency to meet the housing costs of the family, the portion of those payments that is so designated.

(B) TENANT-BASED ASSISTANCE; RENT EXCEEDING PAYMENT STANDARD.—For a family receiving tenant-based assistance, if the rent for the family (including the amount allowed for tenant-paid utilities) exceeds the applicable payment standard established under paragraph (1), the monthly assistance payment for the family shall be equal to the amount by which the applicable payment standard exceeds the greatest of amounts under clauses (i), (ii), and (iii) of subparagraph (A).

(C) FAMILIES RECEIVING PROJECT-BASED ASSISTANCE.—For a family receiving project-based assistance, the rent

that the family is required to pay shall be determined in accordance with section 3(a)(1), and the amount of the housing assistance payment shall be determined in accordance with subsection (c)(3) of this section.

(D) UTILITY ALLOWANCE.—

(i) GENERAL.—In determining the monthly assistance payment for a family under subparagraphs (A) and (B), the amount allowed for tenant-paid utilities shall not exceed the appropriate utility allowance for the family unit size as determined by the public housing agency regardless of the size of the dwelling unit leased by the family.

(ii) EXCEPTION FOR FAMILIES IN INCLUDING PERSONS WITH DISABILITIES.—Notwithstanding subparagraph (A), upon request by a family that includes a person with disabilities, the public housing agency shall approve a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

(3) 40 PERCENT LIMIT.—At the time a family initially receives tenant-based assistance under this section with respect to any dwelling unit, the total amount that a family may be required to pay for rent may not exceed 40 percent of the monthly adjusted income of the family.

(4) ELIGIBLE FAMILIES.—To be eligible to receive assistance under this subsection, a family shall, at the time a family initially receives assistance under this subsection, be a low-income family that is—

(A) a very low-income family;

(B) a family previously assisted under this title;

(C) a low-income family that meets eligibility criteria specified by the public housing agency;

(D) a family that qualifies to receive a voucher in connection with a homeownership program approved under title IV of the Cranston-Gonzalez National Affordable Housing Act; or

(E) a family that qualifies to receive a voucher under section 223 or 226 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990.

(5) REVIEWS OF FAMILY INCOME.—

(A) IN GENERAL.—Reviews of family incomes for purposes of this section shall be subject to paragraphs (1), (6), and (7) of section 3(a) and to section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988.

(B) PROCEDURES.—Each public housing agency administering assistance under this subsection shall establish procedures that are appropriate and necessary to ensure that income data provided to the agency and owners by families applying for or receiving assistance from the agency is complete and accurate.

(6) SELECTION OF FAMILIES AND DISAPPROVAL OF OWNERS.—

(A) PREFERENCES.—

(i) **AUTHORITY TO ESTABLISH.**—Each public housing agency may establish a system for making tenant-based assistance under this subsection available on behalf of eligible families that provides preference for such assistance to eligible families having certain characteristics, which may include a preference for families residing in public housing who are victims of a crime of violence (as such term is defined in section 16 of title 18, United States Code) that has been reported to an appropriate law enforcement agency.

(ii) **CONTENT.**—Each system of preferences established pursuant to this subparagraph shall be based upon local housing needs and priorities, as determined by the public housing agency using generally accepted data sources, including any information obtained pursuant to an opportunity for public comment as provided under section 5A(f) and under the requirements applicable to the comprehensive housing affordability strategy for the relevant jurisdiction.

(B) **SELECTION OF TENANTS.**—Each housing assistance payment contract entered into by the public housing agency and the owner of a dwelling unit) shall provide that the screening and selection of families for those units shall be the function of the owner. In addition, the public housing agency may elect to screen applicants for the program in accordance with such requirements as the Secretary may establish.

(C) **PHA DISAPPROVAL OF OWNERS.**—In addition to other grounds authorized by the Secretary, a public housing agency may elect not to enter into a housing assistance payments contract under this subsection with an owner who refuses, or has a history of refusing, to take action to terminate tenancy for activity engaged in by the tenant, any member of the tenant's household, any guest, or any other person under the control of any member of the household that—

(i) threatens the health or safety of, or right to peaceful enjoyment of the premises by, other tenants or employees of the public housing agency, owner, or other manager of the housing;

(ii) threatens the health or safety of, or right to peaceful enjoyment of the residences by, persons residing in the immediate vicinity of the premises; or

(iii) is drug-related or violent criminal activity.

(7) **LEASES AND TENANCY.**—Each housing assistance payment contract entered into by the public housing agency and the owner of a dwelling unit—

(A) shall provide that the lease between the tenant and the owner shall be for a term of not less than 1 year, except that the public housing agency may approve a shorter term for an initial lease between the tenant and the dwelling unit owner if the public housing agency determines that such shorter term would improve housing opportunities for the tenant and if such shorter term is considered to be a prevailing local market practice;

(B) shall provide that the dwelling unit owner shall offer leases to tenants assisted under this subsection that—

(i) are in a standard form used in the locality by the dwelling unit owner; and

(ii) contain terms and conditions that—

(I) are consistent with State and local law; and

(II) apply generally to tenants in the property who are not assisted under this section;

(C) shall provide that during the term of the lease, the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause, and in the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease vacating the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner—

(i) will occupy the unit as a primary residence; and

(ii) has provided the tenant a notice to vacate at least 90 days before the effective date of such notice;

(D) shall provide that during the term of the lease, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any violent or drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy;

(E) shall provide that any termination of tenancy under this subsection shall be preceded by the provision of written notice by the owner to the tenant specifying the grounds for that action, and any relief shall be consistent with applicable State and local law; and

(F) may include any addenda required by the Secretary to set forth the provisions of this subsection. In the case of any foreclosure on any federally-related mortgage loan (as that term is defined in section 3 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2602)) or on any residential real property in which a recipient of assistance under this subsection resides, the immediate successor in interest in such property pursuant to the foreclosure shall assume such interest subject to the lease between the prior owner and the tenant and to the housing assistance payments contract between the prior owner and the public housing agency for the occupied unit, except that this provision and the provisions related to foreclosure in subparagraph (C) shall not affect any State or local law that provides longer time periods or other additional protections for tenants.

(8) INSPECTION OF UNITS BY PHA'S.—

## (A) INITIAL INSPECTION.—

(i) IN GENERAL.—For each dwelling unit for which a housing assistance payment contract is established under this subsection, the public housing agency (or other entity pursuant to paragraph (11)) shall inspect the unit before any assistance payment is made to determine whether the dwelling unit meets the housing quality standards under subparagraph (B), except as provided in clause (ii) or (iii) of this subparagraph.

(ii) CORRECTION OF NON-LIFE-THREATENING CONDITIONS.—In the case of any dwelling unit that is determined, pursuant to an inspection under clause (i), not to meet the housing quality standards under subparagraph (B), assistance payments may be made for the unit notwithstanding subparagraph (C) if failure to meet such standards is a result only of non-life-threatening conditions, as such conditions are established by the Secretary. A public housing agency making assistance payments pursuant to this clause for a dwelling unit shall, 30 days after the beginning of the period for which such payments are made, withhold any assistance payments for the unit if any deficiency resulting in noncompliance with the housing quality standards has not been corrected by such time. The public housing agency shall recommence assistance payments when such deficiency has been corrected, and may use any payments withheld to make assistance payments relating to the period during which payments were withheld.

(iii) USE OF ALTERNATIVE INSPECTION METHOD FOR INTERIM PERIOD.—In the case of any property that within the previous 24 months has met the requirements of an inspection that qualifies as an alternative inspection method pursuant to subparagraph (E), a public housing agency may authorize occupancy before the inspection under clause (i) has been completed, and may make assistance payments retroactive to the beginning of the lease term after the unit has been determined pursuant to an inspection under clause (i) to meet the housing quality standards under subparagraph (B). This clause may not be construed to exempt any dwelling unit from compliance with the requirements of subparagraph (D).

(B) HOUSING QUALITY STANDARDS.—The housing quality standards under this subparagraph are standards for safe and habitable housing established—

(i) by the Secretary for purposes of this subsection;

or

(ii) by local housing codes or by codes adopted by public housing agencies that—

(I) meet or exceed housing quality standards, except that the Secretary may waive the requirement under this subclause to significantly increase access to affordable housing and to expand housing opportunities for families assisted under

this subsection, except where such waiver could adversely affect the health or safety of families assisted under this subsection; and

(II) do not severely restrict housing choice

(C) INSPECTION.—The determination required under subparagraph (A) shall be made by the public housing agency (or other entity, as provided in paragraph (11)) pursuant to an inspection of the dwelling unit conducted before any assistance payment is made for the unit. Inspections of dwelling units under this subparagraph shall be made before the expiration of the 15-day period beginning upon a request by the resident or landlord to the public housing agency or, in the case of any public housing agency that provides assistance under this subsection on behalf of more than 1250 families, before the expiration of a reasonable period beginning upon such request. The performance of the agency in meeting the 15-day inspection deadline shall be taken into consideration in assessing the performance of the agency.

(D) BIENNIAL INSPECTIONS.—

(i) REQUIREMENT.—Each public housing agency providing assistance under this subsection (or other entity, as provided in paragraph (11)) shall, for each assisted dwelling unit, make inspections not less often than biennially during the term of the housing assistance payments contract for the unit to determine whether the unit is maintained in accordance with the requirements under subparagraph (A).

(ii) USE OF ALTERNATIVE INSPECTION METHOD.—The requirements under clause (i) may be complied with by use of inspections that qualify as an alternative inspection method pursuant to subparagraph (E).

(iii) RECORDS.—The public housing agency (or other entity) shall retain the records of the inspection for a reasonable time, as determined by the Secretary, and shall make the records available upon request to the Secretary, the Inspector General for the Department of Housing and Urban Development, and any auditor conducting an audit under section 5(h).

(iv) MIXED-FINANCE PROPERTIES.—The Secretary may adjust the frequency of inspections for mixed-finance properties assisted with vouchers under paragraph (13) to facilitate the use of the alternative inspections in subparagraph (E).

(E) ALTERNATIVE INSPECTION METHOD.—An inspection of a property shall qualify as an alternative inspection method for purposes of this subparagraph if—

(i) the inspection was conducted pursuant to requirements under a Federal, State, or local housing program (including the Home investment partnership program under title II of the Cranston-Gonzalez National Affordable Housing Act and the low-income housing tax credit program under section 42 of the Internal Revenue Code of 1986); and

(ii) pursuant to such inspection, the property was determined to meet the standards or requirements regarding housing quality or safety applicable to properties assisted under such program, and, if a non-Federal standard or requirement was used, the public housing agency has certified to the Secretary that such standard or requirement provides the same (or greater) protection to occupants of dwelling units meeting such standard or requirement as would the housing quality standards under subparagraph (B).

(F) INTERIM INSPECTIONS.—Upon notification to the public housing agency, by a family (on whose behalf tenant-based rental assistance is provided under this subsection) or by a government official, that the dwelling unit for which such assistance is provided does not comply with the housing quality standards under subparagraph (B), the public housing agency shall inspect the dwelling unit—

(i) in the case of any condition that is life-threatening, within 24 hours after the agency's receipt of such notification, unless waived by the Secretary in extraordinary circumstances; and

(ii) in the case of any condition that is not life-threatening, within a reasonable time frame, as determined by the Secretary.

(G) ENFORCEMENT OF HOUSING QUALITY STANDARDS.—

(i) DETERMINATION OF NONCOMPLIANCE.—A dwelling unit that is covered by a housing assistance payments contract under this subsection shall be considered, for purposes of subparagraphs (D) and (F), to be in non-compliance with the housing quality standards under subparagraph (B) if—

(I) the public housing agency or an inspector authorized by the State or unit of local government determines upon inspection of the unit that the unit fails to comply with such standards;

(II) the agency or inspector notifies the owner of the unit in writing of such failure to comply; and

(III) the failure to comply is not corrected—

(aa) in the case of any such failure that is a result of life-threatening conditions, within 24 hours after such notice has been provided; and

(bb) in the case of any such failure that is a result of non-life-threatening conditions, within 30 days after such notice has been provided or such other reasonable longer period as the public housing agency may establish.

(ii) WITHHOLDING OF ASSISTANCE AMOUNTS DURING CORRECTION.—The public housing agency may withhold assistance amounts under this subsection with respect to a dwelling unit for which a notice pursuant to clause (i)(II), of failure to comply with housing quality standards under subparagraph (B) as determined pursuant to an inspection conducted under subparagraph (D) or (F), has been provided. If the unit is

brought into compliance with such housing quality standards during the periods referred to in clause (i)(III), the public housing agency shall recommence assistance payments and may use any amounts withheld during the correction period to make assistance payments relating to the period during which payments were withheld.

(iii) ABATEMENT OF ASSISTANCE AMOUNTS.—The public housing agency shall abate all of the assistance amounts under this subsection with respect to a dwelling unit that is determined, pursuant to clause (i) of this subparagraph, to be in noncompliance with housing quality standards under subparagraph (B). Upon completion of repairs by the public housing agency or the owner sufficient so that the dwelling unit complies with such housing quality standards, the agency shall recommence payments under the housing assistance payments contract to the owner of the dwelling unit.

(iv) NOTIFICATION.—If a public housing agency providing assistance under this subsection abates rental assistance payments pursuant to clause (iii) with respect to a dwelling unit, the agency shall, upon commencement of such abatement—

(I) notify the tenant and the owner of the dwelling unit that—

(aa) such abatement has commenced; and

(bb) if the dwelling unit is not brought into compliance with housing quality standards within 60 days after the effective date of the determination of noncompliance under clause (i) or such reasonable longer period as the agency may establish, the tenant will have to move; and

(II) issue the tenant the necessary forms to allow the tenant to move to another dwelling unit and transfer the rental assistance to that unit.

(v) PROTECTION OF TENANTS.—An owner of a dwelling unit may not terminate the tenancy of any tenant because of the withholding or abatement of assistance pursuant to this subparagraph. During the period that assistance is abated pursuant to this subparagraph, the tenant may terminate the tenancy by notifying the owner.

(vi) TERMINATION OF LEASE OR ASSISTANCE PAYMENTS CONTRACT.—If assistance amounts under this section for a dwelling unit are abated pursuant to clause (iii) and the owner does not correct the noncompliance within 60 days after the effective date of the determination of noncompliance under clause (i), or such other reasonable longer period as the public housing agency may establish, the agency shall terminate the housing assistance payments contract for the dwelling unit.

(vii) RELOCATION.—

(I) LEASE OF NEW UNIT.—The agency shall provide the family residing in such a dwelling unit a period of 90 days or such longer period as the public housing agency determines is reasonably necessary to lease a new unit, beginning upon termination of the contract, to lease a new residence with tenant-based rental assistance under this section.

(II) AVAILABILITY OF PUBLIC HOUSING UNITS.—If the family is unable to lease such a new residence during such period, the public housing agency shall, at the option of the family, provide such family a preference for occupancy in a dwelling unit of public housing that is owned or operated by the agency that first becomes available for occupancy after the expiration of such period.

(III) ASSISTANCE IN FINDING UNIT.—The public housing agency may provide assistance to the family in finding a new residence, including use of up to two months of any assistance amounts withheld or abated pursuant to clause (ii) or (iii), respectively, for costs directly associated with relocation of the family to a new residence, which shall include security deposits as necessary and may include reimbursements for reasonable moving expenses incurred by the household, as established by the Secretary. The agency may require that a family receiving assistance for a security deposit shall remit, to the extent of such assistance, the amount of any security deposit refunds made by the owner of the dwelling unit for which the lease was terminated.

(viii) TENANT-CAUSED DAMAGES.—If a public housing agency determines that any damage to a dwelling unit that results in a failure of the dwelling unit to comply with housing quality standards under subparagraph (B), other than any damage resulting from ordinary use, was caused by the tenant, any member of the tenant's household, or any guest or other person under the tenant's control, the agency may waive the applicability of this subparagraph, except that this clause shall not exonerate a tenant from any liability otherwise existing under applicable law for damages to the premises caused by such tenant.

(ix) APPLICABILITY.—This subparagraph shall apply to any dwelling unit for which a housing assistance payments contract is entered into or renewed after the date of the effectiveness of the regulations implementing this subparagraph.

(H) INSPECTION GUIDELINES.—The Secretary shall establish procedural guidelines and performance standards to facilitate inspections of dwelling units and conform such inspections with practices utilized in the private housing market. Such guidelines and standards shall take into consideration variations in local laws and practices of public

housing agencies and shall provide flexibility to authorities appropriate to facilitate efficient provision of assistance under this subsection.

(9) VACATED UNITS.—If an assisted family vacates a dwelling unit for which rental assistance is provided under a housing assistance payment contract before the expiration of the term of the lease for the unit, rental assistance pursuant to such contract may not be provided for the unit after the month during which the unit was vacated.

(10) RENT.—

(A) REASONABLENESS.—The rent for dwelling units for which a housing assistance payment contract is established under this subsection shall be reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted local market.

(B) NEGOTIATIONS.—A public housing agency (or other entity, as provided in paragraph (11)) shall, at the request of a family receiving tenant-based assistance under this subsection, assist that family in negotiating a reasonable rent with a dwelling unit owner. A public housing agency (or such other entity) shall review the rent for a unit under consideration by the family (and all rent increases for units under lease by the family) to determine whether the rent (or rent increase) requested by the owner is reasonable. If a public housing agency (or other such entity) determines that the rent (or rent increase) for a dwelling unit is not reasonable, the public housing agency (or other such entity) shall not make housing assistance payments to the owner under this subsection with respect to that unit.

(C) UNITS EXEMPT FROM LOCAL RENT CONTROL.—If a dwelling unit for which a housing assistance payment contract is established under this subsection is exempt from local rent control provisions during the term of that contract, the rent for that unit shall be reasonable in comparison with other units in the market area that are exempt from local rent control provisions.

(D) TIMELY PAYMENTS.—Each public housing agency shall make timely payment of any amounts due to a dwelling unit owner under this subsection. The housing assistance payment contract between the owner and the public housing agency may provide for penalties for the late payment of amounts due under the contract, which shall be imposed on the public housing agency in accordance with generally accepted practices in the local housing market.

(E) PENALTIES.—Unless otherwise authorized by the Secretary, each public housing agency shall pay any penalties from administrative fees collected by the public housing agency, except that no penalty shall be imposed if the late payment is due to factors that the Secretary determines are beyond the control of the public housing agency.

(F) TAX CREDIT PROJECTS.—In the case of a dwelling unit receiving tax credits pursuant to section 42 of the Internal Revenue Code of 1986 or for which assistance is provided under subtitle A of title II of the Cranston Gonzalez Na-

tional Affordable Housing Act of 1990, for which a housing assistance contract not subject to paragraph (13) of this subsection is established, rent reasonableness shall be determined as otherwise provided by this paragraph, except that—

(i) comparison with rent for units in the private, unassisted local market shall not be required if the rent is equal to or less than the rent for other comparable units receiving such tax credits or assistance in the project that are not occupied by families assisted with tenant-based assistance under this subsection; and

(ii) the rent shall not be considered reasonable for purposes of this paragraph if it exceeds the greater of—

(I) the rents charged for other comparable units receiving such tax credits or assistance in the project that are not occupied by families assisted with tenant-based assistance under this subsection; and

(II) the payment standard established by the public housing agency for a unit of the size involved.

(11) LEASING OF UNITS OWNED BY PHA.—

(A) INSPECTIONS AND RENT DETERMINATIONS.—If an eligible family assisted under this subsection leases a dwelling unit (other than a public housing dwelling unit) that is owned by a public housing agency administering assistance under this subsection, the Secretary shall require the unit of general local government or another entity approved by the Secretary, to make inspections required under paragraph (8) and rent determinations required under paragraph (10). The agency shall be responsible for any expenses of such inspections and determinations.

(B) UNITS OWNED BY PHA.—For purposes of this subsection, the term “owned by a public housing agency” means, with respect to a dwelling unit, that the dwelling unit is in a project that is owned by such agency, by an entity wholly controlled by such agency, or by a limited liability company or limited partnership in which such agency (or an entity wholly controlled by such agency) holds a controlling interest in the managing member or general partner. A dwelling unit shall not be deemed to be owned by a public housing agency for purposes of this subsection because the agency holds a fee interest as ground lessor in the property on which the unit is situated, holds a security interest under a mortgage or deed of trust on the unit, or holds a non-controlling interest in an entity which owns the unit or in the managing member or general partner of an entity which owns the unit.

(12) ASSISTANCE FOR RENTAL OF MANUFACTURED HOUSING.—

(A) IN GENERAL.—A public housing agency may make assistance payments in accordance with this subsection on behalf of a family that utilizes a manufactured home as a principal place of residence and rents the real property on

which the manufactured home owned by any such family is located.

(B) RENT CALCULATION.—

(i) CHARGES INCLUDED.—For assistance pursuant to this paragraph, rent shall mean the sum of the monthly payments made by a family assisted under this paragraph to amortize the cost of purchasing the manufactured home, including any required insurance and property taxes, the monthly amount allowed for tenant-paid utilities, and the monthly rent charged for the real property on which the manufactured home is located, including monthly management and maintenance charges.

(ii) MONTHLY ASSISTANCE PAYMENT.—The monthly assistance payment for a family assisted under this paragraph shall be determined in accordance with paragraph (2). If the amount of the monthly assistance payment for a family exceeds the monthly rent charged for the real property on which the manufactured home is located, including monthly management and maintenance charges, a public housing agency may pay the remainder to the family, lender or utility company, or may choose to make a single payment to the family for the entire monthly assistance amount.

(13) PHA PROJECT-BASED ASSISTANCE.—

(A) IN GENERAL.—A public housing agency may use amounts provided under an annual contributions contract under this subsection to enter into a housing assistance payment contract with respect to an existing, newly constructed, or rehabilitated project, that is attached to the project, subject to the limitations and requirements of this paragraph.

(B) PERCENTAGE LIMITATION.—

(i) IN GENERAL.—Subject to clause (ii), a public housing agency may use for project-based assistance under this paragraph not more than 20 percent of the authorized units for the agency.

(ii) EXCEPTION.—A public housing agency may use up to an additional 10 percent of the authorized units for the agency for project-based assistance under this paragraph, to provide units that house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302), that house families with veterans, that provide supportive housing to persons with disabilities or elderly persons, that house eligible youths receiving assistance pursuant to subsection (x)(2)(B), or that are located in areas where vouchers under this subsection are difficult to use, as specified in subparagraph (D)(ii)(II). Any units of project-based assistance that are attached to units previously subject to federally required rent restrictions or receiving another type of long-term housing subsidy provided by the Secretary shall not count toward the percentage limitation under clause (i) of this subparagraph. The

Secretary may, by regulation, establish additional categories for the exception under this clause.

(C) CONSISTENCY WITH PHA PLAN AND OTHER GOALS.—A public housing agency may approve a housing assistance payment contract pursuant to this paragraph only if the contract is consistent with—

(i) the public housing agency plan for the agency approved under section 5A; and

(ii) the goal of deconcentrating poverty and expanding housing and economic opportunities.

(D) INCOME-MIXING REQUIREMENT.—

(i) IN GENERAL.—Except as provided in clause (ii), not more than the greater of 25 dwelling units or 25 percent of the dwelling units in any project may be assisted under a housing assistance payment contract for project-based assistance pursuant to this paragraph. For purposes of this subparagraph, the term “project” means a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land.

(ii) EXCEPTIONS.—

(I) CERTAIN FAMILIES.—The limitation under clause (i) shall not apply to dwelling units assisted under a contract that are exclusively made available to elderly families, to eligible youths receiving assistance pursuant to subsection (x)(2)(B), or to households eligible for supportive services that are made available to the assisted residents of the project, according to standards for such services the Secretary may establish.

(II) CERTAIN AREAS.—With respect to areas in which tenant-based vouchers for assistance under this subsection are difficult to use, as determined by the Secretary, and with respect to census tracts with a poverty rate of 20 percent or less, clause (i) shall be applied by substituting “40 percent” for “25 percent”, and the Secretary may, by regulation, establish additional conditions.

(III) CERTAIN CONTRACTS.—The limitation under clause (i) shall not apply with respect to contracts or renewal of contracts under which a greater percentage of the dwelling units in a project were assisted under a housing assistance payment contract for project-based assistance pursuant to this paragraph on the date of the enactment of the Housing Opportunity Through Modernization Act of 2016.

(IV) CERTAIN PROPERTIES.—Any units of project-based assistance under this paragraph that are attached to units previously subject to federally required rent restrictions or receiving other project-based assistance provided by the Secretary shall not count toward the percentage limitation imposed by this subparagraph (D).

(iii) **ADDITIONAL MONITORING AND OVERSIGHT REQUIREMENTS.**—The Secretary may establish additional requirements for monitoring and oversight of projects in which more than 40 percent of the dwelling units are assisted under a housing assistance payment contract for project-based assistance pursuant to this paragraph.

(E) **RESIDENT CHOICE REQUIREMENT.**—A housing assistance payment contract pursuant to this paragraph shall provide as follows:

(i) **MOBILITY.**—Each low-income family occupying a dwelling unit assisted under the contract may move from the housing at any time after the family has occupied the dwelling unit for 12 months.

(ii) **CONTINUED ASSISTANCE.**—Upon such a move, the public housing agency shall provide the low-income family with tenant-based rental assistance under this section or such other tenant-based rental assistance that is subject to comparable income, assistance, rent contribution, affordability, and other requirements, as the Secretary shall provide by regulation. If such rental assistance is not immediately available to fulfill the requirement under the preceding sentence with respect to a low-income family, such requirement may be met by providing the family priority to receive the next voucher or other tenant-based rental assistance amounts that become available under the program used to fulfill such requirement.

(F) **CONTRACT TERM.**—

(i) **TERM.**—A housing assistance payment contract pursuant to this paragraph between a public housing agency and the owner of a project may have a term of up to 20 years, subject to—

(I) the availability of sufficient appropriated funds for the purpose of renewing expiring contracts for assistance payments, as provided in appropriation Acts and in the agency's annual contributions contract with the Secretary, provided that in the event of insufficient appropriated funds, payments due under contracts under this paragraph shall take priority if other cost-saving measures that do not require the termination of an existing contract are available to the agency; and

(II) compliance with the inspection requirements under paragraph (8), except that the agency shall not be required to make biennial inspections of each assisted unit in the development.

(ii) **ADDITION OF ELIGIBLE UNITS.**—Subject to the limitations of subparagraphs (B) and (D), the agency and the owner may add eligible units within the same project to a housing assistance payments contract at any time during the term thereof without being subject to any additional competitive selection procedures.

(iii) HOUSING UNDER CONSTRUCTION OR RECENTLY CONSTRUCTED.—An agency may enter into a housing assistance payments contract with an owner for any unit that does not qualify as existing housing and is under construction or recently has been constructed whether or not the agency has executed an agreement to enter into a contract with the owner, provided that the owner demonstrates compliance with applicable requirements prior to execution of the housing assistance payments contract. This clause shall not subject a housing assistance payments contract for existing housing under this paragraph to such requirements or otherwise limit the extent to which a unit may be assisted as existing housing.

(iv) ADDITIONAL CONDITIONS.—The contract may specify additional conditions, including with respect to continuation, termination, or expiration, and shall specify that upon termination or expiration of the contract without extension, each assisted family may elect to use its assistance under this subsection to remain in the same project if its unit complies with the inspection requirements under paragraph (8), the rent for the unit is reasonable as required by paragraph (10)(A), and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount allowed for tenant-based utilities) exceeds the applicable payment standard.

(G) EXTENSION OF CONTRACT TERM.—A public housing agency may enter into a contract with the owner of a project assisted under a housing assistance payment contract pursuant to this paragraph to extend the term of the underlying housing assistance payment contract for such period as the agency determines to be appropriate to achieve long-term affordability of the housing or to expand housing opportunities. Such contract may, at the election of the public housing agency and the owner of the project, specify that such contract shall be extended for renewal terms of up to 20 years each, if the agency makes the determination required by this subparagraph and the owner is in compliance with the terms of the contract. Such a contract shall provide that the extension of such term shall be contingent upon the future availability of appropriated funds for the purpose of renewing expiring contracts for assistance payments, as provided in appropriations Acts, and may obligate the owner to have such extensions of the underlying housing assistance payment contract accepted by the owner and the successors in interest of the owner. A public housing agency may agree to enter into such a contract at the time it enters into the initial agreement for a housing assistance payment contract or at any time thereafter that is before the expiration of the housing assistance payment contract.

(H) RENT CALCULATION.—A housing assistance payment contract pursuant to this paragraph shall establish rents for each unit assisted in an amount that does not exceed

110 percent of the applicable fair market rental (or any exception payment standard approved by the Secretary pursuant to paragraph (1)(D)), except that if a contract covers a dwelling unit that has been allocated low-income housing tax credits pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) and is not located in a qualified census tract (as such term is defined in subsection (d) of such section 42), the rent for such unit may be established at any level that does not exceed the rent charged for comparable units in the building that also receive the low-income housing tax credit but do not have additional rental assistance, except that in the case of a contract unit that has been allocated low-income housing tax credits and for which the rent limitation pursuant to such section 42 is less than the amount that would otherwise be permitted under this subparagraph, the rent for such unit may, in the sole discretion of a public housing agency, be established at the higher section 8 rent, subject only to paragraph (10)(A). The rents established by housing assistance payment contracts pursuant to this paragraph may vary from the payment standards established by the public housing agency pursuant to paragraph (1)(B), but shall be subject to paragraph (10)(A).

(I) RENT ADJUSTMENTS.—A housing assistance payments contract pursuant to this paragraph entered into after the date of the enactment of the Housing Opportunity Through Modernization Act of 2016 shall provide for annual rent adjustments upon the request of the owner, except that—

(i) by agreement of the parties, a contract may allow a public housing agency to adjust the rent for covered units using an operating cost adjustment factor established by the Secretary pursuant to section 524(c) of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (which shall not result in a negative adjustment), in which case the contract may require an additional adjustment, if requested, up to the reasonable rent periodically during the term of the contract, and shall require such an adjustment, if requested, upon extension pursuant to subparagraph (G);

(ii) the adjusted rent shall not exceed the maximum rent permitted under subparagraph (H);

(iii) the contract may provide that the maximum rent permitted for a dwelling unit shall not be less than the initial rent for the dwelling unit under the initial housing assistance payments contract covering the units; and

(iv) the provisions of subsection (c)(2)(C) shall not apply.

(J) TENANT SELECTION.—A public housing agency may select families to receive project-based assistance pursuant to this paragraph from its waiting list for assistance under this subsection or may permit owners to select applicants from site-based waiting lists as specified in this subparagraph. Eligibility for such project-based assistance shall be

subject to the provisions of section 16(b) that apply to tenant-based assistance. The agency or owner may establish preferences or criteria for selection for a unit assisted under this paragraph that are consistent with the public housing agency plan for the agency approved under section 5A and that give preference to families who qualify for voluntary services, including disability-specific services, offered in conjunction with assisted units. Any family that rejects an offer of project-based assistance under this paragraph or that is rejected for admission to a project by the owner or manager of a project assisted under this paragraph shall retain its place on the waiting list as if the offer had not been made. A public housing agency may establish and utilize procedures for owner-maintained site-based waiting lists, under which applicants may apply at, or otherwise designate to the public housing agency, the project or projects in which they seek to reside, except that all eligible applicants on the waiting list of an agency for assistance under this subsection shall be permitted to place their names on such separate list, subject to policies and procedures established by the Secretary. All such procedures shall comply with title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and other applicable civil rights laws. The owner or manager of a project assisted under this paragraph shall not admit any family to a dwelling unit assisted under a contract pursuant to this paragraph other than a family referred by the public housing agency from its waiting list, or a family on a site-based waiting list that complies with the requirements of this subparagraph. A public housing agency shall disclose to each applicant all other options in the selection of a project in which to reside that are provided by the public housing agency and are available to the applicant.

(K) VACATED UNITS.—Notwithstanding paragraph (9), a housing assistance payment contract pursuant to this paragraph may provide as follows:

(i) PAYMENT FOR VACANT UNITS.—That the public housing agency may, in its discretion, continue to provide assistance under the contract, for a reasonable period not exceeding 60 days, for a dwelling unit that becomes vacant, but only: (I) if the vacancy was not the fault of the owner of the dwelling unit; and (II) the agency and the owner take every reasonable action to minimize the likelihood and extent of any such vacancy. Rental assistance may not be provided for a vacant unit after the expiration of such period.

(ii) REDUCTION OF CONTRACT.—That, if despite reasonable efforts of the agency and the owner to fill a vacant unit, no eligible family has agreed to rent the unit within 120 days after the owner has notified the agency of the vacancy, the agency may reduce its housing assistance payments contract with the owner by the amount equivalent to the remaining months of subsidy attributable to the vacant unit. Amounts

deobligated pursuant to such a contract provision shall be available to the agency to provide assistance under this subsection.

Eligible applicants for assistance under this subsection may enforce provisions authorized by this subparagraph.

(L) USE IN COOPERATIVE HOUSING AND ELEVATOR BUILDINGS.—A public housing agency may enter into a housing assistance payments contract under this paragraph with respect to—

(i) dwelling units in cooperative housing; and

(ii) notwithstanding subsection (c), dwelling units in a high-rise elevator project, including such a project that is occupied by families with children, without review and approval of the contract by the Secretary.

(M) REVIEWS.—

(i) SUBSIDY LAYERING.—A subsidy layering review in accordance with section 102(d) of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545(d)) shall not be required for assistance under this paragraph in the case of a housing assistance payments contract for an existing project, or if a subsidy layering review has been conducted by the applicable State or local agency.

(ii) ENVIRONMENTAL REVIEW.—A public housing agency shall not be required to undertake any environmental review before entering into a housing assistance payments contract under this paragraph for an existing project, except to the extent such a review is otherwise required by law or regulation relating to funding other than housing assistance payments.

(N) STRUCTURE OWNED BY AGENCY.—A public housing agency engaged in an initiative to improve, develop, or replace a public housing property or site may attach assistance to an existing, newly constructed, or rehabilitated structure in which the agency has an ownership interest or which the agency has control of without following a competitive process, provided that the agency has notified the public of its intent through its public housing agency plan and subject to the limitations and requirements of this paragraph.

(O) SPECIAL PURPOSE VOUCHERS.—A public housing agency that administers vouchers authorized under subsection (o)(19) or (x) of this section may provide such assistance in accordance with the limitations and requirements of this paragraph, without additional requirements for approval by the Secretary.

(14) INAPPLICABILITY TO TENANT-BASED ASSISTANCE.—Subsection (c) shall not apply to tenant-based assistance under this subsection.

(15) HOMEOWNERSHIP OPTION.—

(A) IN GENERAL.—A public housing agency providing assistance under this subsection may, at the option of the agency, provide assistance for homeownership under subsection (y).

(B) ALTERNATIVE ADMINISTRATION.—A public housing agency may contract with a nonprofit organization to administer a homeownership program under subsection (y).

(16) RENTAL VOUCHERS FOR RELOCATION OF WITNESSES AND VICTIMS OF CRIME.—

(A) WITNESSES.—Of amounts made available for assistance under this subsection in each fiscal year, the Secretary, in consultation with the Inspector General, shall make available such sums as may be necessary for the relocation of witnesses in connection with efforts to combat crime in public and assisted housing pursuant to requests from law enforcement or prosecution agencies.

(B) VICTIMS OF CRIME.—

(i) IN GENERAL.—Of amounts made available for assistance under this section in each fiscal year, the Secretary shall make available such sums as may be necessary for the relocation of families residing in public housing who are victims of a crime of violence (as that term is defined in section 16 of title 18, United States Code) that has been reported to an appropriate law enforcement agency.

(ii) NOTICE.—A public housing agency that receives amounts under this subparagraph shall establish procedures for providing notice of the availability of that assistance to families that may be eligible for that assistance.

(17) DEED RESTRICTIONS.—Assistance under this subsection may not be used in any manner that abrogates any local deed restriction that applies to any housing consisting of 1 to 4 dwelling units. This paragraph may not be construed to affect the provisions or applicability of the Fair Housing Act.

(18) RENTAL ASSISTANCE FOR ASSISTED LIVING FACILITIES.—

(A) IN GENERAL.—A public housing agency may make assistance payments on behalf of a family that uses an assisted living facility as a principal place of residence and that uses such supportive services made available in the facility as the agency may require. Such payments may be made only for covering costs of rental of the dwelling unit in the assisted living facility and not for covering any portion of the cost of residing in such facility that is attributable to service relating to assisted living.

(B) RENT CALCULATION.—

(i) CHARGES INCLUDED.—For assistance pursuant to this paragraph, the rent of the dwelling unit that is an assisted living facility with respect to which assistance payments are made shall include maintenance and management charges related to the dwelling unit and tenant-paid utilities. Such rent shall not include any charges attributable to services relating to assisted living.

(ii) PAYMENT STANDARD.—In determining the monthly assistance that may be paid under this paragraph on behalf of any family residing in an assisted living facility, the public housing agency shall utilize the payment standard established under paragraph (1),

for the market area in which the assisted living facility is located, for the applicable size dwelling unit.

(iii) MONTHLY ASSISTANCE PAYMENT.—The monthly assistance payment for a family assisted under this paragraph shall be determined in accordance with paragraph (2) (using the rent and payment standard for the dwelling unit as determined in accordance with this subsection), except that a family may be required at the time the family initially receives such assistance to pay rent in an amount exceeding 40 percent of the monthly adjusted income of the family by such an amount or percentage that is reasonable given the services and amenities provided and as the Secretary deems appropriate..

(C) DEFINITION.—For the purposes of this paragraph, the term “assisted living facility” has the meaning given that term in section 232(b) of the National Housing Act (12 U.S.C. 1715w(b)), except that such a facility may be contained within a portion of a larger multifamily housing project.

(19) RENTAL VOUCHERS FOR VETERANS AFFAIRS SUPPORTED HOUSING PROGRAM.—

(A) SET ASIDE.—Subject to subparagraph (C), the Secretary shall set aside, from amounts made available for rental assistance under this subsection, the amounts specified in subparagraph (B) for use only for providing such assistance through a supported housing program administered in conjunction with the Department of Veterans Affairs. Such program shall provide rental assistance on behalf of homeless veterans who have chronic mental illnesses or chronic substance use disorders, shall require agreement of the veteran to continued treatment for such mental illness or substance use disorder as a condition of receipt of such rental assistance, and shall ensure such treatment and appropriate case management for each veteran receiving such rental assistance.

(B) AMOUNT.—The amount specified in this subparagraph is—

(i) for fiscal year 2007, the amount necessary to provide 500 vouchers for rental assistance under this subsection;

(ii) for fiscal year 2008, the amount necessary to provide 1,000 vouchers for rental assistance under this subsection;

(iii) for fiscal year 2009, the amount necessary to provide 1,500 vouchers for rental assistance under this subsection;

(iv) for fiscal year 2010, the amount necessary to provide 2,000 vouchers for rental assistance under this subsection; and

(20) COLLECTION OF UTILITY DATA.—

(B) USE OF DATA.—The Secretary shall provide such data in a manner that—

(p) In order to assist elderly families (as defined in section 3(b)(3)) who elect to live in a shared housing arrangement in which they benefit as a result of sharing the facilities of a dwelling with others in a manner that effectively and efficiently meets their housing needs and thereby reduces their costs of housing, the Secretary shall permit assistance provided under the existing housing and moderate rehabilitation programs to be used by such families in such arrangements. In carrying out this subsection, the Secretary shall issue minimum habitability standards for the purpose of assuring decent, safe, and sanitary housing for such families while taking into account the special circumstances of shared housing.

(q) ADMINISTRATIVE FEES.—

(1) FEE FOR ONGOING COSTS OF ADMINISTRATION.—

(A) IN GENERAL.—The Secretary shall establish fees for the costs of administering the tenant-based assistance, certificate, voucher, and moderate rehabilitation programs under this section.

(B) FISCAL YEAR 1999.—

(i) CALCULATION.—For fiscal year 1999, the fee for each month for which a dwelling unit is covered by an assistance contract shall be—

(II) the amount that is the lesser of (aa) such fair market rental for fiscal year 1994, or (bb) 103.5 percent of the amount determined under clause (i),

adjusted based on changes in wage data or other objectively measurable data that reflect the costs of administering the program, as determined by the Secretary. The Secretary may require that the base amount be

not less than a minimum amount and not more than a maximum amount.

(C) SUBSEQUENT FISCAL YEARS.—For subsequent fiscal years, the Secretary shall publish a notice in the Federal Register, for each geographic area, establishing the amount of the fee that would apply for public housing agencies administering the program, based on changes in wage data or other objectively measurable data that reflect the costs of administering the program, as determined by the Secretary.

(D) INCREASE.—The Secretary may increase the fee if necessary to reflect the higher costs of administering small programs and programs operating over large geographic areas.

(E) DECREASE.—The Secretary may decrease the fee for units owned by a public housing agency to reflect reasonable costs of administration.

(2) FEE FOR PRELIMINARY EXPENSES.—The Secretary shall also establish reasonable fees (as determined by the Secretary) for—

(A) the costs of preliminary expenses, in the amount of \$500, for a public housing agency, except that such fee shall apply to an agency only in the first year that the agency administers a tenant-based assistance program under this section, and only if, immediately before the effective date under section 503(a) of the Quality Housing and Work Responsibility Act of 1998, the agency was not administering a tenant-based assistance program under the United States Housing Act of 1937 (as in effect immediately before such effective date), in connection with its initial increment of assistance received;

(B) the costs incurred in assisting families who experience difficulty (as determined by the Secretary) in obtaining appropriate housing under the programs; and

(C) extraordinary costs approved by the Secretary.

(3) TRANSFER OF FEES IN CASES OF CONCURRENT GEOGRAPHICAL JURISDICTION.—In each fiscal year, if any public housing agency provides tenant-based assistance under this section on behalf of a family who uses such assistance for a dwelling unit that is located within the jurisdiction of such agency but is also within the jurisdiction of another public housing agency, the Secretary shall take such steps as may be necessary to ensure that the public housing agency that provides the services for a family receives all or part of the administrative fee under this section (as appropriate).

(4) APPLICABILITY.—This subsection shall apply to fiscal year 1999 and fiscal years thereafter.

(5) SUPPLEMENTS FOR ADMINISTERING ASSISTANCE FOR YOUTH AGING OUT OF FOSTER CARE.—The Secretary may provide supplemental fees under this subsection to the public housing agency for the cost of administering any assistance for foster youth under subsection (x)(2)(B), in an amount determined by the Secretary, but only if the agency waives for such eligible youth receiving assistance any residency requirement that it has otherwise established pursuant to subsection (r)(1)(B)(i).

(r) PORTABILITY.—(1) IN GENERAL.—(A) Any family receiving tenant-based assistance under subsection (o) may receive such assistance to rent an eligible dwelling unit if the dwelling unit to which the family moves is within any area in which a program is being administered under this section.

(ii) The Secretary may establish such exceptions to the authority of public housing agencies established under clause (i).

The Secretary shall establish procedures for the compensation of public housing agencies that issue vouchers to families that move into or out of the jurisdiction of the public housing agency under portability procedures. The Secretary may reserve amounts available for assistance under subsection (o) to compensate those public housing agencies.

(4) The provisions of this subsection may not be construed to restrict any authority of the Secretary under any other provision of law to provide for the portability of assistance under this section.

(5) LEASE VIOLATIONS.—A family may not receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has moved out of the assisted dwelling unit of the family in violation of a lease, except that a family may receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has complied with all other obligations of the section 8 program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit.

(s) In selecting families for the provision of assistance under this section (including subsection (o)), a public housing agency may not exclude or penalize a family solely because the family resides in a public housing project.

(A) subject only to subparagraph (D), the assisted family shall pay as rent no less than the amount the family was paying on the date of the eligibility event for the project in which the family was residing on such date;

(B) the assisted family may elect to remain in the same project in which the family was residing on the date of the eligibility event for the project, and if, during any period the family makes such an election and continues to so reside, the rent for the dwelling unit of the family in such project exceeds the applicable payment standard established pursuant to subsection (o) for the unit, the amount of rental assistance provided on behalf of the family shall be determined using a payment standard that is equal to the rent for the dwelling unit (as such rent may be increased from time-to-time), subject to paragraph (10)(A) of subsection (o) and any other reasonable limit prescribed by the Secretary, except that a limit shall not be considered reasonable for purposes of this subparagraph if it adversely affects such assisted families;

(C) subparagraph (B) of this paragraph shall not apply and the payment standard for the dwelling unit occupied by the family shall be determined in accordance with subsection (o) if—

(i) the assisted family moves, at any time, from such project; or

(ii) the voucher is made available for use by any family other than the original family on behalf of whom the voucher was provided; and

(D) if the annual adjusted income of the assisted family declines to a significant extent, the percentage of annual adjusted income paid by the family for rent shall not exceed the greater of 30 percent or the percentage of annual adjusted income paid at the time of the eligibility event for the project.

(2) ELIGIBILITY EVENT.—For purposes of this subsection, the term “eligibility event” means, with respect to a multifamily housing project, the prepayment of the mortgage on such housing project, the voluntary termination of the insurance contract for the mortgage for such housing project (including any such mortgage prepayment during fiscal year 1996 or a fiscal year thereafter or any insurance contract voluntary termination during fiscal year 1996 or a fiscal year thereafter), the termination or expiration of the contract for rental assistance under section 8 of the United States Housing Act of 1937 for such housing project (including any such termination or expiration during fiscal years after fiscal year 1994 prior to the effective date of the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 2001), or the transaction under which the project is preserved as affordable housing, that, under paragraphs (3) and (4) of section 515(c), section 524(d) of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (42 U.S.C. 1437f note), section 223(f) of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4113(f)), or section 201(p) of the Housing and Community Development

Amendments of 1978 (12 U.S.C. 1715z-1a(p)), results in tenants in such housing project being eligible for enhanced voucher assistance under this subsection.

(3) TREATMENT OF ENHANCED VOUCHERS PROVIDED UNDER OTHER AUTHORITY.—

(A) IN GENERAL.—Notwithstanding any other provision of law, any enhanced voucher assistance provided under any authority specified in subparagraph (B) shall (regardless of the date that the amounts for providing such assistance were made available) be treated, and subject to the same requirements, as enhanced voucher assistance under this subsection.

(B) IDENTIFICATION OF OTHER AUTHORITY.—The authority specified in this subparagraph is the authority under—

The transfer shall be under such terms as the Secretary may prescribe.

**HOUSING ACT OF 1959**

\* \* \* \* \*

**TITLE II—HOUSING FOR THE ELDERLY OR HANDICAPPED**

\* \* \* \* \*

**SEC. 202. SUPPORTIVE HOUSING FOR THE ELDERLY.**

(a) PURPOSE.—The purpose of this section is to enable elderly persons to live with dignity and independence by expanding the supply of supportive housing that—

(1) is designed to accommodate the special needs of elderly persons; and

(2) provides a range of services that are tailored to the needs of elderly persons occupying such housing.

(b) GENERAL AUTHORITY.—The Secretary is authorized to provide assistance to private nonprofit organizations and consumer co-

operatives to expand the supply of supportive housing for the elderly. Such assistance shall be provided as (1) capital advances in accordance with subsection (c)(1), and (2) contracts for project rental assistance in accordance with subsection (c)(2). Such assistance may be used to finance the construction, reconstruction, or moderate or substantial rehabilitation of a structure or a portion of a structure, or the acquisition of a structure, to be used as supportive housing for the elderly in accordance with this section. Assistance may also cover the cost of real property acquisition, site improvement, conversion, demolition, relocation, and other expenses that the Secretary determines are necessary to expand the supply of supportive housing for the elderly.

(c) FORMS OF ASSISTANCE.—

(1) CAPITAL ADVANCES.—A capital advance provided under this section shall bear no interest and its repayment shall not be required so long as the housing remains available for very low-income elderly persons in accordance with this section. Such advance shall be in an amount calculated in accordance with the development cost limitation established in subsection (h).

(2) PROJECT RENTAL ASSISTANCE.—Contracts for project rental assistance shall obligate the Secretary to make monthly payments to cover any part of the costs attributed to units occupied (or, as approved by the Secretary, held for occupancy) by very low-income elderly persons that is not met from project income. The annual contract amount for any project shall not exceed the sum of the initial annual project rentals for all units so occupied and any initial utility allowances for such units, as approved by the Secretary. Any contract amounts not used by a project in any year shall remain available to the project until the expiration of the contract. The Secretary may adjust the annual contract amount if the sum of the project income and the amount of assistance payments available under this paragraph are inadequate to provide for reasonable project costs.

(3) TENANT RENT CONTRIBUTION.—A very low-income person shall pay as rent for a dwelling unit assisted under this section the highest of the following amounts, rounded to the nearest dollar: (A) 30 percent of the person's adjusted monthly income, (B) 10 percent of the person's monthly income, or (C) if the person is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the person's actual housing costs, is specifically designated by such agency to meet the person's housing costs, the portion of such payments which is so designated.

(d) TERM OF COMMITMENT.—

(1) USE LIMITATIONS.—All units in housing assisted under this section shall be made available for occupancy by very low-income elderly persons for not less than 40 years.

(2) CONTRACT TERMS.—The initial term of a contract entered into under subsection (c)(2) shall be 240 months. The Secretary shall, to the extent approved in appropriation Acts, extend any expiring contract for a term of not less than 60 months. In order to facilitate the orderly extension of expiring contracts,

the Secretary is authorized to make commitments to extend expiring contracts during the year prior to the date of expiration.

(e) APPLICATIONS.—Funds made available under this section shall be allocated by the Secretary among approvable applications submitted by private nonprofit organizations. Applications for assistance under this section shall be submitted by an applicant in such form and in accordance with such procedures as the Secretary shall establish. Such applications shall contain—

- (1) a description of the proposed housing;
- (2) a description of the assistance the applicant seeks under this section;
- (3) a description of the resources that are expected to be made available in compliance with subsection (h);
- (4) a description of (A) the category or categories of elderly persons the housing is intended to serve; (B) the supportive services, if any, to be provided to the persons occupying such housing; (C) the manner in which such services will be provided to such persons, including, in the case of frail elderly persons, evidence of such residential supervision as the Secretary determines is necessary to facilitate the adequate provision of such services; and (D) the public or private sources of assistance that can reasonably be expected to fund or provide such services;
- (5) a certification from the public official responsible for submitting a housing strategy for the jurisdiction to be served in accordance with section 105 of the Cranston-Gonzalez National Affordable Housing Act that the proposed project is consistent with the approved housing strategy; and
- (6) such other information or certifications that the Secretary determines to be necessary or appropriate to achieve the purposes of this section.

The Secretary shall not reject an application on technical grounds without giving notice of that rejection and the basis therefor to the applicant and affording the applicant an opportunity to respond.

(f) INITIAL SELECTION CRITERIA AND PROCESSING.—(1) SELECTION CRITERIA.—The Secretary shall establish selection criteria for assistance under this section, which shall include—

- (A) the ability of the applicant to develop and operate the proposed housing;
- (B) the need for supportive housing for the elderly in the area to be served, taking into consideration the availability of public housing for the elderly and vacancy rates in such facilities;
- (C) the extent to which the proposed size and unit mix of the housing will enable the applicant to manage and operate the housing efficiently and ensure that the provision of supportive services will be accomplished in an economical fashion;
- (D) the extent to which the proposed design of the housing will meet the special physical needs of elderly persons;
- (E) the extent to which the applicant has demonstrated that the supportive services identified in subsection (e)(4) will be provided on a consistent, long-term basis;
- (F) the extent to which the proposed design of the housing will accommodate the provision of supportive services that are expected to be needed, either initially or over the useful life of

the housing, by the category or categories of elderly persons the housing is intended to serve; and

(G) such other factors as the Secretary determines to be appropriate to ensure that funds made available under this section are used effectively.

(2) DELEGATED PROCESSING.—

(A) In issuing a capital advance under this subsection for any project for which financing for the purposes described in the last two sentences of subsection (b) is provided by a combination of a capital advance under subsection (c)(1) and sources other than this section, within 30 days of award of the capital advance, the Secretary shall delegate review and processing of such projects to a State or local housing agency that—

(B) The Secretary shall retain the authority to process capital advances in cases in which no State or local housing agency has applied to provide delegated processing pursuant to this paragraph or no such agency has entered into an agreement with the Secretary to serve as a delegated processing agency.

(C) An agency to which review and processing is delegated pursuant to subparagraph (A) may assess a reasonable fee which shall be included in the capital advance amounts and may recommend project rental assistance amounts in excess of those initially awarded by the Secretary. The Secretary shall develop a schedule for reasonable fees under this subparagraph to be paid to delegated processing agencies, which shall take into consideration any other fees to be paid to the agency for other funding provided to the project by the agency, including bonds, tax credits, and other gap funding.

(D) Under such delegated system, the Secretary shall retain the authority to approve rents and development costs and to execute a capital advance within 60 days of receipt of the commitment from the State or local agency. The Secretary shall provide to such agency and the project sponsor, in writing, the reasons for any reduction in capital advance amounts or project rental assistance and such reductions shall be subject to appeal.

(g) PROVISIONS OF SERVICES.—

(1) IN GENERAL.—In carrying out the provisions of this section, the Secretary shall ensure that housing assisted under this section provides a range of services tailored to the needs of the category or categories of elderly persons (including frail elderly persons) occupying such housing. Such services may include (A) meal service adequate to meet nutritional need; (B)

housekeeping aid; (C) personal assistance; (D) transportation services; (E) health-related services; and (F) such other services as the Secretary deems essential for maintaining independent living. The Secretary may permit the provision of services to elderly persons who are not residents if the participation of such persons will not adversely affect the cost-effectiveness or operation of the program or add significantly to the need for assistance under this Act.

(2) LOCAL COORDINATION OF SERVICES.—The Secretary shall ensure that owners have the managerial capacity to—

(A) assess on an ongoing basis the service needs of residents;

(B) coordinate the provision of supportive services and tailor such services to the individual needs of residents; and

(C) seek on a continuous basis new sources of assistance to ensure the long-term provision of supportive services.

Any cost associated with this subsection shall be an eligible cost under subsection (c)(2).

(3) SERVICE COORDINATORS.—Any cost associated with employing or otherwise retaining a service coordinator in housing assisted under this section shall be considered an eligible cost under subsection (c)(2). If a project is receiving congregate housing services assistance under section 802 of the Cranston-Gonzalez National Affordable Housing Act, the amount of costs provided under subsection (c)(2) for the project service coordinator may not exceed the additional amount necessary to cover the costs of providing for the coordination of services for residents of the project who are not eligible residents under such section 802. To the extent that amounts are available pursuant to subsection (c)(2) for the costs of carrying out this paragraph within a project, an owner of housing assisted under this section shall provide a service coordinator for the housing to coordinate the provision of services under this subsection within the housing.

(h) DEVELOPMENT COST LIMITATIONS.—

(1) IN GENERAL.—The Secretary shall periodically establish development cost limitations by market area for various types and sizes of supportive housing for the elderly by publishing a notice of the cost limitations in the Federal Register. The cost limitations shall reflect—

(A) the cost of construction, reconstruction, or rehabilitation of supportive housing for the elderly that meets applicable State and local housing and building codes;

(B) the cost of movables necessary to the basic operation of the housing, as determined by the Secretary;

(C) the cost of special design features necessary to make the housing accessible to elderly persons;

(D) the cost of special design features necessary to make individual dwelling units meet the physical needs of elderly project residents;

(E) the cost of congregate space necessary to accommodate the provision of supportive services to elderly project residents;

(F) if the housing is newly constructed, the cost of meeting the energy efficiency standards promulgated by the Secretary in accordance with section 109 of the Cranston-Gonzalez National Affordable Housing Act; and

(G) the cost of land, including necessary site improvement.

In establishing development cost limitations for a given market area under this subsection, the Secretary shall use data that reflect currently prevailing costs of construction, reconstruction, or rehabilitation, and land acquisition in the area. For purposes of this paragraph, the term "congregate space" shall include space for cafeterias or dining halls, community rooms or buildings, workshops, adult day health facilities, or other outpatient health facilities, or other essential service facilities. Neither this section nor any other provision of law may be construed as prohibiting or preventing the location and operation, in a project assisted under this section, of commercial facilities for the benefit of residents of the project and the community in which the project is located, except that assistance made available under this section may not be used to subsidize any such commercial facility.

(2) ACQUISITION.—In the case of existing housing and related facilities to be acquired, the cost limitations shall include—

(A) the cost of acquiring such housing,

(B) the cost of rehabilitation, alteration, conversion, or improvement, including the moderate rehabilitation thereof, and

(C) the cost of the land on which the housing and related facilities are located.

(3) ANNUAL ADJUSTMENTS.—The Secretary shall adjust the cost limitation not less than once annually to reflect changes in the general level of construction, reconstruction, or rehabilitation costs.

(4) INCENTIVES FOR SAVINGS.—

(A) SPECIAL HOUSING ACCOUNT.—The Secretary shall use the development cost limitations established under paragraph (1) or (2) to calculate the amount of financing to be made available to individual owners. Owners which incur actual development costs that are less than the amount of financing shall be entitled to retain 50 percent of the savings in a special housing account. Such percentage shall be increased to 75 percent for owners which add energy efficiency features which—

(i) exceed the energy efficiency standards promulgated by the Secretary in accordance with section 109 of the Cranston-Gonzalez National Affordable Housing Act;

(ii) substantially reduce the life-cycle cost of the housing;

(iii) reduce gross rent requirements; and

(iv) enhance tenant comfort and convenience.

(5) DESIGN FLEXIBILITY.—The Secretary shall, to the extent practicable, give owners the flexibility to design housing appropriate to their location and proposed resident population within broadly defined parameters.

(6) USE OF FUNDS FROM OTHER SOURCES.—An owner shall be permitted voluntarily to provide funds from sources other than this section for amenities and other features of appropriate design and construction suitable for supportive housing for the elderly if the cost of such amenities is (A) not financed with the advance, and (B) is not taken into account in determining the amount of Federal assistance or of the rent contribution of tenants. Notwithstanding any other provision of law, assistance amounts provided under this section may be treated as amounts not derived from a Federal grant.

(i) TENANT SELECTION.—

(1) IN GENERAL.—An owner shall adopt written tenant selection procedures that are satisfactory to the Secretary as (A) consistent with the purpose of improving housing opportunities for very low-income elderly persons; and (B) reasonably related to program eligibility and an applicant's ability to perform the obligations of the lease. Such tenant selection procedures shall comply with subtitle C of title VI of the Housing and Community Development Act of 1992 and any regulations issued under such subtitle. (3) OWNER DEPOSIT.—

(A) IN GENERAL.—The Secretary shall require an owner to deposit an amount not to exceed \$25,000 in a special escrow account to assure the owner's commitment to the housing.

(B) REDUCTION OF REQUIREMENT.—The Secretary may reduce or waive the owner deposit specified under paragraph (1) for individual applicants if the Secretary finds that such waiver or reduction is necessary to achieve the purposes of this section and the applicant demonstrates to the satisfaction of the Secretary that it has the capacity to

manage and maintain the housing in accordance with this section. The Secretary shall reduce or waive the requirement of the owner deposit under paragraph (1) in the case of a nonprofit applicant that is not affiliated with a national sponsor, as determined by the Secretary.

(4) NOTICE OF APPEAL.—The Secretary shall notify an owner not less than 30 days prior to canceling any reservation of assistance provided under this section. During the 30-day period following the receipt of a notice under the preceding sentence, an owner may appeal the proposed cancellation of loan authority. Such appeal, including review by the Secretary, shall be completed not later than 45 days after the appeal is filed.

(A) IN GENERAL.—The Secretary shall take such action as may be necessary to ensure that all laborers and mechanics employed by contractors and subcontractors in the construction of housing with 12 or more units assisted under this section shall be paid wages at rates not less than the rates prevailing in the locality involved for the corresponding classes of laborers and mechanics employed on construction of a similar character, as determined by the Secretary of Labor in accordance with the Act of March 3, 1931 (commonly known as the Davis-Bacon Act).

(B) EXEMPTION.—Subparagraph (A) shall not apply to any individual who—

- (i) performs services for which the individual volunteered;
- (ii) (I) does not receive compensation for such services; or (II) is paid expenses, reasonable benefits, or a nominal fee for such services; and
- (iii) is not otherwise employed at any time in the construction work.

(6) ACCESS TO RESIDUAL RECEIPTS.—The Secretary shall authorize the owner of a project assisted under this section to use any residual receipts held for the project in excess of \$500 per unit (or in excess of such other amount prescribed by the Secretary based on the needs of the project) for activities to retrofit and renovate the project described under section 802(d)(3) of the Cranston-Gonzalez National Affordable Housing Act, to provide a service coordinator for the project as described in section 802(d)(4) of such Act, or to provide supportive services (as such term is defined in section 802(k) of such Act) to residents of the project. Any owner that uses residual receipts under this paragraph shall submit to the Secretary a report, not less than annually, describing the uses of the residual receipts. In determining the amount of project rental assistance to be provided to a project under subsection (c)(2) of this section, the Secretary may take into consideration the residual receipts held for the project only if, and to the extent that, excess residual receipts are not used under this paragraph.

(7) COMPLIANCE WITH HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1992.—Each owner shall operate housing assisted under this section in compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 and any regulations issued under such subtitle.

(B) CONVERSION.—If the owner of a project requests the use of the project for the direct benefit of very low-income persons with disabilities and, pursuant to such request the

(C) the cost of special design features necessary to make the housing accessible to persons with disabilities;

(D) the cost of special design features necessary to make individual dwelling units meet the special needs of persons with disabilities;

(E) if the housing is newly constructed, the cost of meeting the energy efficiency standards promulgated by the Secretary in accordance with section 109 of the Cranston-Gonzalez National Affordable Housing Act; and

(F) the cost of land, including necessary site improvement.

In establishing development cost limitations for a given market area, the Secretary shall use data that reflect currently prevailing costs of acquisition, construction, reconstruction, or rehabilitation, and land acquisition in the area. Neither this section nor any other provision of law may be construed as prohibiting or preventing the location and operation, in a project assisted under this section, of commercial facilities for the benefit of residents of the project and the community in which the project is located, except that assistance made available under this section may not be used to subsidize any such commercial facility.

(2) RTC PROPERTIES.—In the case of existing housing and related facilities from the Resolution Trust Corporation under section 21A(c) of the Federal Home Loan Bank Act, the cost limitations shall include—

Such percentage shall be increased to 75 percent for owners which add energy efficiency features which (i) exceed the energy efficiency standards promulgated by the Secretary in accordance

with section 109 of the Cranston-Gonzalez National Affordable Housing Act; (ii) substantially reduce the life-cycle cost of the housing; (iii) reduce gross rent requirements; and (iv) enhance tenant comfort and convenience.

Notwithstanding any other provision of law, assistance amounts provided under this section may be treated as amounts not derived from a Federal grant.

(6) APPLICABILITY OF HOME PROGRAM COST LIMITATIONS.—

(A) IN GENERAL.—The provisions of section 212(e) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12742(e)) and the cost limits established by the Secretary pursuant to such section with respect to the amount of funds under subtitle A of title II of such Act that may be invested on a per unit basis, shall apply to supportive housing assisted with a capital advance under subsection (d)(1) and the amount of funds under such subsection that may be invested on a per unit basis.

(1) the Secretary may utilize the insurance fund to pay taxes, insurance, prior liens, and other expenses to protect the security for loans which have been insured hereunder and to acquire such security property at foreclosure sales or otherwise;

(2) the notes and security therefor acquired by the Secretary under insurance contracts made pursuant to this section shall become a part of the insurance fund. SEC. 515. (a) The Secretary is authorized to make loans to private nonprofit corporations and consumer cooperatives and Indian tribes to provide rental or cooperative housing and related facilities for elderly or handicapped persons or families of low or moderate income or other persons and families of low income in rural areas, in accordance with terms and conditions substantially identical with those specified in section 502; except that—

(1) no such loan shall exceed the development cost or the value of the security, whichever is less;

(2) such a loan may be made for a period of up to 30 years from the making of the loan; and

(3) such a loan, when made to a consumer cooperative for cooperative housing purposes, may, notwithstanding any other provision of law, be made upon the condition that any person who is admitted as an eligible member and tenant of the cooperative may not subsequently be deprived of his membership or tenancy by reason of his no longer meeting the income eligibility requirements established by the Secretary.

There is authorized to be appropriated not to exceed \$50,000,000 which shall constitute a revolving fund to be used by the Secretary in carrying out this subsection.

(b) The Secretary is authorized to insure and make commitments to insure loans made to any individual, corporation, association, trust, Indian tribe, or partnership to provide rental or cooperative housing and related facilities for elderly or handicapped persons or families or other persons and families of moderate income in rural areas, in accordance with terms and conditions substantially identical with those specified in section 502; except that—

(1) no such loan shall exceed the development cost or the value of the security, whichever is less;

(2) such a loan may be made for a period of up to 30 years from the making of the loan, but the Secretary may provide for periodic payments based on an amortization schedule of 50 years with a final payment of the balance due at the end of the term of the loan;

(3) for insuring such loans, the Secretary shall utilize the Agricultural Credit Insurance Fund subject to all the provisions of section 309 and the second and third sentences of section 308 of the Consolidated Farmers Home Administration Act of 1961, including the authority in section 309(f)(1) of that Act to utilize the insurance fund to make, sell, and insure loans which could be insured under this subsection; but the aggregate of the principal amounts of such loans made by the Secretary and not disposed of shall not exceed \$10,000,000 outstanding at any one time; and the Secretary may take liens running to the United States though the notes may be held by other lenders;

(4) such a loan, when made to a consumer cooperative for cooperative housing purposes, may, notwithstanding any other

provision of law, be made upon the condition that any person who is admitted as an eligible member and tenant of the cooperative may not subsequently be deprived of his membership or tenancy by reason of his no longer meeting the income eligibility requirements established by the Secretary;

(5) loans may be made to owners who are otherwise eligible under this section to purchase and convert single-family residences to rental units of two or more dwellings; and

(6) the Secretary may make a new loan to the current borrower to finance the final payment of the original loan for an additional period not to exceed twenty years, if—

(A) the Secretary determines—

(i) it is more cost-efficient and serves the tenant base more effectively to maintain the current property than to build a new property in the same location; or

(ii) the property has been maintained to such an extent that it warrants retention in the current portfolio because it can be expected to continue providing decent, safe, and affordable rental units for the balance of the loan; and

(B) the Secretary determines—

(i) current market studies show that a need for low-income rural rental housing still exists for that area; and

(ii) any other criteria established by the Secretary has been met.

(c) With respect to a loan made or insured under subsection (a) or (b), the Secretary is authorized to—

(1) make or insure an equity loan in the form of a supplemental loan for the purpose of equity takeout to the owner of housing financed with a loan made or insured under this section pursuant to a contract entered into before December 15, 1989, for the purpose of extending the affordability of the housing for low income families or persons and very low-income families or persons for not less than 20 years, except that such loan may not exceed 90 percent of the value of the equity in the project as determined by the Secretary;

However, specifically designed equipment required by elderly or handicapped persons or families shall not be considered elaborate or extravagant. A loan may be made or insured under subsection (a) or (b) with respect to detached units, including those on scattered sites, for cooperative housing.

(e) As used in this section—

(1) the term “housing” means new or existing housing suitable for dwelling use by occupants eligible under this section, and such term also means manufactured home rental parks

where either the lots or both the lots and the homes are available for use by occupants eligible under this section; and such term also means congregate housing facilities for elderly or handicapped persons or families who require some supervision and central services but are otherwise able to care for themselves; such housing for the handicapped may be utilized in conjunction with educational and training facilities;

(2) the term “related facilities” includes cafeterias or dining halls, community rooms or buildings, appropriate recreation facilities, and other essential service, facilities;

Such fees and charges may include payments of qualified consulting organizations or foundations which operate on a nonprofit basis and which render services or assistance to nonprofit corporations or consumer cooperatives who provide housing and related facilities for low or moderate income families. Notwithstanding the first sentence of this paragraph, the term “development cost” shall not include any initial operating expenses in the case of any nonprofit corporation or consumer cooperative that is financing housing under this section and has been allocated a low-income housing tax credit by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986.

(f) Amounts made available pursuant to section 513 of this Act shall be available for administrative expenses incurred under this section.

(g) Notwithstanding the provisions of subsections (a) and (b) of this section, the Secretary may make and insure loans to consumer cooperatives to enable such cooperatives to finance the transfers of memberships in the cooperatives upon such terms and conditions as low- and moderate-income persons can reasonably afford, except that such loans shall not be made upon terms more favorable than are authorized under section 521(a), and that the total loan to a cooperative under this section shall not exceed the value of the property.

(h)(1) **CONDITION.—PROJECT TRANSFERS.**—After the date of the enactment of the Act entitled “An Act making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 1997, and for other purposes”, the ownership or control of a project for which a loan is made or insured under this section may be transferred only if the Secretary determines that such

transfer would further the provision of housing and related facilities for low-income families or persons and would be in the best interests of residents and the Federal Government.

(2) ACTIONS TO EXPEDITE PROJECT APPROVALS.—

(A) IN GENERAL.—The Secretary shall take actions to facilitate timely approval of requests to transfer ownership or control, for the purpose of rehabilitation or preservation, of multifamily housing projects for which assistance is provided by the Secretary of Agriculture in conjunction with any low-income housing tax credits under section 42 of the Internal Revenue Code of 1986 or tax-exempt housing bonds.

(B) CONSULTATION.—The Secretary of Agriculture shall consult with the Commissioner of the Internal Revenue Service and take such actions as are appropriate in conjunction with such consultation to simplify the coordination of rules, regulations, forms (including applications forms for project transfers), and approval requirements multifamily housing projects for which assistance is provided by the Secretary of Agriculture in conjunction with any low-income housing tax credits under section 42 of the Internal Revenue Code of 1986 or tax-exempt housing bonds.

(C) EXISTING REQUIREMENTS.—Any actions taken pursuant to this paragraph shall be taken in a manner that provides for full compliance with any existing requirements under law or regulation that are designed to protect families receiving Federal housing assistance, including income targeting, rent, and fair housing provisions, and shall also comply with requirements regarding environmental review and protection and wages paid to laborers.

(D) RECOMMENDATIONS.—In implementing the changes required under this paragraph, the Secretary shall solicit recommendations regarding such changes from project owners and sponsors, investors and stakeholders in housing tax credits, State and local housing finance agencies, tenant advocates, and other stakeholders in such projects.

(i) After approving a project involving newly constructed or substantially rehabilitated units under this section, the Secretary shall limit cost increases to those approved by the Secretary. The Secretary may approve those increases only for unforeseen factors beyond the owner's control, design changes required by the Secretary or the local government, or changes in financing approved by the Secretary.

(j) For the purpose of achieving the lowest cost in providing units in newly constructed projects assisted under this section, the Secretary shall give a preference in entering into contracts under this section for projects which are to be located on specific tracts of land provided by States, units of local government, or others if the Secretary determines that the tract of land is suitable for such housing, and that affording such preference will be cost effective.

(k) The Secretary shall assure that management fees are not excessive when a project developed under this section is managed by the developer or an affiliate of the developer.

(l) For purposes of determining the market feasibility of any project to be assisted under this section—

(1) in the case of any applicant who applies for rental assistance payments under section 521 in connection with such project, the Secretary shall consider the availability of such rental assistance payments with respect to the project and shall require such applicant to demonstrate that a market exists for persons and families eligible for such rental assistance payments; and

(2) in the case of any applicant whose project is expected to utilize any assistance under a program of a State, or political subdivision thereof, that is similar to such assistance payments under section 521, the Secretary shall only require such applicant to demonstrate that—

(A) a market exists for persons and families eligible for such program of assistance;

(B) such program of assistance will provide rental assistance for a period of not less than five years, and, at the option of the applicant, either that there is a reasonable assurance that the contract for assistance will be extended or renewed, or for the term of the loan remaining after the period of such assistance, that an adequate rental market exists for the project without such assistance; and

(C) during the term of such rental assistance contracts, such State or political subdivision shall make available the amounts required for such rental assistance not less than annually.

(m)(1) The Secretary shall establish standards for housing and related facilities rehabilitated or repaired with amounts received under a loan made or insured under this section. Standards established by the Secretary under this subsection shall provide that except for substantial rehabilitation the particular items or systems repaired or rehabilitated must meet appropriate levels of quality or performance comparable to those levels prescribed by the Secretary of Housing and Urban Development for rehabilitation, but shall not require that such items or systems or the remainder of the property meet the standards which are applicable to new construction. The Secretary shall ensure that standards prescribed under this subsection provide decent, safe, and sanitary housing and related facilities.

(2) Housing and related facilities rehabilitated or repaired with amounts received under a loan made or insured under this section shall contain installed carbon monoxide alarms or detectors that meet or exceed—

(A) the standards described in chapters 9 and 11 of the 2018 publication of the International Fire Code, as published by the International Code Council; or

*(o) The Secretary may not (1) deny assistance under this section on the basis that rental assistance payments under section 521 may be required unless the authority to provide such assistance is not available; or (2) promulgate any regulation that would have the effect of denying occupancy to eligible persons on the basis that such persons require rental assistance payments under section 521.*

*(p)(1) To the extent assistance is available under section 521(a)(2), not more than 25 per centum of the dwelling units which were available for occupancy under this section prior to the date of enactment of this subsection, and which will be leased on or after such date shall be available for leasing by low income persons and families other than very low-income persons and families.*

*(2) To the extent assistance is available under section 521(a)(2), not more than 5 per centum of the dwelling units which become available for occupancy under this section on or after the date of enactment of this subsection shall be available for leasing by low income persons and families other than very low-income persons and families.*

(3) Units in projects financed under this section which become available for occupancy after the date of enactment of this subsection shall not be available for occupancy by persons and families other than very low-income persons and families if the authority to provide assistance for such persons is available.

(4) In projects financed under this section, units that have been allocated a low-income housing tax credit by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 shall not be available for occupancy by persons or families other than persons or families with incomes not in excess of the qualifying income applicable to such units pursuant to subparagraph (A) or (B) of section 42(g)(1) of such Code.

(5) The Secretary shall coordinate the processing of any application for a loan under this section for a project and the processing of any application for assistance under section 521(a)(2) with respect to housing units in the same project in an economical and efficient manner. At the time the Secretary enters into a commitment to make or insure a loan under this section the Secretary shall obligate amounts for assistance payments under section 521(a)(2) for the project, to the extent that such amounts are available and the Secretary determines such assistance is necessary for the market feasibility of the project.

(q) In determining the income of a person or family occupying housing financed under this section, the Secretary shall consider the value of that person's or family's assets in the same manner as the Secretary of Housing and Urban Development considers such value for the purpose of the United States Housing Act of 1937.

(r)(1) the Secretary—

(A) may require that the initial operating reserve under this section may be in the form of an irrevocable letter of credit; and

(B) except as provided in paragraph (2), may require not more than a 3 percent contribution to equity, except that the Secretary shall require a 5 percent contribution in the case of a project that is allocated a low-income housing tax credit pursuant to section 42 of the Internal Revenue Code of 1986.

(2) The Secretary may adjust the amount of equity contribution to ensure that assistance provided is not more than is necessary to provide affordable housing after taking account of assistance from all Federal, State, and local sources.

## (t) EQUITY TAKEOUT LOANS.—

(1) AUTHORITY.—The Secretary is authorized to guarantee an equity loan (in the form of a supplemental loan) to an owner of housing financed with a loan made or insured under subsection (b), only if the Secretary determines, after taking into account local market conditions, that there is reasonable likelihood that the housing will continue as decent, safe, and sanitary housing for the remaining life of the original loan on the project made or insured under subsection (b) and that such an equity loan is—

(A) necessary to provide a fair return on the owner's investment in the housing;

(B) the least costly alternative for the Federal Government that is consistent with carrying out the purposes of this subsection; and

(C) would not impose an undue hardship on tenants or an unreasonable cost to the Federal Government.

The amount of loans guaranteed under this subsection shall be subject to limits provided in appropriations Acts.

(2) TIMING.—The Secretary is authorized to guarantee an equity loan under this subsection after the expiration of the 20-year period beginning on the date that an existing loan under subsection (b) of this section was made or insured. Not more than one equity loan under this subsection may be provided for any project.

(3) AMOUNT OF THE TAKEOUT.—The amount of an equity loan under this subsection shall not exceed the difference between the outstanding principal on debt secured by the project and 90 percent of the appraised value of the project. The appraised value of the project shall be determined by 2 independent appraisers, 1 of whom shall be selected by the Secretary and 1 of whom shall be selected by the owner. If the 2 appraisers fail to agree on the value of the project, the Secretary and the owner shall jointly select a third appraiser whose appraisal shall be binding on the Secretary and the owner. The amount of the equity loan shall not exceed 30 percent of the amount of the original appraised value of the project made or insured under subsection (b).

(4) SUBMISSION OF PLAN.—An owner requesting an equity loan under this subsection shall submit a plan acceptable to the Secretary to ensure that the cost of amortizing an equity loan under paragraph (1) does not result in the displacement of very-low-income tenants or substantially alter the income mix of the tenants in the project.

(5) REGULATIONS.—The Secretary shall issue final regulations within 180 days from the date of enactment of this subsection.

(6) EFFECTIVE DATE.—The requirements of this subsection shall apply to any loan obligated under this section on or after December 15, 1989. This subsection shall not require retroactive reserve account payments with respect to any loan that was obligated on or after December 15, 1989, and on or before June 16, 1990, but reserve account payments shall be required for such loans beginning on the date of the enactment of this paragraph.

(u) REUSE OF LOAN AUTHORITY.—Loan authority that is obligated under this section but that is not expended due to any action that removes the original borrower, may be reallocated to a different borrower during the same fiscal year in which the loan authority was obligated. Any loan authority under this section appropriated or made available within limits established in appropriations Acts shall remain available until expended.

(v) ASSUMPTION OF LOANS.—The Secretary may provide for the assumption or transfer of a loan or loan obligation under this section to any person or entity qualified to receive a loan or loan obligation under this section in any case of default or foreclosure with respect to the original borrower. The Secretary shall provide in each assumption or transfer under this subsection for the assumption of the obligations, rights, and interests under the terms of the loan or loan obligation or such other terms as the Secretary determines appropriate.

(w) SET-ASIDE OF RURAL RENTAL HOUSING FUNDS.—

(1) AUTHORITY.—Except as provided in paragraph (2), the Secretary shall set aside from amounts made available for each State for loans under this section, not less than 9 percent of the amounts available in each fiscal year. Amounts set aside shall be available only for nonprofit entities in the State, which may not be wholly or partially owned or controlled by a for-profit entity. A partnership, that has as its general partner a nonprofit entity or the nonprofit entity's for-profit subsidiary, is eligible to receive funds set aside under this subsection to sponsor a project which is receiving low-income housing tax credits authorized under section 42 of the Internal Revenue Code of 1986. For the purposes of this subsection, a nonprofit entity is an organization that—

(A) will own an interest in a project to be financed under this section and will materially participate in the development and the operation of the project;

(B) is a private organization that has nonprofit, tax exempt status under section 501(c)(3) or section 501(c)(4) of the Internal Revenue Code of 1986;

(C) has among its purposes the planning, development, or management of low-income housing or community development projects; and

(D) is not affiliated with or controlled by a for-profit organization.

(2) MINIMUM STATE SET-ASIDE.—If the amount set aside under paragraph (1) for any State is less than \$750,000 in any fiscal year, the Secretary shall pool such amount together with set-aside amounts from other States whose set-aside is less than \$750,000, and shall make such amounts available for such eligible entities under paragraph (1) in any such State. The Secretary shall establish a procedure to provide that any amounts pooled under this paragraph from the allocation for any State in any fiscal year that are not obligated during a reasonable period in such year shall be made available for any such eligible entities under paragraph (1) in such State. The Secretary may provide amounts available for reallocation under this subsection in excess of \$750,000 in a given State,

if such amounts are necessary to finance a project under this section.

(3) UNUSED AMOUNTS.—

(A) EQUITABLE DISTRIBUTION.—Any amounts set aside under this subsection from the allocation for any State that are not obligated by 9 months after the allocation, shall first be pooled and made available to any other eligible nonprofit entity in any State as defined in this subsection. The Secretary shall make reasonable efforts to ensure that pooled funds are distributed under this subparagraph in an equitable manner.

(B) RETURN TO THE STATES.—After funds have been pooled and obligated for 30 days, the Secretary shall return any remaining funds to the States on a proportional basis for use by any other eligible entity as defined in this section.

(x) UNIFORM PROJECT COSTS; COORDINATION OF HOUSING RESOURCES AND TAX BENEFITS.—The Secretary shall—

(1) establish standard guidelines for State offices that describe allowable development costs which are required for development of all projects under this section, without regard to whether the project was allocated a low-income housing tax credit;

(2) require each State to establish a process for coordinating the selection of projects under this section with the housing needs and priorities as established in a State comprehensive housing affordability strategy under section 105 of the Cranston-Gonzalez National Affordable Housing Act and a low-income housing tax credit allocation plan under section 42 of the Internal Revenue Code of 1986; and

DOMESTIC FARM LABOR

SEC. 516. (a) Upon the application of any State or political subdivision thereof, or any Indian tribe, or any broad-based public or private nonprofit organization incorporated within the State, or any nonprofit organization of farmworkers incorporated within the State, the Secretary is authorized to provide financial assistance for the provision of low-rent housing and related facilities (which may be located any place within the State) for domestic farm labor, if he finds that—

(1) the housing and related facilities for which financial assistance is requested will fulfill a pressing need in the area in which such housing and facilities will be located, and there is reasonable doubt that the same can be provided without financial assistance under this section;

(2) the applicant will contribute, from its own resources or from funds borrowed under section 514 or elsewhere, at least 10 per centum of the total development cost;

(3) the types of housing and related facilities to be provided are most practical, giving due consideration to the purposes to be served thereby and the needs of the occupants thereof, and such housing and facilities shall be durable and suitable for year-around occupancy or use, unless the Secretary finds that there is no need for such year-around occupancy or use in that area; and

(4) the construction will be undertaken in an economical manner, and the housing and related facilities will not be of elaborate or extravagant design or materials.

(b) The amount of any financial assistance provided under this section for low-rent housing and related facilities shall not exceed 90 per centum of the total development cost thereof, as determined by the Secretary, less such amount as the Secretary determines can be practicably obtained from other sources (including a loan under section 514).

(c) No financial assistance for low-rent housing and related facilities shall be made available under this section unless, to any extent and for any periods required by the Secretary, the applicant agrees—

(1) that the rentals charged domestic farm labor shall not exceed such amounts as may be approved by the Secretary giving due consideration to the income and earning capacity of the tenants, and the necessary costs of operating and maintaining such housing;

(2) that such housing shall be maintained at all times in a safe and sanitary condition in accordance with such standards as may be prescribed by State or local law, or, in the absence of such standards, in accordance with such minimum requirements as the Secretary shall prescribe; [and]

(3) an absolute priority will be given at all times in granting occupancy of such housing and facilities to domestic farm labor[.]; and

(4) *that such housing shall contain qualifying smoke alarms that are installed in accordance with applicable codes and standards published by the International Code Council or the National Fire Protection Association and the requirements of the National Fire Protection Association Standard 72, or any successor standard, in each level and in or near each sleeping area in such dwelling unit, including in basements but excepting crawl spaces and unfinished attics, and in each common area in a project containing such a dwelling unit.*

(d) The Secretary may make payments pursuant to any contract for financial assistance under this section at such times and in such manner as may be specified in the contract. In each contract, the Secretary shall include such covenants, conditions, or provisions as he deems necessary to insure that the housing and related facilities, for which financial assistance is made available, be used only in conformity with the provisions of this section.

(e) The Secretary shall prescribe regulations to insure that Federal funds expended under this section are not wasted or dissipated. The Secretary shall not give priority for funding under this

section to any one of the groups listed in subsection (a) over any of the others so listed.

(f) All laborers and mechanics employed by contractors or sub-contractors on projects assisted by the Secretary which are undertaken by approved applicants under this section shall be paid wages at rates not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a—276a-5). The Secretary shall not extend any financial assistance under this section for any project without first obtaining adequate assurance that these labor standards will be maintained on the construction work; except that compliance with such standards may be waived by the Secretary in cases or classes of cases where laborers or mechanics, not otherwise employed at any time on the project, voluntarily donate their services without compensation for the purpose of lowering the costs of construction and the Secretary determines that any amounts thereby saved are fully credited to the person, corporation, association, organization, or other entity undertaking the project. The Secretary of Labor shall have, with respect to the labor standards specified in this section, the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 64 Stat. 1267; 5 U.S.C. 133z-15), and section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 276).

(D) PREVENTION OF UNDUE BENEFITS.—Upon any sale or other disposition of housing acquired or rehabilitated with assistance under this subsection prior to the close of 20 years after the housing is placed in service, other than a sale or other disposition resulting in the use of the project for the direct benefit of low income persons or where all of the proceeds are used to provide housing for migrant farmworkers and homeless individuals (and the families of such individuals), the recipient shall comply with such terms and conditions as the Secretary may prescribe to prevent the recipient from unduly benefiting from the sale or other disposition of the project.
