PURPOSE OF THE BILL

The purpose of H.R. 2626 is to redesignate the Pullman National Monument in the State of Illinois as the Pullman National Historical Park.

BACKGROUND AND NEED FOR LEGISLATION

H.R. 2626 would redesignate the Pullman National Monument as the Pullman National Historical Park in order to enhance protections for the Pullman area and provide the National Park Service (NPS) with increased flexibility to preserve and interpret historic buildings and resources under non-federal ownership within the boundary of the Pullman National Monument. The bill would authorize the Secretary of the Interior to acquire land, buildings, or structures for inclusion in the National Historical Park and would permit the Secretary to enter into cooperative agreements for the preservation and interpretation of non-federal land and resources in and around the National Historical Park.

The Pullman Historic District consists of approximately 300 acres in southeast Chicago, Illinois. In 1970, the Pullman Historic District was designated as a National Historic Landmark in recognition of the site’s nationally significant importance to the social history, labor history, architecture, and urban planning of the United States. In 2015, President Barack Obama exercised his authority under the Antiquities Act of 1906 and declared the site a National Monument, making it a unit of the National Park System.

H.R. 2626 would redesignate the Pullman National Monument in Chicago, Illinois, as the Pullman National Historical Park. The bill would authorize the Secretary of the Interior to enter into cooperative agreements and provide technical assistance to public and non-
profit entities to preserve the park. H.R. 2626 also would authorize the Secretary to acquire land for the historical park through donation, land exchange, or purchase with donated or appropriated funds. Finally, the Secretary would be required to complete a management plan for the park three years after funds are first made available.

Using information from the National Park Service, CBO expects that the redesignation would not affect the cost of operating the park. Thus, CBO estimates that administrative costs, including creating the management plan and updating maps, informational material, and signage, would be insignificant over the 2022–2027 period; any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Madeleine Fox. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goals and objectives of this bill are to redesignate the Pullman National Monument in the State of Illinois as the Pullman National Historical Park.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

According to CBO, this bill contains no unfunded mandates as defined by the Unfunded Mandates Reform Act.

EXISTING PROGRAMS

This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

Any preemptive effect of this bill over state, local, or tribal law is intended to be consistent with the bill's purposes and text and the Supremacy Clause of Article VI of the U.S. Constitution.
