TEXT OF REPORTED BILL

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.
This Act may be cited as the “Equal Access to Contraception for Veterans Act”.

SEC. 2. LIMITATION ON COPAYMENTS FOR CONTRACEPTION.
Section 1722A(a)(2) of title 38, United States Code, is amended—
(1) by striking “to pay” and all that follows through the period and inserting “to pay—”; and
(2) by adding at the end the following new subparagraphs:
“(A) an amount in excess of the cost to the Secretary for medication described in paragraph (1); or
“(B) an amount for any contraceptive item for which coverage under health insurance coverage is required without the imposition of any cost-sharing requirement pursuant to section 2713(a)(4) of the Public Health Service Act (42 U.S.C. 300gg–13(a)(4)).”.

PURPOSE AND SUMMARY
H.R. 239 was introduced by Representative Julia Brownley of California on January 11, 2021. H.R. 239 eliminates co-payments for contraceptives, so that veterans have the same access to birth control as required by the Affordable Care Act.

BACKGROUND AND NEED FOR LEGISLATION
Access to contraception is part of providing comprehensive health services. However, cost sharing can be a barrier for some veterans who need health care services or treatment. Eliminating co-pays will ensure that cost is not a barrier to all veterans accessing preventative health care. Currently, only veterans and the uninsured are required to pay co-pays for their contraception. This bill brings parity with the Department of Defense and coverage for contraception under the Affordable Care Act. Access to affordable contraceptives is an essential component of comprehensive health care, and since VA patients tend to be sicker and poorer than non-veteran patients, eliminating this inequity will particularly help this population, especially women veterans.

Sec. 2. Limitation on copayments for contraception
Women represent the fastest growing subpopulation of veterans in the nation, while the population of male veterans is growing smaller. The preventative health care needs of female veterans include access to contraceptives. This bill would exempt from copayment liability the provision of contraceptives by amending section 1772A of title 38, United States Code (USC).

The committee expects that this will apply to all contraceptives available at the pharmacy, including both prescription methods and over-the-counter methods including emergency contraception. In addition, the committee expects that this will also apply to eliminating co-pays for placement of long-acting reversible contraceptives (LARCs), including intra-uterine devices (IUDs) and im-
plants that the Veterans Health Administration (VHA) classifies as prosthetics.

**STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES**

In accordance with clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee’s performance goals and
objectives are to improve resources and benefits for women veterans and other underserved veterans.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee adopts as its own the estimate of new budget authority, entitlement authority, or tax expenditures or revenues contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

EARMARKS AND TAX AND TARIFF BENEFITS

H.R. 239 does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI of the Rules of the House of Representatives.

COMMITTEE COST ESTIMATE

The Committee adopts as its own the cost estimate on H.R. 239, prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

Pursuant to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, the following is the cost estimate for H.R. 239 provided by the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,

Hon. Mark Takano,
Chairman, Committee on Veterans’ Affairs,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 239, the Equal Access to Contraception for Veterans Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Etaf Khan.

Sincerely,

Phillip L. Swagel,
Director.

Enclosure.
H.R. 239 would eliminate copayments that the Department of Veterans Affairs (VA) charges to veterans who receive contraceptive items from the Veterans Health Administration. Those copayments are deposited in the Medical Care Collections Fund. VA spends those collections, subject to appropriation, to partially offset the cost of medical care for veterans.

Using historical information from VA on copayments, CBO estimates that collections would decline by $400,000 each year. CBO estimates that lower out-of-pocket costs would lead to a 10 percent increase in the number of contraceptive prescriptions that veterans fill through VA and would increase department spending by $700,000 each year. Over the 2021–2026 period, CBO estimates that the change would cost $5 million. Such spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Etaf Khan. The estimate was reviewed by Leo Lex, Deputy Director of Budget Analysis.

**Federal Mandates Statement**

The Committee adopts as its own the estimate of Federal mandates regarding H.R. 239, prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

**Advisory Committee Statement**

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act would be created by H.R. 239.

**Statement of Constitutional Authority**

Pursuant to Article I, section 8 of the United States Constitution, H.R. 239 is authorized by Congress’ power to “provide for the common Defense and general Welfare of the United States.”
APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that H.R. 239 does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

STATEMENT ON DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 239 establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULEMAKING

Pursuant to clause 3(c)(5) of rule XIII, the Committee estimates that H.R. 239 contains no directed rule making that would require the Secretary to prescribe regulations.
