“(c) PUBLIC COMMENT.—Before offering a service under the program, the Postal Service shall provide for a public comment period of at least 30 days that allows the public to post comments relating to the provision of such services on the Postal Service website. The Postal Service shall make reasonable efforts to provide written responses to the comments on such website at least 30 days before offering such services.

“(d) APPROVAL REQUIRED.—The Postal Service may not establish the program under subsection (a) unless the Governors of the Postal Service approve such program by a recorded vote that is publicly disclosed on the Postal Service website with a majority of the total Governors voting for approval.

“(e) APPLICATION OF REPORTING REQUIREMENTS.—For purposes of the reporting requirements under section 3705, the Postal Service shall submit a separate report for each agreement with an agency entered into under subsection (a) analyzing the costs, revenues, rates, and quality of service for the provision of all services under such agreement, including information demonstrating that the agreement satisfies the requirements of paragraphs (1) through (3) of subsection (a).

“(b) APPLICATION OF REPORTING REQUIREMENTS.—For purposes of the reporting requirements under section 3705, the Postal Service shall submit a separate report for each agreement with an agency entered into under subsection (a) analyzing the costs, revenues, rates, and quality of service for the provision of all services under such agreement, including information demonstrating that the agreement satisfies the requirements of subsection (a).

SUMMARY AND PURPOSE OF LEGISLATION

H.R. 3076, the Postal Service Reform Act, eliminates direct financial liabilities of the United States Postal Service by requiring eligible Postal Service retirees to enroll in Medicare and repealing the requirement to prefund retiree health benefits. Additionally, H.R. 3076 requires transparency in Postal Service performance data, codifies aspects of the Postal Service’s operations, and requires additional reporting on and reviews of various facets of the Postal Service’s operations and finances.

BACKGROUND AND NEED FOR LEGISLATION

A number of factors have caused the Postal Service’s financial condition to deteriorate over the past decade, including a decline in first-class mail, expenses increasing more rapidly than revenues, and the requirement to pre-fund retiree health benefits. The Postal Service is expected to provide affordable, quality, and universal postal service to all parts of the country while remaining self-sufficient. As a result of being unable to fund its current level of services and financial obligations from its revenues, the Postal Service faces challenges in maintaining sufficient cash on hand to conduct its operations. For these reasons, the Government Accountability Office (GAO) has placed the Postal Service’s financial condition on its “high-risk” list since 2009. The provisions included in this bill are essential to helping the Postal Service remain financially viable going forward.
SECTION-BY-SECTION ANALYSIS

TITLE I

Section 101—Postal Service health benefits program (i.e., Medicare Integration)

While Postal Service employees currently pay into Medicare and are eligible to enroll when they reach the age 65, roughly 25% of the Postal Service workforce never enrolls. Requiring Postal Service employees to enroll in Medicare when they become eligible to do so would help improve the long-term financial viability of the Postal Service. This requirement already exists for most private sector employees. If all Postal Service employees were required to enroll in Medicare when eligible, the Postal Service estimates that it would save roughly $36 billion over a 10-year period.

This section creates new Postal Service-only medical plans with a separate risk pool from the current Federal Employee Health Benefit (FEHB) plans. While the majority of existing employees would be required to enroll in these plans and enroll in Medicare when they become eligible, there are several exceptions for current annuitants and employees approaching retirement to protect them from being forced into changes to their health benefits late in their careers or retirement. Current annuitants would retain the option of not enrolling in Medicare, as would current employees age 64 or older.

Section 102—USPS Fairness Act (i.e., Eliminating requirement to pre-fund retiree health benefits)

In 2006, Congress enacted the Postal Accountability and Enhancement Act (PAEA) (P.L. 109–435). The PAEA required the Postal Service “to start fully ‘prefunding’ retiree health benefits” by making “annual prefunding payments to a newly established fund to build up funds to cover the Postal Service’s share of future retiree health benefit costs” for all employees—not just those who are eligible to retire.¹ No other federal agency is required to pre-fund retiree health benefits, and it is not a normal practice in the private sector.

The PAEA required the Postal Service to pay annual amounts ranging from $5.4 billion to $5.8 billion into the Postal Service Retiree Health Benefit Fund between 2007 and 2016. At the end of that 10-year period, these pre-funding payments ended, and the Postal Service was allowed to return to lower annual payments based on a 40-year amortization schedule for Postal Service retiree health benefits and the “normal costs” of retiree health benefits for current employees.²

Before 2006, the Postal Service maintained a pay-as-you-go system for retiree health benefits, under which it paid its annual share of premiums for employees participating in the FEHB Program. Since 2007 the Postal Service has been struggling to comply with this requirement to make billions of dollars of payments each year to pre-fund retiree health benefits.

² Id.
The PAEA was enacted in 2006 after the Postal Service had earned “modest profits from FY2004 through FY2006,” with the expectation that the Postal Service would continue to be on relatively sound financial footing. Unfortunately, that has not been the case. The Postal Service currently has approximately $35 billion in unfunded retiree health benefit liabilities and has not paid into the fund for a decade. Eliminating this requirement would eliminate the liability and improve the Postal Service’s financial picture.

This section eliminates the prefunding requirement put in place by the PAEA, which eliminates these outstanding debts from the Postal Service’s books. It requires the Postal Service to pay a single yearly “top-up” amount to account for the costs incurred by actual usage by Postal Service annuitants. These payments will increase the longevity of the Retiree Health Benefit Fund while still protecting the Postal Service from carrying substantial unpaid liabilities on its books.

Section 103—Non-postal services

This section enables the Postal Service to enter into agreements with state, local, and tribal governments to provide non-postal services to increase revenue for the Postal Service. Services must provide enhanced value, not detract from postal services, and provide reasonable contributions to the institutional costs of the Postal Service. The bill would require any new program entered into by the Postal Service to be approved by the Postal Service Board of Governors.

TITLE II

Section 201—Performance targets and transparency

The COVID–19 pandemic caused widespread Postal Service workforce sick leave and led to an unprecedented rise in package volume due to a rapid increase in e-commerce demand. The Postal Service also implemented operational changes in mid-July 2020 that negatively impacted service performance. The combination of these events exacerbated existing problems within the Postal Service’s operations and further stressed an already strained delivery system. Overall delivery performance remained historically low for 2020 and the early part of 2021, with on-time delivery of first-class mail falling below 63% the week before the 2020 holiday season. While service has rebounded to around 89% of first-class mail being delivered on time as of the week ending on July 3, 2021, first-class mail service has still not returned to pre-July 2020 levels.

This section would require the Postal Service to establish and provide the Postal Regulatory Commission (PRC) with reasonable performance targets based on its service standards at least 60 days before the start of each fiscal year. The Postal Service would also be required to provide the PRC with the previous fiscal year’s performance targets to allow the PRC to review them for compliance.

The Postal Service would also be required to post weekly updates on its service performance at national, regional, and local levels for market dominant mail products on a publicly available online dashboard. This provision would ensure greater performance trans-
transparency and enable Congress, the public, and industry stakeholders to hold the Postal Service more accountable.

Section 202—Integrated delivery network

Since 1983, the Financial Services and General Government Appropriations Act has included an annual rider requiring the Postal Service to deliver mail six days per week. This section of the bill would put that requirement in statute. The section includes an exception allowing the Postal Service to not deliver six days a week during weeks with a federal holiday or during unforeseen emergencies such as natural disasters.

In addition, this section would require the Postal Service to operate using an integrated network for both mail and packages.

Section 203—Review of Postal Service cost attribution guidelines

This section would require the PRC to perform a review of the allocation of Postal Service costs that are attributed to competitive and market-dominant products to ensure that these allocations are accurate. The review shall consider the underlying methodologies used to determine cost allocation and, if necessary, consider options to revise these methodologies. If the PRC determines that revisions are necessary, it shall make necessary modifications. These changes will be subject to a public notice and comment period.

Section 204—Rural newspaper sustainability

Local newspapers sent within the same county in which they are printed can currently take advantage of a statutory provision that allows a special rate lower than first-class mail to send sample copies. Currently, up to 10% of these newspapers can be sent to non-subscribers. This section would raise this number to up to 50%. This would allow local newspapers to increase revenue through advertising and reach possible subscribers at a time when local newspapers are disappearing at a rapid rate.

Section 205—Funding of Postal Regulatory Commission

The PRC currently has its funding, which is derived via a transfer from the Postal Service Fund, approved through the annual appropriations process, and PRC cannot operate when the federal government shuts down. However, the Postal Service continues to operate during a government shutdown, as it does not receive federal funding. As a result, the Postal Service continues operating without oversight from its federal regulator during a government shutdown.

This section would allow the PRC to submit its yearly budget request directly to the Postal Service Board of Governors, which would then have the authority to approve the budget with or without adjustments, but not make changes to any allocations within the budget. Should the Board of Governors make changes to the overall budget request, the PRC would make changes to suballocations within the request to ensure compliance. The PRC’s budget would be paid directly out of the Postal Service Fund, allowing it to continue operating regardless of the federal government’s appropriations status.
Section 206—Flats operations study and reform

This section would require the PRC, in consultation with the United States Postal Service Inspector General (IG), to conduct a study to identify the causes of inefficiencies in the collection, sorting, transportation, and delivery of flats—a category which most prominently includes magazines. Within 180 days after the enactment of this bill, the PRC would have to submit to Congress and the Postmaster General a report on the findings of this study.

In addition, within six months of completion of the PRC study, the Postal Service would be required to develop and implement a plan to remedy inefficiencies identified by the study. The implementation plan would have to be approved by the PRC, and a period of public comment would be required.

Section 207—Reporting requirements

This section would require the Postal Service to submit reports to Congress every six months on a number of Postal Service operations, as well as its financial performance, including the actual and projected volume of mail and packages, the effects of any rate changes, the allocation of employees in career and non-career status, and planned and actual investments by the Postal Service in its network. These reports will help enable Congress to know what changes are being made and their impact on the Postal Service.

Section 208—Postal Service transportation selection

This section would make minor adjustments to the considerations the Postal Service must make when deciding which modes of transportation should be used to deliver mail. Specifically, the section would add the requirement that transportation not only be prompt and economical but also consistent and reliable.

Section 209—USPS Inspector General oversight of Postal Regulatory Commission

There is currently a Postal Service Inspector General as well as an Inspector General for the PRC. This section would create a single Inspector General of the United States Postal Service with authority over both the Postal Service and the PRC.

(3) Weighting in Computing Rates for Initial Contract Year.—In determining such weighted average of the rates for the initial contract year, the Office shall take into account (for purposes of section 8906(a)(2)) the enrollment of Postal Service employees and annuitants in the health benefits plans offered by the initial participating carriers as of March 31, 2022.

(h) Reserves.—
   (1) Separate reserves.—
      (A) In general.—The Office shall ensure that each Program plan maintains separate reserves (including a separate contingency reserve) with respect to the enrollees in the Program plan in accordance with section 8909. All provisions of section 8909 relating to contingency reserves shall apply to contingency reserves of Program plans in the same manner as to those of other plans under this chapter, except to the extent that such provisions are inconsistent with the requirements of this subsection.
      (B) References.—For purposes of the Program, each reference to “the Government” in section 8909 shall be deemed to be a reference to the Postal Service.
      (C) Amounts to be credited.—The reserves (including the separate contingency reserve) maintained by each Program plan shall be credited with a proportionate amount of the funds in the reserves for health benefits plans offered by the carrier.
   (2) Discontinuation of Program Plan.—In applying section 8909(e) relating to a Program plan that is discontinued, the Office shall credit the separate Postal Service contingency reserve maintained under paragraph (1) for that plan only to the separate Postal Service contingency reserves of the Program plans continuing under this chapter.

(i) No Effect on Existing Law.—Nothing in this section shall be construed as affecting section 1005(f) of title 39 regarding variations, additions, or substitutions to the provisions of this chapter.

(j) Health Benefits Education Program.—
   (1) Not later than 180 days after the date of enactment of this section, the Postal Service shall establish a Health Benefits Education Program. Under the Program, the Postal Service shall—
      (A) notify annuitants and employees of the Postal Service about the Postal Service Health Benefits Program established under subsection (c)(1);
      (B) provide information regarding the Postal Service Health Benefits Program to such annuitants and employees, including a description of the health care options available under such Program, the enrollment provisions of subsection (d), and the requirement that annuitants and their
family members be enrolled in Medicare under subsection (e); and
(C) in coordination with the Centers for Medicare & Medicaid Services and the Commissioner of Social Security, respond and provide answers to any inquiry from such employees and annuitants about the Postal Service Health Benefits Program or Medicare enrollment.

(2) The Office shall timely provide the Postal Service with such information as the Postal Service determines to be necessary to conduct the Medicare Education Program.

§ 8909a. Postal Service Retiree Health [Benefit] Benefits Fund

(a) There is in the Treasury of the United States a Postal Service Retiree Health Benefits Fund which is administered by the Office of Personnel Management.
(b) The Fund is available without fiscal year limitation for payments required under section 8906(g)(2)(A).
(c) The Secretary of the Treasury shall immediately invest, in interest-bearing securities of the United States such currently available portions of the Fund as are not immediately required for payments from the Fund. Such investments shall be made in the same manner as investments for the Civil Service Retirement and Disability Fund under section 8348.

(d)(1) Not later than June 30, 2007, and by June 30 of each succeeding year, the Office shall compute the net present value of the future payments required under section 8906(g)(2)(A) and attributable to the service of Postal Service employees during the most recently ended fiscal year.

(d)(2)(A) Not later than June 30, 2007, the Office shall compute, and by June 30 of each succeeding year shall recompute, the difference between—
(i) the net present value of the excess of future payments required under section 8906(g)(2)(A) for current and future United States Postal Service annuitants as of the end of the fiscal year ending on September 30 of that year; and
(ii)(I) the value of the assets of the Postal Retiree Health Benefits Fund as of the end of the fiscal year ending on September 30 of that year; and

SOCIAL SECURITY ACT

TITLE II—FEDERAL OLD-AGE, SURVIVORS, AND DISABILITY INSURANCE BENEFITS

ENTITLEMENT TO HOSPITAL INSURANCE BENEFITS

Sec. 226. (a) Every individual who—
(1) has attained age 65, and
(2)(A) is entitled to monthly insurance benefits under section 202, would be entitled to those benefits except that he has not filed an application therefor (or application has not been made for a benefit the entitlement to which for any individual is a condition of entitlement therefor), or would be entitled to such benefits but for the failure of another individual, who meets all the criteria of entitlement to monthly insurance benefits, to meet such criteria throughout a month, and, in conformity
with regulations of the Secretary, files an application for hospital insurance benefits under part A of title XVIII,
(B) is a qualified railroad retirement beneficiary, or
(C)(i) would meet the requirements of subparagraph (A) upon filing application for the monthly insurance benefits involved if medicare qualified government employment (as defined in section 210(p)) were treated as employment (as defined in section 210(a)) for purposes of this title, and (ii) files an application, in conformity with regulations of the Secretary, for hospital insurance benefits under part A of title XVIII,
shall be entitled to hospital insurance benefits under part A of title XVIII for each month for which he meets the condition specified in paragraph (2), beginning with the first month after June 1966 for which he meets the conditions specified in paragraphs (1) and (2).
(b) Every individual who—
(1) has not attained age 65, and
(2)(A) is entitled to, and has for 24 calendar months been entitled to, (i) disability insurance benefits under section 223 or (ii) child’s insurance benefits under section 202(d) by reason of a disability (as defined in section 223(d)) or (iii) widow’s insurance benefits under section 202(e) or widower’s insurance benefits under section 202(f) by reason of a disability (as defined in section 223(d)), or
(B) is, and has been for not less than 24 months, a disabled qualified railroad retirement beneficiary, within the meaning of section 7(d) of the Railroad Retirement Act of 1974, or
(C)(i) has filed an application, in conformity with regulations of the Secretary, for hospital insurance benefits under part A of title XVIII pursuant to this subparagraph, and
(ii) would meet the requirements of subparagraph (A) (as determined under the disability criteria, including reviews, applied under this title), including the requirement that he has been entitled to the specified benefits for 24 months, if—
(I) medicare qualified government employment (as defined in section 210(p)) were treated as employment (as defined in section 210(a)) for purposes of this title, and
(II) the filing of the application under clause (i) of this subparagraph were deemed to be the filing of an application for the disability-related benefits referred to in clause (i), (ii), or (iii) of subparagraph (A),
shall be entitled to hospital insurance benefits under part A of title XVIII for each month beginning with the later of (I) July 1973 or (II) the twenty-fifth month of his entitlement or status as a qualified railroad retirement beneficiary described in paragraph (2), and ending (subject to the last sentence of this subsection) with the month following the month in which notice of termination of such entitlement to benefits or status as a qualified railroad retirement beneficiary described in paragraph (2) is mailed to him, or if earlier, with the month before the month in which he attains age 65.
In applying the previous sentence in the case of an individual described in paragraph (2)(C), the “twenty-fifth month of his entitlement” refers to the first month after the twenty-fourth month of entitlement to specified benefits referred to in paragraph (2)(C) and “notice of termination of such entitlement” refers to a notice that the individual would no longer be determined to be entitled to such
specified benefits under the conditions described in that paragraph. For purposes of this subsection, an individual who has had a period of trial work which ended as provided in section 222(c)(4)(A), and whose entitlement to benefits or status as a qualified railroad retirement beneficiary as described in paragraph (2) has subsequently terminated, shall be deemed to be entitled to such benefits or to occupy such status (notwithstanding the termination of such entitlement or status) for the period of consecutive months throughout all of which the physical or mental impairment, on which such entitlement or status was based, continues, and throughout all of which such individual would have been entitled to monthly insurance benefits under title II or as a qualified railroad retirement beneficiary had such individual been unable to engage in substantial gainful activity, but not in excess of 78 such months. In determining when an individual’s entitlement or status terminates for purposes of the preceding sentence, the term “36 months” in the second sentence of section 223(a)(1), in section 202(d)(1)(G)(i), in the last sentence of section 202(e)(1), and in the last sentence of section 202(f)(1) shall be applied as though it read “15 months”.

(c) For purposes of subsection (a)—

(1) entitlement of an individual to hospital insurance benefits for a month shall consist of entitlement to have payment made under, and subject to the limitations in, part A of title XVIII on his behalf for inpatient hospital services, post-hospital extended care services, and home health services (as such terms are defined in part C of title XVIII) furnished him in the United States (or outside the United States in the case of inpatient hospital services furnished under the conditions described in section 1814(f)) during such month; except that (A) no such payment may be made for post-hospital extended care services furnished before January 1967, and (B) no such payment may be made for post-hospital extended care services unless the discharge from the hospital required to qualify such services for payment under part A of title XVIII occurred (i) after June 30, 1966, or on or after the first day of the month in which he attains age 65, whichever is later, or (ii) if he was entitled to hospital insurance benefits pursuant to subsection (b), at a time when he was so entitled; and

(2) an individual shall be deemed entitled to monthly insurance benefits under section 202 or section 223, or to be a qualified railroad retirement beneficiary, for the month in which he died if he would have been entitled to such benefits, or would have been a qualified railroad retirement beneficiary, for such month had he died in the next month.

(d) For purposes of this section, the term “qualified railroad retirement beneficiary” means an individual whose name has been certified to the Secretary by the Railroad Retirement Board under section 7(d) of the Railroad Retirement Act of 1974. An individual shall cease to be a qualified railroad retirement beneficiary at the close of the month preceding the month which is certified by the Railroad Retirement Board as the month in which he ceased to meet the requirements of section 7(d) of the Railroad Retirement Act of 1974.
(e)(1)(A) For purposes of determining entitlement to hospital insurance benefits under subsection (b) in the case of widows and widowers described in paragraph (2)(A)(iii) thereof—
   (i) the term “age 60” in sections 202(e)(1)(B)(ii), 202(e)(4), 202(f)(1)(B)(ii), and 202(f)(4) shall be deemed to read “age 65”;
   and
   (ii) the phrase “before she attained age 60” in the matter following subparagraph (F) of section 202(e)(1) and the phrase “before he attained age 60” in the matter following subparagraph (F) of section 202(f)(1) shall each be deemed to read “based on a disability”.

(B) For purposes of subsection (b)(2)(A)(iii), each month in the period commencing with the first month for which an individual is first eligible for supplemental security income benefits under title XVI, or State supplementary payments of the type referred to in section 1616(a) of this Act (or payments of the type described in section 212(a) of Public Law 93–66) which are paid by the Secretary under an agreement referred to in section 1616(a) (or in section 212(b) of Public Law 93–66), shall be included as one of the 24 months for which such individual must have been entitled to widow’s or widower’s insurance benefits on the basis of disability in order to become entitled to hospital insurance benefits on that basis.

(2) For purposes of determining entitlement to hospital insurance benefits under subsection (b) in the case of an individual under age 65 who is entitled to benefits under section 202, and who was entitled to widow’s insurance benefits or widower’s insurance benefits based on disability for the month before the first month in which such individual was so entitled to old-age insurance benefits (but ceased to be entitled to such widow’s or widower’s insurance benefits upon becoming entitled to such old-age insurance benefits), such individual shall be deemed to have continued to be entitled to such widow’s insurance benefits or widower’s insurance benefits for and after such first month.

(3) For purposes of determining entitlement to hospital insurance benefits under subsection (b), any disabled widow aged 50 or older who is entitled to mother’s insurance benefits (and who would have been entitled to widow’s insurance benefits by reason of disability if she had filed for such widow’s benefits), and any disabled widower aged 50 or older who is entitled to father’s insurance benefits (and who would have been entitled to widower’s insurance benefits by reason of disability if he had filed for such widower’s benefits), shall, upon application for such hospital insurance benefits be deemed to have filed for such widow’s or widower’s insurance benefits.

(4) For purposes of determining entitlement to hospital insurance benefits under subsection (b) in the case of an individual described in clause (iii) of subsection (b)(2)(A), the entitlement of such individual to widow’s or widower’s insurance benefits under section 202(e) or (f) by reason of a disability shall be deemed to be the entitlement to such benefits that would result if such entitlement were determined without regard to the provisions of section 202(j)(4).

(f) For purposes of subsection (b) (and for purposes of section 1837(g)(1) of this Act and section 7(d)(2)(ii) of the Railroad Retirement Act of 1974), the 24 months for which an individual has to
have been entitled to specified monthly benefits on the basis of disability in order to become entitled to hospital insurance benefits on such basis effective with any particular month (or to be deemed to have enrolled in the supplementary medical insurance program, on the basis of such entitlement, by reason of section 1837(f)), where such individual had been entitled to specified monthly benefits of the same type during a previous period which terminated—

(1) more than 60 months before the month in which his current disability began in any case where such monthly benefits were of the type specified in clause (A)(i) or (B) of subsection (b)(2), or

(2) more than 84 months before the month in which his current disability began in any case where such monthly benefits were of the type specified in clause (A)(ii) or (A)(iii) of such subsection,

shall not include any month which occurred during such previous period, unless the physical or mental impairment which is the basis for disability is the same as (or directly related to) the physical or mental impairment which served as the basis for disability in such previous period.

(g) The Secretary and Director of the Office of Personnel Management shall jointly prescribe and carry out procedures designed to assure that all individuals who perform medicare qualified government employment by virtue of service described in section 210(a)(5) are fully informed with respect to (1) their eligibility or potential eligibility for hospital insurance benefits (based on such employment) under part A of title XVIII, (2) the requirements for and conditions of such eligibility, and (3) the necessity of timely application as a condition of entitlement under subsection (b)(2)(C), giving particular attention to individuals who apply for an annuity under chapter 83 of title 5, United States Code, or under another similar Federal retirement program, and whose eligibility for such an annuity is or would be based on a disability.

(h) For purposes of applying this section in the case of an individual medically determined to have amyotrophic lateral sclerosis (ALS), the following special rules apply:

(1) Subsection (b) shall be applied as if there were no requirement for any entitlement to benefits, or status, for a period longer than 1 month.

(2) The entitlement under such subsection shall begin with the first month (rather than twenty-fifth month) of entitlement or status.

(3) Subsection (f) shall not be applied.

(i) For entitlement to hospital insurance benefits in the case of certain uninsured individuals, see section 103 of the Social Security Amendments of 1965.

(j)(1) In the case of an individual who—

(A) on or after January 1, 2023, is—

(i) a Postal Service employee;

(ii) a Postal Service annuitant who is not a Postal Service Medicare covered annuitant; or

(iii) a member of family of a Postal Service employee or of a Postal Service annuitant and who is not described in section 1837(o)(1) of this Act; and
(B) enrolls in a Program plan under section 8903c of title 5, United States Code, such individual is deemed to be enrolled under this part, regardless of whether such individual has filed an application under subparagraph (A) or (C) of subsection (a)(2).

(2) Entitlement to hospital benefits under part A by reason of paragraph (1) begins as of—
   (A) in the case of an individual who is a Postal Service employee or a Postal Service annuitant who is eligible to become a Postal Service Medicare covered annuitant, the date on which the individual becomes a Postal Service Medicare covered annuitant or the date of enrollment in a Program plan, whichever is later;
   (B) in the case of an individual who is eligible to enroll under section 1818 or 1818A, the date on which the individual attains such eligibility or the date of enrollment in a Program plan whichever is later; and
   (C) in the case of an individual who is described in paragraph (1)(A)(iii) and is eligible to become a covered Medicare individual, as of the first date the individual becomes a covered Medicare individual or the date of enrollment in a Program plan, whichever is later.

(3) The definitions in section 8903c(a) of title 5, United States Code, shall apply for purposes of this subsection.

(4) Nothing in this subsection shall be construed to deprive any individual of any other method or period of enrollment to which such individual is entitled under this section.

ENROLLMENT PERIODS

SEC. 1837. (a) An individual may enroll in the insurance program established by this part only in such manner and form as may be prescribed by regulations, and only during an enrollment period prescribed in or under this section.

(c) In the case of individuals who first satisfy paragraph (1) or (2) of section 1836(a) before March 1, 1966, the initial general enrollment period shall begin on the first day of the second month which begins after the date of enactment of this title and shall end on May 31, 1966. For purposes of this subsection and subsection (d), an individual who has attained age 65 and who satisfies paragraph (1) of section 1836(a) but not paragraph (2) of such section shall be treated as satisfying such paragraph (1) on the first day on which he is (or on filing application would have been) entitled to hospital insurance benefits under part A.

(d) In the case of an individual who first satisfies paragraph (1) or (2) of section 1836(a) on or after March 1, 1966, his initial enroll-
ment period shall begin on the first day of the third month before the month in which he first satisfies such paragraphs and shall end seven months later. Where the Secretary finds that an individual who has attained age 65 failed to enroll under this part during his initial enrollment period (based on a determination by the Secretary of the month in which such individual attained age 65), because such individual (relying on documentary evidence) was mistaken as to his correct date of birth, the Secretary shall establish for such individual an initial enrollment period based on his attaining age 65 at the time shown in such documentary evidence (with a coverage period determined under section 1838 as though he had attained such age at that time).

(e) There shall be a general enrollment period during the period beginning on January 1 and ending on March 31 of each year.

(f) Any individual—

(1) who is eligible under section 1836(a) to enroll in the medical insurance program by reason of entitlement to hospital insurance benefits as described in paragraph (1) of such section, and

(2) whose initial enrollment period under subsection (d) begins after March 31, 1973, and

(3) who is residing in the United States, exclusive of Puerto Rico,

shall be deemed to have enrolled in the medical insurance program established by this part.

(g) All of the provisions of this section shall apply to individuals satisfying subsection (f), except that—

(1) in the case of an individual who satisfies subsection (f) by reason of entitlement to disability insurance benefits described in section 226(b), his initial enrollment period shall begin on the first day of the later of (A) April 1973 or (B) the third month before the 25th month of such entitlement, and shall reoccur with each continuous period of eligibility (as defined in section 1839(d)) and upon attainment of age 65;

(2)(A) in the case of an individual who is entitled to monthly benefits under section 202 or 223 on the first day of his initial enrollment period or becomes entitled to monthly benefits under section 202 during the first 3 months of such period, his enrollment shall be deemed to have occurred in the third month of his initial enrollment period, and

(B) in the case of an individual who is not entitled to benefits under section 202 on the first day of his initial enrollment period and does not become so entitled during the first 3 months of such period, his enrollment shall be deemed to have occurred in the month in which he files the application establishing his entitlement to hospital insurance benefits provided such filing occurs during the last 4 months of his initial enrollment period; and

(3) in the case of an individual who would otherwise satisfy subsection (f) but does not establish his entitlement to hospital insurance benefits until after the last day of his initial enrollment period (as defined in subsection (d) of this section), his enrollment shall be deemed to have occurred on the first day of the earlier of the then current or immediately succeeding
general enrollment period (as defined in subsection (e) of this section).

(h) In any case where the Secretary finds that an individual's enrollment or nonenrollment in the insurance program established by this part or part A pursuant to section 1818 is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Federal Government, or its instrumentalities, the Secretary may take such action (including the designation for such individual of a special initial or subsequent enrollment period, with a coverage period determined on the basis thereof and with appropriate adjustments of premiums) as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction.

(i)(1) In the case of an individual who—

(A) at the time the individual first satisfies paragraph (1) or (2) of section 1836(a), is enrolled in a group health plan described in section 1862(b)(1)(A)(v) by reason of the individual's (or the individual's spouse's) current employment status, and

(B) has elected not to enroll (or to be deemed enrolled) under this section during the individual's initial enrollment period,

there shall be a special enrollment period described in paragraph (3). In the case of an individual not described in the previous sentence who has not attained the age of 65, at the time the individual first satisfies paragraph (1) of section 1836(a), is enrolled in a large group health plan (as that term is defined in section 1862(b)(1)(B)(iii)) by reason of the individual's current employment status (or the current employment status of a family member of the individual), and has elected not to enroll (or to be deemed enrolled) under this section during the individual's initial enrollment period, there shall be a special enrollment period described in paragraph (3)(B).

(2) In the case of an individual who—

(A)(i) has enrolled (or has been deemed to have enrolled) in the medical insurance program established under this part during the individual's initial enrollment period, or (ii) is an individual described in paragraph (1)(A);

(B) has enrolled in such program during any subsequent special enrollment period under this subsection during which the individual was not enrolled in a group health plan described in section 1862(b)(1)(A)(v) by reason of the individual's (or individual's spouse's) current employment status; and

(C) has not terminated enrollment under this section at any time at which the individual is not enrolled in such a group health plan by reason of the individual's (or individual's spouse's) current employment status,

there shall be a special enrollment period described in paragraph (3). In the case of an individual not described in the previous sentence who has not attained the age of 65, has enrolled (or has been deemed to have enrolled) in the medical insurance program established under this part during the individual's initial enrollment period, or is an individual described in the second sentence of paragraph (1), has enrolled in such program during any subsequent special enrollment period under this subsection during which the individual was not enrolled in a large group health plan (as that term is defined in section 1862(b)(1)(B)(iii)) by reason of the indi-
individual's current employment status (or the current employment status of a family member of the individual), and has not terminated enrollment under this section at any time at which the individual is not enrolled in such a large group health plan by reason of the individual's current employment status (or the current employment status of a family member of the individual), there shall be a special enrollment period described in paragraph (3)(B).

(3)(A) The special enrollment period referred to in the first sentences of paragraphs (1) and (2) is the period including each month during any part of which the individual is enrolled in a group health plan described in section 1862(b)(1)(A)(v) by reason of current employment status ending with the last day of the eighth consecutive month in which the individual is at no time so enrolled.

(B) The special enrollment period referred to in the second sentences of paragraphs (1) and (2) is the period including each month during any part of which the individual is enrolled in a large group health plan (as that term is defined in section 1862(b)(1)(B)(iii)) by reason of the individual's current employment status (or the current employment status of a family member of the individual) ending with the last day of the eighth consecutive month in which the individual is at no time so enrolled.

(4)(A) In the case of an individual who is entitled to benefits under part A pursuant to section 226(b) and—

(i) who at the time the individual first satisfies paragraph (1) of section 1836(a)—

(I) is enrolled in a group health plan described in section 1862(b)(1)(A)(v) by reason of the individual's current or former employment or by reason of the current or former employment status of a member of the individual's family, and

(II) has elected not to enroll (or to be deemed enrolled) under this section during the individual's initial enrollment period; and

(ii) whose continuous enrollment under such group health plan is involuntarily terminated at a time when the enrollment under the plan is not by reason of the individual's current employment or by reason of the current employment of a member of the individual's family,

there shall be a special enrollment period described in subparagraph (B).

(B) The special enrollment period referred to in subparagraph (A) is the 6-month period beginning on the first day of the month which includes the date of the enrollment termination described in subparagraph (A)(ii).

(j) In applying this section in the case of an individual who is entitled to benefits under part A pursuant to the operation of section 226(h), the following special rules apply:

(1) The initial enrollment period under subsection (d) shall begin on the first day of the first month in which the individual satisfies the requirement of section 1836(a)(1).

(2) In applying subsection (g)(1), the initial enrollment period shall begin on the first day of the first month of entitlement to disability insurance benefits referred to in such subsection.

(k)(1) In the case of an individual who—
(A) at the time the individual first satisfies paragraph (1) or (2) of section 1836(a), is described in paragraph (3), and has elected not to enroll (or to be deemed enrolled) under this section during the individual's initial enrollment period; or
(B) has terminated enrollment under this section during a month in which the individual is described in paragraph (3), there shall be a special enrollment period described in paragraph (2).

(2) The special enrollment period described in this paragraph is the 6-month period beginning on the first day of the month which includes the date that the individual is no longer described in paragraph (3).

(3) For purposes of paragraph (1), an individual described in this paragraph is an individual who—
(A) is serving as a volunteer outside of the United States through a program—
(i) that covers at least a 12-month period; and
(ii) that is sponsored by an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from taxation under section 501(a) of such Code; and
(B) demonstrates health insurance coverage while serving in the program.

(1)(1) In the case of any individual who is a covered beneficiary (as defined in section 1072(5) of title 10, United States Code) at the time the individual is entitled to part A under section 226(b) or section 226A and who is eligible to enroll but who has elected not to enroll (or to be deemed enrolled) during the individual's initial enrollment period, there shall be a special enrollment period described in paragraph (2).

(2) The special enrollment period described in this paragraph, with respect to an individual, is the 12-month period beginning on the day after the last day of the initial enrollment period of the individual or, if later, the 12-month period beginning with the month the individual is notified of enrollment under this section.

(3) In the case of an individual who enrolls during the special enrollment period provided under paragraph (1), the coverage period under this part shall begin on the first day of the month in which the individual enrolls, or, at the option of the individual, the first month after the end of the individual's initial enrollment period.

(4) An individual may only enroll during the special enrollment period provided under paragraph (1) one time during the individual's lifetime.

(5) The Secretary shall ensure that the materials relating to coverage under this part that are provided to an individual described in paragraph (1) prior to the individual's initial enrollment period contain information concerning the impact of not enrolling under this part, including the impact on health care benefits under the TRICARE program under chapter 55 of title 10, United States Code.

(6) The Secretary of Defense shall collaborate with the Secretary of Health and Human Services and the Commissioner of Social Security to provide for the accurate identification of individuals described in paragraph (1). The Secretary of Defense shall provide such individuals with notification with respect to this subsection. The Secretary of Defense shall collaborate with the Secretary of
Health and Human Services and the Commissioner of Social Security to ensure appropriate follow up pursuant to any notification provided under the preceding sentence.

(m) Beginning January 1, 2023, the Secretary may establish special enrollment periods in the case of individuals who satisfy paragraph (1) or (2) of section 1836(a) and meet such exceptional conditions as the Secretary may provide.

(n)(1) Any individual who is eligible for coverage of immunosuppressive drugs under section 1836(b) may enroll or be deemed to have enrolled only in such manner and form as may be prescribed by regulations, and only during an enrollment period described in this subsection.

(2) An individual described in paragraph (1) whose entitlement for hospital insurance benefits under part A ends by reason of section 226A(b)(2) prior to January 1, 2023, may enroll beginning on October 1, 2022, or the day on which the individual first satisfies section 1836(b), whichever is later.

(3) An individual described in paragraph (1) whose entitlement for hospital insurance benefits under part A ends by reason of section 226A(b)(2) on or after January 1, 2023, shall be deemed to have enrolled in the medical insurance program established by this part for purposes of coverage of immunosuppressive drugs.

(4) The Secretary shall establish a process under which an individual described in paragraph (1) whose other coverage described in section 1836(b)(2)(A), or coverage under this part (including the medical insurance program established under this part for purposes of coverage of immunosuppressive drugs), is terminated voluntarily or involuntarily may enroll or reenroll, if applicable, in the medical insurance program established under this part for purposes of coverage of immunosuppressive drugs.

(o)(1) In the case of an individual who—

(A) as of January 1, 2023, is—

(i) a Postal Service Medicare covered annuitant; or

(ii) a member of family of a Postal Service employee or of a Postal Service annuitant and is a covered Medicare individual;

(B) intends to enroll in a Program plan under section 8903c of title 5, United States Code, for the initial contract year; and

(C) is not enrolled under this part,

the individual may elect to be enrolled under this part during a special enrollment period during the 3-month period beginning on January 1, 2023.

(2) In the case of an individual who—

(A) on or after January 1, 2023, is—

(i) a Postal Service employee;

(iii) a member of family of a Postal Service employee or of a Postal Service annuitant and who is not described in paragraph (1); and

(B) enrolls in a Program plan under section 8903c of title 5, United States Code;

the individual shall be deemed to have enrolled in the medical insurance program established by this part.
(3) The definitions in section 8903c(a) of title 5, United States Code, shall apply for purposes of this subsection.

(4) Nothing in this subsection shall be construed to deprive any individual of any other method or period of enrollment to which such individual is entitled under this section.

COVERAGE PERIOD

SEC. 1838. (a) The period during which an individual is entitled to benefits under the insurance program established by this part (hereinafter referred to as his “coverage period”) shall begin on whichever of the following is the latest:

(1) July 1, 1966, or (in the case of a disabled individual who has not attained age 65) July 1, 1973; or

(2)(A) in the case of an individual who enrolls pursuant to subsection (d) of section 1837 before the month in which he first satisfies paragraph (1) or (2) of section 1836(a), the first day of such month,

(B) in the case of an individual who first satisfies such paragraph in a month beginning before January 2023 and who enrolls pursuant to such subsection (d)—

(i) in such month in which he first satisfies such paragraph, the first day of the month following the month in which he so enrolls,

(ii) in the month following such month in which he first satisfies such paragraph, the first day of the second month following the month in which he so enrolls, or

(iii) more than one month following such month in which he satisfies such paragraph, the first day of the third month following the month in which he so enrolls,

(C) in the case of an individual who first satisfies such paragraph in a month beginning on or after January 1, 2023, and who enrolls pursuant to such subsection (d) in such month in which he first satisfies such paragraph or in any subsequent month of his initial enrollment period, the first day of the month following the month in which he so enrolls, or

(D) in the case of an individual who enrolls pursuant to subsection (e) of section 1837 in a month beginning—

(i) before January 1, 2023, the July 1 following the month in which he so enrolls; or

(ii) on or after January 1, 2023, the first day of the month following the month in which he so enrolls; or

(3) in the case of an individual who is deemed to have enrolled—

(A) on or before the last day of the third month of his initial enrollment period, the first day of the month in which he first meets the applicable requirements of section 1836(a) or July 1, 1973, whichever is later, or

(B) on or after the first day of the fourth month of his initial enrollment period, and where such month begins—

(i) before January 1, 2023, as prescribed under subparagraphs (B)(i), (B)(ii), (B)(iii), and (D)(i) of paragraph (2), or

(ii) on or after January 1, 2023, as prescribed under subparagraphs (C) and (D)(ii) of paragraph (2).
(b) An individual’s coverage period shall continue until his enrollment has been terminated—
   (1) by the filing of notice that the individual no longer wishes to participate in the insurance program established by this part, or
   (2) for nonpayment of premiums.

The termination of a coverage period under paragraph (1) shall (except as otherwise provided in section 1843(e)) take effect at the close of the month following the month in which the notice is filed. The termination of a coverage period under paragraph (2) shall take effect on a date determined under regulations, which may be determined so as to provide a grace period in which overdue premiums may be paid and coverage continued. The grace period determined under the preceding sentence shall not exceed 90 days; except that it may be extended to not to exceed 180 days in any case where the Secretary determines that there was good cause for failure to pay the overdue premiums within such 90-day period.

Where an individual who is deemed to have enrolled for medical insurance pursuant to section 1837(f) or section 1837(n)(3) files a notice before the first day of the month in which his coverage period begins advising that he does not wish to be so enrolled, the termination of the coverage period resulting from such deemed enrollment shall take effect with the first day of the month the coverage would have been effective. Where an individual who is deemed enrolled for medical insurance benefits pursuant to section 1837(f) or section 1837(n)(3) files a notice requesting termination of his deemed coverage in or after the month in which such coverage becomes effective, the termination of such coverage shall take effect at the close of the month following the month in which the notice is filed.

(c) In the case of an individual satisfying paragraph (1) of section 1836(a) whose entitlement to hospital insurance benefits under part A is based on a disability rather than on his having attained the age of 65, his coverage period (and his enrollment under this part) shall be terminated as of the close of the last month for which he is entitled to hospital insurance benefits.

(d) No payments may be made under this part with respect to the expenses of an individual unless such expenses were incurred by such individual during a period which, with respect to him, is a coverage period.

(e) Notwithstanding subsection (a), in the case of an individual who enrolls during a special enrollment period pursuant to section 1837(i)(3) or 1837(i)(4)(B)—
   (1) in any month of the special enrollment period in which the individual is at any time enrolled in a plan (specified in subparagraph (A) or (B), as applicable, of section 1837(i)(3) or specified in section 1837(i)(4)(A)(i)) or in the first month following such a month, the coverage period shall begin on the first day of the month in which the individual so enrolls (or, at the option of the individual, on the first day of any of the following three months), or
   (2) in any other month of the special enrollment period, the coverage period shall begin on the first day of the month following the month in which the individual so enrolls.
(f) Notwithstanding subsection (a), in the case of an individual who enrolls during a special enrollment period pursuant to section 1837(k), the coverage period shall begin on the first day of the month following the month in which the individual so enrolls.

(g) Notwithstanding subsection (a), in the case of an individual who enrolls during a special enrollment period pursuant to section 1837(m), the coverage period shall begin on a date the Secretary provides in a manner consistent (to the extent practicable) with protecting continuity of health benefit coverage.

(h) In the case of an individual described in section 1836(b)(1), the following rules shall apply:

   (1) In the case of such an individual who is deemed to have enrolled in part B for coverage of immunosuppressive drugs under section 1837(n)(3), such individual's coverage period shall begin on the first day of the month in which the individual first satisfies section 1836(b).

   (2) In the case of such an individual who enrolls (or re-enrolls, if applicable) in part B for coverage of immunosuppressive drugs under paragraph (2) or (4) of section 1837(n), such individual’s coverage period shall begin on January 1, 2023, or the month following the month in which the individual so enrolls (or reenrolls), whichever is later.

   (3) The provisions of subsections (b) and (d) shall apply with respect to an individual described in paragraph (1) or (2).

   (4) In addition to the reasons for termination under subsection (b), the coverage period of an individual described in paragraph (1) or (2) shall end when the individual becomes entitled to benefits under this title under subsection (a) or (b) of section 226, or under section 226A, or is no longer eligible for such coverage as a result of the application of section 1836(b)(2).

   (5) The Secretary may conduct public education activities to raise awareness of the availability of more comprehensive, individual health insurance coverage (as defined in section 2791 of the Public Health Service Act) for individuals eligible under section 1836(b) to enroll or to be deemed enrolled in the medical insurance program established under this part for purposes of coverage of immunosuppressive drugs.

(i) Notwithstanding subsection (a)—

   (1) in the case of an individual who enrolls under this part pursuant to a special enrollment period under paragraph (1) of section 1837(o), the coverage period under this part shall begin on the date that the individual first has coverage under the Program plan pursuant to the enrollment described in paragraph (1)(B) of such section; and

   (2) in the case of an individual who is deemed enrolled under paragraph (2) of section 1837(o), the coverage period under this part shall begin as of—

   (A) in the case of such an individual who is a Postal Service employee or a Postal Service annuitant who is eligible to become a Postal Service Medicare covered annuitant, the date on which the individual becomes a Postal Service Medicare covered annuitant or the date of enrollment in a Program plan, whichever is later;
(B) in the case of such an individual who is eligible to enroll under section 1818 or 1818A of this Social Security Act, the date on which the individual attains such eligibility or the date of enrollment in a Program plan, whichever is later; and

(C) in the case of an individual described in paragraph (2)(A)(i)(III) of such section who is eligible to become a covered Medicare individual, as of the first date the individual becomes a covered Medicare individual or the date of enrollment in a Program plan, whichever is later.

AMOUNTS OF PREMIUMS

SEC. 1839. (a)(1) The Secretary shall, during September of 1983 and of each year thereafter, determine the monthly actuarial rate for enrollees age 65 and over which shall be applicable for the succeeding calendar year. Subject to paragraphs (5), (6), and (7), such actuarial rate shall be the amount the Secretary estimates to be necessary so that the aggregate amount for such calendar year with respect to those enrollees age 65 and older will equal one-half of the total of the benefits and administrative costs which he estimates will be payable from the Federal Supplementary Medical Insurance Trust Fund for services performed and related administrative costs incurred in such calendar year with respect to such enrollees. In calculating the monthly actuarial rate, the Secretary shall include an appropriate amount for a contingency margin. In applying this paragraph there shall not be taken into account additional payments under section 1848(o) and section 1853(l)(3) and the Government contribution under section 1844(a)(3).

(2) The monthly premium of each individual enrolled under this part for each month after December 1983 shall be the amount determined under paragraph (3), adjusted as required in accordance with subsections (b), (c), (f), and (i), and to reflect any credit provided under section 1854(b)(1)(C)(ii)(III).

(3) The Secretary, during September of each year, shall determine and promulgate a monthly premium rate for the succeeding calendar year that (except as provided in subsection (g)) is equal to 50 percent of the monthly actuarial rate for enrollees age 65 and over, determined according to paragraph (1), for that succeeding calendar year. Whenever the Secretary promulgates the dollar amount which shall be applicable as the monthly premium rate for any period, he shall, at the time such promulgation is announced, issue a public statement setting forth the actuarial assumptions and bases employed by him in arriving at the amount of an adequate actuarial rate for enrollees age 65 and older as provided in paragraph (1).

(4) The Secretary shall also, during September of 1983 and of each year thereafter, determine the monthly actuarial rate for disabled enrollees under age 65 which shall be applicable for the succeeding calendar year. Such actuarial rate shall be the amount the Secretary estimates to be necessary so that the aggregate amount for such calendar year with respect to disabled enrollees under age 65 will equal one-half of the total of the benefits and administrative costs which he estimates will be payable from the Federal Supplementary Medical Insurance Trust Fund for services performed and related administrative costs incurred in such calendar year.
with respect to such enrollees. In calculating the monthly actuarial rate under this paragraph, the Secretary shall include an appropriate amount for a contingency margin.

(5)(A) In applying this part (including subsection (i) and section 1833(b)), the monthly actuarial rate for enrollees age 65 and over for 2016 shall be determined as if subsection (f) did not apply.

(B) Subsection (f) shall continue to be applied to paragraph (6)(A) (during a repayment month, as described in paragraph (6)(B)) and without regard to the application of subparagraph (A).

(6)(A) With respect to a repayment month (as described in subparagraph (B)), the monthly premium otherwise established under paragraph (3) shall be increased by, subject to subparagraph (D), $3.

(B) For purposes of this paragraph, a repayment month is a month during a year, beginning with 2016, for which a balance due amount is computed under subparagraph (C) as greater than zero.

(C) For purposes of this paragraph, the balance due amount computed under this subparagraph, with respect to a month, is the amount estimated by the Chief Actuary of the Centers for Medicare & Medicaid Services to be equal to—

(i) the amount transferred under subsections (d)(1) and (e)(1) of section 1844; plus
(ii) the amount that is equal to the aggregate reduction, for all individuals enrolled under this part, in the income related monthly adjustment amount as a result of the application of paragraphs (5) and (7); minus
(iii) the amounts payable under this part as a result of the application of this paragraph for preceding months.

(D) If the balance due amount computed under subparagraph (C), without regard to this subparagraph, for December of a year would be less than zero, the Chief Actuary of the Centers for Medicare & Medicaid Services shall estimate, and the Secretary shall apply, a reduction to the dollar amount increase applied under subparagraph (A) for each month during such year in a manner such that the balance due amount for January of the subsequent year is equal to zero.

(7)(A) In applying this part (including subsection (i) and section 1833(b)), the monthly actuarial rate for enrollees age 65 and over for 2021 shall be determined to be equal to the sum of—

(i) the monthly actuarial rate for enrollees age 65 and over for 2020; plus
(ii) 25 percent of the difference between such rate for 2020 and the preliminary monthly actuarial rate for enrollees age 65 and over for 2021 (as estimated under subparagraph (B)).

(B) For purposes of subparagraph (A)(ii), the Secretary shall estimate a preliminary monthly actuarial rate for enrollees age 65 and over for 2021 using the methodology described in paragraph (1) and as if subparagraph (A) of this paragraph did not apply. The Secretary shall make the estimate under the previous sentence as if the transfers described in section 1844(f)(1) have been made.

(b) In the case of an individual whose coverage period began pursuant to an enrollment after his initial enrollment period (determined pursuant to subsection (c) or (d) of section 1837) and not pursuant to a special enrollment period under subsection (i)(4), (l), or (m) of section 1837, the monthly premium determined under
subsection (a) (without regard to any adjustment under subsection (i)) shall be increased by 10 percent of the monthly premium so determined for each full 12 months (in the same continuous period of eligibility) in which he could have been but was not enrolled. For purposes of the preceding sentence, there shall be taken into account (1) the months which elapsed between the close of his initial enrollment period and the close of the enrollment period in which he enrolled, plus (in the case of an individual who reenrolls) (2) the months which elapsed between the date of termination of a previous coverage period and the close of the enrollment period in which he reenrolled, but there shall not be taken into account months for which the individual can demonstrate that the individual was enrolled in a group health plan described in section 1862(b)(1)(A)(v) by reason of the individual's (or the individual's spouse's) current employment or months during which the individual has not attained the age of 65 and for which the individual can demonstrate that the individual was enrolled in a large group health plan as an active individual (as those terms are defined in section 1862(b)(1)(B)(iii)) or months for which the individual can demonstrate that the individual was an individual described in section 1837(k)(3). Any increase in an individual's monthly premium under the first sentence of this subsection with respect to a particular continuous period of eligibility shall not be applicable with respect to any other continuous period of eligibility which such individual may have. No increase in the premium shall be effected for a month in the case of an individual who enrolls under this part during 2001, 2002, 2003, or 2004 and who demonstrates to the Secretary before December 31, 2004, that the individual is a covered beneficiary (as defined in section 1072(5) of title 10, United States Code). The Secretary of Health and Human Services shall consult with the Secretary of Defense in identifying individuals described in the previous sentence. For purposes of determining any increase under this subsection for individuals whose enrollment occurs on or after January 1, 2023, the second sentence of this subsection shall be applied by substituting “close of the month” for “close of the period at the end of the enrollment sentence” each place it appears. No increase in the premium shall be effected for individuals who are enrolled pursuant to section 1836(b) for coverage only of immunosuppressive drugs.

(c) If any monthly premium determined under the foregoing provisions of this section is not a multiple of 10 cents, such premium shall be rounded to the nearest multiple of 10 cents.

(d) For purposes of subsection (b) (and section 1837(g)(1)), an individual’s “continuous period of eligibility” is the period beginning with the first day on which he is eligible to enroll under section 1836(a) and ending with his death; except that any period during all of which an individual satisfied paragraph (1) of section 1836(a) and which terminated in or before the month preceding the month in which he attained age 65 shall be a separate “continuous period of eligibility” with respect to such individual (and each such period which terminates shall be deemed not to have existed for purposes of subsequently applying this section).

(e)(1) Upon the request of a State (or any appropriate State or local governmental entity specified by the Secretary), the Secretary may enter into an agreement with the State (or such entity) under
which the State (or such entity) agrees to pay on a quarterly or other periodic basis to the Secretary (to be deposited in the Treasury to the credit of the Federal Supplementary Medical Insurance Trust Fund) an amount equal to the amount of the part B late enrollment premium increases with respect to the premiums for eligible individuals (as defined in paragraph (3)(A)).

(2) No part B late enrollment premium increase shall apply to an eligible individual for premiums for months for which the amount of such an increase is payable under an agreement under paragraph (1).

(3) In this subsection:

(A) The term “eligible individual” means an individual who is enrolled under this part B and who is within a class of individuals specified in the agreement under paragraph (1).

(B) The term “part B late enrollment premium increase” means any increase in a premium as a result of the application of subsection (b).

(f) For any calendar year after 1988, if an individual is entitled to monthly benefits under section 202 or 223 or to a monthly annuity under section 3(a), 4(a), or 4(f) of the Railroad Retirement Act of 1974 for November and December of the preceding year, if the monthly premium of the individual under this section for December and for January is deducted from those benefits under section 1840(a)(1) or section 1840(b)(1), and if the amount of the individual’s premium is not adjusted for such January under subsection (i), the monthly premium otherwise determined under this section for an individual for that year shall not be increased, pursuant to this subsection, to the extent that such increase would reduce the amount of benefits payable to that individual for that December below the amount of benefits payable to that individual for that November (after the deduction of the premium under this section). For purposes of this subsection, retroactive adjustments or payments and deductions on account of work shall not be taken into account in determining the monthly benefits to which an individual is entitled under section 202 or 223 or under the Railroad Retirement Act of 1974. Any increase in the premium for an individual who was enrolled under section 1836(b) attributable to such individual otherwise enrolling under this part shall not be taken into account in applying this subsection.

(g) In estimating the benefits and administrative costs which will be payable from the Federal Supplementary Medical Insurance Trust Fund for a year for purposes of determining the monthly premium rate under subsection (a)(3), the Secretary shall exclude an estimate of any benefits and administrative costs attributable to—

(1) the application of section 1861(v)(1)(L)(viii) or to the establishment under section 1861(v)(1)(L)(i)(V) of a per visit limit at 106 percent of the median (instead of 105 percent of the median), but only to the extent payment for home health services under this title is not being made under section 1895 (relating to prospective payment for home health services); and

(2) the medicare prescription drug discount card and transitional assistance program under section 1860D–31.

(h) POTENTIAL APPLICATION OF COMPARATIVE COST ADJUSTMENT IN CCA AREAS—
3. IMPLEMENTATION.—In order to carry out a premium adjustment under this subsection and section 1860C–1(f) (insofar as it is effected through the manner of collection of premiums under section 1840(a)), the Secretary shall transmit to the Commissioner of Social Security—

(A) at the beginning of each year, the name, Social Security account number, and the amount of the premium adjustment (if any) for each individual enrolled under this part for each month during the year; and

(B) periodically throughout the year, information to update the information previously transmitted under this paragraph for the year.

(i) REDUCTION IN PREMIUM SUBSIDY BASED ON INCOME.—

(1) IN GENERAL.—In the case of an individual whose modified adjusted gross income exceeds the threshold amount under paragraph (2), the monthly amount of the premium subsidy applicable to the premium under this section for a month after December 2006 shall be reduced (and the monthly premium shall be increased) by the monthly adjustment amount specified in paragraph (3).

(2) THRESHOLD AMOUNT.—For purposes of this subsection, subject to paragraph (6), the threshold amount is—

(A) except as provided in subparagraph (B), $80,000 (or, beginning with 2018, $85,000), and

(B) in the case of a joint return, twice the amount applicable under subparagraph (A) for the calendar year.

(3) MONTHLY ADJUSTMENT AMOUNT.—

(A) IN GENERAL.—Subject to subparagraph (B), the monthly adjustment amount specified in this paragraph for an individual for a month in a year is equal to the product of the following:

(i) SLIDING SCALE PERCENTAGE.—Subject to paragraph (6), the applicable percentage specified in the applicable table in subparagraph (C) for the individual minus 25 percentage points.

(ii) UNSUBSIDIZED PART B PREMIUM AMOUNT.—

(I) 200 percent of the monthly actuarial rate for enrollees age 65 and over (as determined under subsection (a)(1) for the year); plus

(II) 4 times the amount of the increase in the monthly premium under subsection (a)(6) for a month in the year (or, with respect to an individual enrolled under section 1836(b) and not oth-
erwise enrolled under this part, 0 times the amount of such increase).

(B) 3-YEAR PHASE IN.—The monthly adjustment amount specified in this paragraph for an individual for a month in a year before 2009 is equal to the following percentage of the monthly adjustment amount specified in subparagraph (A):

(i) For 2007, 33 percent.
(ii) For 2008, 67 percent.

(C) APPLICABLE PERCENTAGE.—

(ii) JOINT RETURNS.—In the case of a joint return, clause (i) shall be applied by substituting dollar amounts which are twice the dollar amounts otherwise applicable under clause (i) for the calendar year except, with respect to the dollar amounts applied in the last row of the table under subclause (III) of such clause (and the second dollar amount specified in the second to last row of such table), clause (i) shall be ap-
plied by substituting dollar amounts which are 150 percent of such dollar amounts for the calendar year.

(iii) MARRIED INDIVIDUALS FILING SEPARATE RETURNS.—In the case of an individual who—

(I) is married as of the close of the taxable year (within the meaning of section 7703 of the Internal Revenue Code of 1986) but does not file a joint return for such year, and

(II) does not live apart from such individual’s spouse at all times during the taxable year, clause (i) shall be applied by reducing each of the dollar amounts otherwise applicable under such clause for the calendar year by the threshold amount for such year applicable to an unmarried individual.

(4) MODIFIED ADJUSTED GROSS INCOME.—

(A) IN GENERAL.—For purposes of this subsection, the term “modified adjusted gross income” means adjusted gross income (as defined in section 62 of the Internal Revenue Code of 1986)—

(i) determined without regard to sections 135, 911, 931, and 933 of such Code; and

(ii) increased by the amount of interest received or accrued during the taxable year which is exempt from tax under such Code.

In the case of an individual filing a joint return, any reference in this subsection to the modified adjusted gross income of such individual shall be to such return’s modified adjusted gross income.

(B) TAXABLE YEAR TO BE USED IN DETERMINING MODIFIED ADJUSTED GROSS INCOME.—

(i) IN GENERAL.—In applying this subsection for an individual’s premiums in a month in a year, subject to clause (ii) and subparagraph (C), the individual’s modified adjusted gross income shall be such income determined for the individual’s last taxable year beginning in the second calendar year preceding the year involved.

(ii) TEMPORARY USE OF OTHER DATA.—If, as of October 15 before a calendar year, the Secretary of the Treasury does not have adequate data for an individual in appropriate electronic form for the taxable year referred to in clause (i), the individual’s modified adjusted gross income shall be determined using the data in such form from the previous taxable year. Except as provided in regulations prescribed by the Commissioner of Social Security in consultation with the Secretary, the preceding sentence shall cease to apply when adequate data in appropriate electronic form are available for the individual for the taxable year referred to in clause (i), and proper adjustments shall be made to the extent that the premium adjustments determined under the preceding sentence were inconsistent with those determined using such taxable year.

(iii) NON-FILERS.—In the case of individuals with respect to whom the Secretary of the Treasury does not
have adequate data in appropriate electronic form for either taxable year referred to in clause (i) or clause (ii), the Commissioner of Social Security, in consultation with the Secretary, shall prescribe regulations which provide for the treatment of the premium adjustment with respect to such individual under this subsection, including regulations which provide for—

(I) the application of the highest applicable percentage under paragraph (3)(C) to such individual if the Commissioner has information which indicates that such individual's modified adjusted gross income might exceed the threshold amount for the taxable year referred to in clause (i), and

(II) proper adjustments in the case of the application of an applicable percentage under subclause (I) to such individual which is inconsistent with such individual's modified adjusted gross income for such taxable year.

(C) USE OF MORE RECENT TAXABLE YEAR.—

(2) QUALIFIED RETIREE PRESCRIPTION DRUG PLAN DEFINED.—For purposes of this subsection, the term "qualified retiree prescription drug plan" means employment-based retiree health coverage (as defined in subsection (c)(1)) if, with respect to a part D eligible individual who is a participant or beneficiary under such coverage, the following requirements are met:

(A) ATTESTATION OF ACTUARIAL EQUIVALENCE TO STANDARD COVERAGE.—The sponsor of the plan provides the Secretary, annually or at such other time as the Secretary may require, with an attestation that the actuarial value of prescription drug coverage under the plan (as determined using the processes and methods described in section 1860D–11(c)) is at least equal to the actuarial value of standard prescription drug coverage, not taking into account the value of any discount or coverage provided during the gap in prescription drug coverage that occurs between the initial coverage limit under section 1860D–2(b)(3) during the year and the out-of-pocket threshold specified in section 1860D–2(b)(4)(B).

(B) COST THRESHOLD AND COST LIMIT APPLICABLE.—

(i) IN GENERAL.—Subject to clause (ii)—

(I) the cost threshold under this subparagraph is equal to $250 for plan years that end in 2006; and

(II) the cost limit under this subparagraph is equal to $5,000 for plan years that end in 2006.

(ii) INDEXING.—The cost threshold and cost limit amounts specified in subclauses (I) and (II) of clause (i) for a plan year that ends after 2006 shall be adjusted in the same manner as the annual deductible and the annual out-of-pocket threshold, respectively, are annually adjusted under paragraphs (1) and (4)(B) of section 1860D–2(b).

(i) ALLOWABLE RETIREE COSTS.—The term “allowable retiree costs” means, with respect to gross covered prescription drug costs under a qualified retiree prescription drug plan by a plan sponsor, the part of such costs that are actually paid (net of discounts, chargebacks, and average percentage rebates) by the sponsor or by or on behalf of a qualifying covered retiree under the plan.

(ii) GROSS COVERED RETIREE PLAN-RELATED PRESCRIPTION DRUG COSTS.—For purposes of this section, the term “gross covered retiree plan-related prescription drug costs” means, with respect to a qualifying covered retiree enrolled in a qualified retiree prescription drug plan during a coverage year, the costs incurred under the plan, not including administrative costs, but including costs directly related to the dispensing of covered part D drugs during the year. (5) PAYMENT METHODS, INCLUDING PROVISION OF NECESSARY INFORMATION.—The provisions of section 1860D–15(d) (including paragraph (2), relating to requirement for provision of information) shall apply to payments under this subsection in a manner similar to the manner in which they apply to payment under section 1860D–15(b).

(6) CONSTRUCTION.—Nothing in this subsection shall be construed as—

(A) precluding a part D eligible individual who is covered under employment-based retiree health coverage from enrolling in a prescription drug plan or in an MA–PD plan;

(B) precluding such employment-based retiree health coverage or an employer or other person from paying all or any portion of any premium required for coverage under a prescription drug plan or MA–PD plan on behalf of such an individual;

(C) preventing such employment-based retiree health coverage from providing coverage—

(i) that is better than standard prescription drug coverage to retirees who are covered under a qualified retiree prescription drug plan; or

(ii) that is supplemental to the benefits provided under a prescription drug plan or an MA–PD plan, including benefits to retirees who are not covered under a qualified retiree prescription drug plan but who are enrolled in such a prescription drug plan or MA–PD plan; or

(D) preventing employers to provide for flexibility in benefit design and pharmacy access provisions, without regard to the requirements for basic prescription drug coverage, so long as the actuarial equivalence requirement of paragraph (2)(A) is met.

(b) APPLICATION OF MA WAIVER AUTHORITY.—The provisions of section 1857(i) shall apply with respect to prescription drug plans in relation to employment-based retiree health coverage in a manner similar to the manner in which they apply to an MA plan in relation to employers, including authorizing the establishment of separate premium amounts for enrollees in a prescription drug plan by reason of such coverage and limitations on enrollment to part D eligible individuals enrolled under such coverage, and shall be applied in a manner to facilitate the offering of prescription drug benefits under a Program plan under section 8903c of title 5, United States Code, through employment-based retiree health coverage through a prescription drug plan, as required under subsection (f) of such section, through contracts between such a Program plan and such a prescription drug plan.

(c) DEFINITIONS.—For purposes of this section:
(1) **EMPLOYMENT-BASED RETIREE HEALTH COVERAGE.**—The term “employment-based retiree health coverage” means health insurance or other coverage of health care costs (whether provided by voluntary insurance coverage or pursuant to statutory or contractual obligation) for part D eligible individuals (or for such individuals and their spouses and dependents) under a group health plan based on their status as retired participants in such plan.

(2) **SPONSOR.**—The term “sponsor” means a plan sponsor, as defined in section 3(16)(B) of the Employee Retirement Income Security Act of 1974, in relation to a group health plan, except that, in the case of a plan maintained jointly by one employer and an employee organization and with respect to which the employer is the primary source of financing, such term means such employer.

**CHAPTER 1—POSTAL POLICY AND DEFINITIONS**

§ 101. Postal policy

(a) The United States Postal Service shall be operated as a basic and fundamental service provided to the people by the Government of the United States, authorized by the Constitution, created by Act of Congress, and supported by the people. The Postal Service shall have as its basic function the obligation to provide postal services to bind the Nation together through the personal, educational, literary, and business correspondence of the people. It shall provide
prompt, reliable, and efficient services to patrons in all areas and shall render postal services to all communities. The costs of establishing and maintaining the Postal Service shall not be apportioned to impair the overall value of such service to the people.

(b) The Postal Service shall maintain an integrated network for the delivery of market-dominant and competitive products (as defined in chapter 36 of this title). Delivery shall occur at least six days a week, except during weeks that include a Federal holiday or in emergency situations, such as natural disasters. The Postal Service shall provide a maximum degree of effective and regular postal services to rural areas, communities, and small towns where post offices are not self-sustaining. No small post office shall be closed solely for operating at a deficit, it being the specific intent of the Congress that effective postal services be insured to residents of both urban and rural communities.

(c) As an employer, the Postal Service shall achieve and maintain compensation for its officers and employees comparable to the rates and types of compensation paid in the private sector of the economy of the United States. It shall place particular emphasis upon opportunities for career advancements of all officers and employees and the achievement of worthwhile and satisfying careers in the service of the United States.

(d) Postal rates shall be established to apportion the costs of all postal operations to all users of the mail on a fair and equitable basis.

(e) In determining all policies for postal services, the Postal Service shall give the highest consideration to the requirement for the most expeditious collection, transportation, and delivery of important letter mail.

(f) In selecting modes of transportation, the Postal Service shall give highest consideration to the prompt and economical, consistent, and reliable delivery of all mail in a manner that increases operational efficiency and reduces complexity. Modern methods of transporting mail by containerization and programs designed to achieve cost-effective overnight transportation to the destination of important letter mail to all parts of the Nation shall also be a primary goal of postal operations.

(g) In planning and building new postal facilities, the Postal Service shall emphasize the need for facilities and equipment designed to create desirable working conditions for its officers and employees, a maximum degree of convenience for efficient postal services, proper access to existing and future air and surface transportation facilities, and control of costs to the Postal Service.

(5) to provide philatelic services;

(7) to offer and pay rewards for information and services in connection with violation of the postal laws, and, unless a different disposal is expressly prescribed, to pay one-half of all penalties and forfeitures imposed for violations of law affecting the Postal Service, its revenues, or property, to the person informing for the same, and to pay the other one-half into the Postal Service Fund; and
(8) to authorize the issuance of a substitute check for a lost, stolen, or destroyed check of the Postal Service.

(b) Except as otherwise provided, the Governors are authorized to establish reasonable and equitable classes of mail and reasonable and equitable rates of postage and fees for postal services in accordance with the provisions of chapter 36. Postal rates and fees shall be reasonable and equitable and sufficient to enable the Postal Service, under best practices of honest, efficient, and economical management, to maintain and continue the development of postal services of the kind and quality adapted to the needs of the United States.

(c) The Postal Service shall maintain one or more classes of mail for the transmission of letters sealed against inspection. The rate for each such class shall be uniform throughout the United States, its territories, and possessions. One such class shall provide for the most expeditious handling and transportation afforded mail matter by the Postal Service. No letter of such a class of domestic origin shall be opened except under authority of a search warrant authorized by law, or by an officer or employee of the Postal Service for the sole purpose of determining an address at which the letter can be delivered, or pursuant to the authorization of the addressee.

(d)(1) The Postal Service, prior to making a determination under subsection (a)(3) of this section as to the necessity for the closing or consolidation of any post office, shall provide adequate notice of its intention to close or consolidate such post office at least 60 days prior to the proposed date of such closing or consolidation to persons served by such post office to ensure that such persons will have an opportunity to present their views.
(2) The Postal Service, in making a determination whether or not to close or consolidate a post office—
(A) shall consider—
   (i) the effect of such closing or consolidation on the community served by such post office;
(ii) the effect of such closing or consolidation on employees of the Postal Service employed at such office;

(B) may not consider compliance with any provision of the Occupational Safety and Health Act of 1970 (29 U.S.C. 651 et seq.).

(3) Any determination of the Postal Service to close or consolidate a post office shall be in writing and shall include the findings of the Postal Service with respect to the considerations required to be made under paragraph (2) of this subsection. (4) The Postal Service shall take no action to close or consolidate a post office until 60 days after its written determination is made available to persons served by such post office.

(5) A determination of the Postal Service to close or consolidate any post office may be appealed by any person served by such office to the Postal Regulatory Commission within 30 days after such determination is made available to such person under paragraph (3). The Commission shall review such determination on the basis of the record before the Postal Service in the making of such determination. The Commission shall make a determination based upon such review no later than 120 days after receiving any appeal under this paragraph. The Commission shall set aside any determination, findings, and conclusions found to be—

(A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with the law;
(B) without observance of procedure required by law; or
(C) unsupported by substantial evidence on the record.

The Commission may affirm the determination of the Postal Service or order that the entire matter be returned for further consideration, but the Commission may not modify the determination of the Postal Service. The Commission may suspend the effectiveness of the determination of the Postal Service until the final disposition of the appeal. The provisions of section 556, section 557, and chapter 7 of title 5 shall not apply to any review carried out by the Commission under this paragraph.

(6) For purposes of paragraph (5), any appeal received by the Commission shall—

(A) if sent to the Commission through the mails, be considered to have been received on the date of the Postal Service postmark on the envelope or other cover in which such appeal is mailed; or
(B) if otherwise lawfully delivered to the Commission, be considered to have been received on the date determined based on
any appropriate documentation or other indicia (as determined under regulations of the Commission).

(e)(1) In this subsection, the term “nonpostal service” means any service that is not a postal service defined under section 102(5).

(2) Nothing in this section shall be considered to permit or require that the Postal Service provide any nonpostal service, except that the Postal Service may provide nonpostal services which were offered as of January 1, 2006, as provided under this subsection, or any nonpostal products or services authorized by chapter 37.

(3) Not later than 2 years after the date of enactment of the Postal Accountability and Enhancement Act, the Postal Regulatory Commission shall review each nonpostal service offered by the Postal Service on the date of enactment of that Act and determine whether that nonpostal service shall continue, taking into account—

(A) the public need for the service; and

(B) the ability of the private sector to meet the public need for the service.

(4) Any nonpostal service not determined to be continued by the Postal Regulatory Commission under paragraph (3) shall terminate.

(5) If the Postal Regulatory Commission authorizes the Postal Service to continue a nonpostal service under this subsection, the Postal Regulatory Commission shall designate whether the service shall be regulated under this title as a market dominant product, a competitive product, or an experimental product.

(6) Licensing which, before the date of enactment of this paragraph, has been authorized by the Postal Regulatory Commission for continuation as a nonpostal service may not be used for any purpose other than—

(A) to continue to provide licensed mailing, shipping, or stationery supplies offered as of June 23, 2011; or

(B) to license other goods, products, or services, the primary purpose of which is to promote and enhance the image or brand of the Postal Service.

(7) Nothing in this section shall be construed to prevent the Postal Service from establishing nonpostal products and services that are expressly authorized by chapter 37.

* * * * * * *

§ 411. Cooperation with other Government agencies

Executive agencies within the meaning of section 105 of title 5 and the Government Publishing Office are authorized to furnish property, both real and personal, and personal and nonpersonal services to the Postal Service, and the Postal Service is authorized to furnish property and services to them. * * * * * * *

CHAPTER 5—POSTAL REGULATORY COMMISSION

* * * * * * *
§ 504. Administration

(a) The Chairman of the Postal Regulatory Commission shall be the principal executive officer of the Commission. The Chairman shall exercise or direct the exercise of all the executive and administrative functions of the Commission, including functions of the Commission with respect to (1) the appointment of personnel employed under the Commission, except that the appointment of heads of major administrative units under the Commission shall require the approval of a majority of the members of the Commission, (2) the supervision of the personnel employed under the Commission and the distribution of business among them and among the Commissioners, and (3) the use and expenditure of funds.

(b) In carrying out any of his functions under this section, the Chairman shall be governed by the general policies of the Commission.

(c) The Chairman may obtain such facilities and supplies as may be necessary to permit the Commission to carry out its functions. Any officer or employee appointed under this section shall be paid at rates of compensation and shall be entitled to programs offering employee benefits established under chapter 10 or chapter 12 of this title, as appropriate.

(d) There are authorized to be appropriated, out of the Postal Service Fund, such sums as may be necessary for the Postal Regulatory Commission. In requesting an appropriation under this subsection for a fiscal year, the Commission shall prepare and submit to the Congress under section 2009 a budget of the Commission's expenses, including expenses for facilities, supplies, compensation, and employee benefits.

(d)(1) Not later than September 1 of each fiscal year (beginning with fiscal year 2022), the Postal Regulatory Commission shall submit to the Postal Service a budget of the Commission's expenses, including expenses for facilities, supplies, compensation, and employee benefits, for the following fiscal year. Any such budget shall be deemed approved as submitted if the Governors fail to adjust the budget in accordance with paragraph (2).

(2)(A) Not later than 30 days after receiving a budget under paragraph (1), the Governors holding office, by unanimous written decision, may adjust the total amount of funding requested in such budget. Nothing in this subparagraph may be construed to authorize the Governors to adjust any activity proposed to be funded by the budget.

(B) If the Governors adjust the budget under subparagraph (A), the Postal Regulatory Commission shall adjust the suballocations within such budget to reflect the total adjustment made by the Governors. The budget shall be deemed approved on the date the Commission makes any such adjustments. The Commission may make further adjustments to the suballocations within such budget as necessary.

(3) Expenses incurred under any budget approved under this subsection shall be paid out of the Postal Service Fund established under section 2003.

(e) The provisions of section 410 and chapter 10 of this title shall apply to the Commission, as appropriate.

(f)(1) Any Commissioner of the Postal Regulatory Commission, any administrative law judge appointed by the Commission under
section 3105 of title 5, and any employee of the Commission designated by the Commission may administer oaths, examine witnesses, take depositions, and receive evidence.

(2) The Chairman of the Commission, any Commissioner designated by the Chairman, and any administrative law judge appointed by the Commission under section 3105 of title 5 may, with respect to any proceeding conducted by the Commission under this title or to obtain information to be used to prepare a report under this title—

(A) issue subpoenas requiring the attendance and presentation of testimony by, or the production of documentary or other evidence in the possession of, any covered person; and

(B) order the taking of depositions and responses to written interrogatories by a covered person.

The written concurrence of a majority of the Commissioners then holding office shall, with respect to each subpoena under subparagraph (A), be required in advance of its issuance.

(3) In the case of contumacy or failure to obey a subpoena issued under this subsection, upon application by the Commission, the district court of the United States for the district in which the person to whom the subpoena is addressed resides or is served may issue an order requiring such person to appear at any designated place to testify or produce documentary or other evidence. Any failure to obey the order of the court may be punished by the court as a contempt thereof.

(4) For purposes of this subsection, the term “covered person” means an officer, employee, agent, or contractor of the Postal Service.

(g)(1) If the Postal Service determines that any document or other matter it provides to the Postal Regulatory Commission under a subpoena issued under subsection (f), or otherwise at the request of the Commission in connection with any proceeding or other purpose under this title, contains information which is described in section 410(c) of this title, or exempt from public disclosure under section 552(b) of title 5, the Postal Service shall, at the time of providing such matter to the Commission, notify the Commission, in writing, of its determination (and the reasons therefor).

(2) Except as provided in paragraph (3), no officer or employee of the Commission may, with respect to any information as to which the Commission has been notified under paragraph (1)—

(A) use such information for purposes other than the purposes for which it is supplied; or

(B) permit anyone who is not an officer or employee of the Commission to have access to any such information.

(3)(A) Paragraph (2) shall not prohibit the Commission from publicly disclosing relevant information in furtherance of its duties under this title, provided that the Commission has adopted regulations under section 553 of title 5, that establish a procedure for according appropriate confidentiality to information identified by the Postal Service under paragraph (1). In determining the appropriate degree of confidentiality to be accorded information identified by the Postal Service under paragraph (1), the Commission shall balance the nature and extent of the likely commercial injury to the Postal Service against the public interest in maintaining the finan-
cial transparency of a government establishment competing in commercial markets.

(B) Paragraph (2) shall not prevent the Commission from requiring production of information in the course of any discovery procedure established in connection with a proceeding under this title. The Commission shall, by regulations based on rule 26(c) of the Federal Rules of Civil Procedure, establish procedures for ensuring appropriate confidentiality for information furnished to any party.

(h)(1) Notwithstanding any other provision of this title or of the Inspector General Act of 1978, the authority to select, appoint, and employ officers and employees of the Office of Inspector General of the Postal Regulatory Commission, and to obtain any temporary or intermittent services of experts or consultants (or an organization of experts or consultants) for such Office, shall reside with the Inspector General of the Postal Regulatory Commission.

(2) Except as provided in paragraph (1), any exercise of authority under this subsection shall, to the extent practicable, be in conformance with the applicable laws and regulations that govern selections, appointments, and employment, and the obtaining of any such temporary or intermittent services, within the Postal Regulatory Commission.

Any

(a)(1) Except as otherwise provided in this section, rates of postage for a class of mail or kind of mailer under former section 4358, 4452(b), 4452(c), 4554(b), or 4554(c) of this title shall be established in accordance with section 3622.

(2) For the purpose of this subsection, the term “regular-rate category” means any class of mail or kind of mailer, other than a class or kind referred to in section 2401(c).

(3) Rates of postage for a class of mail or kind of mailer under former section 4358(a) through (c) of this title shall be established so that postage on each mailing of such mail reflects its preferred status as compared to the postage for the most closely corresponding regular-rate category mailing.

4(a)(A) Except as specified in subparagraph (B), rates of postage for a class of mail or kind of mailer under former section 4358 (d) or (e) of this title shall be established so that postage on each mailing of such mail shall be as nearly as practicable 5 percent lower than the postage for a corresponding regular-rate category mailing.

(B) With respect to the postage for the advertising pound portion of any mail matter under former section 4358 (d) or (e) of this title, the 5-percent discount specified in subparagraph (A) shall not apply if the advertising portion exceeds 10 percent of the publication involved.
(5) The rates for any advertising under former section 4358(f) of this title shall be equal to 75 percent of the rates for advertising contained in the most closely corresponding regular-rate category of mail.

(6) The rates for mail matter under former sections 4452 (b) and (c) of this title shall be established as follows:

(A) The estimated average revenue per piece to be received by the Postal Service from each subclass of mail under former sections 4452 (b) and (c) of this title shall be equal, as nearly as practicable, to 60 percent of the estimated average revenue per piece to be received from the most closely corresponding regular-rate subclass of mail.

(B) For purposes of subparagraph (A), the estimated average revenue per piece of each regular-rate subclass shall be calculated on the basis of expected volumes and mix of mail for such subclass at current rates in the test year of the proceeding.

(C) Rate differentials within each subclass of mail matter under former sections 4452 (b) and (c) shall reflect the policies of this title, including the factors set forth in section 3622(b) of this title.

(7) The rates for mail matter under former sections 4554 (b) and (c) of this title shall be established so that postage on each mailing of such mail shall be as nearly as practicable 5 percent lower than the postage for a corresponding regular-rate mailing.

(b)(1) For the purposes of this title, the term “periodical publications”, as used in former section 4351 of this title, includes (A) any catalog or other course listing, including mail announcements of legal texts which are part of post-bar admission education issued by any institution of higher education or by a nonprofit organization engaged in continuing legal education; and (B) any looseleaf page or report (including any index, instruction for filing, table, or sectional identifier which is an integral part of such report) which is designed as part of a looseleaf reporting service concerning developments in the law or public policy.

(2) Any material described in paragraph (1) of this subsection shall qualify to be entered and mailed as second class mail in accordance with the applicable provisions of former section 4352 through former section 4357 of this title.

(3) For purposes of this subsection, the term “institution of higher education” has the meaning given it by section 101 of the Higher Education Act of 1965, and includes a nonprofit organization that coordinates a network of college-level courses that is sponsored primarily by nonprofit educational institutions for an older adult constituency.

(c) In the administration of this section, one conservation publication published by an agency of a State which is responsible for management and conservation of the fish or wildlife resources of such State shall be considered a publication of a qualified nonprofit organization which qualifies for rates of postage under former section 4358(d) of this title.

(d)(1) For purposes of this title, the term “agricultural”, as used in former sections 4358(j)(2), 4452(d), and 4554(b)(1)(B) of this title, includes the art or science of cultivating land, harvesting crops or marine resources, or raising of livestock.
(2) In the administration of this section, and for purposes of former sections 4358(j)(2), 4452(d), and 4554(b)(1)(B) of this title, agricultural organizations or associations shall include any organization or association which collects and disseminates information or materials relating to agricultural pursuits.

(e)(1) In the administration of this section, the rates for third-class mail matter mailed by a qualified political committee shall be the rates currently in effect under former section 4452 of this title for third-class mail matter mailed by a qualified nonprofit organization.

(2) For purposes of this subsection—

(g)(1) In the administration of this section, the rates for mail under subsections (a), (b), and (c) of former section 4358 of this title shall not apply to an issue of a publication if the number of copies of such issue distributed within the county of publication is less than the number equal to the sum of 50 percent of the total paid circulation of such issue plus one.

(2) Paragraph (1) of this subsection shall not apply to an issue of a publication if the total paid circulation of such issue is less than 10,000 copies.

(3) For purposes of this section and former section 4358(a) through (c) of this title, those copies of an issue of a publication entered within the county in which it is published, but distributed outside such county on postal carrier routes originating in the county of publication, shall be treated as if they were distributed within the county of publication.

(4)(A) In the case of an issue of a publication, any number of copies of which are mailed at the rates of postage for a class of mail or kind of mailer under former section 4358(a) through (c) of this title, any copies of such issue which are distributed outside the county of publication (excluding any copies subject to paragraph (3)) shall be subject to rates of postage provided for under this paragraph.

(B) The rates of postage applicable to mail under this paragraph shall be established in accordance with section 3622.

(C) This paragraph shall not apply with respect to an issue of a publication unless the total paid circulation of such issue outside
the county of publication (not counting recipients of copies subject to paragraph (3)) is less than 5,000.

(h) In the administration of this section, the number of copies of a subscription publication mailed to nonsubscribers during a calendar year at rates under subsections (a), (b), and (c) of former section 4358 of this title may not exceed 50 percent of the number of copies of such publication mailed at such rates to subscribers.

(j)(1) In the administration of this section, the rates for mail under former section 4452(b) or 4452(c) of this title shall not apply to mail which advertises, promotes, offers, or, for a fee or consideration, recommends, describes, or announces the availability of—

(C) any travel arrangement, unless the organization which promotes the arrangement is authorized to mail at the rates for mail under former section 4452(b) or 4452(c) of this title, the travel contributes substantially (aside from the cultivation of members, donors, or supporters, or the acquisition of income or funds) to one or more of the purposes which constitutes the basis for the organization’s authorization to mail at such rates, and the arrangement is designed for and primarily promoted to the members, donors, supporters, or beneficiaries of the organization; or

(D) any product or service (other than any to which subparagraph (A), (B), or (C) relates), if—

(i) the sale of such product or the providing of such service is not substantially related (aside from the need, on the part of the organization promoting such product or service, for income or funds or the use it makes of the profits derived) to the exercise or performance by the organization of one or more of the purposes constituting the basis for the organization’s authorization to mail at such rates; or

(ii) the mail matter involved is part of a cooperative mailing (as defined under regulations of the Postal Service) with any person or organization not authorized to mail at the rates for mail under former section 4452(b) or 4452(c) of this title;

except that—

(I) any determination under clause (i) that a product or service is not substantially related to a particular purpose shall be made under regulations which shall be prescribed by the Postal Service and which shall be consistent with standards established by the Internal Revenue Service and
the courts with respect to subsections (a) and (c) of section 513 of the Internal Revenue Code of 1986; and

(II) clause (i) shall not apply if the product involved is a periodical publication described in subsection (m)(2) (including a subscription to receive any such publication); and

(2) Matter shall not be excluded from being mail at the rates for mail under former section 4452(b) or 4452(c) of this title, by an organization authorized to mail at those rates solely because—

(A) such matter contains, but is not primarily devoted to, acknowledgements of organizations or individuals who have made donations to the authorized organization; or

(B) such matter contains, but is not primarily devoted to, references to and a response card or other instructions for making inquiries concerning services or benefits available as a result of membership in the authorized organization: Provided, That advertising, promotional, or application materials specifically concerning such services or benefits are not included.

(2) The Postal Service may assess a postage deficiency in the amount of the unpaid postage against any person or organization which violates paragraph (1) of this subsection. This assessment shall be deemed the final decision of the Postal Service, unless the party against whom the deficiency is assessed appeals it in writing within thirty days to the postmaster of the office where the mailing was entered. Such an appeal shall be considered by an official designated by the Postal Service, other than the postmaster of the office where the mailing was entered, who shall issue a decision as soon as practicable. This decision shall be deemed final unless the party against whom the deficiency was assessed appeals it in writing within thirty days to a further reviewing official designated by the Postal Service, who shall issue the final decision on the matter.

(3) The Postal Service shall maintain procedures for the prompt collection of postage deficiencies arising from the violation of paragraph (1) of this subsection, and may in its discretion, follow the
issuance of a final decision regarding a deficiency under paragraph (2) of this subsection deduct the amount of that deficiency incurred during the previous 12 months from any postage accounts or other monies of the violator in its possession.

(l) In the administration of this section, the term “advertising”, as used in former section 4358(j)(2) of this title, does not include the publisher’s own advertising in a publication published by the official highway or development agency of a State.

(m)(1) In the administration of this section, the rates for mail under former section 4452(b) or 4452(c) of this title shall not apply to mail consisting of products, unless such products—

(2) Paragraph (1) shall not apply with respect to a periodical publication of a qualified nonprofit organization.

(n) In the administration of this section, matter that satisfies the circulation standards for requester publications shall not be excluded from being mailed at the rates for mail under former section 4358 solely because such matter is designed primarily for free circulation or for circulation at nominal rates, or fails to meet the requirements of former section 4354(a)(5).

SUBCHAPTER III—PROVISIONS RELATING TO EXPERIMENTAL AND NEW PRODUCTS

§ 3641. Market tests of experimental products

(a) Authority.—

(1) In general.—The Postal Service may conduct market tests of experimental products in accordance with this section.

(2) Provisions waived.—A product shall not, while it is being tested under this section, be subject to the requirements of sections 3622, 3633, or 3642, or regulations promulgated under those sections.

(b) Conditions.—A product may not be tested under this section unless it satisfies each of the following:

(1) Significantly different product.—The product is, from the viewpoint of the mail users, significantly different from all products offered by the Postal Service within the 2-year period preceding the start of the test.

(2) Market disruption.—The introduction or continued offering of the product will not create an unfair or otherwise inappropriate competitive advantage for the Postal Service or any mailer, particularly in regard to small business concerns (as defined under subsection (h)).

(3) Correct categorization.—The Postal Service identifies the product, for the purpose of a test under this section, as either market-dominant or competitive, consistent with the criteria under section 3642(b)(1). Costs and revenues attributable to a product identified as competitive shall be included in any determination under section 3633(3) (relating to provisions applicable to competitive products collectively). Any test that solely affects products currently classified as competitive,
or which provides services ancillary to only competitive products, shall be presumed to be in the competitive product category without regard to whether a similar ancillary product exists for market-dominant products.

(c) Notice.—

(1) In General.—At least 30 days before initiating a market test under this section, the Postal Service shall file with the Postal Regulatory Commission and publish in the Federal Register a notice—

(A) setting out the basis for the Postal Service’s determination that the market test is covered by this section; and

(B) describing the nature and scope of the market test.

(2) Safeguards.—For a competitive experimental product, the provisions of section 504(g) shall be available with respect to any information required to be filed under paragraph (1) to the same extent and in the same manner as in the case of any matter described in section 504(g)(1). Nothing in paragraph (1) shall be considered to permit or require the publication of any information as to which confidential treatment is accorded under the preceding sentence (subject to the same exception as set forth in section 504(g)(3)).

(d) Duration.—

(1) In General.—A market test of a product under this section may be conducted over a period of not to exceed 24 months.

(2) Extension Authority.—If necessary in order to determine the feasibility or desirability of a product being tested under this section, the Postal Regulatory Commission may, upon written application of the Postal Service (filed not later than 60 days before the date as of which the testing of such product would otherwise be scheduled to terminate under paragraph (1)), extend the testing of such product for not to exceed an additional 12 months.

(e) Dollar-Amount Limitation.—

(1) In General.—A product may only be tested under this section if the total revenues that are anticipated, or in fact received, by the Postal Service from such product do not exceed $10,000,000 in any year, subject to paragraph (2) and subsection (g). In carrying out the preceding sentence, the Postal Regulatory Commission may limit the amount of revenues the Postal Service may obtain from any particular geographic market as necessary to prevent market disruption (as defined under subsection (b)(2)).

(2) Exemption Authority.—The Postal Regulatory Commission may, upon written application of the Postal Service, exempt the market test from the limit in paragraph (1) if the total revenues that are anticipated, or in fact received, by the Postal Service from such product do not exceed $50,000,000 in any year, subject to subsection (g). In reviewing an application under this paragraph, the Postal Regulatory Commission shall approve such application if it determines that—

(A) the product is likely to benefit the public and meet an expected demand;
[B] the product is likely to contribute to the financial stability of the Postal Service; and
[C] the product is not likely to result in unfair or otherwise inappropriate competition.

(f) CANCELLATION.—If the Postal Regulatory Commission at any time determines that a market test under this section fails, with respect to any particular product, to meet 1 or more of the requirements of this section, it may order the cancellation of the test involved or take such other action as it considers appropriate. A determination under this subsection shall be made in accordance with such procedures as the Commission shall by regulation prescribe.

(g) ADJUSTMENT FOR INFLATION.—For purposes of each year following the year in which occurs the deadline for the Postal Service’s first report to the Postal Regulatory Commission under section 3652(a), each dollar amount contained in this section shall be adjusted by the change in the Consumer Price Index for such year (as determined under regulations of the Commission).

(h) DEFINITION OF A SMALL BUSINESS CONCERN.—The criteria used in defining small business concerns or otherwise categorizing business concerns as small business concerns shall, for purposes of this section, be established by the Postal Regulatory Commission in conformance with the requirements of section 3 of the Small Business Act.

(i) EFFECTIVE DATE.—Market tests under this subchapter may be conducted in any year beginning with the first year in which occurs the deadline for the Postal Service’s first report to the Postal Regulatory Commission under section 3652(a).

§ 3704. Postal Service program for other Government agencies

(a) IN GENERAL.—The Postal Service may establish a program to provide property and services to other Government agencies within the meaning of section 411, but only if such program provides a reasonable contribution to the institutional costs of the Postal Service, defined as reimbursement by each agency that covers at least 100 percent of the attributable costs of all property and service provided by the Postal Service in each year to such agency.

(b) APPLICATION OF REPORTING REQUIREMENTS.—For purposes of the reporting requirements under section 3705, the Postal Service shall submit a separate report for each agreement with an agency entered into under subsection (a) analyzing the costs, revenues, rates, and quality of service for the provision of all services under such agreement, including information demonstrating that the agreement satisfies the requirements of subsection (a).

§ 3705. Transparency and accountability for nonpostal services

(a) ANNUAL REPORT TO THE COMMISSION.—

(1) IN GENERAL.—Not later than 90 days after the last day of each year, the Postal Service shall submit to the Postal Regulatory Commission a report that analyzes costs, revenues, rates, and quality of service for each agreement for the provision of property and services under this chapter, using such methodologies as the Commission may prescribe, and in sufficient detail to demonstrate compliance with the requirements of this chapter.

(2) SUPPORTING MATTER.—A report submitted under paragraph (1) shall include any nonpublic annex, the working papers, and any other supporting matter of the Postal Service and the Inspector General related to the information submitted in such report.

(b) CONTENT AND FORM OF REPORT.—

(1) IN GENERAL.—The Postal Regulatory Commission shall, by regulation, prescribe the content and form of the report required under subsection (a). In prescribing such regulations, the Commission shall give due consideration to—

(A) providing the public with timely, adequate information to assess compliance;

(B) avoiding unnecessary or unwarranted administrative effort and expense on the part of the Postal Service; and

(C) protecting the confidentiality of information that is commercially sensitive or is exempt from public disclosure under section 552(b) of title 5.

(2) REVISED REQUIREMENTS.—The Commission may, on its own motion or on request of any interested party, initiate proceedings to improve the quality, accuracy, or completeness of Postal Service data required by the Commission if—

(A) the attribution of costs or revenues to property or services under this chapter has become significantly inaccurate or can be significantly improved;

(B) the quality of service data provided to the Commission for a report under this chapter has become significantly inaccurate or can be significantly improved; or
(C) such revisions are, in the judgment of the Commission, otherwise necessitated by the public interest.

(c) AUDITS.—The Inspector General shall regularly audit the data collection systems and procedures used in collecting information and preparing the report required under subsection (a). The results of any such audit shall be submitted to the Postal Service and the Postal Regulatory Commission.

(d) CONFIDENTIAL INFORMATION.—

(1) IN GENERAL.—If the Postal Service determines that any document or portion of a document, or other matter, which it provides to the Postal Regulatory Commission in a nonpublic annex under this section contains information described in section 410(c), or exempt from public disclosure under section 552(b) of title 5, the Postal Service shall, at the time of providing such matter to the Commission, notify the Commission of its determination, in writing, and describe with particularity the documents (or portions of documents) or other matter for which confidentiality is sought and the reasons therefor.

(2) TREATMENT.—Any information or other matter described in paragraph (1) to which the Commission gains access under this section shall be subject to paragraphs (2) and (3) of section 504(g) in the same way as if the Commission had received notification with respect to such matter under section 504(g)(1).

(e) ANNUAL COMPLIANCE DETERMINATION.—

(1) OPPORTUNITY FOR PUBLIC COMMENT.—Upon receiving a report required under subsection (a), the Postal Regulatory Commission shall promptly—

(A) provide an opportunity for comment on such report by any interested party; and

(B) appoint an officer of the Commission to represent the interests of the general public.

(2) DETERMINATION OF COMPLIANCE OR NONCOMPLIANCE.—Not later than 90 days after receiving a report required under subsection (a), the Postal Regulatory Commission shall make a written determination as to whether the nonpostal activities carried out during the applicable year were or were not in compliance with the provisions of this chapter. For purposes of this paragraph, any case in which the requirements for coverage of attributable costs have not been met shall be considered to be a case of noncompliance. If, with respect to a year, no instance of noncompliance is found to have occurred, the determination shall be to that effect. Such determination of noncompliance shall be included with the annual compliance determination required under section 3653.

(3) NONCOMPLIANCE.—If a timely written determination of noncompliance is made under paragraph (2), the Postal Regulatory Commission shall take appropriate action. If the requirements for coverage of attributable costs specified by this chapter are not met, the Commission shall, within 60 days after the determination, prescribe remedial action to restore compliance as soon as practicable, including the full restoration of revenue shortfalls during the following year. The Commission may order the Postal Service to discontinue a nonpostal service under section 3703 that persistently fails to meet cost coverage requirements.
(4) DELIBERATE NONCOMPLIANCE.—In the case of deliberate noncompliance by the Postal Service with the requirements of this chapter, the Postal Regulatory Commission may order, based on the nature, circumstances, extent, and seriousness of the noncompliance, a fine (in the amount specified by the Commission in its order) for each incidence of such noncompliance. All receipts from fines imposed under this subsection shall be deposited in the general fund of the Treasury.

(f) REGULATIONS REQUIRED.—The Postal Regulatory Commission shall issue such regulations as are necessary to carry out this section.
