INTRODUCTION

The fiscal year 2024 allocation is \$11,311,000,000 in addition to \$14,013,000,000 in reallocated funds, for a discretionary spending total of \$25,324,000,000. This is \$1,867,300,000 below the fiscal year 2023 enacted level and \$6,232,084,000 below the President’s budget request for fiscal year 2024.

The Committee report refers to certain organizations, offices, and institutions as follows: the Government Accountability Office as GAO; the Office of Management and Budget as OMB; the Office of Personnel Management as OPM; the Internal Revenue Service as IRS; the General Services Administration as GSA; and full-time equivalent as FTE. References to “the Committee” means the Committee on Appropriations of the House of Representatives, unless otherwise noted. In addition, any reference to the “budget request” or “the request” should be interpreted to mean the Budget of the U.S. Government, fiscal year 2024, that was submitted to Congress on March 9, 2023.

HIGHLIGHTS OF THE BILL

The Financial Services and General Government bill has jurisdiction over a broad and varied range of government functions and services encompassing both the Executive and Judicial branches. These appropriations support the Department of the Treasury, the Executive Office of the President, Federal Payments to the District of Columbia, and the Federal Judiciary. The bill also provides resources for over a dozen independent agencies and commissions, each of which serves the public with a distinct mission.

The fiscal year 2024 FSGG bill promotes fiscal responsibility by reducing non-defense discretionary levels, rescinding unobligated Inflation Reduction Act (IRA) funding, bringing oversight to the Consumer Financial Protection Bureau and reducing spending in unauthorized programs.

OVERSIGHT AND MANAGEMENT

The Committee strongly believes in the need for careful oversight of government expenditure of taxpayer dollars and is committed to providing the necessary oversight to reduce waste, fraud, and inefficiency in the operations and programs funded by the Financial Services and General Government bill.

To this end, the Committee does not support the administration's request to fund climate change initiatives, staff diversity and inclusion offices, train Federal employees on critical race theory, expand agencies' regulatory agendas, and buy a Federal fleet of electric vehicles. The Committee strongly believes agencies under its jurisdiction should maintain focus on assisting small businesses, providing high levels of customer service, investing in rural and low-income communities, countering illicit finance, cyber threats, and fentanyl trafficking, and maintaining a strong judicial system.

Within 30 days of enactment of this Act, the Committee requires Federal agencies to reinstate and apply their pre-pandemic telework policies, practices, and levels in effect as of December 31, 2019, or they cannot obligate or expend funding for fiscal year 2024. The FSGG bill provides increases for agencies' relocation, building improvements, rental payments, and critical infrastructure, and therefore expects employees to return to the office to provide value to the American taxpayer.

The Committee includes a provision requiring OMB to remind all Federal agencies of the compliance obligations detailed in title VII of this Act.

REPROGRAMMING AND OPERATING PLAN PROCEDURES

Section 608 and Section 739 of this Act detail department and agency responsibilities and procedures relating to reprogramming of funds among programs, projects, and activities. Each department and agency funded in this Act shall follow the directions set forth in this Act and its accompanying report and shall not reallocate resources or reorganize activities except as provided herein. The Committee expects that agencies or entities that fulfill the requirements of Section 608 will also be in compliance with the requirements of Section 739.

Section 608 requires agencies and entities funded by this Act to receive prior approval from the Committees on Appropriations of the House of Representatives and the Senate for any reprogramming of funds that (1) creates a new program; (2) eliminates a program, project, or activity; (3) increases funds or personnel for any program, project, or activity for which funds have been denied or restricted by Congress; (4) proposes to use funds directed for a specific activity by the Committee on Appropriations of either the House of Representatives or the Senate for a different purpose; (5) augments existing programs, projects, or activities in excess of \$5,000,000 or 10 percent, whichever is less; (6) reduces existing programs, projects, or activities by \$5,000,000 or 10 percent, whichever is less; or (7) creates or reorganizes offices, programs, or activities. In addition, prior to any significant reorganization, restructuring, relocation, or closing of offices, programs, or activities, each agency or entity funded in this Act shall consult with the Committees on Appropriations.

Not later than 60 days after the date of enactment of this Act, each agency shall submit a report to establish the baseline for application of reprogramming and transfer authorities for fiscal year 2024. The amount appropriated for agencies shall be reduced by \$100,000 per day for each day after the required date that the report has not been submitted to the Committees.

Reprogramming procedures shall apply to funds provided in this bill, unobligated balances from previous appropriations Acts that are available for obligation or expenditure in fiscal year 2024, and non-appropriated resources such as fee collections that are used to meet program requirements in fiscal year 2024.

To assess a reprogramming request, the Committee requires the following information, at minimum: a thorough justification for the reprogramming, the impact of the reprogramming on budget requirements for future fiscal years, and the impact of the reprogramming on carryover funding. These requirements also apply to significant reorganizations or restructurings of programs, projects, or activities, even if such a reorganization or restructuring does not involve reprogramming of funding. The Committee also expects prompt notification of any reprogramming that does not meet the above criteria but might have significant impacts on budgetary requirements for future fiscal years.

The Committee directs that, for purposes of this report and the Act, the term “consult” means a pre-decisional engagement between a relevant Federal agency and the Committee during which the Committee is provided a meaningful opportunity to provide facts and opinions to inform: (1) the use of funds; (2) the development, content, or conduct of a program or activity; or (3) a decision to be taken.

Except in emergency situations, reprogramming requests should be submitted no later than June 30, 2024. Moreover, the Committee notes that when an agency or entity submits a reprogramming or transfer request to the Committees on Appropriations and does not receive identical responses from the House and Senate, it is the responsibility of the Department or agency to reconcile the House and Senate differences before proceeding and, if reconciliation is not possible, to consider the request to reprogram funds unapproved.

OTHER MATTERS AND DIRECTIVES

Reports.—The Committee stresses that all reports are required to be completed in compliance with the timeframe outlined for each respective directive. Furthermore, the Committee expects that the specifications and conditions associated with funding appropriated by this Act shall be accomplished in the manner as directed in the report.

Budget Justifications.—Budget justifications are the primary tool used by the Committees on Appropriations to evaluate the resource requirements and fiscal needs of agencies. The Committee is aware that the format and presentation of budget materials is largely left to the agency within presentation objectives set forth by OMB. In fact, OMB Circular A–11, part 1 specifically instructs agencies to consult with Congressional committees beforehand. The Committee expects that all agencies funded under this Act will heed this directive.

The Committee continues the direction that justifications submitted with the fiscal year 2025 budget request by agencies funded under this Act contain the customary level of detailed data and explanatory statements to support the appropriations requests at the level of detail contained in the funding table included at the end of this report. Among other items, agencies shall provide a detailed discussion of proposed new initiatives, proposed changes in the agency's financial plan from prior year enactment, detailed data on all programs, and comprehensive information on any office or agency restructurings. At a minimum, each agency must also provide adequate justification for funding and staffing changes for each individual office and materials that compare programs, projects, and activities that are proposed for fiscal year 2025 to the fiscal year 2024 enacted levels.

American Flag Purchases.—The Committee once again urges all Federal agencies to only purchase flags that contain 100 percent American-made materials even though the All American Flag Act requires the Federal Government to purchase flags made of only 50 percent American-made materials.

TITLE I—DEPARTMENT OF THE TREASURY

DEPARTMENTAL OFFICES

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$273,882,000
Budget request, fiscal year 2024	332,199,000
Recommended in the bill	248,109,000
Bill compared with:	
Appropriation, fiscal year 2023	– 25,773,000
Budget request, fiscal year 2024	– 84,090,000

The Departmental Offices support the Secretary of the Treasury as the chief operating executive of the Department and in their role in determining the tax, economic, and financial management policies of the Federal Government. The Secretary's responsibilities funded by the Salaries and Expenses appropriation include: recommending and implementing domestic and international economic and tax policy; providing recommendations regarding fiscal policy; governing the fiscal operations of the government; managing the public debt; managing development of financial policy; representing the U.S. on international monetary, trade, and investment issues; overseeing Treasury Department international operations; directing the administrative operations of the Treasury Department; and providing executive oversight of the bureaus within the Treasury Department.

COMMITTEE RECOMMENDATION

The Committee recommends \$248,109,000 for Departmental Offices, Salaries and Expenses.

Treasury Forfeiture Fund.—The Department is directed to continue to submit a detailed table each month reporting the interest earned, forfeiture revenue collected, unobligated balances, recoveries, expenses to date, and expenses estimated for the remainder of the fiscal year.

Financial Literacy for Students.—The Committee is encouraged by the Department's work to help promote financial literacy, par-

ticularly among the school-age population. As of January 2023, 33 states have a high-school personal finance requirement. The Committee strongly encourages the Department to partner with entities offering financial literacy programs, where appropriate, to broaden the scope of the Financial Literacy Education Commission to reach more students to encourage economic inclusion and lasting financial resilience.

Cybersecurity in the Financial Services Sector.—The Committee encourages the Office of Cybersecurity and Critical Infrastructure Protection (OCCIP) to improve resilience to cyberattacks by expanding risk assessment and mitigation capabilities as a part of its role as a Sector Risk Management Agency. OCCIP is further encouraged to engage in efforts to map third-party dependencies in the financial sector, provide analysis of domestic and international cybersecurity threats and vulnerabilities, and support bilateral and multilateral engagement on financial sector cybersecurity in strategically important regions, including Eastern Europe and East Asia.

Outbound Investment.—In fiscal year 2023, the Department established a program to address national security concerns arising from outbound investments from the United States into advanced technologies that are critical to U.S. national security. The Department realigned \$7,000,000 from the Committee on Foreign Investment in the United States to implement and administer the program. The Committee looks forward to an update on its progress and the timing of final policy determinations, including an opportunity for public comment.

Relation of Government Sponsored Enterprise Charters and Senior Preferred Stock Purchase Agreements.—The Committee is aware of concerns regarding the Federal National Mortgage Association and Federal Home Loan Mortgage Corporation's efforts to develop new activities and operations beyond the authorities vested in their charter, including a pilot program to serve as a title insurer by self-insuring title-related risks. The Committee believes that the terms of the Senior Preferred Stock Purchase Agreements that provide ongoing capital support for the government sponsored enterprises should be construed to restrict the activities of the Government Sponsored Entities to their core mission under the Charter Acts and that deviation from these missions such as by serving as a title insurer could carry unreasonable risks for home buyers and to the Department of Treasury's rights under the Senior Preferred Stock Purchase Agreements. Therefore, the Committee directs the Department within 120 days to provide a report to the Committee outlining any pilots, initiatives or other proposals shared with mortgage originators by the Government Sponsored Enterprises from fiscal year 2022 to present. Further, the Committee encourages the Department to address the issue of the Government Sponsored Entities undertaking actions that expand activities beyond the core secondary market activities outlined in the Charter Acts.

COVID-19 Expenditure Report.—The Committee remains concerned regarding the expenditure of COVID-19 relief money appropriated and directs the Department within 60 days of enactment of this Act to provide a COVID-19 expenditure report to the Committee.

U.S. Dollar Dominance.—The Committee is concerned by recent data showing the decline in global reserves of the United States

dollar. The Department is directed to brief the Committee within 60 days of enactment of this Act on the steps the Department is taking to ensure the dominance of the U.S. dollar as the world reserve currency in the future.

COMMITTEE ON FOREIGN INVESTMENT IN THE UNITED STATES FUND
(INCLUDING TRANSFER OF FUNDS)

Appropriation, fiscal year 2023	\$21,000,000
Budget request, fiscal year 2024	21,000,000
Recommended in the bill	21,000,000
Bill compared with:	
Appropriation, fiscal year 2023	---
Budget request, fiscal year 2024	---

The Committee on Foreign Investment in the United States (CFIUS) was established in 1975 to monitor the impact of foreign investment in the United States and to coordinate and implement Federal policy on such investment. The Foreign Investment Risk Review Modernization Act of 2018 (FIRRMA) expanded the jurisdiction of CFIUS to address growing national security concerns over foreign exploitation of certain national security structures that traditionally have fallen outside of the Committee's jurisdiction, and modernized CFIUS processes to better enable timely and effective reviews of covered transactions. FIRRMA also established the CFIUS Fund to support these expanded functions and responsibilities, and to collect filing fees.

COMMITTEE RECOMMENDATION

The Committee recommends \$21,000,000 for the CFIUS Fund. In addition, \$25,570,000 is included under the Salaries and Expenses appropriation for CFIUS activities.

Spending Plan.—The Department is directed to provide a detailed accounting of planned expenditures of the Department and member agencies prior to obligating or transferring amounts available in the CFIUS Fund. The Committee expects funding provided to be used for CFIUS program activities in fiscal year 2024.

CFIUS Member Agencies.—Given the significant rise in CFIUS case volume and the corresponding analysis required by CFIUS Committee members, CFIUS is directed to submit to the Committee the number of non-career, political appointees responsible for CFIUS work across the nine voting member agencies and a detailed description of the transfer of funds to each member agency.

OFFICE OF TERRORISM AND FINANCIAL INTELLIGENCE

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$216,059,000
Budget request, fiscal year 2024	244,000,000
Recommended in the bill	206,842,000
Bill compared with:	
Appropriation, fiscal year 2023	-9,217,000
Budget request, fiscal year 2024	-37,158,000

Economic and trade sanctions issued and enforced by the Office of Terrorism and Financial Intelligence's (TFI) Office of Foreign Assets Control (OFAC) protect the financial system from being polluted with criminal and illicit activities and counteract national security threats from drug lords, terrorists, human rights abusers,

weapons of mass destruction proliferators, and rogue nations, among others. In addition to the enforcement of sanctions, TFI also produces vital analysis of foreign intelligence and counterintelligence across all elements of the national security community.

COMMITTEE RECOMMENDATION

The Committee recommends \$206,842,000 for TFI.

Terrorist Destruction of Energy Facilities in Central America.—The Committee is concerned that widespread theft of electricity and illegal connections to the grid, particularly in Guatemala, directly undermine the function and cause significant interruption of the electric grid in communities from which many Central American migrants originate. While the Biden Administration’s Strategy for Addressing the Root Causes of Migration in Central America pledges to support distributed generation, increased electricity reliability, and grid sustainability, the Administration has done nothing to address this illegal activity that also degrades citizen security and drives migration. Financial sanctions are a key tool for asserting U.S. policy by depriving criminals of access to the international financial system to move their illicit proceeds. The Committee directs OFAC to investigate and submit a preliminary report, not later than 90 days after enactment of this Act, on individuals and entities involved in or providing material support to those causing a significant interruption or impairment of a function of an energy facility involved in the transmission or distribution of electricity in Guatemala. A final report shall be submitted not less than 180 days after enactment of this Act.

Strengthening Sanctions Enforcement.—The Secretary of the Treasury shall consult with the House and Senate Committees on Appropriations regarding ways to increase sanctions enforcement through the OFAC, including assessment of incentives that might encourage greater penalty collection, and what methods are likely to raise revenue for the Department.

Russian Sanctions.—The Committee is concerned that high-ranking Russian officials and oligarchs are evading sanctions by transferring assets to family members, thereby weakening the sanctions regime on those responsible for Russia’s continued aggression in Ukraine and human rights abuses. The Committee urges OFAC to review the transfer of Russian assets and apply sanctions to personal relatives where appropriate. Such sanctions should be tied to gross human rights abuses such as illegal detainment of prisoners of war and other freedom-fighters.

Report on Illicit Finance in the Northern Triangle.—The Committee is alarmed by reports of significant financial crimes in the Northern Triangle that are impacting U.S. national security, and directs the Department, including TFI to prioritize combatting illicit finance in the region. The Department shall carry out a study on the extent and effect of illicit finance risk relating to the Governments of the Northern Triangle and Northern Triangle firms, including financial institutions; an assessment of the illicit finance risks emanating from the region; those risks allowed, directly or indirectly, by the governments, including those enabled by weak regulatory or administrative controls of the government, and the ways in which increasing trade and investment exposes the international financial system to increased risk relating to illicit finance. The re-

port shall also include a strategy to counter illicit finance in the region. Not later than one year after enactment of this Act, the report will be shared with the Committee in unclassified form, and may include a classified annex.

Sanctions Enforcement in Africa.—The Committee is concerned that corruption continues to be an impediment to social, economic, and political development in nations such as Sudan, South Sudan, the Central African Republic, and the Democratic Republic of Congo. The Committee supports the use of funds to enhance regional expertise and capacity to promote the effectiveness of sanctions regimes and international arms embargoes designed to curtail the flow of funding that is fueling wars and contributing to regional destabilization.

CYBERSECURITY ENHANCEMENT ACCOUNT

Appropriation, fiscal year 2023	\$100,000,000
Budget request, fiscal year 2024	215,000,000
Recommended in the bill	150,000,000
Bill compared with:	
Appropriation, fiscal year 2023	+50,000,000
Budget request, fiscal year 2024	–65,000,000

The Cybersecurity Enhancement Account (CEA) is a dedicated account designed to identify and support Department-wide investments for critical IT improvements, including the systems identified as High Value Assets.

COMMITTEE RECOMMENDATION

The Committee recommends \$150,000,000 for the CEA. The recommendation includes an increase for Zero Trust Architecture implementation and cloud enterprise cybersecurity enhancements.

Quarterly Reports.—Within 60 days of enactment of this Act, the Department is directed to submit a plan for the obligation of funds by quarter for each CEA investment. The plan shall include prior year unobligated balances and delineate planned obligations by source year of appropriation. The plan shall also include anticipated unobligated balances at the close of the fiscal year and the planned obligation of carryover in future years, by quarter, until all funds are obligated. The Department is directed to submit quarterly updates on this plan.

DEPARTMENT-WIDE SYSTEMS AND CAPITAL INVESTMENTS PROGRAMS

(INCLUDING TRANSFER OF FUNDS)

Appropriation, fiscal year 2023	\$11,118,000
Budget request, fiscal year 2024	30,881,000
Recommended in the bill	14,600,000
Bill compared with:	
Appropriation, fiscal year 2023	+3,482,000
Budget request, fiscal year 2024	–16,281,000

The Department-wide Systems and Capital Investments Programs account funds capital investments that support the missions of all Treasury bureaus and programs.

COMMITTEE RECOMMENDATION

The Committee recommends \$14,600,000 for Department-wide Systems and Capital Investments Programs. The recommendation

includes an increase for anticipated office moves and critical renovations and maintenance of the outer shell of the Main Treasury and Freedman’s Bank Building facilities.

OFFICE OF INSPECTOR GENERAL

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$48,878,000
Budget request, fiscal year 2024	49,180,000
Recommended in the bill	43,000,000
Bill compared with:	
Appropriation, fiscal year 2023	– 5,878,000
Budget request, fiscal year 2024	– 6,180,000

The Office of Inspector General (OIG) provides agency-wide audit and investigative functions to identify and correct operational and administrative deficiencies that create conditions for fraud, waste, and mismanagement. The audit function provides contract, program, and financial statement audit services. Contract audits provide professional advice to agency contracting officials on accounting and financial matters relative to negotiation, award, administration, repricing, and settlement of contracts. Program audits review and evaluate all facets of agency operations. Financial statement audits assess whether financial statements fairly present the agency’s financial condition and results of operations, the adequacy of accounting controls, and compliance with laws and regulations. The investigative function provides for the detection and investigation of improper and illegal activities involving programs, personnel, and operations.

COMMITTEE RECOMMENDATION

The Committee recommends \$43,000,000 for the OIG to conduct audits of the Department’s highest risk programs and continue its investigative work to prevent, detect, and investigate complaints of fraud, waste, and abuse impacting Treasury programs and operations.

The Committee remains concerned about cyber-based threats and unauthorized access to Treasury networks and systems. The Committee encourages the Inspector General to conduct oversight of high-risk areas within the Department and provide recommendations on whether sufficient protections exist within the Department.

TREASURY INSPECTOR GENERAL FOR TAX ADMINISTRATION

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$174,250,000
Budget request, fiscal year 2024	187,368,000
Recommended in the bill	170,250,000
Bill compared with:	
Appropriation, fiscal year 2023	– 4,000,000
Budget request, fiscal year 2024	– 17,118,000

The Office of Treasury Inspector General for Tax Administration (TIGTA) conducts audits, investigations, and evaluations to assess the operations and programs of the Internal Revenue Service (IRS) and its related entities, the IRS Oversight Board, and the Office of Chief Counsel. The purpose of those audits and investigations is as follows: (1) to promote the economic, efficient, and effective admin-

istration of the Nation’s tax laws and to detect and deter fraud and abuse in IRS programs and operations; and (2) to recommend actions to resolve fraud and other serious problems, abuses, and deficiencies in these programs and operations.

COMMITTEE RECOMMENDATION

The Committee recommends \$170,250,000 for TIGTA.

The Committee appreciates TIGTA’s work in assessing IRS’ information technology. The Committee encourages TIGTA to ensure that the IRS takes further steps to improve its information technology program.

Countering ERTC Fraud.—The Committee remains concerned over frequent fraudulent claims to the Employee Retention Tax Credit (ERTC) offered by the IRS. The Committee directs TIGTA to submit a report within 160 days after enactment detailing the level of erroneous credits provided to applicants, the level of those funds recovered, and measures taken by the IRS to identify and deny ineligible ERTC applications.

FINANCIAL CRIMES ENFORCEMENT NETWORK

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$190,193,000
Budget request, fiscal year 2024	228,908,000
Recommended in the bill	166,000,000
Bill compared with:	
Appropriation, fiscal year 2023	– 24,193,000
Budget request, fiscal year 2024	– 62,908,000

The mission of the Financial Crimes Enforcement Network (FinCEN) is to safeguard the financial system from illicit use; combat money laundering; and promote national security through the collection, analysis, and dissemination of financial intelligence and strategic use of financial authorities. FinCEN supports Federal, State, local, and international law enforcement agency investigations of money laundering and other financial crimes, and fosters interagency and global cooperation against domestic and international financial crimes.

COMMITTEE RECOMMENDATION

The Committee recommends \$166,000,000 for FinCEN.

Countering the Financing of Online Child Sexual Exploitation (CSE).—The Committee is concerned with increased online child sexual exploitation being monetized through the U.S. financial sector. The Committee recommends \$5,000,000 to improve FinCEN’s ability for oversight and Title 31 investigations involving child sexual exploitation and child sexual abuse material. The Committee encourages FinCEN to ensure the U.S. financial sector is adequately complying with existing regulatory requirements mandated through the “Anti-Money Laundering Requirement” of the USA PATRIOT Act: 31 United States Code (U.S.C.) § 5318(h)(1), 31 Code of Federal Regulations (CFR) § 1028.210, and 31 CFR § 1020.210 to prevent the facilitation of online child exploitation and sex trafficking through the U.S. financial sector. Such efforts are consistent with FinCEN’s anti-money laundering priorities published in June 2021, which listed combatting human trafficking and

human smuggling as a top priority, including combatting crimes against children.

Business Email Compromise.—Email compromise fraud schemes generally entail criminal attempts to compromise the email accounts of victims to send fraudulent payment instructions to financial institutions or business associates in order to misappropriate funds or to assist in financial fraud. The Committee appreciates the report by FinCEN on business email compromise in the real estate sector and encourages FinCEN to continue its work on business email compromise detection, mitigation, prevention and reporting.

Asia-Pacific Region.—The Committee recognizes the importance of FinCEN’s support to law enforcement cases in Hawaii and the U.S. Pacific territories as part of the Bureau’s broader mission to combat money laundering and promote national security. FinCEN is expected to keep the Committee apprised on current trends and methods of money laundering in the Asia-Pacific Region and ongoing efforts to counter this activity.

BUREAU OF THE FISCAL SERVICE

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$372,485,000
Budget request, fiscal year 2024	399,263,000
Recommended in the bill	368,155,000
Bill compared with:	
Appropriation, fiscal year 2023	– 4,330,000
Budget request, fiscal year 2024	– 31,108,000

The mission of the Bureau of the Fiscal Service (Fiscal Service) is to promote the financial integrity and operational efficiency of the U.S. Government through accounting, borrowing, collections, payments, and shared services. The Fiscal Service is the Federal Government’s central financial agent. The Fiscal Service also develops and implements reliable and efficient financial methods and systems to operate the government’s cash management, credit management, and debt collection programs in order to maintain government accounts and report on the status of the government’s finances. In addition, the Fiscal Service is the primary agency for collecting Federal non-tax debt owed to the government and is responsible for all public debt operations and the promotion of the sale of U.S. securities.

COMMITTEE RECOMMENDATION

The Committee recommends \$368,155,000 for the Fiscal Service.

Cybersecurity in the Fiscal Service.—The Committee notes with interest the enhanced cybersecurity needs of the Fiscal Service and encourages the Department to account for the heightened risk and need to protect the Bureau’s work as it relates to the Department’s core mission. Strengthening the cybersecurity capabilities of the Fiscal Service is essential to our national security interests as well as to safeguarding our ability to execute fiscal obligations, such as servicing the national debt.

Transparency in Federal Spending.—Transparency and accountability are critical to a democratic and fiscally responsible government, and USASpending.gov is the primary portal through which

the public can review and understand Federal spending. The Committee is pleased by ongoing improvements to the website and expects the Fiscal Service to continue to work with OMB and other Federal agencies that receive appropriations to improve the accessibility, searchability, and reliability of spending information on USASpending.gov. The Committee further directs the Fiscal Service to coordinate with OMB to publish all unclassified vendor contracts and grant awards agreements for all Federal agencies, as well as the relevant Notice of Funding Opportunity (NOFO) and the office and employees responsible for issuing the NOFO for each grant, online at USASpending.gov. The Committee also directs the Fiscal Service to coordinate with OMB to require all financial and award spending information be reported reporting on at least a monthly basis, rather than a quarterly basis. The Committee expects the Fiscal Service to keep the Committee and the Committee on Oversight and Accountability apprised of its progress in improving data quality and accessibility of transparency regarding Federal spending.

Matured Unredeemed Debt.—Fiscal Service is directed to brief the Committee within 90 days of enactment of this Act on its progress regarding the digitization of mature unredeemed debt.

ALCOHOL AND TOBACCO TAX AND TRADE BUREAU

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$148,863,000
Budget request, fiscal year 2024	155,604,000
Recommended in the bill	135,038,000
Bill compared with:	
Appropriation, fiscal year 2023	– 13,825,000
Budget request, fiscal year 2024	– 20,566,000

The Alcohol and Tobacco Tax and Trade Bureau (TTB) is responsible for the enforcement of laws designed to eliminate certain illicit activities and the regulation of lawful activities relating to distilled spirits, beer, wine, and nonbeverage alcohol products, and tobacco. TTB focuses on collecting revenue, reducing taxpayer burden, improving service while preventing diversion, and protecting the public and preventing consumer deception in certain regulated commodities.

COMMITTEE RECOMMENDATION

The Committee recommends \$135,038,000 for the TTB.

Trade Practice Enforcement and Education.—The American beverage alcohol system continues to experience unprecedented growth across the United States. The entry of new products and businesses into the three-tier beverage alcohol system requires a robust TTB with the capacity to enforce the provisions of the Federal Alcohol Administration Act that keep the marketplace safe, fair, and competitive. The recommendation includes \$5,000,000 for TTB to continue its education and enforcement efforts for industry trade practice violations. The Committee urges the TTB to increase its outreach to educate and inform the industry on trade practice laws and regulations.

UNITED STATES MINT

UNITED STATES MINT PUBLIC ENTERPRISE FUND

The United States Mint (the Mint) manufactures coins, receives deposits of gold and silver bullion, and safeguards the Federal Government’s holdings of monetary metals. In 1997, Congress established the United States Mint Public Enterprise Fund (Public Law 104–52), which authorized the Mint to use proceeds from the sale of coins to finance the costs of its operations and consolidated all existing Mint accounts into a single fund.

COMMITTEE RECOMMENDATION

The Committee recommends a spending level for capital investments by the Mint for circulating coinage and protective services of \$50,000,000 for fiscal year 2024.

Mutilated Coin Redemption.—The Committee is concerned that the United States Mint’s proposed regulations governing redemption of mutilated coins would unfairly restrict participation in the program by private entities and local governments that recover coins during recycling or solid waste management activities. In the course of performing these societally valued services, companies and local governments may recover large amounts of bent, partial, defaced, or otherwise mutilated coins. Making diligent efforts to recover coins rather than destroying or disposing of them should be encouraged, since it is illegal to destroy or damage U.S. currency, including disposal. Without the Mint’s redemption program, entities that are recovering U.S. coinage are left with no reasonable way to manage recovered coins. The Committee expects that the United States Mint will work with these and other parties who present valid coinage in compliance with the existing regulations.

Coin Metal Modification.—In a GAO report from 2019, entitled “Financial Benefit of Switching to a \$1 Coin Is Unlikely,” but Changing Coin Metal Content Could Result in Cost Savings, GAO recommended that Congress consider amending the law to provide the Secretary of the Treasury with the authority to alter the metal composition of circulating coins. The Committee supports changes to the metal content of coins if it reduces costs incurred by the U.S. taxpayers, allows coins to work interchangeably in most coin acceptors, and has a minimal adverse impact on the public and stakeholders.

COMMUNITY DEVELOPMENT FINANCIAL INSTITUTIONS FUND
PROGRAM ACCOUNT

Appropriation, fiscal year 2023	\$324,000,000
Budget request, fiscal year 2024	341,478,000
Recommended in the bill	278,617,000
Bill compared with:	
Appropriation, fiscal year 2023	– 45,383,000
Budget request, fiscal year 2024	– 62,861,000

The Community Development Financial Institutions (CDFI) Fund provides grants, loans, equity investments, and technical assistance, on a competitive basis, to new and existing CDFIs such as community development banks, community development credit unions, and housing and microenterprise loan funds. Recipients use the funds to support mortgages, small business, and economic de-

velopment lending in underserved and distressed neighborhoods and the availability of financial services in these neighborhoods. The CDFI Fund is also responsible for implementation of the New Markets Tax Credits.

COMMITTEE RECOMMENDATION

The Committee recommends \$278,617,000 for the CDFI Fund program. Of the amounts recommended, \$170,000,000 is for financial and technical assistance grants, \$30,000,000 is for Native Initiatives, \$35,000,000 is for the Bank Enterprise Award Program, \$5,000,000 is for the Healthy Food Financing Initiative, \$5,000,000 is for the Small Dollar Loan Program, and \$33,617,000 is for administrative expenses. In addition, the Committee recommends a loan limit of \$500,000,000 for the Bond Guarantee Program.

The Committee notes that the CDFI Fund program received \$1.25 billion through the CDFI Rapid Response Program; \$1.75 billion through the Equitable Recovery Program; and \$2.1 billion in liquidity from the Paycheck Protection Program Liquidity Facility. Further, the Committee notes the CDFI Fund has yet to award grants from the fiscal year 2023 appropriation and expects the CDFI Fund to provide data supporting increased community and economic development in low- and moderate-income areas until additional awards are made.

Updated CDFI Application.—The Committee is concerned about proposed changes to the CDFI certification application that would result in many rural banks losing their CDFI status through stricter rules on interest rates, underwriting standards, risk management tools, disclosure requirements, and target markets. The Committee directs the CDFI Fund within 60 days of enactment to provide a briefing on the steps taken to consider public comments on the revised application and the timeline for finalizing application revisions.

INTERNAL REVENUE SERVICE

The Committee bill recommends \$11,237,612,000 for the IRS, which is a decrease of \$1,081,442,000 below the fiscal year 2023 enacted level, to administer the nation's tax systems.

User Fees.—The Committee directs the IRS to submit a user fee spending plan within 60 days of enactment of this Act detailing planned spending on its four appropriations accounts. Specifically, the Committee would like to see how programs, investments, and initiatives funded through each appropriations account are supported by user fees.

Obligations and Employment.—Within 45 days of the end of each quarter for calendar year 2024, the IRS is directed to submit to the Committee an obligation and personnel report. The report shall include information about the obligations made during the previous quarter by appropriation, object class, office, and activity; the estimated obligations for the remainder of the fiscal year by appropriation, object class, office, and activity; the number of FTE within each office during the previous quarter; and the estimated number of FTE within each office for the remainder of the fiscal year.

Cloud Adoption.—The Committee directs the IRS to report on its cloud adoption in support of information technology (IT) moderniza-

tion, and ways in which it is deploying cloud across its enterprise to enhance cybersecurity. Within 180 days of enactment of this Act, the IRS is directed to report to the Committee on existing and new obligations for commercial cloud computing services in compliance with the Cyber Executive Order and the 2023 Treasury Report on Cloud Use in Financial Services.

A description of the Committee’s recommendation by appropriation is provided below.

TAXPAYER SERVICES

Appropriation, fiscal year 2023	\$2,780,606,000
Budget request, fiscal year 2024	3,422,449,000
Recommended in the bill	2,780,606,000
Bill compared with:	
Appropriation, fiscal year 2023	---
Budget request, fiscal year 2024	- 641,843,000

The Taxpayer Services appropriation provides for taxpayer services, including forms and publications; processing of tax returns and related documents; filing and account services; taxpayer advocacy services; and assistance to taxpayers to understand their tax obligations, correctly file their returns, and pay taxes due in a timely manner.

COMMITTEE RECOMMENDATION

The Committee recommends \$2,780,606,000 for Taxpayer Services.

Backlog of Returns.—The Committee is aware at the end of 2022, the IRS had 10 million unprocessed tax returns and 15.1 million returns requiring manual processing. Additionally, in 2022, 173 million phone calls were placed to the IRS and only 13 percent were actually answered by a customer service representative. The Committee is concerned the IRS has not addressed its backlog and directs the IRS to compile a report by the end of fiscal year 2023 on progress made over the past five years to reduce backlogs, modernize systems (including but not limited to: hardware, software, or software upgrades), and reduce wait times for customer service support. Additionally, the Committee requests the IRS to present a five-year plan to reduce backlogs, modernize systems (including but not limited to: hardware, software, or software upgrades), and reduce wait times for customer service support.

2024 Filing Season.—According to the IRS, it dramatically increased service in Filing Season 2023 as a result of Inflation Reduction Act resources, marking a dramatic improvement over the 2022 filing season due to a lack of resources. The Committee strongly disagrees with the IRS’s assessment. The Committee notes \$2.78 billion was provided in fiscal year 2023 for Taxpayer Services and the IRS obligated approximately \$838,000, or less than one percent, from the IRA for Taxpayer Services. Given the IRS’s plans to obligate \$1 million in fiscal year 2024, the Committee directs the IRS to clearly detail how discretionary versus mandatory IRA funds are being used to support the level of service in the 2024 Filing Season.

ENFORCEMENT

Appropriation, fiscal year 2023	\$5,437,622,000
Budget request, fiscal year 2024	5,904,441,000
Recommended in the bill	4,206,180,000
Bill compared with:	
Appropriation, fiscal year 2023	- 1,231,442,000
Budget request, fiscal year 2024	- 1,698,261,000

The Enforcement appropriation provides for the examination of tax returns, both domestic and international; the administrative and judicial settlement of taxpayer appeals of examination findings; technical rulings; monitoring of employee pension plans; determinations of qualifications of organizations seeking tax-exempt status; examinations of tax returns of exempt organizations; enforcement of statutes relating to detection and investigation of criminal violations of the internal revenue laws; identification of underreporting of tax obligations; securing of unfiled tax returns; and collecting of unpaid accounts.

COMMITTEE RECOMMENDATION

The Committee recommends \$4,206,180,000 for Enforcement. The Committee recommends not less than \$60,257,000 to support IRS activities for the Interagency Crime and Drug Enforcement program.

OPERATIONS SUPPORT

Appropriation, fiscal year 2023	\$4,100,826,000
Budget request, fiscal year 2024	4,520,076,000
Recommended in the bill	4,100,826,000
Bill compared with:	
Appropriation, fiscal year 2023	---
Budget request, fiscal year 2024	- 419,250,000

The Operations Support appropriation provides for overall planning and direction of the IRS, including shared service support related to facilities services, rent payments, printing, postage, and security. Specific activities include headquarters management activities such as strategic planning, communications and liaison, finance, human resources, Equal Employment Opportunity and diversity, research, information technology, and telecommunications.

COMMITTEE RECOMMENDATION

The Committee recommends \$4,100,826,000 for Operations Support.

Information Technology Reports.—Within 30 days of the end of each quarter for calendar year 2024, the IRS is required to submit a report on major information technology project activities to the Committee and to GAO. The Committee expects the reports to include detailed, plain English explanations of the cumulative expenditures and schedule performance to date, specified by fiscal year; the costs and schedules for the previous three months; the anticipated costs and schedules for the upcoming three months; and the total expected costs to complete IRS’s top five major information technology project activities. In addition, the quarterly report should include the date the project was started; the expected date of completion; the percentage of work completed as compared to planned work; the current and expected state of functionality;

any changes in schedule; and current risks unrelated to funding amounts and mitigation strategies. The Committee directs the Department of the Treasury to conduct a semi-annual review of IRS’s IT investments to ensure the cost, schedule, and scope of the projects’ goals are transparent.

In addition, the Committee directs GAO to review and provide an annual report to the Committee evaluating the cost and schedule of activities for all major IRS information technology projects for the year, with a particular focus on the projects included in IRS’s quarterly reports.

Outcome Based Contracting.—The Committee is aware the IRS has employed firm-fixed price managed services and outcome based contracting methods for IT software implementation and management that emphasize speed of adoption and rapid modernization. Outcome based managed service contracts establish clear governance to reduce mission creep and scope changes. The Committee believes this contracting approach provides the IRS with lower contract lifecycle costs and better results. Therefore, the Committee encourages the IRS to implement current and future IT software management and software implementation requirements through this outcome based contracting approach.

BUSINESS SYSTEMS MODERNIZATION

Appropriation, fiscal year 2023	---
Budget request, fiscal year 2024	289,619,000
Recommended in the bill	150,000,000
Bill compared with:	
Appropriation, fiscal year 2023	+150,000,000
Budget request, fiscal year 2024	-139,619,000

The Business Systems Modernization (BSM) appropriation provides funding to modernize key business systems of the IRS.

COMMITTEE RECOMMENDATION

The Committee recommends \$150,000,000 for BSM. The Committee continues to support the IRS in its efforts to modernize its business systems, such as CADE 2, the Enterprise Case Management System, and the Return Review Program.

Quarterly Reports.—The IRS is directed to continue to submit quarterly reports to the Committees and GAO, no later than 30 days following the end of each calendar quarter, on the status of BSM-funded items in this bill. In addition, GAO is directed to conduct an annual review of BSM-funded initiatives.

The Committee expects the reports to include detailed, plain English summaries on the status of plans, costs, and results for the IRS Integrated Modernization Business Plan (Plan) including CADE 2, the Individual Master File, the Enterprise Case Management System, and the Return Review Program. The reports should include prior quarter results and expenditures, upcoming quarter deliverables and costs, risks and mitigation strategies associated with ongoing work, reasons for any cost and schedule variances, total expenditures to date by fiscal year, and estimated costs for completing each IT investment or phase of the Plan.

Small Business Earned Tax Credit Processing.—The Committee is concerned that the backlog of 941-X filings continues to grow at an exponential rate. The Committee notes that the delayed proc-

essing of payroll tax credits, particularly the employee retention tax credit (ERTC), is creating significant hardship for thousands of small businesses and their employees across the country. The Committee further notes that businesses are having to pay ERTC tax liabilities prior to receiving ERTC funds, which exacerbates liquidity hardships. The Committee strongly urges the IRS to modernize their processing systems and move away from paper-based 941-X forms toward an electronic filing system. The IRS is directed to brief the Committee on its approach to ERTC processing and strategies to reduce the backlog within 90 days after enactment of this Act.

The Committee continues a provision that authorizes the Department to purchase uniforms, insurance for motor vehicles that are overseas, and motor vehicles that are overseas without regard to the general purchase price limitations; to enter into contracts with the State Department for health and medical services for Treasury employees who are overseas; and to hire experts or consultants.

Section 115. The Committee continues a provision that authorizes transfers, up to two percent, between “Departmental Offices—Salaries and Expenses”, “Office of Inspector General”, “Financial Crimes Enforcement Network”, “Bureau of the Fiscal Service”, and “Alcohol and Tobacco Tax and Trade Bureau” appropriations under certain circumstances.

Section 116. The Committee continues a provision that authorizes transfers, up to two percent, between the Internal Revenue Service and the Treasury Inspector General for Tax Administration under certain circumstances.

Section 117. The Committee continues a provision that prohibits the Department of the Treasury from undertaking a redesign of the one dollar Federal Reserve note.

report to evaluate potential waste, fraud, and abuse in COVID–19 programs.

Section 129. The Committee includes a new provision with respect to the so-called people-to-people category of travel. As set forth in title 31, section 515.565(b)(2) of the Code of Federal Regulations, this category of travel contravenes the explicit prohibition against tourist activities as provided in section 910(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000. Because Cuba’s tourism industry is run mostly by the Cuban military, the people-to-people category of travel is also inconsistent with the prohibition on financial transactions with Cuban military, with its affiliated entities as maintained on the State Department’s Cuba Restricted List. Furthermore, the stated purpose of people-to-people travel, which is to promote the Cuban people’s independence from Cuban authorities, cannot be accomplished through itineraries that mainly feature interactions with representatives of a dictatorship that actively oppresses the Cuban people, nor can it be accomplished through itineraries that do not require meetings with pro-democracy activists or independent members of Cuban civil society.

Section 130. The Committee includes a new provision that requires a report on certain categories of travel to Cuba.

Section 131. The Committee includes a new provision prohibiting the establishment of a United States Central Bank Digital Currency and prohibits discontinuation of paper currency as legal tender in the United States.

Section 132. The Committee includes a new provision prohibiting funding for FinCEN to promulgate the beneficial ownership reporting rules that do not reflect Congressional intent.

Section 133. The Committee includes a new provision prohibiting the Federal Housing Finance Agency from implementing the single-family housing mortgage credit fee pricing framework announced on January 19, 2023.

Section 134. The Committee includes a new provision prohibiting funding for an outbound investment review program until a report with specific information is provided to the Committees of jurisdiction.

The Committee recommends \$12,500,000 for the National Security Council and Homeland Security Council.

Federal Disaster Recovery.—The Committee is concerned about an effort to centralize Federal disaster recovery activities in the National Security Council without adequate input across the Federal interagency or state and local stakeholder organizations. The National Security Council is directed to brief the Committee within 60 days of enactment of this Act on the roles and responsibilities of a Federal recovery coordination office, as well as required resources.

OMB assists the President in the discharge of budgetary, economic, management, and other executive responsibilities.

COMMITTEE RECOMMENDATION

The Committee recommends \$116,000,000 for OMB.

Budget Submission.—The Committee requires OMB to submit the President’s fiscal year 2025 budget request by the first Monday in February as required by section 1105(a) of title 31, United States Code and includes a restriction on the obligation of funds until the budget is submitted. The Committee encourages OMB to provide an appropriate number of printed copies of the submission to Congressional committees, including documents such as the Appendix, Historical Tables, and Analytical Perspectives.

Personnel and Obligations Report.—The Committee continues direction to OMB to provide the Committee with quarterly reports on personnel and obligations consisting of on-board staffing levels, estimated staffing levels by office for the remainder of the fiscal year, total obligations incurred to date, estimated total obligations for the remainder of the fiscal year, and a narrative description of current hiring initiatives.

Unobligated Balances Report.—OMB is directed to report to the Committee within 45 days of the end of each fiscal quarter on available balances at the start of the fiscal year, current year obligations, and resulting unobligated balances for each discretionary account within the jurisdiction of this Act.

Improper Payments.—The Committee encourages OMB to continue working with agencies across the Federal Government to ensure processes are in place to eliminate payments to deceased persons. GAO found that Federal agencies have disbursed an estimated \$281 billion in improper payments, totaling \$2.2 trillion over the past 20 years. OMB has not provided a report to the Committee as requested by House Report 117–393 on how it is reducing improper payments to deceased individuals and what initiatives have proven to be most effective. OMB is directed to brief the Committee within 30 days on its approach to reducing improper payments.

Online Budget Repository.—The Committee repeats language from House Report 117–79 requiring OMB to make available on a website a list of each Federal agency with a link to its budget justification materials.

Build America Buy America Act Implementation.—In February 2023, OMB issued a series of questions and a proposed rule (88 Federal Register 8374) that expands upon previous temporary guidance issued to implement the Build America Buy America Act (BABAA). The Committee is aware of significant concerns from the stakeholder community that OMB's filing did not follow appropriate administrative processes under the Administrative Procedures Act. There has been no opportunity to provide comment on portions of the proposed rule that address implementation authorities, which OMB expanded beyond authorities provided in the law. It is imperative that OMB provide coordination between Federal agencies to ensure consistency while properly executing BABAA to ensure maximum job creation and benefit in the United States.

North American Industry Classification System.—The Committee is aware that there is significant confusion in the current system on the classification of procurements for Information Technology Value-Added Resellers (ITVARs). OMB shall report to Congress within 90 days of enactment of this Act on the status of reviewing the North American Industry Classification System (NAICS) and how creating a specific code for ITVARs might help improve the current NAICS structure.

Food Safety Modernization Act.—The Food Safety Modernization Act (Public Law 111–353), enacted in 2011, gave the Food and Drug Administration (FDA) new authorities to regulate how foods are grown, harvested, and processed and required the FDA to issue various rulemakings and guidance documents. The Committee directs OMB to work closely with the FDA to meet the timelines for promulgation of rules and regulations outlined in the FDA Food Safety Modernization Act. The Committee requests a report every 180 days after the enactment of this Act describing any rule or regulation that is more than 60 days overdue and the reasons why each rule or regulation is overdue.

Antideficiency Act Training.—The Antideficiency Act prohibits Federal agencies from obligating or expending Federal funds in advance or in excess of an appropriation, and from accepting voluntary services. OMB Circular A–11 directs Federal agency approving and certifying officials to have adequate and current training in appropriations law and the budget process. The Committee directs OMB to provide a report within 120 days of enactment detailing Federal agency compliance with Antideficiency Act training

requirements including the frequency of the trainings and whether they occur on an annual basis.

Improvements to Federal Government Service Delivery.—The Committee has concerns with how services are delivered across the Federal Government and the negative impact the “time tax” has on Americans accessing these services. The Director of the Office of Management and Budget should provide a briefing to the Committees, within 90 days of enactment of this Act, on the outcome metrics OMB has developed to track how Federal agencies have reduced customer burdens and pain points and streamlined their processes.

Administrative Pay-As-You-Go Act of 2023.—The Committee directs OMB to provide a report within 60 days of enactment on the implementation of the Pay-As-You-Go rule for executive branch actions that increase federal spending.

Evidence-Based Policymaking.—The Committee instructs the Office of Management and Budget to provide a briefing to the Committee, within 90 days of enactment of the Act, on the development of Federal agencies’ comprehensive data inventory and public data catalogue as required by Public Law 115–435. The briefing should include OMB’s guidance to Federal agencies on how they should comply with the OPEN Government Data Act’s provisions and any required resources.

INTELLECTUAL PROPERTY ENFORCEMENT COORDINATOR

Appropriation, fiscal year 2023	\$1,902,000

This appropriation provides funding for two judicial commissions. The first is the Judicial Nomination Commission (JNC), which recommends a panel of three candidates to the President for each judicial vacancy in the District of Columbia Court of Appeals and Super-

rior Court. From the panel selected by the JNC, the President nominates a person for each vacancy and submits his or her name for confirmation to the Senate. The second commission is the Commission on Judicial Disabilities and Tenure (CJDT), which has jurisdiction over all judges of the Court of Appeals and Superior Court to determine whether a judge’s conduct warrants disciplinary action and whether involuntary retirement of a judge for health reasons is warranted. In addition, the CJDT conducts evaluations of judges seeking reappointment and judges who retire and wish to continue service as a senior judge.

COMMITTEE RECOMMENDATION

The Committee recommends a Federal payment of \$330,000 for the CJDT and \$300,000 for the JNC.

COMMITTEE RECOMMENDATION

The Committee recommends \$3,523,000 for ACUS.

CONSUMER FINANCIAL PROTECTION BUREAU
SALARIES AND EXPENSES

Appropriation, fiscal year 2023	---
Budget request, fiscal year 2024	---
Recommended in the bill	\$635,000,000
Bill compared with:	
Appropriation, fiscal year 2023	+635,000,000
Budget request, fiscal year 2024	+635,000,000

The Consumer Financial Protection Bureau (CFPB) was established under title X of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Public Law 111-203) as a bureau under the Federal Reserve System. The Act consolidated authorities previously shared by seven Federal agencies under Federal consumer protection laws in the CFPB and provided CFPB with additional authorities to conduct rulemaking, supervision, and enforcement with respect to Federal consumer financial laws.

COMMITTEE RECOMMENDATION

The Committee recommends \$635,000,000 for the CFPB.

Five-Member Commission.—The CFPB has oversight over a wide range of consumer financial products. As such, the CFPB's activities have the potential to significantly affect consumers' access to credit and the operations of both banks and non-banks. The Committee believes the Dodd-Frank Wall Street Reform and Consumer Protection Act provides inadequate checks on the CFPB's powers. The Committee's experience overseeing the Federal Communications Commission, the Federal Trade Commission, the Securities and Exchange Commission, the Consumer Product Safety Commission, and other Federal agencies with powers to protect consumers and investors leads the Committee to conclude that a five-member commission is more suitable for guiding the CFPB than a single director. A commission ensures that multiple disciplines, experiences, and perspectives are brought to bear on CFPB rules, policies, and enforcement actions. The appointment and removal process and staggered terms of commissioners can provide checks and balances on an agency's operations and priorities, as well as a measure of continuity that a single director cannot.

ADMINISTRATIVE PROVISIONS—CONSUMER FINANCIAL PROTECTION
BUREAU

Section 501. The Committee includes a new provision bringing the CFPB into the regular appropriations process.

Section 502. The Committee includes a new provision making the CFPB an independent agency led by a commission.

Section 503. The Committee includes a new provision prohibiting funds from being used to implement Section 1071 of the Dodd-Frank Act.

CONSUMER PRODUCT SAFETY COMMISSION

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$152,500,000
Budget request, fiscal year 2024	212,600,000
Recommended in the bill	139,050,000
Bill compared with:	
Appropriation, fiscal year 2023	– 13,450,000
Budget request, fiscal year 2024	– 73,550,000

The Consumer Product Safety Act of 1972 established the Consumer Product Safety Commission (CPSC), an independent Federal regulatory agency, to reduce the risk of injury associated with consumer products.

COMMITTEE RECOMMENDATION

The Committee recommends \$139,050,000 for the CPSC. The recommendation includes \$2,500,000 for the Virginia Graeme Baker Grant Program and the associated administrative costs to reduce the number of injuries and deaths associated with pools and spas. The recommendation includes \$2,000,000 for the Nicholas and Zachary Burt Memorial Grant Program and the associated administrative costs to ensure that families are protected from carbon monoxide poisoning.

Pool Safety.—Drownings and near-drownings in pools and spas pose a significant public health risk to our Nation’s children. Drowning is a public health crisis, and it remains the leading cause of unintentional death for children ages one to four. The Committee commends the CPSC for establishing the national and grassroots “Pool Safely” campaign, a safety information and education program designed to reduce child drownings and near drowning injuries and maintain a zero-fatality rate for drain entrapments. This multifaceted initiative includes consumer and industry education efforts, press events, partnerships, outreach, and advertising.

ADMINISTRATIVE PROVISIONS—CONSUMER PRODUCT SAFETY COMMISSION

Section 510. The Committee continues a provision prohibiting funds to finalize, implement, or enforce the proposed rule on recreational off-highway vehicles until a study is completed by the National Academy of Sciences.

Section 511. The Committee includes a new provision prohibiting funds made available by this Act from being used by the CPSC to prohibit the use or sale of gas-powered stoves, cooktops, ranges, or ovens in the United States.

ELECTION ASSISTANCE COMMISSION

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$28,000,000
Budget request, fiscal year 2024	33,807,000
Recommended in the bill	20,000,000
Bill compared with:	
Appropriation, fiscal year 2023	– 8,000,000
Budget request, fiscal year 2024	– 13,807,000

The Election Assistance Commission (EAC) is a bipartisan Federal commission that helps election officials administer and voters

participate in elections. Established by the Help America Vote Act of 2002 (HAVA), the EAC distributes, administers, and audits HAVA funds, serves as the Nation’s clearinghouse for information on election administration, conducts the Election Administration and Voting Survey and other studies, develops the Voluntary Voting System Guidelines, accredits testing laboratories and certifies voting systems, and administers the National Mail Voter Registration Form in accordance with the National Voter Registration Act of 1993.

COMMITTEE RECOMMENDATION

The Committee recommends \$20,000,000 for the Salaries and Expenses of the EAC, of which \$1,500,000 shall be made available to the National Institute of Standards and Technology (NIST) for election reform activities authorized under HAVA.

FEDERAL COMMUNICATIONS COMMISSION

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$390,192,000
Budget request, fiscal year 2024	410,743,000
Recommended in the bill	381,950,000
Bill compared with:	
Appropriation, fiscal year 2023	– 8,242,000
Budget request, fiscal year 2024	– 28,793,000

The mission of the Federal Communications Commission (FCC) is to implement and enforce the Communications Act of 1934 and assure the availability of high-quality communications services for all Americans.

COMMITTEE RECOMMENDATION

The Committee recommends \$381,950,000 for the Salaries and Expenses of the FCC, to be derived from offsetting collections. The Committee also includes a cap of \$136,167,000 for the administration of spectrum auctions.

Broadband Maps.—The FCC has begun releasing versions of a new locations-based National Broadband Map and requested consumers, State, local and Tribal government entities, and other stakeholders to help verify the accuracy of the data in order to identify unserved and underserved locations in communities, which are most in need of funding for high-speed broadband internet infrastructure investments. The National Telecommunications and Information Administration (NTIA) will use a version of the National Broadband Map—as modified by the FCC to address accuracy issues identified by stakeholders—to distribute approximately \$42 billion provided by Congress to States and Territories to build broadband infrastructure in unserved and underserved eligible areas. States and Territories are then directed to use the National Broadband Map as the basis, with limited updates from a challenge process to ensure accuracy, to award funds for broadband deployments projects. The FCC is directed to brief the Committee within 90 days of enactment of this Act, regarding the FCC’s approach to resolving filed challenges to the National Broadband Map, any ongoing accuracy issues with the National Broadband Map, and plans for ensuring future accuracy.

Rip and Replace Report.—The Committee is aware the FCC’s ongoing process to address certain Chinese communications equipment and services through the Secure and Trusted Communications Network Act of 2019. This Rip and Replace program is intended to ensure the removal of equipment on the Covered List that poses a national security threat; it is essential to remove this untrusted telecommunications equipment, including that made by Huawei and ZTE, from our networks to protect American interests, privacy, and intellectual property. These companies are subject to the whims of the Chinese Communist Party and are known to have engaged in espionage, intellectual property theft, and failures to provide key security. The Committee requests a briefing from the FCC on the status of Chinese technology and equipment eligible for the Rip and Replace program, including information on the number of at-risk networks, the number of grant requests outstanding, and key security vulnerabilities the FCC has identified through the program within 60 days of enactment of this Act.

Supply Chain Reimbursement Program.—In the disbursement of Supply Chain Reimbursement Program funds, the FCC has a statutory obligation to disburse funds first to approved applicants that have 2,000,000 or fewer customers for removal and replacement of covered communications equipment. The Committee further recommends the FCC to prioritize those carriers with the eligible telecommunications carrier designation. The FCC’s program is intended to support these networks funded under its High-Cost universal service program in the hardest to serve.

5G Fund.—The Committee continues to recognize the need to address the digital divide, including the need to bring mobile 5G services to unserved and underserved communities. The Committee is concerned that the current \$9 billion budget for the 5G Fund for Rural America will not be sufficient to support nationwide 5G services. The Committee directs the FCC to allocate sufficient resources in the Universal Service Fund (USF) to establish a greater 5G Fund budget needed to preserve and expand mobile 5G connectivity nationwide and update the 5G Fund framework to reflect changes in technology and service since the FCC established the 5G Fund.

Eligible Telecommunications Carrier Designation.—The Committee believes the eligible telecommunications carrier (ETC) requirement continues to play an important role in safeguarding against waste, fraud, and abuse, and ensuring that Federal high-cost USF support goes to reliable network providers that are capable of offering high quality broadband and voice, including 9-1-1 service. In the context of the high-cost USF program specifically, where significant amounts of ratepayer resources are distributed to a single provider in a given area, as the recent Rural Digital Opportunity Fund proved quite clearly, the ETC requirement promotes local accountability and makes sure states have a role in determining which carrier will become the provider of last resort in the rural areas of each state. Moreover, states are uniquely qualified to examine closely the qualifications of would-be recipients of USF and to carry out the ETC-designation role given their proximity to and familiarity with each state’s rural areas and operators.

Enhanced Flight Vision Systems.—The Committee notes that operations of a 95GHz radar for use in Enhanced Flight Vision Systems (EFVS) would provide great public benefit by decreasing the

number of flight delays and aborted or delayed landings due to low visibility conditions. The Committee encourages the FCC to take prompt action to make EFVS technology available to the American public.

USF Edge-Provider.—The Committee directs the FCC to brief the Committee within 120 days of enactment of this Act on the demands associated with provider data transmitted over rural broadband networks, including an estimate on the quantity of edge provider data transmitted and all costs associated with the process.

E-rate for School Cybersecurity.—The Committee is concerned about the increasing number of ransomware and other cyberattacks on schools and libraries around the country. The FCC's E-Rate program funds broadband connectivity for those institutions but the program's cybersecurity provisions have become grossly outdated. The FCC has initiated a proceeding seeking public comment on potential changes to the E-Rate program's support for cybersecurity products and services. Within 90 days of enactment of this Act and in advance of the FCC's publication of its 2024 Eligible Services List, the FCC is directed to conclude its proceeding by modernizing the E-Rate program to permit schools and libraries to use E-Rate funds for the cybersecurity protections recommended by the Department of Homeland Security's Cybersecurity and Infrastructure Security Agency, subject to the program's existing overall cap. Within 30 days of enactment of this Act, the FCC is directed to submit a report to the Committee on its efforts to ensure that schools and libraries have additional flexibility under the E-Rate program to purchase cybersecurity products and services that will help protect their networks and confidential student and employee data from cyberattacks.

Universal Service Fund Comment Period.—In recognition of the ongoing rapidly changing communications industry landscape, the Committee believes it is imperative that: (1) the FCC seek public comment this fiscal year on any reform proposals that have been submitted to the commission or otherwise previously considered that would promote the sustainability and viability of the USF and resolve inequities in the current contributions structure (the "Reform Objectives"); and (2) the FCC act as soon as possible following review of that record to adopt reforms that will achieve the Reform Objectives.

Affordable Connectivity Program Report.—The Committee commends FCC for its role in implementing both the Emergency Broadband Benefit and its permanent successor the Affordable Connectivity Program (ACP). ACP in particular was appropriated \$14.2 billion by Congress. Over 18 million households are participating in ACT. The Committee requests a report on the progress of ACP within 30 days of enactment of this Act, which should include unobligated funding levels as well as household enrollment data and state uptake.

Rural Broadband Access.—The Committee believes that deployment of broadband in rural and economically disadvantaged areas is a driver of economic development, jobs, and new educational opportunities. The Committee supports the FCC's efforts to judiciously allocate the USF to these areas.

Spectrum Authority.—The Committee recognizes that making additional mid-band spectrum available for commercial use is crucial

for the United States’ leadership in the 5G race. As such, within 30 days of enactment of the Act, the Commission is directed to brief the Committees of jurisdiction on their authority to allow temporary use of spectrum.

ADMINISTRATIVE PROVISIONS—FEDERAL COMMUNICATIONS
COMMISSION

Section 520. The Committee continues a provision extending an exemption from the Antideficiency Act for the USF.

Section 521. The Committee continues a provision prohibiting the FCC from changing rules governing the USF regarding single connection or primary line restrictions.

Section 522. The Committee includes a new provision on the Life-line Minimum Service Standard.

FEDERAL LABOR RELATIONS AUTHORITY
SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$29,400,000
Budget request, fiscal year 2024	33,737,000
Recommended in the bill	28,000,000

Established by title VII of the Civil Service Reform Act of 1978, the Federal Labor Relations Authority (FLRA) serves as a neutral arbiter in the labor activities of non-postal Federal employees, Departments and agencies, and Federal unions on matters outlined in the Act, including collective bargaining and the settlement of disputes. Establishment of the FLRA recognized the role of the Federal Government as an employer. Under the Foreign Service Act of 1980, the FLRA also addresses similar issues affecting Foreign Service personnel by providing staff support for the Foreign Service Impasse Disputes Panel and the Foreign Service Labor Relations Board.

COMMITTEE RECOMMENDATION

The Committee recommends \$28,000,000 for the FLRA.

FEDERAL PERMITTING IMPROVEMENT STEERING COUNCIL

Appropriation, fiscal year 2023	---
Budget request, fiscal year 2024	\$10,000,000
Recommended in the bill	9,775,000
Bill compared with:	
Appropriation, fiscal year 2023	+9,775,000
Budget request, fiscal year 2024	-225,000

This account funds the authorized activities of the Environmental Review Improvement Fund and the Federal Permitting Steering Council (FPISC). The FPISC leads ongoing government-wide efforts to modernize the Federal permitting and review process for major infrastructure projects and works with Federal agency partners to implement and oversee adherence to the statutory requirements set forth in the Fixing America’s Surface Transportation Act.

COMMITTEE RECOMMENDATION

The Committee recommends \$9,775,000 for the FPISC.

Tribal Engagement.—The Committee supports the establishment of a program to transfer funds directly to Federally recognized tribes to facilitate participation in the Federal review and authorization of FAST-41 projects. The Committee directs the FPISC to begin disbursing funds to tribes within 90 days of the enactment of this Act, if it has not done so already, in order to facilitate Tribal engagement in timely, transparent, efficient, and thorough environmental reviews for FAST-41 covered projects.

FEDERAL TRADE COMMISSION

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$430,000,000
Budget request, fiscal year 2024	590,000,000
Recommended in the bill	376,530,000
Bill compared with:	
Appropriation, fiscal year 2023	– 53,470,000
Budget request, fiscal year 2024	– 213,470,000

The mission of the Federal Trade Commission (FTC) is to enforce various Federal antitrust and consumer protection laws. Appropriations for both the Antitrust Division of the Department of Justice and the FTC are partially financed by Hart-Scott-Rodino Act premerger filing fees. The FTC's appropriation is also partially offset by Do-Not-Call registry fees.

COMMITTEE RECOMMENDATION

The Committee recommends \$376,530,000 for the Salaries and Expenses of the FTC. The Congressional Budget Office estimates \$278,000,000 of collections from Hart-Scott-Rodino premerger filing fees and \$14,000,000 of collections from Do-Not-Call fees, which partially offset the appropriation requirement for this account.

Stopping Unethical Domestic Adoption Practices.—The Committee is highly concerned by the proliferation of unlicensed adoption intermediaries increasingly engaging in fraudulent or deceptive practices concerning domestic private adoption. The Committee is aware of the growing practice of entities operating on a for-profit basis and charging exorbitant fees (e.g., ‘finder’s fee’ or ‘matching fee’) to hopeful adoptive parents in exchange for matching services and/or facilitating interstate adoption services. In many cases, these brokers engage in illegal or deceptive advertising practices potentially in violation of consumer protection laws. The Committee directs the FTC to address this issue by investigating unfair, deceptive, and fraudulent business practices and to evaluate the necessary resources for the enforcement of statutory violations in these matters. The FTC shall provide a report to the Committee within 180 days of enactment of this Act on the findings and enforcement actions taken on this issue.

Marketing Claims.—The Committee is aware of ongoing coordinated efforts by the FTC to review guidelines for marketers with regard to environmental claims, including the review of the FTC’s Green Guides. The Committee directs the FTC to engage in comprehensive efforts on this matter and to provide a report to the Committee within 90 days of enactment of this Act on the progress of the review.

Company Trade Secrets.—The Committee is concerned about the sharing of company trade secrets as well as commercial and financial information with third parties and external stakeholders. The Committee would like to remind the FTC of the numerous statutes that address this matter including 15 U.S.C. § 46(f), the Federal Trade Commission Act.

Contact Lenses.—The Committee continues to support the long-standing regulation and oversight of the contact lens marketplace, including enforcement of the Contact Lens Rule’s verification and

prescription release requirements and coordination with the Food and Drug Administration to protect patient safety.

Unfair Practices Enforcement Cases.—The FTC is directed to include in the budget a description of each enforcement action brought using an administrative or judicial process for “unfair or deceptive acts or practices” under Section 5(a) of the FTC Act. The description for each such enforcement action shall include a summary of the budgetary resources used to pursue the case. Each description shall also provide a brief summary of the evidence and facts used by the FTC to prove that the (1) practice causes or is likely to cause substantial injury to consumers, (2) the injury is not reasonably avoidable by the consumers themselves, and (3) the injury is not outweighed by countervailing benefits to consumers or competition.

HSR Aggregation.—The Committee recognizes the importance of the Hart-Scott-Rodino Improvements Act (HSR) to protect consumers from anticompetitive behavior. The Committee cautions the FTC against using the Act in a way that was not intended by Congress, specifically with respect to aggregation requirements for HSR filings that would apply to registered investment companies. Mutual funds, including those managed by a common investment adviser, are by law separate entities with independent investment objectives and strategies that are wholly owned by respective fund shareholders. Requiring the aggregation of holdings across multiple funds that share a common adviser and other entities will lead to arbitrary investment caps, increased costs to funds due to additional HSR filings, and index fund tracking errors due to the required pause in carrying out transactions, among other detrimental effects. This will impair the ability of funds to meet their shareholders’ investment objectives, including saving for retirement and education. Further, aggregation will harm US issuers who rely on investments by funds and other institutional investors to raise capital. An aggregation requirement is inconsistent with how the HSR Act is fundamentally intended to apply to transactions for investment-only purposes. The Committee expects the FTC to respect congressional intent with respect to HSR rulemakings.

Direct Selling.—The committee is aware the FTC has proposed complicated and comprehensive rulemakings that would have significant impact on entrepreneurs and industry. The Committee is concerned that the FTC’s proposed rules will unnecessarily hamper entrepreneurs and place an undue burden on the industry. The Committee expects the FTC to ensure that any final rule avoids broadly sweeping in direct selling companies as the FTC indicated it would be “too blunt an instrument” for the industry and that broad coverage of the rule for direct sellers provided “no countervailing benefit to consumers.”

ADMINISTRATIVE PROVISIONS—FEDERAL TRADE COMMISSION

Section 530. The Committee includes a new provision to prohibit funds for the implementation and enforcement of the Motor Vehicle Dealers Trade Regulation Rule.

Section 531. The Committee includes a new provision prohibiting further regulatory action on the Earning Claims and Business Opportunity rulemakings until a clear statement of need is made or other industry analysis is conducted.

Section 532. The Committee includes a new provision prohibiting the July 9, 2021, Statement of the Commission on the Withdrawal of the Statement of Enforcement Principles Regarding “Unfair Methods of Competition”.

Section 533. The Committee includes a new provision prohibiting the October 25, 2021, Statement of the Commission on Use of Prior Approval Provisions in Merger Orders.

GENERAL SERVICES ADMINISTRATION

The Committee continues several reporting requirements for General Services Administration (GSA) for fiscal year 2024 and includes new reporting requirements.

Takings and Exchanges.—Using existing statutory authorities, GSA has been working to dispose of properties that no longer meet the needs of Federal agencies in exchange for assets of like value. Some of these exchanges are very complex in nature and involve multi-year, multi-party, and multi-billion-dollar contracts. GSA also has the statutory authority to take properties. The Committee believes that, in some instances, employing such authorities can result in savings to the taxpayer when appropriately executed. In order to provide increased transparency and remain informed, the Administrator is directed to report to the Committee not later than 30 days after the end of each quarter on the use of these authorities. The report shall include a description of all takings and exchange actions that occurred or were considered during the most recently completed quarter of the fiscal year, including the costs, benefits, and risks for each action. The report shall also include the planned or considered use of takings and exchange authorities during the remainder of the fiscal year, including the costs, benefits, and risks of each action.

Spending Report.—Within 50 days of the end of each quarter, GSA is directed to submit a spending report to the Committee. The reports shall include actual obligations incurred and estimated obligations for the remainder of the fiscal year for each appropriation in the Federal Buildings Fund and regular discretionary appropriations. The reports must also include obligations by object class, program, project, and activity.

State of the Portfolio.—Within 45 days of enactment of this Act, the Administrator shall submit to the Committee a report on the state of the Public Buildings Service real estate portfolio for fiscal year 2023. The content included in the report shall be comparable to the tabular information provided in past State of the Portfolio reports, including, but not limited to, the number of leases; the number of buildings; amount of square feet, revenue, expenses by type, and vacant space; top customers by square feet and annual rent; and completed new construction, completed major repairs and alterations, and disposals, in total and by region where appropriate. The report should include an estimate on unoccupied space in federally owned buildings and privately owned buildings with Federal leases.

Future of Federal Office Space.—As required by the explanatory statement for Public Law 117–328, GSA has not provided periodic briefings to the Committee on how the Federal Government can reduce its office space requirements based on the lessons learned from the use of telework during the COVID–19 pandemic. The

Committee is concerned that GSA has not adequately planned for the optimal size of the Federal real estate inventory post-pandemic. Given that over half of Federal leases are expiring in the next five years, GSA is directed to report to the Committee within 60 days of enactment of this Act, and quarterly thereafter, on specific, detailed plans for Federal office space that remains unoccupied and what workspaces will return to pre-pandemic occupancy rates or should be consolidated in Federally-owned buildings and Federal leases in privately owned buildings.

Login.gov Compliance with Digital Identity Standards.—According to the GSA OIG, GSA officials misled their Federal agency customers by claiming that login.gov was compliant with Federal digital identity guidelines published by NIST. The Committee is concerned that GSA knowingly billed their customers over \$10 million for login.gov even though the system did not include a biometric comparison. In addition, GSA received \$187 million from the Technology Modernization Fund for the login.gov program to increase cybersecurity and identification and improve identity verification. Within 30 days after the enactment of this Act, GSA must brief the Committee on how GSA has incorporated the OIG recommendations in the login.gov program and how GSA used the funds. GSA is directed to submit a report to the Committee, within 90 days of enactment of this Act, on these items, as well as its plans to revamp the login.gov program and include biometric comparison capabilities that meet the NIST guidelines.

 LIMITATIONS ON AVAILABILITY OF REVENUE
 (INCLUDING TRANSFERS OF FUNDS)

Limitations on Availability of Revenue:	
Limitation on availability, fiscal year 2023	\$10,013,150,000
Limitation on availability, budget request, fiscal year 2024	10,902,187,000

Bill compared with:	
Availability limitation, fiscal year 2023	- 715,333,000
Availability limitation, fiscal year 2024 request	- 1,604,370,000

The Federal Buildings Fund (FBF) finances the activities of the Public Buildings Service (PBS), which provides space and services for Federal agencies in a relationship similar to that of landlord and tenant. The FBF, established in 1975, replaces direct appropriations with income derived from rent assessments, which approximate commercial rates for comparable space and services. The Committee makes funds available through a process of placing limitations on obligations from the FBF as a way of allocating funds for various FBF activities.

COMMITTEE RECOMMENDATION

The Committee recommends a limitation on the availability of funds of \$9,297,817,000 for the FBF.

Historically, prior to obligating funds for prospectus-level construction, alterations, or leases, GSA has waited for the project to be authorized through a resolution approved by the Committee on Transportation and Infrastructure in the House and the Committee

on Environment and Public Works in the Senate as required by title 40 of the United States Code and in accordance with the proviso included in the FBF appropriations limiting the obligation of funds to prospectus-level projects approved by the authorizing committees. The Committee supports this process and believes that prospectus-level projects warrant a thorough review from both the Appropriations Committee and the authorizing committees. The Committee expects GSA to continue to follow this process.

Improving Building Resiliency.—GSA is instructed to brief the Committee within 60 days of enactment of this Act on the criteria GSA promulgated and issued for Federal resiliency and sustainability standards for public buildings as directed by Public Law 117–328.

Executive Office for Immigration Review (EOIR) Court Space.—The Committee is concerned with the lack of necessary facilities for immigration judges on the U.S.-Mexico border. In Federal locations along the U.S.-Mexico border, the Committee encourages GSA to identify and prioritize the acquisition of available space for use by EOIR as courtrooms, including courtrooms where the cases of detained aliens subject to the Migrant Protection Protocols may be heard. GSA should consult with the Immigration and Customs Enforcement Office of the Principal Legal Advisor to explore ways to co-locate Federal agencies involved in the immigration court process. The Committee directs GSA to submit a report on its efforts within 90 days of enactment of this Act that includes the resources necessary to carry out this request.

Ground Source Heat Pumps at Federal Facilities.—The Committee encourages GSA to consider the full lifecycle cost and emissions reduction benefits of ground source heat pumps. The Committee directs GSA to brief the Committee on the current status of its technology acceleration program for GSA facilities, as directed by the Energy Independence and Security Act of 2007. The briefing should include an update on GSA’s review of cost-effective lighting and ground source heat pumps, as directed by the Act, and the possible inclusion of these technologies.

Automated External Defibrillators in Public Buildings.—Sudden cardiac arrest is a leading cause of death for Americans, and early intervention and timely use of an automated external defibrillator (AED) significantly improves the chances of survival. In 2001, Congress required the creation of a public access defibrillator program that included voluntary guidelines for deployment of AEDs in Federal buildings. However, GSA does not systematically require AED placement as a condition of occupancy of Federal buildings. The Committee encourages GSA to consider including AED placement requirements in future revisions to its P100 facilities standards for public buildings. Such requirements should harmonize with the existing guidelines published by the Department of Health and Human Services.

CONSTRUCTION AND ACQUISITION

The Committee recommends a limitation of \$28,290,000 for the following projects:

State	Description	Amount

Mexico-American Border Infrastructure Coordinators.—Mexico is the second largest importer of all goods into the U.S., in addition to being the second largest recipient of all goods exported by the U.S. The Committee is concerned that a lack of coordination between Customs and Border Protection, GSA, the Department of Transportation, and other relevant Federal agencies is hampering freight infrastructure development at the southwest border, critical to maintaining this bilateral trade relationship. In fiscal year 2020, the Committee directed GSA to designate a border infrastructure coordinator in each region along the southwest border and report to the Committee on its efforts and any additional resources necessary to establish these positions. The Committee looks forward to receiving an update on these efforts within 90 days of enactment of this Act and directs GSA to continue funding these coordinators in fiscal year 2024.

Land Ports of Entry Study.—The Committee directs GSA to submit a preliminary report, not later than 90 days after enactment of this Act, on the status of obligated funds and prioritization of funds for modernizing land ports of entry as obligated in the Infrastructure Investment and Jobs Act (Public Law 117–58).

Renovation of Tomochichi U.S. Courthouse.—The Committee is concerned about the progress of the repair and alteration of the Tomochichi U.S. Courthouse in Savannah, Georgia. The Committee directs GSA to provide a status update of the ongoing renovation within 30 days of enactment and as necessary thereafter to ensure the improvements are completed in a timely manner without further harm.

Courthouse Feasibility Study.—The Committee recognizes that Riverside County, California has seen substantial growth over the past twenty years and recognizes that the George E. Brown, Jr. Federal Building and United States Courthouse currently lacks sufficient space for additional judges and support staff as reflected in the Courthouse receiving a significant Urgency Evaluation score. The Committee commends the decision by the United States Judicial Conference to approve a GSA phase I feasibility study of the George E. Brown Courthouse and looks forward to a thorough and

punctual review process that will help address the urgent space needs of the court. The Committee directs GSA, 180 days after enactment of this Act, to provide the Committee with a briefing on the status of the study.

Flexible Workspace Services.—The Committee has not yet received GSA’s report on the agency’s implementation of its flexible coworking services contracts, as required in House Report 117–393. GSA is directed to brief the Committee within 30 days of enactment of this Act on their preliminary findings.

Unused Southwest Border Barrier Material.—GSA is directed to provide to the Committee, not later than 60 days after enactment of this Act, a report of all unused materials, such as steel bollards, purchased for construction of barriers on the southwest border that remain unused and subject to the control of the Federal government, including the Department of Homeland Security and the U.S. Army Corps of Engineers. The report shall include a description of the types and amounts of unused materials; an analysis of possession of such materials among Federal agencies and the associated cost to store such materials; a description of the planned use of such materials; and an analysis of whether such materials should be declared surplus property available to be donated to a state or public agency, nonprofit organization, or available for public auction, including an explanation of the determination for any materials that are not declared surplus property.

Major Repair and Alteration of Washington, DC Regional Office Building.—The Committee notes there are significant cost increases and scope changes with GSA’s proposal to renovate the Regional Office Building (ROB) at 301 7th Street, SW in Washington, DC. The Committee understands the modernized ROB will now house employees of the Federal Emergency Management Agency’s Headquarters and the Department of Homeland Security’s (DHS) Management Office. The renovation will require additional funds than the amount originally authorized and appropriated in previous fiscal years. GSA and DHS are directed to provide a joint briefing to the Committee within 60 days of enactment of this Act on the additional design and construction costs to modernize the ROB. GSA should pause further action on issuing a design-build construction award for the ROB renovation until the Committee is briefed on available options to fully address concerns related to escalating modernization costs.

The rental of space program funds lease payments made to privately-owned buildings, temporary space for Federal employees during major repair and alteration projects, and relocations from Federal buildings due to forced moves and relocations as a result of health and safety conditions.

COMMITTEE RECOMMENDATION

The Committee recommends a limitation of \$5,719,298,000 for rental of space. The Committee expects GSA to continue its efforts to reduce its leased inventory.

U.S. Space Command Headquarters Leases.—The Committee is concerned about the waste of taxpayer dollars associated with GSA leases for the United States Space Command headquarters facilities. Therefore, the Committee directs the Administrator, in coordination with the Secretary of the Air Force, to provide a report within 90 days of enactment of this Act regarding all lease agreements associated with the United States Space Command headquarters. The report shall include, at a minimum, the leasing agency requirements, the Occupancy Agreement, the Lease Agreement, and the timeline with all events for each lease.

In addition, this account funds all the personnel and administrative expenses for carrying out construction and acquisition, repair and alteration, and leasing activities.

COMMITTEE RECOMMENDATION

The Committee recommends \$68,720,000 for the Office of Government-wide Policy.

Chinese Technology and Equipment in Federal Government Buildings and Leases.—The Committee is aware of GSA’s ongoing process to identify equipment in certain Federal properties and Federally-leased properties that is on the Federal Communications Commission Covered List (List of Equipment and Services Covered by Section 2 of the Secure Networks Act), which leaves Federal agencies unnecessarily exposed to cyber vulnerabilities and foreign espionage. It is essential to our national security that all Chinese technology or equipment, including that made by Huawei, ZTE, Hikvision, Hytera, and Dahua, installed in or on Federal Government property or Federally-leased properties is removed and replaced expeditiously. These companies are known to be backed, owned, or operated by the Chinese Communist Party. The Committee requests an inventory from GSA on the status of Chinese technology and equipment on Federal property or privately-owned buildings with Federal leases within 60 days of enactment of this Act.

First Aid Kit Enhancements.—The Committee is aware that first aid products endorsed by the Department of Defense’s Committee on Tactical Combat Casualty Care (CoTCC) help to reduce death

or trauma as a result of bleeding. To improve outcomes in crisis situations, the Committee encourages GSA to incorporate CoTCC-supported dressings in first aid kits in Federal buildings, Federal courthouses, and Federal law enforcement vehicles.

System for Award Management.—The Committee is aware of challenges with the implementation of GSA’s System for Award Management (SAM) modernization, including delays in issuing unique entity identifiers to registrants. Within 60 days of enactment of this Act, GSA is instructed to report to the Committee on the steps being taken to resolve these issues, the cost overruns experienced in this program, and a strategic plan for SAM’s future. This report should include a comparison of the initial cost estimates for the changes to the SAM registration process and the actual costs realized to date. It should also include the baseline costs of any contracts let for the implementation of this program compared to the amounts spent since award of these contracts, and any other contracts related to improving SAM. The report should include a delineation of the steps GSA is taking to repair the problems that have been identified, and a timeline for completing these repairs. Finally, the report should lay out GSA’s strategic plan for the future of SAM, including plans to ensure competition in the acquisition of support services and to perform fraud screening.

Per Diem Rate Review.—Given the substantial changes in population following the COVID–19 pandemic, the Committee encourages GSA to review per diem rates and determine if metropolitan statistical areas should be used as boundary areas instead of county lines. GSA should particularly focus on non-standard per diem rates in cities that have significantly increased in population since fiscal year 2021, such as Austin, Charlotte, Dallas, Miami, and Phoenix.

The National Archives and Records Administration (NARA) is an independent agency established in 1934 to identify, access, protect, preserve, and make available for use the important documents and records of all three branches of the Federal Government. Today, NARA’s responsibilities also include publishing the Federal Register, mediating Freedom of Information Act disputes, and coordinating controlled unclassified information.

Additionally, NARA shall report to the Committee within 90 days after enactment of this Act on the current status of staffing at the NPRC, any backlog of records requests, and the steps it is taking to eliminate the backlog. OFFICE OF PERSONNEL MANAGEMENT

SALARIES AND EXPENSES

(INCLUDING TRANSFERS OF TRUST FUNDS)

Appropriation, fiscal year 2023	\$385,708,000
Budget request, fiscal year 2024	461,764,000
Recommended in the bill	339,648,000
Bill compared with:	
Appropriation, fiscal year 2023	- 46,060,000
Budget request, fiscal year 2024	- 122,116,000

The Office of Personnel Management (OPM) is the Federal agency responsible for management of Federal human resources policy and oversight of the merit civil service system. OPM provides a government-wide policy framework for personnel matters, advises and assists agencies (often on a reimbursable basis), and ensures that agency operations are consistent with requirements of law. OPM oversees the examination of applicants for employment; issues regulations and policies on hiring, classification and pay, training, and investigations; and manages many other aspects of personnel management. The agency also operates a reimbursable training program for the Federal Government's managers and executives. In addition, OPM is responsible for administering the retirement, health benefits, and life insurance programs covering most Federal employees, retired Federal employees, and their survivors.

COMMITTEE RECOMMENDATION

The Committee recommends \$164,934,000 for OPM's General Fund. The Committee also recommends \$174,714,000 for administrative expenses to be transferred from the appropriate trust funds.

The Committee reminds OPM of its obligation to engage in prior consultation with and notify the Committee of any reorganizations, restructurings, new programs, or elimination of programs as described in title VI of this Act.

Low Staffing at Bureau of Prisons (BOP) Facilities.—The Committee is concerned with the consistently low staffing levels at BOP facilities. Low staffing levels forces the BOP to utilize augmentation staffing, which makes the facilities less safe and restricts their ability to offer reentry programming and implement the First Step Act. OPM is directed to analyze how the General Schedule levels for BOP employees can be modified or reformed to address concerns about pay-related matters, and to report on these efforts no later than 90 days after enactment of this Act.

Direct Hire Authority at BOP Facilities.—The Committee is concerned with the long process for hiring BOP employees, particularly when facing a facility-wide staffing crisis. Six BOP facilities were recently granted direct hire authority to address their staffing crises, and all six facilities have successfully improved their staffing levels. Based on this success, OPM is directed to develop procedures to grant direct hiring authority to all BOP facilities to ad-

dress the Bureau-wide staffing crisis, and to report on these efforts no later than 90 days after enactment of this Act.

Cybersecurity Workforce.—OPM is directed to expand efforts to teach Federal personnel responsible for hiring, retention, and employee development programs government-wide to more effectively utilize existing hiring authorities, compensation flexibilities, employee development programs, and other resources for Federal cyber workforce development.

Retirement Services.—The Committee is concerned with the lengthy delays to process retirement and survivor claims and update health insurance benefits, as well as other critical changes that impact retirement benefits. These delays cause hardships for Federal annuitants and their families. OPM is directed to brief the Committee quarterly on OPM's efforts and progress to reduce these delays. OPM is directed to post on its website monthly reports indicating the length of time it takes to process initial retirement claims, applications for survivor benefits, annuitant health benefit adjustments, and other Federal Employee Health Benefits and Federal Employee Group Life Insurance adjustments. Additionally, OPM is expected to keep the Committee informed on the measures OPM is taking to decrease the processing delays and improve customer service levels, including the average time it takes a caller to reach an OPM operator and the number and percentage of unanswered calls.

Federal Financial Systems.—The Committee continues to support OPM's efforts to modernize and replace the Federal Financial Systems, which is the core centralized accounting system used to manage OPM's trust funds. OPM is directed to continue to brief the Committee as outlined in House Report 116-456.

Quarterly Briefings on Modernization.—The Committee is concerned with OPM's modernization efforts and requests the continuation of quarterly briefings to the Committees. Each briefing should include the total IT modernization budget broken out by project; obligations and unobligated balances by project; and the progress, anticipated completion date, and significant concerns for each project.

OPM IT Working Capital Fund.—In fiscal year 2022 OPM created the Information Technology Working Capital Fund (IT-WCF) utilizing the authority provided to Federal agencies by the Modernizing Government Technology Act (Public Law 115-91). The IT-WCF provides sustained funding to improve and replace OPM's legacy systems and enhance their cybersecurity posture. Within 90 days after enactment of this Act, OPM is directed to brief the Committee on the IT-WCF's balance, oversight and management, and projects funded through the IT-WCF.

Federal Executive Boards (FEBs).—The Committee opposes OPM's plan to make FEB funding mandatory for agencies by requiring them to pay specific sums set by OMB into the OPM revolving fund, which is intended for voluntary, fee for service transactions.

Improper Payments.—The Committee is concerned that the OPM lacks a plan to establish a mechanism to monitor, identify, and remove ineligible family members who are already enrolled in Federal Employee Health Benefits (FEHB) plans. The OPM IG has cited in their October 2022 report on Top Management Challenges

for FY 2023, that this oversight resulted in estimated improper payments for the program of up to \$3 billion. Within 90 days of enactment of this Act, OPM is directed to brief the Committee on their plan to monitor, identify, and ensure the eligibility of family members on FEHB plans.

SECURITIES AND EXCHANGE COMMISSION

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$2,209,770,000
Budget request, fiscal year 2024	2,475,488,000
Recommended in the bill	2,039,321,000
Bill compared with:	
Appropriation, fiscal year 2023	- 170,449,000
Budget request, fiscal year 2024	- 436,167,000

The primary mission of the Securities and Exchange Commission (SEC) is to protect investors, maintain the integrity of the securities markets, and assure adequate information on the capital markets is made available to market participants and policymakers. To facilitate this, the SEC monitors the capital markets, ensures full disclosure of all appropriate financial information, regulates the Nation's securities markets, and takes action to prevent fraud and malpractice in the securities and financial markets.

COMMITTEE RECOMMENDATION

The Committee recommends \$1,999,663,000 for SEC Salaries and Expenses, to be fully derived from offsetting fee collections. In addition, the Committee recommends \$25,243,000 for costs associated with the SEC's District of Columbia headquarters facilities and \$14,415,000 for costs associated with the SEC's Atlanta regional office, to be fully derived from offsetting fee collections. The Committee expects the SEC to keep the Committee informed of any notable developments.

Digital Asset Accounting Standards.—The SEC issued Staff Accounting Bulletin 121 (SAB 121), new regulatory guidance relating to the accounting treatment of digital assets for public companies. The SEC is directed to consult with the prudential regulators to determine how SAB 121 affects insured depository institutions and revise SAB 121 to conform with existing prudential standards on insured depository institutions for the custody of digital assets.

Economic Analysis.—The Committee encourages the SEC to consider an SEC Memorandum published on March 16, 2012, on “Current Guidance on Economic Analysis in SEC Rulemakings”. The Committee notes that this Memorandum restates statutory obligations to conduct regulatory economic analysis. The Committee is concerned that the separation of analysis of overlapping rulemakings has minimized projected economic costs. Before finalizing rules classified by the Office of Management and Budget as Significant Economic Rulemakings, the Committee directs the SEC to conduct a full economic analysis on the aggregate impact of the SEC's proposed and final rulemakings since 2021.

Reporting on Influence of Public Companies.—The Committee is concerned that managers of large index funds which file short-form disclosures on Schedule 13G instead of 13D may have a control purpose or effect with some of their portfolio companies which should preclude their ability to use Schedule 13G. The Committee notes that Schedule 13D allows regulators and investors more information on concessions or direction given or negotiated by large asset managers to their public portfolio companies which will shed light onto the strategies employed by these large asset managers to influence public companies. The Committee directs the SEC to report to the Committee within 120 days of enactment of this Act on large asset managers' compliance with Section 13D and their ability to control or influence their portfolio companies.

Private Fund Advisers Rule Analysis.—The Committee directs the SEC to reconduct a full economic analysis for the Private Fund Advisers proposal before finalization of the rule, ensuring the analysis adequately considers the disparate impact on underserved businesses and communities. The Committee notes that more detailed analysis will not only improve the quality of proposed rules,

but also help increase public confidence in the SEC's regulatory process.

Reforming the Registration Process for Registered Index Linked Annuities.—The Committee is concerned that the current registration process for registered index linked annuities (RILAs) is cumbersome and requires significant information not needed for other registered insurance products and is pleased that the SEC is currently creating a tailored filing form for RILAs as required by Congress that will address those concerns. In this respect, when creating the new form, the Committee encourages the SEC to permit the use of financial statements that are prepared based upon state insurance accounting standards.

Unpaid Arbitration Awards.—The Committee is concerned that the Financial Industry Regulatory Authority (FINRA) has failed to undertake steps to address unpaid arbitration awards by its members. Within 180 days of enactment of this Act, the Commission shall submit to Congress a report summarizing FINRA's ongoing and planned efforts to reduce and eliminate the occurrence of unpaid judgements.

Section 555. The Committee includes a new provision prohibiting the use of funds to finalize, implement, or enforce, the rulemaking entitled “Amendments Regarding the Definition of “Exchange” and Alternative Trading Systems (ATSs) That Trade U.S. Treasury and Agency Securities, National Market System (NMS) Stocks, and Other Securities”.

The Selective Service System was established by the Selective Service Act of 1948. The mission of the System is to be prepared to supply manpower to the Armed Forces adequate to ensure the security of the United States during a time of national emergency. Since 1973, the Armed Forces have relied on volunteers to fill military manpower requirements, but selective service registration was reinstated in July 1980.

COMMITTEE RECOMMENDATION

The Committee recommends \$31,300,000 for the Selective Service System.

SMALL BUSINESS ADMINISTRATION

The Small Business Administration (SBA) assists and protects the interests of small businesses through programs including loans, loan guarantees, counseling, and contracting preferences.

The Committee recommends a total of \$823,114,000 for SBA.

SALARIES AND EXPENSES

Appropriation, fiscal year 2023	\$326,000,000
Budget request, fiscal year 2024	394,277,000
Recommended in the bill	278,378,000
Bill compared with:	
Appropriation, fiscal year 2023	– 47,622,000
Budget request, fiscal year 2024	– 115,899,000

COMMITTEE RECOMMENDATION

The Committee recommends \$278,378,000 for SBA Salaries and Expenses.

Veteran Certification.—The recommendation includes \$20,500,000, as requested, to support costs related to the certification of veteran-owned small businesses and service-disabled veteran-owned small businesses.

Assisting America's Rural Small Businesses.—The Committee recognizes the importance of small businesses to rural communities across the nation as a driver of goods and services and as employers of rural Americans. The Committee encourages the SBA to support rural small businesses and to enhance its outreach and communication to small businesses that serve less densely populated areas. Within 120 days of enactment of this Act, the Committee directs the SBA to report to the Committee on its efforts to reach underserved rural small businesses.

Small Business Administration Responsiveness.—The SBA currently administers several types of programs to support small businesses, including tools to enhance small businesses' access to capital; contracting programs to increase small businesses' opportunities in federal contracting; homeowners, and businesses to aid in

their recovery from natural disasters; and small business management and technical assistance training programs to assist in business formation and expansion. Recently, there have been concerns about the agency's ability to respond to constituents that utilize or seek to utilize its services. Within 120 days of enactment of this Act, the SBA is directed to brief the Committee on how it approaches customer service, its response time for requests, and planned customer service enhancements.

Oversight Report.—The Committee is concerned with the oversight capabilities of the SBA as its government guaranteed lending programs continue to grow, especially in the aftermath of the Paycheck Protection Program, and other COVID-19 relief measures, and given the recent finalized rule that removes the moratorium on Small Business Lending Companies (SBLCs) that operate within the SBA's 7(a) Loan Program that has been in place since the early 1980s due to a lack of oversight at the SBA. The Committee directs the SBA to provide a comprehensive report within 120 days after enactment of this Act on the oversight capabilities of the SBA in light of new non-traditional lenders entering the SBA's programs. This report should include an analysis of the subsidy rate over the next seven fiscal years within each of its programs, especially the 7(a) Loan Program given the final rulemaking entitled "Small Business Lending Company (SBLC) Moratorium Rescission and Removal of the Requirement for a Loan Authorization".

COVID-19 Economic Injury Disaster Loans.—The Committee recognizes that when the Coronavirus Economic Injury Disaster Loan (COVID EIDL) program closed on May 6, 2022, there were a significant number of applicants in process whose applications for funding were hindered by processing delays at the Internal Revenue Service. The Committee directs the SBA to gather data on the number of COVID EIDL applicants who were in the process of applying when program funds were exhausted. The SBA should assess the number of applicants impacted by the IRS delays, quantify their unfunded awards, and report to Congress on the number and dollar amount of unfunded awards by state within 60 days of enactment of this Act.

COVID-19 Assistance and Foreign Based Small Businesses.—With the SBA disbursing over \$1 trillion in assistance over the last three years to small businesses, it is imperative to protect and safeguard American taxpayer dollars. Given this exorbitant amount, the SBA is directed to report to the Committee within 90 days of enactment of this Act, regarding the amount of funding going to foreign-based small businesses.

Privacy Personnel Report.—The Committee directs the SBA to provide a report on the actions taken to address GAO's recommendation that the Administrator of SBA fully define and document a process for ensuring that the senior agency official for privacy or other designated privacy official involved in assessing and addressing the hiring, training, and professional development needs of the SBA with respect to privacy.

COVID-19 Fraud.—The Committee is concerned about the June 27, 2023 findings from the SBA Office of Inspector General, alleging overwhelming potential fraud within the SBA's COVID-19 small business relief programs. The Committee recognizes that current OIG estimates predict over \$200 billion, 17 percent of all

COVID-19 EIDL and Paycheck Protection Program funds, have been fraudulently obtained by nefarious actors. Given the alarming rate of potential fraud identified by the OIG, the Committee directs the SBA to determine precise amounts in remaining fraudulent disbursements and provide a comprehensive report on these findings to Congress within 90 days after enactment of this Act. The Committee further directs the SBA to include in the report a comprehensive response of oversight efforts and changes to the fraud risk management systems as a result of the OIG report.

Regulations Impact on Small Businesses.—Within 90 days of enactment of this Act, the SBA is directed to report to the Committee on the economic impact on small business concerns of all rules issued by the SBA over the last two fiscal years.

SBA’s Entrepreneurial Development (ED) programs support non-credit business assistance to entrepreneurs. The appropriation includes funding for a network of resource partners located throughout the United States that provide training, counseling, and technical assistance to small business entrepreneurs.

The SBA shall not reduce these non-credit programs from the amounts specified above and SBA shall not merge any of the non-credit programs without advance written approval from the Committee. The Committee strongly supports the development programs listed in the table above and will carefully monitor SBA’s support of these programs.

Small Business Development Centers.—The Committee recognizes the importance of the SBA’s Small Business Development Centers (SBDCs) and their critical role in the health of the nation’s small-

est businesses by helping to provide access capital needed for growth, providing advice on regulations, preparing for changes in the economy and technology, and responding when disaster strikes. The Committee supports efforts by the SBA to fully utilize the country's entire SBDC network.

Women's Business Centers.—The Committee supports the over 150 Women's Business Centers across the nation and their efforts to assist the nation's smallest businesses with growth expansion, and job creation.

SCORE.—With more than 200 SCORE chapters across America, the Committee recognizes the value of mentorship within the small business ecosystem. The Committee supports the efforts of the SBA to ensure the nation's smallest businesses have access to experienced business leaders from all industries.

Native American Outreach.—The Committee directs the SBA to enhance its Native American Outreach activities and brief the Committee within 180 days of enactment of this Act regarding the specific steps it has taken to reach Native American businesses.

Tribal Lending Initiative.—The Committee supports efforts by the Office of Native American Affairs (ONAA) to address and dismantle barriers experienced by Tribal small businesses and fisheries seeking to access traditional SBA lending products, and encourages SBA to establish a Tribal Lending Initiative to address these challenges. Through this initiative, ONAA is expected to update guidance for traditional SBA Lending products and relief programs in consultation with Tribal Nations, including removing barriers to existing SBA Lending products, such as the acceptance of Tribally registered business licenses and Tribal treaty fishery income verification, the inability of many Tribal small businesses and fisheries to obtain Federally verified income tax statements, and complications related to collateral requirements. SBA is directed to brief the Committee on its progress in establishing and implementing a Tribal Lending Initiative not later than 60 days after the enactment of this Act.

Investment in Central Appalachia.—The Committee directs the SBA to strengthen its outreach and prioritize discretionary funding to distressed counties within the Central Appalachian region, especially those affected by the 2022 flooding. Such outreach should focus on helping communities and regions that have been affected by job losses in coal mining, coal power plant operations, and coal-related supply chain industries due to the economic downturn of the coal industry.

Expanding Opportunities for Small Business Owners with Disabilities.—The Committee notes the progress being made within the Community Development Financial Institutions (CDFI) Fund to better serve individuals with disabilities. To this end, the Committee encourages the SBA to better integrate their programs with business planning, technical assistance, and business counseling services for small business owners with disabilities. The Committee directs the SBA to submit a report within 60 days after the enactment of this Act and twice a year thereafter to the Committee that outlines the steps the SBA is taking to ensure the SBDCs, WBCs, and SCORE chapters are thoroughly prepared and serving entrepreneurs and innovators with disabilities. The report should include, but should not be limited to, a summary of the tools in place,

as well as measurable outcomes such as the number of businesses assisted and jobs created.

UNITED STATES POSTAL SERVICE

PAYMENT TO THE POSTAL SERVICE FUND

Appropriation, fiscal year 2023	\$50,253,000
Budget request, fiscal year 2024	75,528,000
Recommended in the bill	35,424,000
Bill compared with:	
Appropriation, fiscal year 2023	- 14,829,000
Budget request, fiscal year 2024	- 40,104,000

The United States Postal Service (USPS) is funded almost entirely by Postal ratepayers, rather than taxpayers. Funds provided to USPS in the Payment to the Postal Service Fund include appropriations for revenue forgone, including for providing free mail for the blind and for overseas absentee voting.

COMMITTEE RECOMMENDATION

The Committee recommends \$35,424,000 for Payment to the Postal Service Fund. The recommendation funds free mail for the blind and overseas voting and includes a reconciliation adjustment.

Previously, the annual appropriations Act has included a provision requiring the Postal Service to deliver mail six days per week. Section 202 of the Postal Service Reform Act of 2022 (PSRA) (Public Law 117–108) requires that the “Postal Service shall maintain an integrated network for the delivery of market-dominant and competitive products” and that “Delivery shall occur at least six days a week, except during weeks that include a Federal holiday, in emergency situations, such as natural disasters, or in geographic areas where the Postal Service has established a policy of delivering mail fewer than six days a week as of the date of enactment of the Postal Service Reform Act of 2022.” In lieu of continuing the provision in the annual appropriations Act, the Committee expects USPS shall maintain six-day delivery as specified in the PSRA. Additionally, the Committee requests that the USPS notify respective Members of Congress of planned postal facility closings and/or consolidations in their district.

Discontinue Pilot Program.—The Committee is concerned about the USPS pilot program that allows business checks to be cashed for gift cards in postal offices. The Committee believes the Postal Regulatory Commission should approve these type of financial transactions at post offices. The Committee strongly believes the pilot program should not be extended and the USPS should focus on its core mission of providing the nation with reliable, affordable, universal mail service.

Election Mail.—The Committee is concerned about the slow counting of election ballots in recent elections and directs the USPS to report to Congress within six months of enactment of this Act, on current processes of election mail prioritization.

Location of Cluster Box Units.—The Committee continues to remain concerned about mail theft at external, residential Cluster Box Units (CBUs) and the vandalizing of these units. Therefore, the Committee directs USPS to update its handbooks and guidance to ensure external CBUs in all newly developed residential neighborhoods are located within the residential area they serve in a manner that reduces mail theft and vandalism while ensuring CBUs remain visible and accessible to the residents. The Committee directs USPS to report to the Committee on implementation of this directive 90 days after enactment of this Act, and every 30 days thereafter.

Mail Theft.—The Committee continues to remain very concerned about mail theft in the United States and the adverse impact it is having on postal customers, including extended disruptions of regular service and theft of personally identifiable information. The Committee also recognizes that the current process for victims of mail theft in some localities places an undue burden on customers. Therefore, the Committee directs USPS to implement a system to provide customers impacted by two or more instances of mail theft from external, residential CBUs the option to receive a temporary Post Office Box at the nearest available USPS-owned and operated facility, free of charge, until regular mail service can be resumed

to a secure CBU. The Committee directs USPS to report to the Committee on implementation of this directive 90 days after enactment of this Act, and every 30 days thereafter.

In addition, the Committee directs the USPS to report to the Committee no later than 60 days after the enactment of this Act detailing actions it has taken to combat this rise in mail theft from fiscal years 2020 through 2023. The report should include the USPS' plan to prevent the theft of mail.

U.S. Postal Service Landscaping.—The Committee is concerned that some U.S. Postal Service properties are not being well-maintained. The Committee requests that the Postal Service provide a written report within 180 days detailing how the Postal Service ensures its properties are maintained and landscaped. The report should describe a process by which senior leadership of the Postal Service will provide adequate oversight over postal facilities and properties nationwide to ensure they do not fall into a state of disrepair due to neglect or poor maintenance.

Accurate Address Listing.—The Committee directs USPS to conduct an internal review on the numerous instances, nationwide, where assigned zip-codes overlap municipal jurisdictions resulting in multiple city listings or incorrect listings. Given that the USPS recognizes the importance of last-line city designations, the Committee directs the USPS to provide a detailed report of their findings within 120 days of enactment of this Act, including what solutions could be utilized to ensure proper designations in the future, including options to designate a single, unique zip code for jurisdictions affected by this issue including, but not limited to, Hollywood, Florida; Miami Lakes, Florida; and Eastvale, California.

Mail Theft Notifications.—The Committee reminds the USPS of the importance of notifying the affected public when it is evident that mail has been stolen. Timely notifications can help victims of mail theft take actions to prevent identity theft, fraud, and other crimes. The Committee urges the USPS to make these notifications a priority.

Postal Work Safety.—The Committee is concerned by the increase in assaults and robberies committed against USPS employees. The Committee directs the USPS to report to the Committee no later than 60 days after enactment of this Act on the actions taken by the USPS to protect its employees from robberies and assaults during fiscal years 2020 to 2023. The report should include any plan or strategies the USPS plans to deploy in the future to keep its employees safe.

Processing Centers.—The Committee remains concerned about the impact on the citizens of Virginia's Sixth Congressional District as it relates to closed processing centers and looks forward to the submission of the report required by House Report 117–393 on this topic.

Emergency Suspension of Operations.—The Committee is concerned with the effects that the immediate suspension of operations at the Mountain City, GA, post office has had on its surrounding community. The Committee urges USPS to promptly notify the community of a rural post office when lease termination—and a subsequent emergency suspension of operations—is likely, with the goal of providing at least a 30-day advance notice. Additionally, the Committee urges USPS to provide updates every 60 days following

an emergency suspension to this Committee and to the community of such post office on the status and expected reopening of said post office.

Protection of Private Information.—Millions of Americans received free COVID–19 tests that were delivered by the USPS after completing an online form. The Committee seeks assurance by the USPS, that personally identifiable information is and has always been protected by the USPS, and that no Privacy Act protected information has been disclosed beyond necessary to deliver the COVID–19 test kits. The Committee directs the Postal Service to provide a report to the Committee within 90 days of enactment on how they protected this data.

First-Class Service Standards.—The Committee remains concerned about service standards for market-dominant mail products and looks forward to the report requested in House Report 117–393.

USPS Recruitment and Retention.—The Committee is concerned about the impact of workforce shortages on timely delivery of mail. The USPS Inspector General reported that the USPS continues to struggle with a high rate of non-career postal employee turnover. Although the Postal Service has been working to stabilize the non-career employee turnover rate, the Inspector General reported the rate was 58.9 percent for fiscal year 2022. The Committee directs the USPS to report to Congress within 90 days of enactment of this Act on the progress it has made on the IG’s recommendations included in their April 2023 audit report titled, *Postal Service’s Non-Career Employee Turnover Follow-Up*.

CHAPTER 201—GENERAL PROVISIONS

* * * * *

§ 3006A. Adequate representation of defendants

(a) CHOICE OF PLAN.—Each United States district court, with the approval of the judicial council of the circuit, shall place in operation throughout the district a plan for furnishing representation for any person financially unable to obtain adequate representation in accordance with this section. Representation under each plan shall include counsel and investigative, expert, and other services necessary for adequate representation. Each plan shall provide the following:

- (1) Representation shall be provided for any financially eligible person who—
 - (A) is charged with a felony or a Class A misdemeanor;
 - (B) is a juvenile alleged to have committed an act of juvenile delinquency as defined in section 5031 of this title;
 - (C) is charged with a violation of probation;
 - (D) is under arrest, when such representation is required by law;
 - (E) is charged with a violation of supervised release or faces modification, reduction, or enlargement of a condition, or extension or revocation of a term of supervised release;
 - (F) is subject to a mental condition hearing under chapter 313 of this title;
 - (G) is in custody as a material witness;
 - (H) is entitled to appointment of counsel under the sixth amendment to the Constitution;
 - (I) faces loss of liberty in a case, and Federal law requires the appointment of counsel; or

- (J) is entitled to the appointment of counsel under section 4109 of this title.
- (2) Whenever the United States magistrate judge or the court determines that the interests of justice so require, representation may be provided for any financially eligible person who—
- (A) is charged with a Class B or C misdemeanor, or an infraction for which a sentence to confinement is authorized; or
 - (B) is seeking relief under section 2241, 2254, or 2255 of title 28.
- (3) Private attorneys shall be appointed in a substantial proportion of the cases. Each plan may include, in addition to the provisions for private attorneys, either of the following or both:
- (A) Attorneys furnished by a bar association or a legal aid agency,
 - (B) Attorneys furnished by a defender organization established in accordance with the provisions of subsection (g).

Prior to approving the plan for a district, the judicial council of the circuit shall supplement the plan with provisions for representation on appeal. The district court may modify the plan at any time with the approval of the judicial council of the circuit. It shall modify the plan when directed by the judicial council of the circuit. The district court shall notify the Administrative Office of the United States Courts of any modification of its plan.

(b) APPOINTMENT OF COUNSEL.—Counsel furnishing representation under the plan shall be selected from a panel of attorneys designated or approved by the court, or from a bar association, legal aid agency, or defender organization furnishing representation pursuant to the plan. In every case in which a person entitled to representation under a plan approved under subsection (a) appears without counsel, the United States magistrate judge or the court shall advise the person that he has the right to be represented by counsel and that counsel will be appointed to represent him if he is financially unable to obtain counsel. Unless the person waives representation by counsel, the United States magistrate judge or the court, if satisfied after appropriate inquiry that the person is financially unable to obtain counsel, shall appoint counsel to represent him. Such appointment may be made retroactive to include any representation furnished pursuant to the plan prior to appointment. The United States magistrate judge or the court shall appoint separate counsel for persons having interests that cannot properly be represented by the same counsel, or when other good cause is shown.

(c) DURATION AND SUBSTITUTION OF APPOINTMENTS.—A person for whom counsel is appointed shall be represented at every stage of the proceedings from his initial appearance before the United States magistrate judge or the court through appeal, including ancillary matters appropriate to the proceedings. If at any time after the appointment of counsel the United States magistrate judge or the court finds that the person is financially able to obtain counsel or to make partial payment for the representation, it may terminate the appointment of counsel or authorize payment as provided in subsection (f), as the interests of justice may dictate. If at any

stage of the proceedings, including an appeal, the United States magistrate judge or the court finds that the person is financially unable to pay counsel whom he had retained, it may appoint counsel as provided in subsection (b) and authorize payment as provided in subsection (d), as the interests of justice may dictate. The United States magistrate judge or the court may, in the interests of justice, substitute one appointed counsel for another at any stage of the proceedings.

(d) PAYMENT FOR REPRESENTATION.—(1) HOURLY RATE.—Any attorney appointed pursuant to this section, *or the attorney's law firm*, or a bar association or legal aid agency or community defender organization which has provided the appointed attorney shall, at the conclusion of the representation or any segment thereof, be compensated at a rate not exceeding \$60 per hour for time expended in court or before a United States magistrate judge and \$40 per hour for time reasonably expended out of court, unless the Judicial Conference determines that a higher rate of not in excess of \$75 per hour is justified for a circuit or for particular districts within a circuit, for time expended in court or before a United States magistrate judge and for time expended out of court. The Judicial Conference shall develop guidelines for determining the maximum hourly rates for each circuit in accordance with the preceding sentence, with variations by district, where appropriate, taking into account such factors as the minimum range of the prevailing hourly rates for qualified attorneys in the district in which the representation is provided and the recommendations of the judicial councils of the circuits. Not less than 3 years after the effective date of the Criminal Justice Act Revision of 1986, the Judicial Conference is authorized to raise the maximum hourly rates specified in this paragraph up to the aggregate of the overall average percentages of the adjustments in the rates of pay under the General Schedule made pursuant to section 5305 of title 5 on or after such effective date. After the rates are raised under the preceding sentence, such maximum hourly rates may be raised at intervals of not less than 1 year each, up to the aggregate of the overall average percentages of such adjustments made since the last raise was made under this paragraph. Attorneys may be reimbursed for expenses reasonably incurred, including the costs of transcripts authorized by the United States magistrate or the court, and the costs of defending actions alleging malpractice of counsel in furnishing representational services under this section. No reimbursement for expenses in defending against malpractice claims shall be made if a judgment of malpractice is rendered against the counsel furnishing representational services under this section. The United States magistrate or the court shall make determinations relating to reimbursement of expenses under this paragraph.

(2) MAXIMUM AMOUNTS.—For representation of a defendant before the United States magistrate judge or the district court, or both, the compensation to be paid to an attorney, *or the attorney's law firm*, or to a bar association or legal aid agency or community defender organization shall not exceed \$7,000 for each attorney in a case in which one or more felonies are charged, and \$2,000 for each attorney in a case in which only misdemeanors are charged. For representation of a defendant in an appellate court, the compensation to be paid to an attorney, *or the attorney's law firm*, or

to a bar association or legal aid agency or community defender organization shall not exceed \$5,000 for each attorney in each court. For representation of a petitioner in a non-capital habeas corpus proceeding, the compensation for each attorney shall not exceed the amount applicable to a felony in this paragraph for representation of a defendant before a judicial officer of the district court. For representation of such petitioner in an appellate court, the compensation for each attorney shall not exceed the amount applicable for representation of a defendant in an appellate court. For representation of an offender before the United States Parole Commission in a proceeding under section 4106A of this title, the compensation shall not exceed \$1,500 for each attorney in each proceeding; for representation of an offender in an appeal from a determination of such Commission under such section, the compensation shall not exceed \$5,000 for each attorney in each court. For any other representation required or authorized by this section, the compensation shall not exceed \$1,500 for each attorney in each proceeding. The compensation maximum amounts provided in this paragraph shall increase simultaneously by the same percentage, rounded to the nearest multiple of \$100, as the aggregate percentage increases in the maximum hourly compensation rate paid pursuant to paragraph (1) for time expended since the case maximum amounts were last adjusted.

(3) WAIVING MAXIMUM AMOUNTS.—Payment in excess of any maximum amount provided in paragraph (2) of this subsection may be made for extended or complex representation whenever the court in which the representation was rendered, or the United States magistrate judge if the representation was furnished exclusively before him, certifies that the amount of the excess payment is necessary to provide fair compensation and the payment is approved by the chief judge of the circuit. The chief judge of the circuit may delegate such approval authority to an active or senior circuit judge.

(4) DISCLOSURE OF FEES.—

(A) IN GENERAL.—Subject to subparagraphs (B) through (E), the amounts paid under this subsection for services in any case shall be made available to the public by the court upon the court's approval of the payment.

(B) PRE-TRIAL OR TRIAL IN PROGRESS.—If a trial is in pre-trial status or still in progress and after considering the defendant's interests as set forth in subparagraph (D), the court shall—

(i) redact any detailed information on the payment voucher provided by defense counsel to justify the expenses to the court; and

(ii) make public only the amounts approved for payment to defense counsel by dividing those amounts into the following categories:

- (I) Arraignment and or plea.
- (II) Bail and detention hearings.
- (III) Motions.
- (IV) Hearings.
- (V) Interviews and conferences.
- (VI) Obtaining and reviewing records.
- (VII) Legal research and brief writing.

- (VIII) Travel time.
- (IX) Investigative work.
- (X) Experts.
- (XI) Trial and appeals.
- (XII) Other.

(C) TRIAL COMPLETED.—

(i) IN GENERAL.—If a request for payment is not submitted until after the completion of the trial and subject to consideration of the defendant's interests as set forth in subparagraph (D), the court shall make available to the public an unredacted copy of the expense voucher.

(ii) PROTECTION OF THE RIGHTS OF THE DEFENDANT.—If the court determines that defendant's interests as set forth in subparagraph (D) require a limited disclosure, the court shall disclose amounts as provided in subparagraph (B).

(D) CONSIDERATIONS.—The interests referred to in subparagraphs (B) and (C) are—

(i) to protect any person's 5th amendment right against self-incrimination;

(ii) to protect the defendant's 6th amendment rights to effective assistance of counsel;

(iii) the defendant's attorney-client privilege;

(iv) the work product privilege of the defendant's counsel;

(v) the safety of any person; and

(vi) any other interest that justice may require, except that the amount of the fees shall not be considered a reason justifying any limited disclosure under section 3006A(d)(4) of title 18, United States Code.

(E) NOTICE.—The court shall provide reasonable notice of disclosure to the counsel of the defendant prior to the approval of the payments in order to allow the counsel to request redaction based on the considerations set forth in subparagraph (D). Upon completion of the trial, the court shall release unredacted copies of the vouchers provided by defense counsel to justify the expenses to the court. If there is an appeal, the court shall not release unredacted copies of the vouchers provided by defense counsel to justify the expenses to the court until such time as the appeals process is completed, unless the court determines that none of the defendant's interests set forth in subparagraph (D) will be compromised.

(F) EFFECTIVE DATE.—The amendment made by paragraph (4) shall become effective 60 days after enactment of this Act, will apply only to cases filed on or after the effective date, and shall be in effect for no longer than 24 months after the effective date.

(5) FILING CLAIMS.—A separate claim for compensation and reimbursement shall be made to the district court for representation before the United States magistrate judge and the court, and to each appellate court before which the attorney provided representation to the person involved. Each claim shall be supported by a sworn written statement specifying the time expended, services rendered, and expenses incurred while the case was pending before the United States magistrate judge and the court, and the compensation and reimbursement applied for or received in the same case

from any other source. The court shall fix the compensation and reimbursement to be paid to the attorney, *or the attorney's law firm* or to the bar association or legal aid agency or community defender organization which provided the appointed attorney. In cases where representation is furnished exclusively before a United States magistrate judge, the claim shall be submitted to him and he shall fix the compensation and reimbursement to be paid. In cases where representation is furnished other than before the United States magistrate judge, the district court, or an appellate court, claims shall be submitted to the district court which shall fix the compensation and reimbursement to be paid.

(6) NEW TRIALS.—For purposes of compensation and other payments authorized by this section, an order by a court granting a new trial shall be deemed to initiate a new case.

(7) PROCEEDINGS BEFORE APPELLATE COURTS.—If a person for whom counsel is appointed under this section appeals to an appellate court or petitions for a writ of certiorari, he may do so without prepayment of fees and costs or security therefor and without filing the affidavit required by section 1915(a) of title 28.

(e) SERVICES OTHER THAN COUNSEL.—(1) UPON REQUEST.—Counsel for a person who is financially unable to obtain investigative, expert, or other services necessary for adequate representation may request them in an ex parte application. Upon finding, after appropriate inquiry in an ex parte proceeding, that the services are necessary and that the person is financially unable to obtain them, the court, or the United States magistrate judge if the services are required in connection with a matter over which he has jurisdiction, shall authorize counsel to obtain the services.

(2) WITHOUT PRIOR REQUEST.—(A) Counsel appointed under this section may obtain, subject to later review, investigative, expert, and other services without prior authorization if necessary for adequate representation. Except as provided in subparagraph (B) of this paragraph, the total cost of services obtained without prior authorization may not exceed \$800 and expenses reasonably incurred.

(B) The court, or the United States magistrate judge (if the services were rendered in a case disposed of entirely before the United States magistrate judge), may, in the interest of justice, and upon the finding that timely procurement of necessary services could not await prior authorization, approve payment for such services after they have been obtained, even if the cost of such services exceeds \$800.

(3) MAXIMUM AMOUNTS.—Compensation to be paid to a person for services rendered by him to a person under this subsection, or to be paid to an organization for services rendered by an employee thereof, shall not exceed \$2,400, exclusive of reimbursement for expenses reasonably incurred, unless payment in excess of that limit is certified by the court, or by the United States magistrate judge if the services were rendered in connection with a case disposed of entirely before him, as necessary to provide fair compensation for services of an unusual character or duration, and the amount of the excess payment is approved by the chief judge of the circuit. The chief judge of the circuit may delegate such approval authority to an active or senior circuit judge.

(4) DISCLOSURE OF FEES.—The amounts paid under this subsection for services in any case shall be made available to the public.

(5) The dollar amounts provided in paragraphs (2) and (3) shall be adjusted simultaneously by an amount, rounded to the nearest multiple of \$100, equal to the percentage of the cumulative adjustments taking effect under section 5303 of title 5 in the rates of pay under the General Schedule since the date the dollar amounts provided in paragraphs (2) and (3), respectively, were last enacted or adjusted by statute.

(f) RECEIPT OF OTHER PAYMENTS.—Whenever the United States magistrate judge or the court finds that funds are available for payment from or on behalf of a person furnished representation, it may authorize or direct that such funds be paid to the appointed attorney, or the attorney's law firm, to the bar association or legal aid agency or community defender organization which provided the appointed attorney, to any person or organization authorized pursuant to subsection (e) to render investigative, expert, or other services, or to the court for deposit in the Treasury as a reimbursement to the appropriation, current at the time of payment, to carry out the provisions of this section. Except as so authorized or directed, no such person or organization may request or accept any payment or promise of payment for representing a defendant.

(g) DEFENDER ORGANIZATION.—(1) QUALIFICATIONS.—A district or a part of a district in which at least two hundred persons annually require the appointment of counsel may establish a defender organization as provided for either under subparagraphs (A) or (B) of paragraph (2) of this subsection or both. Two adjacent districts or parts of districts may aggregate the number of persons required to be represented to establish eligibility for a defender organization to serve both areas. In the event that adjacent districts or parts of districts are located in different circuits, the plan for furnishing representation shall be approved by the judicial council of each circuit.

(2) TYPES OF DEFENDER ORGANIZATIONS.—(A) FEDERAL PUBLIC DEFENDER ORGANIZATION.—A Federal Public Defender Organization shall consist of one or more full-time salaried attorneys. An organization for a district or part of a district or two adjacent districts or parts of districts shall be supervised by a Federal Public Defender appointed by the court of appeals of the circuit, without regard to the provisions of title 5 governing appointments in the competitive service, after considering recommendations from the district court or courts to be served. Nothing contained herein shall be deemed to authorize more than one Federal Public Defender within a single judicial district. The Federal Public Defender shall be appointed for a term of four years, unless sooner removed by the court of appeals of the circuit for incompetency, misconduct in office, or neglect of duty. Upon the expiration of his term, a Federal Public Defender may, by a majority vote of the judges of the court of appeals, continue to perform the duties of his office until his successor is appointed, or until one year after the expiration of such Defender's term, whichever is earlier. The compensation of the Federal Public Defender shall be fixed by the court of appeals of the circuit at a rate not to exceed the compensation received by the United States attorney for the district where representation is fur-

nished or, if two districts or parts of districts are involved, the compensation of the higher paid United States attorney of the districts. The Federal Public Defender may appoint, without regard to the provisions of title 5 governing appointments in the competitive service, full-time attorneys in such number as may be approved by the court of appeals of the circuit and other personnel in such number as may be approved by the Director of the Administrative Office of the United States Courts. Compensation paid to such attorneys and other personnel of the organization shall be fixed by the Federal Public Defender at a rate not to exceed that paid to attorneys and other personnel of similar qualifications and experience in the Office of the United States attorney in the district where representation is furnished or, if two districts or parts of districts are involved, the higher compensation paid to persons of similar qualifications and experience in the districts. Neither the Federal Public Defender nor any attorney so appointed by him may engage in the private practice of law. Each organization shall submit to the Director of the Administrative Office of the United States Courts, at the time and in the form prescribed by him, reports of its activities and financial position and its proposed budget. The Director of the Administrative Office shall submit, in accordance with section 605 of title 28, a budget for each organization for each fiscal year and shall out of the appropriations therefor make payments to and on behalf of each organization. Payments under this subparagraph to an organization shall be in lieu of payments under subsection (d) or (e).

(B) COMMUNITY DEFENDER ORGANIZATION.—A Community Defender Organization shall be a non-profit defense counsel service established and administered by any group authorized by the plan to provide representation. The organization shall be eligible to furnish attorneys and receive payments under this section if its by-laws are set forth in the plan of the district or districts in which it will serve. Each organization shall submit to the Judicial Conference of the United States an annual report setting forth its activities and financial position and the anticipated caseload and expenses for the next fiscal year. Upon application an organization may, to the extent approved by the Judicial Conference of the United States:

- (i) receive an initial grant for expenses necessary to establish the organization; and
- (ii) in lieu of payments under subsection (d) or (e), receive periodic sustaining grants to provide representation and other expenses pursuant to this section.

(3) MALPRACTICE AND NEGLIGENCE SUITS.—The Director of the Administrative Office of the United States Courts shall, to the extent the Director considers appropriate, provide representation for and hold harmless, or provide liability insurance for, any person who is an officer or employee of a Federal Public Defender Organization established under this subsection, or a Community Defender Organization established under this subsection which is receiving periodic sustaining grants, for money damages for injury, loss of liberty, loss of property, or personal injury or death arising from malpractice or negligence of any such officer or employee in furnishing representational services under this section while acting within the scope of that person's office or employment.

(h) **RULES AND REPORTS.**—Each district court and court of appeals of a circuit shall submit a report on the appointment of counsel within its jurisdiction to the Administrative Office of the United States Courts in such form and at such times as the Judicial Conference of the United States may specify. The Judicial Conference of the United States may, from time to time, issue rules and regulations governing the operation of plans formulated under this section.

(i) **APPROPRIATIONS.**—There are authorized to be appropriated to the United States courts, out of any money in the Treasury not otherwise appropriated, sums necessary to carry out the provisions of this section, including funds for the continuing education and training of persons providing representational services under this section. When so specified in appropriation acts, such appropriations shall remain available until expended. Payments from such appropriations shall be made under the supervision of the Director of the Administrative Office of the United States Courts.

(j) **DISTRICTS INCLUDED.**—As used in this section, the term “district court” means each district court of the United States created by chapter 5 of title 28, the District Court of the Virgin Islands, the District Court for the Northern Mariana Islands, and the District Court of Guam.

(k) **APPLICABILITY IN THE DISTRICT OF COLUMBIA.**—The provisions of this section shall apply in the United States District Court for the District of Columbia and the United States Court of Appeals for the District of Columbia Circuit. The provisions of this section shall not apply to the Superior Court of the District of Columbia and the District of Columbia Court of Appeals.

(a) EXCLUSION FOR MERCHANTS, RETAILERS, AND OTHER SELLERS OF NONFINANCIAL GOODS OR SERVICES.—

(1) SALE OR BROKERAGE OF NONFINANCIAL GOOD OR SERVICE.—The Bureau may not exercise any rulemaking, supervisory, enforcement or other authority under this title with respect to a person who is a merchant, retailer, or seller of any nonfinancial good or service and is engaged in the sale or brokerage of such nonfinancial good or service, except to the extent that such person is engaged in offering or providing any consumer financial product or service, or is otherwise subject to any enumerated consumer law or any law for which authorities are transferred under subtitle F or H.

(2) OFFERING OR PROVISION OF CERTAIN CONSUMER FINANCIAL PRODUCTS OR SERVICES IN CONNECTION WITH THE SALE OR BROKERAGE OF NONFINANCIAL GOOD OR SERVICE.—

(A) IN GENERAL.—Except as provided in subparagraph (B), and subject to subparagraph (C), the Bureau may not exercise any rulemaking, supervisory, enforcement, or other authority under this title with respect to a merchant, retailer, or seller of nonfinancial goods or services, but only to the extent that such person—

(i) extends credit directly to a consumer, in a case in which the good or service being provided is not itself a consumer financial product or service (other

than credit described in this subparagraph), exclusively for the purpose of enabling that consumer to purchase such nonfinancial good or service directly from the merchant, retailer, or seller;

(ii) directly, or through an agreement with another person, collects debt arising from credit extended as described in clause (i); or

(iii) sells or conveys debt described in clause (i) that is delinquent or otherwise in default.

(B) APPLICABILITY.—Subparagraph (A) does not apply to any credit transaction or collection of debt, other than as described in subparagraph (C)(i), arising from a transaction described in subparagraph (A)—

(ii) in which the credit extended significantly exceeds the market value of the nonfinancial good or service provided, or the Bureau otherwise finds that the sale of the nonfinancial good or service is done as a subterfuge, so as to evade or circumvent the provisions of this title; or

(iii) in which the merchant, retailer, or seller of nonfinancial goods or services regularly extends credit and the credit is subject to a finance charge.

(III) meets the relevant industry size threshold to be a small business concern, based on annual receipts, pursuant to section 3 of the Small Business Act (15 U.S.C. 632) and the implementing rules thereunder.

(iii) **INITIAL YEAR.**—A merchant, retailer, or seller of nonfinancial goods or services shall be deemed to meet the relevant industry size threshold described in clause (ii)(III) during the first year of operations of that business concern if, during that year, the receipts of that business concern reasonably are expected to meet that size threshold.

(iv) **OTHER STANDARDS FOR SMALL BUSINESS.**—With respect to a merchant, retailer, or seller of nonfinancial goods or services that is classified on a basis other than annual receipts for the purposes of section 3 of the Small Business Act (15 U.S.C. 632) and the implementing rules thereunder, such merchant, retailer, or seller shall be deemed to meet the relevant industry size threshold described in clause (ii)(III) if such merchant, retailer, or seller meets the relevant industry size threshold to be a small business concern based on the number of employees, or other such applicable measure, established under that Act.

(E) **EXCEPTION FROM STATE ENFORCEMENT.**—To the extent that the Bureau may not exercise authority under this subsection with respect to a merchant, retailer, or seller of nonfinancial goods or services, no action by a State attorney general or State regulator with respect to a claim made under this title may be brought under subsection 1042(a), with respect to an activity described in any of clauses (i) through (iii) of subparagraph (A) by such merchant, retailer, or seller of nonfinancial goods or services.

(1) **REGULATORY AUTHORITY OVER INTERCHANGE TRANSACTION FEES.**—The Board may prescribe regulations, pursuant to section 553 of title 5, United States Code, regarding any interchange transaction fee that an issuer may receive or charge with respect to an electronic debit transaction, to implement this subsection (including related definitions), and to prevent circumvention or evasion of this subsection.

(2) **REASONABLE INTERCHANGE TRANSACTION FEES.**—The amount of any interchange transaction fee that an issuer may receive or charge with respect to an electronic debit transaction shall be reasonable and proportional to the cost incurred by the issuer with respect to the transaction.

(3) **RULEMAKING REQUIRED.**—

(A) **IN GENERAL.**—The Board shall prescribe regulations in final form not later than 9 months after the date of enactment of the Consumer Financial Protection Act of 2010, to establish standards for assessing whether the amount of any interchange transaction fee described in paragraph (2) is reasonable and proportional to the cost incurred by the issuer with respect to the transaction.

(B) **INFORMATION COLLECTION.**—The Board may require any issuer (or agent of an issuer) or payment card network to provide the Board with such information as may be necessary to carry out the provisions of this subsection and the Board, in issuing rules under subparagraph (A) and on at least a bi-annual basis thereafter, shall disclose such aggregate or summary information concerning the costs incurred, and interchange transaction fees charged or re-

ceived, by issuers or payment card networks in connection with the authorization, clearance or settlement of electronic debit transactions as the Board considers appropriate and in the public interest.

(4) CONSIDERATIONS; CONSULTATION.—In prescribing regulations under paragraph (3)(A), the Board shall—

(5) ADJUSTMENTS TO INTERCHANGE TRANSACTION FEES FOR FRAUD PREVENTION COSTS.—

(A) ADJUSTMENTS.—The Board may allow for an adjustment to the fee amount received or charged by an issuer under paragraph (2), if—

(ii) the issuer complies with the fraud-related standards established by the Board under subparagraph (B), which standards shall—

(I) be designed to ensure that any fraud-related adjustment of the issuer is limited to the amount described in clause (i) and takes into account any fraud-related reimbursements (including amounts from charge-backs) received from consumers, merchants, or payment card networks in relation to electronic debit transactions involving the issuer; and

(II) require issuers to take effective steps to reduce the occurrence of, and costs from, fraud in relation to electronic debit transactions, including through the development and implementation of cost-effective fraud prevention technology.

(d) For purposes of subsection (b), the term “condominium unit” means a unit of residential or commercial property to be designated for separate ownership pursuant to a condominium plan or declaration provided that upon conveyance—

TAKING EFFECT OF STATEMENTS OF RECORD AND AMENDMENTS
THERE TO

SEC. 1407. (a) Except as hereinafter provided, the effective date of a statement of record, or any amendment thereto, shall be the thirtieth day after the filing thereof or such earlier date as the **[Director] Bureau** may determine, having due regard to the public interest and the protection of purchaser. If any amendment to any such statement is filed prior to the effective date of the statement, the statement shall be deemed to have been filed when such amendment was filed; except that such an amendment filed with the consent of the Secretary, or filed pursuant to an order of the **[Director] Bureau**, shall be treated as being filed as of the date of the filing of the statement of record. When a developer records additional lands to be offered for disposition, he may consolidate the subsequent statement of record with any earlier recording offering subdivided land for disposition under the same promotional plan. At the time of consolidation the developer shall include in the consolidated statement of record any material changes in the information contained in the earlier statement.

(b) If it appears to the **[Director] Bureau** that a statement of record, or any amendment thereto, is on its face incomplete or inaccurate in any material respect, the **[Director] Bureau** shall so advise the developer within a reasonable time after the filing of the statement or the amendment, but prior to the date the statement or amendment would otherwise be effective. Such notification shall serve to suspend the effective date of the statement or the amendment until thirty days after the developer files such additional information as the **[Director] Bureau** shall require. Any developer, upon receipt of such notice, may request a hearing, and such hearing shall be held within twenty days of receipt of such request by the **[Director] Bureau**.

(c) If, at any time subsequent to the effective date of a statement or record, a change shall occur affecting any material fact required to be contained in the statement, the developer shall promptly file an amendment thereto. Upon receipt of any such amendment, the **[Director] Bureau** may, if **[he]** *the Bureau* determines such action to be necessary or appropriate in the public interest or for the protection of purchasers, suspend the statement of record until the amendment becomes effective.

(d) If it appears to the **[Director] Bureau** at any time that a statement of record, which is in effect, includes any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading, the **[Director] Bureau** may, after notice, and after opportunity for hearing (at a time fixed by the **[Director] Bureau**) within fifteen days after such notice, issue an order suspending the statement of record. When such statement has been amended in ac-

cordance with such order, the **[Director] Bureau** shall so declare and thereupon the order shall cease to be effective.

(e) The **[Director] Bureau** is hereby empowered to make an examination in any case to determine whether an order should issue under subsection (d). In making such examination, the **[Director or anyone designated by him] Bureau** shall have access to and may demand the production of any books and papers of, and may administer oaths and affirmations to and examine, the developer, any agents, or any other person, in respect of any matter relevant to the examination. If the developer or any agents shall fail to cooperate, or shall obstruct or refuse to permit the making of an examination, such conduct shall be proper ground for the issuance of an order suspending the statement of record.

(f) Any notice required under this section shall be sent to or served on the developer or his authorized agent.

INFORMATION REQUIRED IN PROPERTY REPORT

SEC. 1408. (a) A property report relating to the lots in a subdivision shall contain such of the information contained in the statement of record, and any amendments thereto, as the **[Director] Bureau** may deem necessary, but need not include the documents referred to in paragraphs (7) to (11), inclusive, of section 1406. A property report shall also contain such other information as the **[Director] Bureau** may by rules or regulations require as being necessary or appropriate in the public interest or for the protection of purchasers.

(b) The property report shall not be used for any promotional purposes before the statement of record becomes effective and then only if it is used in its entirety. No person may advertise or represent that the **[Director] Bureau** approves or recommends the subdivision or the sale or lease of lots therein. No portion of the property report shall be underscored, italicized, or printed in larger, or bolder type than the balance of the statement unless the **[Director] Bureau** requires or permits it.

CERTIFICATION OF SUBSTANTIALLY EQUIVALENT STATE LAW

SEC. 1409. (a)(1) A State shall be certified if the **[Director] Bureau** determines—

(A) that, when taken as a whole, the laws and regulations of the State applicable to the sale or lease of lots not exempt under section 1403 require the seller or lessor of such lots to disclose information which is at least substantially equivalent to the information required to be disclosed by section 1408; and

(B) that the State's administration of such laws and regulations provides, to the maximum extent practicable, that such information is accurate.

(2) In the case of any State which is not certified under paragraph (1), such State shall be certified if the **[Director] Bureau** determines—

(A) that when taken as a whole, the laws and regulations of the State applicable to the sale or lease of lots not exempt under section 1403 provide sufficient protection for purchasers and lessees with respect to the matters for which information is required to be disclosed by section 1408 but which is not re-

quired to be disclosed by such State's laws and regulations; and

(B) that the State's administration of such laws and regulations provides, to the maximum extent practicable, that (i) information required to be disclosed by such laws and regulations is accurate, and (ii) sufficient protection for purchasers and lessees is made available with respect to the matters for which information is not required to be disclosed.

(3) Any State requesting certification must agree to accept a property report covering land located in another certified State but offered for sale or lease in the State requesting certification if the property report has been approved by the other certified State. Such property report shall be the only property report required by the State with respect to the sale or lease of such land.

(b) After the **[Director] Bureau** has certified a State under subsection (a), the **[Director] Bureau** shall accept for filing under sections 1405 through 1408 (and declare effective as the Federal statement of record and property report which shall be used in all States in which the lots are offered for sale or lease) disclosure materials found acceptable, and any related documentation required, by State authorities in connection with the sale or lease of lots located within the State. The **[Director] Bureau** may accept for such filing, and declare effective as the Federal statement of record and property report, such materials and documentation found acceptable by the State in connection with the sale or lease of lots located outside that State. Nothing in this subsection shall preclude the **[Director] Bureau** from exercising the authority conferred by subsections (d) and (e) of section 1407.

(c) If a State fails to meet the standards for certification pursuant to subsection (a), the **[Director] Bureau** shall notify the State in writing of the changes in State law, regulation, or administration that are needed in order to obtain certification.

(d) The **[Director] Bureau** shall periodically review the laws and regulations, and the administration thereof, of States certified under subsection (a), and may withdraw such certification upon a determination that such laws, regulations, and the administration thereof, taken as a whole, no longer meet the requirements of subsection (a).

(e) Nothing in this title may be construed to prevent or limit the authority of any State or local government to enact and enforce with regard to the sale of land any law, ordinance, or code not in conflict with this title. In administering this title, the **[Director] Bureau** shall cooperate with State authorities charged with the responsibility of regulating the sale or lease of lots which are subject to this title.

COURT REVIEW OF ORDERS

SEC. 1411. (a) Any person, aggrieved by an order or determination of the **[Director] Bureau** issued after a hearing, may obtain a review of such order or determination in the court of appeals of the United States, within any circuit wherein such person resides or has his principal place of business, or in the United States Court of Appeals for the District of Columbia, by filing in such court,

within sixty days after the entry of such order or determination, a written petition praying that the order or determination of the [Director] Bureau be modified or be set aside in whole or in part. A copy of such petition shall be forthwith transmitted by the clerk of the court to the [Director] Bureau, and thereupon the [Director] Bureau shall file in the court the record upon which the order or determination complained of was entered, as provided in section 2112 of title 28, United States Code. No objection to an order or determination of the [Director] Bureau shall be considered by the court unless such objection shall have been urged before the [Director] Bureau. The finding of the [Director] Bureau as to the facts, if supported by substantial evidence, shall be conclusive. If either party shall apply to the court for leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for failure to adduce such evidence in the hearing before the [Director] Bureau, the court may order such additional evidence to be taken before the [Director] Bureau and to be adduced upon a hearing in such manner and upon such terms and conditions as to the court may seem proper. The [Director] Bureau may modify [his findings] *the findings of the Bureau* as to the facts by reason of the additional evidence so taken, and shall file such modified or new findings, which, if supported by substantial evidence, shall be conclusive, and [his recommendation] *the recommendation of the Bureau*, if any, for the modification or setting aside of the original order. Upon the filing of such petition, the jurisdiction of the court shall be exclusive and its judgment and decree, affirming, modifying, or setting aside, in whole or in part, any order of the [Director] Bureau, shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

(b) The commencement of proceedings under subsection (a) shall not, unless specifically ordered by the court, operate as a stay of the Secretary's order.

(c) For the purpose of any such investigation, or any other proceeding under this title, [the Director, or any officer designated by him,] *the Bureau* is empowered to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memorandums, or other records which the [Director] *Bureau* deems relevant or material to the inquiry. Such attendance of witnesses and the production of any such records may be required from any place in the United States or any State at any designated place of hearing.

(d) In case of contumacy by, or refusal to obey a subpoena issued to, any person, the [Director] *Bureau* may invoke the aid of any court of the United States within the jurisdiction of which such investigation or proceeding is carried on, or where such person resides or carries on business, in requiring the attendance and testimony of witnesses and the production of books, papers, correspondence, memorandums, and other records and documents. And such court may issue an order requiring such person to appear before the [Director] *Bureau* or any officer designated by the [Director] *Bureau*, there to produce records, if so ordered, or to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by such court as a contempt thereof. All process in any such case may be served in the judicial district whereof such person is an inhabitant or wherever he may be found.

(a) The authority and responsibility for administering this title shall be in the [Director of the Bureau of Consumer Financial Protection who may delegate any of his] *Bureau of Consumer Financial Protection, which may delegate any functions, duties, and powers to employees of the Bureau of Consumer Financial Protection or to boards of such employees including functions, duties, and powers with respect to investigating, hearing, determining, ordering, or otherwise acting as to any work, business, or*

Notice shall be given of any adverse action or final disposition and such notice and the entry of any order shall be accompanied by a written statement of supporting facts and legal authority.

UNLAWFUL REPRESENTATIONS

SEC. 1417. The fact that a statement of record with respect to a subdivision has been filed or is in effect shall not be deemed a finding by the **[Director] Bureau** that the statement of record is true and accurate on its face, or be held to mean the **[Director] Bureau** has in any way passed upon the merits of, or given approval to, such subdivision. It shall be unlawful to make, or cause to be made, to any prospective purchaser any representation contrary to the foregoing.

Each violation of this title, or any rule, regulation, or order issued under this title, shall constitute a separate violation with respect to each sale or lease or offer to sell or lease. In the case of a continuing violation, as determined by the **[Director] Bureau**, each day shall constitute a separate violation.

(b) AGENCY PROCEDURES.—

(1) ESTABLISHMENT.—The **[Director] Bureau** shall establish standards and procedures governing the imposition of civil money penalties under subsection (a). The standards and procedures—

(B) may provide for review by the **[Director] Bureau** of any determination or order, or interlocutory ruling, arising from a hearing.

(2) FINAL ORDERS.—If no hearing is requested within 15 days of receipt of the notice of opportunity for hearing, the imposition of the penalty shall constitute a final and unappealable determination. If the **[Director] Bureau** reviews the determination or order, the **[Director] Bureau** may affirm, modify, or reverse that determination or order. If the **[Director] Bureau** does not review the determination or order within 90 days of the issuance of the determination or order, the determination or order shall be final.

(3) FACTORS IN DETERMINING AMOUNT OF PENALTY.—In determining the amount of a penalty under subsection (a), consideration shall be given to such factors as the gravity of the offense, any history of prior offenses (including offenses occurring before enactment of this section), ability to pay the penalty, injury to the public, benefits received, deterrence of future violations, and such other factors as the **[Director] Bureau** may determine in regulations to be appropriate.

(4) REVIEWABILITY OF IMPOSITION OF PENALTY.—The **[Secretary's determination] determination of the Bureau** or order imposing a penalty under subsection (a) shall not be subject to review, except as provided in subsection (c).

(c) JUDICIAL REVIEW OF AGENCY DETERMINATION.—

(2) ORDER TO PAY PENALTY.—Notwithstanding any other provision of law, in any such review, the court shall have the power to order payment of the penalty imposed by the **[Director] Bureau**.

(d) ACTION TO COLLECT PENALTY.—If any person fails to comply with the determination or order of the **[Director] Bureau** imposing a civil money penalty under subsection (a), after the determination or order is no longer subject to review as provided by subsections (b) and (c), the **[Director] Bureau** may request the Attorney General of the United States to bring an action in any appropriate United States district court to obtain a monetary judgment against the person and such other relief as may be available. The monetary judgment may, in the discretion of the court, include any attorneys fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary's determination or order imposing the penalty shall not be subject to review.

SEC. 1419. The [Director] *Bureau* shall have authority from time to time to make, issue, amend, and rescind such rules and regulations and such orders as are necessary or appropriate to the exercise of the functions and powers conferred upon him elsewhere in this title. For the purpose of his rules and regulations, the [Director] *Bureau* may classify persons and matters within his jurisdiction and prescribe different requirements for different classes of persons or matters.

SEC. 1420. The district courts of the United States, the United States courts of any territory, and the United States District Court for the District of Columbia shall have jurisdiction of offenses and violations under this title and under the this title and under the rules and regulations prescribed by the [Director] *Bureau* pursuant thereto, and concurrent with State courts, of all suits in equity and actions at law brought to enforce any liability or duty created by this title. Any such suit or action may be brought to enforce any liability or duty created by this title. Any such suit or action may be brought in the district where the defendant is found or is an inhabitant or transacts business, or in the district where the offer or sale took place, if the defendant participated therein, and process in such cases may be served in any other district of which the defendant is an inhabitant or wherever the defendant may be found. Judgments and decrees so rendered shall be subject to review as provided in sections 1254 and 1291 of title 28, United State Code. If at any time the [Director] *Bureau of Consumer Financial Protection* determines that the Nationwide Mortgage Licensing System and Registry is failing to meet the requirements and purposes of this title for a comprehensive licensing, supervisory, and tracking

system for loan originators, the **[Director]** *Bureau of Consumer Financial Protection* shall establish and maintain such a system to carry out the purposes of this title and the effective registration and regulation of loan originators.

(1) AUTHORITY OF [DIRECTOR] *BUREAU OF CONSUMER FINANCIAL PROTECTION*.—If the [Director] *Bureau of Consumer Financial Protection* finds, after notice and opportunity for hearing, that any person is violating, has violated, or is about to violate any provision of this title, or any regulation thereunder, with respect to a State which is subject to a licensing system established by the [Director] *Bureau of Consumer Financial Protection* under section 1508, the [Director] *Bureau of Consumer Financial Protection* may publish such findings and enter an order requiring such person, and any other person that is, was, or would be a cause of the violation, due to an act or omission the person knew or should have known would contribute to such violation, to cease and desist from committing or causing such violation and any future violation of the same provision, rule, or regulation. Such order may, in addition to requiring a person to cease and desist from committing or causing a violation, require such person to comply, or to take steps to effect compliance, with such provision or regulation, upon such terms and conditions and within such time as the [Director] *Bureau of Consumer Financial Protection* may specify in such order. Any such order may, as the [Director] *Bureau of Consumer Financial Protection* deems appropriate, require future compliance or steps to effect future compliance, either permanently or for such period of time as the [Director] *Bureau of Consumer Financial Protection* may specify, with such provision or regulation with respect to any loan originator.

cease and desist from the violation or threatened violation and to take such action to prevent the violation or threatened violation and to prevent dissipation or conversion of assets, significant harm to consumers, or substantial harm to the public interest as the **[Director]** *Bureau of Consumer Financial Protection* deems appropriate pending completion of such proceedings. Such an order shall be entered only after notice and opportunity for a hearing, unless the **[Director]** *Bureau of Consumer Financial Protection* determines that notice and hearing prior to entry would be impracticable or contrary to the public interest. A temporary order shall become effective upon service upon the respondent and, unless set aside, limited, or suspended by the **[Director]** *Bureau of Consumer Financial Protection* or a court of competent jurisdiction, shall remain effective and enforceable pending the completion of the proceedings.

1/FY23 and FY24 Request and House funding for CFTC is provided in the Agriculture, Rural Development, Food and Drug Administration and Related Agencies Appropriations Bill

DISSENTING VIEWS

The Financial Services and General Government (FSGG) bill funds critical programs that impact the lives of every American in their capacity as consumers, as investors, and as taxpayers. The bill's jurisdiction covers a diverse range of agencies including those that provide oversight and regulation of the financial and telecommunications industries, manage government buildings and infrastructure projects, and oversee the federal workforce. In addition, funding in this bill supports the operations of the White House, the Federal Judiciary, and the District of Columbia.

We appreciate Chairman Womack's efforts in assembling the Fiscal Year (FY) 2024 FSGG bill. We were pleased to cooperate with the Chairman to identify areas of common ground. However, the overwhelming share of funding decisions and policy provisions in this bill reflect an unprecedented degree of focus on partisan priorities from the Majority's side.

The bill's FY 2024 allocation is \$11.3 billion, 58 percent below the 2023 level and 64 percent below the President's budget request.

President Biden, Speaker McCarthy, and 314 House Members came together to enact a law to address the deficit. Now that agreement is not being honored because of a small but willful minority. The bill breaks this agreement by rescinding over \$13 billion in funding from the Inflation Reduction Act.

Perhaps the most egregious cut in this bill targets the IRS and its enforcement abilities. For decades, the IRS has been severely under-funded. This funding supports IRS revenue agents with the expertise necessary to conduct complex, high-income audits. Less funding means fewer agents. Meanwhile, the number of tax returns filed, and the GDP have both increased. These reckless budget and staffing cuts have caused the number of IRS audits on the wealthiest Americans to plummet.

Instead of addressing this problem, this legislation exacerbates it with a cut to IRS enforcement, protecting high-earners and corporations. Such a drastic cut has severe consequences for our government to collect the owed taxes it needs to serve the people. Cutting enforcement funding reduces revenue and increases the debt. The result is the same as simply reducing taxes on wealthy Americans—a cause Republicans have also championed. Republicans claim to be the party of fiscal responsibility. This legislation is a dereliction of that responsibility.

Other Treasury Department functions that are key to national security—the Financial Crimes Enforcement Network and the office of Terrorism and Financial Intelligence are also irresponsibly cut. We hear a great deal from the other side of the aisle talk about wanting to be “tough on China” and yet, the bill includes no funding for the Administration's efforts to restrict outbound investment in countries that threaten our national security.

This bill makes it harder to enforce the law by imposing irresponsible cuts on key regulatory agencies and resources. That includes the Federal Trade Commission (FTC), the Securities Exchange Commission (SEC), the Consumer Financial Protection Bureau, the Consumer Products Safety Commission, the Federal Communications Commission (FCC), and DC's Emergency Planning and Security Costs account. In doing so, this bill leaves Americans vulnerable to a variety of threats—from fraud and scams to dangerous products that can harm and even kill adults and children.

Additionally, the bill doesn't provide any funding for Election Assistance Commission Election Security Grants, making our elections more vulnerable to interference and tampering, about which Republicans have been so outspoken.

Another particularly irresponsible cut targets the General Services Administration (GSA), which functions as the Federal Government's developer and landlord. This includes no funding for the Technology Modernization Fund or the Electric Vehicles Fund.

The bill provides no funding for a much-needed consolidation and modernization for the headquarters of the Federal Bureau Investigations (FBI). The current FBI headquarters is in such disrepair that it constitutes a national security threat by preventing FBI employees from having access to necessary and secure facilities to do their important work protecting our nation. This project has been years in the making, and this lack of funding stalls the nation in addressing this urgently needed infrastructure improvement. Each year that project is delayed costs taxpayers \$268 million dollars and undermines FBI's mission and the safety of its employees.

Cuts to the Small Business Administration would cut off assistance and resources that help small businesses start, grow, and compete. At a time when our economy is returning following pandemic business closures, this reduction is especially irresponsible.

The bill contains numerous harmful riders on a wide range of topics. They prohibit the government from improving diversity and equality, limit our ability to combat climate change, further undermine FTC and SEC consumer protections, restrict reproductive health-care access, and interfere with the home rule authority of the District of Columbia.

The Committee adopted several additional outrageous amendments that would significantly further weaken the SEC, FTC, outbound investment review at Treasury, and home rule in the District of Columbia. One amendment adopted would permit concealed carry of firearms in the District of Columbia and on public transportation.

In an effort to improve the bill, Rep. Pocan offered an amendment to strike a provision that would prohibit the IRS from developing a free electronic filing software for all Americans.

Rep. Torres offered an amendment to strike these harmful provisions and protect a woman's right to make legal and private health choices without government interference. By opposing adoption of this amendment, the Republican Majority continued its hypocritical allegiance to limited government, until it concerns a women's right to choose.

Rep. Aguilar offered an amendment, which was not adopted, to make sure that Dreamers, certain non-criminal immigrants that

entered the country as children and remain without U.S. citizenship, can lend their talents to the Federal workforce.

These poison-pill riders are utterly unnecessary and make completing the appropriations process much more difficult.

In a rare instance of bipartisanship, Committee Members on both sides of the aisle united to defeat an amendment which would have rescinded all the unobligated funding for the new consolidated FBI Headquarters.

All across the bill, these unwise cuts will reduce the ability of the government to effectively protect consumers and investors and investigate tax cheats and collect revenues. Overall, the proposed spending reductions are not fiscally responsible since they will actually increase costs in the future through reduced revenue and diminished enforcement. As a consequence, we are gravely concerned that the bill fails to make the necessary investments to confront the challenges facing this nation. Of equal concern are the reckless and ill-advised policy riders that do not belong on an appropriations bill. Many of these provisions threaten to impose even greater damage to the nation's democratic principles and core financial infrastructure.
