I. PURPOSE AND BILL SUMMARY

H.R. 4666 was introduced by Rep. Aaron Bean (R-FL) and Rep. Kweisi Mfume (D-MD) on July 17, 2023. The purpose of H.R. 4666 is to require the Inspector General of the Small Business Administration to submit a quarterly report to Congress for two years

which provides updated information concerning the ongoing fraud investigations of Paycheck Protection Program (PPP) loans and COVID-19 Economic Injury Disaster Loans (EIDL).

II. NEED FOR LEGISLATION

H.R. 4666 requires the Office of the Inspector General (OIG) of the SBA submit a report to Congress every quarter for two years which provides updated information concerning the ongoing fraud investigations of PPP loans and COVID-19 EIDLs. Specifically, the report must include the total dollar amount of all covered loans that were made, the number of both new fraud cases and suspected fraud cases, the type of fraud identified in those cases, and the number of fraud cases resolved to date.

According to the SBA OIG White Paper Report 23-09, *COVID-19 Pandemic EIDL and PPP Loan Fraud Landscape*, an estimated \$200 billion in potentially fraudulent COVID-19 EIDLs and PPP loans were disbursed by the SBA.¹ As the OIG continues working on the tens of thousands of investigative leads on alleged fraud, waste, and abuse of taxpayer resources, it is important for Congress to be kept apprised of the extent of the fraud and the progress in resolving ongoing cases.

III. HEARINGS

In the 118th Congress, the Committee held one hearing examining the issues covered in H.R. 4666. On July 13, 2023, during the Full Committee hearing, “Stolen Taxpayer Funds: Reviewing the SBA and OIG Reports of Fraud in Pandemic Lending Programs,” the Committee examined two recent and contradicting reports that exposed fraud in the COVID-19 pandemic lending programs. The SBA OIG report concluded the SBA disbursed more than \$200 billion in potentially fraudulent loans through pandemic relief programs, while the SBA reported the fraud in these programs is closer to \$36 billion.

In addition to the discrepancy of more than \$160 billion in fraud between the two reports, the Inspector General testified that he is committed to keeping the House Committee on Small Business updated amid the more than 100 years of investigative casework required to look into the over 90,000 actionable leads from hotline complaints that they received.

IV. COMMITTEE CONSIDERATION

The Committee on Small Business met in open session, with a quorum being present, on July 18, 2023, and ordered H.R. 4666 reported to the House of Representatives. During the markup, no amendments were offered.

V. COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto. The Committee voted to favorably report H.R. 4666 to the House of Representatives at 11:00 AM.
