## I. PURPOSE AND BILL SUMMARY

On September 13, 2023, Rep. Scholten, along with Representatives Luetkemeyer, Velázquez, and Tenney, introduced H.R. 5424. The purpose of H.R. 5424, the Main Street Competes Act, is to require the Small Business Administration (SBA) to study and report on the extent that existing antitrust enforcement laws and regulations protect small businesses' ability to compete.

Specifically, the Department of Justice (DOJ) and the Federal Trade Commission (FTC) must issue a report to the SBA's Office of Advocacy (Advocacy) on how antitrust laws are being enforced to deter and remedy anticompetitive conduct that hurts small businesses. Advocacy must then evaluate these reports and submit a subsequent report to Congress.

## II. NEED FOR LEGISLATION

Currently, the SBA does not study the impact of anticompetitive behavior on small businesses. Consolidation in industries ranging from technology to agriculture has caused the market to be increasingly dominated by big companies. Small businesses deserve an advocate to ensure that they can remain economically competitive.

## III. HEARINGS

In the 118th Congress, the Committee held one hearing examining the issues covered in H.R. 5424. On September 13, 2023, the Subcommittee on Economic Growth, Tax, and Capital Access held a hearing titled "Enabling Success: Examining the Competitive Landscape for Small Businesses." During the hearing, witnesses testified to the challenges small businesses are facing in today's regulatory and legal landscape. Further, the hearing discussed how the current landscape poses a challenge for small businesses to remain competitive against their larger competitors.

## IV. COMMITTEE CONSIDERATION

The Committee on Small Business met in open session, with a quorum being present, on September 14, 2023, and ordered H.R. 5424 reported favorably to the House of Representatives. During the markup no amendments were offered.

## V. COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto. The Committee voted to favorably report H.R. 5424 to the House of Representatives at 11:38 AM.

*Section 2. Congressional Declaration of Small Business Economic Policy*

*Section 3. State of small business*

This section requires the DOJ and FTC to report to Advocacy on how antitrust laws are being enforced to deter and remedy anti-competitive conduct that hurts small businesses. It further requires the Chief Counsel for Advocacy to submit a summary of these reports to Congress.

## VII. CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

Pursuant to clause 3(d)(1) of House rule XIII, the Committee adopts as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974. The Committee has requested but not received from the Director of the Congressional Budget Office a cost estimate for the Committee's provisions. Once available, the cost estimate will be published in the Congressional Record.

## VIII. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

Pursuant to clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a)(I) of the Congressional Budget Act of 1974, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. While the Committee has not received an estimate of new budget authority contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to Sec. 402 of the Congressional Budget Act of 1974, the Committee does not believe that there will be any additional costs attributable to this legislation. H.R. 5424 does not direct new spending, but instead reallocates funding independently authorized and appropriated.

## IX. OVERSIGHT FINDINGS &amp; RECOMMENDATIONS

In accordance with clause 3(c)(1) of rule XIII and clause 2(b)(1) of rule X of the Rules of the House of Representatives, the oversight findings and recommendations of the Committee on Small Business with respect to the subject matter contained in H.R. 5424 are incorporated into the descriptive portions of this report.

## X. PERFORMANCE GOALS AND OBJECTIVES

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the performance goals and objectives of H.R. 5424 are to require annual reports from the DOJ and FTC on how antitrust laws are being enforced to deter and remedy anticompetitive behavior that hurts small businesses. Advocacy must then issue a report summarizing and evaluating how effective agencies were in enforcing antitrust measures during the previous fiscal year.

## XI. STATEMENT OF DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, no provision of H.R. 5424 is known to be duplicative of another Federal program, including any program that was included in a report to Congress pursuant to section 21 of Public Law 111–139 or the most recent Catalog of Federal Domestic Assistance.

## XII. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee finds that the bill does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of rule XXI of the Rules of the House of Representatives.

## XVIII. MINORITY VIEWS

The minority supports H.R. 5424, the Main Street Competes Act of 2023. A competitive business environment is the lifeblood of a thriving free enterprise economy, spurring innovation, driving productivity, and fostering consumer choice at fair prices. America's main street businesses are a critical component of our economy, and their success hinges on a competitive marketplace. Unfortunately, this competitive landscape has been eroded for decades, as large companies have broadly consolidated much of the economy. Federal antitrust laws are critical tools protecting the competitive environment, but their limited use in recent decades has contributed to the ongoing concentration of industries.

The SBA's Office of Advocacy has a broad mandate to advocate for small businesses within the federal government. Its primary functions include the requirement to "recommend specific measures for creating an environment in which all businesses will have the opportunity to compete effectively and expand to their full potential." Given its mandate, it is uniquely positioned to work with antitrust enforcement bodies like the Federal Trade Commission (FTC) and the Department of Justice (DOJ). While these agencies have the power to enforce these laws, they may have the direct input from small businesses necessary to make important decisions on enforcement action. By fostering collaboration between these enforcement agencies and the Office of Advocacy, Congress can ensure the input of small businesses are considered and reaffirm the Office of Advocacy's commitment to being the voice for small businesses within the federal government.

The Committee has heard testimony on numerous occasions about the importance of antitrust enforcement when it comes to supporting main street. For instance, in March 2022, the Committee held a hearing called, "Competition and the Small Business Landscape: Fair Competition and a Level Playing Field," in which members heard from experts about the value of antitrust for small businesses.

Sincerely,
