PURPOSE AND SUMMARY

Introduced on April 24, 2023, by Representative Maxine Waters, H.R. 2796, the *Promoting Opportunities for Non-Traditional Capital Formation Act*, would amend the Securities Exchange Act of 1934 to require the Advocate for Small Business Capital Formation to provide educational resources and host events to promote capital-raising options for underrepresented small businesses and businesses in rural areas.

BACKGROUND AND NEED FOR LEGISLATION

The bipartisan *SEC Small Business Advocate Act of 2016* established the Office of the Advocate for Small Business Capital Formation (the Advocate). It is intended to advance the interests of small businesses and their investors at the SEC and throughout U.S. capital markets. The SEC formally stood up the Advocate in 2019. Since then, the Office has supported the interests of early-stage startups raising initial capital, later-stage private companies whose founders seek liquidity, and smaller public companies. This bill would help address disparities in capital raising faced by underserved entrepreneurs and those from overlooked parts of the country by expanding the role of the Advocate. By requiring the Advocate to provide educational resources and host events to promote capital-raising options for underserved entrepreneurs, this bill will assist entrepreneurs throughout the entire country in utilizing the capital-raising provisions within our securities laws best suited for their needs and circumstances.

COMMITTEE OVERSIGHT FINDINGS

Pursuant to clause 3(c) of rule XIII of the Rules of the House of Representatives, the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated in the descriptive portions of this report.

PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the goal of H.R. 2796 is to amend the *Securities Exchange Act of 1934* to require the Advocate to provide educational resources and host events to promote capital-raising options for underrepresented small businesses and businesses in rural areas.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee adopts as its own the estimate of new budget authority, entitlement authority, or tax expenditures or revenues contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1973.

CONGRESSIONAL BUDGET OFFICE ESTIMATES

Pursuant to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, the following is the cost estimate provided by the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974:

H.R. 2796 would require the Office of the Advocate for Small Business Capital Formation within the Securities and Exchange Commission (SEC) to create educational resources and host events for underrepresented, rural, and disaster-affected small businesses.

The bill also would require the office to meet annually with state securities commissions to discuss ways to assist small businesses and small business investors. In 2023, the SEC allocated \$5 million to the office to support 11 employees.

Using information about costs at the SEC, CBO estimates that implementing H.R. 2796 would cost \$2 million over the 2023–2028 period. That amount would support one additional employee at a cost of \$300,000 annually as well as travel and event costs. Because the SEC is authorized to collect fees each year to offset its annual appropriation, CBO expects that the net effect on discretionary spending over the 2023–2028 period would be negligible, assuming appropriation actions consistent with that authority.

If the SEC increases fees to offset the costs associated with implementing the bill, H.R. 2796 would increase the cost of an existing mandate on private entities required to pay those assessments. CBO estimates that the incremental cost of the mandate would be small and would fall well below the annual threshold for private-sector mandates established in the Unfunded Mandates Reform Act (UMRA, \$198 million in 2023, adjusted annually for inflation).

H.R. 2796 contains no intergovernmental mandates as defined in UMRA.

The CBO staff contacts for this estimate are David Hughes (for federal costs) and Rachel Austin (for mandates). The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.

PHILLIP L. SWAGEL,
Director, Congressional Budget Office.

FEDERAL MANDATES STATEMENT

This information is provided in accordance with section 423 of the *Unfunded Mandates Reform Act of 1995*.

Per the estimate from CBO, H.R. 2796 could increase the cost of an existing mandate on private entities if the SEC increased costs to implement the bill. However, this increase would still fall below the annual threshold for private-sector mandates as defined in the *Unfunded Mandates Reform Act*.

The Committee has determined that the bill does not impose a Federal intergovernmental mandate on State, local, or tribal governments.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

EARMARK IDENTIFICATION

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee has carefully reviewed the pro-

visions of the bill and states that the provisions of the bill do not contain any congressional earmarks, limited tax benefits, or limited tariff benefits within the meaning of the rule.

DUPLICATION OF FEDERAL PROGRAMS

In compliance with clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee states that no provision of the bill establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, including any program that was included in a report to Congress pursuant to section 21 of the Public Law 111–139 or the most recent Catalog of Federal Domestic Assistance.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION
