I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 1606, the “Veteran Entrepreneurship Training Act of 2023” is to codify the Boots to Business Program, and

for other purposes. This bill amends Section 32 of the Small Business Act by adding a new subsection authorizing the Boots to Business Program for 5 years.

The bill updates the definition of Members of the Armed Forces and sets goals for the program, which include in-depth training for servicemembers interested in owning a business, and development of tools to identify opportunities, draft business plans, identify sources of capital, connect with local resources for small businesses, and launch the business. This bill delineates the program components including an in-person entrepreneurship program.

It also gives the Small Business Administration (SBA) the authority to collaborate with public and private entities to develop the curricula, ensures Veterans Business Outreach Centers regularly participate in the program, and to the reasonable maximum extent, allows the participation of other resource partners as well.

The bill facilitates the sharing of course and outreach materials with the Secretary of Defense for inclusion in DOD websites, manuals, and other materials related to the Transition Assistance Program (TAP) and the Secretary of Veterans Affairs for distribution and display at local VA facilities.

The bill requires the SBA Administrator to provide a report to the Committee on Small Business and Entrepreneurship of the Senate and the Committee on Small Business of the House of Representatives within 180 days after enactment of the legislation and annually thereafter. The report will evaluate the performance and effectiveness of the Boots to Business program.

II. NEED FOR LEGISLATION

The Veterans Business Outreach Center (VBOC) program provides free counseling, training, and resource partner referrals to eligible service members, veterans, National Guard and Reserve members, and military spouses.

One of the primary responsibilities of VBOC is to administer the Boots to Business (B2B) program. B2B is an entrepreneurial education and training program offered by SBA as part of the Department of Defense's TAP. B2B provides participants with an overview of business ownership and is open to transitioning service members (including National Guard and Reserve) and their spouses.

Initially launched as a pilot initiative in 2012, B2B curriculum focuses on the key steps for evaluating business concepts and provides the foundational knowledge to develop a business plan. In addition, participants connect with SBA resources, including information on access to capital, counseling, training, and contracting opportunities.

In FY 2018, nearly 17,200 veterans, servicemembers, and military spouses stationed at military installations nationwide participated in the two-day course.

The National Defense Authorization Act of FY 2019 requires servicemembers participating in TAP to enroll in one of three capstone classes, which include: Accessing Higher Education, Career and Technical Training, and Entrepreneurship (B2B). It is expected that this new requirement will significantly increase the number of servicemembers who participate in B2B program.

III. HEARINGS

In the 118th Congress, the Committee on Small Business (the Committee) held one hearing examining the issues covered in H.R. 1606 on May 24, 2023, at 2:00 p.m. titled “*Saluting Service: Supporting Veteran Owned Small Businesses.*” Members and witnesses discussed efforts to improve service member transition from the military to civilian life. One witness who transitioned from the military while Boots to Business was available noted she found the program helpful.

Subsection (2) Establishment. The SBA will carry out the Boots to Business program until September 30, 2028.

Subsection (3) Goals. This section states the Boots to Business program aims to provide covered individuals with tools critical to small business ownership.

Subsection (4) Program Components. This subsection outlines the program components. The program may contain a presentation on small business ownership, online business courses, in-person instruction on foundations of small business ownership and self-employment, and in-depth training online on creating a business plan. The SBA may collaborate with public and private entities in developing the program and modify its components in coordinating with those participating in Warriors in Transition program.

It requires the SBA to ensure Veterans Business Outreach Centers (VBOC) participate in Boots to Business and use district offices and resource partners to the maximum extent practicable. It also allows SBA to make grants to VBOC, and resource partners, or other entities to carry out Boots to Business.

This section requires SBA to provide Boots to Business information to the Secretaries of DoD and Department of Labor for inclusion on their websites related to TAP, in the TAP manual, and in other manuals those Secretaries determine as necessary. It also requires the SBA to consult with VA Secretary to provide for distribution on VA’s website and at VA facilities Boots to Business information that at minimum includes a description of the program and services provided, and eligibility requirements.

Finally, this section requires SBA to, upon request, share Boots to Business information to agencies that participate in TAP.

VII. CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

Pursuant to 3(c)(3) of rule XIII of the Rules of the House of Representatives, the Committee adopts as its as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

H.R. 1606, Veteran Entrepreneurship Training Act of 2023			
As ordered reported by the House Committee on Small Business on May 23, 2023			
By Fiscal Year, Millions of Dollars	2023	2023-2028	2023-2033

H.R. 1606 would authorize the Small Business Administration (SBA) to carry out the Boots to Business (B2B) Program over the 2023-2028 period. That program, which the SBA operates under authorities provided in Public Law 93-237, provides entrepreneurship training to members of the Armed Forces (including the National Guard or Reserves), veterans, and the spouses or dependents of those people. The legislation would authorize the SBA to make grants to Veteran Business Outreach Centers and to collaborate with public and private entities to develop training courses, which it does under its current program. H.R. 1606 also would require the SBA to share B2B program information with other veterans' agencies and to submit annual program reports to the Congress.

CBO estimates that implementing the new requirement in H.R. 1606 to share information would cost less than \$500,000 over the 2023-2028 period, primarily for additional reporting requirements; any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is David Hughes. The estimate was reviewed by Theresa Gullo, Deputy Director of Budget Analysis.

PHILLIP L. SWAGEL,
Director, Congressional Budget Office.

VIII. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

Pursuant to clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a)(I) of the Congressional Budget Act of 1974, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. H.R. 1606 does not direct new spending, but instead reallocates funding independently authorized and appropriated.

IX. OVERSIGHT FINDINGS & RECOMMENDATIONS

In accordance with clause 3(c)(1) of rule XIII and clause 2(b)(1) of rule X of the Rules of the House of Representatives, the oversight findings and recommendations of the Committee with respect to the subject matter contained in the H.R. 1606 are incorporated into the descriptive portions of this report.

The bill requires an annual report (after an initial report no later than 180 days), to the Committee on Small Business of the House and the Small Business and Entrepreneurship of the Senate on the performance and effectiveness of the Boots to Business Program.

XI. STATEMENT OF DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, no provision of H.R. 1606 is known to be duplicative of another Federal program, including any program that was included in a report to Congress pursuant to section 21 of Public Law 111-139 or the most recent Catalog of Federal Domestic Assistance.

XII. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee finds that the bill does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of rule XXI of the Rules of the House of Representatives.

XIII. FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.
