
FURTHER REVISED ALLOCATION TO SUBCOMMITTEES OF
BUDGET TOTALS FOR FISCAL YEAR 2024

JULY 19, 2023.—Ordered to be printed

Mrs. MURRAY, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report further revising the allocations to its subcommittees for fiscal year 2024 set forth in Senate Report 118-45 (June 22, 2023) and revised in Senate Report 118-57 (July 12, 2023).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations, such committee may report to its House an alteration of such allocations. This report is submitted pursuant to such section.

The Budget Act requires that, as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. Section 121 of the Fiscal Responsibility Act of 2023 provides for the Chairman of the Budget Committee to file an allocation, consistent with the terms of the Fiscal Responsibility Act, to serve as a section 302(a) allocation for purposes of budget enforcement in the Senate. The allocation was filed by the Chairman of the Budget Committee on June 21, 2023 (Congressional Record pp. S2180-S2181).

The Committee notes that, under the terms of section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985, the Chairman of the Committee on the Budget may increase the 302(a) allocation of the Committee on Appropriations if certain conditions relating to funding of specific programs are met. These provisions address such programs as: costs of emergencies (sec. 251(b)(2)(A)(i)); continuing disability reviews and redeterminations (sec. 251(b)(2)(B)); healthcare fraud and abuse control (sec. 251(b)(2)(C)); disaster funding (sec. 251(b)(2)(D)); reemployment

services and eligibility assessments (sec. 251(b)(2)(E)); and wildfire suppression (sec. 251(b)(2)(F)).

On June 22, 2023, the Committee on Appropriations filed an initial allocation to its subcommittees pursuant to its section 302(a) allocation.

The revised allocations to subcommittees for fiscal year 2024 are set forth below:
