Message to the Congress Certifying Exports to the People's Republic of China
March 3, 2009

To the Congress of the United States:

In accordance with the provisions of section 1512 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999 (Public Law 105–261), I hereby certify to the Congress that the export of two environmental chambers to be used to test automotive parts is not detrimental to the U.S. space launch industry, and that the material and equipment, including any indirect technical benefit that could be derived from this export, will not measurably improve the missile or space launch capabilities of the People's Republic of China.

BARACK OBAMA

The White House,
