Letter to Congressional Leaders on Continuation of the National Emergency With Respect to Yemen

May 12, 2014

Dear Mr. Speaker: (Mr. President:)

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13611 of May 16, 2012, with respect to Yemen is to continue in effect beyond May 16, 2014.

The actions and policies of certain members of the Government of Yemen and others continue to threaten Yemen's peace, security, and stability, including by obstructing the implementation of the agreement of November 23, 2011, between the Government of Yemen and those in opposition to it, which provided for a peaceful transition of power that meets the legitimate demands and aspirations of the Yemeni people for change, and by obstructing the political process in Yemen. For this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 13611 with respect to Yemen.

Sincerely,

BARACK OBAMA
