Statement on the Death of President Tran Dai Quang of Vietnam

September 21, 2018

It was with sadness that I learned of the passing of President Tran Dai Quang. On behalf of the American people, I express my condolences to his family and the people of Vietnam.

President Quang was a great friend of the United States. He graciously hosted me during my historic state visit to Hanoi in November 2017, and I am grateful for his personal commitment to deepening the United States-Vietnam Comprehensive Partnership. We will not soon forget his contributions to peace, security, and prosperity in the Indo-Pacific region or his voice for Vietnam as a proud and independent nation on the world stage.
