Letter to Congressional Leaders on the Continuation of the National Emergency with Respect to Sudan

October 30, 2020

Dear Madam Speaker: (Dear Mr. President:)

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days before the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Sudan declared in Executive Order 13067 of November 3, 1997, is to continue in effect beyond November 3, 2020.

Despite recent positive developments, the crisis constituted by the actions and policies of the Government of Sudan that led to the declaration of a national emergency in Executive Order 13067; the expansion of that emergency in Executive Order 13400 of April 26, 2006; and with respect to which additional steps were taken in Executive Order 13412 of October 13, 2006, Executive Order 13761 of January 13, 2017, and Executive Order 13804 of July 11, 2017, has not been resolved. These actions and policies continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13067, as expanded by Executive Order 13400, with respect to Sudan.

Sincerely,

DONALD J. TRUMP
