Statement on United States Troop Deployments and Rebuilding the Armed Forces
January 14, 2021

United States military troops in Afghanistan are at a 19-year low. Likewise, Iraq and Syria are also at the lowest point in many years. I will always be committed to stopping the endless wars. It has been a great honor to rebuild our military and support our brave men and women in uniform: \$2.5 trillion invested, including in beautiful new equipment, all made in the U.S.A.
