September 27

In the morning, the President had an intelligence briefing.

In the morning, the President had separate telephone conversation with Mayor Jane Castor of Tampa, FL, Mayor Kenneth T. Welch of St. Petersburg, FL, and Mayor Frank Hibbard of Clearwater, FL, to discuss preparations for the potential impacts from Hurricane Ian. Hurricane Ian, review ongoing efforts Federal, State, and local governments have taken to preposition resources and initiate evacuation operations, including the resources made available through the Federal emergency declaration approved by the President over the weekend. Federal Emergency Management Agency Administrator Deanne Bennett Criswell also joined the calls, with White House Press Secretary Karine Jeanne-Pierre attending in the Oval Office.

In the evening, the President had a telephone conversation with Gov. Ronald D. DeSantis of Florida to discuss the steps the Federal Government is taking to help Florida prepare for Hurricane Ian, expected to make landfall on Florida's Gulf Coast as a major hurricane in subsequent days, and commit to continued close coordination.

September 28

In the morning, the President had an intelligence briefing. Later, prior to his remarks at the White House Conference on Hunger, Nutrition, and Health, at the Ronald Reagan Building and International Trade Center, he participated in a photo line with Secretary of Agriculture Thomas J. Vilsack, Sens. Cory A. Booker, Deborah A. Stabenow, and Michael K. Braun, and Reps. James P. McGovern and Rosa L. DeLauro.

In the afternoon, in the Roosevelt Room, the President received a briefing from his senior economic team, including Secretary of the Treasury Janet L. Yellen, Secretary of Energy Jennifer M. Granholm, Secretary of Labor Martin J. Walsh, and Chair of the Council of Economic Advisers Cecilia E. Rouse, for an update on global financial and energy markets. They reported that the national economy remained resilient in the face of global challenges and discussed the need to continue to making progress in reducing prices and implementing the administration's public investment plan in national infrastructure, manufacturing, and the clean energy transition. The President directed his team to stay in frequent touch with partners, allies, and key market actors and brief him regularly as conditions evolve.

In the evening, prior to his remarks at the Democratic Governors Association reception, at a private residence, the President participated in a photo line with Gov. Philip D. Murphy of New

Jersey and his wife Tammy, Gov. John C. Carney, Jr., of Delaware, and Mayor Muriel E. Bowser of Washington, DC.

During the day, the President had a telephone conversation with Mayor Kevin B. Anderson of Fort Myers, FL, and left messages for Mayor John Gunter of Cape Coral, FL, Mayor Erik J. Arroyo of Sarasota, FL, and Chair of the Board of County Commissioners Bill Truex of Charlotte County, FL, to let them know their communities have full Federal Government support behind them as Hurricane Ian made landfall on the Gulf Coast and that Federal agencies were prepared to assist with ongoing needs including support for the elderly members of the community, families that live in mobile homes, and other community members particularly vulnerable to the impacts of the storm.

September 29

In the morning, the President had an intelligence briefing. He also had a telephone conversation with Gov. Ronald D. DeSantis of Florida to discuss his administration's effort to support Florida in response to Hurricane Ian, including the issuance of a disaster declaration, and sending his Federal Emergency Management Agency (FEMA) Administrator Deanne Bennett Criswell to Florida the next day to monitor response efforts and see where additional support might be needed.

Also in the morning, the President had a telephone conversation with Chairman of the Board of County Commissioners Cecil Pendergrass of Lee County, FL, to discuss ways administration efforts to support Lee County in the immediate aftermath of Hurricane Ian, including meeting immediate needs for search-and-rescue efforts and power restoration as well as helping to address challenges faced by local hospitals and problems presented by damaged roads and bridges, and reassure him of continued Federal support leveraging all the resources at its disposal. FEMA Administrator Criswell also participated.

In the afternoon, at FEMA headquarters, the President was greeted by Secretary of Homeland Security Alejandro N. Mayorkas and FEMA Administrator Criswell and received a briefing on impacts from Hurricane Ian and ongoing Federal response efforts.

In the evening, on the North Portico, the President welcomed leaders of Pacific Island nations and participated in a family photo. Then, in the State Dining Room, he hosted a dinner for the leaders and their delegations.

During the day, the President spoke with nearly 50 elected officials and community leaders from across Pennsylvania as part of the White House "Communities in Action: Building a Better Pennsylvania" event hosted by the Office of Intergovernmental Affairs and Office of Public Engagement.

The President made additional disaster assistance available to Alaska by authorizing an increase in the level of Federal funding for emergency protective measures undertaken in the State as a result of a severe storm, flooding, and landslides from September 15 through 20.

The President declared a major disaster in Florida and ordered Federal aid to supplement State, Tribal, and local recovery efforts in the areas affected by Hurricane Ian beginning on September 23 and continuing.

The President declared an emergency in South Carolina and ordered Federal assistance to supplement State, Tribal, and local response efforts due to the emergency conditions resulting from Hurricane Ian beginning on September 25 and continuing.

September 30

In the morning, the President had an intelligence briefing. Later, at the U.S. Supreme Court, the President and Dr. Biden were greeted by Jeff Minear, Senior Counselor to Chief Justice John G. Roberts, Jr., and signed the guestbook, with Chief Justice Roberts joining them. Then, in the Chief Justice's Conference Room, they participated in a greeting with Supreme Court Justices, and Associate Justice Ketanji Brown Jackson's husband Patrick and daughters Leila and Talia. Vice President Kamala D. Harris and her husband Douglas C. Emhoff also participated. Then, they attended the investiture ceremony for Justice Jackson.

Also in the morning, the President had a telephone conversation with Gov. Henry D. McMaster of South Carolina to discuss Federal support for South Carolina in preparation for the landfall of Hurricane Ian, including the issuance of an emergency declaration the previous night, and assurances to provide whatever assistance the people of South Carolina need. He also had a telephone conversation with Gov. Ronald D. DeSantis of Florida to discuss the impacts of Hurricane Ian and ongoing recovery efforts.

In the afternoon, in the Oval Office, the President signed into law H.R. 8656, which designates the clinic of the Department of Veterans Affairs in Mishawaka, IN, as the Jackie Walorski VA Clinic. The late Rep. Jacqueline R. Walorski's husband Dean A. Swihart, mother Martha C. Walorski, other family and former staff, Speaker of the House of Representatives Nancy Pelosi, House Minority Leader Kevin O. McCarthy, and Reps. James A. Baird and James E. Banks also attended.

During the day, the President participated in a conference call with more than 1,200 rabbis and clergy members from across the Nation to commemorate the Jewish High Holidays, reaffirm his longstanding commitment to issues of importance to the Jewish community, and express his deep gratitude for their leadership and service. He also had a telephone conversation with Lt. Cmdr. Christopher Hooper, USCG, and Aviation Survival Technician Second Class Zach Loesch, USCG, to thank them for the heroic work that they and their Coast Guard colleagues performed during search-and-rescue operations in response to Hurricane Ian and ask for a report on their ongoing work to rescue Floridians and whether any additional support was needed to accelerate additional rescues.
