**Statement on the Train Collision in Odisha, India**

*June 3, 2023*

Jill and I are heartbroken by the tragic news of the deadly train crash in India. Our prayers go out to those who have lost loved ones and the many who suffered injuries in this terrible incident. The United States and India share deep bonds rooted in the ties of family and culture that unite our two nations and people all across America mourn alongside the people of India. As the recovery effort continues, we will hold the people of India in our thoughts.
