Message to the Congress on Continuation of the National Emergency With Respect to Significant Narcotics Traffickers Centered in Colombia

October 17, 2023

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to significant narcotics traffickers centered in Colombia declared in Executive Order 12978 of October 21, 1995, is to continue in effect beyond October 21, 2023.

The circumstances that led to the declaration of a national emergency on October 21, 1995, have not been resolved. The actions of significant narcotics traffickers centered in Colombia continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and to cause an extreme level of violence, corruption, and harm in the United States and abroad. For this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 12978 with respect to significant narcotics traffickers centered in Colombia.

JOSEPH R. BIDEN JR.
