Message to the Congress on Continuation of the National Emergency With Respect to the Democratic Republic of the Congo

October 24, 2023

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the situation in or in relation to the Democratic Republic of the Congo declared in Executive Order 13413 of October 27, 2006, as amended by Executive Order 13671 of July 8, 2014, is to continue in effect beyond October 27, 2023.

The situation in or in relation to the Democratic Republic of the Congo, which has been marked by widespread violence and atrocities that continue to threaten regional stability, continues to pose an unusual and extraordinary threat to the foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13413, as amended by Executive Order 13671, with respect to the situation in or in relation to the Democratic Republic of the Congo.

JOSEPH R. BIDEN JR.
