

Administration of Joseph R. Biden, Jr., 2024

Statement on the United States Steel Corporation

March 14, 2024

It is important that we maintain strong American steel companies powered by American steel workers. I told our steel workers I have their backs, and I meant it. U.S. Steel has been an iconic American steel company for more than a century, and it is vital for it to remain an American steel company that is domestically owned and operated.
