Message to the Congress on Continuation of the National Emergency and of the Emergency Authority Relating to the Regulation of the Anchorage and Movement of Russian-Affiliated Vessels to United States Ports

April 16, 2024

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Proclamation 10371 of April 21, 2022, with respect to the Russian Federation and the emergency authority relating to the regulation of the anchorage and movement of Russian-affiliated vessels to United States ports, is to continue in effect beyond April 21, 2024.

The policies and actions of the Government of the Russian Federation to continue the premeditated, unjustified, unprovoked, and brutal war against Ukraine continue to constitute a national emergency by reason of a disturbance or threatened disturbance of international relations of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Proclamation 10371.

JOSEPH R. BIDEN JR.
