**Statement on House of Representatives Action on National Security Supplemental Appropriations Legislation**

*April 17, 2024*

I strongly support this package to get critical support to Israel and Ukraine, provide desperately needed humanitarian aid to Palestinians in Gaza, and bolster security and stability in the Indo-Pacific. Israel is facing unprecedented attacks from Iran, and Ukraine is facing continued bombardment from Russia that has intensified dramatically in the last month.

The House must pass the package this week and the Senate should quickly follow. I will sign this into law immediately to send a message to the world: We stand with our friends, and we won't let Iran or Russia succeed.
