Statement on the Observance of Orthodox Easter

May 5, 2024

Jill and I send warm wishes to Orthodox Christian communities around the world as they celebrate Easter.

The Resurrection of Jesus Christ reminds us of God's abundant love for us and the power of light over darkness. We join Orthodox Christians in giving thanks for these and other blessings and rededicate ourselves to caring for those most in need.

In this sacred season, we hold people who are suffering from war and persecution especially close to our hearts. We will continue to pray and work for peace and justice for all people.

May the Lord bless and keep you this Easter Sunday and in the year ahead.
