

Administration of Joseph R. Biden, Jr., 2024

Letter to Congressional Leaders on Continuation of the National Emergency With Respect to Mali

July 16, 2024

Dear Mr. Speaker: (Dear Madam President:)

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the situation in Mali declared in Executive Order 13882 of July 26, 2019, is to continue in effect beyond July 26, 2024.

The situation in Mali, including repeated violations of ceasefire arrangements made pursuant to the 2015 Agreement on Peace and Reconciliation in Mali; a coup d'etat resulting in the termination of that agreement; the expansion of terrorist activities into southern and central Mali; the intensification of drug trafficking and trafficking in persons, human rights abuses, and hostage-taking; the presence of foreign mercenaries threatening peace, security, and stability; and the intensification of attacks against civilians, the Malian defense and security forces, the United Nations Multidimensional Integrated Stabilization Mission in Mali (MINUSMA), and international security presences, continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13882 with respect to the situation in Mali.

Sincerely,

JOSEPH R. BIDEN JR.
