Statement on the Election of Maia Sandu as President of Moldova

November 4, 2024

I congratulate Maia Sandu on her historic reelection as the President of Moldova. On Sunday, the Moldovan people went to the polls and voted in favor of President Sandu's vision for a secure, prosperous, and democratic Moldova. President Sandu's reelection comes just 2 weeks after the Moldovan people passed a constitutional referendum in support of membership in the European Union.

For months, Russia sought to undermine Moldova's democratic institutions and election processes. But Russia failed. The Moldovan people have exercised their democratic right to choose their own future, and they have chosen to pursue a path aligned with Europe and democracies everywhere.
