Message to the Congress on Taking Additional Steps With Respect to the Situation in Syria

January 15, 2025

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and section 301 of title 3, United States Code, I hereby report that I have issued an Executive Order in order to take additional steps with respect to the national emergency declared in Executive Order 13894 of October 14, 2019 (Blocking Property and Suspending Entry of Certain Persons Contributing to the Situation in Syria).

The order makes minimal edits to Executive Order 13894 in light of the fact that certain operations referenced in that order ceased 5 years ago. In particular, under the amended order, the United States may still sanction any person determined to be responsible for or complicit in, or to have directly or indirectly engaged in, or attempted to engage in actions or policies that further threaten the peace, security, stability, or territorial integrity of Syria or the commission of serious human rights abuse.

I am enclosing a copy of the Executive Order I have issued.

JOSEPH R. BIDEN JR.

The White House,
