

Administration of Donald J. Trump, 2025

Statement on the President's Telephone Conversation With President Claudia Sheinbaum Pardo of Mexico

February 3, 2025

I just spoke with President Claudia Sheinbaum of Mexico. It was a very friendly conversation wherein she agreed to immediately supply 10,000 Mexican soldiers on the border separating Mexico and the United States. These soldiers will be specifically designated to stop the flow of fentanyl and illegal migrants into our country. We further agreed to immediately pause the anticipated tariffs for a 1 month period during which we will have negotiations headed by Secretary of State Marco Rubio, Secretary of Treasury Scott Bessent, and Secretary of Commerce Howard Lutnick, and high-level representatives of Mexico. I look forward to participating in those negotiations, with President Sheinbaum, as we attempt to achieve a deal between our two countries.
