

Administration of Donald J. Trump, 2025

Statement on Ukraine's Use of Long-Range Missiles

October 22, 2025

The Wall Street Journal story on the U.S.A.'s approval of Ukraine being allowed to use long range missiles deep into Russia is fake news. The U.S. has nothing to do with those missiles, wherever they may come from, or what Ukraine does with them.

Categories: Statements by the President : Ukraine, use of long-range missiles.

Subjects: Russia, conflict in Ukraine; Ukraine, Russian invasion and airstrikes.
