Statement on the President's Meeting With President Luiz Inácio Lula da Silva of Brazil

May 7, 2026

Just concluded my meeting with Luiz Inácio Lula da Silva, the very dynamic President of Brazil. We discussed many topics, including Trade and, specifically, Tariffs. The meeting went very well. Our Representatives are scheduled to get together to discuss certain key elements. Additional meetings will be scheduled over the coming months, as necessary.

PRESIDENT DONALD J. TRUMP
