¹ Cash marketing receipts, Government payments, value of changes in inventories, other farm related cash income, and nonmoney income produced by farms including imputed rent of operator residences.

² Crop receipts include proceeds received from commodities placed under Commodity Credit Corporation loans.

³ Physical changes in beginning and ending year inventories of crop and livestock commodities valued at weighted average market prices during the year.

⁴ Includes only Government payments made directly to farmers.

Note.—Data for 2002 are forecasts.
