dent or order of the Director of Selective Service for the special registration of any male persons under the provisions of section 4 (i) of the Selective Service Act of 1948, as amended, every person required to do so by such proclamation or order shall present himself for and submit to registration before a duly designated registration official or the local board having jurisdiction in the area in which he has a permanent home or in which he may happen to be on that day or any of those days.

(b) Any person who has registered in accordance with any Presidential proclamation issued under title I of the Selective Service Act of 1948, as amended, and the regulations prescribed thereunder, and who thereafter is required to register pursuant to any proclamation of the President or order of the Director of Selective Service fixing the day or days for any special registration under section 4 (i) of such act, shall, notwithstanding such previous registration, present himself for and submit to registration under such latter proclamation or order.

§ 1650.4 *Registration of persons separated from reserve components of the armed forces.* Every male person who (a) would have been required to register in any special registration of persons in medical, dental, and allied specialist categories except for the fact that he was a member of a reserve component of the armed forces on the day or days fixed for his registration by proclamation of the President or order of the Director of Selective Service, (b) is thereafter separated from such reserve component and no longer is a member of any reserve component of the armed forces, and (c) has not been registered in such special registration prior to such separation, shall present himself for and submit to registration before a local board within the period of thirty days following the date on which he was so separated.

§ 1650.5 *Registration of certain persons entering the United States.* Every male person who would have been required to register on any day or days fixed by proclamation of the President or order of the Director of Selective Service for any special registration of persons in medical, dental, and allied specialist categories had he been within the United States and who thereafter enters the United States shall present himself for and submit to registration before a local board within the period of five days following the date on which he enters the United States.

§ 1650.6 *Inmate of institution.* Unless he has already been registered, every person subject to registration in any special registration of persons in medical, dental, and allied specialist categories who is an inmate of an insane asylum, jail, penitentiary, reformatory, or similar institution, shall be registered on the day he leaves the institution.

§ 1650.7 *Responsibility for performance of duty.* Every person subject to registration in any special registration of persons in medical, dental, or allied specialist categories shall have the same

responsibility for performance of duty as is provided in § 1611.6 of this chapter.

§ 1650.8 *Registration, duties and procedures; accomplishment of registration.* (a) The provisions of Parts 1612, 1613, 1617, and 1619 of this chapter shall be applicable to the special registration of persons in medical, dental, and allied specialist categories, except as otherwise provided in this section.

(b) Whenever a special registrant has been previously registered under the Selective Service Act of 1948, as amended, the local board having jurisdiction over such registrant in such prior registration shall have jurisdiction over the registrant.

(c) The registrar shall not issue the Registration Certificate (SSS Form No. 2) after the Registration Card (SSS Form No. 1) has been signed by a special registrant but shall give the special registrant a Classification Questionnaire (SSS Form No. 100), three copies of Initial Data for Classification and Commissioning in Medical Services for Medical, Dental, and Veterinary Corps (DD Form No. 390), and a return envelope addressed to the local board of the registrar, which forms shall be completed by the special registrant and mailed to the local board in the return envelope within five days after his registration.

(d) When the completed Classification Questionnaire (SSS Form No. 100) and the three completed copies of Initial Data For Classification And Commissioning In Medical Services For Medical, Dental and Veterinary Corps (DD Form No. 390) of a special registrant are received by the local board, and the special registrant has been previously registered under the Selective Service Act of 1948, as amended, the local board shall forward the Registration Card (SSS Form No. 1), together with the questionnaire and the three copies of the initial data form, to the local board having jurisdiction over such registrant in the prior registration, which local board upon receiving such documents shall prepare the Registration Certificate (SSS Form No. 2) and mail it to the special registrant. If the special registrant has not been previously registered, the local board shall carefully check the place of residence of such special registrant as indicated on line 2 of his Registration Card (SSS Form No. 1), and if the local board finds that the place of residence shown is within its area, it shall prepare the Registration Certificate (SSS Form No. 2) and mail it to the special registrant. If the local board finds that the place of residence of the special registrant is not within its area, it shall dispose of the registration card, together with the questionnaire and the three copies of the initial data form, in the manner provided in § 1613.43 of this chapter, and the local board having jurisdiction over the place of residence upon receiving such documents shall prepare the Registration Certificate (SSS Form No. 2) and mail it to the special registrant.

(e) Separate Tally Sheets (SSS Form No. 4) shall be used for each special registration of persons in medical, dental, and allied specialist categories.

CLASSIFICATION

§ 1650.10 *Preparation for Classification.* (a) Except as otherwise provided in this section, the local board shall proceed with the preparation for the classification of a special registrant in the manner provided in Part 1621 of this chapter.

(b) The local board shall maintain for special registrants only a separate file of Registration Cards (SSS Form No. 1), a separate List of Registrants (SSS Form No. 3), a separate file of Cover Sheets (SSS Form No. 101), a separate Classification Record (SSS Form No. 102), and separate Local Board Actions and Minutes (SSS Form No. 112).

(c) If a special registrant has been previously registered under title I of the Selective Service Act of 1948, as amended, the local board shall assign the same selective service number to the new Registration Card (SSS Form No. 1) as has been previously assigned to such registrant.

(d) The Classification Questionnaire (SSS Form No. 100) shall not be mailed but shall be given to the special registrant at the time of registration as provided in § 1650.8.

(e) The local board shall prepare a Cover Sheet (SSS Form No. 101) for each special registrant. If a special registrant has been previously registered under title I of the Selective Service Act of 1948, as amended, the contents of his Cover Sheet (SSS Form No. 101) prepared in connection with the previous registration shall be removed therefrom and placed in the new cover sheet. A notation of such removal shall be placed on the empty cover sheet which shall then continue to be filed with the other cover sheets of the previous registration.

(f) If a special registrant has been previously registered under title I of the Selective Service Act of 1948, as amended, a notation that he has registered in a subsequent special registration shall be placed on his Registration Card (SSS Form No. 1) and on the Classification Record (SSS Form No. 102) which were prepared in connection with such previous registration.

§ 1650.11 *Classification.* (a) Except as otherwise provided in this section, the provisions of Parts 1622 and 1623 of this chapter shall be applicable to the classification of special registrants including such provisions as relate to the transfer of a registrant for classification.

(b) Each special registrant who has not attained the fifty-first anniversary of the day of his birth shall be considered by the local board as available for military service and eligible for classification in Class I-A until his eligibility for a deferred or exempt classification is clearly established to the satisfaction of the local board. The delivery to a special registrant of a Classification Questionnaire (SSS Form No. 100) and an Initial Data For Classification And Commissioning In Medical Services For Medical, Dental and Veterinary Corps (DD Form No. 390) shall be notice to the registrant that unless information is presented to the local board, within the time specified for the return of the questionnaire and initial data form, which

will justify a deferred or exempt classification, the registrant will be classified in Class I-A.

(c) Every special registrant shall be placed in Class I-A under the provisions of § 1622.5 of this chapter except that when grounds are established to place such registrant in one or more of the classes in the following table, the special registrant shall be classified in the lowest class for which he is determined to be eligible, with Class I-A-O considered the highest class and Class I-C considered the lowest class according to the following table:

Class: I-A-O
IV-E
I-D
II-A
III-A
IV-A
IV-F
V-A
I-C

(d) A special registrant shall be placed in Class I-A-O under the provisions of § 1622.6 of this chapter.

(e) A special registrant shall be placed in Class I-C if (1) he is on, or enters upon, active duty in the armed forces, or (2) he has entered upon active duty in the armed forces after the date fixed for his registration in any special registration and has been separated therefrom by honorable discharge or discharge under honorable conditions or by an equivalent type of release from service.

(f) A special registrant shall be placed in Class I-D if he is or becomes a member of a reserve component of the armed forces.

(g) A special registrant shall be placed in Class II-A only if it is determined that (1) the medical, dental, or allied specialist service being performed by such registrant in his community is necessary to the maintenance of the national health, safety, or interest, (2) the service performed by him cannot be performed by other medical, dental, or allied specialists who are in the community, and (3) the registrant cannot be replaced in the community by another person who can perform such medical, dental, or allied specialist service. It is the intent of these criteria that a special registrant shall be placed in Class II-A when his induction would cause the availability of essential health services to fall below reasonable minimum standards. In making such determination, the local board shall give consideration to but shall not be bound by any advice offered by any committee established pursuant to section 4 (j) of title I of the Selective Service Act of 1948, as amended.

(h) A special registrant shall be placed in Class III-A only if (1) it is determined that his induction into the armed forces would result in extreme hardship and privation to a wife, child, or parent, with whom he maintains a bona fide family relationship in their home, regardless of the date on which such bona fide family relationship was established, and (2) by reason of such determination it is considered advisable that he be deferred. The term "child" as used in this paragraph means a legitimate or an illegitimate child from the date of its conception, a child legally

adopted, a stepchild, a foster child, and a person who is supported in good faith by the registrant in a relationship similar to that of parent and child, but shall not include any person 18 years of age or over unless he is physically or mentally handicapped.

(i) A special registrant shall be placed in Class IV-A only if he is the sole surviving son of a family of which one or more sons or daughters were killed in action or died in line of duty while serving in the armed forces of the United States, or subsequently died as a result of injuries received or disease incurred during such service.

(j) A special registrant shall be placed in Class IV-E under the provisions of § 1622.20 of this chapter.

(k) A special registrant shall be placed in Class IV-F either under the provisions of § 1622.21 of this chapter or if he is otherwise not acceptable to the armed forces for service.

(l) A special registrant shall be placed in Class V-A if he has attained the fifty-first anniversary of the day of his birth unless he is on active military service in the armed forces and is in Class I-C.

§ 1650.12 *Identification of special registrants.* In recording the classification of each special registrant on the Classification Questionnaire (SSS Form No. 100), the Classification Record (SSS Form No. 102), the Notice of Classification (SSS Form No. 110), and on all other records with respect to such registrant, the local board shall identify each such special registrant by following his classification as a special registrant with the abbreviation "M" if he is a bachelor of medicine or a doctor of medicine, by the abbreviation "D" if he is a doctor of dental surgery or a doctor of medical dentistry, by the abbreviation "V" if he is a doctor of veterinary surgery, or a doctor of veterinary medicine, or by such other abbreviation as may be prescribed by the Director of Selective Service for each other medical, dental, and allied specialist category.

APPEARANCE, REOPENING AND APPEALS

§ 1650.20 *Appearance, reopening and appeals.* A special registrant shall be entitled to the same rights of appearance before a local board, reopening of classification, appeal to the appeal board, and appeal to the President, as provided in Parts 1624, 1625, 1626, and 1627 of this chapter except that any request for appearance or reopening and any appeal to the appeal board or to the President, shall, when requested by the Director of Selective Service, take precedence over all other requests or appeals, except prior requests or appeals of other special registrants.

PHYSICAL EXAMINATION

§ 1650.30 *Physical examination.* (a) Except as otherwise provided in this section, the physical examination of a special registrant shall be accomplished in the manner provided in Part 1628 of this chapter.

(b) A special registrant shall not be given a medical interview. If the local board has reason to doubt that a special registrant is physically or mentally ac-

ceptable for service in the armed forces, the local board shall request the medical advisor to the local board to submit a statement of the registrant's condition to the State Director of Selective Service. The State Director of Selective Service shall obtain a determination from the commanding officer of the joint examining and induction station as to whether such registrant shall be forwarded for armed forces physical examination.

(c) In addition to the records mentioned in § 1628.17 of this chapter, the original and two copies of Initial Data For Classification And Commissioning In Medical Services For Medical, Dental, and Veterinary Corps (DD Form No. 390) shall be sent to the joint examining and induction station for each special registrant being forwarded for armed forces physical examination.

(d) After the armed forces physical examination of a special registrant has been accomplished and regardless of whether the registrant has been found acceptable or not acceptable for service in the armed forces, the final examining agency of the armed forces will forward to the State Director of Selective Service every record which under the provisions of § 1628.25 of this chapter would be forwarded to the local board or the State Director of Selective Service. The final examining agency of the armed forces will retain the original and one copy of Initial Data For Classification And Commissioning In Medical Services For Medical, Dental, and Veterinary Corps (DD Form No. 390) and send one copy to the State Director of Selective Service.

(e) The State Director of Selective Service shall maintain a record at State Headquarters of the name, local board, date of birth, specialist category, and number of order of priority under section 4 (i) (2) of the Selective Service Act of 1948, as amended, of each special registrant who has been found acceptable for service in the armed forces. After the State Director of Selective Service has entered this information on such record, he shall forward the records received from the final examining agency of the armed forces for each special registrant to the registrant's local board.

(f) The Certificate of Acceptability (NME Form No. 62) for each special registrant who is found acceptable for service in the armed forces will show the specialist category in which the armed forces will accept him for service.

SELECTION, DELIVERY, AND INDUCTION

§ 1650.40 *Manner of allocating special calls.* (a) Each State Director of Selective Service shall report to the Director of Selective Service the name, date of birth, specialist category, and number of order of priority of every special registrant in his State who is in Class I-A or Class I-A-O and has been found acceptable for service in the armed forces.

(b) Special calls for specified numbers of male persons in any medical, dental, or allied specialist category shall, on the basis of the best information then available, be allocated, by the Director of Selective Service among the several States and by each State Director of Selective Service among the local boards

in his State, in such manner that special registrants in each specialist category who are in Class I-A and Class I-A-O and have been found acceptable for service in the armed forces shall, on a Nation-wide basis within the Nation and a State-wide basis within each State, be ordered for induction in the order of their dates of birth with the youngest being selected first: *Provided*, That, within each specialist category, those special registrants who are in a lower numbered order of priority under section 4 (1) (2) of the Selective Service Act of 1948, as amended, shall be ordered to report for induction before special registrants who are in a higher numbered order of priority.

§ 1650.41 *Special calls by the Secretary of Defense.* The Secretary of Defense shall from time to time place with the Director of Selective Service a special call or requisition approved by the President or such other officer as he may designate for a specified number of men in any medical, dental, or allied specialist category to be inducted into the armed forces. The Secretary of Defense shall present such special calls or requisitions to the Director of Selective Service not less than 60 days prior to the period during which the delivery and induction of such men are to be accomplished.

§ 1650.42 *Special calls by the Director of Selective Service.* The Director of Selective Service shall, upon receipt of a special call or requisition from the Secretary of Defense, allocate such call or requisition among the several States. The Director of Selective Service shall issue to the State Director of Selective Service of each State concerned a Notice of Call on State (SSS Form No. 200) for the number of men in the specialist category found acceptable for service in the armed forces allocated to each State. The Director of Selective Service shall send two copies of each such Notice of Call on State (SSS Form No. 200) to the Secretary of Defense.

§ 1650.43 *Special calls by State Director of Selective Service.* The State Director of Selective Service, upon receiving a Notice of Call on State (SSS Form No. 200) from the Director of Selective Service shall (a) allocate to the local boards concerned within his State the number of men in the specialist category which his State is called upon to furnish for service in the armed forces and (b) issue to each local board concerned a Notice of Call on Local Board (SSS Form No. 201) directing the local board to select and deliver for induction the number of such men who have been found to be acceptable for service in the armed forces fixed in such Notice of Call on Local Board (SSS Form No. 201). The State Director of Selective Service shall send a copy of each Notice of Call on Local Board (SSS Form No. 201) to the Commanding General of the Army Area in which his State is located and a copy to the commanding officer of the joint examining and induction station to which the selected men are directed to report for induction.

§ 1650.44 *Action by local board upon receipt of notice of a special call.* Each local board, upon receiving a Notice of Call on Local Board (SSS Form No. 201) from the State Director of Selective Service for a specified number of men in a specialist category shall select and order to report for induction the number of such men required to fill the call from among its special registrants in that specialist category who have been classified in Class I-A and Class I-A-O and who have been found acceptable for service in the armed forces, except that a special registrant classified in Class I-A or Class I-A-O who is a delinquent may be selected and ordered to report for induction notwithstanding the fact that he has not been found acceptable for service in the armed forces. Such special registrants shall be selected and ordered to report for induction in the order of their dates of birth with the youngest being selected first: *Provided*, That any such special registrant who is a delinquent shall, regardless of his age, be selected and ordered to report for induction before any other special registrant in the same specialist category. When two or more such special registrants have the same date of birth they shall, as among themselves, be selected in alphabetical order. The men so selected and ordered to report for induction shall be men to whom the local board has mailed a Certificate of Acceptability (NME Form No. 62) at least 21 days before the date fixed for induction: *Provided*, That a special registrant classified in Class I-A or Class I-A-O who is a delinquent may be selected and ordered to report for induction to fill an induction call for his specialist category notwithstanding the fact that he has not been mailed a Certificate of Acceptability (NME Form No. 62).

§ 1650.45 *Delivery and induction.* The delivery and induction of special registrants, pursuant to calls for such registrants, shall be accomplished in the manner provided in Part 1632 of this chapter; provided, that the induction of a special registrant shall not be postponed except under the provisions of § 1632.2 of this chapter.

NOTICE AND DELINQUENTS

§ 1650.50 *Notice and delinquents.* (a) Special registrants shall be subject to the provisions of Parts 1641 and 1642 of this chapter except as otherwise provided in this section.

EXECUTIVE ORDER 10168

REGULATIONS RELATING TO THE RIGHT OF ENLISTED MEMBERS OF THE UNIFORMED SERVICES TO ADDITIONAL PAY FOR SEA AND FOREIGN DUTY

By virtue of and pursuant to the authority vested in me by section 206 of the Career Compensation Act of 1949, approved October 12, 1949 (Public Law 351, 81st Congress), and as President of the United States and Commander in Chief of the armed forces of the United States, I hereby prescribe the following regulations relating to the right of enlisted members of the uniformed services to receive additional pay (referred to herein as sea-duty pay or foreign-duty pay) while on sea duty or while on duty in any place beyond the continental limits of the United States or in Alaska:

SECTION 1. Enlisted members entitled to receive basic pay shall be entitled to receive, additionally, sea-duty pay while on sea duty as defined in section 2 hereof, the period of such duty to include the date of reporting and the date of detachment as stated in orders.

SECTION 2. For additional-pay purposes, and except as otherwise provided in section 3 hereof, sea duty shall mean duty performed by enlisted members:

(a) While permanently assigned to a vessel, other than a vessel restricted to service in the inland waters of the United States or a non-self-propelled vessel, pursuant to orders issued by competent authority, including periods not in excess of fifteen consecutive days each while on temporary additional duty ashore.

(b) While permanently assigned to a ship-based aviation unit pursuant to orders issued by competent authority, including periods not in excess of fifteen consecutive days each (1) while on temporary additional duty ashore or (2)

while such unit is temporarily based ashore. (The term "temporarily based ashore" refers to a ship-based aviation unit that has been landed ashore with intent to return to a ship.)

(c) While on a vessel pursuant to orders issued by competent authority although based or stationed ashore, but only when such duty is eight days or more in duration in each case.

(d) While on a vessel restricted to service in the inland waters of the United States or on a non-self-propelled vessel, but only on days when such vessel is actually operating outside of inland waters for a period of eight days or more in each case.

(e) While permanently assigned, pursuant to orders issued by competent authority, to a commissioned landing-craft-tank squadron or a commissioned motor-torpedo-boat squadron which is a tactical component of an operating fleet in an active status and subject to movement as an integral unit of such fleet.

SECTION 3. Except as provided in section 2 (c) hereof, no enlisted member shall, for additional-pay purposes, be considered to be on sea duty:

(a) While on duty on a receiving ship or station ship.

(b) While on duty on a vessel which is in an inactive status.

(c) While on duty with shore-based administrative or maintenance organizations of any unit.

SECTION 4. Enlisted members entitled to receive basic pay shall be entitled to receive, additionally, foreign-duty pay while on duty beyond the continental limits of the United States or in Alaska. Such duty shall include duty performed by enlisted members:

(a) On the date of departure from the continental limits of the United States to join a vessel or to report for sea duty or other duty beyond the continental limits of the United States or in Alaska.

(b) While en route between duty stations, afloat or ashore, beyond the continental limits of the United States or in Alaska.

(c) While en route to the United States after detachment from sea duty or foreign duty, the period en route to include the date of return to the continental limits of the United States.

(d) During periods spent on temporary additional duty or temporary duty or on operational aircraft flights outside the continental limits of the United States or in Alaska while assigned to permanent duty in the continental United States, but only when such duty or flights are eight days or more in duration in each case, including the date of departure from and the date of return to the continental limits of the United States.

SECTION 5. Foreign-duty pay shall not accrue for periods of temporary additional duty or temporary duty within the continental limits of the United States.

SECTION 6. Enlisted members shall not be entitled to additional pay for sea duty or foreign duty under circumstances which, under the provisions of supplementary regulations prescribed hereunder, do not constitute either sea duty or duty in a place beyond the continental limits of the United States or in Alaska.

SECTION 7. No enlisted member shall be entitled under this order to receive both sea-duty pay and foreign-duty pay for the same period of time.

SECTION 8. The Secretaries concerned (within the meaning of section 102 (f) of the said Career Compensation Act of 1949), with respect to personnel of the uniformed services within their respective departments, are hereby authorized to prescribe such supplementary regulations, not inconsistent herewith, as they may deem necessary or desirable for carrying out these regulations, and such supplementary regulations shall be uniform for all the services to the fullest extent practicable.

PART 601—GRAINS AND RELATED COMMODITIES

SUBPART—1950 PRICE SUPPORT PROGRAMS FOR GRAINS AND RELATED COMMODITIES

A price support program has been announced for the 1950 crop of corn. The 1950 C. C. C. Grain Price Support Bulletin 1, 15 F. R. 3147, issued by the Commodity Credit Corporation and containing the general requirements with respect to price support operations for grains and related commodities produced in 1950, is supplemented as follows:

Sec.	
601.111	Purpose.
601.112	Availability of price support.
601.113	Eligible corn.
601.114	Warehouse receipts.
601.115	Determination of quantity.
601.116	Determination of quality.
601.117	Maturity of loans.
601.118	Support rates.
601.119	Settlement.

AUTHORITY: §§ 601.111 to 601.119 issued under sec. 4, 62 Stat. 1070, as amended; 15 U. S. C. Sup., 714b. Interpret or apply sec. 5, 62 Stat. 1072, secs. 101, 401, 63 Stat. 1051; 15 U. S. C. Sup., 714c, 7 U. S. C. Sup., 1441, 1421.

§ 601.111 *Purpose.* This supplement states additional specific requirements which, together with the general requirements contained in the 1950 C. C. C. Grain Price Support Bulletin 1, and 1950 C. C. C. Corn Bulletin A, 15 F. R. 3051, apply to loans and purchase agreements under the 1950-Crop Corn Price Support Program.

§ 601.112 *Availability of price support—(a) Method of support.* Price support will be made available through nonrecourse farm-storage and warehouse-storage loans and through purchase agreements.

(b) *Area.* Farm-storage and warehouse-storage loans and purchase agreements will be available wherever corn is grown in the continental United States, except that farm-storage loans will not be available in areas where the PMA State committee determines that corn cannot be safely stored on the farm.

(c) *Where to apply.* Application for price support should be made at the office of the PMA county committee which keeps the farm-program records for the farm.

(d) *When to apply.* Loans and purchase agreements will be available from the time of harvest through May 31, 1951: *Provided,* That in areas where it is

determined by the PMA State committee that producers are not in a position to safely store corn for the full storage period because of infestation by angoumois moths or other insects, adverse climatic conditions, or other factors affecting the safe storage of corn, the final date of availability of loans and purchase agreements shall be such earlier date as may be determined by the PMA State committee. Such earlier date shall be not later than thirty days prior to the first day of the 10-day delivery period established in accordance with the provisions of § 601.117. The PMA State committee shall notify producers in the area through public announcement sufficiently in advance of such date in order to allow producers a reasonable period of time in which to place their corn under loans or purchase agreements. The applicable documents must be signed by the producer and delivered to the PMA county committee not later than the final date of availability of loans and purchase agreements in the area.

(e) *Eligible producer.* An eligible producer shall be an individual, partnership, association, corporation, or other legal entity producing corn in 1950 as landowner, landlord, tenant, or sharecropper, provided such producer is in compliance with the 1950-Crop Corn Farm Acreage Allotment Regulations, 15 F. R. 25, as determined in accordance with 1950 C. C. C. Corn Bulletin A.

§ 601.113 *Eligible corn.* At the time the corn is placed under loan or delivered under a purchase agreement, it must meet the following requirements:

(a) The corn must be of the classes Yellow Corn (Class I), White Corn (Class II) or Mixed Corn (Class III) and must have been produced in the continental United States in 1950 by an eligible producer on a farm on which the corn acreage is within the corn acreage allotment. The latter eligibility requirement concerning compliance with the corn-acreage allotment (within the commercial corn-producing area) does not apply to corn produced outside the commercial corn-producing area.

(b) The corn must be ear or shelled corn: *Provided*, That irrespective of the provisions of the mortgage supplement relating to delivery of ear corn upon payment of the cost of shelling, the corn must be shelled before delivery is made under loans or purchase agreements.

(c) The beneficial interest in the corn must be in the person tendering the corn for loan or for delivery under a purchase agreement, and must always have been in him, or must have been in him and a former producer whom he succeeded before the corn was harvested, or, such corn must have been purchased by an eligible producer who will operate a different farm in 1951 from that operated in 1950. In such case the number of bushels being placed under loan or purchase agreement must not be in excess of the total number of bushels produced by the producer on the farm operated by him in 1950.

To meet the requirements of succession to a former producer, the rights, responsibilities and interest of the former producer with respect to the farming unit on which the corn was produced shall have been substantially assumed by the person claiming succession. Mere purchase of the crop prior to harvest, without acquisition of any additional interest in the farming unit, shall not constitute succession. The county committee shall make determinations concerning succession.

(d) Corn placed under loan must, except for moisture content, grade U. S. No. 3 or better, or U. S. No. 4 on the factor of test weight only, but otherwise U. S. No. 3 or better, and must meet the following moisture requirements: for ear corn placed under a farm-storage loan, the moisture content must not exceed 20.5 percent if the corn is tendered for loan from time of harvest through February 1951; 19.0 percent if tendered for loan during March 1951; 17.5 percent if tendered for loan during April 1951; and 15.5 percent if tendered for loan during May 1951. For corn placed under a warehouse-storage loan, and for shelled corn placed under a farm-storage loan, the moisture content must not exceed 13.5 percent irrespective of when the corn is tendered for loan.

(e) Corn delivered under a purchase agreement must grade U. S. No. 3 or better, or U. S. No. 4 on the factor of test weight only but otherwise U. S. No. 3 or better, however, corn containing in excess of 14 percent moisture content or corn grading "weevily" but otherwise

eligible will be discounted in accordance with the schedule of discounts shown in § 601.119.

§ 601.114 *Warehouse receipts.* Warehouse receipts, representing corn in approved warehouse storage to be placed under loan or delivered under a purchase agreement, must meet the requirements below:

(a) Warehouse receipts must be issued in the name of the producer, must be properly endorsed in blank so as to vest title in the holder, and must be issued by an approved warehouse.

(b) Each warehouse receipt must set forth in its written terms that the corn is insured for not less than market value against the hazards of fire, lightning, inherent explosion, windstorm, cyclone and tornado, or, in lieu of this statement, it must have stamped or printed thereon the word "Insured."

(c) Each warehouse receipt, or the warehouseman's supplemental certificate (in duplicate) properly identified with the warehouse receipt must be issued for shelled corn and must show the gross weight, grade, test weight and all grading factors set forth in the Official Grain Standards of the United States for Corn. In areas where licensed inspectors are not available at terminal and subterminal warehouses, CCC will accept inspection certificates based on representative samples which have been forwarded to and graded by licensed grain inspectors.

(d) In the case of warehouse receipts issued for corn delivered by rail or barge, CCC will accept inbound weight and inspection certificates properly identified with the corn covered thereby in lieu of the information required by paragraph (c) of this section.

(e) If the warehouse receipt states that the corn is stored "identity preserved," the producer must execute a supplemental certificate and assume responsibility for the quantity and quality indicated thereon.

(f) A separate warehouse receipt must be submitted for each grade and class of corn.

(g) The warehouse receipt may be subject to liens for warehouse charges only to the extent indicated in § 601.118 (c).

§ 601.115 *Determination of quantity.* The quantity of corn placed under farm-storage loan may be determined either by weight or by measurement. The quantity of corn placed under a warehouse-storage loan or delivered under a farm-storage loan or under a purchase agreement shall be determined by weight.

When determined by measurement, a bushel of ear corn shall be 2.5 cubic feet of ear corn testing not more than 15.5 percent in moisture content. An adjustment in the number of bushels of ear corn will be made for moisture content in excess of 15.5 percent in accordance with the following schedule:

Moisture content (percent)	Adjustment factor (percent)
15.6 to 16.5, both inclusive	98
16.6 to 17.5, both inclusive	96
17.6 to 18.5, both inclusive	94
18.6 to 19.5, both inclusive	92
19.6 to 20.5, both inclusive	90
Above 20.5	No loan

A bushel of shelled corn, when determined by measurement, shall be 1.25 cubic feet of shelled corn testing not more than 13.5 percent in moisture content.

In determining the quantity of sacked corn by weight, a deduction of 3/4 of a pound for each sack will be made.

Since dockage is not a grade factor in the case of corn, the quantity of corn will be determined without reference to dockage.

§ 601.116 *Determination of quality.* The class, grade, grading factors, and all other quality factors shall be determined in accordance with the method set forth in the Official Grain Standards of the United States for Corn, whether or not such determinations are made on the basis of an official inspection.

§ 601.117 *Maturity of loans.* Loans mature on demand but not later than July 31, 1951: *Provided*, That in areas where it is determined by the PMA State committee that producers are not in a position to store corn safely for the full storage period (for the reasons set forth in paragraph (d) of § 601.112) the PMA State committee may establish an earlier delivery period for corn in farm-storage under loans and purchase agreements which shall be the first 10 days of either April, May, June, or July, 1951. CCC will accept deliveries of corn during such 10-day period, provided the producer notifies the PMA county committee of his intention to deliver at least 10 days prior to the first day of the 10-day delivery period. The 10-day delivery period may be extended if it is determined by the county committee that more time is needed for the acceptance of deliveries.

Whether or not an earlier delivery period is established by the PMA State committee, if the farm is sold or there is a change of tenancy, or if the corn is going out of condition the corn may be delivered before the maturity date of the loan upon prior approval of the county committee.

§ 601.118 *Support rates.* Loans will be made, and corn delivered under purchase agreements will be purchased, at the support rates set forth in this section.

(a) *Basic support rates.* Basic support rates per bushel of eligible corn grading No. 3, or No. 4 on the factor of test weight only but otherwise grading No. 3 or better, are as follows for the respective States and counties:

(b) Premiums and discounts on corn placed under loan. When placed under a warehouse-storage loan, the applicable premiums and discounts for eligible corn shown in the schedule of premiums and discounts in § 601.119 shall be applied to the basic support rate at the time the loan is completed.

Eligible corn grading "mixed" when placed under a farm-storage loan or when placed under a warehouse-storage loan shall have a support rate of 2 cents per bushel less than the basic rate and such discount shall be applied to the basic support rate at the time the loan is completed.

In the case of farm-storage loans, premiums and discounts, shall be applied to the basic support rate at the time of settlement.

(c) *Warehouse charges.* The warehouse receipt and the corn represented thereby may be subject to liens for warehouse charges only from August 15, 1950, or the date the warehouse charges begin, whichever is later.

In the case of corn placed under loan or delivered to CCC under a purchase agreement in an approved warehouse under the Uniform Grain Storage Agreement, evidence must be submitted with the warehouse receipt that all warehouse charges, except receiving charges, have been prepaid through July 31, 1951, or a deduction of 10 cents per bushel will be made from the amount of the loan or purchase price: *Provided*, That CCC will not assume any charges in excess of those provided under the Uniform Grain Storage Agreement applicable to the 1950 crop.

In the case of corn placed under loan or delivered to CCC under a purchase agreement in an approved warehouse operated by an Eastern common carrier or any other approved warehouse not under the Uniform Grain Storage Agreement, evidence must be submitted with the warehouse receipt that all warehouse charges, except receiving and loading-out charges, have been prepaid through July 31, 1951, or all such charges will be deducted from the support rate: *Provided*, That CCC will assume the receiving and loading-out charges or reimburse the producer if he has prepaid such charges.

§ 601.119 *Settlement*—(a) *Loans.* (1) *Settlement at basic rate.* Settlement on corn delivered to CCC under farm-storage loans, grading No. 3, or No. 4 on the factor of test weight only, but otherwise grading No. 3 or better shall be made at the support rate for the approved point of delivery. In the case of farm-storage loans, and warehouse-storage loans where the corn is stored "identity preserved," the support rate will be for the grade and quality of the total quantity of corn delivered.

(2) *Premiums and discounts.* Premiums and discounts shall be applied to the basic support rates in accordance with the following schedule:

¹ Grading "sample" solely on account of stones and/or cinders, or which is musty, or which has any consumerially objectionable odor, or cocklebur, or rodent excreta.

(3) *Settlement value of other corn.* If the corn, upon delivery, grades sour or heating, or otherwise does not meet the requirements set forth in the above schedule for premiums and discounts, or is of a quality for which no support rate has been established, the settlement value shall be the support rate established for the grade and/or quality of the corn placed under loan, less the difference, if any, at the time of delivery, between the market price of the grade and/or quality placed under loan and the market price of the corn delivered, as determined by CCC.

(b) *Purchase agreements*—(1) *Basic rate.* The purchase rate per bushel of eligible corn will be the applicable support rate established for the approved point of delivery. Corn delivered to CCC under a purchase agreement must meet the requirements of corn eligible for loan.

(2) *Premiums and discounts.* The premiums and discounts as shown in (a), (2) of this section shall be applicable to corn delivered under a purchase agreement, except that corn grading "sample" is not eligible corn.

(c) *Charges for early delivery.* (1) If corn is delivered to CCC before July 31, 1951, in accordance with § 601.117, a charge shall be made against the producer at the time of settlement at the rate of 1/100 of a cent per bushel a day from the final date for delivery shown in the delivery instructions issued by the county committee, through July 31, 1951, to compensate CCC for the carrying charges incurred because of earlier delivery.

(2) No such charge shall be made for early delivery whenever such delivery becomes necessary because of an emergency or is made on demand by CCC, and such demand is not due to any negligence on the part of the producer.

(d) *Track-loading payment.* A track-loading payment of 2 cents per bushel will be made to the producer on corn delivered to CCC on track at a country point.

Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders), Department of Agriculture

PART 997—HANDLING OF FILBERTS GROWN IN OREGON AND WASHINGTON

SALABLE, SURPLUS, AND WITHHOLDING PERCENTAGES

§ 997.200 *Salable, surplus, and withholding percentages of merchantable filberts for the fiscal year beginning August 1, 1950*—(a) *Findings.* (1) Notice

of proposed rule making with respect to the fixing of salable, surplus, and withholding percentages of merchantable filberts for the fiscal year beginning August 1, 1950, was published in the FEDERAL REGISTER of September 23, 1950 (15 F. R. 6454), pursuant to the provisions of Marketing Agreement No. 115 and Order No. 97 regulating the handling of filberts grown in Oregon and Washington (7 CFR 997.1 et seq.). In said notice, opportunity was afforded interested parties to submit to the Director, Fruit and Vegetable Branch, Production and Marketing Administration, United States Department of Agriculture, Washington 25, D. C., written data, views, or arguments for consideration prior to issuance of the final rule.

After consideration of all relevant matters presented (including the estimates and recommendation of the Filbert Control Board and other information available to the Department), it is hereby found and determined that the respective percentages herein fixed as the salable, surplus, and withholding percentages of merchantable filberts will most effectively tend to accomplish the purposes of the act, relieve restrictions against the handling of filberts, and shall become effective one day after publication in the FEDERAL REGISTER (5 U. S. C. 1001 et seq.).

(b) *Order.* (1) For merchantable filberts, during the fiscal year beginning August 1, 1950, the salable percentage is fixed at 92.5, the surplus percentage is fixed at 7.5, and the withholding percentage is 8.

(2) Terms used in this section shall have the same meaning as when used in the marketing agreement and order.

(Sec. 5, 49 Stat. 753, as amended; 7 U. S. C. and Sup., 608c)

Issued at Washington, D. C., this 10th day of October 1950, to be effective the day after publication in the FEDERAL REGISTER.

Subchapter B—Immigration Regulations

PART 112—ADMISSION OF HOLDERS OF CERTIFICATES OF IDENTITY TO PROSECUTE AN ACTION UNDER SECTION 503 OF THE NATIONALITY ACT OF 1940

ENTRY UPON CERTIFICATE OF IDENTITY; CONDITIONS

SEPTEMBER 29, 1950.

The second sentence of § 112.2, *Entry upon certificate of identity; conditions*, of Chapter I, Title 8 of the Code of Federal Regulations, is amended to read as follows: "He may be admitted to the United States as a temporary visitor for business on the condition, including, when deemed necessary, the giving of a

bond with sufficient surety, that he shall depart from the United States if it is discovered that he has obtained admission by fraud or other illegality or if the final action in court to determine his nationality is not to the effect that he is a national of the United States."

This order shall become effective on the date of its publication in the FEDERAL REGISTER. Compliance with the provisions of section 4 of the Administrative Procedure Act (60 Stat. 238; 5 U. S. C. 1003) with respect to notice of proposed rule making and delayed effective date is impracticable and unnecessary in this instance for the reason that the amendment made by the order merely conforms the language of the regulation to the language of the statute which it implements.

In order to conform Regulations 103 (26 CFR, Part 19) and Regulations 111 (26 CFR, Part 29) to Public Law 378, 81st Congress, approved October 25, 1949, and Public Law 271, 81st Congress, approved August 27, 1949, such regulations are amended as follows:

PARAGRAPH 1. There is inserted immediately preceding § 19.131-1, Regulations 103 (26 CFR 19.131-1), and immediately preceding § 29.131-1, Regulations 111 (26 CFR 29.131-1), the following:

SEC. 2. FOREIGN TAX CREDIT (PUBLIC LAW 378, 81ST CONGRESS, APPROVED OCTOBER 25, 1949)

(a) Section 131 (c) of the Internal Revenue Code (relating to adjustments on payment of accrued taxes) is hereby amended by adding at the end thereof the following new sentences: "In such redetermination by the Commissioner of the amount of tax due from the taxpayer for the year or years affected by a refund, the amount of the taxes refunded for which credit has been allowed under this section shall be reduced by the amount of any tax described in subsection (a) imposed by the foreign country or possession of the United States with respect to such refund; but no credit under this section, and no deduction under section 23, shall be allowed for any taxable year with respect to such tax imposed on the refund. No interest shall be assessed or collected on any amount of tax due upon any redetermination by the Commissioner, resulting from a refund to the taxpayer, for any period prior to the receipt of such refund, except to the extent interest was paid by the foreign country or possession of the United States on such refund for such period."

(b) The amendment made by subsection (a) shall be applicable with respect to taxable years beginning after December 31, 1938. If the allowance of a credit or refund of any overpayment of tax resulting from the application of the amendment made by subsection (a) is prevented on the date of the enactment of this Act, or within one year from such date, by the operation of any law or rule of law (other than section 3761 of the Internal Revenue Code, relating to compromises), credit or refund of such overpayment may, nevertheless, be allowed or made if claim therefor is filed within one year from the date of the enactment of this Act.

PAR. 2. Section 19.131-4 of Regulations 103 (26 CFR 19.131-4) and § 29.131-4 of Regulations 111 (26 CFR 29.131-4) are amended as follows:

(A) By inserting immediately before the first sentence of each such section the subheading: "(a) *General*."

(B) By inserting at the end of each such section the following new paragraphs:

(b) *Foreign tax imposed on foreign refund.* Where the redetermination of the tax for a taxable year or years is occasioned by the refund to the taxpayer of tax paid to a foreign country or possession of the United States, the amount of such refund for which credit has been granted shall be reduced by the amount of any tax described in section 131 (a) imposed by the foreign country or possession of the United States with respect to such refund. In such case no credit under section 131, and no deduction under section 23, shall be allowed with respect to such tax imposed on the refund.

(c) *Interest.* Where the redetermination of the tax for a taxable year or years is occasioned by the refund to the taxpayer of tax paid to a foreign country or possession of the United States, no interest shall be assessed or collected on the amount of tax due upon such redetermination resulting from such refund to the taxpayer, for any period prior to the receipt of such refund, except to the extent interest was paid by the foreign country or possession of the United States on such refund for such period.

PAR. 3. (A) There is inserted immediately preceding § 29.148-1, Regulations 111 (26 CFR 29.148-1) the following:

SEC. 5. REPORTS OF COMPENSATION (PUBLIC LAW 271, 81ST CONGRESS, APPROVED AUGUST 27, 1949)

Section 148 (f) of the Internal Revenue Code (relating to reports of compensation of corporate officers and employees exceeding \$75,000) is hereby repealed.

(B) Section 29.148-4 of Regulations 111 (26 CFR 29.148-4) is deleted.

(53 Stat. 467; 26 U. S. C. 3791)

Because the amendments made by this Treasury decision are merely of a technical nature and to relieve taxpayers from a requirement respecting the filing of an information return, it is found that it is unnecessary to issue this Treasury decision with notice and public procedure thereon under section 4 (a) of the Administrative Procedure Act, approved June 11, 1946, or subject to the effective date limitation of section 4 (c) of said act.

TITLE 29—LABOR

Chapter V—Wage and Hour Division,
Department of Labor

PART 522—EMPLOYMENT OF LEARNERS

EMPLOYMENT OF LEARNERS IN GLOVE
INDUSTRY

Pursuant to section 14 of the Fair Labor Standards Act, as amended, a notice of hearing was published in the FEDERAL REGISTER on February 25, 1950 (15 F. R. 1049) announcing a public hearing on the following questions:

1. Is it necessary, in order to prevent curtailment of opportunities for employment, to provide for the employment of learners in the glove branch of the apparel industry at wages below the mini-

mum wage provided in section 6 of the Fair Labor Standards Act, as amended; and if such necessity be found to exist;

2. What subminimum wage rate should be provided for learners in the glove branch of the apparel industry, what number or proportion of learners should be permitted in a plant, in what occupations should learners be permitted, and the length or duration of the learning period?

In accordance with the aforesaid notice, hearings were held on March 15 and 16, 1950, before Isabel Ferguson, who was designated by me as Presiding Officer to receive evidence, hear argument and make findings and recommendations on the questions set forth in the notice.

Following the hearing the Presiding Officer, on the basis of the record and all available information, found that in order to prevent curtailment of opportunities for employment in the glove industry, it is necessary to provide for the employment of learners at subminimum wage rates, and recommended the issuance of special regulations as hereinafter set forth governing the employment of learners in such industry. The findings and recommendations of the Presiding Officer were submitted to me together with the complete record of the proceedings. Copies of the findings and recommendations may be examined by interested persons at the regional offices as well as at the National Office of the Wage and Hour Division, United States Department of Labor, Washington, D. C. Copies thereof will be furnished to interested persons, upon request, as long as they are available.

On the basis of the record and all available information, I have concluded that the findings and recommendations of the Presiding Officer are proper and are supported by the evidence, and I hereby adopt them as my own.

Now therefore pursuant to section 14 of the Fair Labor Standards Act, as amended (Sec. 14, 52 Stat. 1068; 29 U. S. C. 214), the following regulations governing the employment of learners in the glove industry are hereby issued effective October 26, 1950:

- Sec.
522.220 Conditions upon which special learner certificates will be granted.
522.221 Definition of glove industry and its branches.
522.222 Learner occupations.
522.223 Learning period.
522.224 Subminimum rates.
522.225 Number or proportion of learners.
522.226 Effective period of certificates.
522.227 Removal of plant or transfer of production.
522.228 Employment of learners prohibited when experienced workers are available.

§ 522.220 *Conditions upon which special learner certificates may be granted.*
(a) Upon application to the Administrator of the Wage and Hour Division, special certificates authorizing the em-

ployment of learners at subminimum wage rates in the glove industry, as hereinafter defined, may be issued by the Administrator or his authorized representative to the extent necessary in order to prevent curtailment of opportunities for employment under the terms hereinafter set forth, when it appears that experienced workers are not available to an employer making application for a special learner certificate and that the issuance of a special certificate will not create unfair competitive labor cost advantages or impair or depress working standards established for experienced workers for work of a like or comparable character in the industry.

(b) All applications must be made upon official forms furnished on request by the Wage and Hour Division and must contain all information required by such forms. Such forms require to be set forth, among other things, information concerning efforts made by the applicant to determine the availability of experienced workers, a list of occupations in which learners are requested, the number of learners requested, the number of learners hired during the preceding 12 months, a list of occupations in which experienced workers are employed, the number employed, their average straight time hourly earnings in cents per hour, and information concerning the types of machines and the number of new and idle machines to be used by learners.

§ 522.223 *Learning period.* (a) The maximum learning period which may be authorized in special certificates issued in the glove industry is 480 hours.

(b) If a worker who is being trained in any occupation set forth in § 522.222 has

been employed in the same occupation in the same branch of the industry within the previous three years, the total hours of such employment shall be deducted from the maximum learning period.

(c) In addition to paragraph (b) of this section, if a worker who is being trained in machine stitching on knit fabric gloves has been employed in machine stitching on leather gloves, or if a worker who is being trained in machine stitching on work gloves has been employed in machine stitching on any type of leather or knit fabric glove, within the previous three years, the total hours of such employment shall be deducted from the maximum learning period.

§ 522.224 *Subminimum rates.* (a) The subminimum rates which may be authorized in special certificates issued in the glove industry shall be not less than 60 cents for the first 320 hours and 65 cents for the remaining 160 hours.

§ 522.225 *Number or proportion of learners.* (a) The number of learners which any employer may be authorized to employ by any special certificate issued to meet normal labor turnover needs shall not exceed on any one work day ten percent of the total number of workers employed in the occupations designated in § 522.222: *Provided*, That as many as 10 learners may be authorized in any plant.

(b) Special certificates may be issued to new or expanding plants authorizing the employment of learners in authorized occupations to the extent of need.

§ 522.226 *Effective period of certificates.* (a) Special certificates issued to meet labor turnover needs may be issued for a period not longer than one year.

(b) Special certificates issued to new or expanding plants may be issued for a period not longer than necessary to complete the training of the total number of learners required by the new or expanding plant.

§ 522.227 *Removal of plant or transfer of production.* An applicant for a special learner certificate for a new or expanding plant, who is moving from a plant in another location or is transferring production from such plant, or who has recently so moved or transferred production, shall attach to his application a signed statement giving the following information for the purpose of enabling the Wage and Hour Division to determine whether there is satisfaction of the conditions prescribed by § 522.220:

(b) The average hourly earnings of all productive factory workers for the payroll period immediately preceding the initial curtailment of production in that

plant in connection with the transfer or removal.

TITLE 38—PENSIONS, BONUSES, AND VETERANS' RELIEF

Chapter I—Veterans' Administration

PART 3—VETERANS CLAIMS

MISCELLANEOUS AMENDMENTS

1. In § 3.1025, paragraphs (d) and (t) are amended to read as follows:

§ 3.1025 *Jurisdiction of the claims division, central office.* Within the jurisdiction of the claims division, central

office, including the central disability board, will be included claims for disability compensation, pension, and retirement pay of the following classes:

(d) Claims of all veterans of the Army of the Commonwealth of the Philippines (including alleged and recognized guerrillas) who do not reside within the Philippines.

(t) (1) Applications for automobiles and other conveyances for disabled veterans filed by retired officers, Veterans Administration employees, and foreign residents under Public Law 663, 79th Congress, as amended and extended.

(2) Applications for assistance to certain veterans in acquiring specially adapted housing under Public Law 702, 80th Congress, as amended.

(Interprets or applies sec. 8, 48 Stat. 10; 38 U. S. C. 708)

2. In § 3.1042, paragraph (a) is amended to read as follows:

§ 3.1042 *Desertion*—(a) *The act of April 26, 1898, as amended May 11, 1908.* Section 6 of the act of April 26, 1898, as amended by the act of May 11, 1908, provides that where a soldier deserts, all rights to disability pension are forfeited whether desertion was in time of peace or war. This act is applicable to all laws reenacted by section 30, Public No. 141, and Public No. 269, 74th Congress. This provision is expressly limited to soldiers and has no application to sailors, marines, or death pensioners. It is immaterial whether the service was terminated by an honorable discharge upon remission of sentence for the desertion after trial and conviction or that the proceedings were set aside for irregularity but desertion from an enlistment entered into subsequent to the service during which the injury was incurred or subsequent to the war during which the requisite service to convey entitlement to service pension was rendered, is not a bar to pension on the previous service. Conviction and sentence by court martial are not material but forfeiture for periods prior to June 22, 1944, will attach in case of desertion even where the soldier voluntarily surrenders, is restored to duty without a trial, and was thereafter honorably discharged. An act of Congress, removing a charge of desertion, pursuant to which an honorable discharge was issued by the War Department, as of the date of the occurrence previously recorded as desertion, erases all effects of the desertion, and an act of Congress providing that in the administration of the pension laws an individual shall be considered as honorably discharged, but not specifically removing a charge of desertion, will entitle the person to a pension, if otherwise in order, notwithstanding the acts of April 26, 1898, and May 11, 1908, if the legislative history discloses that it was the intent to grant a pension. The act of April 26, 1898, does not apply to pension predicated on service which terminated prior to that date: *Provided*, That on and after the approval of Public Law 346, 78th Congress, June 22, 1944,

where the veteran is restored to duty and subsequently honorably discharged, he may be awarded a pension under the reenacted Spanish-American War laws, if otherwise entitled thereto: *Provided further*, That notwithstanding desertion where the veteran is granted an honorable discharge under section 301, Public Law 346, 78th Congress, or under section 207, Public Law 601, 79th Congress, he may be awarded compensation or pension to which entitlement is otherwise shown, effective as provided in § 3.212 (d).

(Interprets or applies sec. 6, 30 Stat. 365, as amended, sec. 300, 58 Stat. 286; 10 U. S. C. 1432, 38 U. S. C. 693g)

TITLE 41—PUBLIC CONTRACTS

Chapter II—Division of Public Contracts, Department of Labor

PART 201—GENERAL REGULATIONS

ADMINISTRATIVE EXEMPTIONS

On May 18, 1950, a notice of the proposed revision of § 201.603 (b) so as to eliminate the exemption from the Public Contracts Act for Government contracts performed in Puerto Rico and the Virgin Islands was published in the FEDERAL REGISTER, and interested persons were given until June 15, 1950, to submit data, views or arguments pertaining to the amendment as proposed.

As stated in the notice, information available to the Department indicates no compelling reason for continuing the exemption for Government contracts performed in Puerto Rico and the Virgin Islands.

All comments relative to the proposed revision have been carefully considered, and tend to confirm the propriety of the

proposed amendment. Accordingly, pursuant to authority vested in me by the Walsh-Healey Public Contracts Act (49 Stat. 2038; 41 U. S. C. 40), § 201.603 (b) is hereby amended to read as follows:

§ 201.603 *Administrative exemptions.* The following classes of contracts have been exempted from the application of § 201.1 pursuant to the procedure required under section 6 of the act:

(b) Contracts for materials, supplies, articles or equipment no part of which will be manufactured or furnished within the geographic limits of the continental United States, Alaska, Hawaii, Puerto Rico, the Virgin Islands, or the District of Columbia: *Provided*, That the representations and stipulations required by the act and these regulations in any contract for materials, supplies, articles, or equipment to be manufactured or furnished in part within and in part outside such geographic limits shall not be applicable to any work performed under the contract outside such geographic limits.

The above amendment shall become effective as to all contracts subject to the Public Contracts Act, bids for which are solicited or negotiations otherwise commenced on or after November 1, 1950.

(Sec. 4, 49 Stat. 2038; 41 U. S. C. 38)

Signed at Washington, D. C., this 1st day of October 1950.

INTERSTATE COMMERCE COMMISSION

[49 CFR, Part 91]

[Ex Parte No. 174]

LOCOMOTIVES OTHER THAN STEAM

RULES AND INSTRUCTIONS FOR INSPECTION AND TESTING

OCTOBER 4, 1950.

Investigation will be conducted by the Commission in the above-entitled proceeding.

Nature of Investigation. The investigation is for the purpose of amending the rules and instructions for inspection and testing of locomotives other than steam prescribed by the Commission's order of December 14, 1925, as amended by order of March 2, 1936.

Authority for investigation. The investigation is made upon recommenda-

tion submitted by the Director of Locomotive Inspection pursuant to the provisions of the Locomotive Inspection Act of February 17, 1911, as amended by acts of March 4, 1915, June 7, 1924, June 27, 1930, and April 22, 1940.

Reasons for investigation. In recent months there have been accidents in which the unit of a locomotive other than steam had its brake system put out of commission by the loss of main reservoir air pressure and the locomotive unit, which had become disconnected, proceeded down the track out of control.

Proposed rule. The rule tentatively proposed as a substitute for Rule 205 (a) of the present rules and instructions prescribed by the Commission's orders referred to above is as follows:

§ 91.205. *Main reservoir system—*
(a) *Safety valve.* The main reservoir system of each unit shall be equipped with at least one safety valve, the capacity of which shall be sufficient to prevent an accumulation of pressure of more than 10 pounds per square inch above the maximum working air pressure fixed by the chief mechanical officer of the carrier operating the locomotive.

Each unit that has a pneumatically actuated system of power controls shall be equipped with a separate reservoir of air under pressure to be used for operating such controls, other than brake controls, which reservoir shall be provided with means to automatically prevent loss of pressure in event of failure of main reservoir air pressure, shall have storage capacity to permit not less than 3 complete operating cycles of control equipment and shall be so located that it will not be readily susceptible to damage. Each unit built before January 1, 1951, that has a pneumatically actuated control system of power control shall be so equipped the first time said unit receives repairs of a general nature after January 1, 1951, but not later than January 1, 1952.

This proposed rule is subject to any change or changes that may be made as a result of this investigation.

Written evidence, special rules. Evidence shall be submitted in written form at the times and in the manner provided for in the special rules of practice contained in Appendix A attached hereto.

Notice to parties in interest. Notice to the general public will be given by depositing a copy of this notice in the office of the Secretary of the Commission for public inspection, by filing a copy of the notice with the Director, Division of the Federal Register, and by serving copies on each common carrier subject to the Interstate Commerce Act and on each national organization of railroad employees.

By the Commission, Division 3.

[SEAL]

W. P. BARTELL,
Secretary.

APPENDIX A—SPECIAL RULES OF PRACTICE APPLICABLE IN DOCKET EX PARTE NO. 174

In addition to the general rules of practice, the following special rules will govern these proceedings.

1. *Submission of evidence in written form with affidavit attached.* The Commission desires that all evidence be submitted in written form with affidavits attached. Exhibits

may be attached to the written statements, and such exhibits should conform to the general rules of practice, particularly to Rules 81 to 84, inclusive. All evidence of each witness that is submitted in exhibit form should, so far as practicable, be incorporated in a single exhibit. The written evidence, with or without exhibits attached, will be referred to as verified statements, and each verified statement will be assigned a serial number by the Commission.

2. *Evidence-in-chief.* Evidence-in-chief of all parties should be submitted in the form of verified statements as provided in paragraph 1. Such verified statements, with accompanying exhibit or exhibits, should be made available to the Commission by filing 25 copies thereof with the Secretary of the Commission on or before November 15, 1950. Copies of such verified statements of the railroads should be made available to the parties by mailing a copy to any person who duly makes a request therefor to V. R. Hawthorne, Association of American Railroads, 59

East Van Buren Street, Chicago 5, Ill., on or before November 15, 1950. Parties other than the railroads will be expected to furnish the railroads with twenty-five (25) copies of all verified statements, such copies to be sent to V. R. Hawthorne at the address above specified, and to also furnish a copy thereof to any other party who may make a request therefor to the Secretary of the Commission on or before November 1, 1950. A list of the parties upon whom copies of verified statements should be served will be furnished the parties by the Secretary.

3. *Objections to evidence.* Notice of objections to receipt in evidence of any verified statement or any part thereof should be filed with the Secretary of the Commission on or before December 1, 1950. If the evidence is submitted on behalf of the railroads, a copy of the notice should be immediately mailed to V. R. Hawthorne; if the evidence is submitted on behalf of any other party, a copy of the notice should be immediately mailed to the witness or his attorney.

4. *Rebuttal evidence.* Evidence on rebuttal by any party must be designated as such, and filed with the Secretary of the Commission on or before December 15, 1951, even if the original evidence is objected to as provided in paragraph 3 hereof. Its presentation and distribution will be governed by the rules set forth in paragraphs 1 and 2 hereof.

5. *Cross-examination of witnesses.* If cross-examination of a witness is desired by any party written request therefor must be given to the Secretary of the Commission and to the witness, or his authorized attorney on or before January 1, 1951. The Commission will fix the time and place for cross-examination.

6. *Record.* The evidence presented and admitted pursuant to the provisions of the foregoing paragraphs of these special rules shall constitute the entire record in these proceedings upon which decision will be made.

PHILADELPHIA CO. AND EQUITABLE
SALES CO.

NOTICE OF FILING

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 6th day of October 1950.

Notice is hereby given that a joint application has been filed with this Commission relating to the liquidation and dissolution of Equitable Sales Company ("Sales"), a non-utility company, by Sales and its parent, Philadelphia Company ("Philadelphia"), a registered holding company and a subsidiary of Standard Gas and Electric Company and Standard Power and Light Corporation, both registered holding companies. Applicants have designated section 11 (e) of the Public Utility Holding Company Act of 1935 ("act") as applicable to the proposed transactions.

Notice is further given that any interested person may, not later than October 26, 1950, at 5:30 p. m., e. s. t., request the Commission in writing that a hearing be held on such plan, stating the nature of his interest, the reasons for such request and the issues, if any, of fact or law raised by the plan which he desires to controvert or may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed to the Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time thereafter the Commission may find that the plan is fair and equitable to the persons affected thereby and necessary to effectuate the provisions of section 11 (b) of the act, and may enter an order approving the plan.

All interested persons are referred to the plan, which is on file in the office of the Commission, for a statement of the transactions therein proposed, which may be summarized as follows:

Sales is incorporated under the laws of Pennsylvania and formerly conducted a retail gas and electric appliance business. In 1941 the business was discontinued and Sales has since been inactive and in the process of liquidation.

The outstanding securities of Sales consist of 4,653 shares of capital stock, par value \$100 per share, and four demand promissory notes aggregating \$400,000 in principal amount. As of

July 31, 1950, accrued and unpaid interest on these notes amounted to \$346,179.39. Philadelphia is the beneficial owner of all of the outstanding shares of capital stock of Sales and is also the payee and owner of the four promissory notes.

Applicants state that the realizable assets of Sales consist solely of cash and marketable securities which together aggregate \$399,124. Its liabilities, other than the outstanding notes and capital stock, consist of current liabilities in the amount of \$27.50 and taxes in the estimated amount of \$5.20 at July 31, 1950.

The plan proposes that Sales will wind up and settle its affairs and dissolve pursuant to the voluntary dissolution provisions of the Pennsylvania Business Corporation Law. Applicants state that the steps prescribed in those provisions will be taken promptly and in the order therein prescribed. In accordance therewith, the assets of Sales are to be applied first to the payment in full or to making adequate provision for the payment in full of all its debts and liabilities owing to persons other than Philadelphia. Thereafter the remaining assets (after conversion of non-cash assets to cash) are to be transferred to Philadelphia in payment on account of Sales's debts owing to Philadelphia. After such distribution of all of the assets of Sales, Philadelphia will release and cancel all remaining debts and liabilities owing to it by Sales and will surrender all of the outstanding shares of capital stock of Sales for cancellation. Thereafter Sales will be dissolved and its corporate existence terminated.

Philadelphia and Sales state that no commission other than this Commission has jurisdiction over the proposed transactions involved in carrying out the plan, that no fees will be paid in connection therewith, and that expenses are estimated at not to exceed \$300.

Philadelphia and Sales request that the Commission's order approving the plan be entered as soon as possible and that the Commission fixed December 31, 1950, as the time by which the plan is to be consummated.

By the Commission.
