together with the reasons therefor stated in as much detail as the Board determines that security considerations permit, to the Secretary of State for transmission to the Secretary General of the United Nations for his use in exercising his rights and duties with respect to the personnel of the United Nations as set out in the Charter and in regulations and decisions of the competent organs of the United Nations.

"6. At any stage during the investigation or Board proceeding, the Board may transmit to the Secretary of State, for forwarding to the Secretary General, in as much detail as the Board determines that security considerations permit, the derogatory information disclosed by investigation. This shall be for the purpose of assisting the Secretary General in determining whether or not he should take action with respect to the employee, or the person being considered for employment, prior to the completion of the procedures outlined in this order. The making available of any such information shall be without prejudice to the right of full hearing as provided for herein."

2. Paragraph 1 of Part II of Executive Order No. 10422 is amended to read as follows:

"1. The standard to be used by the Board in making an advisory determination as provided for in paragraph 5 of Part I of this order with respect to a United States citizen who is an employee of, or is being considered for employment by, the United Nations, shall

be whether or not on all the evidence there is a reasonable doubt as to the loyalty of the person involved to the Government of the United States."

3. Executive Order No. 10422 is further amended by adding the following new part at the end thereof:

**"PART IV—INTERNATIONAL ORGANIZATIONS EMPLOYEES LOYALTY BOARD**

"1. There is hereby established in the Civil Service Commission an International Organizations Employees Loyalty Board of not less than three impartial persons, the members of which shall be officers or employees of the Commission.

"2. The Board shall have authority in cases referred to it under this order to inquire into the loyalty to the Government of the United States of United States citizens employed, or considered for employment, by international organizations of which the United States is a member, and to make advisory determinations in such cases, under the standard set forth in Part II of this order, for transmission by the Secretary of State to the executive heads of the international organizations coming under the arrangements made pursuant to Parts I and III of this order.

"3. The Board shall make necessary rules and regulations, not inconsistent with the provisions of this order, for the execution of its functions. There shall be included in such rules and regulations provisions for furnishing each person whose case is considered by the Board:

(a) A written statement of the alleged derogatory information, in as much detail as security considerations permit.

(b) An opportunity to answer or comment upon the statement of alleged derogatory information, in writing, and to submit affidavits.

(c) An opportunity for hearing before the Board, or a panel thereof of at least three members, including the right of the

person to be represented by counsel, to present witnesses and other evidence in his behalf, and to cross-examine witnesses offered in support of the derogatory information: *Provided*, that the Board shall conduct its hearings in such manner as to protect from disclosure information affecting the national security.

"4. Based upon all the evidence before it, including such confidential information as it may have in its possession, the Board shall make its determinations in writing, and shall send to each person who is the subject thereof a copy. In cases in which hearing or other action is by a panel of three members, the action or determination of the panel shall constitute the action or determination of the Board, except that rules and regulations pursuant to paragraph 3 of this Part shall be adopted by action of the Board as a whole.

"5. Except as otherwise specified in this order, the Civil Service Commission shall provide the necessary investigative and other services required by the Board. All agencies of the executive branch of the Government are authorized and directed to cooperate with the Board, and, to the extent permitted by law, to furnish the Board such information and assistance as it may require in the performance of its functions.

"6. All cases arising under this order which are pending before the Regional Loyalty Boards and the Loyalty Review Board of the Commission on the effective date of Executive Order No. 10450 of April 27, 1953, shall on that date be transferred to the Board."

This order shall become effective on May 27, 1953.

## TITLE 26—INTERNAL REVENUE

### Chapter I—Bureau of Internal Revenue, Department of the Treasury

#### Subchapter A—Income and Excess Profits Taxes

[T. D. 6017; Regs. 130]

#### PART 40—EXCESS PROFITS TAX; TAXABLE YEARS ENDING AFTER JUNE 30, 1950

##### EXCESS PROFITS CREDIT BASED ON INCOME IN CONNECTION WITH CERTAIN EXCHANGES

On November 26, 1952, notice of proposed rule making, regarding amendments to Part II of Regulations 130 (26 CFR Part 40), relating to the excess profits credit based on income in connection with certain exchanges, to conform such Part to Title V of the Revenue Act of 1951 (other than section 521 of that Act), approved October 20, 1951, was published in the *FEDERAL REGISTER* (17 F. R. 10743). After consideration of all such relevant matter as was presented by interested persons relating to the rules proposed, the amendments to Regulations 130 set forth below are hereby adopted.

**PARAGRAPH 1.** There is inserted immediately preceding section 521 (b) (2) of the Revenue Act of 1951, which precedes § 40.461-1, the following:

SEC. 509. ALTERNATIVE AVERAGE BASE PERIOD NET INCOME (REVENUE ACT OF 1951, APPROVED OCTOBER 20, 1951).

• • • • • (b) Technical amendments.

• • • • • (2) Section 461 (relating to definitions for purposes of Part II) is hereby amended by inserting at the end thereof the following new subsection:

(g) *Application of section 442 (h).* For the purpose of this part, the reference to section 442 (c) in any section in this part shall be deemed a reference to section 442 (c) or (h).

SEC. 519. TELEVISION BROADCASTING COMPANIES (REVENUE ACT OF 1951, APPROVED OCTOBER 20, 1951).

Section 459, as added by section 516 to 518 of this Act, is hereby amended by adding after subsection (c) thereof the following new subsections:

• • • • • (d) *Television broadcasting companies.*

• • • • • (e) *Application of Part II.* The Secretary shall prescribe regulations for the application of Part II for the purpose of this subsection in the case of an acquiring corporation or a

component corporation in a transaction described in section 461 (a) which occurred prior to January 1, 1951.

PAR. 2. Section 40.461-6, as added by Treasury Decision 5865, approved November 13, 1951, is amended by changing the phrase "section 442 (c)" in paragraph (b) (1) thereof to read as follows: "section 442 (c) or (h)".

PAR. 3. Section 40.461-7, as added by Treasury Decision 5865, is hereby amended by adding at the end thereof the following:

(d) *Average base period net income determined with partial reference to section 435 (d).* The last two sentences of section 435 (d) as added by section 503 of the Revenue Act of 1951 (relating to a substitute 48-month period in lieu of the base period) are inapplicable for the purpose of any computations other than the determination of the average base period net income under the general average method of section 435 (d). Thus, in determining an alternative average base period net income under sections 442 (c), 442 (h) or 459 (d), with respect to a Part II transaction, the base period of the taxpayer and not the substitute 48-month period shall be used in computing the excess profits net income of such taxpayer.

(e) *Nonavailability of Part II in the case of an alternative average base period net income computed under any subsection of section 459 other than subsection (d) of such section.* An acquiring corporation which is qualified to compute its average base period net income under any subsection of section 459 other than subsection (d) of such section, and which was a party to a Part II transaction at any time during or after its base period, shall be entitled to determine its excess profits credit for any taxable year ending after the date of the Part II transaction, under Part II or under the applicable subsection of section 459, whichever produces the lesser excess profits tax for the taxable year, but shall not be entitled to apply the provisions of both Part II and the applicable subsection of section 459. The same rule is applicable to a component corporation in a Part II transaction, except that the provisions of section 461 (c) must be applied whether or not the excess profits credit is determined with reference to section 459.

(f) *Application of Part II in the case of an alternative average base period net income computed under section 459 (d).* A corporation which is qualified to compute its average base period net income under section 459 (d) and which was a party to a Part II transaction shall determine such average base period net income with reference to Part II if the Part II transaction occurred prior to January 1, 1951. For computations under section 459 (d) with reference to Part II, see § 40.461-8. In the case of a Part II transaction occurring on or after January 1, 1951, the rules stated in paragraph (e) of this section are applicable (except that the provisions of this paragraph shall continue applicable with respect to any previous Part II transaction occurring before January 1, 1951).

PAR. 4. There is added immediately after § 40.461-7, as amended by paragraph 3 of this Treasury decision, the following:

§ 40.461-8 *Rules for application of section 459 (d) under Part II.* Every corporation engaged in the business of television broadcasting throughout a period beginning before January 1, 1951, and ending with the close of the taxable year, which is a party to a Part II transaction occurring before January 1, 1951, whether as an acquiring corporation or as a component corporation, may compute its excess profits credit based on income with reference to section 459 (d) and to § 40.462-15. The provisions of the regulations under Part II applicable in the case of a taxpayer computing its excess profits credit with reference to section 435 (d) (the general average method for determining average base period net income) shall also be applicable to a taxpayer computing its excess profits credit under Part II with reference to section 459 (d), except as otherwise specifically provided in §§ 40.462-15, 40.463-1 (g) and 40.464-1 (f).

PAR. 5. There is inserted immediately preceding section 521 (b) (3) and (4) of the Revenue Act of 1951, which precedes § 40.462-1, the following:

SEC. 504. AVERAGE BASE PERIOD NET INCOME—ALTERNATIVE BASED ON GROWTH IN CASE OF NEW CORPORATIONS (REVENUE ACT OF 1951, APPROVED OCTOBER 20, 1951).

(b) *Amendment of Part II.* Section 462 (c) (relating to the use by an acquiring corporation in a Part II transaction of an alternative average base period net income based on growth) is hereby amended as follows:

(1) By amending paragraph (1) thereof to read as follows:

(1) In the case of a transaction described in section 461 (a), other than a transaction described in section 461 (a) (1) (E)—

(A) The acquiring corporation shall not be denied the right to determine whether it is eligible for the benefits of section 435 (e) without reference to the recomputation of its excess profits net income provided for in section 462 (b) where the transaction occurred on or after July 1, 1950, but it shall be denied such right where the transaction occurred prior to July 1, 1950.

(B) Where, immediately prior to the date of the transaction, the acquiring corporation and all the component corporations (other than a corporation created incident to such transaction) met the requirements of section 435 (e) (1). (A) (1), and, in case the transaction occurred on or after July 1, 1950, had commenced business prior to the beginning of its base period (determined without reference to section 461 (d)), the acquiring corporation shall be entitled to compute its average base period net income under section 435 (e) with reference to the recomputation of its excess profits net income provided for in section 462 (b) if the tests of section 435 (e) are satisfied. For that purpose, the acquiring corporation shall combine with its total payroll and its total gross receipts for that portion of its base period which preceded such transaction the total payroll and total gross receipts of such component corporations for that portion of such period and it shall combine with its net sales for that portion of the period prior to January 1, 1951, which preceded such transaction the net sales of such component corporations for that portion of such period. The allocation

## RULES AND REGULATIONS

of payroll and gross receipts amounts of a component corporation to any such portion of such period shall be made in accordance with the rules provided in section 435 (e) (4) and (5). For purposes of qualifying under section 435 (e) (1) (A) (1) (relating to total assets of the taxpayer), such acquiring corporation shall combine its total assets on the date specified in section 435 (e) (1) (A) (1) with the total assets of each component corporation on such date. The Secretary shall prescribe by regulations such rules as may be necessary to insure that such combined total gross receipts do not reflect a duplication for purposes of this section.

(C) Where, immediately prior to the date of the transaction, either the acquiring corporation or one or more component corporations (other than a corporation created incident to such transaction) did not meet the requirements of section 435 (e) (1) (A) (1), or, in case the transaction occurred on or after July 1, 1950, had not commenced business prior to the beginning of its base period (determined without reference to section 461 (d)), the acquiring corporation shall not be entitled to compute its average base period net income under section 435 (e) with reference to the recomputation of its excess profits net income provided for in section 462 (b). In any such case, where the transaction occurred on or after July 1, 1950, the monthly excess profits net income of the corporation entitled to the benefits of section 435 (e) for any month of the acquiring corporation's base period shall be, for purposes of the recomputation provided for in section 462 (b), one-twelfth of the average base period net income to which such corporation was entitled under section 435 (e), and such monthly excess profits net income shall be in lieu of the monthly excess profits net income determined under paragraphs (1) and (2) of section 462 (b).

(2) By striking from the second sentence of paragraph (2) thereof the words: "had commenced business prior to the beginning of its base period (determined without reference to section 461 (d)) and".

(3) By striking from paragraph (3) thereof the words "which had commenced business prior to the beginning of its base period" and by inserting in lieu thereof the following: "which had commenced business prior to the end of its base period".

PAR. 6. Section 40.462-1, as amended by Treasury Decision 5998, approved March 24, 1953, is further amended as follows:

(A) By changing the third sentence of paragraph (a) (1) to read as follows: "If computed with reference to section 462 (b), the excess profits net income of the acquiring corporation shall be the excess profits net income or deficit in excess profits net income for each month of the acquiring corporation's base period as defined in section 435 (b) (or the 48-month period prescribed in section 435 (d), if such period is available to the acquiring corporation), increased or decreased, as the case may be, by the addition or reduction resulting from including the excess profits net income or deficit in excess profits net income for that month of all component corporations in the manner provided in section 462 (b)."

(B) By changing the phrase "computed under section 442 (c) and (d)" in paragraph (a) (3) thereof to read as follows: "computed under section 442 (c), (d), or (h)".

(C) By inserting in the first sentence of paragraph (b) (1) (i) after the words "in the base period of the acquiring

corporation" the following: "(or the 48-month period prescribed in section 435 (d), if applicable)".

(D) By inserting in the first sentence of paragraph (b) (1) (iii) after the words "the acquiring corporation's base-period" the following: "(or the 48-month period prescribed in section 435 (d), if applicable)".

PAR. 7. Section 40.462-2, as added by Treasury Decision 5865, is amended as follows:

(A) By amending paragraph (b) (1) (i) (b) thereof to read as follows:

(b) (1) If the Part II transaction occurs before July 1, 1950, if the acquiring corporation recomputes its excess profits net income under section 462 (b), and if the acquiring corporation qualifies under the rules of section 435 (e) (1) (A) after applying the rules set forth in subdivision (ii) of this subparagraph; or

(2) If the Part II transaction occurs after June 30, 1950, if the acquiring corporation (other than a corporation created incident to such transaction) and all the component corporations actually commenced business prior to the beginning of the acquiring corporation's base period, if the acquiring corporation recomputes its excess profits net income under section 462 (b), and if the acquiring corporation qualifies under the rules of section 435 (e) (1) (A) after applying the rules set forth in subdivision (ii) of this subparagraph.

(B) By amending paragraph (b) (2) (i) (b) and (c) thereof by striking from the phrase "and all component corporations actually commenced business prior to the beginning of the acquiring corporation's base period" the word "beginning" and substituting in lieu thereof the word "end".

(C) By amending paragraph (c) (1) (i) (b) thereof by striking therefrom the following: "if the component corporation actually commenced business prior to the beginning of its base period".

(D) By amending paragraph (c) (2) (i) (b) thereof by striking therefrom the following: "if the component corporation actually commenced business prior to the beginning of its base period".

(C) By amending paragraph (a) (1) (ii) thereof by changing the phrase "under section 442 (a)" to read as follows: "under section 442 (a) or (h)".

The rules referred to in this paragraph are as follows:

(1) For this purpose, the base period experience of the component corporation prior to the date of the transaction shall be attributed to the acquiring corporation as if the business, or businesses, the assets, and the other items of the component corporation during the period prior to the transaction were those of the acquiring corporation.

(2) In applying the rule of subparagraph (1) of this paragraph, proper adjustment as to each item shall be made to prevent duplication, including the elimination of such portion of any item with respect to the component corporation or the acquiring corporation as is attributable to transactions between either such component corporation and the acquiring corporation or such component corporation and another component corporation.

(3) In determining under the rules of subparagraphs (1) and (2) of this paragraph the total assets for any day prior to the date of the Part II transaction, the provisions of section 470 shall be applicable with respect to the assets of the component corporation if such section is applicable to the Part II transaction.

(b) *Part II transactions described in section 461 (a) (1) (E).* In the case of a Part II transaction described in section 461 (a) (1) (E) which occurred prior to January 1, 1951, the provisions of paragraph (a) of this section shall be applicable subject to the following rules:

(1) For the purpose of section 459 (d) (2) (A), there shall be available to the acquiring corporation only such portion of each item of the component corporation's base period experience prior to the transaction as is allocable to the properties of such component corporation transferred to the acquiring corporation, determined under section 462 (i) without regard to any items attributable to the television properties.

(2) For the purpose of section 459 (d) (2) (B), the base period experience or the portion of the average base period net income, as the case may be, attributable to the television properties shall be allocated on the basis of such properties transferred or retained.

(3) The special rules of § 40.461-7 (b) are applicable in the case of a transfer to an acquiring corporation not created incident to the Part II transaction or in the case of a transfer by more than one component corporation to an acquiring corporation.

(c) *Other applicable rules.* (1) If the stock in the component corporation is acquired by the acquiring corporation under circumstances requiring an adjustment under the principles of section 462 (j) (1) and § 40.462-10, the following rules shall apply subject to the principles of such sections.

(i) The base period experience of the component corporation shall, for the purpose of the determination under section 459 (d) (2) (A), be excluded to the extent attributable to such stock.

(ii) For the purpose of the determination of the individual rate of return under section 459 (d) (4), the base period experience of the component corporation attributable to the business of radio broadcasting (including total assets so attributable) shall be excluded for the period prior to the acquisition of such stock to the extent attributable to such stock.

(iii) If the acquisition of the stock occurs after the date as of which the ratio specified in section 459 (d) (5) is determined, then, such ratio shall, to the extent the assets used in the television broadcasting business are attributable to such stock, be determined and be applied as of the date of the acquisition of the

stock. See also subparagraph (2) of this paragraph.

(2) For the purpose of the determination under section 459 (d) (2) (A), the provisions of section 459 (d) (5) shall (subject to the rule of subparagraph (1) (iii) of this paragraph, if applicable) be applied to the combined base period experience of the acquiring corporation and the component corporation, that is, the ratio under section 459 (d) (5) shall be determined (whether for a date prior to or after the Part II transaction) on the basis of the total assets of both corporations, and the ratio shall be applied to the excess profits net income of the acquiring corporation as determined under this section with reference to the component corporation. See paragraph (a) (1) and (3), of this section.

(3) If the Part II transaction occurred in a taxable year of the acquiring corporation ending after June 30, 1950, proper adjustment shall be made, under the principles of § 40.462-11, in determining the excess profits credit for such taxable year so that the benefit to the acquiring corporation from the application of section 459 (d) with respect to the component corporation shall be reduced to an amount which is such portion thereof as the number of days in the taxable year after the transaction is of the total number of days in such taxable year.

(4) For other applicable rules, see, in general, § 40.461-8.

PAR. 11. Section 40.463-1, as added by Treasury Decision 5865, is amended as follows:

(A) By adding after paragraph (b) (8) the following:

(9) For the purpose of section 435 (g) (8) (relating to adjustments for changes in inadmissible assets in case of banks) the original total assets, the average total assets, and the increase or decrease in total assets of the taxpayer shall be determined under the rules provided in this section for the determination of original inadmissible assets, average inadmissible assets, and the increase or decrease in inadmissible assets, as if the rules had reference to all assets, whether admissible or inadmissible assets as defined in section 440.

(10) For the purpose of section 435 (g) (10), the determination of an increase in operating assets shall be made under the rules provided in this section for the determination of an increase in inadmissible assets.

(B) By adding after the second sentence of paragraph (d) (2) the following: "In the computation for this purpose, section 445 (c) provides that the net capital addition or reduction shall be computed without regard to the limitation to 75 percent provided in section 435 (g) (3) (C) and section 435 (g) (4) (C) and (E);"

(C) By striking the words "and (8)" in paragraph (f) (1) (iii) and inserting in lieu thereof the following: "(8), (9) and (10)".

(D) By inserting at the end thereof the following:

(g) *Application of section 459 (d).* If the average base period net income is computed with reference to section 459 (d), the net capital addition or reduction computed under this section shall be adjusted in the manner required by section 459 (d) and the regulations thereunder. For the purpose of such adjustment, the principles of § 40.462-15 (a) (1) shall be applicable.

PAR. 12. Section 40.464-1, as added by Treasury Decision 5865, is amended as follows:

(A) By amending the phrase appearing in the second sentence of paragraph (a) (1) thereof and reading "under section 442 (c) with reference to section 462 (d)" to read as follows: "under section 442 (c) or (h) with reference to section 462 (d)".

(B) By adding immediately after the third sentence of paragraph (a) (1) thereof the following: "No base period capital addition shall be allowed the acquiring corporation with respect to any corporation a party to the Part II transaction (whether the acquiring or component corporation) the monthly excess profits net income of which is computed under section 435 (e) and section 462 (c) (1) (C) (see § 40.462-2 (b) (1) (iii) and (2) (iii)); or, except to the extent provided by section 435 (f) (3), if the monthly excess profits net income of the corporation is computed under section 442 (c), (d), or (h) and section 462 (d) (2) (B) (see § 40.462-4 (a) (2) and (b) (2))".

(C) By inserting at the end thereof the following:

(f) *Application of section 459 (d).* If the average base period net income is computed with reference to section 459 (d), the base period capital addition computed under this section shall be adjusted in the manner required by section 459 (d) and the regulations thereunder. For the purpose of such adjustment, the principles of § 40.462-15 (a) (1) shall be applicable.

#### PART 81—REGULATIONS RELATING TO ESTATE TAX

##### TRANSFERS DURING LIFE

Section 81.15 of Regulations 105, to the extent that it relates to estate tax consequences of transfers of community property in the case of decedents dying after October 21, 1942, and before January 1, 1948, amended.

Section 81.15 of Regulations 105 (26 CFR, Part 81), as amended by Treasury

## RULES AND REGULATIONS

Decision 5834, approved March 8, 1951, is further amended by striking therefrom the second and third sentences of paragraph (b) which sentences commence "The same statutory provisions" and "If in the case of a decedent", respectively.

Because the purpose of this Treasury decision is merely to eliminate from the regulations the provisions which state that a division of community property between the decedent and his spouse may cause the value of such property to be included in the gross estate of the decedent under section 811 (c) or (d), it is found that it is unnecessary to issue this Treasury decision with notice and public procedure thereon under section 4 (a) of the Administrative Procedure Act, approved June 11, 1946, or subject to the effective date limitation of section 4 (c) of said act.

INTERNAL REVENUE CODE, AS AMENDED

TRANSFERS REACHED

Section 86.2 (c) of Regulations 108 relating to gift tax consequences of transfers of community property after 1942 and on or before April 2, 1948, amended.

Section 86.2 (c) of Regulations 108 (26 CFR, Part 86), as amended by Treasury Decision 5698, approved May 13, 1949, is further amended as follows:

(A) By adding at the end of subparagraph (1) thereof the following: "No gift tax results from a transfer after December 31, 1942, and on or before April 2, 1948, of separate property of either spouse into community property.

(B) By striking therefrom subparagraph (2) thereof.

Because the purpose of this Treasury decision is merely to eliminate from the regulations the provisions which state that a division of community property after 1942 and on or before April 2, 1948, constitutes a gift, it is found that it is unnecessary to issue this Treasury decision with notice and public procedure thereon under section 4 (a) of the Administrative Procedure Act, approved June 11, 1946, or subject to the effective date limitation of section 4 (c) of said act.

Air Force**

**Subchapter C—Claims and Accounts**

**PART 836—CLAIMS AGAINST THE UNITED  
STATES**

**CLAIMS UNDER ARTICLE 139, UNIFORM CODE  
OF MILITARY JUSTICE**

Sections 836.51 to 836.56 supersede §§ 836.51 to 836.57 (17 F. R. 3325-26) as follows:

Sec.

836.51 Purpose.

836.52 Claims payable.

836.53 Claims not payable.

836.54 Procedure.

836.55 Conditions of payment.

836.56 Effect of court-martial proceedings.

AUTHORITY: §§ 836.51 to 836.56 issued under sec. 1, 64 Stat. 144; 50 U. S. C. 735.

DERIVATION: AFR 112-5.

§ 836.51 *Purpose.* Sections 836.51 to 836.56 outline the procedure for the administrative settlement of claims arising under Article 139 of the Uniform Code of Military Justice (64 Stat. 144; 50 U. S. C. 735).

§ 836.52 *Claims payable.* Any claim falling within the statutory provisions of Article 139 of the Uniform Code of Military Justice (64 Stat. 144; 50 U. S. C. 735), not hereinafter excluded, may be submitted for consideration under §§ 836.51 to 836.56 and in proper cases approved for payment: *Provided*, That such damage, loss, or destruction was caused by riotous, violent or disorderly conduct or acts of depredation, willful misconduct or such reckless disregard of property rights as to carry an implication of guilty intent (see §§ 836.53 and 836.55).

§ 836.53 *Claims not payable.* Claims otherwise within the scope of §§ 836.51 to 836.56 are nevertheless not payable under their provisions when the damage, loss, or destruction of property involves any of the following:

(a) *Claims payable under other regulations.* Claims payable under the provisions of §§ 836.11 to 836.24, §§ 836.31 to 836.46; §§ 836.61 to 836.83; §§ 836.90 to 836.108, or §§ 836.141 to 836.148 are not payable under the provisions of §§ 836.51 to 836.56. No charges (stoppages) against the pay of responsible persons will be made under §§ 836.51 to 836.56 to reimburse the Government for payments made under such other regulations: *Provided*, That claims which are within the scope of §§ 836.51 to 836.56, and also within the scope of §§ 836.61 to 836.83, but the act or omission occurred outside the scope of the members' employment (see § 836.66 (b)), may be processed under §§ 836.51 to 836.56, either in whole or in part, where specific authority to do so has been obtained from the designated authority (foreign claims commission) having jurisdiction over claims arising in foreign countries in such overseas command.

(b) *Claims resulting from simple negligence.* Claims resulting from the simple negligence of the responsible person

whether or not within the scope of his employment.

(c) *Claims of subrogees.* Claims of insurers and other subrogees.

(d) *Insured losses.* Any portion of a claim covered by insurance regardless of whether claim is made against the insurer or not.

(e) *Claims for personal injury or death.* Claims for personal injury or death.

(f) *Acts or omissions within scope of employment.* Claims for damage, loss or destruction of property resulting from acts or omissions of the responsible person while acting within the scope of his employment.

(g) *Absence of riotous, violent and disorderly conduct.* Claims arising from larceny, forgery, deceit, embezzlement, fraud, misappropriation, and misapplication, where the wrongful taking is accomplished under conditions of stealth, deception, trickery, or device, unaccompanied by any force, violence, riotous, or disorderly conduct.

(h) *Stale complaint or claim.* Complaints presented over 90 days after the incident out of which the claim arises, unless the commander taking action on the report of the board (see § 836.54 (c) (i)) determines that good cause has been shown for the delay in making the complaint. Such commander's determination that good cause has or has not been shown is final.

(i) *Government property.* Property owned by the United States and its instrumentalities, including property furnished through the Armed Forces Clothing Monetary Allowance System or through issue.

(j) *Contributory negligence.* When the negligent or wrongful act of the claimant, or his agent or employee while acting within the scope of his employment, in whole or in part, is the proximate cause of the incident giving rise to the claim.

(k) *Indirect damages.* Indirect and consequential damages (see § 836.3 (c) (5)).

§ 836.54 *Procedure—(a) Action by injured person.* Any person who believes that his property has been willfully damaged or wrongfully taken by a member of the Air Force may complain, orally or in writing to the commander of the person alleged to be the offender. However, if the organization or detachment of the alleged offender is unknown, the injured person may complain to the commander of the nearest Air Force unit or installation (see §§ 836.2 and 836.3 (e)). Such a complaint should, before action thereon, be accompanied by a claim for damages in writing, in triplicate, and for a definite amount (see § 836.3 (b)). Where appropriate, such a claim may be regarded as the complaint.

(b) *Action on complaint—(1) By commander receiving complaint.* The commander to whom such a complaint is submitted will, if he is authorized to appoint a claims officer, convene a board of from one to three officers to investigate the complaint, to ascertain and report the facts, and to make findings and recommendations relating to the claim or

the assessment of the damages sustained against the responsible parties, or forward the complaint direct to the commander concerned for necessary action in accordance herewith.

(2) *By a board of officers.* The claims officer may act as a board of one officer without further appointment in any case referred to him by the commander who does not convene a special board to investigate the complaint. Such a board is empowered to summon and examine witnesses, to receive documentary and other evidence, to determine whether the claim is cognizable under Article 139 of the Uniform Code of Military Justice (64 Stat. 144; 50 U. S. C. 735) and whether the alleged offender is a member of the command of the officer appointing the board. If an appearance of the alleged offender before the board is not practicable, he will, after all available witnesses have been heard, be afforded an opportunity to submit any pertinent evidence he may desire to have the board consider. If the board finds that the claim is cognizable under the provisions of Article 139 and §§ 836.51 to 836.56 it may recommend an assessment of the damages sustained against the responsible parties, in accordance with the provisions of §§ 836.51 to 836.56 and § 836.4, or, in either event, it may recommend disapproval of the claim in accordance with the provisions of §§ 836.51 to 836.56. However, where the offenders cannot be identified but the organization or detachment to which they belong is known, such assessments totaling the amount of damages sustained may be recommended in such proportion as may be deemed just upon the individual members thereof who were found by the board to have been present at the scene at the time the damages complained of were inflicted.

(c) *Action by appointing commander on the report of the board—(1) Where the alleged offender is found to be a member of his command.* If the board finds that the claim is or is not cognizable under Article 139 of the Uniform Code of Military Justice and recommends an assessment against a member of the command of the appointing commander, or disapproval of the claim, the appointing commander will refer the report to a staff judge advocate, judge advocate, or any other officer qualified as provided by Article 27 of the Uniform Code of Military Justice (64 Stat. 117; 50 U.S.C. 591), for review and recommendation before approving or disapproving the report. If no such officer is available he will refer the report to the next higher headquarters having such an assigned officer, for such review and recommendation. After considering this review and recommendation, the appointing commander, or his successor in command, will personally determine whether the claim is within the provisions of Article 139 and §§ 836.51 to 836.56. If he finds that the claim is within the provisions thereof, he will personally fix the amount to be charged against the pay of any offender in his command, which will not be in excess of the assessment recommended by the board. If the offender cannot be ascertained but the organization or detachment is known and it is in his command,

such charges, totaling the amount of damages assessed and approved, may be made in such proportion as may be deemed just upon the individual members of such organization or detachment who are shown to have been present at the scene at the time the damages complained of were inflicted, as determined by the approved findings of the board. The amount so approved will be entered on the offender's Military Pay Record to be stopped against his pay and the amount so stopped or collected will be paid to the claimant by the disbursing officer having custody of the offender's pay record. Any order of the commander directing such charges (stoppages) against the pay of the offender shall be conclusive on any disbursing officer for the payment by him to the claimant of the damages so assessed and approved. (See paragraph (e) of this section.) The claimant and the offender will be promptly notified, in writing, of the action taken.

(2) *Where the alleged offender is found to be a member of another command.* In such circumstances, the appointing commander will forward the complaint and a copy of the report direct to the commander of the alleged offender, if known, for necessary action. The latter will then take action as provided in subparagraph (1) of this paragraph, or he may refer the complaint and report to a board for such further proceedings as may be necessary before taking such action.

(3) *Where the alleged offender is found to be a member of another armed force of the United States.* In such circumstances, the appointing commander will forward the complaint and a copy of the report to The Judge Advocate General, United States Air Force, for transmission to the service concerned. The claimant will also be informed of such disposition of his complaint.

(4) *Where the alleged offender is found not to be a member of an armed force of the United States.* In such circumstances, the appointing commander will disapprove the claim in accordance with the procedure outlined in subparagraph (1) of this paragraph.

(d) *Reconsideration of action.* The action of the commander, in approving or disapproving the claim and/or the findings and assessment of damages, in whole or in part, as provided in paragraph (c) (1) of this section, is not subject to appeal by the claimant or the offender, but errors or irregularities may be corrected by the commander. Requests for such reconsideration or review will be in writing and will be submitted to such commander by the claimant or offender within 10 days after receipt of notice of the action taken, together with the supporting evidence, in triplicate, indicating fraud, error of law, regulation, fact and/or calculation. The following rules govern reconsideration action:

(1) *The appointing commander.* The commander who took such original action on the claim may reconsider and change his former decision, which was favorable or unfavorable to the offender, if he determines that the original finding was wrong, so long as he is still the commander of the unit or installation

concerned, and regardless of whether the offender has been transferred.

(2) *Successor in command.* If the appointing commander has ceased to be the commander of the unit or installation, his authority to reconsider and change his decision which was favorable or unfavorable to the offender is lost. However, his successor in that command may change the original decision even though the offender has been transferred, but only upon the basis of newly discovered evidence, fraud or obvious error of law, fact, or calculation appearing on the face of the record.

(3) *Commander of offender's new command.* The commander of the unit or installation to which the offender has been transferred has no authority to change a decision which was favorable or unfavorable to the offender, unless the original unit has been disbanded, in which event he may take the corrective action authorized in subparagraph (2) of this paragraph, provided he could have appointed such a board under paragraph (b) of this section.

(4) *Responsible command.* If the commander of the responsible command desires to relieve or charge an offender improperly charged or relieved in the first instance the report will be returned and all errors or irregularities will be called to the attention of the commander who ordered the charges or disapproved the claim. Such commander will promptly reconsider the action in accordance with the rules set forth in subparagraphs (1), (2) and (3) of this paragraph, and correct any such errors or irregularities, removing as to future payments any improper charges so ordered, and approving any claim improperly denied.

(e) *Remission of indebtedness.* There can be no remission of an assessment properly charged against an offender without the consent of the injured person. The act of May 22, 1928, as amended by the act of June 26, 1934 (45 Stat. 698, 48 Stat. 1222; 10 U. S. C. 875a), and Transfer Order 25, October 14, 1948 (13 F. R. 6270), which authorizes the Secretary of the Air Force to remit and cancel indebtedness of an airman to the United States or any of its instrumentalities, is not applicable to permit the remission and cancellation of assessments determined under §§ 836.51 to 836.56, since the cited statute applies only to indebtedness to the United States or any of its instrumentalities and Article 139 of the Uniform Code of Military Justice is never applied where only Government property is involved.

§ 836.55 *Conditions of payment.* Prior to assessment and payment of any claim under the provisions of §§ 836.51 to 836.56, each of the following conditions must be fulfilled:

(a) The claim must relate to real or personal property, excluding property of the United States. (See § 836.53 (i)).

(b) The property must have been willfully damaged or wrongfully taken by military personnel of the Air Force.

(c) The offender must be a member of the Air Force at the time the complaint is filed.

## RULES AND REGULATIONS

(d) The amount of the damage, loss, or destruction must be determined.

(e) Damages assessed against the responsible parties by the board must be approved personally by their commander (see § 836.54 (c) (1)).

(f) The commander of the offender must have personally ordered the charges against his pay (see § 836.54 (c) (1)).

(g) The complaint must have been presented within 90 days; also the claim must be in writing, for a definite amount, and relate to damage caused by the acts of the offender.

(h) The negligent or wrongful act of the claimant, his employee or agent, must not have been the proximate cause of the incident from which the claim arose.

(i) The claim, or any approved portion thereof, must not be excluded by any of the provisions of §§ 836.51 to 836.56 (see § 836.53).

(j) The offender must have been afforded a right of appearance before the board or the right to inspect the record of evidence and to submit evidence, unless the offender waived such rights either expressly or by his own act.

**§ 836.56 Effect of court-martial proceedings.** Administrative action under §§ 836.51 to 836.56 is separate and distinct from, and is not affected by, any disciplinary action taken, or to be taken, against the offender; consequently such a person may be tried and punished for any military offense involved without regard to the proceedings under §§ 836.51 to 836.56. In such circumstances, the two proceedings, one penal and the other pecuniary, are legally independent of each other and action in one proceeding is not determinative in the other.

SOUTHWESTERN DEVELOPMENT CO. ET AL.

ORDER AUTHORIZING ISSUANCE AND SALE OF  
UNSECURED NOTES BY PARENT COMPANY  
TO BANKS AND ISSUANCE AND SALE OF LIKE  
AMOUNT OF NOTES BY SUBSIDIARIES TO  
PARENT

MAY 29, 1953.

In the matter of Southwestern Development Company, Amarillo Gas Company, Amarillo Oil Company, West Texas Gas Company, File No. 70-3058.

Southwestern Development Company ("Southwestern"), a registered holding company, and its wholly-owned subsidiaries, Amarillo Gas Company ("Amarillo Gas"), Amarillo Oil Company ("Amarillo Oil") and West Texas Gas Company ("West Texas") having filed an application-declaration, pursuant to sections 7, 10 and 12 of the Public Utility Holding Company Act of 1935 ("act"), with respect to the following transactions:

Southwestern has outstanding \$5,500,000 principal amount of notes payable to Guaranty Trust Company of New York ("Guaranty") under a loan Agreement dated August 11, 1950, and Supplemental Loan Agreements dated September 12, 1951, and July 15, 1952. Southwestern now proposes, pursuant to a Third Supplemental Agreement dated April 28, 1953, to borrow from Guaranty \$4,500,000 from time to time but in no event later than November 1, 1953. Said borrowings will be evidenced by unsecured promissory notes dated as of the date of each such borrowing, maturing on September 1, 1954 and bearing interest at the rate of 3 1/4 percent per annum. In the event of prepayment of said notes, Southwestern is required to pay a premium of 1/2 of 1 percent of the amount prepaid, except that no such premium shall be payable if prepayment is made from the proceeds of loans having a final maturity not earlier than 10 years from the date thereof. After the issuance of the notes under the said Agreement of April 28, 1953, any prepayments will be

divided between all the notes outstanding under the Loan Agreement and Supplements thereto pro rata as to the unpaid principal amount of each such note. Southwestern is to pay a commitment fee, computed at the rate of 1/2 of 1 percent per annum, from April 28, 1953, to November 1, 1953, on the unused portion of the bank's commitment to lend \$4,500,000.

Southwestern proposes to advance the total proceeds of said loan to Amarillo Gas, Amarillo Oil and West Texas from time to time in the following aggregate principal amounts: Amarillo Gas, \$500,000; Amarillo Oil, \$600,000; and West Texas, \$3,400,000. Each such sum advanced by Southwestern to the subsidiaries will be evidenced by promissory notes bearing the same date of issuance and maturity and the same rate of interest as the notes to be issued by Southwestern to Guaranty. As at March 31, 1953, Amarillo Gas, Amarillo Oil and West Texas had outstanding notes payable to Southwestern in the respective amounts of \$1,155,000, \$1,054,830.53 and \$6,695,000.

Applicants-declarants state that the proceeds from the proposed loans will be used by the subsidiary companies to make enlargements and extensions to their natural gas facilities, to refund outstanding customer security deposits, to provide adequate working capital and for other corporate purposes. The aggregate construction requirements for the above subsidiaries for 1953 are estimated at \$4,102,000 and customer security deposits aggregate approximately \$1,114,000.

It is represented that no State commission or any other Federal commission has jurisdiction over the proposed transactions, and that no finders' fee or commission is to be paid. It is estimated that legal fees and other expenses in connection with the proposed transactions will not exceed \$1,000. Applicants-declarants request that the Commission's order herein become effective upon issuance.

Due notice having been given of the filing of the application-declaration and a hearing not having been requested of or ordered by the Commission; and the Commission finding that the applicable provisions of the act and the rules promulgated thereunder are satisfied and that no adverse findings are necessary, and deeming it appropriate in the public interest and in the interest of investors and consumers that said application-declaration be granted and permitted to become effective forthwith without the imposition of terms and conditions, other than those prescribed in Rule U-24:

It is ordered, Pursuant to Rule U-23 and the applicable provisions of the act that said application-declaration be, and it hereby is, granted and permitted to become effective forthwith, subject to the terms and conditions prescribed in Rule U-24.

By the Commission.

MAY 29, 1953.

Notice is hereby given that Union Producing Company ("Union"), a non-utility subsidiary of United Gas Corporation, which corporation is a subsidiary of Electric Bond and Share Company, a registered holding company, has filed an application and an amendment thereto, pursuant to the Public Utility Holding Company Act of 1935, and has designated sections 9 and 10 thereof as applicable to the proposed transactions which are summarized as follows:

Union proposes to acquire from time to time promissory notes of (a) Northeast Mississippi Oil Company in an aggregate principal amount not to exceed \$30,000, and of (b) the Estate of Malcolm N. McCaskill, Howard G. Nason and Charles McCamic, in an aggregate principal amount not to exceed \$150,000. The promissory notes, which will evidence loans by Union to the above mentioned borrowers, will bear interest at the rate of 6 percent per annum and will be secured by assignments to Union of the borrowers' interests in certain oil and gas leases owned jointly with Union. The notes will mature on or before two years after date of issue and are to be repaid out of funds the borrowers are entitled to receive pursuant to the terms of an agreement covering the operation of the jointly owned leases. The application states that the funds so borrowed will be used by the borrowers to pay their share of expenses of maintaining jointly owned leases and for the payment of other obligations of the borrowers.

Notice is further given that any interested person may, not later than June 15, 1953, at 5:30 p. m., e. d. s. t., request the Commission in writing that a hearing be held on such matter, stating the nature of his interest, the reasons for such request, and the issues of fact or law, if any, raised by the said application as amended which he desires to controvert, or may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW, Washington 25, D. C. At any time after June 15, 1953, said application, as amended, may be granted as provided in Rule U-23 of the rules and regulations promulgated under the act, or the Commission may exempt such transactions as provided in Rule U-20 (a) and Rule U-100 thereof. All interested persons are referred to said application which is on file at the offices of this Commission for a statement of the transactions therein proposed.

AMERICAN GAS AND ELECTRIC CO. AND  
INDIANA & MICHIGAN ELECTRIC CO.ORDER AUTHORIZING (A) THE ISSUANCE AND  
SALE OF COMMON STOCK OF HOLDING COMPANY  
AT COMPETITIVE BIDDING SUBJECT TO  
RESERVATION UNDER RULE U-50 AND (B)  
ISSUANCE AND SALE TO HOLDING COMPANY  
BY A SUBSIDIARY COMPANY OF COMMON  
STOCK

MAY 29, 1953.

American Gas and Electric Company ("American Gas"), a registered holding company, and Indiana & Michigan Electric Company ("Indiana & Michigan"), an electric utility subsidiary of American Gas, having filed a joint application-declaration with this Commission pursuant to the Public Utility Holding Company Act of 1935 ("act"), particularly sections 6, 7 and 10 thereof, and Rule U-50 of the rules and regulations promulgated thereunder, with respect to the following transactions:

American Gas proposes to issue and sell pursuant to the competitive bidding requirements of Rule U-50, 800,000 shares of its \$5 par value common stock. Of the proceeds of the sale, \$8,000,000 will be used by American Gas to purchase 100,000 additional shares of the no par value common stock of its subsidiary Indiana & Michigan which will utilize the funds to enable it to proceed with its construction program involving expenditures of approximately \$32,800,000 during 1953. The balance of the proceeds will be added to American Gas' treasury funds. It is anticipated by the company that within six months the balance will be used to acquire additional equity securities of some of its operating subsidiary companies and of Ohio Valley Electric Corporation. American Gas owns 37.8 percent of the common stock of the latter company which was organized by American Gas and certain non-affiliated companies to supply electric power to the Atomic Energy Commission.

Indiana & Michigan operates in the States of Indiana and Michigan. The filing indicates that the Public Service Commission of Indiana, in which State Indiana & Michigan is organized, and the Michigan Public Service Commission have jurisdiction over the issue and sale of common stock by Indiana & Michigan, and have authorized said issue and sale at the price and under the terms proposed.

American Gas has requested that the minimum period for receiving competitive bids pursuant to Rule U-50 be shortened to six days.

Appropriate notice of said filing having been given in the form and manner prescribed by Rule U-23 promulgated pursuant to the act, and the Commission not having received a request for a hearing with respect to said joint application-declaration within the period specified in said notice, or otherwise, and not having ordered a hearing thereon;

The Commission finding with respect to the joint application-declaration, as amended, that the requirements of the applicable provisions of the act and rules promulgated thereunder are satisfied,

that no adverse findings are necessary thereunder, and deeming it appropriate in the public interest and in the interest of investors and consumers that said joint application-declaration, as amended, be granted and permitted to become effective:

*It is hereby ordered*, Pursuant to Rule U-23, and the applicable provisions of the act, that said joint application-declaration, as amended, be, and hereby is, granted and permitted to become effective forthwith, subject to the terms and conditions prescribed in Rule U-24, and to the further condition that the proposed issuance and sale by American Gas of the 800,000 shares of common stock shall not be consummated until the results of competitive bidding pursuant to Rule U-50 shall have been made a matter of record in this proceeding, and a further order shall have been entered with respect thereto, which order shall contain such further terms and conditions as may then be deemed appropriate, for which purpose jurisdiction be, and the same hereby is, reserved.

*It is further ordered*, That the ten-day period for competitive bids, as provided by Rule U-50 (b), be shortened to six days.

*It is further ordered*, That jurisdiction be, and hereby is, reserved over all fees and expenses to be incurred in connection with the proposed transactions.

By the Commission.

MEMORANDUM OPINION AND ORDER REVOKING  
BROKER-DEALER REGISTRATIONS

MAY 29, 1953.

In the matter of Canadian Alliance Corporation Limited, 360 St. James Street, West Montreal, Canada; Harry Glantz, 80-82 Wall Street, New York 5, New York; N. G. M. Lougheed, 1406 Royal Bank Building, Vancouver, B. C.; Mitchell Securities Corporation, 129 Allen Building, Midland, Texas; Robert A. Mulligan, 94 Second Avenue, Newark, New Jersey.

These are proceedings pursuant to section 15 (b) of the Securities Exchange Act of 1934 ("the act") to determine whether the registrants named above, each of whom is registered as broker and/or dealer, willfully violated section 17 (a) of the act and Rule X-17A-5 thereunder and, if so, whether it is in the public interest to revoke their registrations.<sup>1</sup>

The proceedings were instituted by the issuance of separate notices and orders for hearing, copies of which were sent

<sup>1</sup> Section 15 (b) provides in part: "The Commission shall, after appropriate notice and opportunity for hearing, by order \*\*\* revoke the registration of any broker or dealer if it finds that such \*\*\* revocation is in the public interest and that (1) such broker or dealer \*\*\* (D) has willfully violated any provision \*\*\* of this title, or of any rule or regulation thereunder."

by registered mail to the addresses last furnished us by the registrants in their registration applications or amendments thereto. The notices sent to Canadian Alliance Corporation Limited and Harry Glantz were received by agents for each of those registrants, but the notices sent to N. G. M. Lougheed, Mitchell Securities Corporation and Robert A. Mulligan were returned to us by the Post Office Department with notations indicating that those registrants could not be found at the addresses given.<sup>2</sup> None of the registrants appeared in person or was represented by counsel on the date set for hearing.

On November 28, 1942, we promulgated Rule X-17A-5 under section 17 (a) of the act, which provides, among other things, that every registered broker or dealer must file with this Commission a report of financial condition during each calendar year commencing with the year 1943. Promulgation of the rule was announced by publication in the *FEDERAL REGISTER*, by release to the press, and by distribution to persons on our mailing list.

The registrations of the registrants have not been withdrawn, cancelled, revoked or suspended, and as of the institution of the proceedings were in full force and effect. Our records show that the registrants failed to file the required reports.

Upon review of the records in these proceedings, we have concluded that each of the registrants violated section 17 (a) of the act and Rule X-17A-5 thereunder as a result of failure to file such reports. We conclude also that such violations were willful within the meaning of section 15 (b).<sup>3</sup>

On the basis of the foregoing, we are of the opinion that it is in the public interest to revoke the registration of each of the registrants.

Accordingly: *It is ordered*. That the registrations of Canadian Alliance Corporation Limited, Harry Glantz, N. G. M. Lougheed, Mitchell Securities Corporation and Robert A. Mulligan be, and each of them hereby is, revoked.
