By virtue of the authority vested in me as President of the United States, I hereby designate the Secretary of Transportation to take all actions, including the issuance of regulations, which he considers appropriate to carry out in the most effective manner the approval and certification of containers and vehicles for international transport of goods under customs seal pursuant to the Customs Convention on the International Transport of Goods Under Cover of TIR Carnets (TIR Convention), done at Geneva on January 15, 1959 (TIAS 6633), and the Customs Convention on Containers, done at Geneva on May 18, 1956 (TIAS 6634), applying the procedures and technical conditions set forth in the Annexes to such Conventions as modified, amended, or otherwise supplemented from time to time.

PART 953—IRISH POTATOES GROWN IN THE SOUTHEASTERN STATES

Limitation of Shipments

Notice of rule making with respect to a proposed limitation of shipments regulation to be made effective under Marketing Agreement No. 104 and Order No. 953, both as amended (7 CFR Part 953; 33 F.R. 8502, 8506), regulating the handling of Irish potatoes grown in designated counties of Virginia and North Carolina, was published in the FEDERAL REGISTER, January 31, 1969 (34 F.R. 1564). This program is effective under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601 et seq.).

The notice afforded interested persons an opportunity to file written data, views, or arguments pertaining thereto not later than 30 days after publication. None was filed.

After consideration of all relevant matters presented, including the proposal set forth in the aforesaid notice which was recommended by the Southeastern Potato Committee, established pursuant to the said marketing agreement and order, it is hereby found that the limitation of shipments regulation, as hereinafter set forth, will tend to effectuate the declared policy of the act.

§ 953.309 Limitation of shipments.

During the period June 5 through July 31, 1969, no person shall ship any lot of potatoes produced in the production area unless such potatoes meet the requirements of paragraphs (a) and (b) of this section or unless such potatoes are handled in accordance with paragraphs (c) and (d) of this section.

(a) *Minimum grade and size requirements.* All varieties U.S. No. 2, or better grade, 1½ inches minimum diameter.

(b) *Inspection.* Each first handler shall, prior to making each shipment of potatoes cause each shipment to be inspected by an authorized representative of the Federal-State Inspection Service. No handler shall ship any potatoes for which inspection is required unless an appropriate inspection certificate has been issued with respect thereto by the Federal-State Inspection Service and the certificate is valid at the time of shipment.

(c) *Special purpose shipments.* The grade, size, and inspection requirements set forth in paragraphs (a) and (b) of this section shall not be applicable to shipments of potatoes for potato chipping, canning, freezing, livestock feed, or charity: *Provided,* That the handler thereof complies with the safeguard requirements of paragraph (d) of this section.

(d) *Safeguards.* Each handler making shipments of potatoes for potato chipping, canning, freezing, livestock feed, or charity in accordance with paragraph (c) of this section shall:

(1) Notify the committee of his intent to ship potatoes pursuant to paragraph (c) of this section by applying on forms furnished by the committee for a Certificate of Privilege applicable to such special purpose shipments;

(2) Obtain an approved Certificate of Privilege;

(3) Prepare on forms furnished by the committee a special purpose shipment report for each such individual shipment; and

(4) Forward copies of such special purpose shipment report to the committee office and to the receiver with instructions to the receiver that he sign and return a copy to the committee's office. Failure of the handler or receiver to report such shipments by promptly signing and returning the applicable special purpose shipment report to the committee office shall be cause for suspension of such handler's Certificate of Privilege applicable to such special purpose shipments.

(e) *Minimum quantity exception.* Each handler may ship up to, but not to exceed, 5 hundredweight of potatoes any day without regard to the inspection and assessment requirements of this part, but this exception shall not apply to any portion of a shipment that exceeds 5 hundredweight of potatoes.

(f) *Definitions.* The term "U.S. No. 2" shall have the same meaning as when used in the U.S. Standards for Potatoes (§§ 51.1540–51.1556 of this title), including the tolerances set forth therein. All other terms used in this section shall have the same meaning as when used in Marketing Agreement No. 104 and this part, both as amended.

(Secs. 1–19, 48 Stat. 31, as amended; 7 U.S.C. 601–674)

Title 14—AERONAUTICS AND SPACE

Chapter I—Federal Aviation Administration, Department of Transportation

[Airspace Docket No. 68–AL–4]

PART 71—DESIGNATION OF FEDERAL AIRWAYS, CONTROLLED AIRSPACE, AND REPORTING POINTS

Alteration and Designation of Federal Airways; Extension of Jet Route; Designation of Reporting Points

Correction

In F.R. Doc. 69–1589 appearing at page 1894 of the issue for Saturday, February 8, 1969, in the first line of the description for § 71.109, the reference to "B–17" should read "B–27".

[Airspace Docket No. 69–WA–7]

PART 71—DESIGNATION OF FEDERAL AIRWAYS, CONTROLLED AIRSPACE, AND REPORTING POINTS

Alteration of Control Areas and Control Zone

The purpose of these amendments to Part 71 of the Federal Aviation Regulations is to make minor and editorial changes by amending the description of Control 1234 to exclude a small portion of this control area which lies within Restricted Area R–2204; amend the description of Control 1310 to reflect the name change of Anchorage, Alaska, VOR to Anchorage, Alaska, VORTAC and delete the exclusion of Warning Area W–533; and amend the description of the Big Delta, Alaska, control zone to reflect the name change of Big Delta AAF to Allen AAF. There is presently a minor portion of Control 1234 which lies within R–2204. This portion will be excluded as it is no longer required for air traffic control purposes. The deletion of W–533 from the description of Control 1310 would correct the description of this control area as this warning area has previously been revoked.

Since these amendments are editorial and minor in nature and will not materially affect the extent of controlled airspace, notice and public procedure are unnecessary. However, since it is necessary that sufficient time be allowed to permit appropriate changes to be made on aeronautical charts, these amendments will become effective more than 30 days after publication.

In consideration of the foregoing, Part 71 of the Federal Aviation Regulations is amended, effective 0901 G.m.t., May 1, 1969, as hereinafter set forth.

1. Section 71.163 (34 F.R. 4549) is amended as follows:

a. In "Control 1234," "The portion within R–2204 is excluded." is added to the end of text.

b. In "Control 1310" wherever "Anchorage, Alaska, VOR" or "Anchorage VOR" appears "Anchorage, Alaska, VORTAC" and "Anchorage VORTAC" is substituted therefor, and "and W–533" is deleted.

2. In § 71.171 (34 F.R. 4557) "Big Delta, Alaska," is amended by deleting "Big Delta AAF" and substituting "Allen AAF" therefor.

(Sec. 307(a), Federal Aviation Act of 1958 (49 U.S.C. 1348); sec. 6(c), Department of Transportation Act (49 U.S.C. 1655(c)))

Chief, Airspace and Air Traffic Rules Division.

[Airspace Docket No. 69–CE–4]

PART 71—DESIGNATION OF FEDERAL AIRWAYS, CONTROLLED AIRSPACE, AND REPORTING POINTS

Designation of Reporting Points

The purpose of these amendments to Part 71 of the Federal Aviation Regulations is to designate the Champaign, Ill., and Danville, Ill., VORTACs as domestic low altitude reporting points. These actions will assist air traffic controllers to more precisely identify aircraft operating in accordance with Instrument Flight Rules in a nonradar environment.

Since these amendments are minor in nature, the Administrator has determined that notice and public procedure thereon is unnecessary. However, since it is necessary that sufficient time be allowed to permit the appropriate changes to be made on aeronautical charts, these amendments will become effective more than 30 days after publication.

In consideration of the foregoing, Part 71 of the Federal Aviation Regulations is amended, effective 0901 G.m.t., May 1, 1969, as hereinafter set forth.

In § 71.203 (34 F.R. 4792) the following are added as domestic low altitude reporting points.

1. Champaign, Ill.
2. Danville, Ill.

(Sec. 307(a), Federal Aviation Act of 1958 (49 U.S.C. 1348); sec. 6(c), Department of Transportation Act (49 U.S.C. 1655(c)))

Issued in Washington, D.C., on March 4, 1969.

In the Matter of Crowell-Collier Publishing Co., a Corporation, and P. F. Collier & Son Corp., a Corporation

PART 15—ADMINISTRATIVE OPINIONS AND RULINGS

Dissemination of Uniform Warranty Plan by Trade Association to Members

§ 15.329 Dissemination of uniform warranty plan by trade association to members.

(a) The Commission rendered an advisory opinion to a trade association of retailers that its proposal to circulate a uniform warranty among its membership would likely result in violation of Commission administered laws. The warranty in question, applicable within 100 miles of a dealer's store, provides:

(1) The extent of the liability of this firm to service merchandise purchased from us is limited to this policy and it is in addition to any written guarantee included from the manufacturer involved.

(2) Under conditions of normal usage, our store warrantees (sic) our (products) to be free from defects in workmanship and structural materials for a period of 1 year from the date of purchase. This guarantee does not apply to damages resulting from negligence, misuse, or accidents.

(3) We will repair or replace at our option any defective item, or part, at absolutely no charge. In determining the cause or nature of the defect, and the manner of repair; the judgement of this firm will be final.

(b) The Commission concluded that it could not render advice with respect to that portion limiting retailer liability to the warranty terms nor to the comment that the warranty is in addition to any manufacturer's written guarantee. This position was taken for the reason that the question of warranties is being currently examined, specifically as they relate to the automotive industry, and any Commission statement along these lines at this time would be premature.

(c) Nor could the Commission approve the remainder of the proposed warranty for the reason that it is not a simple, generalized guideline intended to assist the membership in drafting warranties embracing their own terms but is, in fact, an actual 1 year warranty incorporating predetermined and definite terms and conditions for use without change by members. For this reason the Commission advised that should the proposed warranty be selected by all or a substantial number of Association members the likely purpose and probable result would be the adoption of anticompetitive uniform terms and conditions by the membership and would, therefore, be objectionable.

PART 15—ADMINISTRATIVE OPINIONS AND RULINGS

Proposed Advertising for Orthopedic Pillow

§ 15.330 Proposed advertising for orthopedic pillow.

(a) The Commission was requested to render an advisory opinion with respect to proposed advertising for a pillow intended for orthopedic and therapeutic purposes, which would represent that the device was designed for use in cervical spine, low back pain cases and by cardiac patients.

(b) The opinion advised the advertisers that while the Commission has no objection to representations that the device might afford temporary relaxation and comfort under certain conditions, any representations in advertising that the pillow is a health device particularly useful for cervical spine, low back pain and cardiac cases would appear to have the capacity and tendency to deceive.

PART 15—ADMINISTRATIVE OPINIONS AND RULINGS

Disclosure of Origin of Imported Food Product

§ 15.331 Disclosure of origin of imported food product.

(a) The Commission rendered an advisory opinion to a trade association which involved the question of whether it is necessary to disclose the origin of an imported food product. Imported in its entirety, the product is later sliced and packed in containers in the United States for sale to the general public.

(b) Ruling that the product's origin must be disclosed, the Commission said: "* * * as to this product, the country of origin may be a material fact to many consumers in deciding whether to make a purchase, and that it should therefore be disclosed to them in an appropriate manner at the point of sale."

SUBCHAPTER T—OPERATION AND MAINTENANCE

PART 221—OPERATION AND MAINTENANCE CHARGES

Blackfeet Indian Irrigation Project, Mont.

On page 1168 of the FEDERAL REGISTER of January 24, 1969, there was published a notice of intention to modify §§ 221.130 *Basic assessment* and 221.131 *Excess water assessment,* of Title 25, Code of Federal Regulations, dealing with the irrigable lands of the Blackfeet Indian Irrigation Project, Mont. The purpose of the modification is to establish the assessment rate for 1969 and thereafter until further notice.

A 30-day period was prescribed for the public to have the opportunity to participate in the rule making process and submit written comments, suggestions, or objections. Comments and protests received from water users indicate that a

modification of the published intended rate of $3.10 per acre should be reconsidered. This has been done and the proposed modification of $3.10 per acre is adjusted downward to $3 per acre as set forth below:

§ 221.130 Basic assessment.

Pursuant to the Acts of Congress approved August 1, 1914; May 18, 1916; and March 7, 1928; 38 Stat. 583; 39 Stat. 142; 45 Stat. 210; 25 U.S.C. 385, 387, the basic rate of assessment of operation and maintenance charges against the irrigable lands to which water can be under the Blackfeet Indian Irrigation Project, Mont., for the season of 1969 and subsequent years until further notice is hereby fixed at $3 per acre per annum for the delivery of not to exceed 1½ acre-feet of water per acre for the assessable area under constructed works, water to be delivered on demand, based upon an estimated quota of the available supply.

§ 221.131 Excess water assessment.

Additional water, when available, may be delivered upon request at the rate of $1.67 per acre foot or fraction thereof.

PART 4—SCHEDULE FOR RATING DISABILITIES

Inactive Tuberculosis

1. In § 4.71a, diagnostic code 5001 is amended to read as follows:

§ 4.71a Schedule of ratings—musculoskeletal system.

* * * * *

		Rating
5001	Bones and joints, tuberculosis of, active or inactive	
	Active	100
	Inactive: See §§ 4.88b and 4.89.	

* * * * *

2. Section 4.84 is revised to read as follows:

§ 4.84 Differences between distant and near visual acuity.

Where there is a substantial difference between the near and distant corrected vision, the case should be referred to the Director, Compensation, Pension and Education Service.

3. In § 4.84a, diagnostic code 6010 is amended to read as follows:

§ 4.84a Schedule of ratings—eye.

* * * * *

		Rating
6010	Eye, tuberculosis of, active or inactive	
	Active	100
	Inactive: See §§ 4.88b and 4.89.	

* * * * *

4. A new § 4.88b is added to read as follows:

§ 4.88b Ratings for inactive nonpulmonary tuberculosis initially entitled after August 19, 1968.

	Rating
For 1 year after date of inactivity, following active tuberculosis	100

Thereafter: Rate residuals under the specific body system or systems affected.

Following the total rating for the 1 year period after date of inactivity, the schedular evaluation for residuals of nonpulmonary tuberculosis, i.e., ankylosis, surgical removal of a part, etc., will be assigned under the appropriate diagnostic code for the residual preceded by the diagnostic code for tuberculosis of the body part affected. For example, tuberculosis of the hip joint with residual ankylosis would be coded 5001–5250. Where there are existing residuals of pulmonary and nonpulmonary conditions, the evaluations for residual separate functional impairment may be combined.

Where there are existing pulmonary and nonpulmonary conditions, the total rating for the 1 year, after attainment of inactivity, may not be applied to both conditions during the same period. However, the total rating during the 1-year period for the pulmonary or for the nonpulmonary condition will be utilized, combined with evaluation for residuals of the condition not covered by the 1-year total evaluation, so as to allow any additional benefit provided during such period.

5. In § 4.89, the headnote is amended and a note is added immediately following the headnote to read as follows:

§ 4.89 Ratings for inactive nonpulmonary tuberculosis in effect on August 19, 1968.

NOTE: Public Law 90–493 repealed section 356 of title 38, United States Code which provided graduated ratings for inactive tuberculosis. The repealed section, however, still applies to the case of any veteran who on August 19, 1968, was receiving or entitled to receive compensation for tuberculosis. The use of the protective provisions of Public Law 90–493 should be mentioned in the discussion portion of all ratings in which these provisions are applied. For use in rating cases in which the protective provisions of Public Law 90–493 apply, the former evaluations are retained in this section.

6. Sections 4.90, 4.91, 4.92, and 4.93 are revoked.

§ 4.90 Direct service-connection for inactive pulmonary tuberculosis shown by X-ray evidence during active service. [Revoked]

§ 4.91 Hospital observation. [Revoked]

§ 4.92 Sputum certification. [Revoked]

§ 4.93 Classification on maximum advancement for rating purposes. [Revoked]

7. Section 4.94 is revised to read as follows:

§ 4.94 Determination of inactivity, "complete arrest," in tuberculosis.

A veteran shown to have had active pulmonary tuberculosis will be held to have reached a condition of "complete arrest" when a diagnosis of inactive is made. Noncavitary pulmonary tuberculosis will be considered to be inactive when bacteriologic tests have been negative on serial examinations for 6 months and serial roentgenograms have shown stable or slightly clearing or contracting lesions with no evidence of cavitation for 6 months. Cavitary pulmonary tuberculosis will be considered to be inactive when bacteriologic examinations have been negative on serial examinations for 18 months; the presence of residual cavitation is permitted and slight variations in size of the cavity are permissible.

8. Section 4.95 is revoked.

§ 4.95 Rating pulmonary tuberculosis cases. [Revoked]

9. Section 4.96 is revised to read as follows:

§ 4.96 Rating coexisting and "protected" respiratory conditions.

(a) *Rating coexisting respiratory conditions.* Ratings under diagnostic codes 6600 to 6818, inclusive, and 6821 will not be combined with each other. Where there is lung or pleural involvement, ratings under diagnostic codes 6819 and 6820 will not be combined with each other or with diagnostic codes 6600 to 6818 inclusive and 6821. A single rating will be assigned under the diagnostic code which reflects the predominant disability picture with elevation to the next higher evaluation where the severity of the overall disability warrants such elevation. However, in cases protected by the provisions of Public Law 90–493, with the graduated ratings for 50 and 30 percent for inactive tuberculosis, elevation is not for application.

(b) *Rating "protected" tuberculosis cases.* Public Law 90–493 repealed section 356 of title 38, United States Code which had provided graduated ratings for inactive tuberculosis. The repealed section, however, still applies to the case of any veteran who on August 19, 1968, was receiving or entitled to receive compensation for tuberculosis. The use of the protective provisions of Public Law 90–493 should be mentioned in the discussion portion of all ratings in which these provisions are applied. For application in rating cases in which the protective provisions of Public Law 90–493 apply the former evaluations pertaining to pulmonary tuberculosis are retained in § 4.97.

10. In § 4.97, diagnostic codes 6515 and 6701 through 6732 "Diseases of the Lungs and Pleura—Tuberculosis" are revised to read as follows:

Active pulmonary tuberculosis will be considered permanently and totally disabling for nonservice-connected pension purposes in the following circumstances:

(a) Associated with active tuberculosis involving other than the respiratory system.

NOTE: The 100 percent rating under codes 6721 through 6724 is not subject to a requirement of precedent hospital treatment. It will be reduced to 50 percent for failure to submit to examination or to follow prescribed treatment upon report to that effect from the medical authorities. When a veteran is placed on the 100 percent rating for inactive tuberculosis, the medical authorities will be appropriately notified of the fact, and of the necessity under 38 U.S.C. 356 to notify the Adjudication Division in the event of failure to submit to examination or to follow prescribed treatment.

Thereafter, for 5 years, or to 11 years after date of inactivity	30

NOTE: The graduated 50 percent and 30 percent ratings and the permanent 30 percent and 20 percent ratings for inactive pulmonary tuberculosis are not to be combined with ratings for other respiratory disabilities. Following thoracoplasty the rating will be for removal of ribs combined with the rating for collapsed lung. Resection of ribs incident to thoracoplasty will be rated as removal.

§ 12B-3.153 Unsolicited contract proposals.

§ 12B-3.153-50 Definitions.

An unsolicited contract proposal, referred to in this section as an unsolicited proposal, is an offer initiated and submitted to the Coast Guard by a prospective contractor, without solicitation from the Government, with the objective of obtaining a contract.

§ 12B-3.153-51 General.

Prospective contractors are encouraged to disclose to the Coast Guard, for purposes of evaluation, unique or novel ideas or concepts which they have originated, conceived or developed, and own, and which have application to the work of the Coast Guard. However, it must be recognized that it is normal practice for the Coast Guard to develop its own requirements, to solicit offers or bids and then to contract with the source that offers the best value. Many unsolicited proposals do not, in fact, contain ideas or concepts which are proprietary to or owned by the submitter, and acceptance

of proposals by Coast Guard for evaluation must not imply a promise to pay, a recognition of novelty or originality, or any restriction on the use of information contained therein to which the Government would otherwise be entitled, nor does the fact that a procurement follows receipt of or is based on an unsolicited proposal in and of itself justify sole source procurement.

§ 12B–3.153–52 Submission of proposals.

(a) Unsolicited proposals to the Coast Guard should be submitted to the following address:

Chief, Procurement Branch (FS–1), U.S. Coast Guard Headquarters, 1300 E Street NW., Washington, D.C. 20591.

(b) Proposals should be submitted well in advance of the desired beginning of support, and in ample copies to allow simultaneous study by all reviewers.

(c) All proposals should be specific and, as a minimum, include the information described in this section. Although it is desired that unsolicited proposals be prepared in conformance with the following standards, Coast Guard may accept unsolicited proposals for evaluation purposes which do not conform thereto:

(1) Name and address of the organization submitting the proposal;

(2) Date of preparation or submission;

(3) Type of organization (profit, nonprofit, educational, other);

(4) Concise title and abstract of the proposed effort or activity for which support is being sought;

(5) An outline and discussion of the purpose of the proposed effort or activity, the method of attack upon the problem, and the nature and extent of the anticipated results;

(6) Names of the key personnel to be involved (name of principal investigator, if applicable), brief biographical information, including principal publications and relevant experience;

(7) Proposed starting and completion dates;

(8) Equipment, facility, and personnel requirements;

(9) Proposed budget, including separate cost estimates for salaries and wages, equipment, expendable supplies, services, travel, subcontracts, other direct costs, and overhead;

(10) Names of any other Federal agencies receiving the proposal and/or funding the proposed effort or activity;

(11) Brief description of the proposer's facilities, particularly those which would be used in the proposed effort or activity;

(12) Brief outline of the proposer's previous work and experience in the field;

(13) If available, a descriptive brochure and a current financial statement;

(14) If proposed effort or activity requires or may generate classified security information, the security status of the organization and the major investigators and identification of the cognizant security office;

(15) Period for which proposal is valid;

(16) Names and telephone numbers of proposer's primary business and technical personnel whom Coast Guard may contact during evaluation and/or negotiation;

(17) Each proposal containing technical data, which the submitter intends to be used by Coast Guard for evaluation purposes only, must identify this restrictive material as indicated below. Proposals submitted without the restrictive legend and those parts of proposals submitted with the legend which are not described in detail in the "List of Claimed Proprietary Data" will be considered as free of all restrictions:

The data in this proposal listed below shall not be used or disclosed, except for evaluation purposes; *Provided*, That if a contract is awarded to this submitter as a result of or in connection with the submission of this proposal, the Government shall have the right to use or disclose this technical data to the extent provided in the contract. This restriction does not limit the Government's right to use or disclose any technical data which is not proprietary to the submitter or is obtained from another source without restriction. List of claimed proprietary data: (Here describe in detail the material claimed to be proprietary—mere page reference or general statement will not be acceptable).

(18) Signature of a responsible official of the proposing organization or a person authorized to contractually obligate such organization.

§ 12B–3.153–53 Policy.

(a) All unsolicited proposals shall be processed and evaluated in an expeditious manner. Proposals shall be acknowledged as soon after receipt as possible, and submitters shall be advised promptly as to the ultimate disposition of their proposal.

(b) A proposed procurement based on an unsolicited proposal is subject to the same policies, regulations, and procedures (including those relating to sole source) as any other proposed procurement, and will be processed accordingly.

§ 12B–3.153–54 Method of procurement.

(a) *Competitive procurement.* It is Coast Guard's policy to obtain competition whenever possible (see § 1–1.301–1 of this title). However, an unsolicited proposal shall not serve as the basis for a competitive solicitation of proposals (i.e., when an unsolicited proposal is offered in the hope that the Coast Guard will contract with the offeror for further development or exploitation of the ideas it contains, and the Coast Guard does contract with the offeror, it may do so without soliciting other sources—although they may be fully competent to perform the desired work). When a received document qualifies as an unsolicited proposal, but its substance is available to Coast Guard without restriction from another source, or its substance closely resembles that of a pending competitive solicitation or otherwise is not sufficiently unique to justify acceptance, Coast Guard's policy of obtaining competition applies. When procurement is intended and competition is feasible, the proposal shall be rejected, and all readily available copies (excluding the central receiving office's official proposal file copy) shall be returned to the submitter.

(b) *Noncompetitive procurement.* A favorable technical evaluation of an unsolicited proposal is not, in itself, sufficient justification for negotiating on a noncompetitive basis with the submitter. When an unsolicited proposal has received a favorable technical evaluation and it is determined that the substance thereof is not available to Coast Guard without restriction from another source, or competition is otherwise precluded, the subject matter of such proposal may be procured from the proposer on a noncompetitive basis.

§ 12B–3.153–55 Evaluation and testing of equipment and material.

Should evaluation of a proposal include the evaluation and testing of equipment or material, neither the Government nor any person acting on behalf of the Government assumes any liability to the submitter of the proposal, or any person acting on his behalf, in connection with any damage, loss, injury, or destruction resulting from such evaluation and testing. Nothing contained herein shall preclude the Government from asserting any action against the submitter or any person acting on his behalf arising out of the above circumstances.

§ 12B–3.153–56 Designation of central receiving office.

Commandant (FS–1) has been designated the central office (hereinafter referred to as the central receiving office) in the Coast Guard for the receipt of unsolicited proposals.

§ 12B–3.153–57 Central receiving office responsibilities on receipt of unsolicited proposals.

The central receiving office will serve as a clearing house for unsolicited proposals submitted to the Coast Guard. It will:

(a) Serve as the point of contact with the submitter;

(b) Maintain records showing the receipt and status of unsolicited proposals;

(c) Coordinate with other administrations when appropriate.

In order to revise the rules for the filing of certain returns and other documents with service centers and to conform certain provisions of the regulations to the amendments made by section 1 of the Act of November 2, 1966 (Public Law 89-713, 80 Stat. 1107), the following regulations (26 CFR Parts 1, 25, 31, 36, 41, 45, 46, 48, 49, 147, 151, 152, 301) are amended as set forth below. However, the amendments to such regulations do not make all of the changes necessitated by section 1 of such Act of November 2, 1966. Appropriate amendments to the regulations will be issued in the future to make the additional changes necessitated by such Act:

SUBCHAPTER A—INCOME TAX

PART 1—INCOME TAX; TAXABLE YEARS BEGINNING AFTER DECEMBER 31, 1953

PARAGRAPH 1. Subdivisions (iv)(*a*) and (v)(*a*)(2) of paragraph (a)(2) of § 1.761-1 are amended to read as follows:

§ 1.761-1 Terms defined.

(a) *Partnership.* * * *

(2) *Exclusion of certain partnerships from provisions of subchapter K.* * * *

(iv) *Method of election—(a) Complete exclusion from subchapter K.* Any unincorporated organization described in subdivisions (i) and (ii) or (iii) of this subparagraph which wishes to be excluded from all of subchapter K must make the election provided in section 761(a) in a statement attached to a properly executed partnership return, Form 1065, which shall contain the information required in this subdivision. Such return shall be filed with the internal revenue officer with whom a partnership return, Form 1065, would be required to be filed if no election were made. Where, for the purpose of determining the proper internal revenue officer with whom Form 1065 must be filed, it is necessary to determine the internal revenue district (or service center serving such district) in which the electing organization has its principal office or place of business, the principal office or place of business of the operator shall be considered the principal office or place of business of the organization, unless the person filing for the organization is not the operator, in which case, the principal office or place of business of the person filing the return shall be considered the principal office or place of business of the organization. For the first year with respect to which such unincorporated organization wishes to be excluded from subchapter K, its partnership return shall contain, in lieu of the information required by Form 1065 and by the instructions relating thereto, only the name or other identification and the address of the organization. The statement attached to the return shall include the names and addresses of all the members of the organization; a statement that the organization qualifies under subdivisions (i) and either (ii) or (iii) of this subparagraph, a statement that all of the members of the organization elect that it be excluded from all of subchapter K; and a statement indicating where a copy of the agreement under which the organization operates is available (or if the agreement is oral, from whom the provisions of the agreement may be obtained). Unless within 90 days after the formation of the organization (or by October 15, 1956, whichever is later) any member of the organization notifies the Commissioner that the member desires subchapter K to apply to such organization, and also advises the Commissioner that he has so notified all other members of the organization by registered or certified mail, the election to be excluded will be effective. Such election is irrevocable as long as the organization remains qualified under subdivisions (i) and either (ii) or (iii) of this subparagraph, or unless approval of revocation of the election is secured from the Commissioner. Application for permission to revoke the election must be submitted to the Commissioner of Internal Revenue, Attention: T:I Washington, D.C. 20224, no later than 30 days after the beginning of the first taxable year to which the revocation is to apply. An unincorporated organization need not file an election to be excluded under section 761 for the first year of its existence but may do so at the time of filing the return for any taxable year for which exclusion from subchapter K is desired. Such unincorporated organization shall file a partnership return for the first taxable year in which the participants by a formal agreement undertake to engage in joint operations, or in the absence of a formal agreement for the first taxable year in which the participants with respect to the joint use of property jointly make or incur any expenditures treated as deductions for Federal income tax purposes, whether or not electing to be excluded from the provisions of subchapter K. Where no annual accounting period has been adopted by such unincorporated organization, its taxable year

shall be the calendar year in accordance with section 441(g).

* * * * *

(v) *Information to be filed by organizations excluded under section 761—*(a) * * *

(2) For each subsequent taxable year for which it is excluded: Form 1096 for the organization and a Form 1099 for each person who was a member of the organization during any part of the calendar year. Form 1099 shall show the name and address of the organization (under "By Whom Paid"). In lieu of "Kind and Amount of Income Paid", each Form 1099 shall state "Filed under section 761(a)" and the principal activity of the organization. Forms 1096 and 1099 shall be filed with the internal revenue officer designated in instructions applicable to such forms.

* * * * *

PAR. 2. Paragraph (a) of § 1.852–9 is amended by revising subparagraphs (2) (i) and (3) to read as follows:

§ 1.852–9 Special procedural requirements applicable to designation under section 852(b)(3)(D).

(a) *Regulated investment company.* * * *

(2) *Return of undistributed capital gains tax—*(i) *Form 2438.* Every regulated investment company which designates undistributed capital gains for any taxable year beginning after December 31, 1956, in accordance with subparagraph (1) of this paragraph, shall file for such taxable year an undistributed capital gains tax return on Form 2438 including on such return the total of its undistributed capital gains so designated and the tax with respect thereto. The return on Form 2438 shall be prepared in duplicate and shall set forth fully and clearly the information required to be included therein. The original of Form 2438 shall be filed on or before the 30th day after the close of the company's taxable year with the internal revenue officer designated in instructions applicable to Form 2438. The duplicate copy of Form 2438 for the taxable year shall be attached to and filed with the income tax return of the company on Form 1120 for such taxable year.

* * * * *

(3) *Payment of tax.* The tax required to be returned on Form 2438 shall be paid by the regulated investment company on or before the 30th day after the close of the company's taxable year to the internal revenue officer with whom the return on Form 2438 is filed.

PAR. 3. Paragraph (a) of § 1.1372–2 is amended to read as follows:

§ 1.1372–2 Manner and time for making election and filing shareholders' consent.

(a) *Manner of making election.* The election of a small business corporation should be made by the corporation by filing Form 2553, containing the information required by such form, and by filing, in the manner provided in § 1.1372–3, a statement of the consent of each shareholder of the corporation. The election form shall be signed by any person who is authorized to sign the return required under section 6037 and shall be filed with the internal revenue officer designated in the instructions applicable to Form 2553.

* * * * *

PAR. 4. Section 1.1372–3 is amended to read as follows:

§ 1.1372–3 Shareholders' consent.

(a) *In general.* The consent of a shareholder to an election by a small business corporation shall be in the form of a statement signed by the shareholder in which such shareholder consents to the election of the corporation. Such shareholder's consent is binding and may not be withdrawn after a valid election is made by the corporation. Each person who is a shareholder of the electing corporation must consent to the election; thus, where stock of the corporation is owned by a husband and wife as community property (or the income from which is community property), or is owned by tenants in common, joint tenants, or tenants by the entirety, each person having a community interest in such stock and each tenant in common, joint tenant, and tenant by the entirety must consent to the election. The consent of a minor shall be made by the minor or by his legal guardian, or his natural guardian if no legal guardian has been appointed. The consent of an estate shall be made by the executor or administrator thereof. The statement shall set forth the name and address of the corporation and of the shareholder, the number of shares of stock owned by him, and the date (or dates) on which such stock was acquired. The consents of all shareholders may be incorporated in one statement. The consents of all persons who are shareholders at the time the election is made shall be attached to the election of the corporation. If the election is made before the first day of the corporation's taxable year for which it is effective, the consents of persons who become shareholders after the date of election and are shareholders on such first day shall be filed with the internal revenue officer with whom the election was filed as soon as practicable after such first day. The consent referred to in the preceding sentence will be considered timely if it is filed on or before the last day prescribed for making the election. Where a consent is filed after the date of election, a copy of the consent shall also be filed with the return required to be filed under section 6037. In the case of a shareholder in a community-property State whose spouse has filed a timely consent to an election under section 1372(a) for a taxable year beginning before January 1, 1961, the time for filing the consent of such shareholder shall not expire prior to May 15, 1961; in the case of a shareholder in a community-property State whose spouse has filed a timely consent to an election under section 1372(a) for a taxable year beginning after December 31, 1960, and on or before October 26, 1962, the consent of such shareholder shall be considered timely if it is filed on or before the last day prescribed for making the election. An election under section 1372(a) will not be valid if any of the consents are not timely filed. However, see paragraph (c) of this section for extension of time for filing consents. In addition, an election which was timely filed for any taxable year beginning before March 1, 1960, and which would be valid but for the fact that the consent of any shareholder of the corporation was not filed or was defective in any manner, will not be invalid if—

(1) A proper consent is filed by such shareholder after December 19, 1959, and on or before March 1, 1960,

(2) All shareholders of the corporation who previously filed timely and proper consents file new consents within the period mentioned in subparagraph (1) of this paragraph, and

(3) The shareholders show to the satisfaction of the district director with whom the election under section 1372(a) was filed that the failure to file timely and proper consents was not due to an intention to avoid making a valid election.

(b) *New shareholders.* If a person becomes a shareholder of an electing small business corporation after the first day of the taxable year for which the election is effective, or after the day on which the election is made (if such day is later than the first day of the taxable year), the consent of such shareholder shall be made in a statement filed (with the internal revenue officer with whom the election is filed) within the period of 30 days beginning with the day on which such person becomes a new shareholder. A copy of such consent should be furnished to the corporation by the new shareholder. If the new shareholder is an estate, the 30-day period shall not begin until the executor or administrator has qualified under local law to perform his duties, but in no event shall such period begin later than 30 days following the close of the corporation's taxable year in which the estate became a shareholder. The statement of consent shall set forth the name and address of the corporation and of such new shareholder, the number of shares of stock owned by such shareholder, the date on which such shares were acquired, and the name and address of each person from whom such shares were acquired. A copy of the consent of such new shareholder shall be filed with the return required to be filed under section 6037 for the taxable year to which such consent applies. For the effect of the failure of a new shareholder to consent, see paragraph (b)(1) of § 1.1372–4.

(c) *Extension of time for filing consents.* An election which is timely filed for any taxable year and which would be valid, or would not have terminated, except for the failure of any shareholder to file a consent within the time prescribed in paragraph (a) or (b) of this section will not be invalid, or will not be treated as having terminated, for such reason if—

(1) It is shown to the satisfaction of the district director or director of the service center that there was reasonable cause for the failure to file such consent and that the interests of the Government will not be jeopardized by treating such election as valid, or as not having terminated,

(2) Such shareholder files a proper consent to the election within such extended period of time as may be granted by the Internal Revenue Service, and

(3) New consents are filed within such extended period of time as may be granted by the Internal Revenue Service, by all persons who were shareholders of the corporation at any time during the taxable year with respect to which the failure to consent would (but for the provisions of this paragraph) cause the corporation's election to be invalid or to terminate, and by all persons who were shareholders of the corporation subsequent to such taxable year and prior to the date on which an extension of time is granted in accordance with this paragraph.

PAR. 5. Paragraph (b) of § 1.1372–4 is amended by revising subparagraphs (2) and (3). The revised provisions read as follows:

§ 1.1372–4 Termination of election.

* * * * *

(b) *Method of termination.* * * *

(2) *Revocation.* An election under section 1372(a) may be revoked by the corporation for any taxable year of the corporation after the first taxable year for which the election is effective. A revocation can be made only with the consent of all the persons who are shareholders at the beginning of the day of revocation. Such revocation shall be made by the corporation by filing a statement that the corporation revokes the election made under section 1372(a), which statement shall indicate the first taxable year of the corporation for which the revocation is intended to be effective. The statement shall be signed by any person authorized to sign the return of the corporation under section 6037 and shall be filed with the internal revenue officer with whom the election was filed. In addition, there shall be attached to the statement of revocation a statement of consent, signed by each person who is a shareholder of the corporation at the beginning of the day on which such statement of revocation is filed, in which each such shareholder consents to the revocation by the corporation of the election under section 1372(a). For the time within which a revocation must be made to be effective for a particular taxable year of the corporation, see paragraph (c) of this section.

(3) *Ceases to be small business corporation.* An election under section 1372(a) terminates if at any time after the first day of the first taxable year of the corporation for which the election is effective, or after the day on which the election is made (if such day is later than the first day of the taxable year), the corporation ceases to be a small business corporation as defined in section 1371(a). Thus, the election is terminated if an 11th person, a nonresident alien, or a comes a shareholder, or corporation becomes a shareholder, or if another class of stock is issued by the corporation. In the event of a termination under this subparagraph the corporation shall immediately notify the internal revenue officer with whom the election under section 1372(a) was filed. Such notification shall set forth the cause of the termination and the date thereof. In addition, if the termination was caused by the transfer of stock to an 11th shareholder, to a nonresident alien, or to a trust, partnership, or corporation, the notification shall specify the number of shares transferred to such persons, the name of such person (or in the case of a trust the names of the trustees and beneficiaries), and the name of the shareholder who transferred such stock to such person. If the termination was caused by the issuance of a second class of stock, the notification shall indicate the number of shares of such new class issued and shall describe the differentiating characteristics of the new class of stock.

* * * * *

PAR. 6. Paragraphs (a) and (c) of § 1.1375–3 are amended to read as follows:

§ 1.1375–3 Treatment of family groups.

(a) *In general.* Pursuant to section 1375(c), any dividend received by a shareholder from an electing small business corporation (including any amount treated as a dividend under section 1373(b)) may be apportioned or allocated by the Internal Revenue Service between or among shareholders of such corporation who are members of such shareholder's family, if it determines that such apportionment or allocation is necessary in order to reflect the value of services rendered to the corporation by such shareholders. In determining the value of services rendered by a shareholder consideration shall be given to all the facts and circumstances of the business, including the managerial responsibilities of the shareholder, and the amount that would ordinarily be paid in order to obtain comparable services from a person not having an interest in the corporation. The taxable income of the corporation shall be neither increased nor decreased because of the reallocation of dividends under section 1375(c). The amount reallocated shall be considered a dividend to the shareholder to whom it is reallocated.

* * * * *

(c) *Example.* The provisions of section 1375(c) may be illustrated by the following example:

Example. The stock of an electing small business corporation is owned 50 percent by F and 50 percent by S, a minor son of F. For the taxable year, the corporation has $70,000 of taxable income and earnings and profits. During the year, the corporation distributes dividends (including amounts treated as dividends under section 1373(b)) of $35,000 to F and $35,000 to S. Compensation of $10,000 is paid by the corporation to F for services rendered during the year, and no compensation is paid to S, who rendered no services. Based on the relevant facts, a reasonable compensation for the services rendered by F would be $30,000. In the discretion of the Internal Revenue Service, up to $10,000 of the $35,000 dividend received by S may, for tax purposes, be allocated to F.

* * * * *

PAR. 7. Paragraphs (d)(2) and (e)(1) of § 1.6031–1 are amended to read as follows:

§ 1.6031–1 Return of partnership income.

* * * * *

(d) *Partnerships having no U.S. business.* * * *

(2) *Returns of information with respect to partnership required of citizen or resident partners.* Where a U.S. citizen or resident is a partner in a partnership described in subparagraph (1) of this paragraph which is not required to file a partnership return, the district director or director of the service center may require such person to render such statements or provide such information as is necessary to show whether or not such person is liable for tax on income derived from such partnership. In addition, if an election in accordance with the provisions of section 703 (relating to elections affecting the computation of taxable income derived from a partnership) or section 761 (relating to the election to be excluded from the application of all or part of subchapter K, chapter 1 of the Code) is to be made by or for the partnership, a return on Form 1065 shall be filed for such partnership. See section 6063 and § 1.6063–1, relating to the authority of a partner to sign a partnership return. The filing of one such return for a taxable year of the partnership by a citizen or resident partner shall constitute a filing for the partnership of such partnership return.

(e) *Place and time for filing returns—*(1) *Place for filing—*(i) *Returns filed with district director or Director of International Operations.* The returns of partnerships doing business, or having income from sources, within the United States shall be filed with the district director for the internal revenue district in which the partnership has its principal office or principal place of business within the United States. If a partnership has no office, place of business, or agency within the United States, the return shall be filed with the Director of International Operations, Internal Revenue Service, Washington, D.C. 20225. A partnership return filed under the authority of paragraph (d)(2) of this section shall be filed with the internal revenue officer with whom the citizen or resident partner files his separate income tax return.

(ii) *Returns filed with service centers.* Notwithstanding subdivision (i) of this subparagraph, unless a return is filed by hand carrying, whenever instructions applicable to partnership returns provide that the return be filed with a service center, the return must be so filed in accordance with the instructions. Returns which are filed by hand carrying shall be filed with the district director in accordance with subdivision (i) of this subparagraph.

* * * * *

PAR. 8. Paragraph (c) of § 1.6034–1 is amended to read as follows:

* * * * *

(c) *Time and place for filing return.* The return on Form 1041–A shall be filed on or before the 15th day of the fourth month following the close of the taxable year of the trust, with the internal revenue officer designated by the instructions applicable to such form.

PAR. 10. Section 1.6091–2 is amended by adding a cross reference at the end of paragraph (d) thereof:

§ 1.6091–2 Place for filing income tax returns.

* * * * *

(d) *Hand-carried returns.* Notwithstanding paragraphs (1) and (2) of section 6091(b) and paragraph (c) of this section—

(1) *Persons other than corporations.* Returns of persons other than corporations which are filed by hand carrying shall be filed with the district director as provided in paragraph (a) of this section.

(2) *Corporations.* Returns of corporations which are filed by hand carrying shall be filed with the district director as provided in paragraph (b) of this section.

See § 301.6091–1 of this chapter (Regulations on Procedure and Administration) for provisions relating to the definition of hand carried.

* * * * *

PAR. 11. Section 1.6091–3 is amended by revising paragraphs (b) and (i) to read as follows:

§ 1.6091–3 Income tax returns required to be filed with Director of International Operations.

* * * * *

(b) Income tax returns on an individual citizen of the United States whose principal place of abode for the period with respect to which the return is filed is outside the United States. A taxpayer's principal place of abode will be considered to be outside the United States if his legal residence is outside the United States or if his return bears a foreign address.

The application, together with any supplementary statement, shall be prepared in accordance with the form, instructions, and regulations applicable thereto, and shall set forth fully and clearly the data therein called for. The application shall be signed by (i) the individual, if the person is an individual; (ii) the president, vice president, or other principal officer, if the person is a corporation; (iii) a responsible and duly authorized member or officer having knowledge of its affairs, if the person is a partnership or other unincorporated organization; or (iv) the fiduciary, if the person is a trust or estate. The application shall be filed with the internal revenue officer designated in the instructions applicable to Form SS–4. An employer identification number will be assigned to the applicant in due course upon the basis of information reported on the application.

SUBCHAPTER B—ESTATE AND GIFT TAXES

PART 25—GIFT TAX; GIFTS MADE AFTER DECEMBER 31, 1954

PAR. 13. Section 25.2513–3 is amended to read as follows:

§ 25.2513–3 Revocation of consent.

If the consent to the application of the provisions of section 2513 for a calendar year was effectively signified on or before the 15th day of April following the close of the calendar year, either spouse may revoke the consent by filing in duplicate a signed statement of revocation, but only if the statement is filed on or before such 15th day of April. Except as provided in paragraph (b) of § 301.6091–1 (related to hand-carried documents), the statement shall be filed with the internal revenue officer with whom the gift tax return is required to be filed, or with whom the gift tax return would be required to be filed if a return were required. Therefore, a consent which was not effectively signified until after the 15th day of April following the close of the calendar year to which it applies may not be revoked.

PAR. 14. Paragraph (c) of § 25.2522(a)–1 is amended to read as follows:

§ 25.2522(a)–1 Charitable and similar gifts; citizens or residents.

* * * * *

(c) In order to prove the right to the charitable, etc., deduction provided by section 2522 the donor must submit such data as may be requested by the Internal Revenue Service. As to the extent the deductions provided by this section are allowable, see section 2524.

PAR. 15. Paragraph (a) of § 25.2523(a)–1 is amended to read as follows:

§ 25.2523(a)–1 Gift to spouse; in general.

(a) *In general.* In determining the amount of taxable gifts for the calendar year 1955 or any calendar year thereafter, in the case of a donor who was a citizen or resident of the United States at the time the gift was made, there may be deducted an amount equal to one-half the value of any property interest (except as otherwise provided in paragraph (b) of this section) transferred by gift to a donee who at the time of the gift was the donor's spouse. This deduction is referred to as the "marital deduction." No marital deduction is authorized with respect to a gift if the donor, at the time of the gift, was a nonresident not a citizen of the United States. However, if the donor was a citizen or resident of the United States at the time the gift was made, he is not deprived of the right to the marital deduction by reason of the fact that his spouse was a nonresident not a citizen. For convenience the donor's spouse is generally referred to in the feminine gender, but if the donor is a woman the reference is to her husband. The donor must submit such proof as is necessary to establish the right to the marital deduction, including any evidence requested by the Internal Revenue Service.

* * * * *

PAR. 16. Paragraph (b) of § 25.6001–1 is amended to read as follows:

§ 25.6001–1 Records required to be kept.

* * * * *

(b) *Supplemental data.* In order that the Internal Revenue Service may determine the correct tax the donor shall furnish such supplemental data as may be deemed necessary by the Internal Revenue Service. It is, therefore, the duty of the donor to furnish upon request, copies of all documents relating to his gift or gifts, appraisal lists of any items included in the total amount of gifts, copies of balance sheets or other financial statements obtainable by him relating to the value of stock constituting the gift, and any other information obtainable by him that may be necessary in the determination of the tax. See section 2512 and the regulations issued

thereunder. For every policy of life insurance listed on the return, the donor must procure a statement from the insurance company on Form 938 and file it with the internal revenue officer with whom the return is filed. If specifically requested by an internal revenue officer, the insurance company shall file this statement direct with the internal revenue officer.

PAR. 17. Paragraph (b) of § 25.6011–1 is amended to read as follows:

§ 25.6011–1 General requirement of return, statement, or list.

* * * * *

(b) *Use of prescribed forms.* Copies of the forms prescribed by paragraph (b) of § 25.6001–1 and § 25.6019–1 may be obtained from district directors and directors of service centers. The fact that a person required to file a form has not been furnished with copies of a form will not excuse him from the making of a gift tax return, or from the furnishing of the evidence for which the forms are to be used. Application for a form should be made to the district director or director of a service center in ample time to enable the person whose duty it is to file the form to have the form prepared, verified, and filed on or before the date prescribed for the filing thereof.

PAR. 18. Paragraph (c) of § 25.6019–1 is amended to read as follows:

§ 25.6019–1 Persons required to file returns.

* * * * *

(c) *Ratification of return.* The return shall not be made by an agent unless by reason of illness, absence, or nonresidence, the person liable for the return is unable to make it within the time prescribed. Mere convenience is not sufficient reason for authorizing an agent to make the return. If by reason of illness, absence or nonresidence, a return is made by an agent, the return must be ratified by the donor or other person liable for its filing within a reasonable time after such person becomes able to do so. If the return filed by the agent is not so ratified, it will not be considered the return required by the statute. Supplemental data may be submitted at the time of ratification. The ratification may be in the form of a statement, executed under the penalties of perjury and filed with the internal revenue officer with whom the return was filed, showing specifically that the return made by the agent has been carefully examined and that the person signing ratifies the return as the donor's. If a return is signed by an agent, a statement fully explaining the inability of the donor must accompany the return.

PAR. 19. Paragraph (b) of § 25.6019–3 is amended to read as follows:

§ 25.6019–3 Contents of return.

* * * * *

(b) *Disclosure of transfers coming within provisions of section 2516.* Section 2516 provides that certain transfers of property pursuant to written property settlements between husband and wife are deemed to be transfers for full and adequate consideration in money or money's worth if divorce occurs within 2 years. In any case where a husband and wife enter into a written agreement of the type contemplated by section 2516, and the final decree of divorce is not granted on or before the due date for the filing of a gift tax return for the calendar year in which the agreement became effective (see § 25.6075–1), the transfer shall be disclosed by the transferor upon a gift tax return filed for the calendar year in which the agreement became effective and a copy of the agreement shall be attached to the return. In addition, a certified copy of the final divorce decree shall be furnished the internal revenue officer with whom the return was filed not later than 60 days after the divorce is granted. Pending receipt of evidence that the final decree of divorce has been granted (but in no event for a period of more than 2 years from the effective date of the agreement), the transfer will tentatively be treated as made for a full and adequate consideration in money or money's worth.

PAR. 20. Section 25.6075–1 is amended to read as follows:

§ 25.6075–1 Returns; time for filing gift tax returns.

The gift tax return required by section 6019 must be filed on or before the due date. The due date is the date on or before which the return is required to be filed in accordance with the provisions of section 6075(b) or the last day of the period covered by an extension of time granted, as provided in § 25.6081–1. Unless an extension of time has been granted, the due date is the 15th day of April following the close of the calendar year in which gifts were made. When the due date falls on Saturday, Sunday, or a legal holiday, the due date for filing the return is the next succeeding day which is not Saturday, Sunday, or a legal holiday. For definition of a legal holiday, see section 7503 and § 301.7503–1 of this chapter (Regulations on Procedure and Administration). As to additions to the tax for failure to file the return within the prescribed time, see section 6651 and § 301.6651–1 of this chapter (Regulations on Procedure and Administration).

PAR. 21. Section 25.6081–1 is amended to read as follows:

§ 25.6081–1 Extension of time for filing returns.

It is important that the donor file on or before the due date a return as nearly complete and final as it is possible for him to prepare. However, the district director or director of the service center is authorized to grant a reasonable extension of time for filing returns. Applications for extensions of time for filing gift tax returns must contain a full recital of the causes for delay. Except as provided in paragraph (b) of § 301.6091–1 (relating to hand-carried documents), such application shall be made to the internal revenue officer with whom such return is required to be filed. Except in the case of donors who are abroad, no extension for filing gift tax returns may be granted for more than 6 months. An extension of time for filing a return does not operate to extend the time for payment of the tax or any part thereof, unless so specified in the extension. For extensions of time for payment of tax, see § 25.6161–1. No extension of time for filing a return may be granted unless the application is received by such internal revenue officer before the expiration of the time within which the return must otherwise be filed. The application should, when possible, be made sufficiently early to permit the internal revenue officer to consider the matter and reply before what otherwise would be the due date of the return.

PAR. 22. Section 25.6091 is amended by revising section 6091(b) and adding a historical note to read as follows:

§ 25.6091 Statutory provisions; place for filing returns or other documents.

SEC. 6091. *Place for filing returns or other documents*— * * *

(b) *Tax returns.* In the case of returns of tax required under authority of part II of this subchapter

(B) *Exception.* Returns of—

(iii) Persons who claim the benefits of section 911 (relating to earned income from sources without the United States), section 931 (relating to income from sources within possessions of the United States), or section 933 (relating to income from sources within Puerto Rico), and

(iv) Nonresident alien persons,

shall be made at such place as the Secretary or his delegate may by regulations designate.

* * * * *

(4) *Hand-carried returns.* Notwithstanding paragraph (1) * * * a return to which paragraph (1)(A) * * * would apply, but for this paragraph, which is made to the Secretary or his delegate by hand carrying shall, under regulations prescribed by the Secretary or his delegate, be made in the internal revenue district referred to in paragraph (1)(A)(i) * * *.

(5) *Exceptional cases.* Notwithstanding paragraph (1) * * * or (4) of this subsection, the Secretary or his delegate may permit a return to be filed in any internal revenue district, and may require the return of any officer or employee of the Treasury Department to be filed in any internal revenue district selected by the Secretary or his delegate.

[Sec. 6091 as amended by sec. 1(a), Act of Nov. 2, 1966 (Public Law 89–713, 80 Stat. 1107)]

PAR. 23. Section 25.6091–1 is amended to read as follows:

§ 25.6091–1 Place for filing returns and other documents.

(a) *Returns filed with district director or Director of International Operations.* If the donor is a resident of the United States, the gift tax return required by section 6091 shall be filed with the district director for the district in which the legal residence or principal place of business of the donor is located. If the donor is a nonresident (whether or not a citizen), and his principal place of business is located in an internal revenue district, the gift tax return shall be filed with the district director for the internal revenue district in which the donor's principal place of business is located. If the donor is a nonresident (whether or not a citizen), and he does not have a principal place of business which is located in an internal revenue district, the gift tax return shall be filed with the Director of International Operations, Internal Revenue Service, Washington, D.C. 20225, or with such other official as may be designated by instructions applicable to the return.

(b) *Returns filed with service centers.* Notwithstanding paragraph (a) of this section, unless a return is filed by hand-carrying, whenever instructions applicable to gift tax returns provide that the returns be filed with a service center, the returns must be so filed in accordance with the instructions. Returns which are filed by hand carrying shall be filed with the district director in accordance with paragraph (a) of this section.

PAR. 24. Section 25.6151 is amended by revising section 6151(a) and adding a historical note to read as follows:

§ 25.6151 Statutory provisions; time and place for paying tax shown on return.

SEC. 6151. *Time and place for paying tax shown on returns*—(a) *General rule.* Except as otherwise provided in this section, when a return of tax is required under this title or regulations, the person required to make such return shall, without assessment or notice and demand from the Secretary or his delegate, pay such tax to the principal internal revenue officer for the internal revenue district in which the return is required to be filed, and shall pay such tax at the time and place fixed for filing the return (determined without regard to any extension of time for filing the return).

[Sec. 6151 as amended by sec. 1(b), Act of Nov. 2, 1966 (Public Law 89–713, 80 Stat. 1108)]

PAR. 25. Paragraph (c) of § 25.6161–1 is amended to read as follows:

§ 25.6161–1 Extension of time for paying tax or deficiency.

* * * * *

(c) *Application for extension.* An application for an extension of the time for payment of the tax shown on the return, or for the payment of any amount determined as a deficiency, shall be in writing and shall be accompanied by evidence showing the undue hardship that would result to the donor if the extension were refused. The application shall also be accompanied by a statement of the assets and liabilities of the donor and an itemized statement showing all receipts and disbursements for each of the 3 months immediately preceding the due date of the amount to which the application relates. The application with supporting documents, must be filed with the applicable district director referred to in paragraph (a) of § 25.6091–1 regardless of whether the return is to be filed with, or the tax is to be paid to, such district director on or before the date prescribed for payment of the amount with respect to which the extension is desired. The application will be examined by the district director and within 30 days, if possible, will be denied, granted, or tentatively granted subject to certain conditions of which the donor will be notified. If an additional extension is desired, the request therefor must be made to the district director on or before the expiration of the period for which the prior extension is granted.

domestic corporation may enter into an agreement with the Internal Revenue Service for the purpose of extending the insurance system established by title II of the Social Security Act to certain services performed outside the United States by citizens of the United States as employees of a foreign subsidiary of the domestic corporation, and with the obligations of a domestic corporation which enters into such an agreement. The provisions of the Internal Revenue Code of 1954, as amended, to which the regulations in this part pertain are contained in section 3121(l). The liabilities assumed under an agreement entered into pursuant to such section are based on the remuneration for services covered by the agreement. The Internal Revenue Service will return one copy of the agreement to the domestic corporation, will transmit one copy to the Department of Health, Education, and Welfare, and will retain one copy (together with all related papers).

PAR. 31. Paragraphs (c) and (d) of § 36.3121(l)(1)–2 are amended to read as follows:

(b) *Amendment of agreement.* If an amendment on Form 2032 Supplement (filed by a domestic corporation to include in its agreement services performed for a foreign subsidiary not previously named therein) is signed by the district director or director of the service center, within the quarter for which the agreement is first effective or within the first calendar month following such quarter, the agreement shall be effective with respect to the subsidiary named in the amendment as of the date such agreement first became effective. However, if the amendment is signed by the district director or director of the service center after the last day of the fourth month for which the agreement is in effect, such agreement shall be in effect with respect to the subsidiary named in the amendment for the period beginning with the first day of the calendar quarter following the calendar quarter in which the amendment is signed by the district director or director of the service center.

PAR. 33. Paragraphs (a) and (b)(2) of § 36.3121(l)(3)–1 are amended to read as follows:

The notice shall be submitted in duplicate and shall be accompanied by a certified copy of the minutes of the meeting of the board of directors of the domestic corporation, or other evidence, showing authorization for the notice of revocation. No particular form is prescribed for the notice of revocation. The Internal Revenue Service will transmit one copy of the notice of revocation to the Department of Health, Education, and Welfare.

(b) *Termination by reason of change in stock ownership.* * * *

(2) A domestic corporation which has entered into an agreement as provided in § 36.3121(l)(1)–1 shall furnish (for calendar quarters beginning before 1969, to the district director for the internal revenue district in which is located its principal place of business in the United States; and for calendar quarters beginning after 1968, except as provided in paragraph (b) of § 301.6091–1 (relating to hand-carried documents) to the director of the service center serving such internal revenue district) written notification in the event that a foreign corporation named in the agreement, including any amendment thereof, as a foreign subsidiary of the domestic corporation ceases to be its foreign subsidiary. The written notification shall be furnished in duplicate on or before the last day of the first month following the close of the calendar quarter in which the foreign corporation ceases, at any time in such quarter, to be a foreign subsidiary of the domestic corporation. The written notification shall show (i) the title of the officer signing the notice, (ii) the name, address, and identification number of the domestic corporation, (iii) the internal revenue officer with whom the agreement was entered into, (iv) the date on which the agreement was entered into, (v) the name and address of the foreign corporation with respect to which the notification is furnished, and (vi) the date on which the foreign corporation ceased to be a foreign subsidiary of the domestic corporation. No particular form is prescribed for the written notification. The Internal Revenue Service will transmit one copy of the written notification to the Department of Health, Education, and Welfare.

PAR. 34. Section 36.3121(l)(7)–1 is amended by revising subparagraphs (1), (2), and (3)(ii) of paragraph (a) and by revising subdivisions (i) and (iii) of paragraph (b)(2). The revised provisions read as follows:

§ 36.3121(l)(7)–1 Overpayments and underpayments.

(a) *Adjustments*—(1) *In general.* Errors in the payment of amounts for which liability equivalent to the employee and employer taxes with respect to any payment of remuneration is incurred by a domestic corporation pursuant to its agreement are adjustable by the domestic corporation in certain cases without interest. However, not all corrections made under this section constitute adjustments within the meaning of the regulations in this part. The various situations in which such corrections constitute adjustments are set forth in subparagraphs (2) and (3) of this paragraph. All corrections in respect of underpayments and all adjustments or credits in respect of overpayments made under this section must be reported on a return filed by the domestic corporation under the regulations in this part and not on a return filed with respect to the employee and employer taxes imposed by sections 3101 and 3111, respectively. Every return on which such a correction (by adjustment, credit, or otherwise) is reported pursuant to this section must have securely attached as a part thereof a statement explaining the error in respect of which the correction is made, designating the calendar quarter in which the error was ascertained, and setting forth such other information as would be required if the correction were in respect of an overpayment or underpayment of taxes under the Federal Insurance Contributions Act. An error is ascertained when the domestic corporation has sufficient knowledge of the error to be able to correct it. An underpayment may not be corrected under this section after receipt from the district director or director of the service center of written notification of the amount due and demand for payment thereof, but the amount shall be paid in accordance with such notification.

(2) *Underpayments.* If a domestic corporation fails to report, on a return filed under the regulations in this part, all or any part of the amount for which liability equivalent to the employee and employer taxes is incurred under its agreement with respect to any payment of remuneration, the domestic corporation shall adjust the underpayment by reporting the additional amount due as an adjustment on a return or supplemental return filed on or before the last day on which the return for the return period in which the error is ascertained is required to be filed. The amount of each underpayment adjusted in accordance with this subparagraph shall be paid, without interest, at the time fixed for reporting the adjustment. If an adjustment is reported pursuant to this subparagraph but the amount thereof is not paid when due, interest thereafter accrues.

(3) *Overpayments.* * * *

(ii) A correction may not be made in one calendar year in respect of any part of an overpayment which was collected from an individual in a prior calendar year unless the domestic corporation has secured the written statement of the individual showing that he has not claimed and will not claim refund or credit of the amount so collected, and retains such receipt as a part of its records. See § 31.6413(c)–1 of this chapter, relating to claims for special credit or refund.

The correction constitutes an adjustment under this subparagraph only if it is reported on the return for the period in which the error is ascertained or on the return for the next following period, and then only if the correction is reported within the statutory period of limitation upon refund or credit of overpayments of amounts due under the agreement. See paragraph (b)(2)(iii) of this section relating to such statutory period. A claim for credit or refund may be filed in accordance with the provisions of paragraph (b)(2) of this section for any overpayment of an amount due under the agreement which is not adjusted under this subparagraph.

(b) *Errors not adjustable.* * * *

(2) *Overpayments.* (i) If more than the correct amount due from a domestic corporation pursuant to its agreement (including the amount of any interest or addition) is paid and the amount of the overpayment is not adjusted under paragraph (a)(3) of this section, the domestic corporation may file a claim for refund or credit. Except as otherwise provided in this subparagraph, such claim shall be made in the same manner and subject to the same conditions as to allowance of the claim as would be the case if the claim were in respect of an overpayment of taxes under the Federal Insurance Contributions Act. Refund or credit of an amount erroneously paid by a domestic corporation under its agreement may be allowed only to the domestic corporation.

* * * * *

(iii) No refund or credit of an overpayment of the amount due from a domestic corporation under its agreement will be allowed after the expiration of 2 years after the date of payment of such overpayment, except upon one or more of the grounds set forth in a claim filed prior to the expiration of such 2-year period.

SUBCHAPTER D—MISCELLANEOUS EXCISE TAXES

PART 41—EXCISE TAX ON USE OF CERTAIN HIGHWAY MOTOR VEHICLES

PAR. 35. Paragraph (a)(1) of § 41.6109–1 is amended to read as follows:

(a) *Requirement of application*—(1) *In general.* An application on Form SS–4 for an employer identification number shall be made by every person in whose name a highway motor vehicle is registered at a time, after September 30, 1962, when a taxable use of such vehicle occurs, but who prior to such time neither has been assigned an employer identification number nor has applied therefor. The application, together with any supplementary statement, shall be prepared in accordance with the form, instructions, and regulations applicable thereto, and shall set forth fully and clearly the data therein called for. Form SS–4 may be obtained from any district director or director of a service center. The application shall be filed with the internal revenue officer designated in the instructions applicable to Form SS–4. ONIONS

Imports

Notice is hereby given of a proposed amendment of § 980.107 *Onion import regulation* (33 F.R. 11642), applicable to the importation of onions into the United States to become effective March 24, 1969, under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601 et seq.).

Under section 8e-1 of the act (7 U.S.C. 608e-1), whenever two or more marketing orders are concurrently in effect regulating the same agricultural commodity produced in different areas of the United States, the importation of such commodity shall be prohibited unless it complies with the grade, size, quality, and maturity provisions of the order which, as determined by the Secretary of Agriculture, regulates the commodity produced in the area with which the imported commodity is in most direct competition.

Onion import regulation § 980.107 (33 F.R. 11642), became effective August 19, 1968, and set forth the applicable grade, size, quality, and maturity requirements for onions handled under Marketing Order No. 958, as amended (7 CFR Part 958) regulating the shipments of onions grown in designated counties in Idaho and eastern Oregon. On March 1, 1969 (33 F.R. 17309), grade, size, quality, and maturity requirements became effective for the period March 1 through June 15, 1969, under Marketing Order No. 959, as amended (7 CFR Part 959), regulating the handling of onions grown in south Texas.

Consideration will be given to any written data, views, or arguments pertaining to the proposed amendment which are filed in quadruplicate with the Hearing Clerk, Room 112, U.S. Department of Agriculture, Washington, D.C. 20250, not later than 5 days after publication of this notice in the FEDERAL REGISTER. All written submissions made pursuant to this notice will be made available for public inspection at the office of the Hearing Clerk during regular business hours (7 CFR 1.27(b)).

The proposed amendment is as follows:

In § 980.107 *Onion import regulation* (33 F.R. 11642), delete the introductory paragraph and paragraphs (a) and (h) and substitute the following new introductory paragraph and new paragraphs (a), (h), and (i), with paragraph (b) republished for information:

§ 980.107 Onion import regulation.

Pursuant to section 608e-1 of the Act (7 U.S.C. 608e-1) and except as otherwise provided herein, during the period beginning March 24, 1969, and continuing through June 15, 1969, the importation of onions is prohibited unless such onions are inspected and meet the requirements of this section.

(a) *Minimum grade and size requirements*—(1) *Grade.* Not to exceed 20 percent defects of U.S. No. 1 grade. In percentage grade lots, tolerances for serious damage shall not exceed 10 percent including not more than 2 percent decay. Double the lot tolerance shall be permitted in individual packages in percentage grade lots. Applications of tolerances in U.S. Grade Standards shall apply to in-grade lots.

(2) *Size.* White onions—1 inch minimum diameter; all other varieties of onions—1¾ inches minimum diameter.

(b) *Condition.* Due consideration shall be given to the time required for transportation and entry of onions into the United States. Onions with transit time from country of origin to entry into the United States of 10 or more days may be entered if they meet an average tolerance for decay of not more than 5 percent, provided they also meet the requirements of this section.

* * * * *

(h) It is hereby determined that imports of onions, during the effective time of this section, are in most direct competition with onions grown in South Texas. The requirements set forth in this section are the same as those applicable to grade, size, quality and maturity effective for onions grown in South Texas.

(i) *Definitions.* For the purpose of this section, "Onions" means all (except red) varieties of Allium cepa marketed dry, except dehydrated, canned and frozen onions, onion sets, green onions, and pickling onions. Onions commonly referred to as "braided," that is, with tops, may be imported if they meet the grade and size requirements except for top length. The term "U.S. No. 1" shall have the same meaning as set forth in the U.S. Standards for Grades of Bermuda-Granex-Grano Type Onions (§§ 51.3195—51.3209 of this title), U.S. Standards for Grades of Creole Onions (§§ 51.3955—51.3970 of this title) or in the U.S. Standards for Grades of Onions Other Than Bermuda-Granex-Grano and Creole Types (§§ 51.2830—51.2854 of this title), whichever is applicable to the particular variety. Tolerances for size shall be those in the applicable U.S. Standards. The requirements of Canada No. 1 grade are deemed comparable to the requirements of U.S. No. 1 grade. "Importation" means release from custody of the U.S. Bureau of Customs.

The proposed amendments, set forth below, have not received the approval of the Secretary of Agriculture.

Proposed by Mid-America Dairymen, Inc.:

Proposal No. 1. Revise § 1079.16 to read as follows:

Federal Aviation Administration

[14 CFR Part 71]

[Airspace Docket No. 69-SO-17]

TRANSITION AREAS

Proposed Designation, Alteration, and Revocation

The Federal Aviation Administration is considering an amendment to Part 71 of the Federal Aviation Regulations that would designate, alter, and revoke controlled airspace in the State of Tennessee by designating the Tennessee transition area.

Interested persons may submit such written data, views, or arguments as they may desire. Communications should be submitted in triplicate to the Area Manager, Memphis Area Office, Attention: Chief, Air Traffic Branch, Federal Aviation Administration, Post Office Box 18097, Memphis, Tenn. 38118. All communications received within 30 days after publication of this notice in the FEDERAL REGISTER will be considered before action is taken on the proposed amendment. No hearing is contemplated at this time, but arrangements for informal conferences with Federal Aviation Administration officials may be made by contacting the Chief, Air Traffic Branch. Any data, views, or arguments presented during such conferences must also be submitted in writing in accordance with this notice in order to become part of the record for consideration. The proposal contained in this notice may be changed in the light of comments received.

The official docket will be available for examination by interested persons at the Southern Regional Office, Federal Aviation Administration, Room 724, 3400 Whipple Street, East Point, Ga.

There are six small portions of uncontrolled airspace and two segments of controlled airspace having floors above 1,200 feet above the surface scattered throughout the State of Tennessee. These areas are either surrounded by Federal airways or 1,200-foot transition areas. Because of the increasing traffic volume and demand for air traffic control services, there is a need to include these areas within the proposed Tennessee transition area. Inclusion of these areas within the proposed transition area, along with the adjustment of the floors of existing transition areas designated above 1,200 feet above the surface, would incur no apparent derogation to VFR operations.

To simplify airspace descriptions, provide continuity of the floors of controlled airspace, and improve chart legibility, the following airspace actions are proposed:

1. Designate the Tennessee transition area as that airspace extending upward from 1,200 feet above the surface within the boundary of the State of Tennessee.

2. The Memphis, Paris, and Union City, Tenn., 1,200-foot transition areas would be altered by adding "* * * excluding the portion within the State of Tennessee * * *" to each present description.

3. The portions of the following transition areas with floors of 1,200 feet above the surface or above would be revoked:

Chattanooga, Tenn	Lexington, Tenn.
Dyersburg, Tenn.	Nashville, Tenn.
Jackson, Tenn.	Snowbird, Tenn.
Knoxville, Tenn.	Tri-City, Tenn.

Those portions of the transition areas considered herein for revocation that extend into Mississippi and Alabama would be replaced by the proposed Mississippi (ASD 69–SO–16) and Alabama (ASD 69–SO–15) transition areas to be published concurrently with this docket.

This amendment is proposed under the authority of section 307(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1348(a)) and of section 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in East Point, Ga., on February 28, 1969.

GORDON A. WILLIAMS, Jr.,
Acting Director, Southern Region.

Proposed Designation, Alteration, and Revocation

The Federal Aviation Administration is considering an amendment to Part 71 of the Federal Aviation Regulations that would designate, alter, and revoke controlled airspace in the State of Mississippi and its coastal waters by designating the Mississippi transition area.

Interested persons may submit such written data, views, or arguments as they may desire. Communications should be submitted in triplicate to the Area Manager, Memphis Area Office, Attention: Chief, Air Traffic Branch, Federal Aviation Administration, Post Office Box 18097, Memphis, Tenn. 38118. All communications received within 30 days after publication of this notice in the FEDERAL REGISTER will be considered before action is taken on the proposed amendment. No hearing is contemplated at this time, but arrangements for informal conferences with Federal Aviation Administration officials may be made by contacting the Chief, Air Traffic Branch. Any data, views, or arguments presented during such conferences must also be submitted in writing in accordance with this notice in order to become part of the record for consideration. The proposal contained in this notice may be changed in the light of comments received.

The official docket will be available for examination by interested persons at the Southern Regional Office, Federal Aviation Administration, Room 724, 3400 Whipple Street, East Point, Ga.

There are varying portions of uncontrolled airspace and one segment of controlled airspace having a floor of 2,500-feet MSL scattered throughout the State of Mississippi. These areas are either surrounded by Federal airways or 1,200-foot transition areas. Because of the increasing traffic volume and demand for air traffic control services, there is a need to include these areas within the proposed Mississippi transition area. Inclusion of these areas within the proposed transition area, along with the adjustment of the floor of the 2,500-foot MSL additional control area, would incur no apparent derogation to VFR operations.

To simplify airspace descriptions, provide continuity of the floors of controlled airspace, and improve chart legibility, the following airspace actions are proposed:

1. Designate the Mississippi transition area as that airspace extending upward from 1,200 feet above the surface within the boundary of the State of Mississippi, including that airspace 3 nautical miles from and parallel to the shoreline, beginning at the intersection of the Mississippi/Alabama State line, extending west along a line 3 nautical miles and parallel to the shoreline, to and southwest along the southeast boundary of V–22, to and south along long. 88°51'00" W. to lat. 30°07'20" N. (point of intersection of the Mississippi State line and long. 88°51'00" W.).

2. The Gulfport, Greenville, McComb, Natchez, and Vicksburg, Miss., 1,200-foot transition areas would be altered by adding "* * * excluding the portion within the State of Mississippi * * *" to each present description.

3. The portions of the following transition areas with floors of 1,200 feet above the surface would be revoked:

Columbus, Miss.	Louisville, Miss.
Greenwood, Miss.	Meridian, Miss. (Key Field).
Hattiesburg, Miss.	Tupelo, Miss.
Jackson, Miss.	Yazoo City, Miss.
Kosciusko, Miss.	

4. The Greenville, Miss., additional control area would be revoked.

The actions proposed herein will not alter the extent of designated offshore controlled airspace. Those portions of the transition areas considered herein for revocation that extend into Alabama and Tennessee would be replaced by the proposed Alabama (ASD 69–SO–15) and Tennessee (ASD 69–SO–17) transition areas to be published concurrently with this docket.

This amendment is proposed under the authority of section 307(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1348(a)) and of section 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in East Point, Ga., on February 28, 1969.

HENRY S. CHANDLER,
Acting Director, Southern Region.

TRANSITION AREAS

Proposed Designation and Revocation

The Federal Aviation Administration is considering an amendment to Part 71 of the Federal Aviation Regulations that would designate and revoke controlled airspace in the State of Alabama and its coastal waters by designating the Alabama transition area.

Interested persons may submit such written data, views, or arguments as they may desire. Communications should be submitted in triplicate to the Area Manager, Memphis Area Office, Attention: Chief, Air Traffic Branch, Federal Aviation Administration, Post Office Box 18097, Memphis, Tenn. 38118. All communications received within 30 days after publication of this notice in the FEDERAL REGISTER will be considered before action is taken on the proposed amendment. No hearing is contemplated at this time, but arrangements for informal conferences with Federal Aviation Administration officials may be made by contacting the Chief, Air Traffic Branch. Any data, views, or arguments presented during such conferences must also be submitted in writing in accordance with this notice in order to become part of the record for consideration. The proposal contained in this notice may be changed in the light of comments received.

The official docket will be available for examination by interested persons at the Southern Regional Office, Federal Aviation Administration, Room 724, 3400 Whipple Street, East Point, Ga.

There are six small portions of uncontrolled airspace and four segments of controlled airspace having floors above 1,200 feet AGL/MSL scattered throughout the State of Alabama. These areas are either surrounded by Federal airways or 1,200-foot transition areas.

Because of the increasing traffic volume and the demand for air traffic control services, there is a need to include these areas within the proposed Alabama transition area. Inclusion of these areas within the proposed transition area, along with the adjustment of the floors of existing transition areas and additional control areas designated above 1,200 feet AGL/MSL, would incur no apparent derogation to VFR operations.

To simplify airspace descriptions, provide continuity of the floors of controlled airspace, and improve chart legibility, the following airspace actions are proposed:

1. Designate the Alabama transition area as that airspace extending upward from 1,200 feet above the surface within the boundary of the State of Alabama including that airspace within 3 nautical miles from and parallel to the shoreline of Alabama, excluding the portions within R-2101, R-2103, and R-3002A.

2. The portions of the following transition areas with floors of 1,200 feet above the surface or above would be revoked:

Birmingham, Ala.	Monroeville, Ala.
Eufaula, Ala.	Montgomery, Ala.
Fort Rucker, Ala.	Muscle Shoals, Ala.
Gadsden, Ala.	Atlanta, Ga.
Huntsville, Ala.	Columbus, Ga.
Mobile, Ala.	Pensacola, Fla.

3. The Piedmont, Ala., and Langston, Ala., additional control areas would be revoked.

The actions proposed herein will not alter the extent of designated offshore controlled airspace. Those portions of the transition areas considered herein for revocation that extend into Tennessee and Mississippi would be replaced by the proposed Tennessee (ASD 69-SO-17) and Mississippi (ASD 69-SO-16) transition areas to be published concurrently with this docket.

This amendment is proposed under the authority of section 307(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1348 (a)) and of section 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in East Point, Ga., on February 28, 1969.

GORDON A. WILLIAMS, Jr.,
Acting Director, Southern Region.

JET ROUTES

Proposed Establishment

The Federal Aviation Administration (FAA) is considering amendments to Part 75 of the Federal Aviation Regulations that would exchange numbered identifiers between J-501 and J-502 between the United States/Canadian border and Seattle, Wash./Oakland, Calif., and would designate a VHF and a LF jet route between Annette Island, Alaska, and Sandspit, British Columbia, Canada.

Interested persons may participate in the proposed rule making by submitting such written data, views, or arguments as they may desire. Communications should identify the airspace docket number and be submitted in triplicate to the Director, Western Region, Attention: Chief, Air Traffic Division, Federal Aviation Administration, 5651 West Manchester Avenue, Post Office Box 92007, Worldway Postal Center, Los Angeles, Calif. 90009. All communications received within 30 days after publication of this notice in the FEDERAL REGISTER will be considered before action is taken on the proposed amendments. The proposals contained in this notice may be changed in the light of comments received.

An official docket will be available for examination by interested persons at the Federal Aviation Administration, Office of the General Counsel, Attention: Rules Docket, 800 Independence Avenue SW., Washington, D.C. 20590. An informal docket will also be available for examination at the office of the Regional Air Traffic Division Chief.

J-501 is presently aligned in part from Anchorage, Alaska, VORTAC via Johnstone Point, Alaska, VOR; Yakutat, Alaska, VORTAC; Biorka Island, Alaska, VORTAC; to Sandspit, British Columbia, Canada, VOR; and from Victoria, British Columbia, Canada, VOR to Seattle, Wash., VORTAC. HL-501 is presently aligned in part by the Canadian Department of Transport from Sandspit VOR via Malcolm Island, British Columbia, Canada, VOR to Victoria VOR. J-502 is presently aligned in part from Fairbanks, Alaska, VORTAC via Northway, Alaska, VOR; Burwash Landing, Yukon Territory, Canada, RR; Sisters Island, Alaska, VOR; Annette Island, Alaska, VOR; Malcolm Island VOR; Tofino, British Columbia, Canada, RBN; Neah Bay, Wash., RBN; Hoquiam, Wash., VORTAC; Medford, Oreg., VORTAC; Ukiah, Calif., VORTAC; INT of Ukiah VORTAC 172° T (154° M) and Oakland, Calif., VORTAC 305° T (288° M) radials; to Oakland VORTAC.

As presently aligned, HL-501 and HL-502 cross in Canadian territory at Malcolm Island, so that north of the crossing point J/HL-501 is to the west of J/HL-502, and south of the crossing point, J/HL-501 is to the east of J/HL-502. It is proposed herein to change the route identifier between Seattle and Victoria from J-501 to J-502. It is also proposed herein to change the route identifier between Tofino and Oakland from J-502 to J-501. The Canadian Department of Transport proposes to make corresponding alterations so that parallel routes will be provided with J/HL-502 to the east for Fairbanks traffic, and J/HL-501 to the west for Anchorage traffic.

The Canadian Department of Transport proposes designation of two jet routes and two HL airways between the Sandspit VOR/RR and the Annette Island VOR/RR, and has requested the FAA to take compatible action. In response to Canada's request, the FAA proposes designation of J-523 from Annette Island VOR to Sandspit VOR, and designation of J-525 from Annette Island RR to Sandspit RR. Such action would provide transition routes between J/HL-502 and J/HL-501 for both VHF and LF equipped aircraft.

These amendments are proposed under the authority of section 307(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1348), and of section 6(c) of the Department of Transportation Act (49 U.S.C. 1655(c)).

Issued in Washington, D.C., on March 4, 1969.

H. B. HELSTROM,
Chief, Airspace and Air Traffic Rules Division.

[Docket No. 12782; FCC 69-189]

COMPETITION AND RESPONSIBILITY IN NETWORK TELEVISION BROADCASTING

Order Extending Time for Filing Comments

In the matter of amendment of Part 73 of the Commission's rules and regulations with respect to competition and responsibility in network television broadcasting, docket No. 12782.

1. The Commission has before it Petition of National Broadcasting Co., Inc., and Columbia Broadcasting System, Inc., for Procedural Relief, requesting that the time for filing comments herein be extended to May 17, 1969, from March 17, 1969, and that time for filing reply comments and the date for oral argument be likewise extended.

2. On October 25, 1968, the Commission released its Order (FCC 68-1068) extending time herein for filing comments and information from November 16, 1968 to March 17, 1969, for reply comments to April 14, 1969, and scheduling oral argument for May 12, 1969. This was done on the representation by counsel for CBS and NBC that in order adequately to deal with the new developments in the industry relevant to the proposal which have occurred since the Commission's investigation and to consider the Westinghouse proposal regarding which the Commission asked for comment in its order of September 20, 1968, it is essential that an additional economic study be made of television program production, distribution and exhibition in order to provide information relevant to the present circumstances in that industry and to facilitate proper consideration of the Commission's proposal. NBC and CBS informed the Commission that they intended to employ the Arthur D. Little Co. (who had made an economic study of the industry to 1964, the report of which is a part of the record herein) to make such further study. It was anticipated that the supplemental Little Report would be available about the 15th of February and sufficient copies would

be made available to all those who wished to further comment in the proceeding. Relying on these representations the Commission granted the extension above referred to. The networks immediately concluded their arrangements with Arthur D. Little, Inc. We are now informed by NBC and CBS in their petition and in a letter to Counsel from Arthur D. Little, Inc., dated February 15, 1969, that due to circumstances not subject to the control of NBC and CBS or Little and, despite due diligence, it will not be possible to complete the supplementary study and present it in a satisfactory form in time to enable the filing of comments based thereon by March 17, 1969.

3. The present proceeding is unusual in many respects. It is highly complex and controversial, is the result of a protracted continuing inquiry and seeks to evaluate a volatile enterprise—television network broadcasting. This makes the need for current information of the kind being provided by the supplemental economic studies highly useful to commenters and the Commission adequately to consider the matter.

4. There is, of course, public interest in proceeding with this matter with all due speed. However, the need for detailed and adequate consideration of the various complex factors involved requires that the Commission proceed with due deliberation and on an informed basis as is reasonably feasible. We regret the apparent necessity of further postponing this matter. However, in the present circumstances we believe it is in the public interest to grant the request for additional time.

5. *Therefore, it is ordered,* That the time for filing comments and additional information in this proceeding be extended to May 17, 1969. It is understood that at or about April 17, 1969, upon completion, the supplemental report by the Arthur D. Little Co., will be filed with the Commission in sufficient copies to permit all interested persons to use the data contained in the report if they so choose in preparing their own comments. All persons, whether or not they have previously filed comments in this proceeding may file formal comments and submit relevant information with regard to the matter herein at or prior to May 17, 1969. The date for filing reply comments is extended to June 17, 1969. Oral argument will be held scheduled to begin at 10 a.m. on the 21st day of July 1969.

Adopted: February 28, 1969.

Released: March 5, 1969.

CIVIL AERONAUTICS BOARD

[Docket No. 20777; Order 69-3-19]

TRANS WORLD AIRLINES, INC.

Order Granting Exemption During Strike Emergency

Adopted by the Civil Aeronautics Board at its office in Washington, D.C., on the 6th day of March 1969.

By telegraphic application on March 3, 1969, Trans World Airlines, Inc. (TWA), requests an exemption, during the emergency created by the current strike against American Airlines, Inc. (American), from Title IV of the Act, and the terms, limitations, and conditions of its certificate to the extent necessary to permit it to carry local passengers, freight, and mail between Detroit and Boston on its international flights.

We have been informally advised that United Air Lines, Inc., Mohawk Airlines, Inc., Allegheny Airlines, Inc., and American do not object to the relief requested by TWA.

We have decided to grant the requested exemption, so as to permit TWA to carry Detroit-Boston passengers on the one daily round trip it presently operates between Detroit/Boston and London. There is a need for service to replace American's Detroit-Boston service which has been temporarily interrupted by a strike. American is the sole carrier authorized to provide nonstop service in the Detroit-Boston market, and has regularly provided nonstop service for the substantial traffic which flows in this market. Moreover, the new authority requested by TWA is limited in extent. TWA is authorized to serve both Detroit and Boston, as coterminals on its international route, but has no authority to carry Detroit-Boston local passengers. TWA now seeks limited temporary authority to carry Detroit-Boston local traffic on international flights which will, in any event, be operated between Boston/Detroit and London.

We conclude that the enforcement of the provisions of Title IV, and the terms, limitations, and conditions of TWA's certificate of public convenience and necessity, to the extent that they would otherwise prevent the service authorized herein, would be an undue burden on TWA by reason of the limited extent of and unusual circumstances affecting its operations and is not in the public interest.

Accordingly, it is ordered, That:

1. Trans World Airlines, Inc., be and it hereby is exempted from Title IV of the Act and the terms, limitations, and conditions of its certificate of public convenience and necessity for route 147 to the extent necessary to permit it to carry passengers, property, and mail between Detroit, Mich., and Boston, Mass., on one daily round trip which originates or terminates at a point in Europe, provided that the rates or fares to be charged for such service shall be the same as those charged by American Airlines;

2. To the extent not otherwise granted herein TWA's application be and it hereby is denied;

3. The authority granted herein shall be effective on the date of issuance of this order and shall continue in effect until such time as American Airlines resumes its Boston-Detroit service; and

4. This order may be amended or revoked at any time in the discretion of the Board without notice or hearing.

This order will be published in the FEDERAL REGISTER.

By the Civil Aeronautics Board.

Secretary.

1. The Commission having under consideration the above-captioned applications for additional time within which to complete construction. The above-named applicants are the permittees of UHF television broadcast stations on which construction has not been completed.

2. The Commission has advised the applicants by letter that it could not determine that a grant of the requests for additional time within which to complete construction would be warranted, since it had been unable to find that the applicants had been diligent in proceeding with construction or that applicants were prevented from completing construction by causes beyond their control.

3. The applicants were also advised that unless they informed the Commission that they desired to prosecute their applications further, their construction permits would be canceled and their call letters deleted; that their reasons for not proceeding with construction entitled them at most to oral argument on the question of whether failure to complete was due to causes not under their control or that the reasons stated are sufficient to justify an extension within the meaning of section 319(b) of the Communications Act of 1934, as amended, and § 1.534(a) of the Commission's rules.

4. The above-named applicants replied to the Commission's letter and either requested oral argument or indicated a desire to prosecute further their applications, but failed specifically to request oral argument; that the Commission believes that these latter replies also should be treated as requests for oral argument.

5. *It is ordered*, That the above-captioned applications are designated for oral argument before the Commission En Banc in Washington, at 9:30 a.m., on March 31, 1969, on the following issue: To determine whether the reasons advanced by the permittee in support of its request for extension of completion date, constitute a showing that failure to complete construction was due to causes not under control of the permittee, or constitute a showing of other matters sufficient to warrant further extension within the meaning of section 319(b) of the Communications Act of 1934, as amended, and § 1.534(a) of the Commission's rules.

6. *It is further ordered*, That to avail themselves of the opportunity to be heard, each of the applicants, in person, or by attorney, shall, within twenty (20) days of the mailing of this order, file with the Commission, an original and nineteen (19) copies of a written appearance stating an intention to appear on the date fixed for the oral argument and present arguments on the issue specified, and shall have until ten (10) days prior to oral argument to file briefs or memoranda of law.

[Docket No. 69-9]

SOUTH ATLANTIC AND CARIBBEAN LINES, INC.

Order To Show Cause

On March 6, 1969, the South Atlantic and Caribbean Lines, Inc., a common carrier by water engaged in the carriage of goods between the Commonwealth of Puerto Rico and Miami, Fla., published a notice entitled "Embargo Notice" together with an amendment wherein said carrier advised that effective March 6, 1969, it would no longer book or accept for loading aboard or discharge from their ships at Miami any container which (a) contains LTL loads or consolidated full container loads; and, (b) comes from or goes to any person (including a consolidator who loads containers of outbound cargo or a distributor who unloads containers of inbound cargo), who is either a consolidator of outbound cargo or a distributor of inbound cargo who is not the beneficial owner of the cargo; and, (c) comes from or goes to any point within a geographical area described by a 50-mile circle with its radius extending, respectively, from the center of Miami, Fla. It appears that such "embargo" is now being enforced by the carrier.

There further appears to be no evidence of any emergency condition or physical limitations of said carrier necessitating the imposition of an embargo; and South Atlantic and Caribbean Lines, Inc., has on file with the Federal Maritime Commission a schedule of freight rates which apply to LTL loads or consolidated full containers of consolidators and/or distributors who are not the beneficial owners of such cargo; and which come from or go to points within a geographical area described by a 50-mile circle with its radius extending, respectively, from the center of Miami, Fla.

Section 2 of the Intercoastal Shipping Act, 1933, and Federal Maritime Commission Tariff Circular No. 3, as amended, require a carrier to file with this Commission a new schedule or schedules to become effective not earlier than 30 days after date of filing, before any change shall be made in the rates, fares, charges, classifications, rules, or regulations that have previously been filed with the Commission.

Now, therefore, it is ordered, Pursuant to section 2 of the Intercoastal Shipping Act, 1933 and section 22 of the Shipping Act, 1916, that South Atlantic and Caribbean Lines, Inc., show cause on or before March 13, 1969, why it should not be ordered to cease and desist from carrying out the aforementioned embargo, and the proceeding shall be confined solely to such issue.

It is further ordered, That this order be published in the FEDERAL REGISTER and served on South Atlantic and Caribbean Line, Inc., who is named as respondent in this proceeding. Oral argument in this proceeding will be heard by the Commission on March 13, 1969, in Room 1215, 1405 I Street NW., Washington, D.C., at 2 p.m., e.s.t. Notwithstanding the rules as to time and service of documents of this Commission's rules of practice and procedure, the parties to this proceeding shall adhere to the following schedule: Affidavits of fact and memoranda of law may be submitted to the Commission on or before the close of business, March 11, 1969. All persons having an interest in this proceeding, desiring to intervene therein, should notify the Secretary of the Commission promptly and may file petitions for leave to intervene together with affidavits of fact and memoranda of law in accordance with the schedule set forth herein. All documents or pleadings filed in this proceeding including petitions to intervene must be served by the person filing same upon all parties of record. The parties to this proceeding will be notified by the Secretary of the time allotted for oral argument.

By the Commission.

MARCH 6, 1969.

The proposed change would increase the rate charged to Colorado Interstate Gas Co. for gas sold under Rate Schedule F from 20 cents per Mcf to 21 cents.
