Philips Lighting, Richmond, KY; Notice of Revised Determination on Reconsideration

On December 16, 1994, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the former workers of the subject firm. The notice will soon be published in the **Federal Register**.

Investigation findings show that the workers produced halogen and miniature lamps.

Other investigation findings show that the subject firm ceased production in July, 1994 and the remaining workers were laid off by November, 1994.

New findings on reconsideration show that the company has begun importing halogen and miniature lamps in November, 1994.

U.S. imports of halogen and miniature lamps increased absolutely in the twelve-month period from September, 1993 through August, 1994 compared to the same twelve-month period ending in August, 1993.

Conclusion

After careful consideration of the new facts obtained on reconsideration, it is concluded that the former workers of

Philips Lighting in Richmond, Kentucky were adversely affected by increased imports of articles that are like or directly competitive with the lamps produced at the subject firm. In accordance with the provisions of the Act, I make the following revised determination for workers of Philips Lighting in Richmond, Kentucky.

"All workers of Philips Lighting in Richmond, Kentucky who became totally or partially separated from employment on or after July 8, 1993 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, DC, this 21st day of December 1994.

Footwear Management Co.; Amended Certification Regarding Eligibility to Apply for NAFTA Transitional Adjustment Assistance

In the matter of: NAFTA—00252 Tony Lama Division, El Paso, Texas, NAFTA—00252A Justin Boot Company, Fort Worth,

Texas, NAFTA—00252B Justin Boot Company, Cassville, Missouri, and NAFTA—00252C Nacona Boot Company, Nacona, Texas.

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on November 14, 1994, applicable to all workers of the subject firm in El Paso, Texas. The certification notice was published in the **Federal Register** on December 9, 1994 (59 FR 68324).

At the request of the company the Department reviewed the certification for workers of the subject firm.

The investigation findings show that workers of Footwear Management Company's Justin Boot Company in Fort Worth, Texas and Cassville, Missouri and the Nacona Boot Company in Nacona, Texas had the same boot customers as the Tony Lama Division.

The investigation findings show workers separations in 1994 at the Justin Boot Company in Fort Worth, Texas and Cassville, Missouri and at the Nacona Boot Company in Nacona, Texas. Other findings show decreased sales and production at the Justin Boot Company and the Nacona Boot Company of the Footwear Management Company.

The Department's survey of major declining customers of the Tony Lama Division of Footwear Management Company revealed that the respondents increased their imports of western style footwear from Canada and Mexico in the first nine months of 1994 compared to the same period in 1993 while reducing their purchases from the subject firm during the same period.

The intent of the Department's certification is to include all workers who were adversely affected by increased imports. Accordingly, the Department is amending the certification to properly reflect this matter.

The amended notice applicable to NAFTA—00252 is hereby issued as follows:

"All workers of the Tony Lama Division of Footwear Management Company, located in El Paso, Texas and all workers of the Justin Boot Company of Footwear Management Company in Fort Worth, Texas and Cassville, Missouri and all workers of the Nacona Boot Company in Nacona, Texas who became totally or partially separated from employment on or after December 8, 1993 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974."
