

during the data collection period in order to permit follow-up with non-respondents. This key list will be kept in a locked file when not actively in use. As soon as data cleaning is completed this key list will be destroyed. No data that could be used to identify respondents will be entered on the computer database.

Likewise the name of individual settings will not appear on data collection forms or the computerized database. Again a separate key matching the ID code to the hospital name will be maintained during the course of data collection in order to permit follow-up of non-respondents. They key listing will be kept in a secure location when not actively in use, and destroyed as soon as the data cleaning is completed.

3. *Procedural Safeguards:* Collection and maintenance of data is consistent with legislation and regulations regarding the protection of human subjects, informed consent, and confidentiality. When anonymous data is provided to research scientists for analysis, study numbers which can be matched to personal identifiers will be eliminated, scrambled, or replaced by the agency or contractor with random numbers which cannot be matched. Contractors who maintain records in this system are instructed to make no further disclosure of the records. Privacy Act requirements are specifically included in contracts for survey and research activities related to this system. The ODPHP project officers and contract officers oversee compliance with these requirements.

RETENTION AND DISPOSAL:

The records are maintained with individual identifiers only until analysis and follow-up are completed, generally a two- to three-year period. Removal or disposal of identifiers will be done according to the storage medium (e.g., erase computer tape, shred, pulp or burn paper records etc.). A staff person designated by the System Manager or an authorized Contractor will oversee and confirm the disposal in writing. Long-term retention is only in aggregate form without individual identifiers in accordance with the OASH Records Disposition Schedule.

SYSTEM MANAGER AND ADDRESS:

Senior Policy Advisor, Office of Disease Prevention and Health Promotion, 2132 Switzer Building, 330 C Street, SW, Washington, DC 20201.

NOTIFICATION PROCEDURE:

To determine if a record exists, write to the System Manager listed above. Notification requests should include:

individual's name; current address; date of birth; date, place and nature of participation in the research study; address at the time of participation. The System Manager may accept a written certification that the requester is who he or she claims to be and understands that the knowing and willful request for acquisition of a record pertaining to an individual under false pretenses is a criminal offense under the Act, subject to a five thousand dollar fine.

An individual who requests notification of, or access to, a medical/dental record shall, at the time the request is made, designate in writing a responsible representative who will be willing to review the record and inform the subject individual of its contents at the representative's discretion. The representative may be a physician, or other health professional, or other responsible individual. The subject individual will be granted direct access unless it is determined that such access is likely to have an adverse effect on him or her. In this case, the medical/dental record will be sent to the designated representative.

Individuals will be informed in writing if the record is sent to the representative.

A parent or guardian who requests notification of, or access to, a child's or incompetent person's medical record shall designate a family physician or other health professional (other than a family member) to whom the record, if any, will be sent. The parent or guardian must verify relationship to the child or incompetent person as well as his or her own identity.

RECORD ACCESS PROCEDURE:

Same as notification procedures. Requesters should also reasonably specify the record contents being sought. An individual may also request an accounting of disclosures of his/her record, if any.

CONTESTING RECORD PROCEDURE:

Contact the appropriate official at the address specified under Notification Procedures above and reasonably identify the record, specify the information being contested, and state the corrective action sought and the reason(s) for requesting the correction, along with supporting justification to show how the record is inaccurate, incomplete, untimely, or irrelevant.

RECORD SOURCE CATEGORIES:

The system contains information obtained directly from the subject individual by interview (face-to-face or telephone), written questionnaire, or observations. Information is also

obtained from other sources, including but not limited to: referring physicians; hospitals; State and local health agencies; relatives; guardians; schools, employers; and clinical research records.

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

None.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA-050-1220-00-24-1A]

Supplemental Shooting Regulations

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of proposed supplementary rules.

SUMMARY: The following supplemental shooting regulations would apply to developed recreational areas/sites and to undeveloped Bureau of Land Management administered public lands (that are not closed to shooting) within the Ukiah District, California.

(1) No person shall have in their possession an assault weapon(s) as defined under the California "Assault Weapons Control Act of 1989" and listed under the authority of Assembly Bill 357 (CPC 12276.5) and further identified under Senate Bill 263, Chapter 954 STATS 1991.

(2) Unless otherwise posted, no persons shall target shoot with a weapon within 50 feet of the center line of any public road. "Target Shoot" is defined as shooting a weapon for recreational purposes for which game is not being pursued. Under this definition, the shooting of clay pigeons is considered to be a form of target shooting. "Public Road" is defined as any road, dirt or otherwise, on which public vehicular traffic is permitted.

"Weapon" is defined as any firearm, cross bow, bow and arrow, paint gun, fireworks or explosive device capable of propelling a projectile either by means of an explosion or by, string or spring. "Firearm" is defined as an instrument used in the propulsion of shot, shell, or bullets by the action of gunpowder exploded within it.

(3) No person shall shoot or discharge any weapon within 150 yards of any developed recreational area/site. "Developed Recreational Area/Site" is defined as any site or area that contains structures or capital improvements primarily used by the public for recreation purposes. Such areas or sites may include such features as: delineated spaces for parking, camping or boat launching; sanitary facilities; potable water; grills or fire rings; tables; or controlled access.

(4) No person shall shoot or discharge any weapon towards or in the direction of any public road, signed trail, or developed recreational areas/site where this action could create a hazard to life or property.

(5) For safety reasons, no person shall have in their possession, an open container of alcoholic liquor while shooting or discharging any weapon. And, no person shall be under the influence of a controlled substance or have a blood alcohol content (BAC) of 0.05 (0.01 if under 21 years of age) while shooting or discharging any weapon. "Alcoholic Liquor" is defined in Black's Law Dictionary as any intoxicating liquors which can be used as a beverage, and which, when drunk to excess, will produce intoxication. "Controlled Substance" is defined in Black's Law Dictionary as any drug so designated by law whose availability is restricted, included are narcotics, stimulants, depressants, hallucinogens, and marijuana.

(6) No person shall shoot or discharge any firearm loaded with tracers, armor piercing or steel jacketed bullets.

(7) No person shall shoot or discharge any weapon at any appliance, television, object containing glass, or other target material which can shatter and cause a public safety hazard as a result of the projectile impact or explosion. The shooting or discharging of any shotgun at "clay pigeons" is permitted. Persons on these public lands which shoot or discharge any weapon are required to remove and properly dispose of all shooting materials; including shell boxes, targets, shell casings, etc.

(8) No person shall transport in a vehicle or conveyance or its attachments on any public road a firearm unless it is unloaded or dismantled. A firearm is

considered loaded for the purposes of this section when there is an unexpended cartridge of powder and a bullet or shot, in, or attached in any manner to, the firearm, including but not limited to, in the firing chamber, magazine, or clip thereof, attached to the firearm; except, that a muzzle loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the cylinder or barrel.

(9) No person shall have a loaded firearm on display when in any developed recreational area.

(10) No person shall discharge any weapon from a powerboat, sailboat, motor vehicle or aircraft while under power or still moving from use of sail or motor.

(11) Except with a valid permit, no person shall carry a concealed weapon.

(12) No person shall have in their possession a shotgun which has an overall length of less than 26 inches and/or barrel or barrels of less than 18 inches in length.

(13) No person shall have in their possession a rifle which has an overall length of less than 26 inches and/or barrel of less than 16 inches in length.

DATES: All comments and information shall be submitted in writing by February 6, 1995.

ADDRESSES: All comments concerning this proposed rulemaking should be addressed to David Howell, District Manager, Bureau of Land Management, Ukiah District Office, 2550 North State Street, Ukiah, CA 95482.

FOR FURTHER INFORMATION CONTACT: Patrick Hagan, Ranger, Ukiah District Office, (707) 468-4076.

SUPPLEMENTARY INFORMATION: These shooting regulations are being established to provide consistency and uniformity for shooting on Bureau of Land Management administered lands throughout the Ukiah District of California, and to prevent user conflicts and provide greater safety to the visiting public. These supplementary rules or shooting do not supersede regulations already established.

Authority for these regulations is contained in CFR title 43, Chapter II, Part 8360, Subpart 8364.1 and 8365.1-6. Violations of the supplementary rules under authority of 43 CFR 8365.1-6 are subject to a fine not to exceed \$1,000 and/or imprisonment not to exceed 12 months.

David Howell,
District Manager.
