## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### 32 CFR Parts 43a, 112, and 113

[DoD Directive 1344.9 and DoD Instruction 1344.12]

RIN 0790-AF65 and RIN 0790-AF80

#### Indebtedness of Military Personnel

**AGENCY:** Office of the Secretary, Department of Defense.

**ACTION:** Final rule.

**SUMMARY:** 5 U.S.C. 5520a(k) required the Department of Defense to "promulgate regulations" by April 4, 1994 for the involuntary allotment of pay from members of the Armed Forces for debts reduced to judgments. The Department published its proposed rule in the **Federal Register** on April 26, 1994 (59 FR 21713). This final rule satisfies 5 U.S.C. 5520a(k) by promulgating regulations with regard to members of the Armed Forces which include provisions for the involuntary allotment of the pay of a member of the Armed Forces for indebtedness owed a third party as determined by the final judgment of a court of competent jurisdiction, and as further determined by competent military or executive authority, as appropriate, to be in compliance with the procedural requirements of the Soldiers' and

Sailors' Civil Relief Act of 1940; and which gives consideration for the absence of a member of the Armed Forces from an appearance in a judicial proceeding resulting from exigencies of military duty.

**EFFECTIVE DATE:** January 1, 1995.

**FOR FURTHER INFORMATION CONTACT:** Major Alan L. Cook, (703) 697-3387.

**SUPPLEMENTARY INFORMATION:** Following publication of the Department of Defense's proposed rule, the Department received several public comments. After review of the comments, the Department amended its proposed rule accordingly. Some of the major changes included increasing the percentage of a member's pay that could be collected by a debtor pursuant to an involuntary allotment; deleting the requirement that a judgment could not be more than two years old in order for the Department to process an involuntary allotment request; and establishing appeal procedures for debtors from determinations by commanders that preclude collection by involuntary allotment because of exigencies of military duties. Additionally, the Coast Guard coordinated with the Department of Defense to be included in the regulations published by the Department of Defense. Note, the Department originally intended to publish its final regulation, which included both policy and procedural provisions, in the form of a DoD directive. However, due to internal Department of Defense guidance published in DoD 5025.1-M<sup>1</sup> (August 1994), directives may no longer include procedures. The procedures that were contained in the proposed rule have been placed in a DoD instruction. Accordingly, the final rule is now in two parts. The first part, 32 CFR part 112, is based on the DoD directive that contains broad policy guidance. The second part, 32 CFR part 113, reflects the DoD instruction and contains the Department's procedural guidance. The substance of both parts are derived from the proposed rule as originally published on April 26. Additionally, it has been determined that 32 CFR parts 112 and 113 are not significant regulation actions. The rules do not: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or

otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order. It has also been determined that this rule is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it will not have a significant adverse economic impact on a substantial number of small entities. The primary financial effect on administering the rule will be a reduction in administrative costs and other burdens resulting from the simplification and clarification of certain policies. Additionally, it has been determined that 32 CFR part 112 does not impose any reporting or recordkeeping requirements under the Paperwork Reduction Act of 1980 (44 U.S.C. 3501-3520). 32 CFR part 113 imposes an information collection requirement for which the paperwork has been completed. The OMB approval number is 0704-0367. Specifically, OMB provided their approval for the collection of information required by DD Form 2653, appendix C to 32 CFR part 113, that was originally intended to be included in the DoD directive but had to be moved to the DoD instruction (for internal reasons as noted above). Finally, application forms for involuntary allotment (DD Form 2653, "Involuntary Allotment Application," as described in 32 CFR part 113, appendix C) may be obtained from the Defense Finance and Accounting Service, Cleveland Center, Code L, PO Box 998002, Cleveland, Ohio 44199-8002, telephone (216) 522-5301.

112.1 Purpose.

112.2 Applicability and scope.

112.3 Definitions.

12.4 Policy.

112.5 Responsibilities.

**Authority:** 5 U.S.C. 5520a(k) and 10 U.S.C. 113(d).

### § 112.1 Purpose.

This part: (a) Updates policy and responsibilities governing delinquent indebtedness of members of the Military Services, and prescribes policy for processing involuntary allotments from the pay of military members to satisfy judgment indebtedness in accordance with 5 U.S.C. 5520a(k).

(b) Establishes responsibility for procedures implementing 5 U.S.C. 5520a(k), 15 U.S.C. 1601 note, 1601–1614, 1631–1646, 1661–1665a, 1666–1666j, and 1667–1667e (“Truth in Lending Act”), and 15 U.S.C. 1601 note, and 1692–1692o (“Fair Debt Collection Practices Act”).

(c) Designates the Director, Defense Finance and Accounting Service (DFAS), as the Department of Defense Executive Agent for forms necessary to process involuntary allotments. The Executive Agent shall publish, print, stock, distribute, and revise forms.

### § 112.2 Applicability and scope.

(a) Applies to the Office of the Secretary of Defense, the Military Departments (including the Coast Guard when it is not operating as a Military Service in the Navy by agreement with the Department of Transportation), the Chairman of the Joint Chiefs of Staff, the Unified Combatant Commands, the Inspector General of the Department of Defense, the Defense Agencies, and the Department of Defense Field Agencies (hereafter referred to collectively as “the Department of Defense Components”). The term “Military Services,” as used herein, refers to the Army, the Navy, the Air Force, the Marine Corps, and the Coast Guard.

(b) The provisions of this part do not apply to:

(1) Indebtedness of a member of the Military Services to the Federal Government.

(2) Processing of indebtedness claims to enforce judgments against military members for alimony or child support.

(3) Claims by State or municipal governments under the processing guidelines for complaints, including tax collection actions.

### § 112.3 Definitions.

(a) *Absence.* A member’s lack of an “appearance,” at any stage of the

judicial process, as evidenced by failing to physically attend court proceedings; failing to be represented at court proceedings by counsel of the member’s choosing; or failing to timely respond to pleadings, orders, or motions.

(b) *Court.* A court of competent jurisdiction within any State, territory, or possession of the United States.

(c) *Debt collector.* An agency or agent engaged in the collection of debts described under 15 U.S.C. 1601 note and 1692–1692o (“Fair Debt Collection Practices Act”).

(d) *Exigencies of military duty.* A military assignment or missing-essential duty that, because of its urgency, importance, duration location, or isolation, necessitates the absence of a member of the Military Services from appearance at a judicial proceeding or prevents the member from being able to respond to a notice of application for an involuntary allotment. Exigency of military duty is normally presumed during periods of war, national emergency, or when the member is deployed.

(e) *Judgment.* A final judgment must be a valid, enforceable order or decree, by a court from which no appeal may be taken, or from which no appeal has been taken within the time allowed, or from which an appeal has been taken and finally decided. The judgment must award a sum certain amount and specify that the amount is to be paid by an individual who, at the time of application for the involuntary allotment, is a member of the Military Services.

(f) *Just financial obligations.* A legal debt acknowledged by the military member in which there is no reasonable dispute as to the facts or the law; or one reduced to judgment that conforms to the Soldiers’ and Sailors’ Civil Relief Act of 1940, as amended (50 U.S.C. appendix sections 501–591).

(g) *Member of the military services.* Any member of the Regular Army, Air Force, Navy, Marine Corps, or Coast Guard, and any member of a Reserve component of the Army, Air Force, Navy, Marine Corps or Coast Guard (including the Army National Guard of the United States and the Air National Guard of the United States) on active duty pursuant to 10 U.S.C. 672, for a period in excess of 180 days at the time an application for involuntary allotment is received by the Director, DFAS, or Commanding Officer, Coast Guard Pay and Personnel Center. The following shall not be considered members:

(1) Retired personnel, including those placed on the temporary or permanent disabled retired list; and

(2) Personnel in a prisoner of war or missing in action status, as determined by the Secretary of the Military Department concerned.

### § 112.4 Policy.

(a) Members of the Military Services are expected to pay their just financial obligations in a proper and timely manner. A Service member’s failure to pay a just financial obligation may result in disciplinary action under the Uniform Code of Military Justice (10 U.S.C. 801–940) or a claim pursuant to Article 139 of the Uniform Code of Military Justice (10 U.S.C. 939). Except as stated in this section, and in paragraphs (a)(1) and (a)(2) of this section, the Department of Defense Components have no legal authority to require members to pay a private debt or to divert any part of their pay for satisfaction of a private debt.

(1) Legal process instituted in civil courts to enforce judgments against military personnel for the payment of alimony or child support shall be acted on in accordance with 42 U.S.C. 651–665, and Part 7, Chapter 7, Section B. of Department of Defense 7000.14–R<sup>1</sup>, Volume 7, Part A.

(2) Involuntary allotments under 5 U.S.C. 5520a(k) shall be established in accordance with this part.

(b) Whenever possible, indebtedness disputes should be resolved through amicable means. Claimants may contact military members by having correspondence forwarded through the military locator services for an appropriate fee, as provided under DoD Instruction 7230.7.<sup>2</sup>

(c) The following general policies apply to processing of *debt complaints* (not involuntary allotments):

(1) Debt complaints meeting the requirements of this part, and procedures established by the Under Secretary of Defense (Personnel and Readiness), as required by 32 CFR part 113, shall receive prompt processing assistance from commanders.

(2) Assistance in indebtedness matters shall not be extended to those creditors:

(i) Who have not made a bona fide effort to collect the debt directly from the military member;

(ii) Whose claims are patently false and misleading; or

(iii) Whose claims are obviously exorbitant;

(3) Some States have enacted laws that prohibit creditors from contacting a debtor’s employer about indebtedness or

<sup>2</sup> See footnote 1 to § 112.4(a)(1)

communicating facts on indebtedness to an employer unless certain conditions are met. The conditions that must be met to remove this prohibition are generally such things as reduction of a debt to judgment or obtaining written permission of the debtor.

(i) At Department of Defense installations in States having such laws, the processing of debt complaints shall not be extended to those creditors who are in violation of the State law.

Commanders may advise creditors that this rule has been established because it is the general policy of the Military Services to comply with State law when that law does not infringe upon significant military interests.

(ii) The rule in § 112.4(c)(3)(i) shall govern even though a creditor is not licensed to do business in the State where the debtor is located. A similar practice shall be started in any State enacting a similar law regarding debt collection.

(4) Under 15 U.S.C. 1601 note and 1692–1692o (“Fair Debt Collection Practices Act”), contact by a debt collector with third parties, such as commanding officers, for aiding debt collection is prohibited without a court order, or the debtor’s prior consent given directly to the debt collector. Creditors are generally exempt from this requirement, but only when they collect on this own behalf.

(d) The following general policies apply to processing of *involuntary allotments* under 5 U.S.C. 5520a(k).

(1) In those cases in which the indebtedness of a military member has been reduced to a judgment, an application for an involuntary allotment from the pay of the member may be made under procedures prescribed by the Under Secretary of Defense (Personnel and Readiness). Such procedures shall provide the exclusive remedy available under 5 U.S.C. 5520a(k).

(2) An involuntary allotment from a member’s pay shall not be started in any indebtedness case in which:

(i) Exigencies of military duty caused the absence of the member from the judicial proceeding at which the judgment was rendered; or

(ii) There has not been compliance with the procedural requirements of the Soldiers’ and Sailors’ Civil Relief Act of 1940, 50 U.S.C. appendix sections 501–591.

#### § 112.5 Responsibilities.

(a) The Under Secretary of Defense for Personnel and Readiness shall:

(1) In consultation with the Under Secretary of Defense (Comptroller), establish procedures for the processing

of debt complaints and involuntary allotments.

(2) Have policy oversight on the assistance to be provided by military authorities to creditors of military personnel who have debt complaints, and on involuntary allotment of military pay.

(b) The Under Secretary of Defense (Comptroller) shall:

(1) Establish, as necessary, procedures supplemental to those promulgated by the Under Secretary of Defense (Personnel and Readiness) to administer and process involuntary allotments from the pay of members of the Military Services; this includes the authority to promulgate forms necessary for the efficient administration and processing of involuntary allotments.

(2) Ensure that the Director, DFAS:

(i) Implements procedures established by the Under Secretary of Defense (Personnel and Readiness) and the Under Secretary of Defense (Comptroller).

(ii) Considers whether the Soldiers’ and Sailors’ Civil Relief Act of 1940, as amended (50 U.S.C. appendix sections 501–591), has been complied with under 5 U.S.C. 5520a(k) prior to establishing an involuntary allotment against the pay of a member of the Military Services.

(iii) Acts as the Department of Defense Executive Agent for Department of Defense forms necessary to process involuntary allotments.

(c) The Heads of the Department of Defense Components shall urge military personnel to meet their just financial obligations, since failure to do so damages their credit reputation and affects the public image of all Department of Defense personnel. See DoD Directives 1000.10,<sup>3</sup> 1000.11,<sup>4</sup> and 5500.7.<sup>5</sup>

(d) The Secretaries of the Military Departments shall:

(1) Establish, as necessary, procedures to administer and process involuntary allotments from the pay of members of the Military Services. This includes designating those commanders, or other officials who may act in the absence of the commander, who shall be responsible for determining whether a member’s absence from a judicial proceeding was caused by exigencies of military duty, and establishing appeal procedures regarding such determinations.

(2) Require commanders to counsel members to pay their just debts, including complying, as appropriate,

with court orders and judgments for the payment of alimony or child support.

(3) Emphasize prompt command action to assist with the processing of involuntary allotment applications.

(e) The Chief, Office of Personnel and Training, for the Coast Guard shall:

(1) Establish, as necessary, procedures supplemental to those promulgated by the Under Secretary of Defense (Personnel and Readiness) to administer and process involuntary allotments from the pay of members of the Military Services; this includes the authority to promulgate forms necessary for the efficient administration and processing of involuntary allotments.

(2) Ensure that the Commanding Officer, Coast Guard Pay and Personnel Center:

(i) Implements procedures established by the Under Secretary of Defense (Personnel and Readiness) and Chief, Office of Personnel and Training.

(ii) Considers whether the Soldiers’ and Sailors’ Civil Relief Act of 1940, as amended (50 U.S.C. appendix sections 501–591), has been complied with under 5 U.S.C. 5520a(k) prior to establishing an involuntary allotment against the pay of a member of the Military Services.

(iii) Acts as the Coast Guard Executive Agent for forms necessary to process involuntary allotments.

The term "Military Services," as used herein, refers to the Army, the Navy, the Air Force, the Marine Corps, and the Coast Guard.

### § 113.3 Definitions.

(b) *Applicant*. The original judgment holder, a successor in interest, or attorney or agent thereof who requests an involuntary allotment from a member of the Military Services pursuant to DoD Directive 1344.9.<sup>1</sup>

(c) *Pay subject to involuntary allotment*. For purposes of complying with 32 CFR part 112 and 5 U.S.C. 5520a(k), pay subject to involuntary allotment shall be determined by:

(1) Including:

(i) Basic pay but excluding reduction for education for education benefits under section 38 U.S.C. 1411 ("New G.I. Bill").

(ii) Special pay (including enlistment and reenlistment bonuses).

(iii) Incentive pay.

(v) Readjustment pay.

(vi) Severance pay (including disability severance pay).

(vii) Lump-sum Reserve bonus.

(ii) FICA tax.

(iii) Amounts mandatorily withheld for the United States Soldiers' and Airmen's Home.

(iv) Deductions for the Servicemen's Group Life Insurance coverage.

(e) *Proper and Timely Manner*. A manner that under the circumstances does not reflect discredit on the Military Service.

### § 113.4 Policy

(a) It is DoD policy under 32 CFR part 112 that procedures be established for the processing of debt complaints against members of the Military Services and involuntary allotments from the pay of members of the Military Services.

(b) An involuntary allotment shall not exceed the lesser of 25 percent of a member's pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under the applicable State law.

(c) The amount of an involuntary allotment under 32 CFR part 112 and this part when combined with deductions as a result of garnishments or statutory allotments for spousal support and child support under 42 U.S.C. 659, 661, 662, or 665, may not exceed the lesser of 25 percent of a member's pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under applicable State law. In any case in which the maximum percentage would be exceeded, garnishments and involuntary allotments for spousal and child support shall take precedence over involuntary allotments authorized under 32 CFR part 112 and this part. Involuntary allotments established under 32 CFR part 112 and this part

shall be reduced or stopped as necessary to avoid exceeding the maximum percentage allowed.

(d) The Truth in Lending Act (15 U.S.C. 1601 note, 1601-1614, 1631-1646, 1661-1666j, and 1667-1667e) prescribes the general disclosure requirements that must be met by those offering or extending consumer credit and Federal Reserve Board Regulation Z (12 CFR 226) prescribes the specific disclosure requirements for both open-end and installment credit transactions. In place of Federal Government requirements, State regulations apply to credit transactions when the Federal Reserve Board has determined that the State regulations impose substantially similar requirements and provide adequate enforcement measures. Commanding officers, with the assistance of judge advocates, should check regulations of the Federal Reserve Board to determine whether Federal or State laws and regulations govern.

### § 113.5 Responsibilities.

(a) The Under Secretary of Defense for Personnel and Readiness shall monitor compliance with this part.

(b) The Under Secretary of Defense (Comptroller) shall ensure Defense Finance and Accounting Service (DFAS) implementation of this part.

(c) The Heads of the DoD Components shall ensure compliance with this part.

### § 113.6 Procedures.

(a) The following procedures apply to the processing of debt complaints against members of the Military Services.

(1) It is incumbent on those submitting indebtedness complaints to show that they have met the disclosure requirements of the Truth in Lending Act (15 U.S.C. 1601 note, 1601-1614, 1631-1646, 1661-1666j, and 1667-1667e) and Federal Reserve Board Regulation Z (12 CFR 226), and that they complied with the Standards of Fairness (appendix B to this part).

(2) Creditors subject to Federal Reserve Board Regulation Z (12 CFR 226), and assignees claiming thereunder, shall submit with their debt complaint an executed copy of the Certificate of Compliance (appendix A to this part), and a true copy of the general and specific disclosures provided the member of the Military Service as required by the Truth in Lending Act (15 U.S.C. 1601 note, 1601-1614, 1631-1646, 1661-1666j, and 1667-1667e). Debt complaints that request assistance but do not meet these requirements will be returned without action to the claimant.

<sup>2</sup> Black's Law Dictionary, Fourth Edition, West Publishing Company, Saint Paul, Minnesota (1952).

(3) A creditor not subject to Federal Reserve Board Regulation Z (12 CFR 226), such as a public utility company, shall submit with the request a certificate that no interest, finance charge, or other fee is in excess of that permitted by the law of the State in which the obligation was incurred.

(4) A foreign-owned company having debt complaints shall submit with its request a true copy of the terms of the debt (English translation) and shall certify that it has subscribed to the Standards of Fairness (appendix B to this part).

(5) Debt complaints that meet the requirements of this part shall be processed by Department of Defense Components. "Processed" means that Heads of the Department of Defense Components, or designees, shall:

(i) Review all available facts surrounding the transaction forming the basis of the complaint, including the member's legal rights and obligations, and any defenses or counterclaims the member may have.

(ii) Advise the member concerned that:

(A) Just financial obligations are expected to be paid in a proper and timely manner, and what the member should do to comply with that policy;

(B) Financial and legal counseling services are available under DoD Directive 1344.7<sup>3</sup> in resolving indebtedness; and

(C) That a failure to pay a just debt may result in the creditor obtaining a judgment from a court that could form the basis for collection of pay from the member pursuant to an involuntary allotment.

(iii) If a member acknowledges a debt as a result of creditor contact with a DoD Component, advise the member that assistance and counseling may be available from the on-base military banking office, the credit union serving the military field of membership, or other available military community service organizations.

(iv) Direct the appropriate commander to advise the claimant that:

(A) Those aspects of DoD policy prescribed in 32 CFR part 112.4, are pertinent to the particular claim in question; and

(B) The member concerned has been advised of his or her obligations on the claim.

(v) The commander's response to the claimant shall not undertake to arbitrate any disputed debt, or admit or deny the validity of the claim. Under no circumstances shall the response indicate whether any action has been

taken, or will be taken, against the member as a result of the complaint.

(b) The following procedures apply to the processing of involuntary allotments from the pay of members of the Military Services.

(1) *Involuntary allotment application.*

(i) Regardless of the Service Affiliation of the member involved, with the exception of members of the Coast Guard an application to establish an involuntary allotment from the pay of a member of the Military Services shall be made by sending a completed DD Form 2653, "Involuntary Allotment Application" (appendix C to this part) to the appropriate address listed below. Applications sent to any other address shall be returned without action to the applicant.

(For Army, Navy, Air Force, or Marine Corps)

Defense Finance and Accounting Service, Cleveland Center, Code L, P.O. Box 998002, Cleveland, OH 44199-8002

(For Coast Guard only)

Coast Guard Pay and Personnel Center (LGL), 444 S.E. Quincy Street, Topeka, KS 66683-3591

(ii) Each application must include a copy of the final judgment certified by the clerk of court and such other documents as may be required by § 113.6(b)(1)(iv).

(iii) A garnishment summons or order is insufficient to satisfy the final judgment requirement of § 113.6(b)(1)(ii) and is not required to apply for an involuntary allotment under this part.

(iv) Involuntary allotment applications must contain the following information, certifications, and acknowledgment:

(A) The full name, social security number, and branch of Service of the military member against whose pay an involuntary allotment is sought. Although not required, inclusion of the member's current duty station and duty address on the application form will facilitate processing of the application.

(B) The applicant's full name and address. If the applicant is not a natural person, the application must be signed by an individual with the authority to act on behalf of such entity. If the allotment is to be in favor of a person other than the original judgment holder, proof of the right to succeed to the interest of the original judgment holder is required and must be attached to the application.

(C) The dollar amount of the judgment. Additionally, if the judgment awarded interest, the total dollar amount of the interest on the judgment accrued to the date of application.

(D) A certification that the judgment has not been amended, superseded, set aside, or satisfied; or, if the judgment has been satisfied in part, the extent to which the judgment remains unsatisfied.

(E) A certification that the judgment was issued while the member was not on active duty (in appropriate cases). If the judgment was issued while the member was on active duty, a certification that the member was present or represented by an attorney of the member's choosing in the proceedings, or if the member was not present or represented by an attorney of the member's choosing, that the judgment complies with the Soldiers' and Sailors' Civil Relief Act of 1940, as amended (50 U.S.C. appendix sections 501-591).

(F) A certification that the member's pay could be garnished under applicable State law and section 5520a(k) of the United States Code, if the member were a civilian employee.

(G) A certification that, to the knowledge of the applicant, the debt has not been discharged in bankruptcy, nor has the member filed for protection from creditors under the bankruptcy laws of the United States.

(H) A certification that if the judgment is satisfied prior to the collection of the total amount through the involuntary allotment process, the applicant will provide prompt notice that the involuntary allotment must be discontinued.

(I) A certification that if the member overpays the amount owed on the judgment, the applicant shall refund the amount of overpayment to the member within 30 days of discovery or notice of the overpayment, whichever is earlier, and that if the applicant fails to repay the member, the applicant understands he or she may be denied the right to collect by involuntary allotment on other debt reduced to judgments.

(J) Acknowledgment that as a condition of application, the applicant agrees that neither the United States, nor any disbursing official or Federal employee whose duties include processing involuntary allotment applications and payments, shall be liable for any payment or failure to make payment from moneys due or payable by the United States to any person pursuant to any application made in accordance herewith.

(v) The original and three copies of the application and supporting documents must be submitted by the applicant to DFAS.

(vi) A complete "application package" (the DD Form 2653, supporting documentation, and three copies of the

<sup>3</sup>See footnote 1 to § 113.3(b).

application and supporting documents), is required for processing of any request to establish an involuntary allotment pursuant to this part and 32 CFR part 112.

(vii) Applications that do not conform to the requirements of this part shall not be processed. If an application is ineligible for processing, the application package shall be returned to the applicant with an explanation of the deficiency. In cases involving repeated false certifications by an applicant, the designated DFAS official may refuse to accept or process additional applications by that applicant for such period of time as the official deems appropriate to deter against such violations in the future.

(2) *Processing of involuntary allotment applications.* (i) Promptly upon receipt of DD Form 2653 (Appendix C to this part), the designated DFAS official shall review the "application package" to ensure compliance with the requirements of this part. If the application package is complete, the DFAS official shall:

(A) Complete Section I of DD Form 2654, "Involuntary Allotment Notice and Processing" (Appendix D to this part), by inserting the name, social security number, rank, and branch of service of the military member against whom an application for involuntary allotment is being processed. Additionally, the DFAS official shall provide the due date for receipt of a response at DFAS. The due date shall be 90 days from the date DFAS mails the DD Form 2654 to the commander and member concerned as provided for in § 113.6(b)(2)(i)(B).

(B) Mail one copy of the application package to the member and two copies of the application package, along with DD Form 2654, to the commander of the military member or other official as designated by the Military Service concerned during times of war, national emergency, deployment, or other similar circumstances, who may act for the commander, provided the Military Service concerned has provided DFAS with the name or position of the official and the appropriate address (hereinafter, the meaning of the term "commander" includes such other official).

(C) Within 60 days of mailing the copies of the application package and DD Form 2654, DFAS shall provide notice to the member and the member's commander that automatic processing of the involuntary allotment application shall occur if a response (including notice of an approved extension as authorized in § 113.6(b)(2)(iii)(B) and (F), is not received by the due date

specified in Section I of DD Form 2654. In the absence of a response, DFAS may automatically process the involuntary allotment application on the fifteenth calendar day after the date a response was due. When DFAS has received notice of an extension, automatic processing shall not begin until the fifteenth calendar day after the approved extension date.

(D) Retain the original of the application package and DD Form 2654.

(ii) Upon receipt of an application, the commander shall determine if the member identified in Section I of DD Form 2654 is assigned or attached to the commander's unit and available to respond to the involuntary allotment application. If the member is not assigned or attached, or not available to respond (e.g., retired, in a prisoner of war status, or in a missing in action status), the commander will promptly complete Section II of DD Form 2654 and attach appropriate documentation supporting the determination. The commander will then mail the application package and DD Form 2654 to DFAS. Section II shall also be used by the commander to notify DFAS of extensions beyond the due date for a response contained in Section I of DD Form 2654. When such extensions are authorized, the commander will complete Section II, make a copy of Sections I and II, and promptly mail the copy to DFAS.

(iii) Within 5 days of receipt of an application package and DD Form 2654 from the designated DFAS official, the commander shall notify the member of the receipt of the application, provide the member a copy of the entire application package, and counsel the member using and completing Section III of DD Form 2654 about the following:

(A) That an application for the establishment of an involuntary allotment for the lesser of 25 percent of the member's pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under the applicable State law has been received.

(B) That the member has 15 calendar days from the date of receipt of the commander's notice to complete Section IV of DD Form 2654. That for good cause shown, the commander may grant an extension of reasonable time (normally not exceeding 30 calendar days) to submit a response. That during times of deployment, war, national emergency, assignment outside the United States, hospitalization, or other similar situations that prevent the member from obtaining necessary evidence or from responding in a timely manner, extensions exceeding 30

calendar days may be granted. That if the member fails to respond within the time allowed, the commander will note the member's failure to respond in Section V of DD Form 2654 and send the form to DFAS for appropriate action.

(C) That the member's response will either consent to the involuntary allotment or contest it.

(D) That the member may contest the application for any one of the following reasons:

(1) There has not been compliance with the procedural requirements of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended (50 U.S.C. appendix sections 501-591) during the judicial proceeding upon which the involuntary allotment application is sought.

(2) "Exigencies of military duty" (as defined in 32 CFR part 112.3(d)) caused the "absence" of the member from appearance in a judicial proceeding forming the basis for the judgment upon which the application is sought.

(3) Information in the application is patently false or erroneous in material part.

(4) The judgment has been fully satisfied, superseded, or set aside.

(5) The judgment has been materially amended, or partially satisfied. When asserting this defense, the member shall include evidence of the amount of the judgment that has been satisfied.

(6) There is a legal impediment to the establishment of the involuntary allotment (for example, the judgment debt has been discharged in bankruptcy, the judgment debtor has filed for protection from the creditors under the bankruptcy laws of the United States, the applicant is not the judgment holder nor a proper successor in interest to that holder, or the applicant has been enjoined by a Federal or state court from enforcing the judgment debt).

(7) Or other appropriate reasons that must be clearly specified and explained by the member.

(E) That, if the member contests the involuntary allotment, the member shall provide evidence (documentary or otherwise) in support thereof.

Furthermore, that any evidence submitted by the member may be disclosed to the applicant for the involuntary allotment.

(F) That the member may consult with a legal assistance attorney, if reasonably available, or a civilian attorney at no expense to the government. That if a legal assistance attorney is available, the member should immediately arrange for an appointment. That the member may request a reasonable delay from the commander to obtain legal assistance (in cases where an approved delay will cause DFAS to receive the member's

response after the due date identified in Section I of DD Form 2654, the commander must immediately notify the designated DFAS official of the delay, the date for an expected response, and the reason for the delay by completing Section II of DD Form 2654 and forwarding a copy of Sections I and II to DFAS). Additionally, that requests for extensions of time based on the need for legal assistance shall be denied to members who fail to exercise due diligence in seeking such assistance.

(G) That if the member contests the involuntary allotment on the grounds that exigencies of military duty caused the absence of the member from the judicial proceeding at which the judgment was rendered, then the member's commander shall review and make the final determination on this contention, and notify the designated DFAS official of the commander's decision by completing Section V of DD Form 2654 and forwarding the form to DFAS.

(1) In determining whether exigencies of military duty caused the absence of the member, the commander at the level designated by the Service concerned shall consider the definition of "exigencies of military duty" (as defined in 32 CFR part 112.3(d)).

(2) Additionally, consideration shall be given to whether the commander at the time determined the military duties in question to be of such paramount importance that they prevented making the member available to attend the judicial proceedings, or rendered the member unable to timely respond to process, motions, pleadings, or orders of the court.

(H) That if the member contests the involuntary allotment on any basis other than exigencies of military duty, the application package and DD Form 2654 shall be returned to the commander who shall forward it to the designated DFAS official for appropriate action.

(I) That if the member fails to respond to the commander within the time allowed under § 113.6(b)(2)(iii)(B), the commander shall notify the designated DFAS official of the member's failure to respond by completing Section V of DD Form 2654, and forwarding the form to DFAS.

(iv) After counseling the member in accordance with § 113.6(b)(2)(iii)(A)-(I), the commander shall:

(A) Date and sign Section III of DD Form 2654.

(B) Obtain the member's acknowledgment of counseling by having the member sign the appropriate space on Section III of DD Form 2654.

(C) Determine if the member consents to the involuntary allotment or needs

the time authorized under this part to review the application package and take appropriate action. If the member consents to the involuntary allotment, the commander shall direct the member to appropriately complete Section IV of DD Form 2654. The commander must then complete the appropriate item in Section V and promptly forward the completed DD Form 2654 to the designated DFAS official.

(D) Complete the appropriate items in Section V of DD Form 2654 when the member fails to respond within the time authorized for a response, or asserts that exigencies of military duty caused the absence of the member from an appearance in the judicial proceeding upon which the Involuntary Allotment Application is sought.

(1) In determining whether exigencies of military duty caused the absence of the member, the commander, at the level designated by the Service concerned, shall consider the definition of "exigencies of military duty" (as defined in 32 CFR part 112.3(d)), the evidence provided by the member, any other reasonably available evidence (e.g., a copy of the member's personnel record), and whether the commander at the time determined the military duties in question to be of such paramount importance that they prevented making the member available to attend the judicial proceedings, or rendered the member unable to timely respond to process, motions, pleadings, or orders of the court.

(2) The evidentiary standard for a commander to determine whether existences of military duty caused the absence of the member from an appearance in the judicial proceeding upon which the Involuntary Allotment Application is sought is a "preponderance of the evidence" (as defined in § 113.3(d) of this part).

(3) If the commander has made a determination on exigencies of military duty, the commander must insert in Section V of DD Form 2654, the title and address of the appeal authority.

(E) Promptly following the date the member's response is due to the commander as determined by § 113.6(b)(2)(iii)(B), ensure that the DD Form 2654 is appropriately completed and mail the form, along with any response received from the member, to DFAS.

(F) Provide the member a copy of the completed DD Form 2654 within 5 days of mailing to the designated DFAS official.

(v) Upon receipt of DD Form 2654 and any additional evidence submitted by the member, the designated DFAS official shall conduct a review of the

entire application package, DD Form 2654, and any evidence submitted by the member, to determine whether the application for an involuntary allotment should be approved and established.

(A) In those cases where the member's commander has completed Section V of DD Form 2654, and determined that exigencies of military duty caused the absence of the member from an appearance in a judicial proceeding upon which the involuntary allotment application is sought, the designated DFAS official shall deny the involuntary allotment application and provide the applicant written notice of the denial and the reason therefor. The designated DFAS official shall also advise the applicant that:

(1) The responsibility for determining whether exigencies of military duty existed belonged to the member's commander and the Military Department concerned.

(2) The commander's decision may be appealed within 60 days of the date DFAS mailed the notice of the decision to the applicant.

(3) An Appeal must be submitted to the appeal authority at the address provided by DFAS (as found in Section V of the DD Form 2654) in their written notice of denial, and that an appeal submitted to an appeal authority and address different from the one provided by DFAS may be returned without action.

(4) An appeal must be submitted in writing and contain sufficient evidence to overcome the presumption that the commander's exigency determination was correct.

(5) The appellate authority shall decide an appeal within 30 days of its receipt and promptly notify the applicant in writing of the decision. The 30 day decision period may be extended during times of deployment, war, national emergency, or other similar situations.

(6) If an appeal is successful, the applicant must submit a written request, along with a copy of the appellate authority's decision, to DFAS within 15 days of receipt of the appellate authority's decision.

(B) Upon receiving written notice that an applicant has successfully appealed a commander's determination on exigencies of military duty that resulted in denial of an involuntary allotment application, DFAS shall review the application in accordance with § 113.6(b)(2)(v)(C), and determine whether the involuntary allotment should be approved and initiated.

(C) In all cases, other than as described in § 113.6(b)(2)(v)(A), the designated DFAS official shall deny an

involuntary allotment application, and give written notice to the applicant of the reason(s) for denial, if the designated DFAS official determines that:

(1) There has not been compliance with the procedural requirements of the Soldier's and Sailor's Civil Relief Act of 1940, as amended (50 U.S.C. appendix sections 501-591) during the judicial proceeding upon which the involuntary allotment application is sought.

(2) Information in the application is patently false or erroneous in material part.

(3) The judgment has been fully satisfied, superseded, or set aside.

(4) The judgment has been materially amended, or partially satisfied. In such a case, the request for involuntary allotment may be approved only to satisfy that portion of the judgment that remains in effect and unsatisfied; the remainder of the request shall be denied.

(5) There is a legal impediment to the establishment of the involuntary allotment (for example, the judgment debt has been discharged in bankruptcy, the judgment debtor has filed for protection from the creditors under the bankruptcy laws of the United States, the applicant is not the judgment creditor nor a proper successor in interest to that creditor, or the applicant has been enjoined by a Federal or State court from enforcing the judgment debt).

(6) The member's pay is already subject to one or more involuntary allotments or garnishments that equal the lesser of 25 percent of the member's pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under the applicable State law.

(7) The applicant has abused the processing privilege (e.g., an applicant, having been notified of the requirements of this part, repeatedly refuses or fails to comply therewith).

(8) Or other appropriate reasons that must be clearly explained to the applicant.

(D) In all cases other than as described in § 113.6(b)(2)(v) (A) and (C), the designated DFAS official shall approve the involuntary allotment application and establish an involuntary allotment against the pay subject to involuntary allotment of the member.

(vi) The designated DFAS official shall, at any time after establishing an involuntary allotment, cancel or suspend such allotment and notify the applicant of that cancellation if the member concerned, or someone acting on his or her behalf, submits legally sufficient proof, by affidavit or otherwise, that the allotment should not

continue because of the existence of the factors enumerated in § 113.6(b)(2)(v)(A) and (C)(1)-(8).

(3) *Payments*

(i) Payment of an approved involuntary allotment under 32 CFR part 112 and this part shall commence within 30 days after the designated DFAS official has approved the involuntary allotment.

(ii) Payments under this part shall not be required more frequently than once each month, and the designated official shall not be required to vary normal pay and disbursement cycles.

(iii) If the designated DFAS official receives several applications on the same member of a Military Service, payments shall be satisfied on a first-come, first-served basis.

(iv) Payments shall continue until the judgment is satisfied or until canceled or suspended.

(A) DFAS shall collect the total judgment, including interest when awarded by the judgment. Within 30 days following collection of the amount of the judgment, including interest as annotated by the applicant in Section I of DD Form 2654, the applicant may submit a final statement of interest that accrued during the pay-off period. This final statement of interest request must be accompanied by a statement of account showing how the applicant computed the interest amount. DFAS will collect this post-application interest provided it is an amount owed pursuant to the judgment. DFAS shall not accept any further interest requests.

(B) Interest or other costs associated with the debt forming the basis for the judgment, but not included as an amount awarded by the judgment, shall not be paid to applicants for involuntary allotments.

(v) If the member is found not to be entitled to money due from or payable by the Military Services, the designated official shall return the application and advise the applicant that no money is due from or payable by the Military Service to the member. When it appears that pay subject to an involuntary allotment is exhausted temporarily or otherwise unavailable, the applicant shall be told why and for how long that money is unavailable, if known. Involuntary allotments shall be canceled on or before the date a member retires, is discharged, or is released from active duty. The designated DFAS official shall notify the applicant of the reason for cancellation.

(vi) Upon receiving notice from an applicant that a judgment upon which an involuntary allotment is based has been satisfied, vacated, modified, or set aside, the designated DFAS official shall

promptly adjust or discontinue the involuntary allotment.

(vii) The Under Secretary of Defense (Comptroller) may, in DoD 7000.14-R<sup>4</sup> Volume 7, Part A, designate the priority to be given to involuntary allotments pursuant to 32 CFR part 112 and this part, among the deductions and collections taken from a member's pay, except that they may not give precedence over deductions required to arrive at a member's disposable pay for garnishments or involuntary allotments authorized by statute for alimony and child support payments. In the absence of a contrary designation by the Comptroller, all other lawful deductions (except voluntary allotments by the member) and collections shall take precedence over these involuntary allotments.

1. No finance charge contracted for, made, or received under any contract shall be in excess of the charge that could be made for such contract under the law of the place in which the contract is signed in the United States by the military member.

<sup>4</sup> See footnote 1 to § 113.3(b).

<sup>1</sup> Copies may be obtained, at cost, from the National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161.

a. In the event a contract is signed with a U.S. company in a foreign country, the lowest interest rate of the State or States in which the company is chartered or does business shall apply.

b. However, interest rates and service charges applicable to overseas military banking facilities shall be as established by the Department of Defense.

2. No contract or loan agreement shall provide for an attorney's fee in the event of default unless suit is filed, in which event the fee provided in the contract shall not exceed 20 percent of the obligation found due. No attorney fees shall be authorized if the attorney is a salaried employee of the holder.

3. In loan transactions, defenses that the debtor may have against the original lender or its agent shall be good against any subsequent holder of the obligation. In credit transactions, defenses against the seller or its agent shall be good against any subsequent holder of the obligation, provided that the holder had actual knowledge of the defense or under conditions where reasonable inquiry would have apprised the holder of this fact.

4. The military member shall have the right to remove any security for the obligation beyond State or national boundaries if the military member or family moves beyond such boundaries under military orders and notifies the creditor, in advance of the removal, of the new address where the

security will be located. Removal of the security shall not accelerate payment of the obligation.

5. No late charge shall be made in excess of 5 percent of the late payment, or \$5.00, whichever is the lesser amount, or as provided by law or applicable regulatory agency determination. Only one late charge may be made for any tardy installment. Late charges shall not be levied where an allotment has been timely filed, but payment of the allotment has been delayed. Late charges by overseas banking facilities are a matter of contract with the Department of Defense.

6. The obligation may be paid in full at any time or through accelerated payments of any amount. There shall be no penalty for prepayment. In the event of prepayment, that portion of the finance charges that has inured to the benefit of the seller or creditor shall be prorated on the basis of the charges that would have been ratably payable had finance charges been calculated and payable as equal periodic payments over the terms of the contract, and only the prorated amount to the date of prepayment shall be due. As an alternative, the "Rule of 78" may be applied.

7. If a charge is made for loan insurance protection, it must be evidenced by delivery of a policy or certificate of insurance to the military member within 30 days.

8. If the loan or contract agreement provides for payments in installation, each payment, other than the down payment, shall

be in equal or substantially equal amounts, and installments shall be successive and of equal or substantially equal duration.

9. If the security for the debt is repossessed and sold in order to satisfy or reduce the debt, the repossession and resale shall be governed by the laws of the State in which the security is requested.

10. A contract for personal goods and services may be terminated at any time before delivery of the goods or services without charge to the purchaser. However, if goods made to the special order of the purchaser result in preproduction costs, or require preparation for delivery, such additional costs shall be listed in the order form or contract.

a. No termination charge shall be made in excess of this amount. Contracts for delivery at future intervals may be terminated as to the undelivered portion.

b. The purchaser shall be chargeable only for that proportion of the total cost that the goods or services delivered bear to the total goods called for by the contract. (This is in addition to the right to rescind certain credit transactions involving a security interest in real estate provided by the Truth in Lending Act (15 U.S.C. 1601 note, 1601-1614, 1631-1646, 1661-1665a, 1666-1666j, and 1667-1667e) and Federal Reserve Board Regulation Z (12 CFR 226)).

Appendix D to Part 113

**INVOLUNTARY ALLOTMENT NOTICE AND PROCESSING**

**PRIVACY ACT STATEMENT**

**AUTHORITY:** 5 USC 5520a, EO 9397.

**PRINCIPAL PURPOSE:** To notify a member of the Armed Services or the Coast Guard of an involuntary allotment application against the member's disposable pay; to provide the member an opportunity to respond to the involuntary allotment application; and to provide for action by the member's commander to forward the member's response to the Defense Finance and Accounting Service (or the Coast Guard Pay and Personnel Center) and, as appropriate, to make determinations concerning exigencies of military duty; and to provide for appeals of exigency determinations.

**ROUTINE USES:** None.

**DISCLOSURE:** Voluntary for the member; however, failure to provide a response may result in the involuntary allotment of the member's disposable pay.

**INSTRUCTIONS**

- These instructions govern notice and processing of an application for an involuntary allotment from the pay of a member of the Armed Forces or the Coast Guard under 5 USC 5520a.
- Section I, item 1 is to be completed by the designated Defense Finance and Accounting Service (DFAS) (or Coast Guard Pay and Personnel Center) representative. After completing this section, the representative will mail the form, along with two copies of the DD Form 2653, "Involuntary Allotment Application" and associated paperwork, to the commander of the member identified, and one copy to the member.
- Upon receipt, the commander will determine if the member identified in Section I is in his or her unit. If the member is no longer assigned or available, or, after receiving the notice required by Section III, requests an extension to respond that is granted, the commander will complete Section II. If the member is no longer available under Section II, item 3, the commander will return the entire form and application package to DFAS (or the Coast Guard Pay and Personnel Center); if an extension is authorized under Section II, item 4, that will cause the member's response to be received by DFAS (or the Coast Guard Pay and Personnel Center) later than the date the response is due, then the commander must immediately provide a copy of Sections I and II to DFAS (or the Coast Guard Pay and Personnel Center). The address for mailing is: "DFAS, Cleveland Center, Code L, PO Box 998002, Cleveland, OH 44199-8002" (or other address as specified by DFAS). For the Coast Guard, the address is: "Coast Guard Pay and Personnel Center (LGL), 444 S.E. Quincy Street, Topeka, KS 66683-3591." If the member is assigned, the commander will provide the member a complete copy of DD Form 2653, "Involuntary Allotment Application," and counsel the member in accordance with Section III, items 7a - g.
- After counseling, the commander will complete Section III, item 8, and the member will complete Section III, item 9. The commander will then make and retain one copy of the form with Section III completed. After obtaining a copy, the commander will provide the member the signed original and advise the member to complete Section IV prior to the date the commander specifies that the member's response is due.
- The member will complete Section IV and return the original form and accompanying evidence or additional matters, if any, to the commander on or before the due date as specified by the commander.
- Following receipt of the member's response, the commander will complete Section V and forward the original form, to include any additional evidence or other matters from the member, to DFAS (or the Coast Guard Pay and Personnel Center) at the address listed in paragraph 3 above. Note, if the member fails to respond by the due date, the commander will complete Section V on a copy of the DD Form 2654 previously retained in accordance with the instructions in paragraph 4 above, and forward the form to DFAS (or the Coast Guard Pay and Personnel Center).
- Within 5 working days from the date of forwarding to DFAS (or the Coast Guard Pay and Personnel Center), the commander will provide the member a copy of the completed DD Form 2654.

**SECTION III - NOTICE TO MEMBER BY COMMANDER OR AUTHORIZED DESIGNEE**

**7. NOTICE**  
 You are hereby notified that an application for the establishment of an involuntary allotment for the lesser of 25% of your pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under the applicable state law has been received. Along with this notice, I am providing you a copy of the entire application package.  
 Additionally, you are notified that:  
 M  
 a. You must respond within 15 calendar days from the date of this notification by either consenting to the involuntary allotment or contesting it. For good cause shown, I may grant an extension of reasonable time (normally not exceeding 30 calendar days, except during times of deployment, war, national emergency, or other similar situations) to submit a response. Additionally, if you fail to respond within the specified date (or any approved extended date), your failure to respond will be indicated in Section V of this form, which will then be sent back to the designated Defense Finance and Accounting Service (DFAS) (or Coast Guard Pay and Personnel Center) official for appropriate action.  
 P  
 b. You may contest this application for any of the reasons described in Section IV of this form.  
 c. If you contest the application, you must provide evidence (documentary or otherwise) supporting your reasons for contesting the application. Any evidence you submit may be disclosed to the applicant for this involuntary allotment.  
 d. You may, if reasonably available, consult with a legal assistance attorney, or a civilian attorney at no expense to the government. If a legal assistance attorney is available, you should immediately arrange for an appointment. If a legal assistance attorney is not available, you may request a reasonable delay to enable you to obtain legal assistance. If you have failed to exercise due diligence in seeking assistance, I will deny a request for delay.  
 e. If you contest the involuntary allotment on the grounds that exigencies of military duty caused your absence from an appearance at the judicial proceeding at which the judgment was rendered, then I will review and make the final determination on this contention. My decision will be reflected in Section V of this form which will be forwarded to the designated DFAS (or Coast Guard Pay and Personnel Center) official who will consider the following when making this determination:  
 I  
 (1) That exigencies of military duty are defined as "a military assignment or mission essential duty that, because of its urgency, importance, duration, location, or isolation, necessitates the absence of a member of the military services from appearance at a judicial proceeding. Absence from an appearance in a judicial proceeding is normally presumed to be caused by exigencies of military duty during periods of war, national emergency, or when the member is deployed."  
 (2) Whether the military duties in question were of such paramount importance that they prevented making you available to attend the judicial proceedings, or rendered you unable to timely respond to process, motions, pleadings, or orders of the court.  
 f. If you contest the involuntary allotment on any basis other than exigencies of military duty, you must return this form and your response to me. This form, the application package, and your response will then be returned to the designated DFAS (or Coast Guard Pay and Personnel Center) official who will consider your response and determine whether to establish the involuntary allotment. The designated DFAS (or Coast Guard Pay and Personnel Center) official has decision authority on all issues other than exigencies of military duty.

### 40 CFR Part 51

[FRL-5132-7]

RIN 2060-AE21

#### Inspection/Maintenance Program Requirements—Provisions for Redesignation

**AGENCY:** Environmental Protection Agency.

**ACTION:** Final rule.

**SUMMARY:** Today's action revises the motor vehicle Inspection/Maintenance Program Requirements final rule promulgated on November 5, 1992. EPA proposed these revisions on June 28, 1994, allowing stakeholders ample opportunity for review and comment, and is taking final action on the revisions to include additions and modifications, regarding State Implementation Plan submissions for states with nonattainment areas that are in a position to redesignate to attainment. The revisions specify SIP requirements only for areas that are subject to the basic Inspection/Maintenance program requirement and that otherwise qualify for redesignation from nonattainment to attainment for the carbon monoxide or ozone national ambient air quality standards. This rule allows such areas to defer adoption and implementation of some of the otherwise applicable requirements established in the original promulgation of the Inspection/Maintenance rule. It is an appropriate time to take this action since the rule applies only to areas that by virtue of their air quality classification are required to implement a basic I/M program and that submit, and otherwise qualify for, a redesignation request.

**EFFECTIVE DATE:** The effective date of this rule is January 5, 1995.

**ADDRESSES:** Materials relevant to this rulemaking are contained in Public Docket No. A-93-21. The docket is located at the Air Docket, room M-1500 (LE-131), Waterside Mall SW., Washington, DC 20640. The Docket may be inspected from 8 a.m. to 4:30 p.m. on weekdays. A reasonable fee may be charged for copying docket material.

**FOR FURTHER INFORMATION CONTACT:** Eugene J. Tierney, Office of Mobile Sources, National Vehicle and Fuel Emissions Laboratory, 2565 Plymouth Road, Ann Arbor, Michigan, 48105. (313) 668-4456.

**SUPPLEMENTARY INFORMATION:** Section 107(d)(3)(E) of the Clean Air Act, as amended in 1990 (the Act), states that an area can be redesignated to attainment if the following conditions are met: EPA has determined that the National ambient air quality standards have been attained; EPA has fully approved the applicable implementation plan under section 110(k); EPA has determined that the improvement in air quality is due to permanent and enforceable reductions in emissions due to the implementation plan and other permanent and enforceable reductions; the State has met all applicable requirements of section 110 and part D; and, EPA has fully approved a maintenance plan for

the area under section 175A of the Act. Section 175A in turn requires states that submit a redesignation request to submit a plan, and any additional measures if necessary, for maintenance of the air quality standard, for at least a 10 year period following EPA's final approval of the redesignation. It also requires the plan to include contingency provisions to ensure prompt correction of any violation of the standard which occurs after redesignation. The contingency measures must include a provision requiring the state to implement measures which were contained in the State Implementation Plan (SIP) prior to redesignation as an attainment area.

Today's action revises subpart S of part 51 of title 40 of the Code of Federal Regulations (subpart S) to address Inspection/Maintenance (I/M) program requirements for areas subject to the Act's basic I/M requirements and that otherwise would qualify for and ultimately obtain approval by EPA of redesignation requests to attainment. This final rule adds a new paragraph to the regulation pertaining to State Implementation Plan (SIP) submissions for areas required to implement a basic I/M program that are submitting and otherwise qualify for approval of a redesignation request. Areas subject to basic I/M fall into several categories. There are basic areas that will be submitting redesignation requests that do not currently have I/M programs, or have either a basic program implemented pursuant to the 1977 amendments to the Act or a basic program required to be upgraded to meet the requirements of EPA's I/M regulations. For purposes of today's final rulemaking, EPA is using the word "upgraded" to refer to a basic I/M program that meets all the basic I/M program requirements of the I/M rule, subpart S, part 51, title 40 of the Code of Federal Regulations in addition to pre-1990 Clean Air Act I/M program policy. This rule applies only to areas that by virtue of their air quality classification are required to implement a basic I/M program, and that submit, and otherwise qualify for a redesignation request. Pursuant to sections 182(a)(2)(B)(i) and 182(b)(4) of the Act, basic I/M areas must submit a SIP revision that includes any "provisions necessary to provide for a vehicle inspection and maintenance program" of no less stringency than either the program that was in the SIP at the time of passage of the Act or the minimum basic program requirements, whichever is more stringent. For purposes of this final rule EPA interprets the statutory language of
